Arthur McArthur: I see. Nico I assure you that you have absolutely nothing to be afraid of mate. I don't even have a shotgun.

Nico: You sure?

Arthur McArthur: I don't even own one.

Rias McArthur: Me neither.

Nico: (Sighs in relief)

Eli: See Nico?

Nico: Oh, thank God!

Me: Yeah you're going to be okay.

Arthur McArthur: I'm glad that you all are such great friends for Nico. And Nico you have our blessings to have our daughters with you.

Nico: Thank you Mr. McArthur.

Xenia: That is a relief though.

Maria: Feel better?

Nico: Much better. Thank you guys.

Me: You're welcome Nico.

Qin: Glad we could help.

Xenia: Yeah.

Me: Now it's time for our business.

Nico: Eli, sense for Swartz's creations.

Eli: Right.

?: I know where one is.

I saw a figure come out and it was a girl with brown hair, blue eyes and a green shirt and blue pants.

Me: (Gasp) Aisha Aksoy!

Aisha: Awesome to see you again J.D.

Me and Aisha hugged.

Nico: Wait a second. Aren't you the famous piano player from Turkey?

Aisha: That's right. I did a lot of awesome songs.

Laney saw a huge and nasty scar on Aisha's left elbow.

Laney: That scar is nasty. What happened?

Aisha: My evil ex-stepsister Fatma did this to me.

We gasped.

Nico: What happened?

Aisha: It was terrible.

Aisha told us that she is from Turkey **T R** and that she was an orphan. She had an awesome gift in playing the piano and she was amazing at it. But her evil ex-stepsister Fatma HATED her guts to the Nth degree and she did everything she could to make sure that her fame was destroyed. She destroyed the piano she got and when Aisha told her parents about it they always sided with Fatma. As the years went by Fatma continued to get worse and worse and worse. A terrible day happened when Fatma tried to dump yellow paint on Aisha to humiliate her. But that backfired. Then as Aisha and a boy named Ahmed finished their date, Aisha reported him for theft and he was arrested and deported back to his home country. This INFURIATED Fatma and she was going to kill Aisha! I stepped in and showed Fatma's true colors to everyone. Armed with a knife, Fatma charged at Aisha with glowing red eyes and murder was in them. She said that she made Ahmed leave and she was going to kill her! I was going to stop her but Aisha pushed me out of the way and she got stabbed right in her left arm. Fatma was about to kill her but I stepped in and made her drop the knife and she was arrested. She had be committed to a maximum security insane asylum and was declared a total danger to everyone around her and herself and was declared to never be released. Aisha was going to be alright but she would have a scar on her.

After Aisha told us everything about her evil ex-stepsister, Fatma, we were absolutely shocked and horrified.

Eli: Jeez, she's literally pure evil.

Me: To the infinite-power, bro. She is a total sociopath!

Lincoln: Eli, let's sense for Fatma, I have a feeling she's been turned into Another M.O.E. Villain to get revenge on Aisha, and it's someone Shanan hates with a bloody vengeance.

Eli: On it, Lincoln.

Nico: Why do I have the feeling that you're right about that, Lincoln?

Eli and Lincoln sensed for Fatma, and they gasped when they found out what she's been turned into.

Eli: Guys, we found Fatma.

Lincoln: But, the bad news is she's been turned into Another Slade!

We gasped in pure horror. But, out of all of us, Shanan was extremely enraged beyond measure and beyond imagination.

Shanan: WHAT?! That bitch has been turned into Another Slade?!

Aisha Aksoy: Why does Shanan hate Slade that much?

We went over Slade's history, and when we were done, she was horrified.

Aisha Aksoy: My God, that's horrible.

Lincoln: It sure is, and to this day, Shanan forever despises Slade for putting Tara through Hell and all for his own insane desires to destroy The Titans and take over Jump City. We sent him to The Black Gates two months ago, but now to find out Fatma's been turned into Another Slade, now her fury and hatred of him has risen once again.

Nicole: You got that right, but we're not letting Fatma hurt you, Aisha, she'll pay for her crimes and she'll be locked up in an asylum until the day she dies.

May: Where is she?!

Eli: She's outside and heading to this area.

Nico: Lets go.

We went outside to look for her.

We were in the courtyard.

Nico: Stay sharp everyone.

?: (ENRAGED SCREAM) AISHA, I WILL ENJOY KILLING YOU RIGHT WHERE YOU STAND, ALONG WITH YOU, J.D. KNUDSON! (LAUGHING INSANELY)

Me: Oh, great, I knew there was no mistaking that fucked-up laugh from anywhere.

Suddenly, Lincoln sensed a presence in the bushes, and he fired a rainbow energy blast at it, and he forced out a girl with wild hair, insane eyes, and dressed in a straitjacket, it was Fatma the Insane, the evil ex-stepsister of Aisha Aksoy.

Sakura Knudson: So, that's Fatma.

Me: Yep, and after Aisha and I took down Fatma, we had her arrested and she was convicted for her crimes. But, because she was completely insane, the doctors found her tragically incurable, and we had her sent to a maximum security insane asylum for the rest of her life.

Fatma: And now that I'm back, I will enjoy killing you both and drinking your blood!

Me: Not likely!

Eli: Taste this!

He fired a massive blast of Force Lightning and electrocuted her all over!

She was screaming in pain from the intense voltage!

Nico: You're going down!

Qin: Big time!

Aisha: You're a monster Fatma!

Nico: Lets tear her apart!

Shanan: That's it, I've had it up to hear with you to last a fucking eternity, Fatma!

Suddenly, something within Shanan's mind snapped as the memories of Slade's crimes and Terra's sacrifice along with Fatma's crimes against her own stepsister rushed and echoed through her head, and her emerald green eyes turned neon emerald green, and she was surrounded by an emerald green energy aura with life energy, stars, galaxies, planets, magic, angels, and phoenixes, and as she angrily approached Fatma, she left emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes with every step.

Shanan: You absolutely make me fucking sick, Fatma, what you tried to do to Aisha just proves that you are nothing more than an evil and insane heartless monster who doesn't care about no one but yourself and you'd do anything to slake your thirst for blood. (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) I would've thought you'd remain forgotten for good after Dad and Aisha sent you to the nuthouse, but, to find out Swartz busted you out and turned into Another Slade so you could get revenge on Aisha and Dad… , YOU HAVE ABSOLUTELY CROSSED ONE FUCKING LINE TOO MANY FOR THE LAST

FUCKING TIME, FATMA THE INSANE, AND FOR THAT, I WILL MAKE YOU PAY FOR EVERYTHING YOU HAVE DONE AND MORE, AND I WILL MAKE SURE THAT YOU DIE A HORRIBLE, BLOODY, PAINFUL, AND EXCRUCIATING DEATH!

We gasped at the sheer and extremely dangerous extent of Shanan's rage: and this meant Fatma the Insane has already fucked up big time.

Me: Oh, shit!

Nico: Fatma, you are eternally damned!

Lincoln: The memories of Slade's crimes and that day still scarred Shanan even now, and now, she's going to take out her rage on Fatma big time. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground as Shanan screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy as emerald green energy exploded from her, and she was surrounded by a massive vortex of emerald green energy with life energy, stars, galaxies, planets, and magic, surrounding the vortex, there are aliens of different species, angels, and phoenixes running around the vortex, and in the vortex is a green phoenix, and the force of the vortex and power was so great, it sent Fatma flying into a tree. Then, as the vortex faded, Shanan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Shanan grew from 7'4" to 7'5" in height, she has the body of a goddess, she has green highlights in the bangs of her long blue green hair, she has neon emerald green eyes and an emerald green energy aura with life energy, stars, galaxies, planets, magic, angels, and phoenixes surrounding her, she has an angel and phoenix with a planet above their heads emblazoned on her forehead and Third Eye with emerald green iris, she has on phoenix earrings with emerald green gems for eyes and holding the Planetary, Life, Magic, and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with emerald green gems on the gold star links and emerald green crystal links and an emerald green phoenix-shaped Element of Harmony and on the bottom of the Element of Harmony is an angel with emerald green gems for eyes and holding the Planetary, Life, Magic, and Eternity Kanjis in its hands for the pendant. Shanan has on a sleeveless brown blouse, sleeveless strapless dark blue top, dark blue pants with green flowers, green heeled sneakers, and long white sleeveless trenchcoat with stars, galaxies, planets, magic, angels, and phoenixes on the coattails and on the back of the trenchcoat is the entire Solar System with a phoenix and angel above the sun with aliens surrounding the planets and magic. Suddenly, Shanan felt a sharp pain on her back, and then, her massive blue green angel wings with emerald green tips on the feathers grew much bigger for her new body and her eleven massive and long blue green wolf tails now have emerald green tips and emerald green markings. Shanan has on a Ring of The Phoenix with emerald green gem and heart-shaped gem embedded in it on her right ring finger and a White Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Shanan's massive Shanan Knudson's Interstellar Planetary Life Magic Greatsword of Interstellar Planetary Life Magic Justice and all of the greatswords she'd gotten began merging together, and they're surrounded by a kaleidoscope of emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes, and when it emerged, it was transformed into Shanan Knudson's Eternal Interstellar Planetary Life Magic Greatsword of Interstellar Planetary Life Magic Justice, it's a brand-new massive greatsword with embedded colored gems representing the planets in the Solar System and an angel and phoenix etched on the 7'0" massive, wide, double-edged dark blue blade, large angel heads for the crossguard, large white angel head embedded in the rainguard with large emerald green gem embedded in the forehead, longer midnight black handle, four large phoenix heads with emerald green gems for eyes and a large dark blue gem on the bottom of the phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with dark blue gems on her wrists, her Belt of Elemental Bravery with a gold phoenix head with emerald green gems for eyes and large dark blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a dark blue kanji below the Solar System that said, "Shanan Abigail Knudson, Loving Daughter of James Dean and Varie Knudson, The Living Encyclopedia of All Life in The Universe, The Eternal Life Wizard, Loving Sister of Many Siblings, Loving Aunt of Many Children, Powerful Warrior and Member of Team Loud Phoenix Storm, Defender of All Life in The Entire Universe and Beyond, Archenemy of The Detrovite Crime Lord Vulkanis, Destroyer of Slade Wilson, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Ultimate Force of Ultimate Good, Master of The Black Gates, Destroyer of Evil, Destroyer of Monsters, Power-Hungry Bastards, and Maniacal Tyrants, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice, Amazing and Powerful Teacher of Amazing and Powerful Students, and Master of Planets, Stars, Life, and Magic"

Shanan has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ETERNAL LIFE INTERSTELLAR PLANETARY LIFE MAGIC ANGEL OF DIVINE COSMIC INTERSTELLAR PLANETARY LIFE MAGIC JUSTICE AND DIVINE COSMIC INTERSTELLAR PLANETARY LIFE MAGIC LOVE!

We were truly amazed by Shanan's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, but when Fatma saw it, she screamed and screeched like a banshee as she turned into Another Slade and rushed at her to kill her, but, Shanan fired a powerful emerald green energy blast with life energy, stars, galaxies, planets, magic, angels, and phoenixes and it hits Fatma and exploded and sent her flying into another tree, she got back up, but now, she was really enraged.

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) **You've caused enough damage to far too many innocent lives, Fatma, and now, I will end your miserable life and see to it you never rise again.**

Shanan went after Fatma, and she fired powerful blasts of emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes, and they exploded with incredible power as they hit Fatma, then, she attacked her with her massive greatsword and leaving scars on her. Fatma went even more insane and rushed at Shanan and tried to hit her, but Shanan dodged every last one of them, and she countered with brutal kicks and punches of her own, and she was really letting that insane nutjob suffer, and it caused the Ridewatch to come out of Fatma and she turned back to normal.

Lincoln grabbed it and he purified it, then, Shanan fired powerful blade of emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes at Fatma, and they exploded as they hit her and one even pierced her black heart and she died from the explosion. Then, Fatma's spirit appeared.

Nico: Any last words?

Fatma: I HOPE YOU BURN IN HELL WITH YOUR FUCKING

FAMILY!

Me: Not likely.

Shanan: (Divine Godly Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) You don't deserve to live a single second further, Fatma. UZUMAKI JUDGEMENT STYLE NINJA ART: BLACK GATES!

Shanan drew the Judgement Kanji on Fatma's forehead, and she was fading away after being found guilty by all those she'd harmed or killed as they grabbed her.

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) Goodbye and good riddance Fatma. You will never be welcome in the lands of the living or the dead.

Fatma: DAMN YOU, TEAM LOUD PHOENIX STORM, DAMN YOU, AISHA, DAMN YOU, J.D. KNUDSON! (LAUGHING INSANELY AND SHE FADES AWAY)

Fatma was forever erased by The Black Gates after she was found guilty by those she'd harmed and killed. We cheered as Shanan holstered her massive greatsword on her back and powered down and Shanan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long blue green wolf tails, and massive blue green angel wings are permanent.

Lincoln: Whoa! I… honestly have no words to even say, but Shanan, that was really awesome!

Shanan: Thanks, Lincoln.

Nicole: That was some awesome work, sis, you got rid of that insane nutjob for good, and now, she's nothing more than a forgotten memory.

Nico: Now for the Another Six Gum Gang.

Eli: I sense that they are friendly. They are also from Texas.

Applejack: YEEHAW! This will be fun.

Lola: It sure will.

Maria: Now the Another Non-Core members of the M.O.E. I can deal with. Not the Another Core 310 members.

Nico: Good.

Lola: That works.

Nico: And I haven't even pissed or crapped my pants yet!

Me: No you didn't Nico.

Qin: Yeah!

Me: But Nico just in case you better use the restroom.

Nico: Yeah good idea.

River McArthur: I'll take you to it.

Nico: Thanks River.

She went and did so.

Nico came back

Nico: Much better.

Me: Good.

Nico: Now we can face Another Six Gum Gang.

We then saw 5 Figures coming.

Nico: There they are!

Me: May you'll need this.

I gave her a blue cowboy hat and it had blue flames on it.

May: Cool! Thanks J.D.

She put it on.

May: Lets ride! YEEHAW!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

She rode and went at the Another Six-Gum Gang and they were going at her and she jumped over them.

They went after her and she fired waves of energy and blasted them all over and smashed them down.

May went back to them and we caught up.

Me: YEEHAW! That was some rootin-tootin action May!

May: Thanks J.D.

Nico: That was fun!

May: (To the Another Six-Gum Gang) Howdy, partners. Mind telling me your names?

Another Runt: (In a girls voice) (Texas Accent) Why certainly pardner.

They reverted back and they were 5 quintuplet girls that each had red, orange, yellow, green and blue hair and had western Cowboy Hats on and they had Zamigo Delma's blasters on their hips and they had elemental force swords on their backs along with Angel Wings made of the elements.

Me: Well if it isn't the Applejack Gang. They are 5 Robin Hood Texas Outlaws that steel from greedy corrupt Texas Noblemen and Politicians and more.

Ruby Applejack: That's Right pardners. I'm Ruby and these are my sisters Topaz, Daffodil, Emerald and Sapphire.

Topaz Applejack: Pleasure to meet y'all.

Emerald Applejack: Same here.

Applejack: YEEHAW! Pleasure to meet y'all as well.

Nico: I've heard a lot about you girls. You brought down some of the most evil people in Texas and made them dirt poor.

Sapphire Applejack: That's right pardner.

Daffodil: We steal from greedy shady corrupt people and give to the poor.

Nico: True Texas Style Robin Hoods.

Me: The Applejack Gang is the most notorious gang in all of the United States, Canada, Mexico and South and Central America. They stole money from MANY Corrupt gangs, crime bosses, noblemen, politicians and many kinds of corrupted officials and they made one helluva name for themselves. They rose to the top of INTERPOL and the FBI's most wanted lists and NO ONE has been able to catch them for over 15 years. They stole all the loot of many corrupt officials and gave to the needy and the dirt poor.

Nico: Wow! That is really amazing! Modern Day Texas Robin Hoods.

Me: That's right.

Kaito: (gets out Denziman gear) Did Swartz promise you girls anything?

Zocks: (gets out Battle Fever J gear) Because we can grant it instead.

Kaito got a Denzi Sword and Zocks got a Battle Fever J Sword.

Ruby Applejack: That lying sidewinder Schwarz promised to make us the best outlaws ever.

Emerald Applejack: Yeah we already achieved that one.

Me: You girls don't need to be greater than you already are. You already rose to the top of the list as the greatest outlaws in all of the 21st Century. You even surpassed all the greatest outlaws of the Old West as well as the great Robin Hood himself from almost 900 years ago.

Daffodil Applejack: That is true.

May: It sure is. Sorry we have to fight like this girls.

Ruby Applejack: No worries May.

Sapphire Applejack: Come at us like a stampede of raging bulls and don't hold back.

Me: That we can do.

Sougo: (gets out Denziman Ridewatch) We won't battle just one of you.

Geiz: (Gets out Battle Fever Ridewatch) We're battling all 5 of you!

Sougo got DenziRedArmor while Geiz got BattleJapanArmor.

Me: YEEHAW! This is gonna be awesome!

Nico: It sure will!

The Applejack Gang turned into Another Six Gum Gang

Nico: YEEHAW! We got some outlaws heading for the last roundup! (ACTIVATES SIX GUM GANG'S RIDEWATCH)

He got their blasters and he fired them and blasted them all over.

Nico: And this one! (ACTIVATES SIREN SARA'S RIDEWATCH)

He fired waves of magic and blasted them down.

May: Time for Rumbling! (ACTIVATES EARTHQUAKE'S RIDEWATCH)

She punched the ground and smashed them down.

May: Time for this cosmetics mogul to shine! (ACTIVATES POODLES GALORE'S RIDEWATCH)

She fired waves of lasers and smashed them down.

Maria: Time for some Wild Wild West Fun. (ACTIVATES OUTLAW SKINNER'S RIDEWATCH)

(WILD WILD SKINNER PLAYS)

Maria: (SINGING DIVINELY AS SHERIFF STARS SWIRLED AROUND HER)

---

Women Choral: Skinner!

Men: Skinner! He patrols the school halls.

Women Choral: Skinner!

Men: When you spit, he's got the balls

As you mosey through the school

All the kids say you're so cool

And you even made Bart Simpson

Spill his milk.

Women Choral: Skinner!

Men: Skinner! You're the master of your faith!

---

She got out a shotgun and fired and blasted them all over.

Me: YEEHAW! Nice one Maria!

Maria: Thanks. Now for this one. (ACTIVATES CINDERBLOCK'S RIDEWATCH)

She donned amazing concrete armor.

Maria: WHOA!

CRASH!

Maria: (GROANS) This one is heavy. Use this one as a defense.

Then Samon and his team came and he had Mr. Freeze (DC), Bluebird Imagin, Yost Blob, Watermelon Tourmaline and Jack from Jupiter

Nico: Nice team Samon!

Samon: Thanks Nico.

Me: That is an awesome team.

Samon: Want some salmon?

Me: I could use a snack.

He gave us some salmon.

I ate it.

Me: Mmm! Delicious.

Sakura Knudson: It sure is.

Fright Rider: My turn!

He activated Siren Sara's Ridewatch and fired waves of energy and smashed them down.

Qin: Yeah!

Then huge vines grew and they entangled the Another Six Gum Gang.

Me: Whoa!

Then a Quetzal bird came and landed on my shoulder.

Me: Cool a Quetzal Bird.

Laney: Ooh she is beautiful.

Lana: She sure is.

Me: Yeah.

Then a Tangrowth came.

Me: Whoa a Tangrowth.

Nico: Awesome.

Maria: Does this belong to you?

Tangrowth: (In a girls voice) That's right. She's my friend Sirree.

Qin: Erika Quetzal! Wow!

Nico: Cool!

She reverted back and was a girl with teal green hair and had teal green clothes and had Quetzal Tail Feathers and green angel wings.

Me: The Great Avianmancer Erika Quetzal. I've heard a lot about you. You have amazing bird communication powers and even plant powers.

Erika Quetzal: That's right. I got this.

She fired waves of fruit and smashed down Another Six Gum Gang and they were back to normal and I caught the ridewatch and purified it and I brought them over.

Sirree landed on Nico's arm.

Nico: Nice to see you too, Sirree.

He stroke her with his finger.

Me: The Quetzal Bird is so beautiful. One of the most beautiful birds in all of South America.

Qin: Yep.

Erika Quetzal: All birds are beautiful. (Whistles)

Then a bunch of Cassowaries came.

Me: Wow!

Erika Quetzal: You just got to know how to talk to them.

Fluttershy: Oh your powers are amazing.

Erika Quetzal: They sure are.

Fright Rider: What's your favorite memory of Nico?

Erika Quetzal: I have a lot of them. But my favorite is when me the Nico were walking to school and we saw a boy getting beaten up by bullies and I used my powers and made NUMEROUS crows come and they ripped them to shreds and they were reduced to skeletons.

Me: Whoa like a scene from out of The Birds.

Qin: That was awesome and they had it coming.

Me: Good.

Nico and Erika hugged.

Nico: I've really missed you.

Erika Quetzal: Me too Nico. Me too.

Plus, Shadow the Hedgehog's also coming along with us, and he's going to transform as soon as we find out The Mole is none other than Tokyo Metropolitan Detective and the cold-blooded bloodthirsty psychopath, Mitsuru Kuroiwa, and this was also part of the AD-9 conspiracy and the head of this is the egotistical AD-9 lead researcher with delusions of grandeur, Yoji Shono, along with Vice Minister of Health, Kaoru Ichinose, and corrupt prosecutor Kunihiko Morita.

Lincoln: Whoa, we're here in Kamurocho in the world of the SEGA video game, Judgement, and the SEGA main video game series, Yakuza, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're teaming up with Takayuki Yagami and his gang of friends to tackle the mystery of several yakuza murder cases committed by an unidentified serial killer, dubbed "The Mole", which eventually led to him uncovering a massive conspiracy linked to his last case from his attorney days.

Ami Onuki: Oh man, we got to be careful here, Lincoln.

Yumi Yoshimura: Yeah, from what I know from those game franchises, Kamurocho is the territory of The Tojo Clan, and this red-light district is home to many yakuza and is often the setting of large and small-scale disputes between the Tojo Clan and their rivals such as the Omi Alliance, as well as intra-clan conflicts between Tojo subsidiaries.

Shadow the Hedgehog: This place is no doubt the rowdiest area in Tokyo, and crime is at an all-time high, especially with the presence of the many Yakuza clans here. But, the murders, that's a topic that everyone here is talking about, according to reports from the Tokyo Metropolitan Police, they've been finding the bodies of several yakuza members, and the gruesome part: their eyes have been gouged out.

We gasped in shock.

Nico: Damn.

Shadow the Hedgehog: And here's where it gets really bad: I'd gotten off the phone with Yagami this morning, and I found out Shinpei Okubo was arrested for the alleged murder of his girlfriend, Emi Terasawa and was put on death row. He intends to find out who really murdered Emi and get Okubo released from prison, but he's going to need all the help he can get from us.

Lincoln: And we will do just that, Shadow. Now, where do we go to find our new allies and friends?

Shadow the Hedgehog: Follow me.

We followed Shadow, and we arrived at the Yagami Detective Agency, a detective agency on the second floor of Building One, located on Nakamichi Street, Kamurocho, which serves as the main base of operations for Takayuki Yagami and Masaharu Kaito and doubles as both an office and an apartment.

Shadow the Hedgehog: Here we are. (Knocks on the door)

The door opens, and we're met by Takayuki Yagami, former lawyer and head of the Yagami Detective Agency along with Masaharu Kaito, former member of the Tojo Clan's Matsugane Family and partner of Takayuki Yagami.

Takayuki Yagami: Shadow, you came just in time, along with the rest of Team Loud Phoenix Storm.

Me: That's right.

Lincoln: Shadow filled us in on the whole situation, and we're here to help you clear Okubo's name and find the real murderer of Emi.

Takayuki Yagami: I always knew he would.

We then went inside, and Yagami filled us in on what's been happening, and even worse, we found out that Mitsugu Matsugane, the patriarch of The Matsugane Family and the man who took Takayuki in after his parents were killed while he was out when he was a teenager, was shot and killed, and even worse, we found out The Mole, the dubbed serial killer responsible for the yakuza murders and the murder of the patriarch was none other than Tokyo Metropolitan Detective and the cold-blooded bloodthirsty psychopath, Mitsuru Kuroiwa.

Me: What?! Kuroiwa was the one responsible for these horrible murders?

Nico: But, wasn't he also investigating the murders alongside the Tokyo Metropolitan Police?

Masaharu Kaito: And here's where it gets worse: the murders were also part of the AD-9 conspiracy.

Takayuki Yagami: The head of this is AD-9 lead researcher, Yoji Shono, along with Vice Minister of Health, Kaoru Ichinose, and corrupt prosecutor Kunihiko Morita, who was responsible for getting Okubo sent to death row.

Lincoln: (Gasps) So, we're dealing with a grand conspiracy here.

Then, Fumiya Sugiura came inside.

Fumiya Sugiura: And it gets worse, Shono was the one who murdered my sister. I intend to help her get justice and reconcile with Okubo, I knew he'd never do something like this.

Shadow the Hedgehog: This won't be an easy task.

Takayuki Yagami: But, we got good news: Kido's going to testify at the trial, along with Hamura. He'll never forgive Kuroiwa for what he did to Matsugane-san, and the same goes for the rest of us, and in court, Morita is now being charged with abuse of power, along with Ichinose for his crimes.

Lincoln: Ichinose and Morita are both going down in court, now all that's left is to get after Shono and Kuroiwa. Let's go, it's time to put those two murderers down and send them to the slammer.

Shadow the Hedgehog: There can be no forgiveness for Kuroiwa: he's not going down as a hero, but as the bloodthirsty monster he really is.

Eli: And Shono, that egotistic fool thinks his miracle drug will save lives, it's claimed the lives of too many, and so many have suffered because of his delusions of grandeur. Now, he will pay dearly for it.

We headed out of the building to confront Mitsuru Kuroiwa and Yoji Shono, and put those murderers down for good.

Suddenly, we saw Elemental HERO Liquid Soldier appear before us, and with it are the six girls, and with Elemental HERO Liquid Soldier are Incisaur, Bisonorus, Tiawa, and PongPing.

Nico: Whoa, that's Elemental HERO Liquid Soldier, and Incisaur, Bisonorus, Tiawa, and PongPing from My Singing Monsters, awesome.

Jaden: Another one of my Elemental HEROS that I've used in my duels, along with four more monsters from My Singing Monsters.

Elemental HERO Liquid: (Girl's voice) Oh, sorry about the scare, but we got the girls away from that bloodthirsty psychopathic monster, Kuroiwa.

Incisaur, Bisonorus, Tiawa, and PongPing: (Girls' Voices) But, he's already taken Shono hostage, and is forcing him to create a new dose of AD-9 to use on the girls.

Lincoln: (Gasps) Those five voices, Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower, I knew it was you five, awesome to see you again.

Taylor and Tessa Joyvision reverted back to normal, and they're two beautiful girls who are tall at 6'5" in height, they had the bodies of goddesses and massive black angel wings, long black hair and green eyes and they're dressed in long green dresses just like Princess Tiana with long sleeveless white trenchcoats with elemental forces and on the back are Incisaur and Bisonorus.

And Ruby and Rose Sunflower reverted back to normal, and they're two beautiful girls who are tall at 6'5" in height, they had the bodies of goddesses and massive golden yellow angel wings, long golden yellow hair and purple eyes and they're dressed in long pink dresses just like Princess Rapunzel with long sleeveless white trenchcoats with elemental forces and on the back are Tiawa and PongPing.

Taylor Joyvison: You too, Lincoln. Now, come on, we need to get after Kuroiwa.

We headed inside the ADDC, and Nico threw the first punch at Kuroiwa.

Mitsuru Kuroiwa: You just don't even know when to stay away, do you, Yagami?!

Takayuki Yagami: This whole murder spree ends now, Kuroiwa.

Shadow the Hedgehog: And you're about to be spending the rest of your life in a prison cell.

Suddenly, Shadow the Hedgehog's red eyes turned neon red, and he was surrounded by a red and black energy aura with red chaos energy, dark flames, darkness, and hedgehogs, he unholstered his Erebus' Darkness Sword of Dark Wind Mobian Justice from his wider and more muscular back, and as he approached Kuroiwa, he left red and black energy, red chaos energy, dark flames, darkness, and hedgehogs with every step.

Shadow the Hedgehog: Kuroiwa, no words can ever describe just how much you disgust me. You caused nothing but death to all those in your path, and for what, for the hope that this so-called miracle cure you and Shono developed will be a reality. No, that miracle has killed a lot of people in countless illegal experiments you two have done, and you were never a true man of the law: you're just a cold-blooded psychopathic monster with a thirst for blood who only cares about his own ends, and for that, I'll see to it that you're sent to the gas chamber for every last victim that you and Shono have killed.

Suddenly, Shadow the Hedgehog was surrounded by a massive vortex of red and black energy with red chaos energy, dark flames, dark winds, and darkness surrounding it, there's a hedgehog running around the vortex, and in the vortex is a red phoenix with crimson red eyes glaring at Kuroiwa: the red eyes of death. Then, as the vortex faded, Shadow the Hedgehog emerged, but he was changed forever.

Shadow The Hedgehog OST: I Am… All of Me Plays

Shadow the Hedgehog grew from 7'0" to 7'5" in height, his abnormally massive and powerful upper and lower body muscles grew a bit bigger and he still retained his eight-pack abs, he has neon red eyes and a red and black energy aura with red chaos energy, dark flames, darkness, and hedgehogs surrounding him, he has a hedgehog and it's holding the Chaos, Dark, and Element Kanjis in its paws emblazoned on his forehead and Third Eye with red iris, he has on his Crystal Necklace of The Buddha with red gems embedded in the gold crescent moon links and red crystal links and a red hedgehog-shaped Element of Harmony and on the bottom of the Element of Harmony is a hedgehog with red crystals for the eyes and holding the Chaos, Dark, and Eternity Kanjis in its paws for the pendant, Shadow the Hedgehog has on a black shirt with a crimson red phoenix on it, black pants, larger jet shoes, large weighted gold metal bands with silver phoenixes on his massive biceps and thighs and long white long-sleeved trenchcoat with darkness and hedgehogs on the coattails and on the back is a phoenix surrounded by the Seven Chaos Emeralds. Suddenly, Shadow the Hedgehog felt a sharp pain on his wider and more muscular back, and then, his massive midnight black angel wings with red tips on the large midnight black feathers grew much bigger for his new body. Shadow the Hedgehog has on his Ring of The Phoenix with large crimson red gem with heart-shaped gem embedded in it on his right ring finger and Indigo Lantern Ring on his left ring finger and Stone of Gelel embedded in his left gloved hand.

Suddenly, Shadow the Hedgehog's Erebus' Darkness Sword of Dark Wind Mobian Justice and all the greatswords he'd gotten began merging together, and they're surrounded by a kaleidoscope of white and navy blue energy, navy blue chaos energy, cyan blue psychokinetic energy, elemental forces, and hedgehogs, and when it emerged, it was transformed into Shadow the Hedgehog's Darkness Shadow Chaos Greatsword of Dark Wind Mobian Justice, it's a brand-new greatsword with embedded crimson red gems and Shadow the Hedgehog's silhouette etched on the 7'0" massive, wide, double-edged midnight black blade, large midnight black dragon heads with crimson red gems for eyes for the crossguard, large white angelic faces built into both sides of the hilt with crimson red gems embedded in the foreheads, longer midnight black handle, four large midnight black dragon heads with crimson red gems for the eyes and in their open mouths and a large red gem on the bottom of the midnight black dragon heads for the pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with crimson red gems on his wrists, his new large gold Belt of Elemental Bravery with a gold version of his head with crimson red gems for eyes and a large crimson red gem in its open mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his left hip, there's a crimson red kanji below the phoenix that said, "Shadow the Hedgehog, Son of Gerald Robotnik, Guardian of Maria Robotnik, Brother-In-Law of Lincoln Loud, Friend of Sonic the Hedgehog and

We were amazed by Shadow the Hedgehog's Super Angel-Hedgehog-Harmony Celestial Eternal Xelnaga transformation, but when Kuroiwa saw it, he finally revealed his true colors.

Mitsuru Kuroiwa: Fine, if you want to die, so be it. Yagami can be the first test subject in a long time, along with all of you, and when you all die, I'll gouge out your eyes!

Shadow the Hedgehog: (Divine Echoing Cosmic Voice of the Immortal Darkness Chaos Hedgehog and Divine True Immortal Darkness Chaos Emerald Mobian Compassion) You should at least know that we can't die, Kuroiwa, we're immortal. But, you… , you're not, and finally, we see your true colors, I did say you're nothing but a cold-hearted psychopathic bloodthirsty monster, and now, you're about to die like the monster you really are.

Shadow the Hedgehog went after Kuroiwa and he fired powerful blasts of red and black energy, red chaos energy, dark flames, darkness, and hedgehogs, and they exploded with incredible power as they hit Kuroiwa, and he slashed at Kuroiwa with his massive greatsword, and the protracted one-on-one duels were causing Kuroiwa's true nature to come out. Then, Takayuki Yagami also engaged in one-on-one duels with Kuroiwa and he was outmatching that bloodthirsty monster blow for blow.

Then, Shadow and Yagami punched Kuroiwa all over the place, and then, they land two hard punches to his stomach and he went down. Shadow the Hedgehog holstered his massive greatsword and he powered down, and Shadow the Hedgehog's new body, clothes, weapons, jewelry, Third Eye, and massive midnight black angel wings are permanent.

Shadow the Hedgehog: It's over, Kuroiwa.

Then, Kaito and Higashi came in, accompanied by the cops.

Masaharu Kaito: Yo. Look who went and made a new friend.

Toru Higashi: They agreed not to put us in jail, but we're going to need a lawyer.

The cops were already moving in to arrest Kuroiwa. Then, Sugiura came out, but during the fight, he got shot by Kuroiwa in the stomach, and Varie was already healing him.

Fumiya Sugiura: Yagami-san.

Then, Shono came out.

Lincoln: Shono?

Suddenly, Kuroiwa got out a knife and he rushed at Shono to kill him, but Kaito picked up a chair and threw it at Kuroiwa knocking him down onto the floor.

Masaharu Kaito: Just telling him to stop wasn't going to do shit.

Me: That we agree on, Kaito.

Just then, Kuroiwa got up from the floor still after Shono.

Mitsuru Kuroiwa: Shono… !

Suddenly, the cops opened fire, and Kuroiwa fell to the floor in a pool of his own blood and he was dying.

Mitsuru Kuroiwa: Your little… experiment game… is finally over!

Yoji Shono: Yes, but I have no need for them anymore.

Then, Shono took out a syringe, and inside it is a dose of AD-9.

Takayuki Yagami: What's that?

Yoji Shono: This? It's a dose of AD-9.

Nico: The drug they were obsessed about creating.

Yoji Shono: You see, I've finally done it.

Lincoln: What are you doing?

Yoji Shono: AD-9 is done now, there's no mistaking it this time. Here's the proof, I'll show you once and for all, I'll prove that my miracle drug is a reality!

Takayuki Yagami: How many people has your miracle killed?

Yoji Shono: People, people? But, it'll save millions, maybe tens of millions across the world.

Shadow the Hedgehog: That's why you thought it was okay for you to murder an innocent woman, huh? Is that why you stabbed her to death and burned the evidence? Okubo took the fall for all of it, you sent a good man to die.

Yoji Shono: I never wanted to kill anyone, but it had to happen for AD-9, it was the only way to save all of them!

Lincoln: He's absolutely out of his mind!

Me: Big time!

Nico: How delusional is he?!

Back at the courthouse, Ryusuke Kido began to testify.

Ryusuke Kido: The toxin is irremovable, use of AD-9 will always result in death. Shono-Kun told me as much, countless human experiments led him to that conclusion, in other words, AD-9's development has failed. But, Shono-kun couldn't except that, he couldn't say that it was all over, that he killed tens of hundreds of innocent people, that it was all for naught.

Issei Hoshino: And when exactly did Shono-san tell you all this?

Ryusuke Kido: Only the other day, it was after hearing that, I decided to testify at this trial.

Back at the ADDC, we were pretty pissed off at Shono big time, and Sugiura was filming this on his phone.

Lincoln: Save the world, that's your bullshit excuse, huh? I don't buy it one bit.

Takayuki Yagami: Same here. The reason why you murdered Emi-chan was so that you could save your own skin. If you really cared about helping people, you would've left your research to someone else instead of resorting to murder!

Yoji Shono: But, AD-9 is my drug! I'm the only one who could've finished it! And now, I'll finally prove it! Prove that all my research was worth the effort! Prove that I was right to do what I did!

Shono was about to inject the dose into him.

Shadow the Hedgehog: Shono, don't you dare… !

Takayuki Yagami: Wait!

Yoji Shono: For the longest time, my mother cared for both of my dementia-ridden grandparents. Once the disease had finally mercifully taken them, my mother died too. So, you see… , Alzheimer's' has taken many loved ones away, even from me. (Puts the syringe into his neck and injects the dose into him) But now,… it won't be taking anyone else… ever again. My entire career as a researcher, all the time I spent developing AD-9, every single moment has led up to this moment.

Suddenly, Shono began having muscle spasms, and then, he felt a very intense pain in his head, and Kuroiwa saw it as Shono fell to the ground on his knees as the pain in his head began intensifying even more.

Yoji Shono: (In Pain) But, why!

Then, Kuroiwa saw for himself the reason why he and Shono gouged out the eyes of the other test subjects.

Mitsuru Kuroiwa: (Slowly Dying) (Laughs) So, that's why… , I finally understand… (Dies)

Ryusuke Kido: When a patient is injected with AD-9, they experience intense pain localized in the head. (We saw Shono's eyes turn dark blue) and their eyes become filled with a dark blue pigment.

Then, Shono let out a loud scream of pain as he died.

Ryusuke Kido: In the end, it's a gruesome death. As for the eyes, the toxins present in AD-9 are what turns them blue, Shono-kun admitted as much. Had that been noticed, it would have been clear proof of the experiments. And hence… , every single corpse discovered in Kamurocho was found with the eyes removed, Shono-kun disposed of them… , all in an effort to hide the horrible truth of his failure.

We left the ADDC and we went the Tokyo Detention Center, and we told Okubo the news.

Shinpei Okubo: I can't thank you enough… , Yagami-sensei.

Takayuki Yagami: Next week, huh? That's soon.

Shinpei Okubo: It'll be nice to be out after all these years. The retrial for Emi's case is coming up.

Takayuki Yagami: That'll be more of a formality than anything, and don't worry… , no one believes you killed Emi-chan anymore.

Shinpei Okubo: Right.

Then, Takayuki got up.

Shinpei Okubo: You're already taking off?

Takayuki Yagami: Actually, I brought someone else who wants to talk to you today.

This confused Okubo as we stood to the side, and the door opened, and Fumiya Sugiura stepped in.

Shinpei Okubo: Fumiya-kun?

Fumiya Sugiura: You know, you're free to stick around.

Lincoln: It's okay, besides, you both have some catching up to do.

Fumiya Sugiura: Yeah, and thanks for helping, guys.

Nico: Our pleasure.

We left, as Fumiya Sugiura and Shinpei Okubo were left talking.

Lincoln: Thanks to what was done, Ayabe was released from jail and cleared of all charges. Hamura willingly turned himself into the police, and as for Ichinose and Morita, they were both fired from their positions, along with arrested for conspiring with Shono and Kuroiwa, who are both dead and in The Black Gates.

Me: And even though he will not be charged with aiding the conspirators, Kido had resigned from his position and the ADDC was shut down. However, since all of Ichinose's policies are under review due to the conspiracy, Chairman Kajihira and the Kyorei Clan will not be sold the land for redevelopment, and they still lost the 100 billion yen they invested in the project.

Takayuki Yagami: That's exactly what we heard. I'm still going to be a private detective, and I think you guys might be back in Kamurocho again.

Lincoln: I have that same feeling as well. See you, Yagami and Kaito.

We said our goodbyes and left.

Lincoln: That's what I call a case closed and a grand conspiracy has been undone. (To Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower) And it's so good to see you all again, Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower.

Zoey Monroe reverted back to normal, and she's a beautiful girl with long dark blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless dark blue crop top. black shorts, blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, and angels on the coattails and on the back is Elemental HERO Liquid Soldier, and holstered on her back is a massive Elemental HERO Liquid Soldier-themed greatsword with embedded dark blue gems and Elemental HERO Liquid Soldier etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Evelyn Cowart: You too, Lincoln.

Taylor and Tessa Joyvision: It's been a really long time.

Ruby and Rose Sunflower: It's been seven years since we saw you.

Lincoln went up to Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower, and he hugged them, and Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Evelyn Cowart: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Taylor Joyvision: And the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness.

Tessa Joyvision: You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass.

Ruby Sunflower: Yeah, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Rose Sunflower: Plus, we've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico. The Elemental HERO Liquid Soldier Gene-Slammer is Zoey Monroe, she's my my Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model.

Zoey Monroe: Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem Zoey and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio.

Nico: We'd heard Maristela and Evelyn's stories, and Sergio got swatted hard on the butt those two times.

Me: Yep, we're going to hear Zoey's story later on today.

Monica Anniston: And we got our Chanclas ready to swat Sergio hard on his butt.

Maria Garcia: (Spanish Accent) And so do we.

Monica Anniston, Maria Garcia, and the other Fabled Gene-Slammers got out Chanclas to swat that painted rat with wings hard on the butt.

Zoey Monroe: Yeah, and trust me, you're going to wish you had Sergio thrown in the hoosegow after you hear what that pinhead tried to do to me. And the Incisaur Gene-Slammer and Bisonorus Gene-Slammer are Taylor and Tessa Joyvision, they're Lincoln's Guardian Angels from New Orleans, and his classmates in Cooking, they're also members of The Duel Monsters Heroes, and they specialize in the Aromage Deck, and Lincoln made them Aromage-themed bikinis, and to show thanks, they kissed Lincoln on the lips. Plus, they're also the cousins of Princess Tiana, and they hate Peggy Bundy with a blazing passion.

Eli: Whoa, so they know all about their cousin's cooking and her restaurant.

Lincoln: Yep, and when I found out they're the cousins of Princess Tiana, I almost fell to the floor, but I did know that most of my Guardian Angels are related to The Disney Princesses.

Zoey Monroe: Yep, and the Tiawa Gene-Slammer and PongPing Gene-Slammer are Ruby and Rose Sunflower, they're Lincoln's Guardian Angels from Michigan and classmates in English, and they're the last two members of The Duel Monsters Heroes, they specialize in the Masters of Brotherhood of The Fire Fist deck, and Lincoln made them a Brotherhood of The Fire Fist - Tiger and Kirin-themed bikini, and to show thanks, they kissed Lincoln on the lips. Plus, they're the twin sisters of Princess Rapunzel from the movie Tangled, and they hate Billy McLean with a blazing passion.

Lola: But, not as much as they hate Mother Gothel. They despised that old witch with a brutal and a nasty passion, but when they heard we sent her to The Black Gates, they were glad to be rid of her for good.

Zoey Monroe: They sure are. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you all want to give me your blood, right?

Taylor Joyvision: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Zoey Monroe: He's marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since he's done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Selene Emperyous: When you guys did your kiss for the cover shoot, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength not to go wild and mark you.

Lincoln went up to Zoey Monroe, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Then, he went up to Ruby Sunflower, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

And finally, he went up to Rose Sunflower, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Zoey Monroe: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Zoey Monroe's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

And four Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Taylor and Tessa Joyvision and Ruby and Rose Sunflower with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha along with four Elemental Thunderbird Choker of Eternal Love on their necks.

Zoey Monroe: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower.

Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Hozumi Natsumura, Kasumi Hirano, Mayuko Seki, Reika Sonoda, and Tomo Hirano from Anehame!

Lincoln: Oh wow, it's Hozumi Natsumura, Kasumi Hirano, Mayuko Seki, Reika Sonoda, and Tomo Hirano from Anehame!

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hozumi Natsumura: Yes, we're okay, thanks to you.

Then, when Hozumi Natsumura and the other four girls saw who it was that saved them from Yoji Shono and Mitsuru Kuroiwa, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of

Hozumi Natsumura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hozumi Natsumura: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hozumi Natsumura, Kasumi Hirano, Mayuko Seki, Reika Sonoda, and Tomo Hirano with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flying Fortress, and they saw the whole thing thanks to Nicole sending the battle footage to everyone there and they were amazed to see Shadow transform into his Super Angel-Hedgehog-Harmony Celestial Eternal Xelnaga transformation to beat up Kuroiwa, and everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln, Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower have a lot of catching up to do, now that they're back in town.

Maria: We saw the whole thing, guys, and man, that was really wild. Plus, Shadow and Yagami did an awesome job in beating up Kuroiwa along with all of you.

Lincoln: And Shadow transformed during the battle as well, plus, you also saw what happened to Shono.

William: He injected himself with that AD-9 drug and he fell victim to his own drug, and he died just like the other victims he and Kuroiwa experimented on. He really was driven by his delusions of grandeur.

Lincoln: But, we heard his reasons, but that ended with a descent into madness, and Kuroiwa got put down like the monster he really is.

Nico: And in the end, Shono and Kuroiwa are dead, Ichinose and Morita are behind bars, Ayabe was released from jail and free of all charges, Hamura turned himself in, and Kido resigned.

Me: And the ADDC is now shut down, and they'll undergo some serious changes from now on. Plus, Yagami said we'll be needed again in Kamurocho, I wonder why.

Sonic: I may have a slight idea on that.

---

After solving a serial murder spree in Kamurocho and putting an end to the AD-9 conspiracy, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Zoey Monroe, Taylor and Tessa Joyvision, and Ruby and Rose Sunflower saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Zoey Monroe: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Taylor Joyvision: He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Ruby Sunflower: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Zoey Monroe: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Zoey, what's the story on why you hate Sergio with a brutal passion? And Taylor, Tessa, Ruby, and Rose, what's the story on why you both hated Peggy Bundy and Billy McLean with a blazing passion?

Zoey Monroe: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Michaela and her boyfriend, Daniel, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Zoey's name and reputation, along with taking every last hard-earned dollar she earned.

Zoey Monroe: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Michaela and Daniel were forced to work for me for free, and my modeling agency was also punishing them for all their lies as well. In the end, those two not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Zoey's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

We saw Sergio getting steamed up when he heard that story of how he got busted for his scheme, and then, Maria Garcia and the other Fabled Gene-Slammers pounced on and swatted Sergio hard on his butt a total of 9,000,000,000,000,000 times, and when they were done, Sergio had permanent baboon butt.

Sergio: Rrawk, this isn't cool!

Nico: Neither was trying to ruin the reputations and good names of some of Lincoln's Guardian Angels for your own sick amusement and trying to also extort them, Cracker Breath!

Maria Garcia threw Sergio back in his cage, and then, we got a shower, and then, Lincoln, Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Maria Robotnik: I knew you'd pick Emerald Coast, it's always beautiful here.

Lincoln: It sure is, Maria, and it's perfect for our first date. Shall we?

Lincoln, Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made a clone of himself and he and his clones went up to Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran, and they hugged the girls in their abnormally massive and powerful muscular arms, and Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Nyancy Chan, Angela, Bailey, Krystal, Aligned Ravage, Aligned Ratbat, Maria Robotnik, Lumina Flowlight, Sage, Tesla Gauss, and Pat Fahran are now part of your harem. (Realizes something) Hey, wait a second, I remembered seeing the kanji on Shadow's trenchcoat and it said, Brother-In-Law of Lincoln Loud. (Gasps) Shadow, you…?

Shadow the Hedgehog: Yes, and I trust Lincoln with Maria's safety, and I knew they'd also be a good couple ever since you all went after Dr. Robotnik years ago.

Lily the Mermaid: And did Lily have a hand in getting those two together? (Smirks)

Lily Loud: (Nervously) Uh, I have no idea what you're talking about. Hey, I think Dad's calling you, Lincoln.

Lily Loud took off running, but Sonic caught up to her.

Sonic: (Snickers) I think I have to take that attempt to throw you off and running away as "Yes", and you know what's going to happen, right, Lily?

Lily Loud: (Realizes Lincoln's behind her) Uh oh.

Lincoln pinned Lily to the ground and he was tickling her.

Lily Loud: (LAUGHING HYSTERICALLY)

Me: We tried to warn you, Lily, you know, your brother's got a knack of picking up on whatever you and the others are up to.

---

Later it was time for Kadma's 3rd mission.

William: Anyone else want to go with Kadma? Besides Carter and Ed the Protector?

Aang: Me, Katara, Zuko and Toph will go.

Nico: Great idea.

Me: Okay then. Anyone else?

No one answered.

Me: No? Okay.

We were off.

---

We arrived in Tokyo at the Agito restaurant.

Shoichi: Hey guys!

Me: Hey Shoichi, guys.

Kadma: Shoichi, meet Carter Grayson and Ed the Protector.

Carter Grayson: Awesome to meet you. I'm Carter Grayson, Leader of the Lightspeed Rescue Rangers.

Me: You might know them as the GoGo V Sentai team.

Shoichi: Awesome! It's an honor.

Ed: And I'm Ed the Protector. I'm a Delivery Kid from the 41st Century.

Me: We met Ed and his friends 2,000 years from now.

Nico: That was so fun.

Makoto: Wow that is amazing!

Me: Yep.

Aang: And we are the Benders of the 4 Elements. I'm Aang and I'm an Airbender.

Katara: My name is Katara and I'm a Waterbender.

Zuko: Zuko, Fire Lord and I'm a Firebender.

Toph: And I'm Toph and I'm an Earthbender.

Shoichi: Wow it's awesome to meet you guys.

Zuko: Same here.

Shoichi: Is your full name really Ed the Protector?

Ed the Protector: What can I say? The name's grown on me.

Me: Ed is like a protector to all his friends and family.

Makoto: Wow. What is it like in the 41st Century?

Me: Massively advanced and far more technologically evolved than anything we know in the 21st Century.

Ryo Ashihara: That is amazing.

Eli: It sure is.

Aang: As for me and my friends, we were in a war that was a hundred years long.

Me: It was a really terrible time when we first met them.

Nico: Yeah it was.

Me: You wouldn't believe what happened. And Zuko's great grandfather is to blame for it all.

Shoichi: What happened?

Mana came.

Mana Kazaya: Team Loud Phoenix Storm it's an honor.

Me: Mana Kazaya. Pleasure to meet you too.

Mana Kazaya: I love all your adventure.

Me: Glad you do. Okay here goes.

I went over what happened during the war and what they heard made them speechless and horrified beyond all forms of words.

Thirty-eight years prior to the beginning of the Hundred Year War, Fire Lord Sozin began to feel that because his nation was so fortunate in so many ways, that he should "share" this prosperity with the rest of the world. He spoke about his plan to his best friend, Avatar Roku, and tried to convince him to join him on his quest to expand "the most successful empire in history". Roku vehemently refused to help him and reminded his long-time friend that the four nations were meant to be just what they were: four.

Years later, however, Roku discovered that Sozin had set up colonies in the Earth Kingdom despite his warnings and went to rebuke him, leading Sozin to attack him. The Avatar subdued the Fire Lord, utterly destroyed his palace and warned him that if he ever acted out of place and attacked the other nations again, he would put an end to him permanently.

Twenty-five years later, Roku's home island was consumed in a volcanic eruption so massive that Sozin could see and feel it from a hundred miles away, and he flew in on his dragon to assist his old friend. The two used their bending to try to contain the lava flow, but they were hindered by poisonous gases that eventually overwhelmed Roku, leaving him lying on the ground and begging for his old friend's help. Sozin suddenly realized, however, that Roku's death would allow him to fulfill his plans, and he left the Avatar to die. The new Avatar was born into the Air Nomads as Aang.

Twelve years after Roku had died, Sozin used the return of a comet, a celestial event that grants firebenders near-unlimited power, to deliver a devastating first blow to the other nations and start the war, setting the stage for the Air Nomad Genocide.

Fire Lord Sozin decided to launch his attack upon the arrival of Sozin's Comet. With the power of the Comet, Sozin's firebender armies launched a genocide on the pacifistic Air Nomads in an attempt to capture the new Avatar, Aang, and to break the Avatar Cycle. This would overcome one of the Fire Nation's biggest obstacles to victory. However, Aang had run away before the attack, thus escaping the carnage. Almost all other Air Nomads were believed to have been killed in the attack, and the remainder ruthlessly hunted and killed as the Hundred Year War progressed, by the end leaving Aang the only known airbender left alive. Sozin would continue searching for Aang up until his death. The Air Nomad Genocide involved mass trooper and tank attacks on the four temples. Thousands of Air Nomads were slain along with their flying bison and lemurs.

After the first strike against the Air Nomads, Fire Lord Sozin and his army began their first assaults into the Western Earth Kingdom. Sozin's main objective was to overcome the next Avatar and secure a beachhead on the western coast of the continent and use it as staging grounds to advance further throughout the Earth Kingdom and to supply his forces. Other objectives were to cripple and destroy key Earth Kingdom trading centers to weaken the large Earth Kingdom economy. After several battles, including decisive Fire Nation victories in the Battle of Han Tui, the Battle of Garsai and the battle for Taku, the Fire Nation was able to gain a strong foothold in the Earth Kingdom.

The Fire Nation's war effort was focused at the Western theater through the use of a large portion of the Fire Navy, but Sozin expanded northward and eventually was able to send forces to conduct an attempted invasion of the Northern Water Tribe fifteen years after the Hundred Year War began, which ended in failure due to the North Pole's treacherous landscape. The battle saw ground forces from both the Water Tribe and the Fire Nation confront each other directly.

Fire Lord Azulon took the throne after his father's death and began to advance south to the Southern Water Tribe and eastward toward the walls of Ba Sing Se. Forty years into the Hundred Year War, the Fire Navy attacked the Southern Water Tribe, at that time a prosperous settlement; their first attacks included the bombardment of several Water Tribe villages, but they later restricted their attacks to less costly surprise raids.

Waterbenders across the South Pole fought the firebenders, and the Fire Nation adopted a policy of eradicating waterbending from the South Pole entirely, taking all waterbenders prisoner, leaving the nonbenders to fend for themselves. Among these prisoners was Hama, who notably developed a deep hatred for her captors but eventually escaped from captivity while waging her own personal war on them in secrecy. The Southern Water Tribe remained weak and the victim of constant raids, teetering on the edge of extinction. Eventually, the Fire Nation created the Southern Raiders, a brutal raiding force that pillaged and ravaged the coastlines of the South Sea, further weakening the Southern Water Tribe and devastating the at that time spared Southern Earth Kingdom.

Soon, the Earth Kingdom came under many large-scale attacks, with the fall of the Hu Xin Provinces furthering the Fire Nation's advances into the Kingdom and putting them in control of the entire northwestern third of the continent. Thousands perished in massive violent battles during these campaigns.

During the war's ninety-fourth year, the Southern Water Tribe was attacked in yet another minor raid aimed at eliminating any remaining waterbenders. The attackers, the infamous Southern Raiders, were informed that one last waterbender, who happened to be Katara, was left in the Southern Water Tribe, and were given orders to kill her. However, Katara remained undiscovered because, during this raid, her mother Kya turned herself in as the last waterbender in an attempt to protect Katara. Kya was in turn killed, but her heroic act meant that the Fire Nation would never discover the true identity of the last waterbender in the South Pole. Katara would later rediscover the Avatar and become a major contributor to the eventual capitulation of the Fire Nation as an indirect result of her mother's actions.

In the Earth Kingdom theater, the Fire Nation enjoyed even more success, conquering every major Earth Kingdom city and stronghold until only Omashu (who hindered any major overland progress in the east) and Ba Sing Se were left. The Fire Nation Army also pushed down further south, conquering most of the southwestern coastlines. General Shu and his troops even advanced into the vicinity of the Si Wong Desert, fighting Earth Kingdom forces there. Finally, the Fire Nation Army reached the walls of Ba Sing Se itself, and the six hundred-day-Siege of Ba Sing Se began. In its final stages, the Fire Nation even managed to break through the Outer Wall, but their advance ended when their leader General Iroh's son was killed, resulting in Iroh's order to retreat. However, the order was also motivated by the fact his army was fatigued and had been embroiled in continuous fighting for so long.

In the last years of the war, the ferocity of the Hundred Year War eased slightly with the Fire Nation nearing victory. Ozai was crowned Fire Lord upon Azulon's death. Iroh's forces retreated from the area of Ba Sing Se, although they remained in control of the Western Lake, where they began construction of a drill to help them penetrate Ba Sing Se's Outer Wall. The Northern Mountains were left alone, allowing refugees to move in.

However, the conquered western shore of the Earth Kingdom was put under tighter control, where General Fong's fortress was the only Earth Kingdom military base left, hidden in a coastal mountain range. Several fortified bases were set up there. Prince Zuko began his search for the Avatar upon his banishment three years before, hoping to reclaim his throne. Zhao, an eager and ambitious naval officer, began plotting the conquest of the Northern Water Tribe. Any attempt at rebellion was dealt with harshly, and the Fire Nation began arresting any earthbenders in their territory, forcing them into slave labor on offshore factories and shipyards.

To add to the Earth Kingdom's troubles, a large number of their villages and cities were now under Fire Nation control, with their native citizens forced to obey the demands of the Fire Lord if they were to avoid persecution. Only non-essential territories were left alone. Even though major cities like Ba Sing Se and Omashu remained free at the time, the Fire Nation clearly controlled the majority of the continent, free to prowl almost anywhere in the north and west unopposed.

The fortunes of the Earth Kingdom and the Water Tribes made a turn for the better with the sudden return of the Avatar and last airbender, Aang, who was rediscovered by Sokka and Katara. This immediately attracted the attention of both Zuko and Zhao, who chased him across the world. As the Avatar traveled north to the North Pole in an attempt to learn waterbending, Zhao was promoted to Admiral. A small Fire Nation force attacked the Northern Mountains, only to be beaten back in what culminated as the battle for the Northern Air Temple. However, the defeated force did acquire an important new invention for the Fire Nation - the hot air balloon.

Upon discovering that the Avatar had succeeded in reaching the North Pole, Zhao ordered his massive fleet to advance on the North Pole. However, the Siege of the North was unsuccessful due to the Avatar's intervention, and the fleet was nearly entirely destroyed. Zhao was subsequently imprisoned in the Spirit World by La, the Ocean Spirit, after an unsuccessful attempt to kill the Moon Spirit in a bid to neutralize the waterbenders' power. With the Fire Nation's main ambition in the north out of the picture and their control of the seas weakened, the Fire Nation refrained from further attacks on the Northern Water Tribe. However, as the Northern Water Tribe did not participate in any major engagements against the Fire Nation for the rest of the war, and the Earth Kingdom Navy was already all but obliterated, the loss of Zhao's fleet meant a bearable defeat. Ozai had his armies continue the slow and steady advances on all the Earth Kingdom fronts, while discreetly sending his daughter to search for the traitorous Iroh and Zuko.

Soon after the defeat at the North Pole, the Fire Nation won a great victory by conquering the city of Omashu, capturing King Bumi in the process, leaving Ba Sing Se the last major Earth Kingdom city in the north unconquered. Though most of the city's population managed to flee under the ruse of a plague, the city itself remained under the control of a Fire Nation governor and was renamed New Ozai by Princess Azula.

The Fire Nation's next major battle would be at the walls of Ba Sing Se once more. The drill, a powerful and gigantic mechanized siege weapon, attacked the Outer Wall. However, the Avatar had just arrived. Though the machine succeeded in drilling through the Wall, it was destroyed by the Avatar, making the attack a failure and filling the newly drilled hole with wreckage.

Princess Azula, Mai, and Ty Lee, a trio of the Fire Nation Academy's best, infiltrated the capital of Ba Sing Se. Clad in Kyoshi Warriors uniforms, stolen from the warriors after having defeated them in an earlier engagement, Azula infiltrated the court of the Earth King and undermined the Dai Li. She eventually convinced Long Feng to launch a coup d'état against the Earth King. In the end, she double-crossed him and assumed control over the capital. She also succeeded in capturing her uncle and convincing Zuko to rejoin the Fire Nation, clouding his judgment by promising him his father's love. With Ba Sing Se under their control, the Fire Nation was even closer to victory, with only the tattered Water Tribes and parts of the Earth Kingdom left opposing them. Azula also learned that Ba Sing Se had been planning a major invasion of the Fire Nation home islands on the day of a solar eclipse in late summer, which would briefly leave all firebenders powerless. With the Western Navy still recovering from the Siege of the North, the invasion might have been successful had the Dai Li not arrested the Council of Five. Still, with knowledge that their homeland would still be vulnerable, the Fire Nation made plans to use this to their advantage.

Additionally, Avatar Aang was gravely injured in a failed attempt to defeat Azula, who struck him down with a powerful lightning blast. Although Katara was able to revive him, Aang remained in a coma in the following weeks, and he was immediately presumed dead by the entire world. When word of Aang's defeat spread across the globe, the Earth Kingdom and Water Tribes lost hope and the Fire Nation came close to declaring victory in its imperialist war. Aang and his friends traveled into the Fire Nation incognito until the time to strike came again.

Several weeks later, Ozai called a war meeting with his generals. One of them, Shinu, said that while Ba Sing Se had been conquered, a number of Earth Kingdom rebellions arose and that the Earth Kingdom military was still controlling vast swaths of territory, including the southern Earth Kingdom and scattered areas in the north, which kept the Fire Nation from claiming ultimate victory in the Hundred Year War. When Zuko said that the Earth Kingdom could endure anything as long as they had hope, Azula said they should "take their precious hope, and the rest of their land, and burn it all to the ground." Ozai, using this idea, planned to use the power of the returning Sozin's Comet to completely destroy the Earth Kingdom.

Though the Fire Nation controlled great swathes of territory they were not unopposed. A small multinational invasion force led by Chief Hakoda of the Southern Water Tribe and the Avatar assaulted the Fire Nation Capital on the Day of Black Sun and they were nearly successful, but their supposed success was actually a carefully planned trap by the Fire Nation. Though they were repelled by the new Fire Nation air force of airships and most of the resistance leaders were captured, they proved that the Fire Nation could continue to be resisted as long as hope was maintained.

However, the Day of Black Sun was not a total failure for those resisting the Fire Nation. During the Eclipse, the captured King Bumi saw the opportunity he had been waiting for. He broke out of his prison and, with the firebenders unable to firebend, retook the city of Omashu single-handedly. Iroh also broke out of his cell and, according to a guard, fought as a "one-man army."

Prince Zuko realized the full extent of the Fire Nation's crimes and joined the Avatar, agreeing to teach Aang firebending before the anticipated battle with the Fire Lord. This development only increased the threat the Avatar posed toward the Fire Nation. Coinciding with this, Princess Azula was betrayed by her allies, Mai and Ty Lee, after a failed sabotaging of an escape from the Boiling Rock, badly hurting both her psyche and her leadership ability.

Fire Lord Ozai crowned himself Phoenix King prior to the arrival of Sozin's Comet and appointed Azula to be his successor as Fire Lord. Ozai intended to finish the Hundred Year War by using the comet's immense power to vanquish his enemies, so the Avatar's group, one of the Fire Nation's greatest threats, acted quickly to prevent this catastrophe.

When Sozin's Comet made its return to the world, Ozai launched his massive attack on the Earth Kingdom with his armada of airships. When he arrived at the Wulong Forest, which he quickly proceeded to incinerate, Avatar Aang confronted him. Despite Aang's pleas to end the Hundred Year War peacefully, Ozai attacked him. At first, Ozai and Aang were evenly matched, but Aang refused to go on the offensive due to his belief that all life was sacred. Ozai gained the upper hand, but accidentally smashed Aang into a rock that hit the scar on his back where Azula had struck him with lightning at Ba Sing Se. This released the pent up energy there and opened his seventh chakra, allowing Aang to enter the Avatar State. Using the Avatar State's power, Aang went on the offensive. Despite his enhanced firebending, Ozai was quickly overwhelmed and forced to retreat. Aang pursued him and eventually pinned him down. But just as he was about to deliver the finishing blow, Aang left the Avatar State. Instead of killing Ozai, Aang used energybending to strip him of his firebending.

While Aang and Ozai fought, three members of the Avatar's group, Sokka, Toph and Suki, hijacked one of the airships in Ozai's armada. Rammed the airship into the ones next to them, they successfully destroyed the fleet. The Order of the White Lotus, under Iroh's leadership, successfully retook Ba Sing Se, a colossal defeat for the Fire Nation.

Azula, after losing the alliance of Mai and Ty Lee, was weakened by a state of mental instability. This caused her to lose all trust in everyone, developing severe paranoia and coming to the belief that everyone was against her. She banished all those loyal to her, and in effect, had no allies or external protection. This rendered her unable to effectively fight Zuko and Katara, resulting in Zuko's victory in their Agni-Kai and taking her place as Fire Lord. She suffered a mental breakdown immediately after the conclusion of their fight, making her incapable of continuing to fight in the Hundred Year War.

With the loss of Omashu, Ba Sing Se, and the fall of their leaders, the Fire Nation Armies found themselves unable to continue the war effort, leaving the Water Tribe and the Earth Kingdom victorious.

After these victories, all the prisoners of war were released and Zuko was crowned Fire Lord, officially declaring the war to be over. At his coronation, he promised before a large audience of the world's citizens that he would dedicate his rule to rebuilding the war-torn world with the help of Avatar Aang.

After being defeated by Aang, Fire Lord Ozai was arrested and put in prison, and Azula had been institutionalized in a mental health facility on an isolated island near the Fire Nation capital.

However, after a century of fighting, all four nations were left exhausted from the conflict. Over the course of the war, the Fire Nation had caused unprecedented worldwide devastation and loss of life, annihilating an entire nation, its culture, and unique bending style, leaving only one person to represent it, devastating an entire continent and oppressing its people, and bringing a nation to near extinction. Numerous people on both sides of the conflict died over the course of the War, and immense devastation occurred to the overall infrastructure of the Earth Kingdom and Southern Water Tribe, while little occurred to the Fire Nation and the Northern Water Tribe.

The world thus began the long process of rebuilding in places including Ba Sing Se, the Earth Kingdom, and the Southern Water Tribe; as Fire Lord Zuko stated, the world would have a lot of rebuilding to do, but the war was finally over.

The Harmony Restoration Movement was created as a step toward peace in removing the Fire Nation colonies from the Earth Kingdom. However, after seeing all the hard work his people have done within, Fire Lord Zuko removed his support from the movement. This decision started a confrontation that threatened to throw the world back into war, causing Avatar Aang to intervene. After a brief skirmish, an agreement was reached, which eventually led to the Fire Nation colonies being transformed into the United Republic of Nations.

---

It was shocking.

Shoichi: Aang's people were killed off?!

Me: Yeah it was terrible. Fire Lord Sozin wanted to break the Avatar Cycle forever. He knew that the Air Nomads were next in line to have the next Avatar. So he used the power of a Comet he named after himself to obliterated them. Aang however was the only survivor.

Mana: That is horrible!

Eli: It was.

Katara: Yeah it was.

Zuko: What my great grandfather, grandfather and father did over the course of an entire century was completely unforgivable.

Lincoln: It was a really horrible number of crimes.

Me: And we are really glad that Azula never took the throne of Fire Lord before it even began.

Nico: Thank goodness.

Me: But by all accounts, letting Ozai live to rot in prison without his Firebending was a mistake. And I'm glad that we corrected that mistake before the great battle we had with Opaline.

Mana: I heard about that battle. That was intense.

Me: It was.

Kadma: Shoichi, back when I was still elderly, I used to rule a planet called Zamballa.

Shoichi: Wow! What's that world like?

Me: Beautiful planet. Home to beautiful purple jungles and an amazing temple.

Cornelia: It's true. Will and Irma saw it themselves. It was awesome.

Cassidy: That is amazing.

Shoichi: Also, there's something I've been meaning to ask you guys.

Nico: What's that?

Shoichi: Why the Hell do you keep Sergio around after everything he's done to you guys?

Nico: You know what? That's a good question.

Me: Yeah. Wait how do you guys know about Sergio?

Shoichi: I was told about him from Takumi before you guys met him.

Me: You met Takumi from the Faiz Team. Wow.

Shoichi: Yeah.

Me: Yeah Sergio has been a massive problem ever since he joined us. And Lincoln and his Guardian Angels have told us all about him doing all kinds of crazy shady activities behind our backs. But there is no way we would throw a bird out of the team. Like a pet he is part of the family and Rosa Casagrande would not like it if we threw him out.

Shoichi: Even after everything he's done to Lincoln and his Guardian Angels?

Nico: (sighs) Yes. Even after everything he's done to Lincoln and his Guardian Angels.

Me: I'm sorry but we can't do it to Sergio. He wouldn't last 1 hour out in the wild.

Lincoln: Besides, Bobby likes him and so does Lori. And Bobby is my brother in law and I respect his wishes.

Leeli: Also I like Sergio. He is so cute.

Me: Leeli likes all animals just like our friend Fluttershy.

Girl Jordan: And besides Sergio is not all that bad. Sure he might have done some crazy things but that doesn't mean that he is still loved by his family.

Nico: Though we WILL consider reprimanding him when we get back.

Me: (GULP!) Just don't be too hard on him Nico. I don't think Fluttershy's loving heart can take it.

Nico: We'll try and keep it discreet.

Me: Fluttershy is very sensitive when it comes to her animal friends especially when it comes to making sure they are kept in line. Especially when she uses the stare.

Mana: The Stare?

Me: This.

I used my own version of the Stare.

WARBLING NOISES!

Makoto saw a scary demonic version of me starring in his face and he looked like he saw a monster!

Makoto: (GASP) Okay okay okay I see what you mean.

Me: Sorry. Her stare is so powerful that not even Discord is immune to it.

Nico: Yeah.

Eli: It's as powerful as using the Mind Control power of the Force.

Mana: Wow.

Nico: Anyway, have any of your baddies made a move since the last visit?

Shoichi: Well so far nothing.

Eli: I sense something. It's the Tiger Lord

Me: I remember that one. That was the first lord that you guys destroyed.

Nico: Yeah.

Me: I have this feeling that we're going to face the Overlord of Darkness himself on the final mission.

Nico: Where's Tiger Lord right now?

Eli: I sense that he is at the park.

Me: Okay.

But then suddenly we felt a sudden rise in heat.

Me: WHEW! Man is it hot.

Zuko: It's not from me.

?: Sorry that is from me.

We saw a Magmortar.

Me: Hey a Magmortar!

Lincoln: A hot one.

Magmortar: (In a girls voice) (Spanish Accent) Sorry guys the heat is part of me.

Nico: Alissa Riviere! Wow.

Magmortar: Awesome to see you again Nico.

Nico: Can you stay like that until after the battle?

Magmortar: I was gonna wait till then anyway.

Nico: Okay just wanted to be sure.

Shoichi got a psychic reading.

Shoichi: He's attacking.

Me: Lets roll!

We were off to the park.

---

We arrived.

Nico: There he is!

We saw him about to attack some people.

We went up to him.

Me: Hey! Bad kitty!

Eli: Yeah!

Tiger Lord: Team Loud Phoenix Storm!

Me: That's right. Your nine lives are up!

Carter: Lightspeed Rescue!

He transformed and he was ready!

Nico: YEAH!

Agito Team: HENSHIN!

They transformed and Makoto donned his armor!

Aang: My archenemy is very analytical. Now here's this. (Gets out Cluemaster's Agito Weapon)

It was a sword of analytical tacticians.

Katara: My Archenemy will give you the Slip!

She got out Boxcars' Agito weapon and it was a waterbending sword made of oil!

Lincoln: Oh yeah!

Me: Here's a awesome way to start us off. Watch this one.

I pulled out the Wonder Ride Book for Universe 666 Salem called THE IMMORTAL DARKNESS QUEEN!

Me: (Reads Verse) "The Queen of Darkness unleashed her powerful minions unto the land and invoked terror in her reign and no one was safe from her reign of terror and they went after the strongest of her enemies that had the most dangerous form of rage and they attacked with extreme savagery."

I had numerous bird Grimm appear and they attacked and blasted Tiger Lord all over the place.

Nico: Nice!

The Grimm vanished after that.

Nico: (gets out Six Gum Gang and Rowdyruff Boys' Ridewatches) Reach for the sky!

He activated them and got awesome blasters and he fired laser blasts and they hit the Tiger Lord and blasted him all over the place!

Lincoln: YEAH!

Shoichi: That was amazing seeing the power of a Wonder Ride Book.

Me: Yep. Infinite possibilities and infinite power.

Lincoln: It's awesome.

Carter: (gets out Toyman's Agito Weapon) It's playtime!

It was a Building Block Sword!

Me: Whoa Johnny Test would love that one.

Nico: He sure would.

I unsheathed my sword.

Tiger Lord got a Tiger Sword!

Carter charged at Tiger Lord.

He clashed with him and I jumped and slashed Tiger Lord from behind.

SLASH!

I slashed him all over.

Magmortar blasted him all over with fireballs and fire blasts and smashed and burned him all over.

Eli: Take this!

He fired a blast of Force Lightning and electrocuted him.

Ed the Protector: (gets out Ringmaster's Agito Weapon) My turn!

His Agito Weapon was a Ring Sword! He fired waves of rings and slashed him all over the place.

Eli: Take that!

Me: Yeah!

Shoichi: This is gonna be awesome.

Me: Yep. Lets finish him.

Shoichi: Let's do it!

Me, Shoichi, Makoto, Ryo, Kadma and Nico jumped and slashed him with a powerful slash!

Tiger Lord then had a light appear above him and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! He was dead!

Lincoln: Take that!

Me: Tiger Lord you have failed this world.

Magmortar reverted back and she was a girl with red hair and orange and yellow and red clothes and she had the symbol of the Nicaragua emblem on the flag on her skirt.

Alissa Riviere: That was Muy Buena!

Eli: It sure was!

Kadma: Another enemy of yours down.

Me: That's for sure.

Alissa Riviere: Si.

Me: What's your favorite memory of Nico, Alissa?

Alissa Riviere: My favorite is when me and Nico were in Nicaragua and we ate a plate of nachos covered in hot salsa I made from the hottest peppers in the world. We ate them and man of man was it hot. We were sweating like you wouldn't believe.

Nico: That was the hottest I've ever had.

Me: Not nearly as hot as anything else we had.

Nico: Yeah.

Nico and Alissa hugged.

Nico: I've really missed you.

Alissa Riviere: Me too Nico. Me too.

Nico: The next opponent we're facing is probably one of the toughest.

Me: I have a feeling it will be. But it's nothing we can't handle

Eli: Yeah.

We later went back home.

---

We arrived back home.

May: Hey guys. How did it go?

Me: Really awesome.

We told them everything and it was awesome.

May: Whoa so you guys beat the Tiger Lord.

Nico: Yep.

May: Next time, Cody Burns, Aligned Bumblebee, and Aligned Heat Wave should go with you guys

Me: Good idea.

Lola: Yeah!

Me: Georgina, Twilight and friends and Lincoln's siblings can come with too.

Qin: Good idea on that one too.

---

Later we were getting a trial set up.

Billy: Am I in trouble?

Chomper: No, Billy. You're not the one in trouble this time.

Me: It's for someone else. Some bird actually.

(THE PEOPLES COURT THEME PLAYS)

In came Sergio and he had a straitjacket and a Hannibal Lector Mask on his beak.

Me: Calling courtroom to order in the case number 6154658241B: Lincoln Loud and his Guardian Angels VS Sergio the Parrot. Honorable Judges Crag, Slab, Chunk and Rip Nugget of the Ripping Friends Presiding.

Crag: You may be seated.

We got ready.

Crag: Sergio the Parrot how do you plead?

Sergio: Not guilty your honors. (Squawks)

Hilda: (British Accent) I honestly expected us to have a very stern talk with Sergio. Not a trial.

Nico: Well a trial is much better because it gets him to admit everything.

Through the accounts and witnesses from the Guardian Angels and Lincoln along with Ronnie Anne and family and they told the courts how Sergio did all that crazy stuff that Lincoln's Guardian Angels told us as well as do lots of other terrible things.

After lots of testimony and the arguments it was time for the Jury's decision.

Rip: Has the jury reached a verdict?

Lori Loud: We have your honors.

Crag: Please pass the verdict to the foreman to read.

She passed it to Eli.

Eli: (Clears throat) In 6154658241B: Lincoln Loud and his Guardian Angels VS Sergio the Parrot, we the jury find the defendant Sergio Casagrande the Parrot, GUILTY on all charges! 👎

HE WAS CONVICTED!

Lincoln: Honestly, Sergio, give us one reason why we shouldn't just throw you out of the team!

Nico: Sorry, Sergio. But after you put that chip in Lincoln, I agree with him.

Crag banged his gavel.

Crag: Order order. Lets let Sergio say something before we pass down sentence.

Lincoln: Fine.

Crag: Sergio what do you have to say for yourself.

Sergio: This court is rigged!

Me: Your honors permission to approach the bench?

Crag: Granted.

I approached.

Me: If I may make a suggestion, if it pleases the court I would like to not have Sergio kicked off the team and I would not like to have him exiled into the wild. He would not survive more than an hour out there. He is a domestic parrot.

Crag: Noted and allowed.

Nightbird: We could eat him.

Me: EW! He would not taste good. Also that's too extreme.

Crag: I agree. Sergio as punishment for your actions I hereby sentence you to the following. You are hereby ordered to pay the amount of $523,000,000,000,000,000,000,000,000,000,000,000,000,000,000.00 plus 75% interest in full to Lincoln and his guardian angels and the Casagrande and Santiago families. Your shopping privileges are hereby revoked permanently, your party privileges are revoked permanently, and you are hereby ordered to eat Rosa Casagrande's tamales mixed in with J.D.'s most hottest hot sauce: The Big Bang Zephos Reaper Death Sauce of 666,666,666 Pains.

WE GASPED!

Me: (SMIRKS)

Sergio: NOOOOOOOOOO!

Slab: And any beer you have will be given to Poromon

Poromon: YAY!

Arcee: I was just about to say that.

Sergio: NOOOOOOOOOOO!

Crag: Court is adjourned!

BANGS GAVEL!

Leni: Anyone who wishes to enter the courtroom now, please do so or forever hold your peace.

Maria: Leni, that's for a wedding.

Leni: Oops.

Eli: Also Sergio here's what I think. [screams] Arrgh! Regga flebba breeka brecka smullen-ellen Sergio! Yegga hegga mergin parties! Dimmy middy beer! Rivy flivy diva shiva Lincoln Loud and angels! [during Eli's rage, Sakura Knudson looks up these words in the dictionary and gasps and blushes. Sergio's mouth is agape]

Sakura Knudson: Boy what a colorful vocabulary.

Just then, we heard someone enter.

It was an Electivire!

Me: Whoa an Electivire!

Qin: Cool!

Electivire: (In a girls voice) I got TONS of things to say to this rainbow chicken.

Nico: Pamela Nicholas! Wow!

She reverted back and she was a girl with blond hair and lightning bolts on her hair and she had purple clothes and had a Canadian Maple Leaf on her skirt.

Pamela Nicholas: Also I'm one of the people that Sergio scammed.

Maria: What did he do to you?

Pamela Nicholas: Conned me and my family out of all our money and spent it all on a huge party at an abandoned warehouse with Sancho and his friends and my family ended up on the streets.

Pamela went up to Sergio and what she said WAS SHOCKING!

Pamela Nicholas: Sergio, I am here to tell you that YOU ARE THE MOST UGLY AND MOST REPULSIVE SACK OF FEATHERS EVER AND THAT YOU ARE THE MOST DESPICABLE AND MOST FILTHY MOTHERFUCKING WALKING FEATHERDUSTER EVER AND YOU ARE THE WORST EVER SACK OF BIRD SEED EVER! YOU WOULD RATHER USE YOUR FUCKING FRIENDS FOR CANNON FODDER FOR YOUR OWN SELFISH PARTYING AND SPENDING! YOU MAKE ME FUCKING SICK AND DISGUST ME TO THE NTH DEGREE YOU MOTHERFUCKING COCKROACH EATER! AND THAT IS WHY YOU ARE THE WORST BIRD OF ALL!

Clyde was shocked by what she said and then…

FWOMP!

He fainted.

CLANG! CLANG CLANG CLANG CLANG!

My jaw dropped along with Qin, Varie, Rosa and Nico!

May: Anyone want the sentence changed?

William got out a fork near Sergio

Eli put our jaws back.

Me: No.

Nico: Let it go guys. That was a good rant. Nice one Pamela.

Pamela Nicholas: Thanks.

Me: Reminds me of the Icky Vicky Rants we did.

Lola: Good times.

William: What's your favorite memory of Nico? And I really wanted to have Sergio for dinner!

Me: William we are not eating him.

Pamela Nicholas: As much as I wanted to eat him for dinner, I don't want to. Also my favorite memory is when me and Nico went to school and I fired a wave of lightning at a bunch of bullies and electrocuted them into quadriplegics. My lightning destroyed their nervous systems.

Nico: Good riddance.

Me: Yeah no kidding.

Laney: Good riddance.

Nico and Pamela hugged.

Nico: I've missed you.

Pamela Nicholas: Me too Nico. Me too.

Riku: Sergio's lucky to even be on the team at all.

Nico: I know. But we'll let him back after his punishment is done.

Qin: That could be a while.

Lola: Yeah.

The previous group came.

Bane: (Spanish Accent) Can me, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, Aqueduct, Katnappe, and our teams go with you guys?

Nico: Yes you all can come with.

Qin: Brazil is next.

Me: Yep.

Luminous: Nico, which Gene Slammers do you think you'll meet next?

Nico: Togekiss and Yanmega.

Me: Cool!

Qin: Yeah!

Lola: Jessie would love the Yanmega. She has one.

Jessie: I sure do.

Me: This is gonna be so awesome and fun.

Lola: Yep.

Robo Blaze: It doesn't take a rocket scientist to know that we're fighting the Metal Mystic.

Me: Yep.

Jax: I'll gladly face him.

Nico: Perfect Jax.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Uinreas, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Uinreas of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Sophia are more than ready for Uinreas, right, Lincoln?

Sophia Presley: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Uinreas and give him The Black Gates.

Lincoln: You said it, Natalie.

Sebastian Mendez: And with Dark Sebastian's minions gone, we won't have anymore trouble anytime soon, but he's still on the loose.

Nico: We'll deal with him very soon. Alright, gang, our next stop is in Brazil, and the last of The Foot Mystics: The Metal Foot Mystic is there waiting for us.

Lincoln: This is going to be a tough one, he has the powers of Metal, so we're in for a tough challenge when we get there, and once we take down The Metal Foot Mystic, you better be ready to die, Uinreas.

Sophia Presley: You better be ready to die, Uinreas, because you're about to face the fury of Elemental HERO Magma Neos.

Me: This is gonna be so awesome.

Buddy Pine: Where are we going next?

Me: The party capital of South America. Rio De Janeiro, Brazil.

Qin: I love Rio.

Raimundo: HOME! It'll be awesome to see home again.

Lola: I can tell you were homesick.

Raimundo: I missed Rio.

Laney: I don't blame you.

Whiplash: That's right. You're from Brazil.

Raimundo: That's right.

Qin: And Brazil has a huge crime rate. But we're going to tear them all apart.

Xenia: Yeah!

Droopy: And it will be a good place to stop them bub.

Camie: That is for sure.

Me: McWolf would love being in Rio.

Skalor: Here we are.

Me: Arrriba!

We landed on the bay and we were in Rio.

We disembarked.

Me: Rio De Janerio.

Laney: So awesome. If any thugs come we'll blast them.

Bleez: Isn't Rio the name of an upcoming ambassador mission set?

Me: That's right and it's for the movie Rio.

Qin: Cool! I love that movie.

Camie: Me too!

Lola: Yeah! That was a great one.

Nico: Yep and our target for that one is going to be that scheming cockatiel Nigel.

Varie: That bird needs to be taught some manners,

Red: You know what's coincidental is that me and my fellow Angry Birds helped Blu and Jewel and stopped him.

Bubbles: Oh yeah that was so awesome.

Hal: It sure was.

Beetle: Those will be Matau's missions.

Matau: Cool!

Red: It'll be awesome to see Blu and Jewel again.

Qin: And battle Nigel's army of Macaques.

Nico: Yep and Nigel will be perfect for the M.O.E.

Scavenger: That metal punk is here somewhere.

Me: Maybe he is over there.

I pointed to a metal castle that was on the bay.

Me: Wow that castle wasn't there before.

Qin: Must be a new thing.

Me: But it obstructs the view of Sugar Loaf rock.

Katnappe: A metal castle. That's obvious.

Me: Yep it sure is.

Qin: Wonder how he managed to build a castle like that in such a short amount of time.

Came: Good question.

Lola: Yeah.

Spectra Phantom: He probably needed something to occupy his time while we were fighting the others.

Helios: Of course, we can ask him ourselves.

Me: Yep we sure can.

Qin: We'll have to draw him out.

Nico: Yep. Lets blast that castle.

Thorn: Or we can go inside it and see what it's like on the inside.

Me: Okay then.

We went to the castle and it was an amazing Japanese fortress.

Me: An enemy that I absolutely loathe with every fiber of my entire being.

Lola: Yep. The Shredder.

Me: Yep. And if we ever meet the Demon Shredder here I'm going to go all out on him.

Ultra Humanite: You can go all out on him. But I highly doubt we'll see him here.

A massive fiery explosion blasted off above him and a phoenix cry was heard and then we came out.

Me: Metal Foot Mystic. So we meet at last.

Qin: Yep.

Metal Mystic: So, I'm fighting the former daughter of the Pretender Shredder and the Turtles' master.

Drakkon: You sure are. Along with Jax. But where did you find the time to make this castle?

Metal Mystic: I had to do SOMETHING with my free time while waiting for you all, didn't I?

Me: Good call there. But it's an amazing castle you built.

---

Skalamander was next.

Skalamander: (to Chris) I heard you guys met a gene-slammer for Elemental HERO Liquid Soldier. What's her name?

Chris Taylor: Her name is Zoey Monroe and she is a really awesome and cold hero of water.

Bassoon Burns tooted.

Miku Hatsume: I know and her story is really awesome too.

Bad Cop: And I have a feeling it involves Sergio.

Sheriff Skyfire: It sure does along with Peggy Bundy and Billy McLean.

Elements Fire Finn: I WILL KILL THEM!

Universe 666 Midnight Sour Sweet: Whoa calm down. Here is the story.

---

Nico: Yep. So, Zoey, what's the story on why you hate Sergio with a brutal passion? And Taylor, Tessa, Ruby, and Rose, what's the story on why you both hated Peggy Bundy and Billy McLean with a blazing passion?

Zoey Monroe: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Michaela and her boyfriend, Daniel, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Zoey's name and reputation, along with taking every last hard-earned dollar she earned.

Zoey Monroe: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Michaela and Daniel were forced to work for me for free, and my modeling agency was also punishing them for all their lies as well. In the end, those two not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Zoey's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

We saw Sergio getting steamed up when he heard that story of how he got busted for his scheme, and then, Maria Garcia and the other Fabled Gene-Slammers pounced on and swatted Sergio hard on his butt a total of 9,000,000,000,000,000 times, and when they were done, Sergio had permanent baboon butt.

Sergio: Rrawk, this isn't cool!

Nico: Neither was trying to ruin the reputations and good names of some of Lincoln's Guardian Angels for your own sick amusement and trying to also extort them, Cracker Breath!

Maria Garcia threw Sergio back in his cage

---

Boris: Hermos + Earthbound Immortal Chacu Challhua = WHALE CLUB OF THE INDIGO FLAME!

Kouta: Hermos + Blue Thunder T-45 = THUNDER JET DRAGON SWORD T-45

Celica: Timaeus + Marauding Captain = Marauding Dragon Knight

Clalr: Critias + Black Horn of Heaven = DARK HEAVEN DOOM DRAGON

Hilda: Timaeus + Violent Rain = FURIOUS STORM DRAGON

They used their Kamen Rider Cards for their archenemies and They got said weapons and the group went at their respected archenemies and blasted and smashed them all over and the archenemies fought back and they dodged their attacks and smashed them down.

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Uinreas.

A figure came out, and it was none other than Uinreas of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Uinreas, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Uinreas: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Sophia Presley: The only one who deserves to be destroyed here is you.

Suddenly, Sophia Presley's red eyes turned neon red and she was surrounded by a red energy aura with fire, magma, dragons, phoenixes, and fire angels, she unholstered her massive Elemental HERO Magma Neos-themed greatsword from her back, and as she approached Uinreas, she left red energy, fire, magma, dragons, phoenixes, and fire angels with every step.

Sophia Presley: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Uinreas: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be reduced to ashes for your crimes against mankind and the universe!

Suddenly, Sophia Presley was surrounded by a massive vortex of red energy with fire and magma surrounding the vortex, there are fire angels, dragons, phoenixes, and Elemental HERO Magma Neos flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Uinreas: the red eyes of death. Then, as the vortex faded, Sophia Presley emerged, but she was changed forever.

Sophia Presley grew from 6'0" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long light pink hair, she has neon red eyes and a red energy aura with fire, magma, dragons, phoenixes, and fire angels surrounding her, she has Elemental HERO Magma Neos emblazoned on her forehead and Third Eye with red iris, she has dragon earrings with red gems for eyes and holding the Fire, Magma, and Eternity Kanjis in its talons, she also has Elemental HERO Magma Neos with red gems for eyes and holding the Fire, Magma, and Eternity Kanjis in its hands on the bottom of her red phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Sophia Presley has on a sleeveless crimson red open blouse, sleeveless crimson red crop top, red bridal gloves, red skirt, red pants, socks, red stockings, red sneakers, and long sleeveless white trenchcoat with fire, magma, dragons, phoenixes, and fire angels on the coattails, and on the back is Elemental HERO Magma NEOS surrounded by fire and magma. Suddenly, Sophia Presley felt a sharp pain on her back, and then, her massive light pink angel wings with crimson red tips on the large light pink feathers grew much bigger for her new body and she now has eleven massive and long light pink wolf tails with crimson red tips and crimson red markings. Sophia Presley has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sophia Presley's massive Elemental HERO Magma Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of red energy, magma, fire, dragons, phoenixes, and fire angels, and when it emerged, it was transformed into Elemental HERO Magma Neos' Volcanic Magma Fire Angelic Greatsword of Volcanic Magma Fire Angel Justice, it's a brand-new massive greatsword with embedded red gems and Elemental HERO Magma Neos etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and crimson red gems embedded on their foreheads, longer midnight black handle, four large crimson red phoenix heads with light pink gems for eyes and large crimson red gem on the bottom of the red phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with crimson red gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Magma Neos' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Sophia Presley has transformed into SUPER ANGEL-ELEMENTAL HERO MAGMA NEOS-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DIVINE VOLCANIC MAGMA FIRESTORM ELEMENTAL HERO MAGMA NEOS ANGEL OF DIVINE VOLCANIC MAGMA FIRESTORM ELEMENTAL HERO MAGMA NEOS JUSTICE AND DIVINE VOLCANIC MAGMA FIRESTORM ELEMENTAL HERO MAGMA NEOS LOVE!

We were amazed by Sophia Presley's Super Angel-Elemental HERO Magma Neos-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Uinreas saw it, he fell into an infernal rage and he got out his blaster to blast her, but Sophia Presley fired a powerful red energy blast with magma, fire, dragons, phoenixes, and fire angels at Uinreas, which hit him and pushed him back and he was also burned badly by the fire and magma, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Sophia's transformed.

Nico: Oh man, this is really awesome and really really hot!

Me: It sure is. But, that's only a taste of what's to come.

Sophia Presley: (Divine Echoing Cosmic Voice of The Volcanic Magma Firestorm Elemental HERO Magma Neos Angel and Divine Volcanic Magma Firestorm Elemental HERO Magma Neos Love) And that's suffering the fury of the volcano and the wrath of Elemental HERO Magma Neos.

Lincoln: Let's get him, Sophia, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and

strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sophia Presley.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Sophia Presley and Lincoln went after Iveexas who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Uinreas and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Uinreas took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Uinreas began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Uinreas has transformed into his King

Ghidorah Hybrid Monster form.

Uinreas fired a Gravity Lightning blast at Sophia Presley and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Uinreas from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Uinreas and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Uinreas and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Sophia, shall we unleash our grand finale and finish this bastard off?

Sophia Presley: (Divine Echoing Cosmic Voice of The Volcanic Magma Firestorm Elemental HERO Magma Neos Angel and Divine Volcanic Magma Firestorm Elemental HERO Magma Neos Love) Gladly, Linky.

Sophia Presley and Lincoln sent Uinreas flying into the air, and then, they prepared their combo to put an end to Uinreas.

Sophia Presley and Lincoln: DIVINE COSMIC ELEMENTAL HERO MAGMA NEOS VOLCANIC MAGMA FIRESTORM KAMEHAMEHA!

Sophia Presley and Lincoln fired two massive rainbow and red energy Kamehameha waves with elemental forces, magma, fire mythological animals of elements, and elemental angels, and they hit Uinreas, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Sophia Presley and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Sophia Presley and Lincoln holstered their massive greatswords on their backs and powered down, and Sophia Presley's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light pink tails, and massive light pink angel wings are permanent.

Sophia Presley: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and seven members to go. Thanks for helping me destroy Uinreas once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sophia.

Suddenly, Sophia Presley wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sophia Presley's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Magma Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and volcanoes erupting behind them and spewing out lava and we cheered wildly. Then, Lincoln and Sophia Presley absorbed the magma and they came back to us as the display and Elemental HERO Magma Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Sophia.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Potennas.

Lincoln: Which means, you and I are up next, Amber.

Amber Blakely: Yeah, we'll blow that religious clod, Potennas, away.

Nico: That's the spirit, Amber. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Ice Edge.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Ice Edge: Alexandra Marsden.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Alexandra and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Alexandra in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: How many magazine shoots did Lincoln and some of his Guardian Angels do?

Nicholette Torrington: Too many to count, and like all the Elemental HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings.

Everyone: SERGIO?!

Nico: Ugh, as if that painted rat with wings wasn't trouble enough, but now, to find out this bit of news. I'll get some Chanclas ready when we hear those kinds of stories, he's not getting out of this alive!

Steam Smythe: Now, all the Foot Mystics have been defeated.

Black Adam: And joined our ranks.

Me: That's right.

Ben Ravencroft: I bet M-Bison was messing with us when he said there are more opponents to fight that Akira and his team have fought before.

New Wave: What do we have to worry about?

Greiger: Hmm. I think I might have an idea.

Me: I think he said the Celebrity 5. This will be good.

Don: It sure will be. But your next stop is Cambodia.

Qin: Cool!

Lola: Awesome place.

We went back to the flying fortress and went to sleep as we were heading for Cambodia.

TO BE CONTINUED…

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Amber Blakely, Gene-Slammer of Elemental HERO Storm Neos and Lincoln VS Potennas

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the world of the SEGA video game, Yakuza: Like A Dragon, and we're teaming up with Ichiban Kasuga and his gang of friends, and we're taking down Ryo Aoki, the current governor of Tokyo and founder of the non-profit organization Bleach Japan, but he's done some really dark things in order to eliminate the grey areas in Japan, and his real name is Masato Arakawa, son of Ikumi and Jo Sawashiro only to be abandoned by them, and he was adopted by Masumi Arakawa, the first patriarch of the Arakawa Family and the acting captain of the Omi Alliance. Sonic the Hedgehog is also coming with us as well, and after finding out about Masato Arakawa's dark actions, he's going to lose it big time and transform and take down Ryo Aoki A.K.A. Masato Arakawa and make him answer for his misdeeds. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Alexandra Marsden, Gene-Slammer of Elemental HERO Ice Edge, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model. This one time, Alexandra was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings. Yep, that painted rat with wings and mastermind was none other than the troublemaking pet parrot of The Casagrandes, Sergio. This one time, Alexandra's workers, Mary and her boyfriend, Jacob, were planning on extorting Alexandra, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay Alexandra $5,000 each. Alexandra also filed a defamation lawsuit against the two, which she won, and she was awarded $250,000 dollars. Her name was saved, and to pay for the damages, Mary and Jacob were forced to work for her for no pay, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless, but that was nothing compared to what Sergio had coming to him, because when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla, and he was also thrown in his cage, he had a muzzle on his beak, tied up in a straitjacket, and he was being closely guarded by Lalo, and even worse, he earned Alexandra's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Part 7 is in Cambodia and we're going to take down one of the Celebrity 5 from Marvel Disk Wars. First up is Okuma Jubei.

See you next time.

Nicole: This is gonna be awesome guys.

Daring Do: I agree there.

Qin: We haven't done a treasure hunt in Haiti before.

Xenia: This will be awesome.

Energizer: It sure will be cool.

Zero-G: I think this is gonna be fun.

Lightspeed: I agree too.

Mass Master: I do too.

Me: Glad you all are excited.

Samon: Boy me too.

Nico: Power Pack, I want to thank you, Samon, and your teams for coming.

Lightspeed: No problem Nico.

Energizer: This will be so awesome.

Metamorpho: I'm really excited for this too.

Nico: Metamorpho, are you happy Stagg's behind bars?

Metamorpho: I sure am. He deserves to spend the rest of his miserable life behind bars.

Me: Good riddance.

Qin: Yeah he deserves to be locked up forever.

Xenia: You got that right.

Metamorpho: That is for sure.

Me: He was really playing with fire when he did all that.

Nico: And all because he wanted you to stay away from his daughter.

Metamorpho: I know. What a jerk.

Qin: Well now the world knows what kind of monster he is.

Me: Yep. A monster that doesn't care about anyone but himself.

Eli: That is for sure.

Me: But I'm glad that you are Sapphire are together Rex.

Metamorpho: Me too. It's awesome.

Nico: Yeah we are too.

Me: Boy Brazil was so awesome.

Qin: It sure was.

Nico: Raimundo was getting homesick.

Me: He sure was. But at least we helped him out and he had fun.

Qin: Boy no kidding. The party we had after the challenge was great.

Misty Brightdawn: Yeah that was so much fun and the masks everyone put on was so fun.

Qin: Brazil was great.

Camie: It sure was.

Maria: And the castle that the Metal Mystic lived in was really

beautiful.

May: He said he did that while waiting for us.

Qin: That's true.

Me: It was really awesome.

Nicole: I'll say.

Xenia: Yep.

Me: And now all 5 of the Mystic Foots are in the M.O.E.

Camie: They sure are.

Eli: That is so awesome.

Nico: Are we halfway done?

Me: Yep. Brazil is the halfway mark.

Qin: Cool.

Laney: And Cambodia will be next.

Nico: This is gonna be so cool.

Lola: It sure will be.

Nico: Haiti is so beautiful.

Nicole: It sure is. Haiti may be known as one of the poorest countries on the planet but it is beautiful.

Nico: It sure is. So what's our quarry?

Nicole: We're going after the massive loot of Port Royal. Legends say that before the Great Earthquake of 1692 that sunk Port Royal into the ocean, the pirates that lived there took all the loot they stole and hid it here in the Haitian Jungle in a long forgotten temple.

Nico: Wow!

Nicole: That is our quarry.

Daring Do: This is gonna be amazing.

Nico: Jack Sparrow never knew about it.

Me: He was only 2 when the great earthquake happened.

Nico: That's true.

Me: But that must be quite a treasure.

Nicole: It's said to be the biggest ever. Like the National Treasure that was building up loot over the millennia, the treasure of Port Royal was getting bigger and bigger and bigger for years.

Qin: Wow.

Lana: This will be awesome.

Rainbow Dash: It sure will be awesome.

Nico: Let's go looking for it.

Nicole: We're already here.

We found the temple.

Nicole: This temple is more open than the others.

Qin: Yep.

Camie: Wow.

Nicole: According to the map, we have to find this switch.

It was a switch that looked like a key

We went into the temple and looked around.

Misty Tredwell: I think this is it.

We saw the switch.

Misty Tredwell: Here goes.

She pushed the switch and it moved and then a Huge Door opened up and in a big room we saw THE TREASURE OF PORT ROYAL! It was a treasure filled with tons and tons of gold, jewels and treasure of all kinds!

We gasped!

Nico: Wait till Jack Sparrow sees this!

Me: Nice job Misty!

Misty Tredwell: Thanks honey. That was awesome.

Rainbow Dash: That was amazing!

We loaded all the treasure into a scroll.

Nico: Boy what a haul!

Nicole: This treasure dates back to the time of Christopher Columbus. This is amazing that all this is here.

Camie: It sure is.

Laney: Yeah.

We got the last of it.

Nico: How do we get it out of here?

Nicole: I got it all in this scroll here.

Nico: Perfect.

We went out of the temple.

Nico: That was awesome.

Eli: Boy it sure was. And it was incredibly easy.

Lola: It sure was.

Nicole: That was awesome.

Nico: Otherwise, getting it all out would've taken all day!

Me: It sure would have.

Qin: Yeah no kidding there.

Laney: Thank goodness it didn't.

Brittney: No kidding there.

Eli: That was still awesome though.

Nico: Yep. Now for our business.

Eli: (Concentrates) Whoa! I sense that there is not only Another Samon here but also there's Another Mz. Ruby!

We gasped!

Brittney: That one is gonna be right up my ally.

Me: Aria would love facing her.

Nico: Who's up first?

Pipp Petals: I will so gladly face her.

Lincoln: Go get her Pipp.

Pipp Petals: With pleasure.

We then saw a dancing figure coming and it was a dark version of Mz. Ruby! It was ANOTHER MZ. RUBY!

She danced and fired magic symbols that looked like the Playstation shapes!

She danced and dodged them!

Nico: We have to find out who she is first.

Brittney: I know. Just like old times though.

Pipp Petals: That is great dancing though.

Pipp danced while dodging.

Pipp Petals: But if I may ask who you are?

Another Mz. Ruby: (Voodoo Accent) Oh sorry good friend.

She reverted back and was a Sailor Soldier with green hair and dark brown and green clothes.

Me: (GASP) Zecora Emmerton A.K.A. Sailor Arbora.

Eli: Planet Arbora's Sailor Soldier! Wow that is one of the planets that was untouched by the War with The Galactic Empire.

Nico: That is amazing!

Sailor Arbora: That's right and it's good to see you again J.D.

Me: Same to you.

Sailor Arbora: I was actually forewarned by the spirits about the Jedi's destruction and the war and told to flee to another planet to avoid the war.

Me: That's good you did.

Nico: Just so you know, I'll never forgive Palaptine for turning the clones against the Jedi.

Me: Me neither!

Eli: Me neither!

Sailor Arbora: I know. I'm glad he is dead.

Me: So is the entire universe.

Qin: No kidding.

Sailor Arbora: Thank goodness.

Pipp Petals: Let's do this!

Me: Wait Pipp.

Pipp Petals: Oh right. Sorry mandatory question. Is the Another Samon friendly or hostile?

Sailor Arbora: Friendly and J.D. is going to like this one.

Me: I hope this one doesn't smell bad. (To Samon) No offense.

Samon: None taken.

Sailor Arbora: No it doesn't. But it's a good one.

Pipp Petals: We have to like totally ask that question just to be aware of ourselves.

Sailor Arbora: I understand.

She turned into Another Mz. Ruby! Pipp danced and Another Mz. Ruby fired Playstation Symbols and Pipp danced and dodged them and she then fired energy blasts and blasted her down and I caught the Wonder Ride Book. It was called The Voodoo Princess of the Jungle Planet.

Me: Cool.

I teleported and brought Sailor Arbora over.

Nico: That was awesome.

Pipp Petals: Let's do this!

Me: Wait Pipp.

Pipp Petals: Oh right. Sorry mandatory question. Is the Another Samon friendly or hostile?

Sailor Arbora: Friendly and J.D. is going to like this one.

Me: I hope this one doesn't smell bad. (To Samon) No offense.

Samon: None taken.

Sailor Arbora: No it doesn't. But it's a good one.

Pipp Petals: We have to like totally ask that question just to be aware of ourselves.

Sailor Arbora: I understand.

She turned into Another Mz. Ruby! Pipp danced and Another Mz. Ruby fired Playstation Symbols and Pipp danced and dodged them and she then fired energy blasts and blasted her down and I caught the Wonder Ride Book. It was called The Voodoo Princess of the Jungle Planet.

Me: Cool.

I teleported and brought Sailor Arbora over.

Nico: That was awesome.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) ROWDYRUFF FORCE 6!

She summoned Rowdyruff Boys, Evil Vesper Woman, Mole King, Facilier, Carnage Cosmic and Uncle Chokey along with Disapproving Squirrel (Season 2 Episode 9), Itchy & Scratchy, Krusty and Poochie (Season 8 Episode 14)

Me: Awesome!

Krusty: Hey hey kiddies! (GOOFY LAUGHTER)

Me: Hey Krusty. Wait Itchy, Scratchy, Poochie and Disapproving Squirrel!? Whoa!

Nico: Cool!

May: Reminds me of Marge.

Me: She does have the same hair style and is based off her.

Qin: Boy no kidding.

Me: It was funny how she got her head bashed off.

Poochie: That was groovy dudes.

Me: (LAUGHS) And it's funny that your voice sounds like Homer.

Nico: That's true.

Poochie: It's far out dude.

Nico: You both should hang out sometime.

Poochie: I agree there dudes.

Me: Far out dude. Like this.

I fired an energy ball and it hit Scratchy and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

He was blown to pieces.

We laughed at that.

Itchy: Hey nice shot.

Me: Thanks Itchy.

Scratchy was back together.

Me: Sorry Scratchy. But it's part of what we love on your show.

Scratchy: That's true. I'm used to it.

Nico: Now, we wait.

Then we smelled Salmon.

Me: (Sniffs) Something smells fishy.

Samon: It's not me.

Nico: It's from her!

We saw a dark version Samon! It was ANOTHER SAMON!

Qin: Whoa Another Samon!

Laney: This one is fishy.

Xenia: Yep.

Maria: And you are?

Another Samon: (In a girls voice) I believe that I'm someone that J.D. knows.

She reverted back and was a girl with pink hair and pink and blue clothes.

Me: (Gasp) Vivian "Itchette & Scratchette" Simpson!

Vivian: That's right. Awesome to see you again J.D.

Me: Same here. Vivian has been widely known for using the gags of Itchy and Scratchy on numerous criminals as well as using them on bullies we hate.

Vivian: Yep. And I can't help smelling like salmon. I have a condition.

Nicole: Trimethylaminuria.

Vivian: That's right. How did you know?

Nicole: Saw it many times before.

Kaito: (gets out Go Onger gear) Did Swartz promise you anything?

Zocks: (gets out Gekiranger gear) Because we can grant it instead.

Kaito got a Go-Onger Sword and Zocks got a Jungle Fury Spear.

Vivian: Just to cure my condition.

Nicole: Well that's easier said than done. Your condition has no cure.

Lola: Yeah.

Qin: It's something that can't be done.

Vivian: Aw man. Oh well.

Me: But we can bring you back to normal and use our magic to make you smell like flowers and use your condition as a power.

Laney: That works.

Sougo: (gets out RPM Ridewatch) Samon IS based on salmon.

Geiz: (gets out Jungle Fury Ridewatch) So it's time for me to use animal spirits!

Sougo got RPMRedArmor while Geiz got JungleFuryRedArmor

Me: Lets bring on the fishy mayhem!

Vivian turned into Another Samon!

Me: Sorry we have to fight. But this will be fun.

I fired waves of fire and smashed her all over.

Nico: (gets out Samon's Ridewatch) Personally, I like Salmon and chicken.

Nico activated it and fired waves of fish and energy and smashed her all over.

Nico: Is it cold in here or is it just me. (ACTIVATES MR. FREEZE'S RIDEWATCH)

He fired a wave of ice energy and froze her to the ground!

May: Yeah! Flight of the Bluebird! (ACTIVATES BLUEBIRD IMAGIN'S RIDEWATCH)

She fired waves of energy and smashed her all over.

May: Time for some belly flopping! (ACTIVATES YOST BLOB'S RIDEWATCH)

She inflated and was big and fat as Blob and she jumped and squished Another Samon into a pancake!

Maria: Time for some Tourmaline power. (ACTIVATES WATERMELON TOURMALINE'S RIDEWATCH)

She fired waves of pink and green energy and blasted her down.

Maria: And this one! (ACTIVATES JACK FROM JUPITER'S RIDEWATCH)

She fired waves of energy and smashed him all over.

Then Seadramon, Big Lenny, Alien Pig (Angry Birds), Ifrit, Koyo Ozaki and King (Batman Beyond) came!

Qin: Cool!

Nico: Nice Team Seadramon!

Seadramon: Thanks Nico.

Metamorpho: Now it's my turn.

He activated Mr. Freeze's ridewatch and fired ice blasts and smashed her down.

Nico: This means Poromon will go on my next rescue.

Seadramon: That's right.

Lola: That is gonna be so awesome.

Qin: Yep.

Maria: Where's the Next Gene Slammer?

But then something was on her head.

Maria: Huh?

She saw a Togekiss,

Maria: Hey a Togekiss.

Me: Cool!

Qin: Yeah!

Togekiss: (In a girls voice) This is gonna be a good one.

Nico: Calliope Jennings!?

Qin: Whoa! Awesome to see you Cali.

Togekiss: You too Qin.

She jumped down and reverted back and was a girl with red hair and had blue angel wings and red clothes.

Calliope Jennings: I got this.

She fired a beam of energy and blasted down Another Samon and I caught the ridewatch and purified it.

I brother Vivian over.

Calliope Jennings: That was fun.

Metamorpho: What's your favorite memory of Nico?

Calliope Jennings: When me and Nico were in New York City and we stopped a massive international drug cartel.

Qin: Cool! I remember that.

Me: Wow that must've been awesome.

Nico: Oh it was.

Nico and Calliope hugged.

Nico: I've really missed you.

Calliope Jennings: Me too Nico. Me too.

Me: But this was an awesome treasure hunt.

We went back to the flying fortress.

Dragon, and not only is Lincoln going to rescue the eight girls here, but we're teaming up with Ichiban Kasuga and his gang of friends, and we're taking down Ryo Aoki, the current governor of Tokyo and founder of the non-profit organization Bleach Japan, but he's done some really dark things in order to eliminate the grey areas in Japan, and his real name is Masato Arakawa, son of Ikumi and Jo Sawashiro only to be abandoned by them, and he was adopted by Masumi Arakawa, the first patriarch of the Arakawa Family and the acting captain of the Omi Alliance.

Sonic the Hedgehog is also coming with us as well, and after finding out about Masato Arakawa's dark actions, he's going to lose it big time and transform and take down Ryo Aoki A.K.A. Masato Arakawa and make him answer for his misdeeds.

Lincoln: Whoa, we're back here in Kamurocho, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're teaming up with Ichiban Kasuga and his gang of friends, and we're taking down Ryo Aoki, the current governor of Tokyo and founder of the non-profit organization Bleach Japan, but he's done some really dark things in order to eliminate the grey areas in Japan.

Sonic the Hedgehog: And not only that, but his real name isn't Ryo Aoki, his real name is Masato Arakawa, son of Ikumi and Jo Sawashiro only to be abandoned by them, and he was adopted by Masumi Arakawa, the first patriarch of the Arakawa Family and the acting captain of the Omi Alliance.

Nico: And from what we heard about him, he's a deeply hypocritical person, criticizing the "gray zones" of legality in public, while employing the yakuza as hired thugs and assassins behind the scenes in order to advance his political objectives, and his desire for popularity and front-facing power stems from his youth. He resented being completely dependent on others due to his disability and being socially ostracized due to being the son of a yakuza boss.

Me: However, instead of developing empathy for people facing similar plights to the one he faced, he came to hate the vulnerable and marginalized because he hated being one of them.

Lori: What a heartless monster.

Sonic the Hedgehog: And after going into politics, Aoki campaigned against Japan's most vulnerable in order to expand his popularity with a Japanese public that shared similarly negative view of those marginalized groups. But, this puts him in sharp contrast with Kasuga, who passionately defends the people whom Aoki would harm because of their low station in life.

Lincoln: Ichiban and his friends need our help with this big time, and we're so going to take down Masato Arakawa and make that hypocrite answer for his transgressions.

Sticks the Badger: It won't be easy, this guy has connections with some powerful people along with other unsavory character.

Lincoln: So, we need to do some damage to his reputation by exposing his true nature. First, we need to find Ichiban Kasuga and his friends, and then, we get after Mr. Governor himself.

We left to go find Ichiban Kasuga and his friends, Koichi Adachi, Yu Nanba, Saeko Mukoda, Tianyou Zhao, Joon-gi Han, and Eri Kamataki, but the bad news: Dark Sebastian's here, and he's seriously out for blood.

Lincoln: There's Ichiban and his friends, and they've run into that psycho, Dark Sebastian, who's also here in Kamurocho.

We ran up to Ichiban Kasuga and his friends, and Lincoln punched Dark Sebastian hard in the face and sent him flying into a pile of trash cans, and Ichiban and his friends were honored to see us.

Ichiban Kasuga: Team Loud Phoenix Storm, this is indeed quite an honor to meet you guys.

Lincoln: Same here, Ichiban. We were planning to meet up with you guys so we can form a plan to take down Mr. Aoki and expose his true nature to the world, that was until Dark Sebastian showed up here, permanently out of his mind, and now, out for blood.

Me: No wonder we weren't able to find him after Sebastian sent him running in Indonesia, he's fled to Kamurocho. Wait until Sebastian finds out where you've been hiding, you bloodthirsty psycho!

Dark Sebastian: You stupid heroes have absolutely ruined everything: I wanted to kill you all before The Ridonculous Race happened, and then, I would destroy all of mankind and life on this miserable planet and the universes beyond, but you… ! (LOSES IT EXTREMELY AND GOES CRAZY) YOU HAVE RUINED EVERYTHING, I HATE YOU ALL, TEAM LOUD PHOENIX STORM! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HATE! HHHHHHHHAAAAAAAAAAAAAAATTTTTTTEEEEEEEEEEEE!

Our rainbow energy auras with elemental forces and mythological and real animals flared up at such an extreme level and we gained an extremely massive power boost, thanks to Dark Sebastian's really extreme hatred.

Nico: DAMN! That guy's hatred for us, mankind, and all life on Earth and the universes beyond is really powerful and out of control!

Luna: And you can't even kill us, dude, we're immortal, but I guess that refuses to go through to your messed up head, turkey.

Lincoln: Don't bother trying to trash talk him, Luna, we're going to destroy him on the final day of The Ridonculous Race, but we should first send that bloodthirsty monster running out of Kamurocho before we can go after our main target. DRAGON THUNDERCLAP!

The Five-Star Dragon Ball on Lincoln's Dragon Ball Bracelet on his left large gold cuff Bracelet of The Champions of The Universe glowed and he fired a powerful blast of lightning at Dark Sebastian from his left hand and the small orbiting planets on his left fingers, and electrocuted the monster and that sent him running for his miserable life.

Sonic the Hedgehog: That'll keep that lunatic out of Kamurocho and send him back to the shadows until the final day. Now, Ichiban, we've already known the truth of what Masato Arakawa has done, and we're going to expose his true nature to all of Japan, and we will make him, Tendo, and all those responsible for the current mess you guys are dealing with answer for their crimes in full, and Lincoln already has a plan to expose his true nature.

Ichiban Kasuga: Perfect. But, there's also something else you guys should know: Masumi Arakawa, he was shot and killed by Tendo, and his body was thrown in the river and recovered the next morning.

We gasped.

Lincoln: Okay, now we have more than enough reason to go after Tendo first, then, we lure out Aoki and his followers.

Ichiban Kasuga: There's only one place he would be at: The Millennium Tower.

Sonic the Hedgehog: Tendo's not getting away with this. Let's go, it's time to put an end to this chaos once and for all.

We headed for The Millennium Tower to take down Tendo first, and finally, we take down Ryo Aoki A.K.A. Masato Arakawa.

We arrived at the Millennium Tower, and there waiting for us is Yosuke Tendo, the man who killed Masumi Arakawa.

Yosuke Tendo: So, you've finally made it, Ichiban, along with your crew. So, this was all part of your plan, there was no recording in the office.

Ichiban Kasuga: Of course not. It was just a bluff to lure you out, because I knew the young master would send you to find out if there was an incriminating recording that implicated him in some sort of "messy" business in his campaign. But, that's enough talking, now it's time to take you down, and we're not the only ones here.

Suddenly, a massive tornado appeared out of nowhere with dragons of different elements and colors swirling around the tornado, and then, a Thunderbird Screech and Phoenix Cry were heard, along with an explosion erupting, and as the display faded, we appeared.

Yosuke Tendo: Team Loud Phoenix Storm?!

Lincoln: That's right, Tendo. Now, then, let's get down to business.

We charged at Tendo, and we were viciously beating him up badly, and with one punch to the jaw from Ichiban and Lincoln, they knocked out Tendo as he fell onto the floor. Then, Mirror Face came out, and we knew from Ichiban that he changed to his side after he was targeted for assassination.

Ichiban Kasuga: Alright, we've taken down Tendo. Now, to lure out the young master.

Lincoln: Leave this to me.

Lincoln made duplicates of Ichiban Kasuga and his friends, and they were passed out on the floor.

Koichi Adachi: Now, to hide out in the shadows and let Mirror Face take over.

Lincoln made shadow orbs to conceal us in the darkness, and Mirror Face got to work as he put on his Tendo impersonation and called Ryo Aoki and told him the job was done. Then, a few minutes later, the elevator opened up, and we saw Ryo Aoki A.K.A. Masato Arakawa arrive, along with several of his bodyguards. Then, Joon-gi Han and Lori got out their phones and were already recording.

Ryo Aoki: We must make that none of them ever come back, kill them all and throw their bodies into the river.

Suddenly, the "bodies" of Ichiban Kasuga and his friends disappeared, and this stunned Ryo Aoki.

Ryo Aoki: What?

Then, dark shadows began to appear, and all of us stepped out, including Ichiban Kasuga and his friends.

Ichiban Kasuga: I always knew you'd show up sooner or later, young master. I knew you better than that: you always had a habit of coming here to see that the job was done.

Me: And that was a trait that we used to our advantage.

Mirror Face: You made a big mistake in underestimating your

enemies.

Joon-gi Han: And thanks to your talk with Mirror Face about issuing an order to kill your political enemy, it's all been recorded.

Lori: And once it's uploaded, your career will finally be over.

Joon-gi Han and Lori uploaded the videos, and it was playing on the screens all over Japan, and also, in The Flying Fortress: finally, Ryo Aoki's career was over, and he was exposed as a criminal and by his real name: Masato Arakawa. Then, the police came in after receiving the video of the exposure of Ryo Aoki A.K.A. Masato Arakawa.

Ryo Aoki: Ichiban, you planned all this?!

Ichiban Kasuga: Like I said, I'd known you ever since childhood, and I had to stop you from going too far, and with additional help from Team Loud Phoenix Storm, we made sure your career has finally been brought to an end.

Sonic the Hedgehog: It's over, Masato, your career's over, and now, it's time to take you down once and for all.

Suddenly, Sonic the Hedgehog's green eyes turned neon green, and he was surrounded by a blue energy aura with blue chaos energy, winds, lightning, and hedgehogs, he unholstered his massive Susanoo's Hurricane Sword of Chivalrous Mobian Justice from his back, and as he approached Ryo Aoki A.K.A. Masato Arakawa, he left blue energy, blue chaos energy, winds, lightning, and hedgehogs with every step.

Sonic: No words can ever describe just how much you disgust me. You caused nothing but death to all those in your path, and for what, for a desire for popularity and front-facing power stemming from youth. You resented being completely dependent on others due to your disability and being socially ostracized due to being the son of a yakuza boss. However, instead of developing empathy for the people facing similar plights to the one you faced, you came to hate the vulnerable and marginalized because you hated being like them?!

Nico: Uh oh. He's going to lose it!

Sonic: And after going into politics, you launched a campaign against Japan's most vulnerable in order to expand your own popularity with a Japanese public that shared similarly negative view of those marginalized groups. That puts you in sharp contrast with Ichiban, because he passionately defends the people whom you've would harm because of their station in life. That is beyond any form of forgiveness, and now, you will answer for every last one of your wrongdoings, Masato Arakawa!

Suddenly, a bolt of lightning struck outside, and then suddenly, Sonic the Hedgehog was surrounded by a massive vortex of blue energy with blue chaos energy, winds, and bolts of lightning surrounding it, there's a hedgehog running around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Ryo Aoki A.K.A. Masato Arakawa: the red eyes of death. Then, as the vortex faded, Sonic the Hedgehog emerged, but he was changed forever.

We were amazed by Sonic the Hedgehog's Super Angel-Hedgehog-Harmony Celestial Eternal Xelnaga transformation, but when Ryo Aoki saw it, he finally lost it and tried to shoot Sonic, but Sonic used his super speed and ran at Ryo Aoki and he fired a powerful blue energy blast with storms, lightning bolts, winds, and hedgehogs at him, and it blew him back as it exploded, but the fight's about to truly begin.

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of the Immortal Speed Storm Chaos Hedgehog and Divine True Immortal Lightning Speed Storm Chaos Emerald Mobian Hope) Just so you know, that was for what you did in causing Ichiban nothing but pain throughout his whole ordeal.

Ichiban Kasuga: We'd seen what happens when you guys transform, but this, this is really incredible to see it for the first time.

Lincoln: But, the show's just getting started, and so is Sonic.

Then, Sonic sweep kicked him onto the floor.

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of the Immortal Speed Storm Chaos Hedgehog and Divine True Immortal Lightning

Speed Storm Chaos Emerald Mobian Hope) That was for hiring Tendo to kill Masumi Arakawa.

Then, Sonic punched Ryo Aoki in the stomach.

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of the Immortal Speed Storm Chaos Hedgehog and Divine True Immortal Lightning Speed Storm Chaos Emerald Mobian Hope) That was for targeting innocent people throughout Japan in your campaign.

Then, Sonic did a Spin Dash and hit Ryo Aoki right in the face.

Me: Ooh, Spin Dash right into the face!

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of the Immortal Speed Storm Chaos Hedgehog and Divine True Immortal Lightning Speed Storm Chaos Emerald Mobian Hope) This is for employing the yakuza as hired thugs and assassins behind the scenes in order to advance your own political objectives.

Finally, Sonic fired a blast of lightning at Ryo Aoki and electrocuted him.

Sonic the Hedgehog: (Divine Echoing Cosmic Voice of the Immortal Speed Storm Chaos Hedgehog and Divine True Immortal Lightning Speed Storm Chaos Emerald Mobian Hope) And that was for all the trouble that you've caused for years, you self-serving control freak!

Eli: Sonic's really giving it to Masato Arakawa!

Lincoln: He sure is.

Suddenly, we saw Elemental HERO Ice Edge appear before us, and with it are the eight girls.

Nico: Whoa, that's Elemental HERO Ice Edge! Brr, now, that's cold!

Jaden: Another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Ice Edge: (Girl's voice) Oh, sorry about the scare, but I also got the girls away from Masato Arakawa, it turns out he was going to kill them as well to keep them from exposing his true nature.

Lincoln: (Gasps) That voice, Alexandra Marsden, I knew it was you. And did you say that Masato also tried to kill the girls?! (Growls) Sonic, leave some for the rest of us! Gang, let's get him!

Then, Sonic landed a few more punches and kicks at Ryo Aoki, and with assistance from Ichiban Kasuga and Lincoln, they knocked down the former governor of Japan and he was defeated. Sonic the Hedgehog holstered his massive greatsword and he powered down, and Sonic the Hedgehog's new body, clothes, weapons, jewelry, and massive blue angel wings are permanent. Suddenly, Sonic felt something on his forehead, and we saw a Third Eye with green iris opened up in the center of the emblazoned hedgehog.

Sonic the Hedgehog: It's over, Masato. Your career has been brought to an end, and everyone knows who you really are.

This enraged Ryo Aoki badly, and he ran off to the elevator and escape, but we followed him straight to the lockers, and we saw Aoki take out a pistol to commit suicide. Ichiban cried and begged him not to commit suicide, and this eventually got through to him. Then, Aoki called to say his goodbyes to his secretary and is ready to turn himself in. But, then, we saw Kume, outraged by Aoki's hypocrisy and lies, stabs him in the stomach. We apprehended Kume and had him escorted by the cops, and Ichiban carried Aoki to get him to the hospital, but it was too late: Ryo Aoki A.K.A. Masato Arakawa was dead, but he did give Ichiban words of encouragement.

We were dressed in black and we were with Ichiban and his friends as he was kneeling in front of the pictures of Masumi Arakawa and Ryo Aoki, and earlier on, Koichi Adachi had the flash drive containing proof that Arakawa bribed police officials, including Police Commissioner Juro Horinouchi, that the crew had discovered on Sawashiro's computer, and Adachi wasted no time in sending its contents to the inspector general, leading to his arrest.

Yu Nanba: Ichiban. Jo Sawashiro received his sentence: he got Life In Prison.

Ichiban Kasuga: I know. In fact, I was just telling the young master everything that happened.

Yu Nanba: It's just tragic: Masato Arakawa died without ever knowing Sawashiro was his father, and Masumi Arakawa died without ever knowing the truth of what really happened at the lockers, and that you're really his son.

Me: Lisa did a biological test and it proved it.

Ichiban Kasuga: Actually, you guys, the way I see it, I have two dads: my fathers are Jiro Kasuga, owner of Shangri-La, and Masumi Arakawa. It doesn't matter which one I'm related to by blood, nothing changes the fact that they both raised me and made me who I am today.

Lincoln: That's really deep and true.

We head down to the church where the memorials were being held for Masumi Arakawa and Masato Arakawa, and the other people there are Goro Majima, Daigo Dojima, Masaru Watase, Taiga Saejima, Mitsuo Yasumura. It was a really beautiful service, and we found out that Ichiban and his friends are staying here in Ijincho since Ijincho is his home and he can take care of Masumi Arakawa's unfinished business.

We then left the funeral service, and the others were told Ichiban was staying here in Ijincho, and they were glad to hear it.

Ichiban Kasuga: Thanks for everything, guys. Oh, and if you see Sebastian, tell him we spotted that demonic dark side of his and we sent him running.

Lincoln: We will, Ichiban, and he's already going to be pissed off big time when he finds out.

We said our goodbyes to Ichiban Kasuga and his allies and left.

Lincoln: Looks like we've taken care of business here in Ijincho, but at least both Masumi and Masato Arakawa can finally rest in peace. (To Alexandra Marsden) And it's so good to see you again, Alexandra Marsden.

Alexandra Marsden reverted back to normal, and she's a beautiful girl with long dark blue hair in the back and light blue hair in the front, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless dark blue crop top. black shorts, blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, and angels on the coattails and on the back is Elemental HERO Ice Edge, and holstered on her back is a massive Elemental HERO Ice Edge-themed greatsword with embedded dark blue gems and Elemental HERO Ice Edge etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Alexandra Marsden: You too, Lincoln, it's been a long time.

Lincoln went up to Alexandra Marsden and he hugged her, and Alexandra Marsden is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Alexandra Marsden: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Alexandra Marsden, Gene-Slammer of Elemental HERO Ice Edge, she's my Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model.

Alexandra Marsden: Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, and the mastermind who also wanted in on this was a certain painted rat with wings.

Nico: Sergio. We'd heard Maristela, Evelyn, and Zoey's stories, and Sergio got swatted hard on the butt those three times.

Me: And we got him convicted and found guilty in our own court yesterday on all charges, and he was ordered to pay the amount of $523,000,000,000,000,000,000,000,000,000,000,000,000,000,000.00 plus 75% interest in full to Lincoln, his Guardian Angels, The Santiago and Casagrande Families, and his shopping privileges and party privileges are permanently revoked, and he was hereby ordered to eat Rosa Casagrande's Tamales mixed in with my most hottest hot sauce: The Big Bang Zephos Reaper Death Sauce of 666,666,666 Pains.

Alexandra Marsden: (Gasps) (LAUGHS) SERVES YOU RIGHT, YOU ANNOYING COLORED RAT WITH WINGS!

Lincoln: And any beer he had was to be given to Poromon, Eli told him off big time, and Nico's friend, Pamela Nicholas, also came in and told Sergio off for what he did in conning her and her family out of all their money and spent it all on a huge party at an abandoned warehouse with Sancho and his friends and her family ended up on the streets.

Alexandra Marsden: Why, that stupid, annoying, little colored rat with wings!

Lincoln: Easy, Alexandra, we took care of him yesterday at the trial, and like we discussed yesterday, we're not throwing him off the team nor exiling him into the wild, as a domesticated parrot, he won't last an hour out there, he is part of the Casagrande family, and Lori and Bobby like him, and as his brother-in-law, I respect his wishes. But, Sergio did have it coming, and his shady crimes bit him hard in the butt.

Maria Garcia: (Spanish Accent) Along with our Chanclas. But, we're not going to use the Chanclas on him again, he'll be eating those Tamales in that superhot hot sauce of J.D.'s and blowing fire out of his beak.

Alexandra Marsden: Now, that I'd like to see. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Alexandra?

Alexandra Marsden: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Alexandra Marsden: He's marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since he's done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Selene Emperyous: When you guys did your kiss for the cover shoot, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength for him not to go wild and mark you.

Lincoln went up to Alexandra Marsden, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Alexandra Marsden: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Alexandra Marsden's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Alexandra Marsden: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Alexandra Marsden.

Alexandra Marsden had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Haruka Sanae, Yuki Homura, Kozue Fuyuki, Kyoko Tatsumi, Maki Homura, Mikoto Kurahashi, Sakura Fujii, and Yuka Endo from London Star Love.

Lincoln: Oh wow, it's Haruka Sanae, Yuki Homura, Kozue Fuyuki, Kyoko Tatsumi, Maki Homura, Mikoto Kurahashi, Sakura Fujii, and Yuka Endo from London Star Love.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Haruka Sanae: Yes, we're okay, thanks to you.

Then, when Haruka Sanae and the other seven girls saw who it was that saved them from Ryo Aoki A.K.A. Lincoln and Alexandra Marsden have a lot of catching up to do, now that she's back in town.

Maria: We saw the whole thing, guys, and man, that was really wild. Plus, Sonic transformed and he and Ichiban really gave it to Masato Arakawa, but I can't believe that he also died thanks to one of his overzealous followers.

Lincoln: Masato intended to turn himself in, thanks to Ichiban talking him down. But, Kume went into a rage and killed him, denying him the chance to atone for his crimes.

Nico: That was awful.

Me: Despite Ichiban's pleas, Masato Arakawa still died, and as for Kume, he was also sent to jail for the murder of Masato Arakawa, and we also uncovered a lot of crimes that took place which ended with Jo Sawashiro getting a life sentence and Juro Horinouchi and several other top officials wound up getting arrested for corruption and covering up the crimes in Kamurocho.

Nico: And from what we heard from Daigo Dojima, this was part of Masumi Arakawa's final plan, and in the end, his plan finally worked: and now, Ichiban is taking care of his boss' unfinished business in Ijincho.

* * *

After taking down Ryo Aoki, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Alexandra Marsden saw Lincoln doing

900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Alexandra Marsden: Whoa, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Alexandra, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Alexandra Marsden: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to

become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Alexandra Marsden: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Zoey, what's the story on why you hate Sergio with a brutal passion?

Alexandra Marsden: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Mary and her boyfriend, Jacob, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Alexandra's name and reputation, along with taking every last hard-earned dollar she earned.

Alexandra Marsden: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Mary and Jacob were forced to work for me for free, and my modeling agency was also punishing them for all their lies as well. In the end, those two not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Zoey's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

Lincoln: Our trial yesterday already punished him completely now that his true colors now have been exposed, and now, he's being punished for his crimes, so there's no need to attack him again.

Maria Garcia: (Spanish Accent) Oh, alright, Linky.

Sonic: We know how much you all hated Sergio, Maria, but the trial yesterday and the punishment he has been handed, would you consider it payback for all the rotten stuff he did to you all and to your man?

Amy Rose: Sonic's right about that, after all the rotten stuff he's done to everyone and to Lincoln and your fellow Guardian Angels, that's payback.

Maria Garcia: (Spanish Accent) You're right.

We got a shower, and then, Lincoln, Autumn, Summer, Spring, Barbara, Kim, and Jenna are heading to Lonely Beach in Koh Rong in Cambodia.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Autumn, Summer, Spring, Barbara, Kim, and Jenna were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Autumn, Summer, Spring, Barbara, Kim, and Jenna had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Autumn: Whoa, so this is Lonely Beach in Koh Rong in Cambodia, it's so beautiful.

Lincoln: I've never been here to this beach in Cambodia before, Autumn, and it's perfect for our first date, and we're also coming back here to Cambodia for our challenge and against an old enemy of Jessica Shannon and her friends. Shall we?

Lincoln, Autumn, Summer, Spring, Barbara, Kim, and Jenna dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Autumn, Summer, Spring, Barbara, Kim, and Jenna got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made a clone of himself and he and his clones went up to Autumn, Summer, Spring, Barbara, Kim, and Jenna, and they hugged the girls in their abnormally massive and powerful muscular arms, and Autumn, Summer, Spring, Barbara, Kim, and Jenna placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Cambodia, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Autumn, Summer, Spring, Barbara, Kim, and Jenna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Autumn, Summer, Spring, Barbara, Kim, and Jenna are now part of your harem.

Lincoln: And we checked out one of the beaches in Cambodia, and it really is beautiful.

Nico: Plus, we're heading there today for our challenge and beating up one of the enemies of Jessica Shannon and her friends.

Sherlock Hound: (British Accent) And that'll be after Kadma's Ambassador Mission and a mission that I have in Pentagram City. I found out that Moxxie's dad, Crimson, and his mafia gang are causing trouble again, so I will kill them all and send them to The Black Gates.

Me: Make them scream and suffer in pain.

After Lincoln's date in Cambodia, Sherlock Hound is heading back to Pentagram City for one reason: to kill Moxxie's dad, Crimson, and his Mafia gang, who are already causing trouble in Hell. Sherlock Hound unholstered his massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound from his back and cut open a portal to Pentagram City, and he went inside. The portal then opened up in the hellish city, and he stepped out.

Sherlock Hound: (British Accent) Pentagram City, the City of the Damned. It's been a while since I've last gone here, but now, it's time to get back to the mission at hand.

Sparda: (Through the Large Red Jewel) That's correct. The hideout of that demon should be here in the city.

Sherlock Hound continued on still holding his Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound for any sign of trouble from any demons. Eventually, Sherlock Hound got some answers out of some of Crimson's thugs, and he found out that Crimson's in The Greed Ring.

Sherlock Hound: (British Accent) Aha, The Greed Ring, a perfect hideout for a gangster like Crimson, now to head for Crimson's mansion. (Deep Red Eyes glow) And the bloodbath can finally begin.

Sherlock Hound headed for Crimson's mansion, and he headed for the front door of the mansion. He rings the doorbell, and Alessio, Crimson's bodyguard, goes for the door, and he had a gun in his hand to shoot the intruder. But, before he could open the door to start shooting, he jerked in pain as he is stabbed in the stomach by a 7'0" massive, wide, double-edged midnight black blade with embedded blood red gems and a blood red dragon etched on the blade with a substance resembling hardened lava on the blade. The door burst into ashes, and standing in the doorway was Sherlock Hound, and Alessio's blood was devoured by Sherlock Hound's new massive greatsword and his soul was sent to The Black Gates.

Sherlock Hound: (British Accent) Rest in Oblivion, and now, to kill the others in the mansion.

Suddenly, several other members of Crimson's gang: his employees, along with Butch, Nickel, Stu, Depressed Boyfriend, Titus, Giancarlo, Cleo, Marcella, Crunch, the other ten members of Crimson's gang, and Chazwick Thurman came out with guns in hand, and then, the bigwig of the whole Mafia gang, Crimson, showed up with a tommy-gun in hand.

Crimson: Who do you think you are: coming in here after killing one of my bodyguards thinking you own the place?!

Sherlock Hound: (British Accent) Someone who's had enough of you running loose in Pentagram City, Crimson.

Suddenly, a blood red and black aura of demonic energy manifested around Sherlock Hound, and the image of Sparda appeared surrounding him: Crimson saw it for himself, along with the other demons, and it was a sign that they were now FUCKED TO THE EXTREME!

YOU AND YOUR GANG WATCH OUT NOW, CRIMSON, SHERLOCK HOUND, 19TH CENTURY DETECTIVE OF ENGLAND AND THE CHAMPION OF THE LEGENDARY DARK KNIGHT, SPARDA, HAS COME FOR YOU AND YOUR GANG, AND IT'S ABOUT TO BE A MASSACRE OF BLOODY PROPORTIONS!

Sherlock Hound then transformed into Super Angel-Demon Hound-Harmony Celestial Eternal Xelnaga Stellar Blood-Stained Darkness Demon Hound of Divine Star Blood-Stained Demonic Darkness Justice and Divine Star Bloodstained Demonic Dark Demon Hound Compassion, and he began massacring the Mafia gang, as he fired powerful blasts of blood red and black energy, blood red and black nebulae, stars, darkness, and demons at them, and they exploded with incredible power as they hit them all.

The gang and Crimson began shooting at Sherlock Hound, but he dodged all of the bullets thanks to his demonic reflexes and speed.

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) Nice try.

Then, he went after Crimson's employees and the first ten members of his gang, and he slayed them with his massive Sparda's Eternal

Angelic Demonic Fang Greatsword of The Demon Hound, and the greatsword devoured their blood and automatically sent their souls to The Black Gates.

Crimson: (GROWLS) WASTE THE FUCKER!

Butch, Nickel, Stu, The Depressed Boyfriend, Titus, Giancarlo, Cleo, Marcella, Crunch, and Chazwick Thurman continued shooting at Sherlock Hound, but it proved useless as he continued dodging all of the bullets thanks to his demonic reflexes and speed. Then, he went after them, and he slayed them with his massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound, and the greatsword devoured their blood and automatically sent their souls to The Black Gates.

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) And now, only one remains.

Sherlock Hound went after Crimson, and he unleashed pure Hell upon him, as he fired powerful blasts of blood red and black energy, blood red and black nebulae, stars, darkness, and demons at them, and they exploded with incredible power as they hit the ruthless gangster, and he slashed at him with his massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound and that left a ton of tears on his clothes, and he broke his arms and legs too.

Crimson: Come on… , I'm still standing… ! I… ain't done yet!

Sherlock Hound: (Divine Echoing Cosmic Voice of The Demonic Darkness Demon Hound and Divine Darkness Compassion) (Demonic Voice and British Accent) No, you're done forever, Crimson.

Sherlock Hound powered down, and he used his Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound from his back and cut open a portal to The Flying Fortress.

Sherlock Hound: (British Accent) But, it won't be me delivering the final blow. Good riddance forever, Crimson. (Laughing Sinisterly)

Sherlock Hound entered the portal, and it closed. And unknown to Crimson, Drakus was already here and he saw the massacre of what Sherlock Hound had caused.

Drakus: Truly glorious, and I got to admit, Sherlock Hound really caused quite a bloody massacre of you and your gang, Crimson. But, now it looks like I'm going to finally get the chance to deal the final blow to end your wretched life, and do I have a lot of words to say to you.

Suddenly, something snapped inside of Drakus and he stomped over to Crimson and grabbed him by the throat and lifted him up.

Drakus: People like you drive me fucking nuts! Can't you just listen to your family for ONCE in your worthless life?! Because if you DID, you'd see they're trying to teach you some simple responsibility, some PRIDE in family! But you wouldn't KNOW how to be a good dad if you paid someone to do it for you! And even then you'd screw it all up on the account that you can't even follow the simplest of instructions, worrying more about "control of the family" than being a good DAD!

Drakus was really laying it out on that scumbag.

Drakus: There's no reason why I shouldn't blast you into a smudge and make you deader than disco! You think freedom is something you can give or take on a whim, but to your family, freedom is just as essential as air, and without it, there is no life, there is only darkness. (Shoots him in the skull, killing him and sending him to the Black Gates) Deader than Disco, I like that. I could be a great stand up comic.

Drakus left through a portal he opened up, and he was back in The Flying Fortress.

Me: We saw the whole thing, and man, that was one bloody massacre!

Nico: That prick had it coming.

Loona: Moxxie hated that asshole for a long time, and he had it coming.

Lincoln: He sure did.

We heard an unholy scream of rage coming from Hell, and we knew that Stella Ars Goetia found out about it, and now, she was pissed off.

Sherlock Hound: (British Accent) Cry and scream in rage all you want, Stella Ars Goetia, but your time is already running out, just one more wrong move you make on us, and your life is finally finished.

Sherlock Hound was already monitoring Stella Ars Goetia's descent into madness, and he was waiting for the chance to do unto her what he'd done unto the three Overlords and many other demons.

---

We were watching TV and saw that the Renegades smashed up numerous insane lunatics that busted out of the nuthouse.

Me: At least those lunatics won't hurt anyone.

We heard a noise.

George of the Jungle Ursula: Did you guys hear that?

Me: Sounds like it came from the kitchen.

We went to the kitchen and saw a figure and it was Tsuyoshi!

Lyra: Tsuyoshi!

Tsuyoshi: Lyra!

They hugged.

Me: Tsuyoshi this is a great surprise.

Nico: Yeah awesome having you here.

George: George happy to see Pink Donbrothers.

Tsuyoshi: Oh, fuck me. I'm next, aren't I?

Me: Well I have a feeling you are.

Lola: I have that feeling too.

Me: You were the Sun Vulcan Hitotsuki before.

Lola: That's true.

Qin: Yep.

Tsuyoshi: You guys need to lock me up!

Me: Whoa whoa whoa Tsuyoshi just calm down and we'll think of something.

Qin: Yeah.

Me: Luckily I do have a plan.

Nico: What is it?

I whispered to Nico. My plan was to separate the next Hitotsuki from him and then fight him without harming Tsuyoshi.

Nico: That's brilliant.

TJ Johnson: Dude, don't panic. As soon as you turn into a Hitotsuki, we'll fight you to turn you back to normal. Should be easy.

Me: Yeah calm down Tsuyoshi.

Tsuyoshi: (GULPS) Okay.

Me: Good.

Tsuyoshi: Awesome fortress you guys have here.

Me: And flying over the planet too. Cambodia is our next stop.

Nico: Yep.

Tsuyoshi: Cool.

Nico: Yep.

Tsuyoshi: (laughs) And here I thought you guys were doing this because of all the stress.

Nico: See? It's not because of that.

Me: (To the viewers) I can't believe we're still covering that dilemma all because of stress. (To Tsuyoshi) Tsuyoshi this had nothing to do with stress. It was because of dark orb contamination that was poisoning us with emotions that weren't ours.

Tsuyoshi: Oh man. That sounds complicated.

Me: It is.

TJ Johnson: How about I get you a glass of water?

Tsuyoshi: Sure.

TJ went and got him some and Tsuyoshi drank it.

Tsuyoshi: Ahh thanks guys.

Starlight Glimmer: You're welcome. (LOUD DEMONIC LAUGHTER FART)

Out of Starlight Glimmer's butt came numerous skulls.

Me: Whoa!

Tsuyoshi: Farting skulls?

Me: Weird. But it looks like we're right about Starlight farting skulls.

Starlight Glimmer: Sorry guys. Had some of Chief Wiggum's beans for lunch. (LOUD DEMONIC LAUGHTER FART)

She farted more skulls.

Starlight Glimmer: Okay I had 6 bowls of it.

Me: Uh oh.

Tsuyoshi: Did you guys fight any other Hitotsuki on here?

Me: As a matter of fact yes. We fought the Ninninger Hitotsuki, The Japanese Dino Charge Hitotsuki, and the Kiramager Hitotsuki before we left on this contest.

I showed him the gears we got.

Tsuyoshi: Wow! You guys have been busy.

Qin: Yeah we sure have been.

Xenia: Yeah.

LOUD DEMONIC LAUGHER FART!

Starlight Glimmer: Sorry!

Me: Boy we're going to have lots of skulls piling up at this rate.

Brittney: I don't mind it.

Tsuyoshi: Not really making me comfortable here.

Me: Sorry. (Nervous Laughter)

Tsuyoshi: No worries.

LOUD DEMONIC LAUGHTER FART!

Me: Geez! Starlight you need to go to the bathroom.

Starlight Glimmer: Okay.

She went to the bathroom.

TJ Johnson: Besides your teammates, do you have anyone that's worried about you?

Tsuyoshi: Well, there is Natsumi. I know the Miho I was married to before was a Juto. But I'm determined not to mess things up with

Natsumi, the woman she was copied from. Oh, why did I have to be seperated from her. WHY?!

Me: Uh oh! But that Juto that copied her will be destroyed if we see it! But here it comes!

With that, he was surrounded by an energy circle with the Carranger logo. Then, he turned into Gekisouki from episode 15 of Donbrothers!

---

Tsuyoshi walks to his apartment upon exiting the elevator, only to see Tsubasa waiting for him. They both go inside to talk over tea, with Tsubasa telling Tsuyoshi that he found Natsumi. Tsubasa then notices Tsuyoshi seems troubled and asks what is wrong, with the latter talking about how Miho was hurt, but reassured Tsubasa everything is fine because she is coming home today from the hospital.

He is glad Tsubasa found Natsumi, but Tsubasa says she acted strangely, as she didn't recognize him. Tsuyoshi wonders if something is going on with her and Tsubasa says he is going to search for her again. Tsuyoshi offers to help, asking if he has any pictures of Natsumi, but the only photo Tsubasa took of her on his phone was a digitally edited one with her face altered to resemble a cute anime dog girl. Tsuyoshi says that isn't much help since he can't see Natsumi's real face.

After Tsubasa leaves, Tsuyoshi is all alone and looking at his wedding picture, thinking about Miho in the hospital. His anger rises at the thought of people harming his wife and his negative emotions are warped into vengeance as he becomes Gekisouki.

He sprints at super speed and becomes obsessed with traffic safety, using his Hitotsuki powers to make vehicles and the people operating them disappear to clear the roads. Shinichi and Haruka arrive transformed to fight but are unaware Gekisouki is Tsuyoshi, who beats them down with his speedy attacks. Jiro arrives to aid the two Donbrothers with his "Super Dragon Bomber", lifting a heavy boulder and throwing it, only for Gekisouki to run away and Shinichi gets hit on the head with the falling boulder and passes out unconscious.

The next morning, Tsuyoshi is talking with Tsubasa on the phone as he sits down for a home cooked breakfast from Miho, who was discharged from the hospital yesterday. Tsubasa tells Tsuyoshi he cannot find Natsumi, he has searched the whole city for her, but he will not give up. Tsuyoshi sincerely wishes him luck and hangs up.

Miho suddenly feels slight pain from her head bump, which triggers a panicked reaction from Tsuyoshi who asks if she is alright and suggests that she should have stayed in bed. Miho tries to calm him down by saying her head just hurts a little and it is nothing to fuss over as she cooks some sausages on the stove. Thinking she is lying to prevent him from worrying and is actually suffering in pain, Tsuyoshi gets angry and declares vengeance again, becoming Gekisouki out of her sight and leaving Miho confused as to where he went as she finished cooking their breakfast.

During Tsuyoshi's rampage as Gekisouki, he crosses paths with Tsubasa, who originally was still searching for Natsumi until he showed up. Tsubasa becomes Inu Brother but leaves when Saru Brother and Oni Sister arrive to the battlefield to continue his search. Shinichi is in a melancholic daze and unable to focus on the fight as he still tries to think of a haiku, which Haruka snaps him out of as she points to Gekisouki entering a parking garage.

When both of them arrive inside, they find Tsuyoshi in a cold sweat and ask him if he saw the Hitotsuki. He says he did see him and changes into Gekisouki, much to their shock, with Haruka wondering what turned Tsuyoshi into a Hitotsuki. In a frenzied state, Gekisouki doesn't recognize his friends and attacks them, with both Donbrothers reluctant to harm Tsuyoshi and Haruka gets knocked out of her wheelchair and is unable to move.

Jiro arrives and says that the time has finally arrived according to the voice in his head, his true power will finally awaken. The slot machine appears from an invisible door and the four eyes flash, becoming sunglasses, an Avataro Gear and a spear called the Ryukonogeki. The sunglasses attach themselves to Jiro's face and he Avatar Changes into Don Doragoku. The new Ranger fends off

Gekisouki until he retreats, with Haruka and Shinichi pleading for Tsuyoshi to come back.

Later, Gekisouki races along, erasing more cars until Sonoi in armored form cuts him down. Tsuyoshi is weakened and begins to dissolve, with Jiro as Don Doragoku grabbing onto him before he fades completely and both teleport to the prison dimension.

Upon arrival, Jiro sees hundreds of Hitotsuki victims imprisoned in cubes while searching for Taro. He finds him and tries using the dragon fire of the Ryukonogeki to propel their cage towards him, but can't steer in this dimension. Tsuyoshi wakes up and freaks out, with no memory of how he ended up here or who the strange Ranger he is with is. Jiro says there isn't time for explanations and pleads for him to become Kiji Brother, he needs his wings to rescue Taro. Tsuyoshi quickly changes and spreads his wings, turning them into sails to steer the "cube ship" towards their destination, the prison cubes collide and all three of them are ejected back into the human world.

Once they're back, Tsuyoshi screams in pain as he reverts back into Gekisouki, with Taro promising to save him. Both he and Jiro Avatar Change and the two Rangers tag team battle Gekisouki, with Don Momotaro giving his approval to his new companion. The two purify Tsuyoshi with a combination weapon attack, who realizes all the horrible things he did as a Hitotsuki and cries, begging forgiveness from Taro as Jiro checks on him.

Taro collects the purified Carranger Sentai Gear, which becomes the Carranger Avataro Gear upon him picking it up

---

Me: Gekisouki the Carrangers Monster from Donbrothers! I remember him! Boy Tsuyoshi was pissed off because of the people that were harming Miho!

Qin: Not good!

Me: But who can blame him on that! If that was happening I would feel the same way. But now for this.

I fired a blast of light and it hit Gekisouki and separated Tsuyoshi from him!

Me: That did it!

We went to the Fortress Training Grounds.

But as soon as we got there, we saw Kevin Levin about to run Gekisouki over with his car.

Kevin Levin: This Hitotsuki's about to become roadkill!

Kevin drove at Gekisouki

Gekisouki: Traffic safety! Traffic safety! Traffic safety!

He emitted a Magic Flash from his headlights to turn off Kevin's car.

Kevin Levin: What the!?

Me: I remember seeing this power.

I fired energy blasts and blasted his headlights and destroyed them. Kevin's Car turned back on and then he ran Gekisouki over and turned him into Roadkill!

Me: YEAH!

Qin: Roadkill!

I fired waves of fire and blasted him all over.

TJ Johnson: Shift into Turbo!

He transformed into the Red Turbo Ranger!

Tsuyoshi: Time for this monster to pay for messing with my mind! AVATAR CHANGE!

Lyra: AVATAR CHANGE!

They transformed!

Tsuyoshi: BIRDS ARE RELIABLE! KIJI BROTHER! キジブラザー

Lyra: THE MAGIC OF FRIENDSHIP EXISTS IN EVERYONE! DON ALICORNIA! ドンアリコルニア

Me: Time to fight speed with speed!

I took off my jacket and folded it up and threw it onto the ground and then…

KRASMASH!

It crashed with a massive thunderous crash!

Sakura Knudson: HOLY FUCKING SHIT! That is amazing that you can still lift all that weight bro.

Me: (Cracks neck and knuckles) I know sis.

Tsuyoshi: Time to use an Avatar Gear!

Me: Here Tsuyoshi. Instead of using a pink ranger gear, use this.

I gave him a gear for Kamen Rider Slash!

Me: Kamen Rider Slash would fit perfectly for you.

Nico: Where did you get that J.D.?

Me: Made them earlier. Made Avatar Gears for all the Kamen Riders ever since we finished Lyra's missions.

Nico: COOL!

Tsuyoshi: Wow! Thanks. KAMEN RIDER AVATAR CHANGE!

He turned into Kamen Rider Saber from 2020!

Me: Wow!

Tsuyoshi: Now this is much better!

Gekisouki slashed at T.J. with his sword while spinning. T.J.'s response? He clashed with him with his Turbo Lightning Sword.

Sparks flew all over the place with incredible force.

Me: Time for this! FALCHION PHOENIX GEAR!

I activated it and it turned my sword into a Ferocious immortal fire phoenix blade!

Me: WHOA!

Nico: COOL!

Qin: Wow that is amazing!

Me: Incredible! Lets see what it can do.

I ran incredibly fast and slashed Gekisouki all over and he bursted into intense fire!

Me: WHOA! That is hot!

Qin: No kidding!

Me: Souji would you and the Kabuto Riders like a crack at him?

Souji: Count us in!

Gekisouki: I'll take you down before you can transform!

He ran at turbo-fast speeds at Soji.

I ran fast with incredible speed and smashed him down with incredible force and I fired blades of fire and blasted him all over.

Qin: Awesome!

Me: Tsuyoshi you're going to be amazed with this one. Watch.

I pulled out the Eternal Phoenix Wonder Ride Book.

Me: (Reads Verse) "With the power of the Flames of Renewal, the eternal phoenix brought new life to the planets that were ravaged by the forces of destruction and new life began anew as the phoenix was blasting the sources of the destruction everywhere."

Then fireballs rained down onto Gekisouki and blasted him all over!

Qin: WHOA! That was awesome!

Nico: Yeah!

Tsuyoshi: Wow! So that was the power of the Wonder Ride Books?

Me: Yep.

Touma: Cool huh?

Tsuyoshi: Amazing!

Souji: Lets do it guys!

They summoned their Zectors!

HENSHIN!

As the Zecters repeat the battle cry, armor begins to form over the two Riders in hexagonal energy patterns. From this Sojigains silver and black armor with red accents and a giant blue visor, while Arata summons blue and silver armor with a segmented red visor and shoulder mounted guns. But just as the two form their armor, each modifies their Zecter, Soji by pulling the bettle horn back, and Arata by pulling apart the stag beetle's horns. This causes the armor they just summoned to start begins to segment and pull apart from their main suits)

Soji and Arata: Cast Off!

With that, the two completely alter the Zecters, Soji putting the horn on the complete opposide side, opening part of a panel on the Zecter, and Arata bending the horns completely against the Zecter's body.

Kabuto Zecter: Cast Off! Change, Beetle!

Gatack Zecter: Cast Off! Change, Stag Beetle!

With these announcements happening, the armor explodes from Soji and Arata's suits, reveaing Soji's red chestplate and Arata's shoulder swords while folding horns resembling the beetles they use into place on their helmets.

Sasword Zecter: Standby!

So and Shun pressing a button on the top of their belts, causing a track to be revealed behind the silver plate as each catches their Zecters, and as this happens, each Rider grabs their Zecters save Daisuke, who's Zecter just settles into the gun grip, Shun and So slide their Zectors onto their belts, and Tsurugi places his onto his sword

Shun, So, Daisuke, and Tsurugi: Henshin!

Zecters: Henshin.

With that, each Rider starts generating armor like Soji and Arata did earlier, only Shun and So are already battle ready, in suits if silver and brown with yellow eyes for Shun and silver and green with red eyes for So, but with both having a golden extender resembling a grasshopper leg, on Shun's arm and So's leg

Hopper Zecter 1: Change: PunchHopper!

Hopper Zecter 2: Change: KickHopper!

(While Shun and So transform, the armor forms completely for the rest: Tsurugi in a purple and brown armor covered in what look like hydraulic tubes, Daisukein some sort of aviation gear. Daisuke pulls the hammer on his now finished gun while Tsurugi lifts up the tail on his scorpion.

Tsurugi and Daisuke: Cast Off!

Zecters: Cast Off!

And just as with Soji and Arata before them, the armor on these riders starts to break apart before exploding off. Tsurugi reveals a more purple armor as he slams the tail of his scorpion back down, revealing a scorpion tail headpiece over green eyes and generally purple and silver armor. And Daisuke reveals his blue and silver armor with dragonfly wing visor

Drake Zecter: Change: Dragonfly!

Sasword Zecter: Change: Scorpion!

Hiyori: STANDBY!

She got the Firefly Zecter!

Hiyori: HENSHIN!

Firefly Zecter: HENSHIN!

Hiyori: CAST OFF! CHANGE FIREFLY!

Qin: YEAH!

Me: Lets see what this can do to me. AVATAR CHANGE!

I donned my own Falchion Avatar Transformation! I looked like a male version of Brianna Fukuhara, Sailor Falchion and Natalia Falchion fused together! I had wings made of pure fire and I had a headband with the Falchion Symbol on it. I turned into a new ranger!

Me: THE ETERNAL PHOENIX FLIES THROUGH THE FLAMES OF LIFE! DON HOUOU FALCHION! ドンホウオウファルシオン

Nico: WHOA!

Eli: Wow! Bro you look awesome!

Nico: Boy you sure do!

Gekisouki: I TIRE of this!

Gekisouki shot tires at us.

I slashed the tires and incinerated them into ashes with intense fire!

I flew at him and slashed Gekisouki and blasted him all over with intense fire!

Lyra: Someone has to use the Pink Avatar gears. How about me?

Me: Go for it.

Lyra used the gear for Dino Fury!

Lyra: AVATAR CHANGE!

She turned into DINO FURY PINK!

Amelia: Wow! You look awesome Lyra!

Lyra: Thanks.

Me: Here Lyra!

I gave her the Stink Booster.

Lyra: Stink Booster.

Nico: Uh oh! Plug your noses guys!

She activated it.

Lyra: Fire in the hole!

She fired a ball of yellow energy and it exploded with a super loud fart!

SUPER LOUD FART!

Tsuyoshi: OH GOOD GOD THAT SMELLS HORRIBLE!

Me: THAT SMELLS HORRIBLE!

Gekisouki: THAT BURNS MY NOSE!

Astrotrain: Thank goodness we can't smell anything. Even if they were intact, those headlights can only turn off cars. (Turns into train mode) Fortunately, I don't turn into one!

He went at him.

TRAIN HORN HONK!

CRASH!

He flattened him into a pulpy pancake.

Gekisouki: Nobody gives a care about the fate of labor as long as they can get their instant gratification.

Squidward: Hey that's my line!

Lyra: Time to use another! AVATAR CHANGE!

She turned into the Pink Kiramager!

Sayo: Dazzling and awesome!

Me: Yeah!

Rarity: Oh Lyra darling you look great!

Lyra: Thanks Rarity.

Me: You got that right! I fired blades of fire and slashed Gekisouki all over!

Lyra formed a jewel sword and slashed Gekisouki all over.

Edzilla: ED SMASH BAD TURBO MONSTER!

He smashed and pulverized him.

Nico: Lets see what I can do.

He pulled out the Avatar Gear for Kamen Rider Evilyty Live!

Nico: AVATAR CHANGE!

He transformed into a new Kamen Rider form that was a green version of my form but with one wing that was an angels and the other was a demons and he had an awesome scythe!

Nico: SENDING GOOD TO HEAVEN AND BANISHING BAD TO HELL! DON TWILIGHT PURGATORIO! ドントワイライトプルガトリオ

Me: WHOA!

Qin: That is awesome!

Nico: Wow! I feel like all the powers of Heaven and Hell are flowing inside me!

Me: That's because you have a new Donbrothers form for Kamen Rider Evilyty Live.

Daiji Igurashi: Wow that is so cool! You look great Nico!

Nico: Boy I sure do. Lets do it! (ACTIVATES ALIGHIERO'S VISTAMP!)

ALIGHIERO OF GREED!

He fired energy crosses of Avarice and slashed Gekisouki all over with them!

Qin: WHOA!

Eddy fired his blaster at Gekisouki

He fired laser blasts and blasted him all over.

George: George know what be good. (TARZAN YELL)

His Tarzan Yell caused a huge tree to grow and it trapped Gekisouki in it.

Gekisouki: What the!?

George then swung on a vine towards him faster than a supersonic jet!

George: This gonna hurt!

Me: Uh oh!

Ursula Scott: GEORGE WATCH OUT FOR THAT TREE!

George then crashed into the tree with devastating force head on!

SUPER KRASMASH!

The tree exploded and sent Gekisouki crashing into the ground!

George: George not feel so good.

The tree cracked and fell down.

Me: TIMBER!

It crashed onto Gekisouki with a huge smash!

SMASH!

Nico: OOH! That is gonna hurt!

KRASMASH!

Gekisouki burst out with a roar.

Me: He sure is tough.

Optimus Primal: I see it's time for me to rough him up. Optimus

Primal, MAXIMIZE!

He transformed and fired his blasters and missiles at him and blasted him all over the place.

Gekisouki was really feeling that one.

Camie: YEAH!

Skywarp teleported behind Gekisouki and punched him.

KRABLAM!

Skywarp: Should have looked behind you dirt clod!

?: Yeah what he said!

Then a Yanmega came!

Nico: Hey a Yanmega!

Qin: Cool!

Yanmega: (In a girls voice) Time for this dragonfly to rip some heads open.

Nico: Ashly Roy! Wow!

Yanmega: Awesome to see you again Nico.

She fired a blast of sonic energy and blasted Gekisouki all over.

Nico: Yeah!

Gekisouki jumped up to try and hit her.

But she was fast as Megaguirus with incredible speed and she dodged his strike and he ended up hitting a huge anvil!

BLANG!

Gekisouki screamed in pain and was crying like a little girl!

Me: (WINCES) OOH! That is gonna leave a mark!

Yanmega: Didn't your mother ever teach you never to hit a girl!?

Qin: Yeah!

Nico: Where did that anvil come from?

Sweetie Belle: (Whistles Innocently)

Me: That was really clever.

I slashed Gekisouki all over with my sword and kicked him down.

Starlight Glimmer: Hey speed breath! Sniff on this!

LOUD DEMONIC LAUGHTER FART!

She fired skulls and they hit him all over!

BLAM BLAM BLAM BLAM BLAM BLAM BLAM!

Qin: (LAUGHS) That is one way to use your noggin! (LAUGHS)

Nico: You might move fast. But you think too slow!

Gekisouki: (ENRAGED GROWLING)

He went at Nico and punched at him and Nico was dodging his strikes like they were nothing.

Nico: Come on my mother can hit better than you!

Gekisouki was really trying to punch him!

Gekisouki: I'M GOING TO KILL YOU!

Nico then punched and kicked him in the face and smashed him down!

Nico then tripped him and then…

KRASPLAT!

He fell face first into a pile of elephant shit!

Gekisouki: Okay who brought an elephant in here!?

N'Dugo: Bad guy falls in poop. Classic element of physical comedy. Now comes the part where we throw our heads back and laugh. Ready?

Kip and Baleto: Ready!

They laughed hysterically!

We laughed too!

Gekisouki: That was really disgusting!

Maria: That's the least of your worries!

Me: Time to finish you off stinky!

Lyra: Lets get him!

Tsuyoshi: Yeah!

Me, Nico, Lyra, T.J., Tommy Oliver, Tsuyoshi, Starlight and Eli formed energy swords and slashed him and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! He was dead!

Me: Oh yeah! Gekisouki you have failed this planet!

I caught the Avataro Gear for Red Carranger.

Me: Turbo Ranger Red Japanese. Awesome.

Yanmega: That was awesome!

Nico: It sure was.

Yanmega Reverted back and Ashly was a girl with green hair and green dragonfly wings and had green eyes and had green clothes and no shoes.

Qin: That was awesome.

Ashly Roy: No one messes with all of us.

Lyra: All's well that ends well.

Tsuyoshi: Before I go, promise me this.

Nico: What?

Tsuyoshi: Finish the Ridonculous Race the way you guys know how!

Me: That we can do.

Tsuyoshi: Thank you.

I teleported him back to Japan.

Ashly Roy: That was so awesome!

George: George glad. Good boy Shep.

Shep trumpeted.

Nico: Yeah that was awesome.

Springer: What's your favorite memory of Nico?

Ashly Roy: My favorite is when me and Nico flew over the football stadium at school and drenched the cheerleading squad in rotten chum.

We laughed hysterically!

Qin: (LAUGHS) That was so funny! The Cheerleaders smelled so horrible that they wouldn't come to school for weeks. They had to call the HAZMAT division and put them in quarantine bubbles outside the school because they smelled so horrible. They even threw up from the stench inside their bubbles.

Lola: (LAUGHS) That is so funny!

Nico: Yeah it sure was! We called it the Great Chum-wich Stench Storm.

Plankton: (LAUGHS) That was awesome!

Lily: Yeah it was!

Nico and Ashly hugged.

Nico: I've missed you.

Ashly Roy: Me too Nico.

Skylanders Bombshell: I do hope Tsuyoshi will be okay.

Me: He'll be fine Bombshell. Besides he is gonna have an awesome story to tell Taro and everyone.

Lyra: Yeah he sure will.

Qin: This was still fun though.

Luan: Nothing like a little pre-April Fools Day humor to dish out.

Me: As long as it's not the torturous pranks you did Luan.

Nico: Or like the ones done by my brother.

The previous group came.

Steam Smythe: Can me, Webstor, Angel, Red Ghost, Skalamander, Rich Texan, Black Adam, Ben Ravencroft, New Wave, and Greiger go with you guys?

Nico: Yes you all can come with us.

Qin: This is gonna be so awesome.

Chanthavy Samneang: (Cambodian Accent) I'm so looking forward to this. It'll be great to be back home in Cambodia.

Qin: It sure will. It's amazing.

Gluko: Nico, which Gene Slammers do you think you'll meet next?

Nico: May will like this one. Glaceon, Leafeon and Gliscor.

Qin: Ooh! Those will be awesome.

Nico: Yep.

May: That will be awesome and fun.

Lola: Yeah it will!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Potennas, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Potennas of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Amber are more than ready for Potennas, right, Lincoln?

Amber Blakely: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Potennas and give him The Black Gates.

Lincoln: You said it, Amber.

Sebastian Mendez: And with Dark Sebastian's minions gone, we won't have anymore trouble anytime soon, but he's still on the loose.

Nico: We'll deal with him very soon. Alright, gang, our next stop is in Cambodia, and one of The Celebrity 5 is already waiting for us.

Lincoln: And if I had to guess, one of the Celebrity 5 waiting for us there is none other than Okuma Jubei, we'll make sure he gets put in another disk and put back in a prison cell, and once we get done trouncing Okuma Jubei, you better be ready to die, Potennas.

Amber Blakely: You better be ready to die, Potennas, because you're about to face the fury of Elemental HERO Storm Neos.

Me: This is gonna be good.

Qin: Yep.

Angel: Will the Glaceon and Leafeon be together?

Nico: I hope so.

Qin: That will be awesome.

Laney: Yeah.

Starlight Glimmer: (LOUD DEMONIC LAUGHTER FART)

Nico: Geez!

Dominique: Maybe we should get going before you fart some more.

Nico: We're already here.

We arrived at Cambodia **K H**.

We disembarked. We were in Siem Reap, Cambodia.

Me: Welcome to Siem Reap, Cambodia.

Qin: Wow! It's huge!

Camie: Boy it's magnificent.

Eli: It sure is.

Red Ghost: Is Kampong Thom near here?

Me: That's in the same province as Siam Reap. So yeah we're near there.

Qin: Cool.

Nico: Boy it's awesome that we're here in Cambodia.

Me: It sure is awesome.

Lola: Yep.

Nico was lost in thought.

Lync: Something on your mind, Nico?

Nico: I was just thinking about where the Shadow Pokemon first originated. I do hear that it was Orre.

Me: Hmm. That's located near Phoenix, Arizona.

Qin: Hot place.

Me: Yeah. Looks like we're going into battle with the Mayor of Phenac City, Evice.

Qin: Yeah. I heard about that guy. He was a total douchebag.

Ash: No kidding! If I ever see that guy he is getting the Black Gates.

Nico: No. Last I heard, Evice was defeated by Wes and that he wasn't even the true mastermind of Cipher.

Rich Texan: Don't worry about that for now. Whoever the new leader is will be in for a world of hurt!

Me: But we'll have Celebi with us to purify the Shadow Pokemon.

Qin: Good idea.

Jen Scotts XXXVIII: I better go with just to be on the safe side as well.

Me: Good idea.

Qin: Yeah.

Shrapnel: The mascots can come on those missions too

Nico: Good idea.

Qin: Yeah they will love it.

Poromon: We sure will.

Xenia: Yeah!

Flurry Heart: I think those are my missions. Right?

Needlenose: I wonder who's gonna fight us here

Me: We'll find out soon.

King Kai: Nico! Everyone can you hear me?

Nico: King Kai yes we hear you. What's the Emergency?

King Kai: I'm afraid I got bad news. Remember the Celebrity 5 you all defeated on the world that Akira and his friends came from? Well they escaped from their prison and are out for revenge on you guys after you defeated them.

We gasped!

Qin: UH OH!

Xenia: Not good!

New Wave: I don't know who busted them out. But we've got a better offer for them.

Me: I can tell it's going to be in your ranks.

Camie: Who are the Celebrity 5?

Nico: They are a band of 5 extravagant villains that served under Loki in the world Akira and friends came from.

Me: We battled them after the Great War with The Royal Defenders.

I went over their history.

---

The Celebrity Five are five humans who serve Loki. They helped him pull off his attack on the Raft and trap the Avengers in DISKs. They also secured all supervillains at the Raft in DISKs in order to force them into becomming Loki's soldiers. After an accident causes all DISKs to get scattered around the world, they are tasked by Loki to collect them before the Avengers and their partners can do so.

All members of the Celebrity Five have a biocode installed in their body, and are thus able to release villains from the DISKs at will. In this regard they serve as evil counterparts of the Avengers' young partners, Akira, Hikaru, Chris, Jessica and Edward. All members have prominent jobs in daily life, which sometimes interferes with their missions for Loki.

When Loki is initially defeated in the battle at his Ice Palace, the five are arrested by the police. Crossbones breaks them out of prison transport, but only to steal their Biocodes. After their biocodes are stolen, all five of them are forced by Red Skull to join Hydra and help guard the Gaia Anchor on the Raft. When Edward Grant and Hulk come to the Raft to destroy the anchor, the Celebrity Five actually help them accomplish this goal by giving Ed the DISK of Power Man and helping him get deeper inside the complex. After Red Skull is defeated and all Hydra soldiers are arrested, the five use this opportunity to escape from the organization.

By this point however, their reputations are already ruined since everybody now knows they worked with Loki. While raiding their old lair for anything useful, Loki contacts them again from the dimension he has been banished to. He restores their biocodes and orders the 5 to prepare for his return to Earth. For this end, he has them team up with his new henchman, Ronin, to steal the Treasures of Darkness: relics that can grant glorious power but also great suffering to whoever owns them all. These Treasures are needed to powerup the Dark Gate device and open a portal to the Dark Dimension, which will not only release Loki, but also his new master Dormammu. Loki promises all of them a seat in Dormammu's council once he conquers Earth. The five succeed in their plan despite interference from the Avengers. However, once the portal is opened, Dormammu sucks all five villains into the Dark Dimension.

After both Loki and Dormammu are defeated, the Five somehow escape the Dark Dimension again, and at the end of the series they are still at large. How they escaped remains unknown, but it is suggested Loki had something to do with it.

---

When I was done everyone that hadn't heard about it was shocked.

Camie: Whoa man!

Izuku: These guys sound like they are bad news.

Me: No it was their boss that was the worst. Loki.

Marvel Loki: (British Accent) Thank goodness that they will not be in his employ.

Thor: That is for sure brother.

Camie: What are their names?

Nico: Tim Gilliam, Rosetta Riley, Joel Murphy, Manino Giordani and Ōkuma Jubei.

Camie: Wow.

Dead End: We will not kill Disk Wars Loki if he was the one who busted them out. No, he is going to be spending the rest of eternity in a Disk when we catch up to him at the end of the Race. And then, Odin will be guarding said Disk. That's a fate far worse then death.

Nico: That's right.

Lincoln: I agree.

RD Me: It just so happens that I happen to have the DISK for him.

My RD self pulled it out and sure enough he was locked in it.

RD Me: Shortly after I arrived in this dimension I traveled to the world of the DISK Wars Avengers and I stripped their world's version of Loki of his powers and I locked him in this DISK.

Nico: Wow! Nice job.

RD Me: Yep.

Chris Taylor: I call dibs on Okuma if he's here.

Skalamander: Good luck, Chris. You'll need it.

King Kai: You guys are indeed in luck. Okuma Jubei is actually right there in Cambodia. He's over at Angkor Wat temple.

Qin: Wow!

Nico: Awesome. Thanks King Kai.

King Kai: You're welcome.

Me: And We're going to probably banish the version of Baron Zemo he has to the Black Gates.

Exhaust: We could. Or we could just leave said version of Zemo trapped in his Disk. Think of it as a cruel mercy.

Me: That works too.

Qin: Yeah.

Camie: Can you tell us what happened when you fought them the first time?

Me: That was an awesome adventure.

Qin: It sure was.

I went over what happened in chapter 1210 and it was awesome and epic.

The U.S.S. Valorous Phoenix was flying through the endless void of space.

Me: Captain's Log, Stardate 2872.5: The U.S.S. Valorous Phoenix is en route to what we have found to be another Earth located in the galaxy Centaurus A, 16 million light-years away from Earth. We believe that it is the world of the Disk Wars heroes. Our mission is to help them take down one of their most dangerous enemies.

Lincoln: This is gonna be so cool helping the Disk Wars heroes.

Me: I know. I can't wait to meet them especially after what happened with the Royal Defenders.

With us was the newest recruits of the Masters of Evil: TRI-KLOPS, KING SHARK, BEETLE and TOUCH & GO.

Me: It's a pleasure to meet you 4. And Tri-Klops we already know because Luigi put him in a portrait.

Touch: Same here J.D.

Leonardo: (to Touch & Go) Where have you two been ever since me and Mikey sent you guys packing?

Touch: When we got word that you guys joined Team Loud Phoenix Storm and killed the Shredder and the Purple Dragons we went into hiding.

Sydney Burlington: Wow.

Go: Indeed.

Tri-Klops: (stretches) Man, it's good to be out of that portrait!

Nico: I'll bet.

Lincoln: Now that Skeletor is dead, the Masters of Evil will be perfect for you and are much better for you than him.

Laney: I agree.

Beetle: (to Blue Beetle) Is it weird that we both have beetle armors?

Blue Beetle: Not at all. This is awesome!

King Shark: (to the Bolton Siblings) You guys can turn into sharks? How'd that happen?

John Bolton: We were slammed because of mad scientists out to destroy all of Humanity.

Me: Yeah these guys were really playing with fire and tampering with the laws of Mother Nature is one of the things we never tolerate.

Nico: That's right.

With us was the world famous creator of Marvel Comics himself: Stan Lee. He wanted to come with us to see what our adventures is like.

Me: It's truly an honor to have you with us on our adventures Stan.

Stan Lee: Thank you for inviting me True Believers. I wouldn't miss this for the world.

Nico: We can see that.

Eli: You are a huge inspiration to everyone Stan and I love Marvel Comics.

Stan Lee: Thank you so much Eli. You are a true believer.

Eli and Stan: EXCELSIOR!

We laughed.

Ed Cowart: Oh J.D. Here is what the Royal Defenders did to the Disk Wars Avengers in their world.

Ed showed me the intel and I found out that the Royal Defenders found out about them putting villains in disks for prisons and they demoralized them and put them under house arrest for 10 to 20 years.

We gasped.

Toad Man: So that's what the Royal Defenders did to the Disk Wars heroes of their world?!

Me: That is absolutely despicable! The Disk Wars heroes are true heroes and it's amazing that they can all do that.

Lincoln: I don't think the Royal Defenders version of Ben erased the memories of the Royal Defenders in this one because it's in our universe.

Me: That's right.

Nico: Maybe it's best if you guys stay here so history doesn't repeat itself.

Lori: Are you kidding? We're literally not sitting out of this fight!

Nico: But what if you guys lose it like the Royal Defenders did?

Leif: You'll be too powerful. We won't be able to stop you guys!

Lincoln: Relax. We can stop the bad guys of the Disk Wars dimension without turning into the Royal Defenders.

Nico: (sighs) Fine. But if it turn out that you guys can't control yourselves… well, it's not like you guys will turn into dictators, right?

Me: No we're not gonna be dictators. We never will go down that path and I will make sure that doesn't happen.

Nico: Okay then.

Lisa Loud: We have arrived at our destination.

Me: On screen.

The Viewscreen turned on and we saw that we were at another Earth.

Me: We're here. Engage landing protocols.

We were landing and we were in the capital of the Avengers: New York City. We got out and we saw The Disk Wars heroes battling their version of Cletus Kasady A.K.A. CARNAGE! But he wasn't alone. With him was the Disk Wars versions of Mark Scarlotti A.K.A. WHIPLASH, Dr. Curtis Connors A.K.A. LIZARD and Cain Marko A.K.A. JUGGERNAUT!

Me: They're fighting their version of Cletus Kasady A.K.A. Carnage!

Girl Jordan: I HATE THIS GUY!

Me: I would too if he got me disowned from my family.

Nico: And they're also fighting Mark Scarlotti A.K.A. Whiplash, Dr. Curtis Connors A.K.A. the Lizard and Cain Marko A.K.A. Juggernaut!

Me: Lets go!

We went at him and then we swooped in and Girl Jordan kicked Disk Wars Carnage in the face and sent him crashing into a car.

Jessica: Wow! Team Loud Phoenix Storm!

Disk Wars Iron Man: It's such an honor to meet you all.

Me: Same here.

Disk Wars Carnage got up and he saw us.

Disk Wars Carnage: You don't have any idea who you are dealing with! I was hollowed out inside… empty… just like my other. We were both sick… because we were incomplete… but not anymore. We healed each other… Made each other whole. Neither one of us can survive without the other. Forget host. Forget symbiote. There is only Carnage. Did you know that my mother went through electroshock treatments when she was pregnant with me? This was before they would sedate you for that kind of thing… and then, you know… I died minutes after I was born… went to Hell… came back… that whole thing… I've had therapists try to tell me that these "early traumas" led me to being… the way I am. I've heard it all, you know… I'm this way because of abuse, because of video games, or sex and violence on TV, because of guns and knives and the wickedness of this mean old world. But what none of them get… is those things didn't make me what I am. I am made… of them. I am abuse. I am sex and violence. I am the guns and knives and the wickedness of this mean FUCKING world… you know my name. Now scream it. I am the ultimate insanity! I am CARNAGE!

Me: Just as fucked up as ever! We should just kill you like we did to our version of Carnage.

Maria: (to the Disk Wars heroes) We'll talk more after we take Carnage down.

Akira: (nods) Right!

Disk Wars Carnage: (to the Masters of Evil) I recognize Team Loud Phoenix Storm. But who the hell are you guys?!

Vypra: We're the bad guys everyone's talking about!

Me: And your worst fucking nightmare.

Dark Spicer: Here's your warning: Your Ass is about to be kicked!

Disk Wars Carnage: Fat chance! You're all dead! (charges at us)

Nightbird: Bring it on!

The Disk Wars versions of Whiplash, Lizard, and Juggernaut see us.

Disk Wars Juggernaut: Looks like we've got more company.

Disk Wars Whiplash: Let's have some fun with them, shall we?

Firefly: We'll handle these guys.

Electro, Firefly, and Shiv were fighting Whiplash, Juggernaut, and

Lizard.

Firefly: (dodges Juggernaut's fists) I forgot how strong you guys were.

Juggernaut: That's right! Don't you know who I am? I'm the Juggernaut, Bitch!

Lola: We don't give a flying crud who you are bastard!

Lola fired blasts of fire and Firefly fires heat lasers at Juggernaut.

Shiv was dodging Whiplash's whips.

Dish Wars Whiplash: Hold still!

Shiv: (uses light blades against whips) Not happening, asshole!

Lizard charged at Electro, but he dodged.

Electro: (fires electric blast at Lizard) Never was a fan of yours, Lizard!

The blasts and blades hit them and knocked them down and burned them and electrocuted them all over.

Girl Jordan was really infuriated with Carnage.

Whiplash, Juggernaut and Lizard ran away.

Dark Spicer turned into Deafblast and blasted Carnage and weakened him all over.

Deafblast: (to Electro, Firefly, and Shiv) Where are the other three?

Electro: (sighs) They got away before we could defeat them.

Arcee: (dodges Carnage's attacks) That's fine. Let's just focus on taking Carnage down.

Disk Wars Hulk: (sees Girl Jordan's angry look) If you're trying to imitate me, no offense, but you're not really doing a good job.

Me: She's not imitating you. Girl Jordan has a really bad history with this maniac Hulk.

Girl Jordan fired waves of water at Carnage and they smashed into him with incredible fury.

Akira: Now you are our prisoner! D-SECURE!

He fired a beam of light and Carnage screamed as he was sucked into the Disk and the Disk turned purple and it had Carnage's face on it.

Nico: Whoa!

Me: Oh that was so cool!

Lincoln: It sure was!

Akira: Thanks for helping us out guys.

Me: Aw it was nothing.

Jessica: It's such an honor to have you all here.

Me: It's an honor to be here as well.

Nico: So Carnage isn't getting out of that Disk, right?

Ed Grant: Nope. He sure isn't!

Maria: Nice! I don't know what the Royal Defenders were thinking freaking out because of Disks.

Me: Me neither.

Jessica: Who are the Royal Defenders?

Me: It's a long story. Lets go somewhere and talk about it.

Disk Wars Iron Man: We can go to the Avengers Headquarters to talk.

Me: Okay.

We went to the tower of the Avengers and it was awesome.

Akira: It's so awesome having you all here with us J.D.

Me: It's nice to be here too.

Sunset Shimmer: This is really cool though. I didn't know you all have an awesome tower like this.

Me: It's for the Marvel Avengers.

Nico: Yep.

Ed Grant: So who are the Royal Defenders?

Me: Oh right. Well it's a very complicated story. But they are an alternate universe version of us gone bad.

Nico: Yeah and they have done incredibly terrible things to their universe and their crimes are unspeakable.

Ed Cowart: That's right. Sorry my name is Ed Cowart and I'm a spy and the leader of the Anti-Royal Defenders Resistance Movement.

Hikaru: Pleasure to meet you.

Ed Cowart: Same here. The intel I gathered on the Royal Defenders in their universe is not pretty. Look.

Ed showed them the file on everything we found out about the Royal Defenders and what the intel showed them was mindbogglingly shocking!

Disk Wars Iron Man: Are you kidding me?! The Royal Defenders demoralized us all because of me making the DISKS and because they got stuck in them?!

Rex Goodwin: All you did was make an unescapable prison. It's not the worst thing anyone has done. In fact, you just gave us a new prison idea.

Me: Yeah but I think this is a great idea for us. You all gave us an awesome prison idea.

Akira: I'm glad we did.

Nico: Cool.

Chris Taylor: (to the Masters of Evil) Why are you guys here to begin with?

Greiger: You got a problem with us being here?

Me: Cool yourself Greiger. We came here to help them. Not make things worse. The Masters of Evil are here to give us usual battles before we help you guys take down one of your enemies. And Chris, I know you have a tough guy demeanor but don't make things worse. Please.

Chris Taylor: Sorry it's a habit of mine.

Nico: No worries.

Misty Tredwell: (to Akira) The Skylanders did a method to trap villains similar to yours, Akira.

Spyro: It's true. We trapped several villains in a magical crystal called Traptanium and it works really well.

Snap Shot: (Australian Accent) He's right mate.

Tori Hansen: It works really well.

Akira: Wow! That's incredible! Also I heard you guys beat the evil mad titan Thanos himself.

Me: We sure did. That was one of our most devastating battles.

Disk Wars Thor: You guys destroyed Thanos!?

Disk Wars Wasp: That's incredible!

Disk Wars Hulk: How did you all beat Thanos?

Me: Well that was a deadly battle for us.

I went over the events of Phoenix Infinity War and it was intense. But the result of that battle came with a heavy price.

Me: As a result however we suffered 2 casualties. We lost Ra's Al Ghul and Bowser.

Vince: Yeah it was a big loss.

Jessica: Oh man. I'm so sorry that happened to you guys.

Rainbow Dash: No kidding. That must've been really rough on you all.

Weather Wizard: It was for all of us. Ra's Al Ghul and Bowser were two villains that I've respected above all.

Captain Cold: Same here. Just because I'm a supervillain doesn't mean that I'm totally heartless.

Venom: Same here. We were once a supervillain.

Sandman: Same here. But J.D. saved me from myself. You know how he did it?

Jessica: No.

I pulled down my shirt and pointed to my chest.

Me: Flint's daughter was dying of a heart condition and I gave her my heart to save her life.

The Disk Wars heroes gasped at the incredibly selfless deed I did.

Jessica: You sacrificed your own heart?

Akira: But you should be dead for that!

Me: Normally yes. But my immortality and invincibility allow me to regenerate my organs.

Hikaru: Wow! That's incredible!

Akira: That is a really selfless deed.

Nico: I was surprised myself.

Eli: Same here but that's my big brother for you. He is a true angel.

Me: Thanks little bro.

Kalin: So… when you guys aren't trapping villains in DISKS, what do you guys do in your free time?

Akira: Me and Hikaru like playing video games and read comics.

Lincoln: You and I have so much in common.

Jessica: I like doing fashions.

Leni: We totes have so much in common!

Ed Grant: I like playing sports and I like eating super spicy food.

Lynn: Love your spirit Ed!

Chris Taylor: I like reading books and learning all about quantum physics.

Lisa Loud: You and I are very much similar in terms of personality traits Chris.

Me: Looks like some of us have a lot of things in common here.

Nico: We sure do.

Linka: Yep.

Akira: We sure do. But we are glad you came because we need you help in taking down one of our enemies.

Jessica: The Celebrity 5.

Me: The Celebrity 5? You mean Tim Gilliam, Rosetta Riley, Joel Murphy, Manino Giordani and Ōkuma Jubei?

Ed Grant: That's them.

Nico: I've heard of them. They were the servants of Loki the God of Mischief.

Jessica: That's right.

Jessica told us all about them.

We gasped in shock.

Me: Looks like we were called here just in time.

Aylene C.: We sure were.

Rachel S.D.: Yep.

Me: But there's 5 of them and lots of us. Fighting all of us at once for them is like taking on the entire universe.

Nico: That's right. We are easily the most powerful force in the entire universe and it'll take more than them to beat us.

Me: Lets not get overconfident. First we need to figure out what they want later on and then we'll recruit some supervillains to see if they can help us out.

Nico: Good idea. But knowing that you guys faced the Celebrity 5 in the past, we're gonna need all the help we can get.

Lincoln: Yeah.

Luan: This is gonna be rough.

Eddy: Oh yeah.

Roman: We'll have the usual battles now. And then, we'll recruit some help against the Celebrity 5.

Me: Good idea.

Disk Wars Iron Man: We can use the training arena for that.

Me: Thanks Tony.

We went to the Training Arena at the Avengers Tower.

In the Training Arena we got ready.

Me: You guys are in for quite a show as we face our frenemies in our usual battles.

Jessica: This is gonna be fun.

Dark Spicer: And I have 2 new aliens to show you all.

Me: Lets see them.

Dark Spicer turned into a mutant version of Toepick. He had Toepick's body and it was red and it had spines on the back and arms and legs and he had a metal grate helmet and mushrooms were growing out of his back and arms.

Footfungus: Meet Footfungus!

Shanan: A Mutant Mekfootan. Nice choice.

Riku: That's your version of Toepick, right?

Footfungus: It is. I know you guys are immune to what's in my helmet. So, please tell me what you see, ok?

Footfungus's grate opened up to reveal his nightmare face to Riku, as horrifying sounds were heard.

Me: Well here.

I formed a mirror and showed him and he then screamed and reverted back. What he saw was too gross to describe. His face had scars and worms for eyes and 3 mouths all over.

Dark Spicer: THAT'S HORRIBLE!

Me: It was.

Eddy: But your reaction was priceless.

Dark Spicer: Maybe. But here's my second alien.

He turned into another new alien. He looked like Astrodactyl and he was red and had spines and stars orbiting around his legs and he had spines all over his back and had laser blasters on his back.

Staromorphidon: I call this form… Staromorphidon!

Shanan: A Vaxadactylus Mutant. Nice.

Trent Fernandez: That's another form of yours that can fly.

Staromorphidon: It sure is!

Staromorphidon fired a powerful blast of energy from his mouth at Trent.

Eli ignited his lightsaber and deflected the blast back to him and it hit Dark Spicer and knocked him down.

Dark Spicer: Whoa! That was well done. Nice job kid.

Eli: Thanks. J.D. trained me.

Me: A third version of me did.

Dark Spicer: Wow I heard about a caveman version of you merging with you.

Me: Yep. It's a great story but it was awesome. We'll have the warmup battles first and then we'll have our usual battles.

Dark Spicer: Okay.

They got ready and started the battles.

---

## Warmup 1: Tri-Klops

---

Zick was facing Tri-Klops in a warmup battle.

Tri-Klops: (to Zick) Am I one of the few human villains you've ever fought?

Zick: You sure are. This is gonna be interesting.

Tri-Klops: It sure will. Lets dance.

Zick had Energy auras around his hands.

Zick: Lets.

Zick and Tri-Klops fired waves of energy and the blasts collided and exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Zick went at Tri-Klops and punched him in the chin with a deadly knee kick and smashing his fist into his stomach and kicked him in the back of the head and knocked him down.

Tri-Klops: Whoa! You are a good fighter. Do you have experiences?

Zick: I may be a kid but I was trained by great teachers.

Tri-Klops: You have great experience. Good fight.

Zick: Yep.

---

Warmup 2: King Shark

---

Peyton was facing King Shark in a warmup battle.

King Shark: (to Peyton) Whatever the Harley Quinn cartoon told you about me, forget all of that! I am not a tech genius!

Peyton: I know you aren't. But that cartoon is great.

King Shark: I agree. Shall we dance?

Peyton: Lets.

Mr. Go: It'll be such a pleasure fighting you Turtles again. Right, Mr. Touch?

Mr. Touch: Indeed, Mr. Go.

Leonardo: Just like old times huh?

Raphael: Yeah lets kick some butt!

The 4 brothers went at them and kicked and smashed Mr. Touch & Mr. Go all over and it was brutal and they really were letting them have it all over and they knocked them down.

Donatello: Good fight guys.

Michelangelo: Yeah dudes!

---

Warmup 4: Beetle

---

Connor McKnight was facing Beetle.

Beetle: (to Connor McKnight) You know the difference between me and Mesogog? Mesogog can't fly!

Connor McKnight: True but now we all can!

Connor flew into the air and it shocked Beetle!

Beetle: How are you flying!?

Connor: Sydney's friend Irena had us sprayed with her fairy dust and it gave us the ability to fly permanently like with Tinkerbell's fairy dust but with a permanent effect.

Beetle: That's amazing! I'm impressed. Lets dance.

They flew into the air and Connor bashed him all over with his Tyranno Staff and knocked him around all over and Beetle punched and kicked at him all over and Connor dodged his strikes and he smashed him all over the place and knocked him out.

Connor McKnight: Good fight.

* * *

Me: Good warmup battles.

?: They sure were.

A figure came out and it was ROTOX from episode 15 of Megaforce!

* * *

Rotox is the first mechanical opponent faced by the Mega Rangers and the primary antagonist of the episode "The Human Factor". He is a prototype who is sent out to analyze the Rangers' strengths and weaknesses, for Vrak intends to defeat humanity through the Robots without making the same mistakes as the Insectoids and Toxic Mutants before them. In the season finale episode of Power Rangers Megaforce "End Game" three robotic clones of Rotox, the Water Rotox Army, we're created.

As Admiral Malkor enters his cocoon, Metal Alice is completed by Vrak and creates her first experimental machine, Rotox. To demonstrate the might of machines, she attacks him but loses her left leg. After pulling herself together and having earned Vrak's approval, she sends Rotox to attack the city, drawing the attention of the Megaforce.

The Rangers try to fight him but are outmatched and restrained by Rotox's strength and weaponry. Robo Knight later arrives but is caught by surprise and temporarily incapacitated. The Rangers then break free from the chains restricting them and ascend into the Ultra Mode, which proves more than enough to defeat Rotox.

* * *

Troy Burrows: Rotox!

Rotox: Been a while Rangers.

Me: I remember you! You were sent by Vrak to analyze the rangers strengths and weaknesses so that the Robots can destroy them without making the same mistakes as the previous Insectoids and the Toxic Mutants.

Rotox: That's right.

Vypra: I told you he has a good memory on him.

Rotox: And I believe you. Personally, I don't think you guys will beccome corrupt at all. You're too selfless for that.

Me: Agreed. Thank you. Lets get these battles out of the way.

Dark Spicer: Okay.

They went at them.

* * *

Battle 1: Kalin

* * *

Morpheus, Giganta and Harley Quinn were facing Kalin.

Kalin: This is gonna be good.

Morpheus: It always is.

Giganta: It's fun and more.

Harley Quinn: Yeah.

Kalin: Lets do it.

Kalin summoned Ccapac Apu and called out his Pokemon and they went at him. Kalin fired blasts of blue fire and Morpheus fired blasts of blue energy and fire and Giganta and Harley Quinn smashed Kalin all over and the blasts smashed into Kalin and knocked him down.

Kalin: Good fight.

Battle 2: Misty Tredwell

Persephone, Acid Man and Snake Man were facing Misty Tredwell.

Persephone: How are you feeling after giving birth?

Misty Tredwell: Much better Persephone. Thank you.

Acid Man: That's great.

Snake: I'm glad.

Misty Tredwell: Lets dance.

She summoned Ccarayhua and called her Pokemon and they went at her and blasted her all over with green fire and energy and acid and search snakes and they knocked her down.

Rotox: (Weakly) You win Nico. Make sure that J.D. and everyone are lead astray.

Nico: I will.

Rotox fell down and exploded.

KRABBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!

---

Me: Whoo! Now that we got the usual battles out of the way lets head out to recruit some villains.

?: Let us come with you.

We saw two figures and they were former enemies of the Wild Force Rangers TOXICA and JINDRAX!

Alyssa Endilé: Toxica and Jindrax!

Toxica: Been a long time rangers.

Me: I know you two all too well. It's good that you left Master Org and you'll be happy to hear that Master Org is dead and forever banished to the Warp for all eternity.

Nico: That's right. He was the most ruthless villain of all the Power

Rangers Monsters and he had to pay for his crimes.

Lincoln: Big time.

Jindrax: Good riddance.

Toxica: Yeah. Let us help you all and get redemption for the crimes we did under the influence of Master Org.

Me: We would love that.

Akira: Lets do it.

We headed out.

---

Later at a dojo we met Keniuchio Harada A.K.A. SILVER SAMURAI!

Silver Samurai: Team Loud Phoenix Storm. It's an honor to meet you all.

Me: Keniuchio Harada A.K.A. Silver Samurai. (Bows) It's an honor.

Nico: (bows) Silver Samurai. It's an honor to meet you.

Silver Samurai: Is it really? Why have you come here?

May: Well, you probably heard about the Celebrity 5 returning.

Silver Samurai: And you think I will simply offer my aid.

Maria: Well, you are a formidable opponent in battles.

Silver Samurai: I have won many battles because I have the strength to do what you all never could. (to me) Tell me, J.D. Is it true that you can end the lives of villains simply by snapping your finger? With all your great power, would you end all evil in the world?

Nico: No. There are some villains that don't deserve to die.

Me: That's right.

Silver Samurai: All that power and yet, so weak.

Ultra Humanite: Compassion hardly counts as weakness.

Silver Samurai: The people don't need compassion. They need to know that you will end villains to save them. That your morality will never come before their lives. Leave. And do not approach me again.

Me: You are wrong about that. Compassion, friendship, love and emotions and feelings like that are not a weakness. They are a strength and will make you stronger as long as you believe and have faith in those you care about. But after we take down the Celebrity 5 we will leave you alone. Take some time to consider it.

We left.

Later we were off and we arrived at the home of Eric Magnus Lehnsherr A.K.A. MAGNETO!

Me: Erik Magnus Lehnsherr A.K.A. Magneto.

Disk Wars Magneto: Team Loud Phoenix Storm. I see you all are here.

Nico: We came to ask for your help to take down the Celebrity 5.

Disk Wars Magneto: You really think I'll help you against the Celebrity 5?

Eddy: Well, you've done so before, haven't you?

Disk Wars Magneto: Only when it was necessary. The conflicts of humans do not concern me. And if I recall, two mutants are among the villains that you've all killed.

Harley Quinn: Oh, c'mon! Don't be like that!

Disk Wars Magneto: Leave Genosha now. Or I will make you leave.

Me: Just hear us out first.

Disk Wars Magneto: You have 5 minutes.

Me: That's all we need. We managed to help the people in our world put aside their differences and now everyone sees mutants as people too. We brought all the people who were persecuting mutants to justice and helping them become part of humanity. You helped the X-Men once before and you are still the good friend of Charles Xavier. There is still good inside you and you can still help out against the Celebrity 5. After that we promise we will leave you alone.

Disk Wars Magneto: Let me think about that.

Me: Okay.

We left.

Later we were at the dojo of Gene Khan A.K.A. MANDARIN!

Me: Gene Khan A.K.A. Mandarin. (Kung Fu Bow) It's truly an honor to meet you.

Mandarin: (Kung Fu Bow) Same to you J.D. and all of Team Loud Phoenix Storm.

Nico: We came to ask for your help in taking down the Celebrity 5.

Mandarin: Of course I'll help you all. I can't let the Celebrity 5 defeat Iron Man before I get the chance.

Me: That was easy. Okay then.

We left for the city and went to a bank and found Wade Winston Wilson A.K.A. DEADPOOL!

Me: Wade Winston Wilson A.K.A. Deadpool.

Disk Wars Deadpool: Oh no! Team Loud Phoenix Storm! What will I do!?

Me: Always did love that witty banter of yours. We came to ask for your help to take down the Celebrity 5.

Disk Wars Deadpool: I'll gladly join you guys. On one condition.

Star Man: And that is?

Disk Wars Deadpool: Lighten up during battles. You don't have to be so serious all the time.

Me: We'll make no promises since we always fight so brutally. But okay.

We went back. But little did we know that something was going down. Hikaru got a blackmail text from the Celebrity 5 saying that they kidnapped his friend Noriko Ashida, a mutant who has incredible lightning powers and he was told to give the Celebrity 5 Disks containing villains in exchange for letting her go or they would kill her. He did so and went to them.

He had the Disks.

Tim Gilliam: (to Hikaru) We knew you'd see it our way, kid.

Ōkuma Jubei: Do you have the DISKS we asked for? Or do we have to make an example out of poor Noriko here?

Hikaru: Here.

He gave them the Disks.

Tim Gilliam: Excellent. Release her.

She was cut free and she went to him and cried hard.

Later back at the Avengers Tower we came in with some of our temporary recruits and we saw Noriko crying into Hikaru's shoulder.

Jessica: Noriko?

Akira: What happened?

Hikaru: Noriko was kidnapped.

We gasped!

Hikaru: There's a reason for it. I had no choice. Now the Celebrity 5 have a bunch of Disks with a lot of villains in them.

Miranda: How did the Celebrity 5 get their hands on so many DISKS anyway?

Jindrax (to Noriko): And how'd you get away from them in the first place?

Toxica: (Sees Hikaru's ashamed look) Hikaru? Is there something you want to tell us?

Hikaru: (sighs) It's all my fault. The Celebrity 5 managed to kidnap Noriko and threatened to kill her unless I brought them the DISKS containing those villains.

We gasped.

Hikaru: I understand if you guys are mad at me for this. I don't deserve to join Team Loud Phoenix Storm.

Gabriel: We're not mad at you. If any of us were in your position, we would've done the same thing.

Me: Same here.

Nico: Me too.

Lincoln: Yeah.

Noriko: What's the point? I can never understand you all.

Me: What are you talking about Noriko?

Noriko: You don't know what it's like to be me! All of you have perfect live where everyone loves you for being heroes! Me? I have to deal with people hating me becuase of who I am!

Dark Spicer: That's your concern right now and not the Celebrity 5 having all the DISKS of nearly every villain that Akira and the others fought?

Naruto and Fu then put their hands on her shoulders.

Naruto: Noriko you are wrong about that. You are not the only one who has had to endure persecution and hatred from people for something you have no control over.

Fu: That's right. Let us tell you everything that happened to us.

Naruto, Fu and the shinobi told them everything and Noriko was horrified.

Noriko: All that happened to you!?

Hikaru: That is dark.

Me: It sure is. But we helped them get through all this. But we can tell you later. Lets get ready and take the fight to the Celebrity 5. They will rue the day they messed with us.

Akira: Lets do it.

Me: What villains did you give them?

Hikaru: Lets see. Red Skull, M.O.D.O.K., Baron Zemo, Abomination, Tiger Shark, Graviton, Blizzard, Crimson Dynamo, Absorbing man, Whirlwind, Crossbones, Baron Blood, Cottonmouth, Diamondback, King Cobra, Doctor Octopus, Diablo, Iron Monger, Green Goblin, Sabretooth, Wrecker, Thunderball, Bulldozer, Piledriver and Predator X.

Me: Looks like we have our work cut out for us. We already killed Sabretooth, Red Skull and Green Goblin in our world. But Doctor Octopus killed himself by taking a poison pill.

Acid Man: The villains that we're going to kill are Absorbing Man, Abomination, the Wrecking Crew, Blizzard, Crimson Dynamo, and Whirlwind.

Jessica: Ok. I know you guys are going to kill at least 1 villain today. But why those villains specifically?

Vypra: Because the versions of those villains in our world are joining the Masters of Evil in the future.

Dark Spicer: (to Akira) And we've already chosen Crimson Dynamo to be your nemesis.

Akira: Cool!

Me: Lets do it.

We were off to the hideout of the Celebrity 5.

In the Celebrity 5's hideout they were looking at the disks.

Manino: Soon this world will grovel at our feet.

Joel Murphy: Yeah!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted a hole through the roof of their hideout and a phoenix cry was heard and then we landed and we faced THE CELEBRITY 5!

Me: Celebrity 5. So we meet at last.

Nico: Celebrity 5, you have failed this world!

Vince: Prepare to get your butts kicked!

Lynn: You jerks have got some nerve blackmailing Hikaru!

Manino Giordani: (to Lynn, Lola, and Lori) What are you going to do about it, ugly brats?

OH HE DID NOT JUST GO THERE!

Lola: Did you just call us… ugly?!

Joel Murphy: Perfect! It's just as we planned. We get you guys mad, you kill us, and you become the Royal Defenders right on schedule!

Ed Grant: Even if it means throwing your lives away?!

Rosetta Riley: If it means that the Royal Defenders will make your lives a living Hell, then our own lives are a small price to pay!

Lori: But we will not become the Royal Defenders! You may have called us ugly but we will literally not become those fucking lunatics that destroyed their worlds free will!

Lynn: Yeah you fucking jerks!

Me: Prepare to get your fucking butts handed to you!

Celebrity 5: D-SMASH!

They summoned all the villains given to them!

Then Magneto and Silver Samurai appeared.

William: (to Disk Wars Magneto and Disk Wars Silver Samurai) I knew you guys woul change your minds.

Disk Wars Magneto: Do not make us regret our decision.

Nico: We won't.

Me: SHOWTIME!

Dark Spicer: Here's your warning…

Maxxor: By the authority of the Tribal Alliance…

Tommy Oliver: It's Morphin Time!

Arkayna: Mysticons…

Will Vandom: GUARDIANS…

Ripping Friends: IT'S RIPPING TIME!

Dark Spicer: YOUR FUCKING ASSES ARE ABOUT TO BE KICKED!

Maxxor: WE ARE TAKING YOU DOWN BY FORCE!

Arkayna: ENERGIZE!

Will Vandom: UNITE!

Operation Overdrive Rangers: OVERDRIVE ACCELERATE!

The Operation Overdrive Rangers transformed!

Mack Hartford: KICK INTO OVERDRIVE! (SNAPS FINGERS) RED RANGER!

Will Aston: KICK INTO OVERDRIVE! (CLAPS HANDS) BLACK RANGER!

Dax Lo: KICK INTO OVERDRIVE! BLUE RANGER!

Robby Robinson: KICK INTO OVERDRIVE! YELLOW RANGER!

Rose Ortiz: KICK INTO OVERDRIVE! PINK RANGER!

Tyzonn: KICK INTO OVERDRIVE! MERCURY RANGER!

Operation Overdrive Rangers: CALL TO ADVENTURE! POWER RANGERS OPERATION OVERDRIVE!

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A fiery explosion went off behind them!

Me: TAKE THEM DOWN!

We went at them.

---

Battle 8: Red Skull vs Drakkon, J.D., Breach, Ace and Mack Hartford

---

Me, Lord Drakkon, Breach, Ace and Mack Hartford were facing Johann Schmidt A.K.A. RED SKULL!

I punched him in the face and kicked him in the stomach and Lord Drakkon slashed and cut him all over with his sword and blasted him all over and Breach, Ace and Mack blasted him all over the place and kicked him all over.

Red Skull: (to me) (German Accent) I wonder what made you so merciless in battle. (smirks) A past traumatic memory, perhaps?

Me: Not that you would ever know you Nazi shitsucking fuckup!

I punched him in the face again and knocked out some of his teeth and kicked him in the stomach and kicked him in the face all over the place.

Me: You completely disgust me Schmidt! My grandfather fought hard to destroy fucking shitsuckers like you! They all deserve to die!

Lord Drakkon: That's right!

Lord Drakkon then smashed his face in all over.

Me and Lord Drakkon: DRAGONFIRE KAMEHAMEHA!

Me and Lord Drakkon fired a massive green Kamehameha Wave and it hit Red Skull and exploded with incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Then we heard a voice appear.

?: SMOKE BOMB!

In a puff of smoke appeared the future hero we're going to help in the future: Randy Cunningham - 9th Grade Ninja! Red Skull then called out Bi-Beast and the Destroyers!

Randy Cunningham: Looks like you all could use some help.

Drakkon: Are you Randy Cunnningham?

Randy Cunningham: I don't know how you know my name. But there's no time for that. You guys go after the Celebrity 5. I'll handle the Destroyers and Bi-Beast.

Me: Okay. Thanks Randy. We owe you one. But how did you get all the way over here?

Randy Cunningham: The Ninjanomicon took me over here. Take care J.D.

Me: We owe you one.

We got the Disk with Red Skull back and went at faced the Celebrity 5 and Randy slashed and destroyed the Bi-Beast and the Destroyers.

---

Battle 9: M.O.D.O.K. vs Tri Klops, Zick, Buzzer Beak, Krankenstein and Crow Hogan

---

Tri-Klops, Zick, Buzzer Beak, Krankenstein and Crow Hogan were facing George Tarlton A.K.A. M.O.D.O.K.

Crow Hogan: This is gonna be good.

Buzzer Beak squawked.

Zick: I have always been afraid of M.O.D.O.K.

M.O.D.O.K. fired laser blasts and they dodged the blasts and went at him and blasted him all over with laser and energy blasts and they hit him all over and more.

Zick and Tri-Klops: DOM THREE-EYED SUPERBLAST!

Zick and Tri-Klops fired a blast of powerful energy and it hit M.O.D.O.K. and exploded!

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

M.O.D.O.K. was knocked down and turned back into a disk and Zick got it back.

---

Battle 10: Baron Zemo vs Vypra, Luan, William, Shego and Dax Lo

---

Vypra, Luan, William, Shego and Dax Lo were facing Heinrich Zemo A.K.A. BARON ZEMO, the original founder of the Original Masters of Evil.

Luan: You give all German leaders everywhere a really bad name!

Vypra: What she said!

Dax Lo: Yeah!

Baron Zemo: (German Accent) I despise all of you!

Shego: Fuck you!

William: Yeah!

Me: Lets head home and celebrate.

Akira: Good idea. (To the viewers) Comic Book Heroes are awesome and they are amazing at what they do. Just don't do their work for them.

Me: That's right. Leave that job to the professionals.

We laughed. We went back home and celebrated at the Burpin' Burger.

---

When I was done everyone that hadn't heard about it was shocked and amazed.

Nico: That was awesome.

Me: And we still were under the stress of what we went through during the War.

Nico: Yeah.

Greiger: I remember being there

Nico: Yeah you sure were.

Misty Tredwell: I remember that day. That was amazing.

Noriko: And I can't believe I said that you didn't know what we went through.

Me: That's because of Mutant Persecution. Bunch of ignorant mules.

Qin: Yeah.

Nico: But lets head over to Angkor Wat and give Okuma what for.

Fellbat: First, we should decide who gets to be his archenemy.

Jessica Kaios: I will gladly face him.

Eli: It has been a while bub.

Okuma Jubei: Team Loud Phoenix Storm!

Me: Long time no punch pretty boy.

Webstor: I'd like you to put whatever communicator you have open to your other 4 buddies. The 5 of you need to hear what I have to say.

Okuma: (does that) Okay. Why?

Webstor: Why are you still in cahoots with your version of Loki?

Okuma: Well, he's the most comfortable boss to be around.

Webstor: Even after he and your version of Dormammu betrayed you 5 the first time?

Me: And left you all for dead in the Dark Dimension? Hmm?

Okuma: Are you trying to reason with me because if you kill us, the Louds will turn into the Royal Defenders?

Webstor: No. We're past that point. I'm trying to reason with you because the way I see it, you need a better boss.

Okuma: Who do you suggest?

Webstor: Vypra. The Masters of Evil will be a much better group for you. And you'll get paid greatly.

Okuma: And if any villain I might have with me right now disagrees.

Webstor: If you accept this offer, he or she will have no choice but to follow you. What do you say?

Okuma: Hmm. Okay but after you defeat me.

Me: Gladly.

I unsheathed my sword.

Okuma: (to Chris) Whoever you picked out for my archenemy, make sure she gets ready.

Baron Zemo went at me and I kicked him in his face and knocked out some of his teeth and sent him flying.

Girl Jordan: Too bad you didn't D Smash Carnage. I still have pent up rage against him.

Okuma: Okay. 1. I'm not sure if Carnage is a fight class villain. 2. The 5 of us were only able to grab 1 Disk for ourselves because Stewie and Brian were shooting at us. 3. I'd never trust our version of Carnage with how unstable he is. Even more than our version of Sabretooth. And 4. I know you have a grudge against him. And I'm not suicidal.

Stewie: (to us) Sorry we forgot to tell you that.

Me: Good reasons.

Qin: Yeah.

Me: Carnage is just as fucked up as ever.

Alexandra Marsden: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, and the mastermind of a ton of extortion schemes was that painted rat with wings and troublemaking pet parrot of The Casagrandes, Sergio. This one time, two of my workers, Mary and her boyfriend, Jacob, were planning on extorting me, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but Sergio was also ratted out as well for being the mastermind of the extortion plot. Everyone in the court was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered those two had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and Sergio was also the worst.

Lincoln: Yeah, he wanted to ruin Alexandra's name and reputation, along with taking every last hard-earned dollar she earned.

Alexandra Marsden: But, his plan backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the two, which I won, and I was awarded $250,000 dollars. My name was saved, and to pay for the damages, Mary and Jacob were forced to work for me for free, and my modeling agency was also punishing them for all their lies as well. In the end, those two not only lost their paychecks and were unable to ruin my name and extort me, but they also lost their homes as well, and to add on to their pain, they also got fired for their whole scheme. So, they were now jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what Sergio had coming to him, when the news broke out that he was the mastermind behind the whole extortion scheme, Sergio was swatted a total of thirty-five times with a Chancla by Mrs. Casagrande, he was also thrown in his cage, and he had a muzzle on his beak and tied up in a straitjacket and he was being closely guarded by Lalo, and even worse, he earned Zoey's hatred, and to this day, she still hates Sergio for what he tried to do, serves that troublemaking parrot right.

Nico: It sure does.

Lincoln: We thought it was over, but we were wrong. Sergio still had other extortion schemes he had up his wings and he still wanted to ruin the names and reputations of the other Elemental HEROS of Water for his sick amusement along with extorting them, so we really had to step up our Anti-Sergio Extortion operation, because he wasn't going to give up that easily.

Me: It was a really awesome operation they had set up: they knew Sergio wasn't going to give up on his extortion schemes that easily, so they had to step things up and really piss Sergio off.

Lincoln: Our trial yesterday already punished him completely now that his true colors now have been exposed, and now, he's being punished for his crimes, so there's no need to attack him again.

Maria Garcia: (Spanish Accent) Oh, alright, Linky.

Sonic: We know how much you all hated Sergio, Maria, but the trial yesterday and the punishment he has been handed, would you consider it payback for all the rotten stuff he did to you all and to your man?

Amy Rose: Sonic's right about that, after all the rotten stuff he's done to everyone and to Lincoln and your fellow Guardian Angels, that's payback.

Maria Garcia: (Spanish Accent) You're right.

Amber Blakely: The only one who deserves to be destroyed here is you.

Suddenly, Amber Blakely's electric blue eyes turned neon electric blue and she was surrounded by an electric blue energy aura with storms, lightning, dragons, phoenixes, and lightning and storm angels, she unholstered her massive Elemental HERO Storm Neos-themed greatsword from her back, and as she approached Uinreas, she left electric blue energy, storms, lightning, dragons, phoenixes, and lightning and storm angels with every step.

Amber Blakely: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Potennas: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be swept away by the storms for your crimes against mankind and the universe!

Suddenly, Amber Blakely was surrounded by a massive vortex of electric blue energy with storms and lightning surrounding the vortex, there are lightning and storm angels, dragons, phoenixes, and Elemental HERO Storm Neos flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Potennas: the red eyes of death. Then, as the vortex faded, Amber Blakely emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Amber Blakely grew from 6'0" to 7'4" in height, she has the body of a goddess, she has blue highlights in the bangs of her long electric blue hair tied up in a large braid, she has neon electric blue eyes and an electric blue energy aura with storms, lightning, dragons, phoenixes, and lightning and storm angels surrounding her, she has Elemental HERO Storm Neos emblazoned on her forehead and Third Eye with electric blue iris, she has dragon earrings with electric blue gems for eyes and holding the Lightning, Storm, and Eternity Kanjis in its talons, she also has Elemental HERO Storm Neos with electric blue gems for eyes and holding the Lightning, Storm, and Eternity Kanjis in its hands on the bottom of her electric blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with electric blue crystal links from her merged Crystal Necklace of the Buddha and electric blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Amber Blakely has on a sleeveless blue crop top, blue and black-striped bridal gloves, electric blue frilly skirt, electric blue pants, electric blue sneakers, and long sleeveless white trenchcoat with storms, lightning, dragons, phoenixes, and fire angels on the coattails, and on the back is Elemental HERO Storm NEOS surrounded by lightning and storms. Suddenly, Amber Blakely felt a sharp pain on her back, and then, her massive electric blue angel wings with blue tips on the large electric blue feathers grew much bigger for her new body and she now has eleven massive and long electric blue wolf tails with blue tips and blue markings. Amber Blakely has on her Ring of the Phoenix with large electric blue gem and heart-shaped gem

embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Amber Blakely's massive Elemental HERO Storm Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of electric blue energy, lightning, storms, dragons, phoenixes, and lightning and storm angels, and when it emerged, it was transformed into Elemental HERO Storm Neos' Raging Lightning Storm Angelic Greatsword of Raging Storm Angel Justice, it's a brand-new massive greatsword with embedded blue gems and Elemental HERO Storm Neos etched on the 7'0" massive, wide, double-edged electric blue blade, large electric blue phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and electric blue gems embedded on their foreheads, longer midnight black handle, four large electric blue phoenix heads with light pink gems for eyes and large electric blue gem on the bottom of the electric blue phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with electric blue gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Storm Neos' head with electric blue gems for eyes and a large electric blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an electric blue kanji below Elemental HERO Storm Neos that said, "Amber Blakely, Gene-Slammer of Elemental HERO Storm Neos, Friend of Eleanor Collins, Abigail Davis, Emily McKale, Penelope Waverly, Whitney Emmington, Natalie Kendall, Sophia Presley, Sarah Tinsley, Amelia Emerson, Jennifer Torrence, Raquel Carrigan, and Aurora Cromwell, Member of The Elemental HERO Gene-Slammers, Master of The Powers of The Storm, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and All of Lincoln's Despicable Enemies, Archenemy of Crimson Cowl, Destroyer of Potennas of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Storms, Dragons, Phoenixes, and Storm and Lightning Angels"

Amber Blakely has transformed into SUPER ANGEL-ELEMENTAL HERO STORM NEOS-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DIVINE RAGING LIGHTNINGSTORM ELEMENTAL HERO STORM NEOS ANGEL OF DIVINE RAGING LIGHTNINGSTORM ELEMENTAL HERO STORM NEOS JUSTICE AND DIVINE RAGING LIGHTNINGSTORM ELEMENTAL HERO STORM NEOS LOVE!

We were amazed by Amber Blakely's Super Angel-Elemental HERO Storm Neos-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Potennas saw it, he fell into an infernal rage and he got out his blaster to blast her, but Amber Blakely fired a powerful electric blue energy blast with storms, lightning, dragons, phoenixes, and lightning and storm angels at Potennas, which hit him and pushed him back and he was also electrocuted badly by the lightning, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Amber's transformed.

Nico: Oh man, this is really awesome!

Suddenly, we saw a storm picking up.

Me: Uh oh, a storm's picking up, and that's only a taste of what's to come.

Amber Blakely: (Divine Echoing Cosmic Voice of The Raging Lightningstorm Elemental HERO Storm Neos Angel and Divine Raging Lightningstorm Elemental HERO Storm Neos Love) And that's suffering the fury of the storms and the wrath of Elemental HERO Storm Neos.

Lincoln: Let's get him, Sophia, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Amber Blakely.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Amber Blakely and Lincoln went after Potennas who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, electric blue energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Potennas and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Potennas took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Potennas began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Potennas has transformed into his King Ghidorah Hybrid Monster form.

Potennas fired a Gravity Lightning blast at Amber Blakely and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Potennas from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Potennas and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Potennas and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Amber, shall we unleash our grand finale and finish this bastard off?

Amber Blakely: (Divine Echoing Cosmic Voice of The Raging Lightningstorm Elemental HERO Storm Neos Angel and Divine Raging Lightningstorm Elemental HERO Storm Neos Love) Gladly, Linky.

Amber Blakely and Lincoln sent Potennas flying into the air, and then, they prepared their combo to put an end to Potennas.

Amber Blakely and Lincoln: DIVINE COSMIC ELEMENTAL HERO STORM NEOS RAGING LIGHTNING STORM KAMEHAMEHA!

Amber Blakely and Lincoln fired two massive rainbow and electric blue energy Kamehameha waves with elemental forces, storms, lightning, mythological animals of elements, and elemental angels, and they hit Potennas, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Amber Blakely and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Amber Blakely and Lincoln holstered their massive greatswords on their backs and powered down, and Amber Blakely's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long electric blue wolf tails, and massive electric blue angel wings are permanent.

Amber Blakely: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and six members to go. Thanks for helping me destroy Potennas once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Amber.

Suddenly, Amber Blakely wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Amber Blakely's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Storm Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and storms raging behind them and and we cheered wildly. Then, Lincoln and Amber Blakely absorbed the storms and lightning and they came back to us as the display and Elemental HERO Storm Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Amber.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Aaaawesas.

Lincoln: Which means, you and I are up next, Sarah.

Sarah Tinsley: Yes, Aaaawesas will suffer dearly for his crimes and his life will be brought to an end.

Nico: That's the spirit, Sarah. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Neo Bubbleman.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Neo Bubbleman: Maren Duncan.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Maren and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Maren in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: How many magazine shoots did Lincoln and some of his Guardian Angels do?

Nicholette Torrington: Too many to count, and like all the Elemental HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, but for Maren, the mastermind of the extortion scheme wasn't Sergio, it was her parents and little sister, Sophia, they never believed in her, and they wanted nothing more than to ruin her name and kill her.

We gasped.

Nico: Oh man, we're so in for the full story tomorrow when we meet her.

Grizzly: Disk Wars Zemo might not like the new routine.

Zzzax: But he's just gonna have to learn to adjust.

Me: Easier said than done.

Machinedramon: But that's still 1 down.

BlackWarGreymon: And 4 to go.

Me: Yep.

Salami Swami: And another challenge completed.

Don: That was awesome guys! You are now heading to Venezuela next for it.

Qin: Looking forward to it.

Lola: Yeah!

Me: Hopefully Rarity doesn't eat all the ice cream we have.

Rarity: I'll try not to darlings.

We went back to the floating fortress and went to sleep.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Sarah Tinsley the Elemental HERO Chaos Neos Gene-Slammer and Lincoln VS Aaaawesas.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the ancient ruins of Angkor Wat in Cambodia, and we got word Bad Rayman has returned, but we're taking that Dream Doppelganger down and throwing him into The Masters of Evil's HQ, but not before Rayman roughs him up. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Maren Duncan, Gene-Slammer of Elemental HERO Neo Bubbleman, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model. This one time, Maren was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Maren, the mastermind behind this extortion plot were her parents and her sister, Sophia, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister, and they've wanted to kill her and let Sophia, their favorite daughter, become the success they wanted her to be, not their eldest daughter. This one time, Maren's workers, Eliza and her boyfriend, Miguel, were planning on extorting Maren, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but her evil parents and little sister were also ratted out as well for being the mastermind of the extortion plot, and they also plotted to kill her once they took all of her money. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay Maren $5,000 each. Maren also filed a defamation lawsuit against the five, which she won in no less than fifteen seconds of deliberation, and she was awarded $500,000,000,000,000,000 dollars. Her name and life was saved, and to pay for the damages, Eliza and Miguel were forced to work for her for no pay, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless, but that was nothing compared to what her parents and Sophia had coming to them: Maren was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, so she took no prisoners. She had her parents and sister arrested for attempted first degree murder, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents were fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Sophia than their eldest daughter, and Sophia was exposed as the disgraceful lying gold-digger that she is, and in the end, her parents and Sophia were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by Lincoln and the other Guardian Angels when the judge read out their sentences: Maren's parents were both sentenced to life in federal prison without the possibility of parole, and as for Sophia, she was sent away to a boarding school in Siberia. Plus, to add on to their hellish predicament and anger, Maren severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge on them, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people that she's had to deal with: garbage.

Next up is Venezuela and we're going there to go do an awesome treasure hunt as well as battle the second member of the Celebrity 5: Manino Giordani.

See you next time.

Me: Boy an undersea rescue down to the Mariana Trench.

Qin: Been a while since we were down there.

Camie: No kidding. That race you had there right?

Me: Yep. The trench is over 7 miles deep and the water pressure there is over 16,000 pounds per square inch.

Nico: Wow this is gonna be a deep one.

Camie: It sure is going to be a deep one.

Varie: Yep.

Nico: Poromon, I want to thank you, Seadramon, and your teams for coming.

Poromon: No problem Nico my partner. Anything for fun.

Lola: This is gonna be so awesome!

Qin: Yep.

Nico: Caren, what do you like to do for a living?

Caren: I actually work at an Indian Restaurant.

Qin: That's a great job.

Caren: It sure is. I work as a curry chef. When I'm not singing with Mermaid Melody, I work as a Curry Chef.

Qin: I love curry.

Varie: Boy it sure is awesome.

Lola: Yeah it sure is.

Poliwag: I agree there.

Camie: Yeah.

Horsea: That's a very good job

Caren: It sure is. Thanks guys.

Seadramon: I agree there.

Me: We're approaching the trench guys.

On our holographic Sonar Radar was the Mariana Trench. We opened the view window and we saw the trench.

Nico: Here we go guys. We're going in.

We went down into the trench and the pressure was building.

Me: Pressure is on. 10,000 Pounds per square inch and climbing.

Nico: Yep. Yesterday's mission was awesome though.

Eli: It sure was awesome.

Camie: Yeah!

Nico: Cambodia was awesome.

Me: It sure was. And the beautiful temple of Angkor Wat was amazing too.

Lincoln: And what's coincidental is that I was just there for my date yesterday.

Xenia: That is true.

Me: Loads of awesome history there.

Eli: Yep.

Me: It was awesome.

I looked at the pressure guage.

Me: 12,000 PSI.

Leeli: Getting bigger.

Girl Jordan: It sure is. Too bad I didn't face their version of Carnage there.

Me: I know. But it was for the best G.J.

Nico: Yeah no kidding.

Lola: I'm glad we didn't and I agree there. Their version of Carnage is too dangerous to fight for anyone.

Me: Cletus Kasady has been know to be one of the most fucked up monsters of all time.

Qin: You got that right.

Girl Jordan: It's one of the very reasons why I hate him.

Leeli: Why do you hate him so much Girl Jordan?

Girl Jordan: He ruined my entire life and got me disowned by my mother.

She told her everything and it was horrible.

Leeli: Oh man!

Girl Jordan: I know. Ever since then, I've been hellbent on getting revenge on that asshole and make that monster suffer.

Leeli: That is a terrible vendetta. But your reasons are totally justified.

Me: Believe me, if that happened to me I would feel the same way.

Nico: Okuma wouldn't have been able to D Smash him anyway. Carnage isn't a Fight Class villain.

Me: I agree there. I'm glad he didn't.

Nico: Same here.

Me: 14,000 PSI.

Qin: Wow.

Nico: Yep.

Me: Depth is 32,917 feet.

Nico: But that got me thinking. Have we fought Predator X yet?

Me: That horrifying monstrosity creature? No I don't think we did.

Nico: I have a feeling we'll face that one soon.

Eli: Me too. In Venezuela.

Horsea: Can me, Poliwag, and Manaphy go swimming in the water?

Nico: One sec. We're at the right depth.

Me: Yep. 36,030 feet.

Qin: Wow.

I turned on the lights because it was really dark.

Nico: Okay now you guys can go out there.

They went out there.

May: Wow this is amazing.

Me: Yep. 16,000 PSI.

Xenia: Wow.

Me: Boy I remember when we were in this trench for the Mariana Trench Race.

Xenia: Yeah no kidding.

Horsea swam towards some fish.

They were beautiful glowing butterfly fish.

Nico: Wow! So many beautiful fish.

We saw glowing jellyfish, glowing fish of many kinds.

Lola: Boy I remember seeing all these fish down here.

Lincoln: Me too. This is amazing.

Misty Tredwell: That was so awesome.

May: It sure was.

Poliwag swam towards some clams.

Poliwag: Awesome clams.

They spit glowing blue pearls at him.

Poliwag: HEY! Rude!

Me: Glowing Pearls? From clams!? That is mega unusual but cool.

Nico: Poliwag get those pearls. Those look awesome.

Poliwag: You got it.

He did so and brought them on board.

Rarity: Those pearls are absolutely beautiful and amazing darlings.

Qin: Bioluminescent pearls? How freaky and cool.

Nico: Yeah.

We saw lots of different kinds of glowing fish.

Manaphy swam towards an octopus.

It was a glowing blue octopus.

Manaphy: Wow. So awesome.

Nico: Awesome.

Lisa Loud: Nico you better take a look at this.

Nico: What is it Lisa?

Lisa Loud: Radar shows downed submersible 4 miles ahead of our position.

Qin: At this depth? The pressure will crush that vessel.

Nico: Let's fix that, shall we?

We came up to the downed submersible.

Qin: Boy looks like it was shot down by a torpedo.

Laney: Oh boy.

Nico: Let's go inside.

Me: Wait Nico. I have a better suggestion.

I pressed a button and a crane came out of the sub and it picked up the submersible and brought it inside our sub.

We then put the sub on autopilot and we then went to the submersible and looked at it.

Me: Wow it's in really rough shape.

Nico: No kidding.

Poromon: What's in it?

We opened it and we looked inside it.

Me: Whoa.

Nico: What is it?

Me: It looks like a submersible from the distant future. This is unlike any kind of technology I've ever seen.

Nico: Wow.

Nico took a look and saw that it looked like it was a submersible with technology from from 30,235 years into the future.

Nico: Wow! This is highly advanced.

Me: Incredible.

Nico: Eli, sense for Swartz's creations.

Eli: On it.

He concentrated.

Me: There has to be a log here.

I went to look for one.

Me: Hmm.

I pressed a screen and it showed a log and it showed that it was a submarine from an ocean planet with a highly advanced Winged Angel Civilization. It had highly advanced technology that was 342,000 years ahead of anything we had on Earth today.

Me: Whoa! This submarine is from the planet Zephrona.

Shanan: Oh my gosh! That is a world that is home to a very peaceful angel race that has technology that is over hundreds of thousands of years far more advanced than anything we have. They are very amazing angels that have technology that can do practically anything.

Me: Wow! It says here that this submersible crash landed here on Earth while en route to an ocean planet of mermaids. But a dimensional anomaly sucked it into a vortex that took it here.

Nico: No Torpedo?

Me: Well it says here that it was hit by an alien proton torpedo shot.

Nico: Hmm.

Me: The pilot went into a cryogenic sleep.

Nico: Is he or she on there?

Me: Lets see.

I went into the submersible sleep room and saw a tank covered in ice.

Me: Hmm.

I went and wiped the ice off the tank window and saw that it was a human like girl with magenta hair and she had blue clothes and had an ample chest and had magenta angel wings.

Me: Wow she is beautiful.

Nico: Bring her out.

I pressed a button and it opened the pod and she was unconscious.

I brought her out and had her brought out.

Varie: Oh wow she is gorgeous.

Nico: No kidding.

May: Her hair is pretty.

We took her to the Sub infirmary.

She woke up to see Poromon starring at her.

Girl: (Groans) Huh?

She had beautiful blue eyes.

Poromon: Hello there.

Girl: Oh hello there. What happened? Where am I?

Me: You are on our submarine. You crash landed on our planet. You're on the planet Earth.

Girl: Never heard of that planet.

Me: Well you are on it. You are really far from home. We should introduce ourselves. I'm J.D. Knudson, 2nd in command of Team Loud Phoenix Storm.

Girl: Wait I've heard about you guys. You are the most powerful force in the entire universe. You did all kinds of things that spread all over the universe.

Nico: We get that all the time.

We introduced ourselves.

Zaiira: It's awesome to meet you all. My name is Zaiira.

Me: Pleasure to meet you Zaiira.

Eli: You crash landed in the Mariana Trench and we found you.

Zaiira: Wow.

Me: We don't know how long you were down there but we saw your ship and brought it on board.

Zaiira: I see.

Poromon: I'm Poromon

Zaiira: Pleasure to meet you Poromon. You and your little cute friends are so adorable.

Manaphy: We get that all the time.

Qin: Yeah they are so adorable.

Nico: Sorry about your submarine.

Zaiira: It's actually a star cruiser. I was heading out as an envoy when I was attacked by the evil Lanej.

Shanan: Oh man! Those are energy creatures from a very distant galaxy that come from the planet Larj and they are dangerous and evil. They hat all forms of life with a vengeance and they claim that any and other forms of life pose a threat to them. They made it their mission to obliterate all forms of life and establish themselves as the most superior species in the universe.

Zaiira: That's right. How did you know?

Shanan: You would be amazed at what I know about everything in the universe.

Nico: That is interstellar bigotry to the extreme.

Me: No kidding.

Nico: Reminds me of the Drej.

Shanan: They are believe it or not the Descendants of the Drej.

Nico: Wow!

Zaiira: That's right.

Nico: Zaiira how would you like to join the team?

Zaiira: I would be honored Nico.

Nico: Awesome.

Eli: And I sense that we're going to face Another Panda King and Another Seadramon.

Poromon: Cool.

Nico: Who's first?

Misty Brightdawn: I will face the Another Panda King.

Eli: I sense them in the Training Arena on the sub.

Nico: Wow that is convenient.

Lola: Yep.

We went to the Arena.

We arrived and we saw a figure.

Nico: There she is.

It was a dark version of Panda King. It was ANOTHER PANDA KING!

Nico: This one is gonna be a hot one.

Lola: No kidding there.

Qin: Yep.

Nico: And you are?

Another Panda King: (In a girls voice) Sorry to drop in like this.

Me: (GASP) Vega Chen!

She reverted back and was a girl with black hair and had a red Chinese outfit on and had a bear paw symbol on her skirt.

Vega Chen: Great to see you again J.D.

Me: You too Vega. Vega went to some of my Chinese Martial Arts classes and also she is a master of Flame Fu. And she is also a firebender.

Qin: Cool!

Poromon: Do you also like fireworks?

Vega Chen: I love fireworks. They are always so beautiful. When I heard about what those noblemen did to the Panda King in the Kunlun Mountains, I made it my mission to bring them down and expose their corruption and make those greedy monsters pay for treating the poor so badly.

Xenia: That's great!

Qin: Awesome!

Zaiira: You have an amazing heart.

Sakura Knudson: She sure does.

Lola: I thought we took care of that.

Brittney: There are OTHER Nobleman out there that are like that.

Lola: Good point.

Vega Chen: Yeah. Like the Panda King, I too was a great fireworks maker. But I went through the same thing. Unlike him however I didn't go down a path of darkness, I made it my mission to use Flame Fu to either stop treating the Poor like they are inferior or face the fury of fire by force by having me take them down.

Qin: Wow!

Lola: That is amazing.

Me: Yeah. And Vega is also the Chinese Robin Hood too. She steals from corrupted nobleman, lords and more and gives to the poor.

Nico: That is awesome.

Misty Brightdawn: Let's start the fireworks. Literally!

Vega Chen: You got it.

She turned into Another Panda King and fired fireballs at her and Misty dodged them and fired shooting star balls and they hit her and smashed down Another Panda King and I caught the Wonder Ride Book. It was called The Firestorm Princess from The Kunlun Mountains and the Evil Noblemen..

Me: Fitting title.

I brought her over.

Qin: Awesome.

Manaphy latched onto May's head while waiting

May: This is gonna be fun.

Qin: Yep.

Then a figure came out and it was a dark version of Seadramon! It was ANOTHER SEADRAMON!

Seadramon: Whoa! If this were a real Another me it would be called BlackSeadramon.

Nico: That would be awesome!

Me: Yeah!

Another Seadramon: (In a girls voice) Yeah that would be something.

Me: (GASP) That voice.

She reverted back and it was a girl with teal blue hair and had blue eyes and a smoking hot teal blue sexy bikini and had a tattoo of a dragon on her back. And her eyes were dragon eyes.

Me: Anastasia Seadra! Wow!

Anastasia Seadra: Good to sea you again J.D.

Me: Same to you. Anastasia Seadra is the dragon aspect of the sea dragon Seadromus and she is also the Seadramon Gene-slammer.

Nico: Wow! What a power!

Sougo: (gets out Donbrothers Ridewatch) Did Swartz promise you anything?

Geiz: (gets out Zenkaiger Ridewatch) Because we can grant it instead.

Sougo became DonMomotaroArmor while Geiz got ZenkaizerArmor.

Anastasia Seadra: He didn't promise me anything actually. I fired a blast of ice and froze him in a block of ice and ran off after he stuck the ridewatch in me.

Qin: Very crafty.

Lola: I'll say!

Poromon: That was good thinking there.

Anastasia Seadra: Yeah it sure was.

Me: Sorry we have to fight like this.

Anastasia Seadra: No worries. Come at me and don't hold back.

Me: You got it.

Kaito: (gets out Donbrothers gear) Let's do this!

Zocks: Zenkaiju gear!

Kaito turned into Don Momotaro and Zocks donned his Zenkaiju armor.

Qin: YEAH!

Anastasia turned into her Another Seadramon form!

Nico: (gets out Seadramon's Ridewatch) Time for Digimon power!

He activated it.

Nico: (Echoing) ICE BLAST!

He fired an ice wave and froze her!

Nico: And some lightning! (Activates Big Lenny's Ridewatch)

He fired a massive blast of intense lightning and electrocuted her.

May: (gets out Alien Pig's Ridewatch) Time for pigs to fly!

She activated it and summoned a huge army of alien pigs and threw them and smashed her down!

Qin: YEAH!

May: (gets out Ifrit's Ridewatch) Now for this!

May activated it and fired waves of fire and blasted her all over.

Lola: OH YEAH!

Maria: (gets out Koyo Ozaki's Ridewatch) My turn!

She activated it and fired waves of energy and blasted her down.

Qin: OH YEAH!

Lola: YEAH!

Maria: (gets out King's Ridewatch) It's weird that I'm using this.

She activated it and got his sword and she fired waves of energy and smashed her down!

Maria: Take that!

Then Felix Faust and his team consisting of Ozzie Ostrich, Evil Discord, Duo, Gra Doggler and Gekkor came!

Nico: Nice team Felix!

Felix Faust: Thanks Nico.

Ingrid: That means it's my turn next. All right.

Me: Yep.

Caren: My turn!

She activated Big Lenny's ridewatch and fired a blast of lightning and electrocuted her.

Maria: Where's the next Gene Slammer?

Then she felt nuzzling and saw a Glaceon and a Leafeon.

Me: Hey a Glaceon and a Leafeon.

May: Oh they are so cute.

Manaphy: (jealous) HEY!

Glaceon: (In a girls voice) Sorry Manaphy.

Leafeon: (In a girls voice) We just are happy to see Nico.

Nico: Sylvia Quechua and Snow White Snowflake Fletcher!? Wow!

Me: Wait the famous Botanist and Polar Scientist!? Wow!

Leafeon reverted back and she was a girl with green hair and had green eyes and green butterfly wings and had a Leaf Kirby crown on her head and she had green tropical clothes. Glaceon reverted back and she was a girl with aqua blue hair, blue eyes and had an Ice Kirby Crystal Crown on her head and had aqua blue clothes on.

Snow White Fletcher: It's awesome to see you again Nico.

Sylvia Quechua: We got this.

Me: Let me help too.

They fired waves of ice and leaves.

Me: (Echoing) HOWLING BLASTER!

I fired a blast of blue fire and the blasts hit Another Seadramon and blasting her down and she was back to normal and I caught the ridewatch and purified it and brought Anastasia over.

Qin: Yeah!

Nico: Nice one!

Maria: That was awesome!

Nico: Are those Kirby crowns? Those are usually Kirby's thing.

Sylvia Quechua: Oh these? Yeah they are. When we were gene-slammed they came with our power.

Snow White Fletcher: We think they look great on us and they match our power.

Qin: They sure do girls.

Caren: What are your favorite memories of Nico?

Sylvia Quechua: Mine is when we went to a forgotten jungle temple and I found this.

She pulled out an Emerald Book.

Nicole: (GASP) The Emerald Tome of Joro! I was trying to find that for years.

Sylvia Quechua: Wow.

Snow White Fletcher: Mine is where me and Nico found this in the arctic.

She sword a sword and it had a blue blade.

Nicole: The Sword of Ullr, the God of Ice in Norse Myth.

Snow White Fletcher: That's right.

Nicole: Wow you girls are awesome treasure hunters.

Sylvia Quechua: Thanks Nicole.

Nico hugged them both.

Nico: I missed you girls.

Sylvia Quechua: Same here Nico.

We went back home.

Then, Lincoln fired a rainbow energy blast which transformed into a rainbow energy straitjacket and rainbow energy chains which tied up Bad Rayman, and he was beamed to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: Looks like we've got a new member for The Masters of Evil headed their way. (To Maren Duncan) And it's so good to see you again, Alexandra Marsden.

Maren Duncan reverted back to normal, and she's a beautiful girl with long dark blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless dark blue crop top, light blue skirt, blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, and angels on the coattails and on the back is Elemental HERO Neo Bubbleman, and holstered on her back is a massive Elemental HERO Neo Bubbleman-themed greatsword with embedded dark blue gems and Elemental HERO Neo Bubbleman etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Maren Duncan: You too, Lincoln, it's been a long time.

Lincoln went up to Maren Duncan and he hugged her, and Maren Duncan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Maren Duncan: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Maren Duncan, Gene-Slammer of Elemental HERO Neo Bubbleman, she's my Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model.

Maren Duncan: Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Maren, the mastermind behind this extortion plot were her parents and her sister, Sophia, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister and a success in her own way and right, and they wanted to kill her and let Sophia, their favorite daughter, become the success they wanted her to be, not their eldest daughter.

Nico: Just like we heard yesterday, damn.

Maren Duncan: And you guys are in for the story of how we took my gold-digging leech co-workers and my evil parents and evil little sister down and how I severed all ties with my parents and Sophia and cut them out of my life forever since they made my life Hell. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Maren?

Maren Duncan: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Maren Duncan: I knew it, he's marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since he's done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Selene Emperyous: And when you guys did your kiss for the cover shoot, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength for him not to go wild and mark you.

Maren Duncan: Same thing happened with the other Elemental HEROS of Water, and we almost went nuts when Lincoln had on that cologne that drives us wild.

Lincoln went up to Maren Duncan, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maren Duncan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maren Duncan's neck with aqua blue gems on the gold lightning bolts and aqua blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Maren Duncan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maren Duncan.

Maren Duncan had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw who they were, he immediately recognized them. The four girls are Miwa Kusaka, Miyako Takase, Natsume Kahara, and Nozomi Osakabe from Narimono.

Lincoln: Oh wow, it's Miwa Kusaka, Miyako Takase, Natsume Kahara, and Nozomi Osakabe from Narimono.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Miwa Kusaka: Yes, we're okay, thanks to you.

Then, when Miwa Kusaka and the other three girls saw who it was that saved them from Bad Rayman, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and

Miwa Kusaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Miwa Kusaka: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miwa Kusaka, Miyako Takase, Natsume Kahara, and Nozomi Osakabe with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flying Fortress, and the rest of the team was shocked to find out the villain we went after was Bad Rayman, the shadowy Dream Doppelganger.

But, when Lincoln showed the beatdown we all gave that shadowy doppelganger and Lincoln tying him up and sending him to The Masters of Evil's HQ, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Maren Duncan have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I certainly didn't expect Bad Rayman to be at Angkor Wat, but now, he'll be a new member in The Masters of Evil.

Lincoln: You got that right.

Me: It's really awesome that we're also recruiting Rayman's enemies into The Masters of Evil as well.

Nico: I know, they're really wild and crazy.

---

After taking down Bad Rayman, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maren Duncan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maren Duncan: My God, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maren, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maren Duncan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maren Duncan: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Maren, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Maren Duncan: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Sophia, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Sophia, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Eliza and her boyfriend, Miguel, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Sophia hated her so much, they wanted to ruin Maren's name and her reputation, along with taking all of her money and killing her.

Maren Duncan: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Eliza and Miguel were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Sophia had coming to them: Maren was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Sophia arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Sophia than their eldest daughter, and Sophia was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever.

Lincoln: In the end, her parents and Sophia were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Maren's parents were both sentenced to life in federal prison without the possibility of parole, and as for Sophia, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Maren severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Maren Duncan: You got that right. Oh, and Rayman.

Rayman: Yes?

Maren Duncan fired a barrage of water balloons at Rayman, and he was all soaking wet.

Maren Duncan: That was for that smart remark when we were at Angkor Wat.

We laughed hysterically.

Ronnie Anne: (Laughs) This hadn't been the first time that happened: last year, Kurumu got back at him after he blabbed about her feelings for Lincoln, and she dropped a bucket of water on his head.

We got a shower, and then, Lincoln, Amaryllis, and Zinnia are heading to Coche Beach, Venezuela.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Amaryllis and Zinnia were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Amaryllis and Zinnia had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Amaryllis: Whoa, so this is Coche Beach, Venezuela, it's so beautiful.

Lincoln: I've never been here to this beach in Venezuela before, Amaryllis, and it's perfect for our first date, and we're also coming back here to Venezuela for our challenge and against the second of The Celebrity 5. Shall we?

Lincoln, Amaryllis, and Zinnia dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Amaryllis and Zinnia got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made a clone of himself and he and his clones went up to Amaryllis and Zinnia, and they hugged the girls in their abnormally massive and powerful muscular arms, and Amaryllis and Zinnia placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Venezuela, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love

appeared on the necks of Amaryllis and Zinnia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Amaryllis and Zinnia are now part of your harem too.

Rosemary: You can thank us for introducing Amaryllis and Zinnia to him, and when they met, it was love at first sight.

---

Later it was time for Kadma's final mission.

William: Anyone else want to go with Kadma? Besides Aligned Bumblebee, Aligned Heat Wave, and Cody Burns?

Twilight Sparkle: Me and my friends will go next.

Qin: Awesome.

Lincoln: And so will my siblings just like I agreed on.

Qin: Good idea.

Optimus Prime: And I will go too.

Me: All right Optimus.

Nico: That everyone?

We nodded.

Nico: Lets roll.

We were off to Japan.

---

We arrived at Agito Restaurant.

Shoichi: Hey guys!

Me: Hey Shoichi.

Kadma: Guys, meet Aligned Bumblebee, Aligned Heat Wave, and Cody Burns.

Shoichi: Wow that's a lot of kids!

Me: I know. And their mom and dad all thought it would be cute if their names all started with the letter L.

Nico: Yep.

Me: (Whispers to Shoichi) Their mom and dad has never been a family that believes in condoms.

He snickered at that remark.

Aligned Heat Wave: And while me and my team have never ACTUALLY fought Decepticons before meeting J.D. and the others, we HAVE rescued lots of people.

Shoichi: Wow that is cool!

Nico: Now the Autobots and the Decepticons don't fight anymore. After we destroyed Unicron, I am now leading the Decepticons on the road to redemption.

Nico pulled out his Decepticon Leadership Medal.

Nico: I was awarded this Decepticon Leadership Medal as a symbol of authority to show that I am leading them on the right path.

Mana: That is amazing. Congratulations.

Nico: Thanks.

Me: After 8,000,000 years of fighting the Decepticons and Autobots are now living together in peace.

Makoto: Holy mackerel is that a long war.

Me: No kidding there.

Starlight Glimmer: My ambassador Mission was to the world of the Live Action Transformers and I had a lot of preparation to do for that one.

Nico: It's a crazy story.

Shoichi: (to Aligned Bumblebee) You guys don't miss fighting Decepticons?

Aligned Bumblebee: A little. But it's better this way rather then both sides losing people.

Me: Yeah but the Decepticons are great friends just like the Autobots are.

Sunny Starscout: It's true.

Nico: Yep. Also the Aligned Transformers universe is the world that gave us the idea to start the Ambassador Mission Program.

Me: It's true and Nico tested it out by doing those missions.

Lincoln: It was an awesome run.

Mana: That is amazing.

Shoichi: It sure is.

Lola: Yep.

Shoichi: So, did you guys kick Sergio out?

Lincoln: If it helps, William wanted to eat him.

Mana: EW! I don't think he would taste good.

Me: That was my reaction too. But also we ordered him to pay back every cent and dollar he stole with 75% interest and we revoked his allowances, shopping trips and his party privileges and we are making him eat Rosa's tamales with my deadliest hot sauce ever.

I showed them a bottle of it.

Me: The Big Bang Zephos Reaper Death Sauce of 666,666,666 Pains.

They gasped!

Ryo Ashihara: I saw some of J.D.'s hot sauces that he made and they are awesome.

Lincoln: And they are really tasty.

Me: I make my own hot sauces and they are some of the most awesome ever.

Eli: They sure are.

Shoichi: Can you guys think of anyone who would be in the Renegades group that are protecting Gotham Royal York while you guys are away?

Me: Hmm.

We got to thinking.

Me: Well one of Nico's gene-slammer friends has the Staff of Khonsu so my guess for one of them would have to be Marc Spector A.K.A. Moon Knight.

Me: That is a possibility.

Eli: I love Moon Knight. He is so awesome under the cover of darkness.

Me: Like Marvel's version of Batman.

Nico: Okay. That solves one of them. Who could be the other 5?

Me: One of them has electrical powers as we saw when we found out that Lumpus was badly electrocuted all over. And one of the thugs mentioned that they had Pokemon with them.

Nico: Hmm.

Lola: Neat.

Optimus Prime: It's likely that one of the Renegades is a family member of Lillie that she knows.

Me: Hmm.

Nico: We'll just have to find out the rest of them when the time comes.

Shoichi: Yeah you'll have to wait. Starlight what was the world of the Live action Transformers like?

Starlight Glimmer: Where to even begin. That world was thrown into chaos because of all kinds of terrible things.

Me: Mostly because of their version of Sentinel Prime and Cemetery Wind.

Mana: Cemetery Wind?

Me: It was a terrorist organization that was made to kill all the Cybertronians as well as anyone affiliated with them.

Mana: Oh my god.

Lana: Yeah.

Me: It was terrible. Also we found many of their fallen comrades right here on Earth in the prime universe as well as on many planets.

Nico: It's a really strange story. But it was awesome.

Eli: It sure was.

Makoto: We'll have to here about it later.

Shoichi: Anyway, we're glad you guys are here. An old friend has been spotted.

Kadma: Oh no.

Me: Don't tell me. Is it?

Shoichi: Yep. The Overlord of Darkness.

We gasped!

Me: I knew it. I knew he was coming today.

Eli: This is gonna be a big one.

Lynn: Good thing we have 3 Autobots with us.

Me: And the Knights of The Friendship Table too.

Cody Burns: That is for sure.

Mana: Knights of The Friendship Table?

Me: It's a Branch team that I made for Twilight and her friends after we first met them in our universe after the Great War with The Royal Defenders.

Mana: Oh man I've heard all about that war. That was crazy.

Lola: It was.

Sunny Starscout: That was a great battle.

Misty Brightdawn: It sure was cool.

Nico: Shoichi, here are your Legend Items.

Me: You'll like who they are for.

Shoichi: Awesome.

Eli: I sense that he is in the park.

Laney: This is gonna be epic.

Me: You're going to see what I am capable of. And I know just the place for it.

Eli: Lets roll.

Me: Yeah.

The Autobots transformed.

Aligned Bumblebee turned into vehicle mode and opened his door.

Aligned Bumblebee: Who wants to get in?

Mana: I will.

She did so.

Cody got in Heat Wave and Starlight got in Optimus.

Optimus Prime: Autobots Transform and Roll Out!

We were off.

Aligned Bumblebee: Try not to fall asleep before we get there.

Mana: Don't worry I won't.

We were heading there fast.

We arrived at the park.

We looked around and we saw THE OVERLORD OF DARKNESS!

Me: There he is. Now we'll show you guys one of our most awesome entrances.

Shoichi: Cool.

We went at him.

Overlord was looking around for something and then the Spirits of the Sun and The Moon appeared and they swirled around him and then they converged and then the Sun got eclipsed by the moon.

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

Then phoenixes of light and darkness appeared and flew around him and then they hit and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard! Then we came out!

Me: That is an entrance!

Shoichi: That was awesome!

I snapped my fingers and we were on Flipswitch Galaxy!

Makoto: Hold on while I get something. Cody, you can help me with it.

Cody Burns: Alright.

They both enter his truck. Makoto pulls a switch on the truck's search control panel, revealing a heavier armor version of the G3 suit.

Makoto: G3-X, Equip!

His battle cry known, Makoto steps into the void where the suit is stored. With a little help from Cody, Makoto is able to put on the upgraded suit before securing the belt battery and helmet on himself

Makoto: (Grabbing what looks like a minigun) There we go.

Nico: Cool!

Me: I remember that suit! Awesome!

Overlord of Darkness: So you all have come to die.

Me: No you are the one that is going to die. Now you're going to see my true power.

(Gohan's Anger Theme Plays)

Fire, Lightning, Water, Wind, Earth, Light, Lava, Crystal, Ice, Blood, Leaves, Sand, Blue Fire, Bubbles, Steam, Stars, Nebulonic Gas, Moons, Suns, Darkness, Aurora, and Aura energy were swirling around me all over and my power was rising more! (IMPERATRIX MUNDI PLAYS AT 1:35 TO 2:14)

I grew from 7'0" to 7'9" in height but my shirt was still like that of Gohan's except they were ALL RAINBOW FIRE, THE ELEMENTS AND FLAMES and my abnormally large and powerful upper and lower body muscles grew a little bigger, and I still had eight-pack abs, my eyes changed to neon rainbow colors with neon rainbow sclera, and I had a rainbow energy fire aura with rainbow fire, planets, stars, elemental forces, and phoenixes surrounding me, my rainbow hair grew reaching the bottom of my lower back and I now had glowing fire highlights in the bangs, the phoenix with the emblem of the Ebonwu Squadron emblazoned on my forehead now had glowing fire rainbow colors, I had phoenix earrings with the Kanji for Eternity Wing in its claws and a necklace with the phoenix holding the Eternity Kanji in its claws across my chest, I had massive Rainbow Elemental angel wings with reflecting stars and nebulae and rainbow element tips on the large feathers, and my massive and long eleven rainbow-colored wolf tails with tips and elements were out and they had rainbow fire. The gems on my large cuff Bracelets of the Champions of The Universe on my wrists and the large gem belt buckle on my Belt of Elemental Bravery were now rainbow colors, and the massive, wide, double-edged blade of my Phoenixcalibur sword grew to 7'0" in length and the long gold handle grew a little longer. I now had on the same wardrobe as Lincoln, Liam, and Lynn Sr. And many of us but my version of He Man 2002's loincloth is rainbow, and I had rainbow fire pants with the elements on them on them and I had on long rainbow fire trenchcoat flaps with all of the elemental forces on the coattails, which were held up by my Belt of Elemental Bravery, Universal Spellbook of The Elemental Forces on my right hip, I now have on large rainbow colored weighted bands on my large biceps and thighs, large black pants with elemental forces on them, and a pair of large black leather ankle-high combat boots with silver armor on the toes, and the eight large planets and stars orbiting around my legs had remained the same, along with my Eater of Sins revolver still holstered to my right hip and Crystal Saber holstered to my left hip. My aura was a neon rainbow aura and had all the elements swirling in it. I had transformed into my most powerful and most incredible transformation ever! I turned into SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Shoichi: WHOA!

Mana: Oh wow! J.D. You look amazing! So this is your newest transformation?

Me: (Divine Godly Elemental Cosmic Voice) **It sure is Mana. And this form has my ultimate power completely unleashed.**

Laney: Yep.

Starlight Glimmer: The Overlord is about to face the wrath of a true and all-powerful god.

Shoichi: Don't you even remember how you saw the error of your ways?!

Overlord of Darkness: I do. But there's no harm in one last fight.

Shoichi: Fair enough. Time to go shining!

Ryo: I'll use Exceed!

Shoichi presses the two buttons on the side of his belt yet again, causing a ring marked with three violet talons to materialize on the front of his belt, turning his gold armor red, adding two points under each of his crest horns and turning his eyes yellow, before the red armor on his chest breaks apart, keeping the shoulder pads red while revealing gleaming white armor marked with strange symbols and a yellow stone with black patterns on it. Meanwhile, Ryo lets out an ear-splitting roar, revealing teeth in what appeared a mask and causing spikes to emerge all over his body, two from his wrists, two upwards from his back, two out of his heels, two up from his knees, and two down from his back.

Nico: Awesome!

Me: **This is gonna be fun.**

Overlord of Darkness: Lets see how you like this.

He fired a wave of energy and it entombed me into a huge vortex of fire and then I absorbed the fire.

Me: **That wasn't very smart. My turn.**

I fired waves of energy and blasted him all over the place and blasted him with numerous fiery explosions!

KRABBBBBOOOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBOOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOOOMMMMM!

He was blasted down.

Aligned Bumblebee: Let's rev up and roll out!

Shoichi: (gets out Banana Boom Boom's Agito Weapon) Way ahead of you!

It was a warhammer imbued with the powers of a Banana Queen Version of Gorizilla!

Laney: Yeah!

He smashed Overlord all over with it.

Me: **Take this one. FINAL SHINE ATTACK!**

I formed an energy blast and fired it and it hit Overlord and exploded with devastating power!

**EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!**

He was blasted into a wall and he was smashed down!

Overlord got up.

Aligned Bumblebee: (gets out Captain John Paul Memo's Agito Weapon) Welcome to Hurtsville. Please. Stay a while.

He got a powerful dagger.

He slashed Overlord all over.

Laney: Take that!

Nico: YEAH! How about this one Overlord?

Nico flew up into the air.

He then held out his arms and legs and flared up his power with incredible fury! Lightning struck all over the place with incredible force and power!

(CALL OF THE DRAGON PLAYS)

HIS POWER ROSE EXPONENTIALLY AT AN INCREDIBLE RATE!

Eli: This is gonna be big guys! Brace yourselves!

Shoichi: What is he doing?

Me: **You're going to see shortly.**

He cupped his hands in front of him as his power was skyrocketing and a powerful ball of energy formed and intense lightning struck all over with massive fiery explosions blasting all over the place!

Ryo Ashihara: WHOA!

Kadma: This is gonna be huge!

The ground was shaking violently with incredible fury!

Overlord of Darkness: WHAT THE!?

Aligned Heatwave: (gets out Onslaught's Agito Weapon) Time to roll to the rescue!

His Agito weapon was a powerful war hammer for him and he smashed and pulverized Overlord all over.

Optimus Prime got Evil-Lyn's Agito weapon and it was a staff and he blasted him with magic and smashed him all over. Nico was charging up the blast really fast!

Nico: Now to finish this! This will be your punishment for all the crimes you did!

Overlord got up.

Nico: FINAL FLASH!

NICO FIRED A MASSIVE BLAST OF INCREDIBLE YELLOW ENERGY AND IT SLAMMED INTO OVERLORD WITH INCREDIBLY DESTRUCTIVE FORCE AND THE BLAST WAS SO MASSIVE AND SO DEVASTATING THAT IT FLEW OUT INTO SPACE AND EXPLODED WITH INCREDIBLE POWER HARMLESSLY!

When the blast faded and the smoke cleared, the overlord was half of what he was! He had half of his body blown to smithereens and his power was extremely exhausted! He lost his left arm and a good chunk of his body was blown apart!

Eli: WHOA!

Laney: Take that dark boy!

Cody Burns: We're not done yet! (Gets out Superspeed Sue's Agito Weapon)

He got a boomerang weapon and he threw it and he slashed Overlord all over.

Lola: YEAH!

Lola fired waves of fire and blasted him all over the place.

Taranee and Sunset fired waves of fire and blasted him.

Lori and Hay Lin fired waves of wind and blew him around in a tornado.

Nico: YEAH!

Eli: Take that!

Nico: (gets out Samon and Seadramon's Ridewatches) Time for fish!

Nico activated them and fired waves of ice and fish and smashed him all over with them.

Nico: YEAH!

I fired energy chains and tied him up.

Shouchi: I don't think this battle's over until the next Gene Slammer appears.

?: You mean me?

A figure came out and it was a Mamoswine!

Nico: Hey a Mamoswine.

Me: Cool!

It fired an ice beam and froze the overlord in ice.

Mamoswine: (In a girls voice) Looks like you timed it right.

Nico: Mary Scheader! Wow!

She reverted back and was a girl with blue hair and blue winter clothes.

Mary Scheader: Awesome to see you again Nico.

Nico: Same here.

Cody Burns: What's your favorite memory of Nico?

Mary Scheader: When me and Nico ate the Mount Olympus Pizza challenge.

Me: Oh man! That is a massive 25 foot pizza and it's completely covered in meat.

Lola: That is amazing.

Lincoln: Boy no kidding.

Nico: Me and Mary ate the whole thing.

Me: You guys have an awesome appetite.

Nico: Yep.

Nico and Mary hugged.

Nico: I've missed you my pizza queen.

Mary Scheader: Me too Nico. Me too.

We were back on Earth.

Me: Awesome way to close it out with a bang.

Shoichi: Kadma, ever since I met you, I've seen you as a big sister.

Kadma: Wow! I'm honored Shoichi.

They hugged.

Lana: So awesome.

Lily: Yeah.

---

We later went back to the fortress.

May: How did it go guys?

Me: Really awesome.

We told everyone what happened and it was amazing.

Qin: Wow! Way to go guys!

Lola: Yeah it was awesome!

May: Cadance, for you first mission, 3 Rabbids and Yost Reed should go with you.

Princess Cadance: Awesome!

Me: And I plan to have us, the Powerpuff Girls, Their Archenemies and the Powerpuff Girls former enemies come with. We have a lot of things to tell the PPGZ team.

Nico: Boy this will be awesome.

---

Later we were watching TV.

Nadine Evenscaster: (British Accent) Let's see what's on the news.

She turned it on.

Kathrine Mulligan: This is Kathrine Mulligan reporting to you live from Gotham Royal York. The Renegades and the blood clones of Team Loud Phoenix Storm have busted a massive and huge drug operation and really thrashed them all into dust.

Me: Wow that is amazing.

Kathrine Mulligan: The operation contained over 500 billion pounds of illegal drugs and all the cash they made was confiscated and the members of the operation's members were all given sentences of life without parole.

Nico: Good riddance.

Connie Dennison: Lunch is ready!

We saw her with a huge plate full of burgers.

Me: Oh boy.

We got to eating burgers.

Me: (Eating) Mmm! Delicious.

Qin: (Eating) Yummy.

Lola: (Eating) Mmm.

Kathrine Mulligan: Also the Renegades killed 502 murderers, thrashed numerous insane asylum patients that escaped during a riot, killed numerous rampaging gangsters and bashed numerous muggers into pulp.

Qin: HOLY CRAP!

Xenia: They really went at them.

Cybertron Sideways: No luck on finding out who they are?

Me: We do have some ideas as to who one of them might be.

Nico: Moon Knight.

Cybertron Sideways: Wow! It'll be cool to meet him.

Me: Yep.

Qin: Awesome.

Wheelie: No ideas on the others, huh?

Me: Nope. But one of the thugs did give us a clue. One of them had an Umbreon.

Qin: Wow.

Lola: Yeah it's not much to go on but it's a start.

Camie: Yeah.

Nico: Are you jealous, Lincoln?

Lincoln: Not at all. I'm glad we can be in 2 places at once.

Qin: Same here. Cool.

Nico: That is for sure.

Qin: Yeah.

The mascots were watching the top 20 darkest Robot Chicken Sketches.

#20: American Girl Dolls

"Secret of the Flushed Footlong"

These dolls are sitting around drinking tea and telling their life stories. They each say what time period they're from and what they're likes and dislikes are. It goes well for the first two dolls but when the third one reveals her backstory the tone shifts significantly. She reveals her name is Addie Walker and that she was born a slave. The other dolls are horrified by how she gleefully recounts this information to them. Things get a bit more uncomfortable when another doll, Mary Grace, is from the same time period and most likely a slave owner but thankfully she decides to pass.

#19: Deaf Parents

"Saving Private Gigli"

One of the more iconic aspects of Charlie Brown is Lucy convincing him she's not going to pull the football when he tries to kick it. Another is the distinctive sound adults make when they speak rendering whatever is said unintelligible. Here Charlie Brown asks his mom if he and Lucy can have a snack. She replies in the way in which adults sound but then we're hit with an announcer telling us that his parents are deaf. It certainly gives us a different understanding of the different Charlie Brown specials.

#18: Care Bear Genocide

"Password: Swordfish"

The Care Bears are known to be kind and travel around spreading that message to others while trying to stop Professor Coldheart, No Heart and others from spreading hate. Here, however, their mission is changed when the Care Bears decide there must be purity amongst their ranks. Convinced that the Care Bear Cousins are responsible for the decline of the franchise, they wipe them out. Despite their cutesy appearances, the cold and unfeeling way they eliminate the non-bear characters is unsettling, not to mention they proceed to party afterward. Sharing these harmful ideas is definitely not caring.

#17: Toy Story 4

"Kramer vs. Showgirls"

The later entries of the "Toy Story" franchise deal with how Andy's toys find new meaning for their lives once he grows out of playing with them. It's wholesome and touching to see how Woody, Buzz and the gang deal with those changes. In this alternative view, things are much different. Andy is in college now but the toys now have to deal with his growing interests in women. Poor Buzz is pretty much lobotomized when Andy uses him as paraphernalia for mind altering substances. The worst is Woody is reduced to tears as he is left to put his best friend out of his misery.

#16: The iCarly iNipples

"Caffeine Induced Aneurysm"

Carly's used to living her life online but this gaffe literally has world ending consequences. After recording a segment for her webcast she accidentally leaves the camera on while taking a shower. She gives the footage to Gibby for upload who decides to leave it in for broadcast. Later when her dad sees it he feels that he's failed as a father and takes the nuclear route. No, really. He decides to fire nukes at Iran in response to being told he'd be court-martialed for resigning his position. Spencer informs Carly that because of their dad's actions, they'll be hunted by Al Qaeda strike teams. Yikes. Always remember to review your footage.

#15: Happy Days Zombie Attack

"Ants on a Hamburger"

"Happy Days" portrayed the lives of Richtie Cunningham, the Fonz and their friends in 1950s America as rather idyllic. What happens when zombies are inserted into the equation? After Ralph dies from juggling knives, Fonzie is able to bring him back to life by hitting him with his fist. Unfortunately this has the effect of turning Ralph into a zombie, who proceeds to start the zombie apocalypse in Arnold's. It's up to the Fonz to save the day and eliminate the threat. It's heartbreak though when Ritchie reveals he's been bitten and Fonzie needs to put him out of his misery. Happy days, indeed.

#14: Delicious Gummy Bears

"Tapping a Hero"

Gummy bears are delicious but maybe you'll think twice before eating one after this. A pink gummy bear is frolicking in a field when she unknowingly steps in a bear trap. After a blood curdling scream followed by a stream of curse words, she decides the only way to free herself is to chew off the leg caught in the trap. Once free, she continues on her merry way until she steps in another trap. It turns out this is a twisted ad for gummy bears but she's still left in a dire situation even if she's able to free herself.

#13: Why Does Sonic Run?

"Callie Greenhouse in: Fun. Sad. Epic. Tragic."

A staple of the Sonic games is that Sonic goes fast. Fans of the Genesis games might remember those old ads saying Sonic is way better than Mario because of his extreme speed. Have you ever stopped to ask why he needs to move so quickly? This sketch attempts to answer that question and it takes an unexpected turn. A squirrel and beaver observe Sonic speeding by and while admiring him, they wonder what he can't out run. We cut to Sonic and see he's being chased by a little sad face from Zoloft commercials. He's trying to outrun his depression. Maybe those games weren't so fun after all.

#12: Oswald Floats

"Scoot to the Gute"

This blue octopus is known for his patience and general outlook on life, which is reasonable considering he's the star of a kids show. In this sketch, he's no different. Daisy on the other hand… The two are in a raft and before he goes into the water, he's about to put on a life preserver wanting to be safe. Daisy, however, is dismayed that he would even bother considering he's an octopus and think he'll be fine without one. She suddenly pushes him in the water and a few seconds later he floats back to the surface lifeless. What's shocking is her reaction to what she just did. She's completely nonchalant about it. Don't mess around with water safety.

#11: Wile E. Piphany

"Executed by the State"

Fans of "Looney Tunes" know that Wile E. Coyote is forever trying to catch the Road Runner. While chasing his long-time prey, he fails once again. Dejected, he questions what he's doing with his life. The coyote has seemingly given up and decides he's to end it all. It's definitely not something we were expecting at all. That seems to be the case for the Road Runner as well. When he shows up to the funeral, we find out that it was all an elaborate ruse and the coyote is able to roast his foe. While he finally wins out, it's a bit too far for us how he does it.

#10: Feudal France

"Garfield Stockman in: A Voice Like Wet Ham"

Every Disney fan remembers the classic "Beauty and the Beast" number where Belle sings a cheery song about her French village. Instead of singing about the town's highlights, the Belle in the sketch sings about all the downsides of life in feudal France. Between the disgusting living conditions to rampant disease, the village looks like an awful place to live. Even Belle ends up catching a mysterious illness by the end of the sketch. We're glad Disney didn't make their song this realistic or horrifying in the original animated movie.

#9: Apocalypse Pony

"Cracked China"

Most kids would be thrilled to see a pony come flying through the window. If it happens to be one of the apocalypse ponies, however, the children should run for their lives. After a couple of kids cause mischief around their house, a group of sketchy looking ponies come soaring into the picture. Each creature represents one of the fabled four Horsemen of the Apocalypse. These toys are not concerned with child safety standards. By the end of the sketch, almost everything in the house is on fire, and the family has been… we guess the kids learned their lesson?

#8: Laff-A-Munich

"Ban on the Fun"

In the "Laff-A-Lympics" cartoon, a bunch of Hanna-Barbera characters compete against one another. But what if they took the competition way too seriously? In this "Robot Chicken" sketch, a few villainous Hanna-Barbera characters preemptively eliminate their competitors. When their heinous acts are discovered, a group of typically heroic toons get revenge by taking out the villains responsible. The sketch is dark by design, but the sight of characters like Scooby-Doo committing acts of violence really sticks with you. Still, this dark reimagining of the "Laff-A-Lympics" might leave you smiling… if you have a totally twisted sense of humor.

#7: Cartoons Smokers

"Triple Hot Dog Sandwich on Wheat"

In the early '60s, the Winston cigarette company used characters from "The Flintstones" to promote their tobacco products without hinting at the harmful health effects they could cause. But the

"Cartoon Smokers" segment tackles the habit's potential negative effects head-on. We see cartoon characters like Fred Flintstone and Pink Panther suffering from various smoking-related ailments. Even supporting characters like Olive Oyl, who inhaled tobacco second-hand, are affected. Seeing these bright cartoon characters looking weakened and sick is seriously depressing. The sketch may not have been designed as a PSA, but it's just as effective as any real anti-smoking commercial.

#6: Dora's Questionable Quinceañera

"Hemlock, Gin and Juice"

The premise of Dora the Explorer has always been simple. A young girl breaks the fourth wall to ask us for guidance along her adventures. This concept gets really dark in this sketch, however, when a teenage Dora needs to get some things for her Quinceanera. The audience picks out an item for Dora at the store and… she promptly steals it. After she drinks a beverage that she is definitely not old enough for, she ends up on the roof and looks straight at the camera. Dora admits in a tearful confession that she can't hear anyone beyond the fourth wall. Although this sad confession is meant as a joke, her words left us wondering if the real Dora could ever really hear us.

#5: Cereal Killer

"Easter Basket"

While hanging out at Fred's house, Barney gets creative in his attempt to steal his friend's Fruity Pebbles. Sadly, the two friends end up physically fighting over the cereal. During their scrap, Fred accidentally receives a fatal blow from his best friend. Barney quickly rushes to hide the evidence of his crime, only to realize that all of the animal appliances at Fred's house saw what happened. So… Barney ends the lives of all the living creatures that witnessed his crime. He's eventually caught in the act, captured and forced to pay the ultimate price. We hope the Fruity Pebbles were worth it!

#4: Wonder Pets Visit the Laughter House

### "Cake Pillow"

When the tiny animal rescue trio known as the Wonder Pets hears that a cow is in trouble, they jump to the rescue. After releasing the cow from confinement, they realize it's too weak to walk away. The Wonder Pets decide to carry the animal into a nearby building called the laughter house. Unfortunately, they didn't know that the building's name was missing an s. By the time they realize where they've really taken the animal, the cow's life has come to an abrupt end. The sketch would have been plenty dark if it had stopped there. But the writers go the extra mile and have the little trio eat hamburgers to close out the segment. Too soon, wonder pets, too soon.

## #3: Pegasus Abuse

### "Adoption's an Option"

Legendary voice actress Cree Summer has lent her voice to a few terrifying antagonists throughout her career. If we had to pick her most horrifying role, we'd look at this extremely grim "Robot Chicken" segment. In the sketch, Cree plays a little girl that finds a Pegasus caught in the trap. Instead of freeing the animal, she makes sure it can't fly away, renders it unconscious and drags it to a barn. The girl torments the Pegasus both physically and mentally until it accepts its new name. Seeing the trapped majestic animal cave to the girl's demands is undoubtedly dark. And the way Cree makes the girl sound simultaneously sweet and sinister ensures this character will haunt our nightmares.

## #2: Calvin's Therapy Adventures

### "Lust for Puppets"

Using the power of imagination, Calvin can have full conversations with his stuffed tiger, Hobbes. Although Calvin loves to talk to his animal companion, his parents are a little concerned about it. After they try to stop Calvin's conversations with therapy and medication, Hobbes decides to take them out of the picture. Before we know it, the parents are permanently gone and their son is locked in a padded cell indefinitely. The "Calvin And Hobbes" stories always made it seem adorable that the boy had someone to talk to. But now that we've seen what could happen if his imagination took a dark turn, we'll never look at the comics the same way again.

#1: Tooth and Consequences

"Toyz in the Hood"

While the Tooth Fairy is visiting a child, the mystical being hears the parents arguing downstairs. Things eventually turn violent and the fairy checks it out. We're then shown three distinct endings. In the first scenario, the fairy takes the father's life before handing the kid some change. The second ending sees the father dealing a fatal blow to the mystical being before telling his child to run away with him. And the last scenario has the police arresting the sole survivor of the dispute before leaving the kid home alone. And did we mention the mother is never heard from in any ending? The segment concludes with characters chanting that this is the darkest "Robot Chicken" sketch.

When it was done everyone that saw it was shocked!

Poliwag: Honestly, we're just passing the time until the next Gene Slammer comes.

Me: I see. OOF!

I saw a Gliscor on my head.

Me: I think it's here. A Gliscor is on my head.

Gliscor: (In a girls voice) Sorry about that.

Nico: Abigail Kirk? Wow!

She reverted back and was a girl with purple hair and black clothes and she had bat wings.

Abigail Kirk: Awesome to see you again Nico.

Poromon: Abigail!

Abigail Kirk: Hey Poromon!

She hugged him.

Poromon: It's awesome to see you again.

Abigail Kirk: Same here.

May: What's your favorite memory of Nico?

Abigail Kirk: When me and Nico went into a haunted castle and we found out that it was a mad scientist castle and we stopped them.

Nico: Yep.

Me: That is awesome.

Laney: Yeah.

Nico and Abigail hugged.

Nico: I've missed you.

Abigail Kirk: Me too Nico. Me too.

Masker Mind: Did you see the mascots watch that video?

Me: Yep.

Qin: Yeah it was crazy.

Laney: Yep.

The previous groups came.

Professor XXXL: Can me, Mumbo Jumbo, Skulker, Patty and Selma, Golden Glider, Grizzly, Zzzax, Machinedramon, BlackWarGreymon, and Salami Swami go with you guys?

Nico: Yes you all can go with us.

Me: Venezuela is the next stop.

Qin: Awesome.

Rarity: At least I didn't cry and drown myself in ice cream like I did last year.

Qin: Thank goodness.

Lola: Yeah.

Wallflower: Nico, which Gene Slammers do you think you'll meet next?

Nico: Probopass and Gallade.

Qin: Ooh!

Lola: That is gonna be interesting.

Lincoln: It sure will be.

Suddenly, Lincoln's Celebrity 5 alarm went off, and he picked up the signal, and he saw who's the next member of The Celebrity 5 we're taking on: it was Manino Giordani.

Me: Whoa, what on Earth was that?

Lincoln: That was my new Celebrity 5 alarm system I installed, after our battle with Okuma Jubei, I had installed this alarm system to pick up on the remaining Celebrity 5 members.

Nico: Whoa, now that's awesome. So, who's the next one we're facing?

Lincoln: The next member of The Celebrity 5 we're facing is Manino Giordani, and he's in Venezuela.

Jessica Shannon: So, after we complete the challenge, we take Manino Giordani down, and you put him into a disk like you did to Okuma, right, Linky?

Lincoln: Right, Jessica.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow

colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Aaaawesas, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Aaaawesas of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Sarah are more than ready for Aaaawesas, right, Lincoln?

Sarah Tinsley: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Aaaawesas and give him The Black Gates.

Lincoln: You said it, Sarah. Plus, the last time you transformed was when Babidi busted out and put your evil father under his control two years ago to get revenge after I told him off, and to get revenge on Varie for what she did in destroying him years ago.

Nico: Yeah, so this means, Sarah's going to transform into her more powerful form which surpasses her first transformation against Gabriel Tinsley. Alright, gang, our next stop is in Venezuela, and the next of The Celebrity 5: Manino Giordani.

Lincoln: We'll take him down in the same way we took down Okuma Jubei yesterday, and put into a disk and once we get done trouncing Manino Giordani, you better be ready to die, Aaaawesas.

Sarah Tinsley: You better be ready to die, Aaaawesas, because you're about to face the fury of Elemental HERO Chaos Neos.

Ed Grant: So Manino Giordani is next.

Me: Yep.

Qin: This one will be good.

Skulker: Shall we get going?

Nico: Like you even have to ask.

We were off.

---

The Flying Fortress arrived at Venezuela, and we disembarked.

Me: Here we are.

Nico: Ah, Venezuela. This is awesome.

Lincoln: And the scene for the next challenge, and where we'll take down Manino Giordani.

Me: And home to some of the most amazing sights of the Amazon. Angel Falls, the Orinoco River and so much more.

Qin: Yep.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he saw who was also here: it was his and Sarah's old enemy, Gabriel Tinsley, he's broken out of prison yet again and he still wants revenge on Sarah and Lincoln.

Lincoln: Great, I should've known he'd be back for more. Sarah, your evil serial killer ex-dad's here again!

We gasped!

Sarah Tinsley: What?! Didn't we already kick his butt in Venice on your rescue and send him back to prison with you putting The Deathly Vengeance of Thanatos on him that'll kill him in a few days?

Lincoln: We did, but he refused to quit as always.

Me: That son of a fucking bitch!

Nico: Yeah!

Me: Why, I ought to… !

Lincoln: Easy, J.D., like I said, The Deathly Vengeance of Thanatos is going to kill him, and it looks like his execution's about to come a bit early.

?: (SUPER ENRAGED VOICE) SARAH, LINCOLN, I'LL KILL YOU ALL!

We then saw Gabriel Tinsley, and boy, was he driven insane by rage and insanity.

Lincoln: Back for more, Gabriel?

Eli: You're really starting to become a fucking headache!

Me: More like an Aneurysm that is ready to burst!

Gabriel Tinsley screamed with insane rage and ran at Lincoln and tried to stab him with a knife, but Lincoln punched Gabriel hard in the stomach, and he belched out massive amounts of blood, and he glared with pure rage at Lincoln.

Gabriel Tinsley: Why… you?!

POW!

I punched him in the face and knocked him down.

He got back up.

But, Lincoln kicked him away, and Gabriel Tinsley got back up.

Lincoln: Like I said before, you have and always will be a cold-blooded, remorseless serial killer who has absolutely zero remorse for the psychological harm you've inflicted on your own daughter when you forced her to help you bury the bodies of all the girls you've killed on your serial killing spree all over the US. You destroyed your own daughter's reputation and you don't give a damn about what that's done to her, and you know what, Hell's too good for a heartless bloodsoaked serial killing fucker like yourself.

Suddenly, the black and red flame tattoos on Gabriel Tinsley's body began spreading even more, and it was already closing in on his heart.

Lincoln: There's only one fate for someone like you: completely and utterly erased from existence for eternity.

Finally, the black and red flame tattoos reached Gabriel Tinsley's heart, and then, his body suddenly burst into black and red flames as he died from the curse, and his spirit was sent to The Black Gates after he was found guilty by all those he'd killed.

Lincoln: Good riddance forever, you piece of shit.

Luna: What he did to those girls and to his own daughter can never be forgiven, he deserved to die.

Me: You said it.

Nico: And at the hands of the man his former daughter swore to protect. Now, we're finally rid of that piece of shit, Gabriel Tinsley, for good.

Lincoln: Now, we can do the challenge and take down Manino Giordani.

Sarah Tinsley then went up to Lincoln and then she broke down crying and hugged him as she was crying hard and wailing hard.

Lincoln was comforting her.

Qin: Poor Sarah.

Xenia: Yeah.

Camie: That man was pure evil incarnate.

Lola: Yeah.

Anastasia (Cinderella): Why couldn't the Renegades have dealt with him?!

Nico: Lincoln wanted the curse to kill him when the time came and it did.

Anastasia (Cinderella): Yeah.

Sarah was really crying hard.

Don: Hey guys… Whoa.

He saw Sarah crying.

Don: Is she okay?

I took Don and told him what happened and it was awful.

Don: Oh man. I'm sorry he did that to her.

Me: We all are.

Selma: I don't even think the Renegades know where to find our Space Prisons.

Golden Glider: Though we could have just teleported him to them.

Me: Believe me guys the renegades would kill EVERY SINGLE Inmate there.

Qin: He's right on that.

Nico: Yeah.

Me: Erasing all the hard work we did on bringing all of them to justice.

Bugly: After all, they haven't joined us yet.

Me: You're right. But they will shortly.

Qin: Yeah.

Sarah was still crying.

Me: Poor Sarah.

Rainbow Dash: Her so called father really did a horrible thing to her.

Me: Not just her R.D., countless others. Her father was a deranged serial killer and he didn't give a flying fuck about anyone but himself. He killed 10 people and destroyed her entire reputation and everyone treated her like an outcast.

Lori: He's literally right on that. The blood of those people was on his hands and his alone.

Qin: Yeah.

Camie: That was awful.

Don: Poor Sarah. She did nothing to deserve all that.

Zzzax: What's the challenge this time?

Nico: Guys lets give Sarah a few minutes to calm down before we talk about that.

Zzzax: Okay.

Don: Oh Nicole I forgot to give this to you in Cambodia.

He gave her a map.

Nicole: (GASP) It's a map to the Katana of Yemaya! I've been trying to find that for years!

Qin: Cool!

Me: Yemaya the Ocean Mother Goddess in Santería?

Nicole: That's right. Legends say that this is a powerful sword that can control all the oceans and the life in the seas and even call mermaids of the light and dark sides of the legend.

Nico: Wow!

Xenia: That is amazing.

Teen Titans Thunder: Nevermind, we just found out the challenge

Nicole: This is gonna be a good one.

Sarah Tinsley: (Sniffles) I'm sorry guys.

Lincoln: It's all right Sarah. It's all right.

Qin: Will you be okay Sarah?

Sarah Tinsley: (Sniffles) I'll be fine. Now that my father is gone I'm free of him.

Me: So is the world.

Xenia: Yeah.

Sarah Tinsley: I'm better now guys.

Me: Are you sure?

Sarah Tinsley: Yeah I'll be okay.

BlackWarGreymon: Is Caracas near here?

Me: We are in Caracas.

BlackWarGreymon: Oops. Sorry.

Nicole: Well the Katana is said to be located in a cave behind Angel Falls.

Qin: Wow!

Xenia: The tallest waterfall in the world.

Camie: Yep.

Pam: Who should get it?

Me: Hmm. How about Snow White Fletcher?

Snow White Fletcher: Really?

Qin: Sure S.W.

Snow White Fletcher: Okay.

Nicole: All right lets head out.

Nico: Lets do it.

We were off into the Venezuela Jungle.

Salami Swami: (Hindu Accent) Anyone got a jungle knife?

Nicole unsheathed one.

Nicole: Never leave home without one.

Qin: Cool.

George of the Jungle was swinging through the jungle on his vines.

George: (TARZAN YELL)

Nico: There goes George.

Qin: Yep.

Me: Watch out for that tree!

KRASMASH!

He crashed into a tree head on!

Me: OOH! Ouch!

I brought him back.

Bitstream: You okay?

George: George fine.

Qin: Good.

We continued on and we heard the roar of Angel Falls.

Xenia: Look guys!

We saw the tallest Waterfall on Earth, Angel Falls!

Me: Wow!

Nico: Angel Falls.

Cybertron Menasor: (Irish Accent) Getting up there will be easy, lads.

Me: It sure will.

Nicole: Yep.

Nicole formed a Star road and we went up to it.

Nicole: Here we go.

We held our breaths and then we got to the cave and went in.

Nicole: That was an easy part. Now for the hard part and that is to find it.

Qin: Yep.

We went down into the cave.

We walked down.

Me: N'Dugo, Kip, Baleto, you would like this one. Lyle said this to Ursula. (Speaking in Swahili) Nyani mwenye nywele za kimanjano anataka tule kinyesi cha tembo. Lyle ni mtu ambaye ningetamani angemsukuma. Najua unajisikia vizuri sana baharia hapa juu sasa hivi. Lakini ikiwa ungeniruhusu tu niagize bakuli la clams zilizokaangwa sote tunaweza kuwa na ndui kesho asubuhi. Na tunaweza kulazwa na wanawake wazuri chini ya jua. (The blond hair baboon wants us to eat elephant poop. Lyle is someone that I would wish would puke up farts. I know you're feeling pretty hey sailor up here about now. But if you would just let me order a bowl of fried clams we can all have smallpox tomorrow morning. And we can get laid with beautiful ladies under the sun.)

They laughed hysterically at that one with incredible laughter!

N'Dugo: That was so funny!

He pat my back!

Qin: What did you say?

Me: I said that The blond hair baboon wants us to eat elephant poop. Lyle is someone that I would wish would puke up farts. I know you're feeling pretty hey sailor up here about now. But if you would just let me order a bowl of fried clams we can all have smallpox tomorrow morning. And we can get laid with beautiful ladies under the sun.

Qin laughed at that!

Nico: (LAUGHS) That was funny!

Xenia: Yep.

Me: (To the viewers) What can I say? They hate Lyle and I do silly jokes and remarks about him in Swahili to our friends.

Qin: That was funny.

We got to a big room and we saw a huge temple in a big cave with waterfalls and Sapphire Crystal!

Nico: Wow!

Grizzly: Is that it?

Nicole: The temple that houses it. We're almost there.

Hikaru: I'll face Manino later. Along with whoever decides to be his archenemy

Vinsmoke Sanji: I will be his archenemy there.

Qin: Go fo it Sanji.

Nico: Yeah.

We went into the temple and in a huge altar we saw the sword.

Nicole: There it is! At last we found it! The Katana of Yemaya.

Qin: Wow!

It was a blue blade sword and it had a mermaid on the handle and had jewels on the blade.

Me: Magnificent.

Remy: Me, Mr. Lynn, and Mary will face him. But I have a feeling we'll be trying out each other's food first.

Chris Taylor: Yeah, you guys have fun with that. I'm not getting involved with posing as a mad Italian chef again

Me: Oh boy.

Qin: Lets focus.

Snow White Fletcher: Here we go.

She went up to the sword and grabbed the handle and pulled it out! It glowed and she was enveloped in a blue glow.

(ESCAFLOWNE INTRO BY FOX KIDS PLAYS)

She was enveloped in a powerful vortex of energy and water and ice and and then she sprouted wings of ice and water and her power rose fast and then she emerged forever changed.

Me: Wow!

Nico: Wow! Snow White how do you feel?

Snow White Fletcher: Amazing Nico!

Power Girl: You should be proud.

Qin: Yeah!

Snow White Fletcher: It's amazing!

Nico: Awesome. Lets go back to Caracas for the battle.

Patty: Let's head on down there

We were off to Caracas.

We arrived and in the Town Square we saw him cooking amazing food for the citizens.

Me: There he is. Wow he is a great cook.

Qin: Yep.

Gilda: Entrance time?

Nico: Let's wait until most of the civilians have cleared out.

Me: They already did.

Gilda: Now it's entrance time.

We went at him.

As he was cleaning up he saw the spirits of Venezuela appear and they swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A huge explosion blasted out above him and a phoenix cry was heard and we landed.

Me: What's cooking doc?

Mumbo: So, you probably heard Webstor's offer yesterday.

Manino: I did.

Mumbo: Are you in?

Manino: After you guys defeat me. And after we try each other's food.

Me: Fair enough.

Chase (Fighting Foodons): I'll participate too.

Qin: Cool!

Manino tried Lynn Sr.'s Lynn-sagna and Lynn Sr. Tried some chicken cacciatore.

Lynn Sr: Your food is actually good!

Manino: Yours is good as well.

Lynn Sr: Really?

Manino: Yes! It tastes like a professional made it. And it doesn't have hot sauce in it.

Me: Mr. Lynn makes awesome food.

Qin: Yes he sure does.

Manino: Okay. You guys got my archenemy set up.

Sanji: That's me.

Hikaru: We know what to do now. Mighty Thor, D Smash!

Manino: Graviton, D Smash!

They were summoned!

Me: Awesome!

Nico: Bring down the thunder!

Lola: Yeah!

Leni: This is gonna be totes fun!

Then Shendu, Selene, Amora, Firebrand, Man Boy, Femme Fetale, Trapster, Kangor, Saix, and Spot and their groups came.

Nico: Shendu, Selene, Amora, Firebrand, Man Boy, Femme Fetale, Trapster, Kangor, Saix, and Spot.

Shendu: Are you okay, Sarah?

Sarah Tinsley: I'm fine.

Selene: What your dad did was fucked up.

Manino: (dodged Sanji's kick) Even I wouldn't go that far!

Amora: We're actually glad to hear it.

Nico: Yeah.

Firebrand: (to Nico) We heard you found a submarine.

Nico: Yep.

Man Boy: Did you repair it?

Nico: It's unlike any kind of technology we know. So it's impossible.

Me: Yeah.

?: That is awesome.

A figure came out and it was BRINEBLAST from episode 5 of Dino Fury!

---

Brineblast hatches in the park whilst Jane and J-Borg hold a presentation to a group of children in front of BuzzBlast just as Boomtower and Mucus arrive to claim the seemingly dormant egg. The Dino Fury Rangers then regroup and since Brineblast apparently reeks of rotten fish, Amelia comments on it, which the monster takes offense to as the Rangers morph and do their roll call. Boomtower commands Brineblast to attack and he teams up with Mucus to fight Zayto only to be jump kicked in the back by Amelia.

However, he shrugs off slashes from both her Chromafury Saber and those of Ollie and Zayto who he then fires on with his water bullets. He mocks that the Dino Fury Rangers can't attack him because of his bullets only to be blindsided by Izzy though he then throws her off. She tries to use her Chromafury Saber on him but it bounces off immediately with enough force to knock her down as Mucus sends in some Hengemen. As Izzy and Zayto deploy the Elasto and Hyper Keys, Brineblast flees towards a fountain with the two Rangers in hot pursuit so he gains some distance using his cannons, although he then runs into a dead end thanks to the edge of the fountain. Cornered, Brineblast begs for mercy since he apparently "has little fishies at home" which they fall for, allowing Boomtower to sneak attack Zayto. Fortunately, Javi managed to stop Boomtower who then withdraws with Brineblast to Area 62. In Area 62, Brineblast re-hydrates which Mucus questions but he rebuffs that he's a fish and fish are supposed to live in the water. He then receives an order from Void Knight to distract the Rangers whilst Boomtower plants a drill bomb in the forest to destroy the Tiger Claw Zord before it can be used against them. Brineblast soon teleports to the Junior State Championship Races in front of Jane and J-Borg and grows giant to scare them. The Rangers (with the exception of Izzy who is out trying to stop Boomtower and Mucus from destroying her Zord) arrive to fend him off and form the Dino Fury Megazord. Brineblast and the Dino Fury Megazord charge at each other but the Beast easily gains the upper hand with his incredible speed and fighting skill. He then overwhelms the Megazord with his water bullets, eventually taking it down just after the Power Rangers are informed of Boomtower's plot. Fortunately, Izzy formulates a plan to use Brineblast's impressive firepower to destroy the drill and free her Zord.

To achieve this, the Dino Fury Megazord flees and Brineblast follows it all the way to the mountain where he arrogantly reveals that they can't outrun him because he has somehow done a lot of exercise whilst sealed away. Brineblast then fires on them but they dodge and he instead destroys the mountain, pelting him with rocks and freeing the Tiger Claw Zord before the drill destroys its chamber. Izzy then tames her Zord and uses it against Brineblast. He tries to keep up and shoot it but it easily dodges around him with its speed and energy slashes him into a daze. As Zayto welcomes it back, it jumps onto Brineblast's face and mauls him before leaping off and dodging more bullets. Izzy then has her Zord combine with the Dino Fury Megazord to form the Dino Fury Megazord Claw Formation. Using the new formation, they easily overwhelm Brineblast and even his water bullets are easily dodged before they activate the Jet Boost. The Megazord rockets forward which makes Brineblast panic so he rapidly fires but they all miss and he quickly runs out of water to fire. Now having the upper hand, the Rangers finish off Brineblast with the Tiger Mega Slash which knocks him flat on his face and he explodes. However, his Sporix Egg is found by Boomtower first who immediately teleports back to the base with it before the Power Rangers can retrieve it.

---

Zayto: Brineblast!

Brineblast: Been a while rangers.

Me: I remember you! You were sent to destroy the rangers so Boomtower can launch a sneak attack.

Brineblast: Yep that's right.

Me: Yep.

Brineblast: Anyone want water?

Me: I'm good but thanks.

Qin: I think we're okay.

Xenia: This is gonna be good.

Camie: Yeah.

We got the usual battles underway.

Fire Kraken: You got that right and it is awesome.

Jade Fire Kraken: Some of the designs are really awesome.

Jade Flashwing: Boy they sure are and they are amazing.

Smolderdash: And Maren's story is awesome too.

---

Nico: Yep. So, Maren, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Maren Duncan: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental

HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Sophia, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Sophia, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Eliza and her boyfriend, Miguel, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Sophia hated her so much, they wanted to ruin Maren's name and her reputation, along with taking all of her money and killing her.

Maren Duncan: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Eliza and Miguel were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Sophia had coming to them: Maren was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Sophia arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Sophia than their eldest daughter, and Sophia was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever.

Lincoln: In the end, her parents and Sophia were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Maren's parents were both sentenced to life in federal prison without the possibility of parole, and as for Sophia, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Maren severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Maren Duncan: You got that right. Oh, and Rayman.

Rayman: Yes?

Maren Duncan fired a barrage of water balloons at Rayman, and he was all soaking wet.

Maren Duncan: That was for that smart remark when we were at Angkor Wat.

We laughed hysterically.

Ronnie Anne: (Laughs) This hadn't been the first time that happened: last year, Kurumu got back at him after he blabbed about her feelings for Lincoln, and she dropped a bucket of water on his head.

FLASHBACK ENDS

Nico: Along with getting chained up to your prison cell, awesome job, gang, but we're not done yet.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Yuko: I knew there was no mistaking that voice from anywhere, you can come out now, Aaaawesas.

A figure came out, and it was none other than Aaaawesas of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Yuko: Aaaawesas, I should've known you'd show up here, and we already knew of the Order's arrival days ago, so we're prepared to destroy you all. We will never let you destroy the Earth ever!

Aaaawesas: You fools will pay dearly for this, Lord Ghidorah will rise again and the entire Earth will be destroyed!

Sarah Tinsley: The only one who deserves to be destroyed here is you.

Suddenly, Sarah Tinsley's dark purple eyes turned neon dark purple and she was surrounded by a yellow and dark purple energy aura with light, darkness, dragons, phoenixes, and light and dark angels, she unholstered her massive Elemental HERO Chaos Neos-themed greatsword from her back, and as she approached Aaaawesas, she left yellow and dark purple energy, light, darkness, dragons, phoenixes, and light and dark angels with every step.

Sarah Tinsley: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Aaaawesas: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be destroyed by the darkness for your crimes against mankind and the universe!

Suddenly, Sarah Tinsley was surrounded by a massive vortex of yellow and dark purple energy with light and darkness surrounding the vortex, there are light and dark angels, dragons, phoenixes, and Elemental HERO Chaos Neos flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at Aaaawesas: the red eyes of death. Then, as the vortex faded, Sarah Tinsley emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sarah Tinsley grew from 6'5" to 7'4" in height, she has the body of a goddess, she has dark purple highlights in the bangs of her long flowing yellow hair, she has neon dark purple eyes and a yellow and dark purple energy aura with light, darkness, dragons, phoenixes, and light and dark angels surrounding her, she has Elemental HERO Chaos Neos emblazoned on her forehead and Third Eye with dark purple iris, she has dragon earrings with dark purple gems for eyes and holding the Light, Darkness, Chaos, and Eternity Kanjis in its talons, she also has Elemental HERO Chaos Neos with dark purple gems for eyes and holding the Light, Dark, Chaos, and Eternity Kanjis in its hands on the bottom of her dark purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with dark purple crystal links from her merged Crystal Necklace of the Buddha and dark purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Sarah Tinsley felt a sharp pain on her back, and then, her massive yellow angel wings with dark purple tips on the large yellow feathers grew much bigger for her new body and she now has eleven massive and long yellow wolf tails with dark purple tips and dark purple markings. Sarah Tinsley has on her Ring of the Phoenix with large dark purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sarah Tinsley's massive Elemental HERO Chaos Neos-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of yellow and dark purple energy, light, darkness, dragons, phoenixes, and light and dark angels, and when it emerged, it was transformed into Elemental HERO Chaos Neos' Twilight Chaos Angelic Greatsword of Twilight Chaos Angel Justice, it's a brand-new massive greatsword with embedded yellow gems and Elemental HERO Chaos Neos etched on the 7'0" massive, wide, double-edged dark purple blade, large yellow phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt and dark purple gems embedded on their foreheads, longer midnight black handle, four large dark purple phoenix heads with yellow gems for eyes and large dark purple gem on the bottom of the dark purple phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with dark purple gems on her wrists, her Belt of Elemental Bravery with a gold version of Elemental HERO Chaos Neos' head with dark purple gems for eyes and a large yellow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Sarah Tinsley has transformed into SUPER ANGEL-ELEMENTAL HERO CHAOS NEOS-DRAGON-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA DIVINE DARKNESS LIGHT CHAOS ELEMENTAL HERO CHAOS NEOS ANGEL OF DIVINE DARKNESS LIGHT CHAOS ELEMENTAL HERO CHAOS NEOS JUSTICE AND DIVINE DARKNESS LIGHT CHAOS ELEMENTAL HERO CHAOS NEOS LOVE!

We were amazed by Sarah Tinsley's Super Angel-Elemental HERO Chaos Neos-Dragon-Phoenix-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Aaaawesas saw it, he fell into an infernal rage and he got out his blaster to blast her, but Sarah Tinsley fired a powerful yellow and dark purple energy blast with light, darkness, dragons, phoenixes, and light and dark angels at Aaaawesas, which hit him and pushed him back and he was also hit hard by the light and darkness, but this really pissed him off now.

Eleanor Collins: Whoa, this is so awesome, Sarah's transformed.

Nico: Oh man, this is really awesome! We already saw her transform when her evil dad broke out two years ago, and now, her new transformation is even more powerful than before.

Me: Yeah, and that's only a taste of what's to come.

Sarah Tinsley: (Divine Echoing Cosmic Voice of The Darkness Light Elemental HERO Chaos Neos Angel and Divine Darkness Light Elemental HERO Chaos Neos Love) And that's suffering the fury of the darkness and the wrath of Elemental HERO Chaos Neos.

Lincoln: Let's get him, Sarah, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sarah Tinsley.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Sarah Tinsley and Lincoln went after Potennas who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, yellow and dark purple energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Aaaawesas and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Aaaawesas took out the vial of red liquid with a drop of

2018 King Ghidorah's blood, then he drank it. Suddenly, Aaaawesas began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Aaaawesas has transformed into his King Ghidorah Hybrid Monster form.

Aaaawesas fired a Gravity Lightning blast at Sarah Tinsley and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Aaaawesas from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Aaaawesas and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Aaaawesas and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Sarah, shall we unleash our grand finale and finish this bastard off?

Sarah Tinsley: (Divine Echoing Cosmic Voice of The Darkness Light Elemental HERO Chaos Neos Angel and Divine Darkness Light Elemental HERO Chaos Neos Love) Gladly, Linky.

Sarah Tinsley and Lincoln sent Aaaawesas flying into the air, and then, they prepared their combo to put an end to Aaaawesas.

Sarah Tinsley and Lincoln: DIVINE COSMIC ELEMENTAL HERO CHAOS NEOS DARKNESS LIGHT TWILIGHT KAMEHAMEHA!

Sarah Tinsley and Lincoln fired two massive rainbow and yellow and dark purple energy Kamehameha waves with elemental forces, light, darkness, mythological animals of elements, and elemental angels, and they hit Aaaawesas, and they explode with incredible power as they hit him, and he was obliterated. Then, when his spirit appeared, Sarah Tinsley and Lincoln drew the Judgement Kanji on his forehead, and he was erased by The Black Gates for his crimes. We cheered as Sarah Tinsley and Lincoln holstered their massive greatswords on their backs and powered down, and Sarah Tinsley's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long yellow wolf tails, and massive yellow angel wings are permanent.

Sarah Tinsley: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and five members to go. Thanks for helping me destroy Aaaawesas once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Sarah.

Suddenly, Sarah Tinsley wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sarah Tinsley's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Elemental HERO Chaos Neos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and light and darkness behind them and and we cheered wildly. Then, Lincoln and Sarah Tinsley absorbed the light and darkness and they came back to us as the display and Elemental HERO Chaos Neos vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Sarah.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Leeweestra.

Lincoln: Which means, you and I are up next, Adriana.

Adriana Azathoth: Yes, Leeweestra will suffer dearly for his crimes and he will be driven insane by the darkness of Azathoth.

Nico: That's the spirit, Adriana. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Absolute Zero.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Absolute Zero: Emily Maddox.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Emily and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Emily in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: How many magazine shoots did Lincoln and some of his Guardian Angels do?

Nicholette Torrington: Too many to count, and like all the Elemental HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, but for Emily, the masterminds of the extortion scheme wasn't Sergio, it was her parents and little sister, Emma, they never believed in her, and they wanted nothing more than to ruin her name and kill her.

We gasped.

Nico: Oh man, we're so in for the full story tomorrow when we meet her.

Femme Fetale: Another Celebrity 5 member in our ranks.

Me: Yep.

Trapster: I hope Joel Murphy is next.

Kangor: I have a feeling that he will be.

Saix: He's that famous rockstar, right?

Ed Grant: That's right.

Spot: Well, Ed, I wish you luck on fighting him.

Luna: Rockin!

Qin: This will be a battle of the bands with him.

Me: Yeah it will!

Don: You guys are heading to Madagascar for that.

Nico: Sweet!

King Julian XIII: YEAH Lets go!

We went back to the flying fortress

This is the Dark Side of Matt, the one that would always be much of a problem that hated Tai and wanted to kill him. This is the one that was removed from Matt when he was wandering that cave. So brace yourselves because THIS IS GONNA GET UGLY! Also we're going to battle Another Muggshot and Another Felix Faust. Also we're going to meet a gene-slammer for Gallade and her name is Chun-Li Xing Yuan and she is a deadly swordswoman and a martial artist.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Adriana Azathoth, Incarnation of Azathoth and Lincoln VS Leeweestra

For Lincoln's rescue tomorrow, Lincoln and his group are heading to New York, and we got word that Maren Duncan's evil heartless greedy ex-parents and her evil gold-digging ex-sister, Sophia, have escaped the boarding school in Siberia and federal prison, and they are causing havoc and want bloody revenge on Maren for throwing them in prison and boarding school, but we're taking those selfish, evil, heartless excuses for parents and that heartless, evil, selfish, gold-digging excuse for a little sister down and we're so going to break their arms and legs and throw them in a dumpster that's heading for their new home: The Europa Prison for Gold-Digging Leeches. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Emily Maddox, Gene-Slammer of Elemental HERO Absolute Zero, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model. This one time, Emily was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Maren, the mastermind behind this extortion plot were her parents and her sister, Emma, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister, and they've wanted to kill her and let Emma, their favorite daughter, become the success they wanted her to be, not their eldest daughter. This one time, Emily's workers, Marlene and her boyfriend, Zachary, were planning on extorting Emily, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but her evil parents and little sister were also ratted out as well for being the mastermind of the extortion plot, and they also plotted to kill her once they took all of her money. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay Emily $5,000 each. Emily also filed a defamation lawsuit against the five, which she won in no less than fifteen seconds of deliberation, and she was awarded $500,000,000,000,000,000 dollars. Her name and life was saved, and to pay for the damages, Marlene and Zachary were forced to work for her for no pay, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless, but that was nothing compared to what her parents and Emma had coming to them: Emily was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money and for making her life Hell as she was growing up, so she took no prisoners. She had her parents and sister arrested for attempted first degree murder, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents were fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Emma than their eldest daughter, and Emma was exposed as the disgraceful lying gold-digger that she is and her friends abandoned her and she was expelled from school, and in the end, her parents and Emma were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by Lincoln and the other Guardian Angels when the judge read out their sentences: Emily's parents were both sentenced to life in federal prison without the possibility of parole, and as for Emma, she was sent away to a boarding school in Siberia. Plus, to add on to their hellish predicament and anger, Maren severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge on them, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people that she's had to deal with: garbage.

For part 9 we're going to Madagascar and we're going to battle Joel Murphy in a Battle of The Bands style adventure and it will be awesome.

see you next time.

We got word that the young versions of Matt, Joe, T.K. And Tai need our help for something at a restaurant run by Digitamamon and Vegiemon.

Me: I think I remember Joe and Matt telling us about this restaurant before. It makes good food but the service stinks because of Vegiemon and Digitamamon.

Xenia: I think so too.

Qin: Man those two were jerks from what I heard.

Nico: They were. But I have a feeling that this Digitamamon is not like the one that was redeemed.

Eli: I feel it too.

Camie: Oh boy.

Me: Well I have a really nasty surprise in store for him and it's not going to be pretty.

Varie: I have a feeling it will be good.

Nico: Ingrid, I want to thank you, Felix Faust, and your teams for coming

Ingrid: No problem Nico. Even though I'm always with you for this. This is gonna be fun.

Xenia: It sure will be.

Jinx: This is gonna be awesome and cool.

Nico: Jinx, are you glad your fellow HIVE members are in the Masters of Evil?

Jinx: I sure am and it's so cool. Brother Blood may be gone, but his influence really hurt.

Me: It hurt everyone. His psychic power was dangerous.

Xenia: Yeah.

Lola: But if he comes back he is DEFINITELY getting the black gates.

Qin: That is for sure.

May: Yeah he deserves it. What he did was just pure evil.

Zocks: I think it's only that Wrestling Star guy that needs an archenemy.

Me: Yes that's right.

Nico: We'll think of something for him.

Lola: Yeah we sure will.

Nico: Yep.

Me: Yesterday's challenge in Venezuela was great.

Nico: It sure was.

Lola: Yeah.

Nico: We found another treasure. For one of my old friends who only joined us yesterday.

Me: That's true and it was awesome.

Nico: And that joke you told N'Dugo and his friends was really funny J.D.

Me: (LAUGHS) That was funny. They always get a kick out of my Lyle insults.

Qin: (LAUGHS) That was funny.

Nico: Yeah that was awesome.

Maria: Damn, I can never get enough of that!

Nico: (LAUGHS) That was awesome!

Qin: (LAUGHS) That was funny as all get out.

Lola: Yeah it sure was!

Me: Yeah.

Nico: And we fought Manino.

Me: And he is a great cook. Loved all our food.

Qin: He sure did. Remy's Ratatouille is always awesome.

Laney: It sure is.

Me: Boy I love it. But it goes through me like a lead wait. Sorry.

Nico: No worries. I know the feeling.

Qin: Mary makes just as awesome a batch of food too.

Lola: So does Connie. Her burgers are delicious.

Nico: Yep.

Lana: I'll say. Many of us are good chefs.

Nico: Yep.

Me: I love awesome food made by our awesome chefs.

Lincoln: That means a lot to dad.

Nico: I called Taro and the Kaito Clone to join us for today.

Me: Awesome! They must be for the usual battles for today.

Qin: It'll be awesome having them help us as guests.

Xenia: Yep.

Lola: It sure will.

Me: Wait look there.

We saw a figure on the ground and it was Mimi and Palmon was by her!

Me: Oh no!

We went over to her.

Me: Mimi!

Nico: Mimi!

We turned her over and we gasped seeing a nasty bruise on her head and she had a nasty black eye and Palmon was crying!

Me: Oh my god!

Eli: (Whistles) Nice shiner.

Qin: Boy something really hit her hard.

Varie looked her over.

Varie: She will be okay. She has a slight concussion but she will be okay.

Varie put some bandages on her head and gave her some ice.

Mimi Tachikawa: (Groans) Guys?

Me: Mimi are you all right?

Mimi Tachikawa: My head hurts really bad.

Me: You took a nasty hit in the eye and your head.

I put her on my back and we arrived at the restaurant.

Me: Nice place.

We saw Gazimon, Pagumon and many kinds of Digimon.

Me: Wow this looks like a nice restaurant.

We sat down.

May: (sees me drinking beer) Nico, what are you doing?!

Nico: I'm getting drunk. Nothing ruins bad business like a drunk person.

Maria: You do that. I'm just gonna be a bad customer.

I put Mimi in a chair and she had a block of ice on her head.

Me: Easy Mimi.

Jamesdean5842: Oh boy this is not gonna be a good thing.

Me: Lets make this convincing.

I snapped my fingers and Nico, May and Maria were dressed up in badass biker gang clothes.

(BAD TO THE BONE BY GEORGE THOROGOOD PLAYS)

Nico: Thanks J.D. Awesome.

May: Yeah.

Me: (Winks)

Maria: Yo! Whoever's in charge of this restaurant. Get us some food!

Vegiemon then came.

Vegiemon: All right all right! What will you guys have?

They put their feet on their table.

Vegiemon: Hey! Put your feet off the table.

Maria: Fuck no. You guys are bad restaurant owners. So we're gonna be bad customers. (burps)

May: Yeah so make like a rocket and give us some food asshole! (BELCHES)

Me: Light you May?

I gave her a peppermint stick and she puffed it and winked at me.

Nico was now completely drunk.

Nico: (Slurred Speech) (To Vegiemon) This food sucks! It couldn't fill me up even if I was laughing my ass off and you couldn't make me do it. Huh? Come on skinny fill me up.

POW!

Nico then punched Vegiemon and he crashed into the wall into the kitchen.

Nico: I just want to say that I am about to fuck around with some stupid morons. I am so freaking wasted.

Maria: Keep up the drunk talk, Nico!

Nico: Yeah hey buddy. I'll have a triple cheeseburger and a large fries and do you sell pants?

Qin: Geez Nico.

Vegiemon came back and roared and Nico fell onto him and smashed him.

Qin: Ouch.

Me: Okay Nico I think you have had enough. We got a rescue to do.

I snapped my fingers and he was back to normal.

Nico: Whoa. (GROANS) What a headache.

Maria: And no Digitamamon yet!

Me: No but he will be here.

Nico: Yeah.

The customers left and grumbled and they said they were never eating at the restaurant again.

Qin: Good.

Me: Our plan worked.

Nico: Yep.

Vegiemon: Oh no! I'm getting the boss!

I fired a blast of fire and blasted him on his butt and burned him and he ran around like a chicken with his head cut off.

Me: Now lets take this outside guys.

We saw Young Matt, Joe, Tai and T.K. too.

Young Joe: Thanks guys!

Vegiemon: Hey! You get back in the kitchen and work!

Me: Consider this his resignation!

KROW!

I kicked him in the face and sent him crashing through the door of a room.

Nico: Eli, can you sense for Swartz's creations?

Eli: On it.

He concentrated.

Eli: 2 of them. Another Muggshot and Another Felix Faust.

Me: Wow.

Lola: Adagio would love battling the Another Muggshot.

Qin: Yep.

?: What's going on in here!?

We saw DIGITAMAMON!

---

Digitamamon is a minor antagonist in the anime Digimon Adventure and Digimon Adventure 02, and Digimon Ghost Game. In Digimon Adventure, he is indirect ally of Myotismon and a victim of the Digimon Emperor's Dark Spirals.

He was voiced by Jin Horikawa (Digimon Adventure continuity) and Rie Kugimiya (Digimon Ghost Game) in Japanese and Derek Stephen Prince in English.

A Digitamamon was first seen running a diner with Vegiemon as he forced Joe and Gomamon work off their bills as they lacked the only currency he would accept, American dollars in the Japanese version and Digi-Dollars in the English version, especially since Joe had the currency before it got stolen from him. Matt arrives to help Joe work off his bill and to ensure his safety when Digitamamon made a threat about "accidents" after DemiDevimon paid him to keep Matt from leaving. DemiDevimon also makes Matt think Joe is deliberately causing accidents to drive a wedge between, with Matt eventually losing this temper at Joe. When Tai, Agumon, T.K. and Patamon found them, Matt decides to leave. Digitamamon, knowing he'll lose money, grew large and attacked. Vegiemon grabbed T.K. and held him by his ankle; Joe daringly jumps on Veggiemon, which freed T.K. and proved his reliability. Matt was stunned at how Joe tried to protect T.K. even after he yelled at him. Matt's thought of friendship allowed Garurumon to Digivolve to WereGarurumon and sends Digitamamon flying.

Three years later, Digitamamon sets up a new restaurant near the lake where he ends up causing trouble for Yolei when she and her friends visited his establishment, with Mimi and Palmon appearing with Michael and Betamon to defuse the situation by paying the gang's bill. T.K. then recognized Digitamamon due to the circumstances being similar to the events that forced Joe and Matt to work for him. But Digitamamon explains that he became changed person from the ordeal and waives the bill with only Yolei skeptical that he turned over a new leaf.

When a Gorillamon under the control of the Dark Spiral attacked, Digitamamon threw himself in front of the DigiDestined and was sent flying. After Gorillamon was freed, Digitamamon rolled back. But this time, he had an unseen Dark Spiral in his shell and it regressed him to his evil self. When Halsemon, Flamedramon and Digmon's attacks couldn't get through his shell, Mimi tried to convince Digitamamon that he wasn't evil, but Digitamamon tackled her. That made Yolei angry with her rant over trying to be sincere activated the Digi-Egg of Sincerity. Halsemon De-Digivolved to Hawkmon and became Shurimon. Shurimon used the shuriken on his back to keep Digitamamon's shell open as Pegasusmon and Nefertimon trapped him. Shurimon used his Double Star attack and destroyed the Dark Spiral, freeing Digitamamon from its influence.

---

Nico: Long time no see eggface.

Digitamamon: You!

Nico: Yes me!

May: You're just a rotten egg Digitamamon.

Nico: I can't believe I wasted getting drunk on your lackey!

Vegiemon: HEY! I resent that!

Digitamamon: You will never leave this place alive!

Me: You hurt Mimi and you will pay for that you rotten egg! (ECHOING) NIGHTMARE SYNDROMER!

I fired a black ghost form and it hit Digitamamon and sucked him in and spat him out and smashed him into the wall.

Me: Hurts getting hit by your own attack huh?

Digitamamon was REALLY enraged now!

Maria fired water at him

And smashed him into the wall.

We went outside and he came out.

Me: You are going to pay for everything you did.

Digitamamon: We'll see about that!

I fired laser blasts and they hit his shell and bounced off.

Digitamamon: My shell is impenetrable.

Me: Then lets see how you like this one.

I held up my hand and my Dragonball Bracelet glowed red and fired 7 beams of red energy into the sky and it formed into an incredibly massive red energy ball and then I condensed it and made it more concentrated and made it the size of a basketball.

Me: Ever heard of that old saying "Karma is a bitch?" Well this is your karma. NEGATIVE KARMA BALL!

I fired it and it went at Digitamamon and the ball went right into his shell.

Nico: WHOA!

Eli: Is something supposed to happen?.

Digitamamon: Yeah? Huh?

Then his shell started to crack!

Nico: Uh oh! HE'S GOING TO BLOW!

Eli: DUCK AND COVER!

We hid behind a rock.

Then he screamed and then…

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF UNIMAGINABLE POWER!

The explosion blew him apart from the inside and completely obliterated him into nothing! When the smoke cleared Digitamamon was gone and destroyed and so was the restaurant!

Eli: WHOA!

Lola: Wow! So that was the surprise you had for him.

Nico: WHOA! Not even a rotten egg like him was able to stand up to the power of the Shadow Dragons.

Me: Yep.

Nico: Now to replace this with something.

Nico snapped his fingers and built a flower shop.

Nico: There.

Maria: I smell something nice already!

Me: Me too.

Young Matt: Tai why do you always have to be such a jerk!?

Young Tai: What did I do this time Matt!?

Young Matt: You got Mimi hurt!

Young Tai: I did not! What are you blaming me for it for!?

Young Matt: Because you think you are so much better than us all!

Me: All right you two break it up! Mimi getting hurt was an accident.

She was trying to help you guys.

Nico sensed something and following his gut, shot Young Matt in the shoulder.

Laney: NICO, ARE YOU OUT OF YOUR MIND?!

Nico: No. I'm not out of my mind. Matt is!

Me: And for good reason! Look!

We saw him clutch his head and then he screamed in pain.

Me: Oh man!

Then a dark aura appeared out of Young Matt and it separated from him and formed into another Matt but he had pitch black hair and had pitch black clothes and piercing red eyes and an evil smile his face!

Qin: WHAT THE!

Nico: Oh man! I knew it!

Me: What in the Nine Fucking Levels of Hell!?

Nico: (to Laney) Did you really think I would shoot a kid without a good reason?

Laney: Not at all.

Young Tai: He looks like Matt!

Dark Matt: Now I can kill you Tai!

Me: Like hell you will!

I teleported and kicked Dark Matt in his face and knocked him down.

Nico gave him a wedgie!

HOING!

Dark Matt: WHY YOU!

Me: You will do nothing. Your parents divorced because of you!

Dark Matt: What did you just say to me!?

Me: You heard me! They divorced because of you! They hated you and they divorced because of you.

Dark Matt growled ferociously!

Nico: You should be ashamed!

Me: Because you don't care about anyone but yourself!

I fired waves of lightning and electrocuted him.

Me: You made Matt into a monster!

Dark Matt: No IT'S TAI! HE MADE ME THIS WAY!

Me: No it's YOU that did it! You brought all that on yourself!

Nico: And now, we're taking you down!

Dark Matt: Then I will take you with me!

I fired a wave of energy and blasted him all over and then I fired waves of energy and banished him into the Black Gates.

Me: Good riddance.

Qin: Yeah!

Varie had Young Matt's arm in a sling.

Me: You okay Matt?

Young Matt: Yeah. I'll be okay.

Nico: Um… no hard feelings?

Young Matt: You had every right to shoot me Nico. I was a monster because of that monster in me.

Qin: What happened to your family was not your fault Matt.

Xenia: Yeah.

Me: Your parents got divorced because your dad loved his job. Nancy lashed out because she was too quick to judgement.

Nico: It wasn't a fatal shot.

Young Matt: Yeah.

Nico: Good.

Eli: Now we have to face the Another Muggshot and Another Felix Faust.

Nico: Who's up first?

Kaina Tsutsumi: I will.

Nico: Okay then.

Qin: Go get her.

Nico: Yeah!

Me: This will be fun.

Nico: There she is!

We saw a big figure and it was a dark version of Muggshot! It was ANOTHER MUGGSHOT!

Qin: Whoa! Another Muggshot!

Lola: That is a big one!

Xenia: It sure is!

Juran: Who's Grenda again?

Me: She is a girl from a Guatemalan Island that worshiped the Dodo Bird. She and Bree love each other so much.

Nico: Aww that is so awesome.

Me: Yep. I had them live at the estate ever since. She and Grenda are an amazing couple.

Qin: Awesome. Luna and Sam along with Izzy and Fern are going to love them.

Lola: So awesome.

Me: Is the Another Felix Faust friendly or hostile?

Bree: She is friendly and she is a really awesome user of dark magic.

Me: Wow!

Kaina: Shall we?

Bree: We shall.

Kaina formed her arm into an energy shotgun.

Bree turned into Another Muggshot and Kaina blasted her down and I caught the Wonder Ride Book. It was called The Texas Cowgirl and The Gangsters of Utah.

Me: Fitting.

I brought Bree over.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) SEADRAMON FORCE 6!

She summoned Seadramon, Big Lenny (SpongeBob Squarepants), Alien Pig, Ifrit, Koyo Ozaki and King (Batman Beyond), along with Universe 666 Mean Rarity, MegaSeadramon, WaruSeadramon, MetalSeadramon, MarineDevimon, Ebidramon, Neptunemon, Scubamon and Divermon.

Qin: Nice!

Nico: This will be good.

Seadramon: The good old Digital World.

Me: Yep.

Seadramon: Oh man what happened to Mimi and Matt?

Me: Ugly story.

Qin: Yeah and J.D. destroyed Digitamamon.

Lola: Blew him apart with a Negative Karma Ball.

Xenia: It was awesome.

Nico: I see her!

We saw a figure and it was a dark version of Felix Faust! It was ANOTHER FELIX FAUST!

Me: Whoa! Another Felix Faust!

Brittney: This one is radiating darkness vibes from her.

Qin: Wow.

Another Felix Faust: (In a girls voice) (German Accent) I am glad that you think so.

Me: (GASP) Julia Faust!

She reverted back and was a girl with black hair and had purple and black clothes on and she had a book on Dante's Inferno with her.

Julia Faust: Good to see you again J.D.

Me: You too Julia. Julia is the direct descendant of Dr. Faust, the man who invented the Faustian Bargain and she is also a master of dark magic and is also an amazing poet.

Nico: Cool!

Kaito: (gets out Zyuranger gear) Did Swartz promise you anything?

Zocks: (gets out Jetman gear) Because we can grant it instead.

Kaito got a Mighty Morphin Sword and Zocks got a Jet Sword.

Julia Faust: Just to see what Hell is like.

Me: We can easily do that. But we should warn you it is not a pleasant place. Hell is what we call the ultimate mother of all nightmares.

Nico: Yeah we have literally been there and back.

Lily: It's a scary and terrifying place.

Julia Faust: You guys have been to Hell before?

Qin: Yeah we sure have.

Me: What we saw there is horrifying.

Nico: Yeah.

Julia Faust: That is crazy. I'll have to see it to believe it. But I knew that Swartz was lying.

Me: He lied to everyone.

Lola: But we gave him the Black Gates.

Sakura Knudson: They sure did. I was there when it happened. I didn't participate in the battle.

Me: It's true.

Sougo: (gets out Mighty Morphin Ridewatch) That was a scary promise Swartz made.

Geiz: (gets out Jetman Ridewatch) The main way to go to Hell is to die.

Sougo got TyrannoMightMorphinArmor while Geiz got RedHawkArmor

Me: Actually Geiz, there are OTHER ways to go to Hell.

Nico: It's true. And it's crazy.

Me: It's a long story.

Geiz: Oh boy.

Me: Sorry we have to fight like this Julia.

Julia Faust: No worries. Can you hold this for me?

She handed me her book.

Me: Sure.

Brittney: She likes the Divine Comedy too?

Me: She sure does.

Julia turned back into Another Felix Faust.

Me: You wouldn't believe the kinds of things we saw in Hell.

Nico: It was really terrifying. We saw many of history's most famous and infamous figures there.

Me: Cleopatra VII, Julius Caesar, Electra, Socrates, Aristotle, Plato, Genghis Khan, Attila the Hun, Mordred, many people!

Eli: It was horrible.

Another Felix Faust: Wow!

Me: I know and they were being tortured in the most horrible and most awful ways ever imagined.

Nico: Yeah no shit!

Me: Those guilty of lust were blown around by relentless winds, gluttons were drenched in sludge, mud, rain and filth, those guilty of greed were melted in gold and buried in gold coins, those found guilty of Anger were put into the black sludge of the river Styx, Heretics were entombed in tombs of fire, the violent were boiled in the blood they have shed, turned into trees for those that killed themselves and bombarded with fire from the skies, the fraudulent had horrible punishments and those for Treachery were all encapsulated in ice.

Another Felix Faust: Oh man!

Qin: Yeah it was awful.

Nico: It sure was. (gets out Felix Faust's Ridewatch) Time for a magic show!

He activated it and fired waves of magic and blasted her all over.

Nico: (gets out Ozzie Ostrich'a Ridewatch) Now for Ostrich power!

He activated it and fired Ostrich Eggs and they hit her and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: WHOA!

Qin: Ostrich Egg Bombs. Awesome.

Me: Yeah.

May: (gets out Evil Discord's Ridewatch) Chaos is a wonderful thing!

Evil Discord: Oh you don't know the half of it May. (Dances in a cheerleader outfit)

Fluttershy laughed.

Me: (LAUGHS) He cracks me up.

May activated it and fired a wave of chaos energy and it turned

Another Felix Faust's outfit into a goofy ballerina outfit!

Me: (HOLDS IN LAUGHTER)

Nico: (HOLDS IN LAUGHTER)

May: (gets out Duo's Ridewatch) Now for this!

She activated it and fired waves of energy and smashed her down.

Qin: YEAH!

Maria: Uh can you cut this off for me J.D.?

Me: Sure thing. (SPINS MAGISWORD BRACELET)

CHAINSAW MAGISWORD!

Me: Hope this won't hurt.

I cut it off.

Me: There.

Maria: Thanks.

Me: You're welcome.

Maria: (gets out Gekkor's Ridewatch) This reminds me. We HAVE to meet the spokesperson for Geico.

Me: That is funny and we should.

Maria activated it and fired waves of energy and smashed her down.

Nico: YEAH!

Then Ben Ravencroft and his team consisting of Heart, Earth Kang, Plasmus, Shibolena and Gammaizer Magnetic came.

Nico: Nice team Ben!

Ben Ravencroft: Thanks Nico.

Qin: Cool!

Shannon: So it's my turn next. Awesome!

Ben Ravencroft: And Plasmus is separate from his human self.

Me: Really? But how!? Not even Jeremie was able to figure out how to separate Otto von Furth from him.

Ben Ravencroft: I used my dark magic to help him out.

Me: Wow! That is amazing.

Brittney: I'll have to figure out what that spell is. The Netherworld Dark Magic Library might know something.

Nico: Yeah.

Jinx: My turn!

She activated it and fired ostrich egg bombs and smashed her down.

But then…

ZOOM!

Something flew in with incredible speed and slashed Another Felix Faust down and she was back to normal and I caught the ridewatch and purified it and I brought her over.

Jinx: Who did that?

Me: Someone that has amazing speed.

?: That was me.

We saw a Gallade come out.

Me: A Gallade! Wow!

Nico: That was awesome.

She reverted back and it was a girl with black hair and had a yellow Chinese outfit on.

Nico: (GASP) Chun-Li Xing Yuan! Wow!

Chun-Li Xing Yuan: (Chinese Accent) Good to see you again Nico and you as well Qin.

Qin: You too Chun-Li.

Me: You have amazing speed and strength. Did you learn the same techniques that Chun-Li from Street Fighter did?

Chun-Li Xing Yuan: (LAUGHS) Everyone thinks that. But no I just learned them on the fly.

Qin: That is cool!

Me: Very impressive.

Jinx: What's your favorite memory of Nico?

Chun-Li Xing Yuan: My favorite is when me and Nico busted a really massive Sicilian Mafia operation and it was a massive weapons smuggling operation and we arrested 7,235 members of that mafia there and confiscated enough armaments there to stop a huge war.

Me: Wait you mean the Great Railgun Smuggling Operation was stopped by you guys?

Nico: Yep.

Me: That was awesome!

Xenia: Yeah!

Lola: Wow!

Camie: What are railguns?

Me: Energy weapons. They pack a really powerful wallop.

Eli: Yeah they sure do.

Nico and Chun Li hugged.

Nico: I've really missed you.

Chun Li Xing Yuan: Me too Nico. Me too.

We went back to the Floating Fortress.

TD Gwen: No problem, Lincoln. Now, let's go find those monsters and take them down.

Suddenly, we saw Elemental HERO Absolute Zero appear before us, and with it are the thirteen girls.

Me: Whoa, Elemental HERO Absolute Zero, man that's cold.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Absolute Zero: (Girl's voice) Oh, sorry about the scare, but I also got the girls away from Maren's evil ex-parents and her heartless gold-digging ex-sister, Sophia, and they're heading here now after I pissed them off.

Lincoln: (Gasps) That voice, Emily Maddox, I knew it was you.

?: (ENRAGED VOICE) MAREN, I'LL FUCKING KILL YOU FOR RUINING OUR LIVES!

We saw our three targets, Maren Duncan's ex-sister, the heartless evil gold-digging leech, Sophia Duncan, dressed in that prison uniform from the boarding school in Siberia, and the heartless evil gold-digging ex-parents of Maren Duncan, and they're dressed in orange prison jumpsuits, and they were absolutely pissed off.

Lincoln: Ah, shut your traps, you heartless, abusive, gold-digging leeches, you deserved your just desserts for what you did to Maren. I would've thought we'd never have to deal with you lot again, but you just don't know when to quit, now we'll do what Maren swore to do if she ever saw you three leeches again. Let's get them, gang!

Then, Lincoln and Maren did what she swore to do: they broke the arms and legs of her ex-parents and her ex-sister as they screamed in pain, and then, they threw them into a dumpster which was sent on its way to The Europa Prison for Gold-Digging Leeches, and the dumpster dropped them into their new cells in Solitary Confinement, they screamed in rage and insanity. We cheered as we holster our weapons and powered down.

Lincoln: Have fun in your new prison cells, you good-for-nothing gold diggers.

Nico: Tech's going to enjoy seeing that our new prison already has some brand new inmates.

Lincoln: And there's going to be a lot more coming. (To Emily Maddox) And it's so good to see you again, Emily Maddox.

Emily Maddox reverted back to normal, and she's a beautiful girl with long ice blue hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless ice blue crop top, ice blue shorts, ice blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, ice, snowflakes, and angels on the coattails and on the back is Elemental HERO Absolute Zero, and holstered on her back is a massive Elemental HERO Absolute Zero-themed greatsword with embedded dark blue gems and Elemental HERO Absolute Zero etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Emily Maddox: You too, Lincoln, it's been a long time.

Lincoln went up to Emily Maddox and he hugged her, and Emily Maddox is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Emily Maddox: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Emily Maddox, Gene-Slammer of Elemental HERO Absolute Zero, she's my Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model.

Emily Maddox: Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Emily, the mastermind behind this extortion plot were her parents and her sister, Emma, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister and a success in her own way and right, and they wanted to kill her and let Emma, their favorite daughter, become the success they wanted her to be, not their eldest daughter.

Nico: Just like we heard yesterday, damn.

Emily Maddox: And you guys are in for the story of how we took my gold-digging leech workers and my evil parents and evil little sister down and how I severed all ties with my parents and Emma and cut them out of my life forever since they made my life Hell. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Emily?

Emily Maddox: How'd you guess what we were about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Emily Maddox: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since he's done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Selene Emperyous: And when you guys did your kiss for the cover shoot, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength for him not to go wild and mark you.

Emily Maddox: Same thing happened with the other Elemental HEROS of Water, and we almost went nuts when Lincoln had on that cologne that drives us wild.

Lincoln went up to Emily Maddox, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Emily Maddox: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Emily Maddox's neck with ice blue gems on the gold lightning bolts and ice blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Emily Maddox: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Emily Maddox.

Emily Maddox had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The thirteen girls are Celes Alford, Hotori Nojima, Madoka Kobayakawa, Miri Inui, and Yukako Shinonome from Precious Last Summer Party and Princess Clio, Princess Hildegard, Princess Amber, Princess Vivian, Princess Leena, Princess Zooey, and Princess Kari from Sofia the First, and Bayala the Fairy from Bayala: A Magical Journey.

Lincoln: Oh wow, it's Celes Alford, Hotori Nojima, Madoka Kobayakawa, Miri Inui, and Yukako Shinonome from Precious Last Summer Party, Princess Clio, Princess Hildegard, Princess Amber, Princess Vivian, Princess Leena, Princess Zooey, and Princess Kari from Sofia the First, and Bayala the Fairy from Bayala: A Magical Journey.

Nicole: Whoa, awesome.

Princess Sofia: (Gasps) So, among the group were Amber, Clio, Hildegard, Vivian, Leena, Zooey, and Kari, wow!

Lincoln: I remembered you telling me about your sister, Sofia, along with the other princesses of Enchancia, who are also among your friends. Are you girls okay?

Celes Alford: Yes, we're okay, thanks to you.

Then, when Celes Alford and the other twelve girls saw who it was that saved them from Maren Duncan's heartless evil gold-digging leech ex-parents and heartless evil gold-digging leech ex-sister Sophia, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Celes Alford: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

But, when Lincoln showed the beatdown we all gave those heartless leeches and Lincoln and Maren breaking their arms and legs and throwing them in a dumpster which took them to their new home: The Europa Prison for Gold-Digging Leeches, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Emily Maddox have a lot of catching up to do, now that she's back in town.

Maria: (Laughs) That'll teach those gold-diggers a lesson they'll never forget.

Tech E Coyote: And the new prison's going to have some brand-new prisoners coming in.

TLPS Mr. Wolf: This morning before we left for Nico's rescue, me and the crew captured Camille and her boyfriend, Garrett, Eva and her boyfriend, Maurice, Michaela and her boyfriend, Daniel, Mary and her boyfriend, Jacob, and Eliza and her boyfriend, Miguel, and threw them in that new prison.

Fiona (Loud House): Nice one, and Miguel, Leni's friend, is glad Eliza's boyfriend who shared the same name as him is also in that prison forever with that gold-digging leech.

Me: They deserved it big time for being a bunch of conniving, heartless gold-diggers.

Nico: You said it.

---

After taking down Maren Duncan's evil abusive heartless greedy ex-parents and heartless evil gold-digging sister down, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Emily Maddox saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Emily Maddox: My God, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Emily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Emily Maddox: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Emily Maddox: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Emily, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Emily Maddox: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Emma, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Emma, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Marlene and her boyfriend, Zachary, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Emma hated her so much, they wanted to ruin Emily's name and her reputation, along with taking all of her money and killing her.

Emily Maddox: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Marlene and Zachary were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Emma had coming to them: Emily was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Emma arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Sophia than their eldest daughter, and Emma was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever, and she was expelled from school.

Lincoln: In the end, her parents and Emma were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Emily's parents were both sentenced to life in federal prison without the possibility of parole, and as for Emma, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Emily severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Emily Maddox: You got that right.

We got a shower, and then, Lincoln, Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler are heading to Anjajavy Peninsula, Madagascar.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Serenity Wheeler: Whoa, so this is Anjajavy Peninsula, it's so beautiful.

Lincoln: I've never been to any beaches in Madagascar before, Serenity, and it's perfect for our first date, and we're also coming back here to Madagascar for our challenge and against the third of The Celebrity 5. Shall we?

Lincoln, Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made a clone of himself and he and his clones went up to Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler, and they hugged the girls in their abnormally massive and powerful muscular arms, and Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler placed their hands on the massive pecs of Lincoln and his clone, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Madagascar, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Berryshine, Shoeshine, Sunshower Raindrops, Carrot Top, Fiddlesticks, Blossomforth, Vivian Wong, Ishizu Ishtar, and Serenity Wheeler are now part of your harem too.

Timmy Turner: At least, Joey trusts Lincoln with Serenity, that's more than I can say for Tristan.

Tristan: Hey, what did I do?!

Timmy Turner: Joey told me of what you tried to do putting the moves on Serenity, he'd warned you about not getting any funny ideas, and you know how protective Joey is of his sister, and there's no way he'd let you date her, so he went with Lincoln because he's a trusting man who always keeps his promise, and if he finds out you're trying to steal Serenity from Lincoln, he'll put you in the hospital, and in a full-body cast!

Nico: Uh oh, you heard him, Tristan.

Eli: And Marik already trusted Lincoln with Ishizu, so there's no problems there, but Timmy's right, Tristan, so back off!

At the Floating Fortress we were flying over the Indian Ocean heading Towards Madagascar.

Taro and the Zenkaiser Clone were visiting.

Bonnie: Thanks for visiting, Taro.

Taro: Anytime Bonnie. It's going to be awesome helping you guys out.

Qin: It sure is awesome having you with us.

Kaito 2: It sure is.

Me: Yeah.

Taro: I heard J.D. that you and Nico turned into new Donbrothers.

Me: Yep. I turned into Don Houou Falchion.

Nico: And I turned into Don Twilight Purgatorio.

Taro: Cool names.

Poromon: Before anything else happens, would you two like to watch an educational video?

Taro: Sure.

Qin: Just make sure it's not the trailer for you know what.

Nico: Yeah.

The mascots brought up the video for the Robot Chicken sketch, "Cereal Killer".

Taro: An educational video with action figures?

Me: It's a Robot Chicken Sketch. We saw this one and it is not funny.

Fred Flintstone and Barney Rubble sit on the sofa.]

Fred: Eh, Barney boy, this is the life!

Barney: You said it, Fred. An entire civilization not wearing underwear, you gotta love it!

[Fred and Barney give thumbs up to one another. Just then, there is a knock at the door.]

Fred: Now, who could that be?

[Barney laughs. Fred opens the door.]

Fred: Yeah?

Mr. Rock: Hi, I'm Mr. Rock from FedEx Stone. I got a delivery for Fred Flintstone from -pebble.

[Fred stares at him, confused.]

Mr. Rock: [sighs] Look, sometimes the rock puns don't fit too well, buddy, you want the package or not?

[Mr. Rock leaves.]

Fred: [reading the letter:] "Dear Fred, I hope this distracted you long enough. Signed, Barney. P.S., I invented paper. Bitchin!"

[Fred looks over to Barney, who tries to sneak out with Fred's box of Fruity Pebbles.]

Fred: BARNEY, MY PEBBLES!

[Fred rushes over to Barney and tries to snatch the Fruity Pebbles away; Barney manages to escape from Fred with the cereal.]

Barney: [laughing] You can't catch me, Fred!

[Fred tackles Barney, and starts punching him in the face. Barney grabs nearby a club and hits Fred in the head with it. A cracking sound is heard and Fred falls down on the floor.]

Barney: [laughs] Hey, good one, Fred, good-

[Cut to Fred's lifeless corpse, which is a mangled mess. Blood pours out from his head.]

Barney:… uh-oh.

[Cut to Barney burying Fred's dead body in his backyard, using a bird as a shovel.]

Barney: Dammit, Fred… I just wanted some of your [bleep] cereal.

Bird Shovel: Oh, his head always was full of rocks…

Barney: [gasps] A witness!

[Barney kills the bird by breaking its spine over his knee, then runs back into the house to find more witnesses, namely, the animals that serve as household appliances.]

Barney: WITNESSES! THE DISHWASHER!

Octopus Dishwasher: My goodness Cretacious!

Barney: THE RECORD PLAYER!

Bird Record Player: He's off his rocker!

Barney: THE BIDET!

Turtle Bidet: Oh, man, the things I've witnessed…

[The appliances begin to scream in terror and panic. Barney manages to grab a pterodactyl, and pulls a pig out from under a table.]

Pig: Is he stone-cold crazy? You bet Jurassic-

Barney: NO MORE PUNS!

[Barney stuffs the pterodactyl into the pig's mouth.]

Barney: [laughing evilly, as the camera spins around him]

[Cut to Wilma Flintstone and Betty Rubble returning home.]

Wilma: So, he's trying to sell me a tampon, but I said, "It's just a rock!", and he says, "Well duh, everything's a rock!"

Betty: The nerve of some people.

Wilma & Betty: [gasp] OH MY GOD!

[The camera shows all of the dead animals, including Dino who is nailed to the wall. It then cuts to Barney killing the pig by stuffing something into its mouth, with blood on it chuckling evilly. In his other hand, he holds the turtle.]

Turtle Bidet: Oh lord, please don't stop him before he kills me.

[Barney grunts in rage.]

[Cut to a box of Fruity Pebbles as Barney is seen hanging in the gallows in the background.]

Announcer: Fruity Pebbles are an important part of this complete breakfast.

[The gallows drop, snapping Barney's neck and killing him.]

[cut to static]

Me: Well what do you think?

Taro: All that over some cereal?

Me: Yeah but we love Fruity Pebbles and they are tasty.

Nico: Yep.

Poromon: Yeah.

Me: How is watching this Educational?

Poromon: Let us break this down for you. While hanging out at Fred's house, Barney gets creative in his attempt to steal his friend's Fruity Pebbles.

Poliwag: Sadly, the two friends end up physically fighting over the cereal.

Manaphy: During their scrap, Fred accidentally receives a fatal blow from his best friend.

Horsea: Barney quickly rushes to hide the evidence of his crime, only to realize that all of the animal appliances at Fred's house saw what happened.

Jirachi: So… Barney ends the lives of all the living creatures that witnessed his crime.

Tentacool: He's eventually caught in the act, captured and forced to pay the ultimate price.

Me: Your point?

Nico: Yeah.

Poromon: Petty fights lead to disastrous consequences.

Me: No arguments there. I remember Lori and Leni fighting over a blue dress.

Lincoln: (SHUDDERS) I remember that.

Taro: (to Barney) I know it wasn't really you. But… I hope the fruity pebbles were worth it.

Barney: (LAUGHS) Yeah they were.

Me: I love the commercials.

Lynn Sr.: Made something awesome guys.

He came out with Fruity Pebbles Marshmallow bars.

Me: Ooh Fruity Pebbles Marshmallow bars.

We ate them and man were there tasty.

Me: (Eating) Mmm! Delicious.

Nico: (Eating) Delicious.

Ryu: Um… guys? We have a situation.

Me: What's wrong?

Clutching his arm was a woman that I remember seeing. It was Kanako.

Me: (Gasp) Kanako?

Kanako: Awesome to meet you guys.

Me: (In my head) I remember Kanako. What is she doing here? She should be with Makoto.

Ryo: She just appeared out of nowhere and is now clingy to me.

Me: Odd. But Kanako aren't you still with Makoto?

Nico: Yeah.

Kanako: I just appeared here suddenly and now, I don't think I can get back to him.

Me: I wouldn't be so sure. I'll be right back.

I teleported to Japan and brought Makoto to us.

Me: Makoto I know you and Kanako are having some issues but at least try and talk things over.

Nico: And lets do it in the park.

Makoto: Okay.

We went to the park.

Me: (Telepathically to Nico) I have a feeling we're going to have a powerful Hitotsuki fight from this one.

Nico: (Telepathically to me) I feel it too.

We arrived at the park.

Kanako: I don't think any of you understand. I suddenly appeared here and now, I think the Red Jetman is perfect for me. AND I'LL DO ANYTHING TO WIN HIS LOVE!

We gasped!

Me: Uh oh! Uhh (nervous chuckle) Kanako he is way out of your league. I'm no matchmaker but Ryu according to 2023 standards is like 30 years older than you are. He was the leader of the Jetman back in 1991.

Kanako: THAT STILL DOESN'T MATTER! LOVE CONQUERS ALL!

With that, she was surrounded by an energy circle with the Jetman logo. Then, she turned into Choujinki from episode 17 of Donbrothers!

---

Kanako is Makoto's girlfriend and they had a good relationship until both of them were attacked by Chikyuuki. Rather than staying with Kanako, Makoto got really scared and ran away, leaving her behind, causing their relationship to turn sour.

In order to win Kanako back, Makoto seeks help from Tsubasa. After discussing, Makoto meets up with Kanako, pretending he wants to discuss something important, remembering Tsubasa's plan. Tsubasa will disguise himself as a monster and pretend to attack Kanako, Makoto will be her hero and save her by "defeating" Tsubasa and looking brave in her eyes.

As Tsubasa hides in the bushes in full costume, ready to execute the plan, Jiro is nearby and unaware that the "weird person" is Tsubasa. The latter recognizes Jiro from the dog food incident and is annoyed he showed up. Jiro fights him even though he isn't a Hitotsuki for looking "way too suspicious" and judo tosses Tsubasa to the ground, who is nearly KO'd as he hits the pavement. Makoto sees Tsubasa lying on the ground as Jiro leaves and goes to check on him. Kanako thinks Makoto is ditching her again and leaves.

Later on, Makoto and Kanako meet up again, with the former confessing his feelings to her and how he is willing to try again with their relationship as Tsubasa observes from afar. But Kanako shocks the both of them by revealing that she fell madly in love with Tsubasa after rescuing her from Chikyuuki, to the point she has images of his wanted poster on her bedsheets, pillow and bedroom wallpaper. Makoto learns that Tsubasa is a criminal and things only get worse for the latter as Sonoza and Sononi showed up and attack him. Tsubasa is forced to transform in front of the two lovers, with Kanako in shock that her Prince Charming is actually a dog and she gets upset. Her desire for a fantasy boyfriend overwhelmingly consumes her and her refusal to accept reality results in her becoming a Hitotsuki instead of Makoto, changing into Choujinki.

Tsubasa tries to save Kanako before she hurts civilians but Sonoza keeps him at bay. Taro, Shinichi and Haruka teleport in, with Taro for some reason riding on top of the two's shoulders before they throw him off yelling they are not his throne and this isn't the time for theatrics. All three change and assist Tsubasa, with Shinichi taking on Sonoza while Haruka battles Sononi. Choujinki proves difficult for the remaining trio of Rangers, with her flight ability outclassing Tsuyoshi's as she effortlessly knocks him out of the sky and does a bombing run on the earthbound Don Momotaro and Inu Brother. Don Doragoku arrives in Alter form, utilizing the Ninninger Avataro Gear offscreen to knock Choujinki out of the air with a barrage of shuriken and swiftly attacks by combining with the Ninninger Alter. He returns to his body and teleports to where the Donbrothers are fighting, stating that the team does need him after all. Sonoza throws his spear at him, having taken Shinichi hostage. Jiro uses his new DragonRanger Avataro Gear to save him, disorienting Sonoza and fighting him with the Zyusouken. While in the form of Dragon

Ranger, Jiro comments he feels like an older brother. Don Momotaro has no idea what that even means, ordering the team to finish off Choujinki with the Robotaro forms while Jiro fends off Sononi and Sonoza. Choujinki becomes Choujinking, who while having an initial advantage over Don Onitaijin with its superior flight speed, is knocked out of the air by a well timed jump kick and is purified by the Donbros Paradise.

A few days later, Tsubasa sees Makoto and Kanako have reconciled their relationship, wearing matching shirts and discussing where they would like to go to eat lunch. The two pass by Tsubasa without noticing him, which he feels is for the best. He wishes Makoto luck and silently walks away.

---

He went and bashed Choujinki all over.

Nico: Take that!

Kanako: Take this one!

She fired waves of energy and blasted her all over.

?: Aw crap! Blast those Anoni's!

Out came a Probopass!

Me: Hey a Probopass.

Qin: Cool!

Probopass: (In a girls voice) Sorry I missed it. Anonis held me up.

Nico: (GASP) Rachael Serillo! Wow.

She reverted back and was a girl with orange hair and blue eyes and had blue clothes and she had a compass tattoo on her arm.

Rachael Serillo: Awesome to see you again Nico.

Perceptor: May we hear your favorie memory of Nico?

Rachael Serillo: My favorite is when me and Nico went and took down a bunch of Treasure Thieves that were after a bunch of priceless artifacts to sell on the black market.

Nicole: I hate people like that.

Rachael Serillo: Me too. We busted them and sent them to prison.

Nico: Yep.

Nico and Rachael hugged.

Nico: I've missed you.

Rachael Serillo: Me too Nico. Me too.

Taro: That was so awesome though!

I found the Jetman Gear and collected it.

Me: Awesome.

Lola: That was so fun though.

Nico: Yep.

Taro: Me and my team will be staying for the challenge.

Hard Man: Good. Joel won't expect you guys.

Me: Cool! Looking forward to it.

Camie: Yeah!

Then the previous group came.

Trapster: Can me, Shendu, Selene, Amora, Firebrand, Man Boy, Femme Fetale, Kangor, Saix, and Spot go with you guys?

Nico: Yes you all can come with us.

Qin: Awesome.

Shendu: Wow the Donbrothers! Awesome having you with us.

Me: They are guests for this mission because Taro and Kaito 2 are in the team that are part of the roster for the usual battles today.

Shendu: That's awesome.

Me: Yep.

Taro: It's going to be awesome.

Flywheels: Boss, which Gene Slammers do you think you'll meet next?

Nico: Dusknoir, Froslass and Rotom next.

Camie: Wow those will be cool.

Qin: Yeah!

Nico: They sure will.

Suddenly, Lincoln's Celebrity 5 alarm went off, and he picked up the signal, and he saw who's the next member of The Celebrity 5 we're taking on: it was Joel Murphy.

Me: Uh oh, The Celebrity 5 alarm has gone off. So, which of The Celebrity 5 are we going after now?

Lincoln: The next member of The Celebrity 5 we're facing is Joel Murphy, and he's in Madagascar.

Jessica Shannon: So, after we complete the challenge, we take Joel Murphy down, and you put him into a disk, right, Linky?

Lincoln: Right, Jessica.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Leeweestra, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Leeweestra of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Adriana are more than ready for Leeweestra, right, Lincoln?

Adriana Azathoth: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Leeweestra and give him The Black Gates.

Lincoln: You said it, Adriana.

Nico: To face off against one of the Incarnations of The Cthulhu Deities, oh boy, that's a fate worse than death. Alright, gang, our next stop is in Madagascar, and the next of The Celebrity 5: Joel Murphy

Lincoln: We'll take him down in the same way we took down the other two members, and put into a disk and once we get done trouncing Joel Murphy, you better be ready to die, Leeweestra.

Adriana Azathoth: You better be ready to die, Leeweestra, because you're about to face the madness of Azathoth.

Nico: Yep. And this will be fun because we're going to make this battle a Battle of the Bands before we have the usual battles.

Lola: This is gonna be awesome!

Alvin: I'm really looking forward to this one.

Shendu: (to Alex the Lion) Doesn't this bring back memories?

Alex the Lion: It sure does and it will be awesome to see Madagascar again.

Qin: Yeah.

Fluttershy was still crying.

Qin: Fluttershy are you okay?

Me: Oh man.

Shendu: What's wrong with Fluttershy?

Me: (Sighs) Choujinki yelled a line that Fluttershy completely regretted at the Grand Galloping Gala.

Nico: It brought back a terrible flood of memories. Remember how she went bonkers and wanted every animal in Canterlot to love her?

Shendu: Oh boy.

Qin: That was awful.

Lola: Poor Fluttershy.

Kitten: How about you guys told us how you ended up in Madagascar?

Marty: It all started during my birthday.

Me: Better yet. How about we show you?

Marty: That works.

I got out the movie Madagascar.

We got to playing and we had popcorn and Lincoln was comforting Fluttershy as she was crying.

---

In New York City, Alex the lion is the star attraction of the Central Park Zoo, and spends time with his friends, Melman the giraffe, Gloria the hippopotamus, and his best friend Marty the zebra, who has grown bored with his daily routine and longs to experience the wild. On Marty's tenth birthday, Alex, Melman, and Gloria attempt to cheer him up, but Marty, still unsatisfied, learns that the zoo's penguins-Skipper, Kowalski, Rico, and Private-are trying to escape to Antarctica, and follows them out. Alex, Melman, and Gloria pursue Marty and attempt to convince him to return. The four, along with the penguins and two chimpanzees named Mason and Phil, converge at Grand Central Station, where the New York City police sedate them using tranquillizer guns. Under pressure from anti-captivity activists, the zoo is forced to ship the escaped animals by sea to a wildlife preserve in Kenya. During their travels, the penguins escape and take over the ship, intent on taking it to Antarctica. Their antics on the bridge cause the crates containing Alex, Marty, Melman, and Gloria to fall overboard and wash ashore on the island of Madagascar.

Arriving at Madagascar, the animals come across a pack of lemurs led by King Julien XIII. The predatory fossa attack the lemurs, but are scared off by Alex's fearsome appearance. Alex blames Marty for the group's predicament and attempts to signal for help to get back to civilization. Marty finds the wild to be exactly what he was looking for, and Gloria and Melman soon join him in enjoying the island. Alex eventually comes around, but without the raw steaks he was provided at the zoo, hunger sets in and his prey drive begins to show. Julien has the lemurs befriend the zoo animals in the hope that Alex's presence will keep the fossa at bay, despite his adviser Maurice's warnings about Alex's predatory nature. When Alex loses control and attacks Marty by biting him, he goes wild again and begins to chase Marty until Maurice throws a coconut at Alex to stop him. After realizing what he did and seeing himself as a monster, Alex runs off to the predator side of the island, where the fossa live and builds a cage resembling the one back at the zoo, feeling sad and guilty for attacking his friends. Seeing what Alex has become, and how dangerous the wild can be, Marty begins to regret his decision to leave the zoo.

The penguins, having found Antarctica to be inhospitable, land the ship at Madagascar. Seeing the chance to return Alex to New York, Marty crosses over to the predator side and attempts to convince the scared, starving Alex to return, but Alex refuses out of fear that he will attack Marty again. The fossa attack Marty, and though Gloria, Melman, and the penguins come to the rescue, they are outnumbered. Alex overcomes his predatory instincts, rescues his friends, and scares the fossa away from the lemur territory forever. The lemurs regain their respect for Alex, and the penguins satisfy his hunger by feeding him sushi, which he finds better than steak. As the lemurs throw a farewell celebration for the foursome, the penguins decide not to break the news that the ship has run out of fuel, thus leaving them stranded on the island.

---

When the movie was done everyone cheered wildly!

Nico: YEAH! Love that movie!

Eli: Awesome movie there!

Skipper: Ah. Good memories.

Me: Those were fun times.

Amora: (to the Lemurs) I bet you guys are happy to be home.

King Julius: We sure are.

Nico: Yep in fact we're already here.

We arrived at Madagascar 🇲🇬.

---

We landed and disembarked.

Me: Welcome to the island of Madagascar.

Nico: Wow!

Commander Mars: I hope we don't run into the Fossa here.

Me: The Madagascar Wildcat? That would be an amazing sight to see.

Xenia: Yep.

Qin: Yep.

Starlight Glimmer: Those trees are really amazing.

Me: Those are the giant baobab trees. One of my favorite trees.

Nico: They are magnificent.

Man Boy: (hears growling) Guys, are those the Fossa over there?

We saw them.

Me: Whoa those are Fossa's all right.

Fluttershy then used her stare on them and sent them running.

Me: Nice one.

Qin: Great job Fluttershy.

Fluttershy: Oh thanks Qin.

Then we heard a loud song call.

Me: WHOA!

Nico: Whoa that was loud!

Me: That's an Indri. They are the largest lemurs in the world and have a deafening call that can be heard from 2 miles away.

Skipper: Well, it wasn't hard to scare the Fossa off this time!

Raythor: I can see why the Lemurs were afraid of them before.

Me: Yeah no kidding.

Qin: Yep.

Nico: We got to head to the capital city for the battle of the bands.

Xenia: Yeah.

Lola: This will be fun.

Me: Yep.

Nico: Lets head over to Antananarivo.

We were off.

Saix: Are you okay now, Fluttershy?

Fluttershy: Oh yes I'm better now.

Saix: Good.

Then we saw a black lemur in the trees.

Me: See that there?

We saw it.

Nico: Wow that's a Aye-Aye.

Leni: But that's not a pirate.

Me: No Leni an Aye-Aye is a kind of lemur. The people of Madagascar believe that the Aye-Aye is a symbol of bad luck. A harbinger of doom.

Qin: Geez!

Razorclaw: Is that bad news for us?

Me: No it's not.

Razorclaw: Good.

Me: It's just a bunch of superstitious mumbo-jumbo.

Qin: Yeah.

We continued on and we arrived in the capital city.

Me: Here we are guys. Antananarivo.

Lola: Wow!

Spot: (to Ed Grant) Good luck against Joel later, Ed. You're gonna need it.

Ed Grant: Thanks.

Qin: This is gonna be awesome.

We got to the stage in the middle of the city square.

Me: Here we are.

Bright Man: Who's gonna be Joel's archenemy?

Thorn: I will. It should be someone musical.

Me: Awesome Thorn. Hex Girl VS Celebrity.

Qin: Very fitting.

Shaggy: Like yeah! This is gonna be something.

Scrappy: Boy it sure is!

Lola: Yeah!

Nico: Lets get this battle of the bands started!

Me: And I have just the awesome entrances for all of us.

Kangor: (Jamaican Accent) You know what, mon? I think it's entrance time right now.

Me: Awesome. Lets rock!

Everyone was gathered.

Suddenly a total Solar Eclipse formed above the city and then 5 amazing rainbow flares flew down from the sun and then they hit the stages and then…

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out from behind the stage and then the fire formed into a phoenix and it cried. A Rainbow Helix Swirl formed in the middle of the stage and it swirled around and then split into 7 bands of light and it formed into The Rainbooms, Lolirock, The Winx, The Chipmunks, W.I.T.C.H., The Hex Girls and all of us!

Me: YEAH! HELLO CITY OF ANTANANARIVO! ARE YOU READY TO ROCK!?

Everyone cheered wildly!

Joel: That was a smashing entrance!

Me: Why thank you Joel.

Joel: So you guys brought the Donbrothers with you?

Buzzsaw: It wouldn't hurt for them to help us here.

Nico: Yeah and we get to have an awesome battle of the bands too.

Joel: Indeed. Show me what you all got.

Me: All right then. Here we go! LETS ROCK! Hit it guys! 1, 2, 3, 4!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A total solar eclipse formed in the area as the Southern Aurora formed above us.

Me: (SINGING DIVINELY AS FIRE AND LIGHT AND DARKNESS SWIRLED AROUND US)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

The night begins to shine

(Night begins to shine)

The night begins to shine

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

Everyone danced and was having fun on that one!

Femme Fetale: Nice job, guys!

Lincoln: That was the start. Now here is this one.

(MOVE ALONG BY ALL AMERICAN REJECTS PLAYS)

(LIGHTNING STRUCK ALL OVER AS LUNA, SAM AND LINCOLN HAD THE SONG GOING)

Lincoln: (SINGING DIVINELY AS LIGHTNING AND THUNDERBIRDS FORMED)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

Lightning struck all over and destroyed dummies of all the bad guys we faced.

When it was done everyone cheered!

Joel: That was amazing! Good show!

Nico: YEAH! ROCK ON LINCOLN!

Thorn: Time for Darkness to fall! Hit it sisters! (HISS)

(HEX GIRL BY THE HEX GIRLS PLAYS)

Darkness and ravens formed around everyone and lightning and haunted houses formed.

Thorn: (SINGING DIVINELY AS DARKNESS FORMED AROUND

US)

I'm gonna cast a spell on you

You're gonna do what I want you to

Mix it up here in my little bowl

Say a few words and you lose control

I'm a Hex Girl and I'm gonna put a spell on you

I'm gonna put a spell on you

I'm a Hex Girl and I'm gonna put a spell on you

Put a spell on you

You'll feel the fog as I cloud your mind

You'll get dizzy when I make the sign

You'll wake up in the dead of night

Missing me when I'm out of sight

I'm a Hex Girl and I'm gonna put a spell on you

I'm gonna put a spell on you

I'm a Hex Girl and I'm gonna put a spell on you

Oh yeah

With this little cobweb potion

You'll fall into dark devotion

If you ever lose affection

I can change your whole direction

I'm a Hex Girl and I'm gonna put a spell on you

I'm gonna put a spell on you

I'm a Hex Girl and I'm gonna put a spell on you

We're gonna put a spell on all of you

We saw darkness and monsters and the darkness and lightning blasted the monsters all over! When it was done everyone cheered wildly!

Qin: YEAH!

Joel: That was grand!

Cybertron Ransack: Let's keep it up!

Iris (Lolirock): Here is one of my favorites.

(KIDS IN AMERICA BY NO SECRETS PLAYS)

Girl Power adventures were showing all over and the girls were pulverizing bad guys.

Lolirock: (SINGING DIVINELY AS FIRE AND RAINBOWS SWIRLED AROUND THE AREA)

Looking out a dirty old window

Down below the cars in the city go rushing by

I sit here alone and I wonder why

Friday night and everyone's moving

I can feel the heat but it's soothing, heading down

I search for the beat in this dirty town

Downtown the young ones are going

Downtown the young ones are growing

We're the kids in America (Woah)

We're the kids in America (Woah)

Everybody live for the music-go-round

Bright lights, the music gets faster

Look, boy, don't check on your watch, not another glance

I'm not leaving now, honey, not a chance

Hot-shot (Shot), give me no problems

Much later, baby, you'll be saying nevermind

You know life is cruel, life is never kind

Kind hearts don't make a new story

Kind hearts don't grab any glory

We're the kids in America (Woah)

We're the kids in America (Woah)

Everybody live for the music-go-round

La la la la-la la-a

La la la la-la la (Sing)

La la la la-la la-a

La la la la-la la

Come closer, honey, that's better

Got to get a brand new experience, feeling right

Oh, don't try to stop, baby, hold me tight

Outside a new day is dawning

Outside suburbia's sprawling everywhere

I don't want to go, baby

New York to east California

There's a new wave coming, I warn ya

We're the kids in America (Woah)

We're the kids in America (Woah)

Everybody lives for the music-go-round

La la la la-la la-a

La la la la-la la (Sing)

La la la la-la la-a

La la la la-la la

We're the kids

We're the kids

We're the kids in America

We're the kids

We're the kids

We're the kids in America

We're the kids

We're the kids

We're the kids in America

All the girls around everyone were kicking bad guy butt! Then when it was done everyone cheered wildly!

Qin: WOOHOO! YEAH!

Xenia: That was awesome!

Firebrand: You seem to be enjoying yourself.

Joel: Why wouldn't I? This is the most fun I've ever had!

Firebrand: Glad you're having fun.

The Chipmunks then got to singing.

Qin: YEAH!

(BEDS ARE BURNING BY MIDNIGHT OIL PLAYS)

Australia was shown in the area and it was on fire!

Winx Club: (SINGING DIVINELY AS FIRE AND ELEMENTS SWIRLED AROUND THEM)

Out where the river broke

The bloodwood and the desert oak

Holden wrecks and boilin' diesels

Steam in forty-five degrees

The time has come to say fair's fair

To pay the rent, to pay our share

The time has come, a fact's a fact

It belongs to them, let's give it back

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

The time has come to say fair's fair

To pay the rent now, to pay our share

Four wheels scare the cockatoos

From Kintore, east to Yuendemu

The Western Desert lives and breathes

In forty-five degrees

The time has come to say fair's fair

To pay the rent, to pay our share

The time has come, a fact's a fact

It belongs to them, let's give it back

How can we dance when our earth is turnin'?

How do we sleep while our beds are burnin'?

How can we dance when our earth is turnin'?

?: That is cool!

A figure came out and it was PALEOLITH BASRA from episode 4 of Kiramagers!

Paleolith Basra is a Paleolithic stone tool/black bass-themed Jamen Beast of the Dark Empire Yodonheim, released from the invasion gate created from the dark energy gathered by Neanderthal Man Jamen. Also its the main antagonist in episode 4 of 2020 TV series called Mashin Sentai Kiramager.

Paleolith Basra made its first appearance when it used its Stone Tusk and destroyed a building. However the team arrived as they formed Kiramaizin and battle this monster.

As the giant battle rages on Paleolith Basra used its Stone Tusk and tied the Megazord up. However unknown to the team this Jamen Beast is part of Galza's plan to buy him time as he tricks his daughter into attaching the crystal with the fallen meteorite.

However Juru used Gemini doll to take his place during the giant battle as he goes and save the princess from her brainwashed uncle. Thankfully they used the sword to cut themselves free from the beasts binding.

A while later during the robot battle the Paleolith Basra manage to catch up to Kiramaizin however unknown to the beast it was in the line of fire from this megazord finisher called Burn Blacker and after that it was then destroyed by the Smog Jouki.

Juru: Paleolith Basra!

Paleolith Basra: Been a while rangers.

Me: I remember you! You were a giant monster sent right off the bat to distract the rangers so that Galza trick his daugher into attaching a crystal to a meteorite.

Paleolith Basra: That's right. Good memory.

Me: Yep.

Juru: I take it Vypra made you regular sized.

Paleolith Basra: Yep. She felt I can accomplish more this way.

Me: Good idea.

Qin: Yep.

Irma: Her name is Emily Maddox and she is a really amazing master of water.

Kin Tsuchi: Boy she sure is and her swimsuits are absolutely incredible.

Bud: They sure are something.

Akira: I'll say!

Misao: And her story is quite amazing too.

Conductor: I agree there.

---

Nico: Yep. So, Emily, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Emily Maddox: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Emma, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Emma, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Marlene and her boyfriend, Zachary, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Emma hated her so much, they wanted to ruin Emily's name and her reputation, along with taking all of her money and killing her.

Emily Maddox: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Marlene and Zachary were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Emma had coming to them: Emily was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Emma arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Sophia than their eldest daughter, and Emma was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever, and she was expelled from school.

Lincoln: In the end, her parents and Emma were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Emily's parents were both sentenced to life in federal prison without the possibility of parole, and as for Emma, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Emily severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Emily Maddox: You got that right.

Then, as the vortex faded, Adriana Azathoth emerged, but she was changed forever.

(SATANIC MUSIC PLAYS)

Adriana Azathoth grew from 6'5" to 7'4" in height, she has the body of a goddess, she has blood red highlights in the bangs of her black hair, she has neon red eyes and a black and red energy aura with darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Outer Gods surrounding her, she has the Sigil of Azathoth emblazoned on her forehead and Third Eye with blood red iris, she has on demon earrings with blood red gems for eyes, and holding the Dark, Satanic, and Eternity Kanjis in its hands, she also has Azathoth with blood red gems for eyes and holding the Dark, Satanic, and Eternity Kanjis in its tentacles on the bottom of her blood red Azathoth-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Adriana Azathoth felt a sharp pain on her back, and then, her massive midnight black angel wings with blood red tips on the large black feathers grew much bigger for her new body and she now has eleven massive and long black wolf tails with red tips and red markings. Adriana Azathoth has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Adriana Azathoth's massive Azathoth-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Outer Gods, and when it emerged, it was transformed into Azathoth's Cosmic Eternal Outer God Madness Greatsword of Dark Outer God Eldritch Justice, it's a brand-new massive greatsword with embedded blood red gems, Eldritch Runes, and Azathoth etched on the 7'0" massive, wide, double-edged midnight black blade, large black demon heads and tentacles for the crossguard, large white angelic faces built into both sides of the hilt and blood red gems embedded on their foreheads, longer midnight black handle, four large black demon heads and tentacles with red gems for eyes and large blood red gem on the bottom of the black demon heads and tentacles for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with blood red gems on her wrists, her Belt of Elemental Bravery with a gold version of Azathoth with blood red gems for eyes and a large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Adriana Azathoth has transformed into SUPER ANGEL-AZATHOTH-DEMON-OUTER GOD-HARMONY CELESTIAL ETERNAL XELNAGA OUTER GOD MADNESS AZATHOTH DEMONIC SATANIC OUTER GOD ANGEL OF DIVINE OUTER GOD MADNESS AZATHOTH OUTER GOD JUSTICE AND DIVINE OUTER GOD MADNESS AZATHOTH OUTER GOD LOVE!

We were amazed by Adriana Azathoth's Super Angel-Azathoth-Demon-Outer God-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Leeweestra saw it, he fell into an infernal rage and he got out his blaster to blast her, but Adriana Azathoth fired a black and red energy blast, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Outer Gods at Leeweestra, which hit him and pushed him back and he was also hit hard by the light and darkness, but this really pissed him off now.

Nico: Oh man, Adriana Azathoth's transformed, Leeweestra is so doomed now!

Me: You said it, and that's just a taste of what's to come.

Adriana Azathoth: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Azathoth Angel and Divine Darkness Satanic Azathoth Outer God Love) And that's suffering the madness of Azathoth, The Daemon Sultan.

Lincoln: Let's get him, Adriana, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Adriana Azathoth.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Adriana Azathoth and Lincoln went after Leeweestra who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Leeweestra and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Leeweestra took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Leeweestra began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Leeweestra has transformed into his King Ghidorah Hybrid Monster form.

Leeweestra fired a Gravity Lightning blast at Adriana Azathoth and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Leeweestra from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Leeweestra and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Leeweestra and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Adriana, shall we destroy this monster by exposing him to Azathoth's Dark Madness Melody?

Adriana Azathoth: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Azathoth Angel and Divine Darkness Satanic Azathoth Outer God Love) Gladly, Linky.

Adriana Azathoth and Lincoln trapped Leeweestra within a blood red pentagram that formed beneath his feet with the glyphs of The Outer Gods and Great Old Ones surrounding the pentagram, and they spoke in a dark forbidden language as they fired blasts of pure darkness with blood red Eldritch runes at Leeweestra: Azathoth's Dark Madness Melody. Suddenly, Leeweestra heard the dark music of The Servitors of The Outer Gods, and he was driven mad by their accursed dark music, and even worse, he looked up and he saw the thing in the center The Servitors were playing the music to: Azathoth, The Daemon Sultan, The Nuclear Chaos, The Blind Idiot God himself, and he fell into eternal madness and his soul was dragged into the darkness of The Black Gates and erased forever, and his body was consumed by dark flames.

Nico: (Horrified) My God, was that…?!

Nicholette Torrington: Azathoth's Dark Madness Melody, I never thought any of us would have to see it again: one of The Forbidden Lovecraftian Curses.

Bertha Sellington: Just hearing the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad, but to see one of those entities, that's more than enough to send them into madness eternal.

We cheered as Adriana Azathoth and Lincoln holstered their massive greatswords on their backs and powered down, and Adriana Azathoth's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Adriana Azathoth: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and only four members left to go. Thanks for helping me destroy Leeweestra once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adriana.

Suddenly, Adriana Azathoth wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adriana Azathoth's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them along with Azathoth and we cheered wildly. Then, Lincoln and Adriana Azathoth absorbed the darkness and they came back to us as the display and Azathoth vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Adriana.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Porrash.

Lincoln: Which means, you and I are up next, Arabella.

Arabella Yog-Sothoth: Yes, Porrash will suffer dearly for his crimes and he will be driven insane by the dark wisdom of Yog-Sothoth.

Nico: That's the spirit, Arabella. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Mariner.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Mariner: Lily Madigan.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Lily and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Lily in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: How many magazine shoots did Lincoln and some of his Guardian Angels do?

Nicholette Torrington: Too many to count, and like all the Elemental HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, but for Lily, the masterminds of the extortion scheme wasn't Sergio, it was her parents and little sister, Megan, they never believed in her, and they wanted nothing more than to ruin her name and kill her.

We gasped.

Nico: Oh man, we're so in for the full story tomorrow when we meet her.

Me: Yep.

Nico: But that was so awesome! Great job today guys.

Don: Yep. Now you guys are going to head over to Sri Lanka.

Me: Awesome!

Alex the Lion: (To the viewers) Madagascar is awesome and beautiful.

Me: It sure is.

We went back to the flying fortress and we were off to Sri Lanka.

Also we're going to battle Another Ben Ravencroft and Another Fartor. Also we're going to meet a gene-slammer for Frostlass and her name is Mercury Lovenia and she is a great ice skater.

the next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Arabella Yog-Sothoth, Incarnation of Yog-Sothoth and Lincoln VS Porrash.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Acmetropolis, and we're going to take down Sylth Vester, the descendant of Legendary Looney Tunes feline, Sylvester. But, Sylth Vester will not be alone: he'll also have a really massive army of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley

Uppercrust III with him, but we're more than ready for those thugs, and Sylth Vester's ancestor, Sylvester, is coming with us, and even more than that, when Sylvester finds out Sylth Vester has kidnapped his son, Sylvester Junior, the legendary Looney Tunes feline will EXPLODE WITH SUCH A VERY TERRIFYING, TRULY DEMONIC, AND TRULY VAMPIRIC RAGE THAT HE'S GOING TO TRANSFORM, AND LAY WASTE TO THE THUGS OF FLIP, LEWIS TRAVOLTA, TRINA RIFFINS, ICKY VICKY, AMY, PABLO, ANDERSON, BUBBLE BASS, BILLY MCLEAN, AND BRADLEY UPPERCRUST III, AND IT'S GOING TO BE A REALLY MASSIVE BLOODBATH OF SPILLED OCEANS OF BLOOD THAT HAS NOT BEEN SEEN EVER SINCE THE DAYS OF ALUCARD FROM HELLSING'S PAST LIFE AS VLAD DRACULA OVER 500 YEARS AGO! And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Lily Madigan, Gene-Slammer of Elemental HERO Mariner, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model. This one time, Lily was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Lily, the mastermind behind this extortion plot were her parents and her sister, Megan, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister, and they've wanted to kill her and let Megan, their favorite daughter, become the success they wanted her to be, not their eldest daughter. This one time, Lily's workers, Helga and her boyfriend, Zane, were planning on extorting Lily, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but her evil parents and little sister were also ratted out as well for being the mastermind of the extortion plot, and they also plotted to kill her once they took all of her money. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay Lily $5,000 each. Lily also filed a defamation lawsuit against the five, which she won in no less than fifteen seconds of deliberation, and she was awarded $500,000,000,000,000,000 dollars. Her name and life was saved, and to pay for the damages, Helga and Zane were forced to work for her for no pay, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless, but that was nothing compared to what her parents and Megan had coming to them: Lily was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money and for making her life Hell as she was growing up, so she took no prisoners. She had her parents and sister arrested for attempted first degree murder, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents were fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Megan than their eldest daughter, and Megan was exposed as the disgraceful lying gold-digger that she is and her friends abandoned her and she was expelled from school, and in the end, her parents and Megan were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by Lincoln and the other Guardian Angels when the judge read out their sentences: Lily's parents were both sentenced to life in federal prison without the possibility of parole, and as for Megan, she was sent away to a boarding school in Siberia. Plus, to add on to their hellish predicament and anger, Lily severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge on them, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people that she's had to deal with: garbage.

Part 10 is gonna be in Sri Lanka and we're going on an awesome treasure hunt in that one and we're going to battle Rosetta Riley and that is gonna be awesome.

see you next time.

Me: Boy it feels awesome being back in Colorado.

Nico: It sure is awesome.

Evelyn Eeveeola: You guys are going to love our family's mansion. It's awesome.

Nico: Come to think of it I have never been to your house girls.

Eden Eeveeola: You will love it Nico.

Qin: I have a feeling this is gonna be awesome.

Blackfire: It sure is.

Everest Eeveeola: This will be a first for Nico, Qin and everyone.

Me: At least it's in a familiar part of Colorado that I know. It's awesome.

Shannon: It sure is. I think this is amazing.

Leeli: I'll say.

Nico: Shannon, I want to thank you, Ben Ravencroft, and your teams for coming

Shannon: No problem Nico. Even though I'm always with you guys it's awesome. Hope you don't mind having my ancestors along with us too.

Nico: Not at all.

Winnifred: It's gonna be good for us.

Mary Sanderson: I think so too.

Nico: Blackfire, are you happy about reconciling with Starfire?

Blackfire: I sure am Nico. What I did back then was incomprehensibly awful. I did so many horrible things that destroyed our family all because I was jealous.

Lola: You were fed up with living in your sisters shadow.

Lincoln: Me and my family have that problem sometimes.

Me: It's true.

Blackfire: I remember that.

Me: Especially during the battle we had with Team Dark Phoenix Storm.

Lucille Loud: (Scottish Accent) Aye. Like Lincoln I know that feeling too lad.

Nico: Yeah it's not a good thing.

Qin: Yeah.

Nico: Nope.

Laney: Yeah it's awful. But I'm glad we don't get consumed by jealousy like that anymore.

Blackfire: I'm glad too.

Nico: Good.

Me: Yesterday's trip to Madagascar was a rockin one!

Qin: OH YEAH!

Nico: All of our bands got to shine there.

Me: They sure did and Joel had the time of his life.

Laney: That was so awesome.

Qin: He loved all our songs.

Varie: Especially with W.I.T.C.H. That was fun.

Lola: It sure was.

Nico: Yeah that was great!

May: Everyone had fun.

Shannon: Joel was having so much fun he didn't even care if Disk Wars Loki was watching

Me: Yeah no kidding! But it's good that Disk Wars Loki will never terrorize the world. My RD self will make sure that he gets sent to Odin.

Nico: Great. That was awesome.

Lola: That was so fun!

Qin: Yeah it was.

Nico: And today is Cadence's first mission.

Qin: That's right!

Me: And it's going to be awesome. Deadpool told us about the Powerpuff Girls Z and we're going to be excited for this one.

Nico: Yep.

Me: And if they are anything like the Prime Universe versions then we're going to have our hands full. Big time.

Lola: Yeah!

Eden Eeveeola: Yep. We're here guys. Welcome to our humble abode.

We arrived at the Eeveeola mansion and we saw that it was a beautiful and massive mansion! It was amazing! It had an amazing garden, a lake and more and it was beautiful!

Me: Wow! Eden your house is magnificent.

Qin: Wow!

Nico: I think I'm going to wet my pants again.

Me: Steady Nico.

We went up to the door and Evelyn knocked on the door and a butler answered.

Butler: Yes?

Evelyn: Hi George. Been a while.

George: Why Mistress Evelyn, Great to see you Eden and Everest. Great to see you home.

Everest: Same here. Are mom and dad home?

George: They sure are. Come on in everyone.

We went into the home and it was an amazing mansion. It had everything and it was amazing.

Me: Wow your home is beautiful girls.

Evelyn: Thanks guys.

Eden: It's sure is amazing.

Shannon: Anyone else home?

Evelyn: We got a call from mom and dad and they told us to come home. They said that they know J.D.

Nico: Wow.

Eden: We'll show you later after we talk to mom and dad.

Qin: Okay.

We went into the living room.

George: Madam and sir your daughters are home.

Evelyn: Hello mom and dad.

Everest: Awesome to be home.

Edith: Ah welcome home princesses.

Edward: It's so good to have you home.

Eden: We're glad to be home too.

Evelyn: Sorry we worried you.

They hugged their parents.

Evelyn: And these are our friends.

Me: Hello Mr. and Mrs. Eeveeola.

Edward: Ah Team Loud Phoenix Storm it's an honor to meet you all.

Me: Same here.

Rarity: Your home is absolutely amazing darlings.

Edith: Why thank you.

Nico was shaking like a leaf.

Nico: Hi there!

ZOOM!

He hid behind May like a frightened mouse.

Edith: Why Nico is that you?

Edward: It's good to see you again my boy.

Me: Nico is a little scared. We should explain.

We sat down and I was having some tea.

Me: Mmm. Good Darjeeling tea.

Edith: Thank you very much.

Me: You're welcome. Nico is scared because we are here to talk to you about Nico getting your blessings for your daughters being in his harem and he thinks you're going to hurt him.

May: Nico is with many more girls and he is afraid.

Me: It's a long story.

Edith: Oh goodness. Nico we would never hurt you like that.

Edward: Yeah my boy we view you as a member of the family and we love you. We would never do that to you.

Nico: Oh, Thank God!

Me: Good. Also your daughters were gene-slammed into the 3 Eevee Evolutions of the Kanto Region.

Evelyn: It's true. I'm a Vaporeon and also a mermaid.

Eden: I'm a Jolteon.

Everest: And I'm a Flareon.

Edith: Oh my! That is amazing.

Me: Blame Team Rocket for it. They have been tampering around with the laws of mother nature and used everything. Pokemon, Digimon, MTG Monsters, aliens from other planets, Duel Monsters, everything.

Qin: It's true.

Edward: My goodness.

Me: Yeah. Many of our friends and loved ones all over were turned into them. Mostly Pokemon and all that.

Nico: It's a crazy story.

Edith: I see.

Me: Yeah.

Juran: They've been… dealt with

Me: Yep. But we still have their huge mess to clean up.

Qin: Yeah.

Edward: I can tell you all have your hands full.

Edith: Indeed. But I know you all can do it.

Evelyn: Thank you.

Me: So what is it that you have to tell us?

Edith: That is a very interesting thing.

Edward: You can come in now.

In came 2 girls. One was an older girl with red hair and she had black clothes and a younger girl with red hair and she had glasses and had a yellow shirt and grey pants.

Me: (GASP) Freya and Miriam!

Freya: J.D.!

Miriam: J.D.!

They went and hugged me.

Me: I was so worried about you girls!

Nico: Are you guys refugees?

Freya: In a way.

Miriam: We have a terrible story to tell you.

Qin: What happened?

Freya told us that she was a really pretty girl that grew up in a great family and that she was a pretty one. But when she was seven her sister Miriam came in and Miriam was a really amazing and gifted girl that can speak at 1 and a half years, paint beautiful pictures, play highly advanced classical music and can speak in 6 languages by the time she was six which is completely unheard of for someone her age. Freya was proud of her sister but jealous that her parents were making Miriam get all the attention. So later Freya became a rebellious child and did crazy things. But her parents didn't listen. So she decided to do something extreme. She burned her house down. But before she left she took Miriam with her because she found out that her mom and dad were going to give Miriam back to a science lab for study and she was shocked! So she got Miriam and they ran away together and wound up here.

When she was done we were shocked!

Me: My god! Girls that's horrible!

Nico: We should send their parents to the Renegades! The two assholes deserve to get slaughtered.

Me: Nico! That's far too extreme! Besides they are not remorseless people. They loved their daughters.

Nico: Okay okay you're right.

Edith: That won't be necessary. When Freya and Miriam told us everything that happened to them we immediately called the cops and had them sent to prison.

Nico: What were they booked on?

Edith: Neglect, unlawful experimentation for financial gain and all that.

Nico: Geez.

Edith: Yes they got sentenced to 75 years in Folsom Prison without chance for parole and they were ordered to pay Freya and Miriam over $512,000,000,000,000,000,000,000 in damages and restitution.

Me: All the way over in California. Wow.

Nico: Good. They can stay there for all I care.

Qin: Same here.

Me: Yeah. Freya, Miriam, you girls can stay with us if you want.

Freya: We would like that very much.

Me: And you two did the right thing by running away.

Nico: I agree there.

Eli: Same here.

Nico: Eli, can you sense for Swartz's creations?

Eli: On it.

Ben Ravencroft: What happened to you girls was really awful.

Me: I can't believe they were going to donate Miriam to science.

Nico: Yeah.

Eli: Found them. We have Another Ben Ravencroft and Another Fartor.

Me: Oh boy the Another Fartor is gonna be a stinky one.

Xenia: No kidding there.

Nico: Who fights that one?

Me: Hmm.

May: I'll have a shot at that one.

Me: Really May?

May: I haven't fought one in a while.

Nico: Go get her honey.

Lisa Loud: Miriam I am really impressed that you can learn and do all those things at such an advanced level.

Miriam: Thanks Lisa. It's fun. But to be honest I wanted to be with people in my own age group at a school I can love and be with.

Me: I think that can be arranged. We're actually on the Ridonculous Race right now so when we get back home we'll set you up in our school.

Miriam: Oh thank you J.D.

Me: You're welcome.

Varie: And if your so-called parents ever come after you they will be in for a rude awakening.

Lincoln: To quote one of my guardian angels, if they ever got out to get revenge on them, we're going to break their arms and legs and throw them in a dumpster, because that's the kind of people that we have had to deal with: garbage.

Nico: Well said Lincoln.

Anna Anyanova: You got that right. They are true pieces of trash.

Nico: Like I said, if they come after you two, we could always send them to the Renegades.

Me: Well they haven't killed anybody Nico. But we'll keep that option open.

Nico: Okay.

Freya: I don't think I can ever forgive my mom and dad for what they did and were going to do. But we'll see about it.

Me: Okay. Just go with what your heart says.

Nico: Yeah.

Edward: Indeed. Nico you have our blessings to be with our daughters.

Nico: Thank you Edward and you have my word that I won't hurt them.

Edward: I know Nico. You are a good man.

They shook hands and hugged.

Later we went outside and we were ready to face Another Fartor first.

May: There you are!

Me: Geez! Roger Smith's farts don't hold a candle to this one.

Another Fartor: (In a girls voice) Sorry about that guys.

Me: (GASP) That voice.

LOUD FART!

She farted as she reverted back and it was a girl that was in torn up clothes and she smelled REALLY HORRIBLE!

Me: (GASP) Brenda Salazar!

Nico: Oh man she looks like she was living out on the streets for a long time.

Brenda Salazar: That's because I was.

Me: Brenda is a girl that ran away from her family. Her mother died from terminal cancer when she was 5 and she and her father was committed to a mental asylum for the rest of his life because he suffered a psychotic breakdown and he sewed his OWN EYELIDS shut.

We gasped!

Me: Oh man!

Freya: Poor girl!

Camie: That is awful!

Nico: That's like what Ellie's dad did.

Me: Yeah.

Brenda Salazar: I know.

Nico: When we get to the Fortress, you need a shower.

Me: And we'll get you some new clothes and some food. You must be starving.

Brenda Salazar: I am. I haven't eaten anything for 5 days.

Nico: Oh man.

May: Did Swartz promise you anything?

Brenda Salazar: No because he was in a hurry to send me out because I smelled really bad.

Me: I can see why. By the way is the Another Ben Ravencroft friendly or hostile?

Brenda Salazar: Friendly and you might be interested in this one.

Lola: I have a feeling this one will be interesting.

Qin: Yeah.

Nico: That promise question is asked for the Core Another MOE Members.

May: Sorry force of habit.

Nico: Oh no worries.

Me: Good.

May: Yeah. Lets get you back to normal.

Branda Salazar: Okay.

She turned into Another Fartor and May fired a blast of energy and smashed her down and I caught the Wonder Ride Book. It was called The Orphaned Girl and the Forest of Farting Butts.

Me: Funny title.

I went and brought her over.

Maria: I'll take her to the fortress and get her cleaned up.

Maria formed a clone and she took Brenda to the fortress.

Nico: That was good.

Me: Now for the Another Ben Ravencroft.

Nico: Now it doesn't smell stinky.

Me: Thank goodness.

Maria: Yeah.

Qin: No kidding.

Nico: Yep.

Me: Yeah.

Nico: There she is!

We saw a figure come out and it was a dark version of Ben Ravencroft! It was ANOTHER BEN RAVENCROFT!

Qin: Whoa!

Me: Another Ben Ravencroft but with white hair.

Ben Ravencroft: Very interesting.

Another Ben Ravencroft: (In a girls voice) Glad you like the look uncle.

Ben Ravencroft: That voice!

She reverted back and was a girl with black hair and blue eyes and she had a scary demonic symbol emblazoned in the middle of her forehead and she had red and black clothes on.

Ben Ravencroft: (GASP) Olivia Ravencroft! My dear niece!

We gasped!

Me: Oh wow!

Olivia Ravencroft: Glad to see you uncle.

Me: Awesome to see you again Olivia and just like your ancestor you are also a witch right?

Olivia Ravencroft: That's right. But I use dark magic for good and not evil.

Qin: Wow that is a difference.

Me: What's that symbol in the middle of your forehea?

Brittney: It looks familiar.

Brittney went and took a look.

Brittney: (GASP) That's the Mark of Malak!

Me: The demon from Dark Deception!?

Brittney: That's right. Malek is the demon that can confront your greatest fears.

She went over his history and it was horrible!

---

Malak is the main antagonist of the episodic indie horror videogame Dark Deception. He is a demon who controls nightmares and has a vendetta against Doug Houser and Bierce.

He is voiced by Christopher Corey Smith, who also voices the Gold Watchers, the Clown Gremlins, and Goliath Clowns in the game.

While physically absent in the level itself, Malak's voice can be heard after collecting the ring piece. After becoming aware of Doug's presence, Malak taunts him as he escapes.

Malak makes his first physical encounter with Doug in the second level of the game, where he is referred to as "daddy" by Agatha.

As Doug is traveling to the southern region of the school, Malak can be seen strolling across a balcony, peering down at him and laughing before vanishing. After the ring piece is obtained, Malak appears beyond a doorway and confronts Doug, threatening to kill him. He then transforms into his phantom form and gives chase, bargaining with him for the ring piece under the promise of a swift death.

Malak will chase Doug through the first region of the school until he reaches the auditorium, phasing through any closed doorways in his way. Agatha will also join him if one of her fake portals are activated.

Malak is first seen watching over the player on a balcony upon entering the manor. Similar to the previous level, Malak will then laugh and disappear.

After collecting all of the soul shards, Malak will spawn in the manor's lobby and pursue Doug through the corridors. After collecting the ring piece, all enemies in the manor will disappear, including Malak.

Upon returning to the main courtyard, Malak will appear alongside a horde of Gold Watchers and a Titan Watcher, chasing Doug alongside them as he races back to the portal. Upon returning to the entrance, Malak will appear once again, alongside a blockade of

Gold Watchers in front of the portal.

Upon returning to Bierce's Ballroom, Malak offers another warning to Doug, insisting that he will suffer consequences if they were to bring Bierce all of the ring pieces. Bierce sarcastically objects to this by reminding him of his ruthless and vindictive persona, and how his reputation made him untrustworthy.

After collecting the last soul shard, Malak will appear nearby and chase Doug until they obtain the ring piece from the ring altar.

Once the ring piece is collected, a cutscene will play where Malak commends Doug's resilience and tenacity. He then states that he also has a loyal pet, and opens a giant gate behind him, revealing Doom Ducky. He then taunts Bierce, who is watching through Doug's eyes, and leaves Doug to contend with the creature.

After Doug escapes the chamber and starts making his way back to the portal, Malak calls out to him in a baleful manner, shortly before Doom Ducky crashes through the wall and pursues him through the corridors.

Once Doug returns to Bierce's ballroom, Malak continues to express his frustration towards Doug, and responds to Bierce's criticism by mentioning the last person who trusted her, referring to the last owner of Doug's tablet. Displeased, Bierce merely turns around and sighs.

After collecting the last soul shard, Malak appears and chases Doug through the funhouse, disappearing as soon as he reaches the ring altar tent.

When Doug attempts to leave the carousel region, Malak confronts him once again, promising a burdensome experience. Malak then summons the four Goliath Clowns, and mockingly asks him to keep them laughing while he dies.

After Doug defeats the Goliath Clowns, a distraught Malak declares he will makes his suffering eternal. Malak pursues him once again until Doug reaches the portal.

After returning to Bierce's ballroom, Malak gives another tirade towards Bierce and Doug, promising to bring upon Doug's worst nightmares and invade Bierce's pocket dimension to reclaim his ring pieces.

At the start of the level Malak makes a call to the Reaper Nurses, instructing them to keep Doug from getting the ring piece. He does not appear in the level proper, explaining afterwards that he was otherwise occupied while Doug was in the level and that powerful forces are now in motion thanks to their meddling. He also mentions that he will not be distracted anymore.

Malak attempts to stop the player from pressing the reset switch in the production factory after collecting all of zone 3's shards. He reappears after the Joy Joy Gang is crushed by piston hydraulics. Activating the Joy Kill project initiative, he sends the newly formed Joy Kill to stop Doug. Upon escaping, Malak chases after Doug one last time, bringing an army of Joy Joy clones with him. Joy Kill stops Doug from leaving through the portal and Malak proceeds to enter his mind, bringing back nightmarish memories from Doug's past in order to place a seal on him. Doug is thrown right out of the nightmare by Hangry after this.

Malak successfully enters the ballroom as a result of marking Doug's mind and engages in a fight with Bierce while summoning Agatha and the previous monsters. While he manages to take the 7 ring pieces from the altar, one remains in Bierce's possession as a result of a bonding. Bierce banishes the monsters back into the portal, but Doug is forcefully taken with Malak into Bearly buried. Malak assures Bierce that she is merely delaying the inevitable.

Upon arriving at Mama Bear's home, Malak explains the truth about Bierce's intentions and how she bonded with the first ring piece she took from him. Malak then leaves the matter of Doug's execution to Mama Bear, who has her children drag him into the cabin. Later, Malak makes Mama Bear aware of Doug's actions in the attic, due to the marking allowing him to see through his eyes. Malak consistently stalks and torments Doug as he tries to capture and retrieve the ring pieces (Malak will shout with irritation whenever Doug uses a power). Malak's seal on Doug breaks when the mysterious orb guiding him neutralizes it at the end of the level.

---

When she was done we were shocked and horrified!

Qin: Oh man!

Me: Not good!

Olivia Ravencroft: Yeah I have all his power. I used my dark magic to destroy him and banish him to the dark voids of the netherworld and I stripped him of all of his powers and made them my own.

Qin: Wow that is amazing!

Nico: Wow!

Kaito: (Gets out Ryusoulger gear) Did Swartz promise you anything?

Zocks: (gets out Kiramager gear) Because we can grant it instead.

Kaito got a Dino Fury Sword and Zocks got a Kiramai Sword.

Olivia Ravencroft: No I used my dark magic to turn him into a frog before he can ask anything.

Me: That is amazing!

Sakura Knudson: (LAUGHS) I almost ate him for lunch.

We laughed!

Me: That would be awesome and cool.

Sougo: (gets out Dino Fury Ridewatch) Me and my team only met your uncle on the day Swartz was destroyed.

Geiz: (Gets out Kiramager Ridewatch) But he's been a great help to J.D. and the rest.

Sougo got DinoFuryRedArmor while Geiz got KirameiRedArmor.

Olivia Ravencroft: That's true. I heard about that. I'm glad that Swartz is gone.

Me: So is the universe. We gave him the black gates.

Qin: We sure did.

Me: Sorry we have to fight like this.

Olivia Ravencroft: No worries.

Shannon: Boy this is gonna be like a battle of the ancestors from back in the Salem Witch Trials.

Olivia Ravencroft: It sure feels like it.

Shannon: Our ancestors hated each other back in those days back 331 years ago.

Olivia Ravencroft: They sure did. That was crazy.

Ben Ravencroft: It sure was. My ancestor was sealed into her own spellbook.

Me: Thanks to my ancestors from that time.

Lily: That was really crazy.

Nico: Yep.

Olivia Ravencroft: Indeed. Lets get it on.

She turned into Another Ben Ravencroft!

Nico: (gets out Ben Ravencroft's Ridewatch) Let me show you how your uncle has improved.

Nico activated it and fired waves of dark magic and vines formed and grew and tied her up.

Shannon: I learned most of my dark magic arts from my ancestors spell book.

She floated and chanted a magic incantation and dark crystal shards swirled around her she fired them and smashed her all over.

Another Ben Ravencroft: Wow! That was amazing!

Nico: That sure was!

Another Ben Ravencroft: You're a witch too?

Shannon: Yep.

She showed the Mark she has.

Shannon: I'm half Witch and Half Wiccan. My ancestors are witches and my family that adopted me were normal people. I was biologically born into a family of wiccans.

Another Ben Ravencroft: That is amazing!

Shannon: I'm what is called a Twilight Hybrid.

Me: Yep. Wait so your adoptive family is the reason why you went into a life of crime?

Shannon: Yep.

Nico: I wasn't with the team when that happened so you'll have to tell me about it later.

Me: It's a really awesome story.

Nico: (Gets out Heart's Ridewatch) Time for Roidmude power!

He activated it and just as Another Ben Ravencroft was about to attack Nico fired a Slow Movement field and slowed her down to a snails pace and he fired waves of energy and smashed her down!

Me: This is gonna be fun. (ACTIVATES THE ERADICATOR'S RIDEWATCH)

I grew to 30 feet tall and smashed her down.

Nico: The Eviscerator?

Nico's phone rang.

Nico: Hello?

McWolf: (On the phone) THAT'S ERADICATOR YOU DUMMIES!

Me: Who are you calling a dummy you dumbass!

Nico: Wait McWolf?

McWolf: Sorry about that. When I did that picture Eradicator Droopy, I called everyone a dummy.

Nico: That's not nice.

McWolf: Looking back, no it wasn't. Also me eating broccoli in that episode was good. But I was farting for weeks.

Nico: That is funny.

May: (gets out Earth Kang's Ridewatch) I may use ice. But sometimes, I use other elements too!

She activated it and fired waves of ice and smashed her down.

May: Time for some slime! (ACTIVATES PLASMUS' RIDEWATCH)

She fired globs of slime and smashed her down! YUCK!

Maria: YEAH! Now for this! (ACTIVATES SHIBOLENA'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: And this too! (ACTIVATES GAMMAIZER MAGNETIC'S RIDEWATCH)

She fired magnetic energy and metal cans flew at her and smashed her all over and buried her under a pile of them!

Me: WHOA!

Blackfire: My turn!

She activated Heart's Ridewatch and fired waves of energy and

smashed her down.

Me: Oh yeah!

Then Steam Smythe, Sir Raliegh, Puffer, Sharkyonara, Steam Demon and Rip Van Fish came.

Nico: Nice team Steam Smythe!

Steam Smythe: Thanks Nico.

Me: Cool!

Sir Raleigh: Is it true that an Another Mz. Ruby was fought?

Nico: 100% true Sir Raleigh.

Qin: Yeah.

Me: Including a couple of members of the Fiendish 5.

Nico: Yep.

Sir Raleigh: That is crazy!

Qin: It was.

Maria: Where's the next Gene Slammer?

Then something cold touched Maria.

Maria: (SHIVERING) That's cold! Huh?

She saw a Frostlass.

Maria: Hey a Frostlass.

Me: Awesome.

Frostlass: (In a girls voice) Sorry about that.

Nico: Mercury Lovenia!? Whoa!

She reverted back and was a girl with aqua blue hair and blue eyes and had blue clothes on and she had the kanji for Ice in the middle of her forehead and had a snowflake on her skirt.

Mercury Lovenia: I got this.

She fired a wave of energy and smashed Another Ben Ravencroft down and I caught the ridewatch and purified it and I brought Olivia Ravencroft over.

Nico: That was awesome.

Mercury Lovenia: It sure was.

Me: Wait aren't you that amazing ice skating champion that won the International Ice Skating championship?

Mercury Lovenia: I sure am.

Me: Awesome!

Blackfire: What's your favorite memory of Nico?

Mercury Lovenia: When I won the skating championship and a bunch of sore losers came at me and wanted to kill me. They were Josee and Jacques.

We gasped!

Me: Whoa man! I faced them in the Ridonculous Race years ago and beat them and they hated my guts since. But they are gone forever now.

Mercury Lovenia: That is coincidental. I beat them and kicked their butts and sent them to the slammer. I got them banned from ice skating forever.

Nico: I remember seeing that! That was amazing!

Laney: And we banished their butts to the black gates.

Freya: That was amazing.

Qin: Yeah!

Nico and Mercury hugged.

Nico: I've missed you Mercury.

Mercury Lovenia: Me too Nico. Me too.

We went back to the flying fortress and got Freya and Miriam settled in.

But, Sylth Vester will not be alone: he'll also have a really massive army of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III with him, but we're more than ready for those thugs, and Sylth Vester's ancestor, Sylvester, is coming with us, along with The Loonatics.

Lincoln: Awesome, we're here in Acmetropolis, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to take down Sylth Vester, the descendant of Legendary Looney Tunes feline, Sylvester.

Sylvester: I'd heard about him from Ace and the other Loonatics, he's like me, but dressed in the outfit of Darth Vader.

Ace Bunny: That's right, Sylvester, and he and General Deuce gave us both trouble during the battle for Planet Blanc.

Me: Thank goodness we had that asshole locked up when we went after Opaline, and Sylth Vester will be perfect for your archenemy, Sylvester.

Nico: Looney Tunes Feline Ancestor VS. Villainous Feline Descendant, that's really awesome!

Eli: Yeah, and we should look into getting some archenemies for Bugs, Daffy, Wile, Lola, Roadrunner, and the other Looney Tunes, and Plucky, Hampton, Dizzy, Furrball, and Gogo Dodo.

Lincoln: That's an awesome idea, Eli, they also need to join in this as well, and I want to thank your team for joining us, Brittney.

Brittney: You're welcome, Lincoln.

Just then, we saw Sylvester's son, Sylvester Jr., running up to us.

Sylvester: (Gasps) Junior, what happened?

Sylvester Junior: I was kidnapped by Sylth Vester, but why did he let me go?

Lincoln: He may be a villain, but he couldn't bring himself to harm you, even he has standards, and you're his ancestor's son.

Sylvester Junior: Yes, that's true. But, you're not going to like what I've got to tell you: Sylth Vester isn't alone, he has with him the massive armies of thugs with him, and they're the thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III.

We gasped.

Me: So, our resident jerks' hired thugs are here?! Oh, we'll rip them to shreds!

Sylvester Junior: They wanted to shoot me, even though Sylth Vester let me go.

As if we weren't pissed off at Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III already, now they've really crossed it.

Tech E Coyote: When we get back, Flip's going to regret ever crossing us!

Lexi Bunny: Same with Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III!

Then, we saw the massive armies of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III heading right for us, and they were all out for blood!

Lincoln: Bring it on, you dumb thugs! We'll rip every last one of you to shreds!

But, out of all of us, none were just as enraged and pissed off as Sylvester, as we sensed something within his mind as seriously snapped as what he heard from his own son absolutely pissed him off big time and now, he was beyond enraged by the thugs of our resident jerks. Then, we saw his eyes turn from black to blood red, and he was surrounded by a black and blood red energy aura with black and black and blood red darkness, blood red eyes, tormented souls, blood, vampire bats, and cats, he unholstered his massive Sword of The Legendary Looney Tunes from his back, and as he menacingly approached the massive armies of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III, he left black and blood red energy, black and blood red darkness, blood red eyes, tormented souls, blood, vampire bats, and cats with every step.

Sylvester: You good-for-nothing thugs absolutely make me sick to no end, Sylth Vester had no idea you thugs would be here, but you didn't come here to help him, you all came here on the long given orders of the jerks, Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III to get revenge on us on their orders and on their terms, as if I'm not that disgusted by the jerks already.

Suddenly, we saw massive colonies of bats flying out into the skies, and then, we saw an ominous sight in the sky: a blood moon, as Sylvester was now suddenly getting extremely pissed off big time, and we suddenly saw his canine teeth growing into vampire fangs.

Sylvester: (SUDDENLY GETTING EXTREMELY PISSED OFF BIG TIME) But, what you thugs tried to do to my son… , you tried to shoot him even though Sylth Vester let him because he couldn't bring himself to hurt him, but you all were about to until he drove you out… , YOU MISERABLE THUGS HAVE CROSSED ONE TOO MANY LINES FOR THE FINAL TIME, AND FOR THAT, I SHALL COVER THE STREETS AND BUILDINGS OF ACMETROPOLIS IN THE OCEANS OF YOUR OWN SPILLED BLOOD AND GUTS! YOU WILL NEVER HURT ANOTHER PERSON EVER AGAIN!

We suddenly gasped in pure shock and horror: A VERY TERRIFYING, TRULY DEMONIC, AND TRULY VAMPIRIC RAGE WITHIN SYLVESTER HAS BEEN UNLEASHED, AND HE'S ABOUT TO LAY WASTE TO THE MASSIVE ARMIES OF THE THUGS OF FLIP, LEWIS TRAVOLTA, TRINA RIFFINS, ICKY VICKY, AMY, PABLO, ANDERSON, BUBBLE BASS, BILLY

MCLEAN, AND BRADLEY UPPERCRUST III, AND IT'S GOING TO BE A REALLY MASSIVE BLOODBATH OF SPILLED OCEANS OF BLOOD THAT HAS NOT BEEN SEEN EVER SINCE THE DAYS OF ALUCARD FROM HELLSING'S PAST LIFE AS VLAD DRACULA OVER 500 YEARS AGO!

UH OH!

Nico: Tell me I didn't just hear what I thought he just said?!

Lincoln: You're not the only one, Nico, we all heard it, and did you feel it?!

Me: Yeah, same here, a great and terrible fury has been unleashed, and the streets of Acmetropolis are about to be flooded in oceans of blood. GET TO THE ROOFTOPS, HE'S GOING TO LOSE IT!

We got to a nearby rooftop and just in time too, as Sylvester screamed like a madman out of control to the infinite power, and he was surrounded by a massive vortex of black and blood red energy with black and blood red darkness, blood, and darkness surrounding the vortex, there are vampire bats flying and a cat running around the vortex along with the massive colonies of vampire bats flying in the night sky with the blood moon in the skies, and in the vortex is a blood red phoenix with red eyes and surrounding red demon eyes glaring at the massive armies of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III.

Me: Oh man, this is it!

Lincoln: Yeah, all Hell's about to break loose!

Suddenly, an ancient dark force awakened inside Sylvester: ancient, powerful, ferocious, and out for blood.

?: (Romanian Accent) You know what needs to be done. Unleash your anger and rage towards them, and show them no mercy.

Sylvester: (Echoing Voice) Yes.

Suddenly, the Hellsing Symbol appeared on the ground in blood red energy, and we knew it was going to get really messy!

Sylvester: (Echoing Voice) I am The Bird of Hermes. Here stands The Bird of Hermes, eating my own wings! To make myself tame!

Then, massive and unimaginable torrents of black and blood red darkness with demonic red eyes and blood were unleashed, and they began flooding the streets of Acmetropolis, it's as if The Gates of Hell have opened and the armies of the dead have been freed!

Ace Bunny: Oh man, whatever's been unleashed, those thugs have no chance now!

Tech E Coyote: You said it, Chief.

Danger Duck: This is really getting crazy!

Rev Runner: Those jerks really crossed the line for the last time!

Lexi Bunny: I hope Sylvester rips every last one of them to shreds!

Slam nodded in agreement.

Then, out of the massive torrents of black and blood red darkness, people began appearing, but they weren't people: they were the familiars of the four million people that Alucard absorbed by feeding on their blood during his time on Earth over 500 years ago in his human life as Vlad Dracula and nearly 100 years ago when he was causing havoc in London as Count Dracula.

Lincoln: Whoa, those are… Alucard's familiars! I remembered that Alucard absorbed over 4,000,000 souls by feeding on their blood during his time on Earth over 500 years ago in his human life as Vlad Dracula and nearly 100 years ago when he was causing havoc in London as Count Dracula.

Suddenly, we saw the flags of The Ottoman Empire emerging from the darkness, along with all of the soldiers of that army.

Me: There are The Kazan and The Janissary Forces of The Ottoman Empire.

Then, we saw armies of pitch black horses with knights riding them, and they bore the emblem of the Voivode of Wallachia, Vlad Dracula.

Brittney: (Gasps) And even the armies of Wallachia and the subjects of Alucard when he was Vlad Dracula, oh man! Alucard told me all about this, and now, the very same thing's happening yet again.

Sylvester Junior: Father, what have you unleashed?

The massive armies of familiars began flooding the streets of Acmetropolis and it was terrifying the massive armies of thugs to no end.

Nico: There's no way any of them can ever fight back on what they've unleashed, all of them are truly doomed to being massacred big time by Sylvester.

Lincoln: You got that right.

Then, as the vortex of darkness fades away, Sylvester emerged, but he was changed and transformed forever, and for the massive armies of thugs hired by our resident jerks, they better say their final farewells, because their killer has arrived and none of them have a slight chance in Hell, nor will they ever be forgiven for any of their misdeeds against us and all for fulfilling the revenge wishes of the jerks, they deserved every bit of the punishment and the pain and suffering that's about to come for them.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Sylvester grew to 7'9" in height, he now has abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has a full head of wild and unkempt black hair that goes down to the middle of his neck, he has neon blood red eyes with slit pupils and a black and blood red energy aura with black and blood red darkness, blood, demonic red eyes, vampire bats, and cats surrounding him, he has a cat and vampire bat emblazoned on his forehead and Third Eye with blood red iris, he has on a Crystal Necklace of The Buddha with blood red gems embedded in the black metal crescent moon links and blood red crystal links and a blood red cat-shaped Element of Harmony and below the Element of Harmony is a vampire bat with blood red gems for eyes and holding the Dark, Undead, Cat, Vampire, and Eternity Kanjis in its feet for the pendant, Sylvester has on the clothes Alucard dons when Control Art Restriction Zero was released: the clothes of Vlad Dracula, black clothing with a full set of gunmetal grey plate armor over it, long sleeveless black trenchcoat with blood oceans and bats and cats on the coattails and on the back is a cat and vampire bat with the Warner Bros. logo above them and on top of it is the Hellsing Coat of Arms, and large long midnight black cape with red inlay and high collar. Sylvester has on a Ring of The Phoenix with blood red gem and heart-shaped gem embedded in it on his right ring finger and Black Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Sylvester's massive Sword of The Legendary Looney Tunes and all the greatswords that he acquired began merging together, and they're surrounded by a kaleidoscope of black and blood red energy, black and blood red darkness, blood, demonic red eyes, vampire bats, and cats, and when it emerged, it was transformed into Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul, it's a brand-new massive greatsword with embedded blood red gems with the silhouette of Sylvester and the Hellsing seal etched on the 7'3" massive, wide, double-edged midnight black blade, large black cat heads with blood red gems for eyes and large white angelic faces built into both sides of the hilt with blood red gems embedded in the foreheads, longer midnight black handle, four large black vampire bat heads with blood red gems for eyes and black cat head with blood red gem in its mouth on the bottom of the black vampire bat heads for the pommel, he has on his large gold cuff Bracelets of The Champions of The Universe with blood red gems on his wrists, but turned gunmetal grey, large gold Belt of Elemental Bravery with a gold version of Sylvester's head with blood red gems for eyes and a blood red gem in its mouth for the belt buckle on his waste and it turned gunmetal grey, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and his Eater of Sins revolver holstered on his left hip. There's a blood red kanji below the cat and vampire bat that said, "Sylvester James Pussycat Sr., Legendary Looney Tune, Eternally Hungry Cat Chasing After Tweety, Teacher of Acme Looniversity, Mentor of Furrball, Father of Sylvester Junior, Archenemy and Ancestor of Sylth Vester, Master of Darkness, Black Magic, Dark Magic, and Satanic Magic, Slayer, Destroyer, and Slaughterer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Xelnaga, Master of The Black Gates, Unleasher of Total Pain and Unendurable Suffering, Member of The Goths of Darkness, and Master of Darkness, Dark Magic, Black Magic, Satanic Magic, Cats, and Vampire Bats"

Sylvester the Cat has transformed into SUPER ANGEL-CAT-VAMPIRE-ACME DARK KNIGHT-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DARKNESS LOONEY TUNE FELINE DEMONIC DARKNESS VAMPIRE CAT ANGEL OF DIVINE DARKNESS LOONEY TUNE FELINE DEMONIC DARKNESS VAMPIRE CAT JUSTICE AND DIVINE DARKNESS LOONEY TUNE FELINE DEMONIC DARKNESS VAMPIRE CAT DEATH!

We were absolutely stunned and shocked at Sylvester's Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga transformation, but when the massive armies of thugs belonging to Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III saw him, they were literally crapping their pants badly at the mere sight of him: THE GOTHS OF DARKNESS HAS A NEW

KNIGHT JOINING THEM, AND DEATH HAS BEEN AWAKENED ONCE AGAIN!

Me: (Stunned) HOLY CRUD!

Ace Bunny: (Stunned) Incredible, Sylvester's transformed into his Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga form, and he's also gotten some new clothes.

Lincoln: Those clothes he has on, it's the outfit Alucard dons when Control Art Restriction Zero has been released, and the long sleeveless black trenchcoat: that's a new addition to the outfit, but man, those thugs are literally in huge trouble now.

Thug: What are you?! What the hell are you?!

Sylvester: (Divine Godly Cosmic Voice of The Demonic Darkness Looney Tune Vampire Cat Angel and Divine Darkness Looney Tune Feline Vampire Cat Death) **Simply put, your judge… , jury… , (Smirks with vampire fangs gleaming) And your executioner!**

We were stunned at the darkness in his voice, we knew right then and there, the thugs were truly fucked now as they were now pissing their pants even more!

Thug: SHOOT HIM, KILL HIM!

The thugs were about to fire, but Sylvester ran at the thugs, and he fired extremely powerful blasts of black and blood red energy, black and blood red darkness, blood, demonic red eyes, vampire bats, and cats at the massive armies of thugs and they exploded with incredible power as they hit them, and he began slashing at the thugs with his massive new greatsword, and the armies of familiars also joined in as they began slaying the armies of thugs like crazy, and their blood was being spilled all over Acmetropolis: IT'S WORSE THAN A NIGHTMARE DOWN THERE, IT WAS PURE HELL UNLEASHED!

Me: Oh man, this… this is pure Hell unleashed!

Lincoln: We knew of the pure Hell Alucard unleashed when he turns into that, and now, to see that from Sylvester, those thugs are now facing a one-way trip to Hell for good.

Nico: Big time!

Some of the remaining thugs tried to flee, but then, the armies of Wallachia's Calvary impaled them with their spears and dragged them away, and those who stayed to fight were either killed by the soldier familiars or by Sylvester himself. By the end, all of the massive armies of thugs were killed and slaughtered. One surviving remnant tried to flee, only to get caught by Sylvester.

Sylvester: (Divine Godly Cosmic Voice of The Demonic Darkness Looney Tune Vampire Cat Angel and Divine Darkness Looney Tune Feline Vampire Cat Death) **Going somewhere?**

Then, Sylvester impaled him in the chest with his massive greatsword and killed him and spilled his blood, and then, the armies of familiars vanished into the darkness.

Lincoln: Oh man, oh man, that… that was… !

Brittney: It truly was pure Hell unleashed!

Me: Big time!

Sylvester: (Divine Godly Cosmic Voice of The Demonic Darkness Looney Tune Vampire Cat Angel and Divine Darkness Looney Tune Feline Vampire Cat Death) **But, it's not over yet, we still got the five girls Lincoln has to rescue, along with meeting the Elemental HERO Mariner Gene-Slammer, and they should be arriving… right now.**

Suddenly, we saw Elemental HERO Mariner appear before us, and with it are the five girls.

Me: Whoa, Elemental HERO Mariner.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Mariner: (Girl's voice) Oh, sorry about the scare, but I also got the girls away from the thugs, and we were on the rooftops when Sylvester unleashed pure Hell on them.

Lincoln: (Gasps) That voice, Lily Madigan, I knew it was you.

Suddenly, we saw Sylth Vester.

Sylvester: (Divine Godly Cosmic Voice of The Darkness Looney Tune Demonic Vampire Cat Angel and Divine Darkness Looney Tune Feline Vampire Cat Death) Sylth Vester. So, you've arrived.

Ace Bunny: We didn't have to hunt you down, you arrived as soon as Sylvester got rid of the massive armies of thugs our resident jerks hired.

Sylth Vester: Yes, and I did let Sylvester Junior go, since I can't bring myself to hurt him, I may be a villain, but even I have standards.

Lincoln: Exactly. But, how did you escape from prison? Oh boy, don't tell me…?

Sylvester: (Divine Godly Cosmic Voice of The Darkness Looney Tune Demonic Vampire Cat Angel and Divine Darkness Looney Tune Feline Vampire Cat Death) Deuce freed him after Opaline got him back from his banishment. He's getting a mouthful from me when we get back, but for now, let us enjoy this hellish fight!

Sylth Vester: (Unsheathes his sword) If you insist!

Sylvester and Sylth Vester then clashed with their blades in hand: Looney Tune Feline Ancestor VS. Villainous Feline Descendant, and it was becoming ferocious.

Lincoln: Whoa, those two felines are really showing each other no mercy!

Me: The bloodlust within Sylvester awakened, and he's not showing his descendant any mercy!

Lexi Bunny: Just like what he did to the thugs. But, let's join in as well!

Lincoln: Yeah!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel-Demon Hound-Harmony Celestial Eternal Xelnaga Stellar Blood-Stained Darkness Demon Hound of Divine Star Blood-Stained Demonic Darkness Justice and Divine Star Bloodstained Demonic Dark Demon Hound Compassion, and he unholstered his massive Sparda's Eternal Angelic Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, search Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal search Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental search Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Norbert Beaver unholstered his massive Hydros' Primordial Maelstrom Ocean Beaver Greatsword of Primordial Maelstrom Justice and transformed into Super Angel-

Then, Sylvester fired a blast of darkness at Sylth Vester and knocked him down. Sylvester holstered his massive greatsword on his left hip and powered down, and his new body, clothes, weapons, jewelry, and Third Eye are permanent.

Sylth Vester: So, that's it.

Sylvester: Yeah, it is, but you're not going back to jail, you'll be joining The Masters of Evil, consider it a reprieve from prison, and as for Deuce, he'll be getting a backlash from me and the rest of us in the most gruesome way imaginable.

Sylth Vester: Of course, and I'll enjoy being your archenemy… , Sylvester, Member of Team Loud Phoenix Storm and Dark Knight of The Vampires.

Sylth Vester was sent to The Masters of Evil's HQ.

Sylvester: Why did he call me Dark Knight of The Vampires?

Lincoln: You now have the very same dark powers as Alucard, Sylvester, and your new appearance also matches it.

Sylvester Junior: He's right, Father, and you know how he fought against the vampires: with cruelty and ferocity, and what you did to the thugs, that's the very thing that we just saw.

Sylvester: Right. Now, let's clean up this mess before we leave.

Lincoln, his vampire Guardian Angels, and The Goths of Darkness devoured all of the blood spilled by Sylvester, and the streets were cleaned up.

Danger Duck: Well, the streets are cleaned up.

Lexi Bunny: Sylth Vester's now in The Masters of Evil, and Sylvester's slain the armies of thugs that came here on the orders of our resident jerks.

Lincoln: (Burps) Yeah, and that's pissed them off in a major way. (To Lily Madigan) And it's so good to see you again, Lily Madigan.

Lily Madigan reverted back to normal, and she's a beautiful girl with long blue hair in the back with ice blue hair in the front and green bangs, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless red tank top top, green shorts, ice blue sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, and angels on the coattails and on the back is

Elemental HERO Mariner, and holstered on her back is a massive Elemental HERO Mariner-themed greatsword with embedded aqua blue gems and Elemental HERO Mariner etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Lily Madigan: You too, Lincoln, it's been a long time.

Lincoln went up to Lily Madigan and he hugged her, and Lily Madigan is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Lily Madigan: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Lily Madigan, Gene-Slammer of Elemental HERO Mariner, she's my Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model.

Lily Madigan: Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Lily, the mastermind behind this extortion plot were her parents and her sister, Megan, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister and a success in her own way and right, and they wanted to kill her and let Megan, their favorite daughter, become the success they wanted her to be, not their eldest daughter.

Nico: Just like we heard yesterday, damn.

Lily Madigan: And you guys are in for the story of how we took my gold-digging leech workers and my evil parents and evil little sister down and how I severed all ties with my parents and Megan and cut them out of my life forever since they made my life Hell. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Lily?

Lily Madigan: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Lily Madigan: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since he's done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Selene Emperyous: And when you guys did your kiss for the cover shoot, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength for him not to go wild and mark you.

Lily Madigan: Same thing happened with the other Elemental HEROS of Water, and we almost went nuts when Lincoln had on that cologne that drives us wild.

Lincoln went up to Lily Madigan, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lily Madigan: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Lily Madigan's neck with ice blue gems on the gold lightning bolts and ice blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Lily Madigan: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lily Madigan.

Lily Madigan had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Hiromi Hasuda, Mahiro Aoshima, Nano Hasegawa, Setsuna Fujimi, and Yuki Imai from Yukiuta.

Lincoln: Oh wow, it's Hiromi Hasuda, Mahiro Aoshima, Nano Hasegawa, Setsuna Fujimi, and Yuki Imai from Yukiuta.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hiromi Hasuda: Yes, we're okay, thank God those thugs had been gotten rid of.

Then, when Hiromi Hasuda and the other four girls saw who it was that helped out in exterminating the thugs hired by our resident jerks, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hiromi Hasuda: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hiromi Hasuda, Mahiro Aoshima, Nano Hasegawa, Setsuna Fujimi, and Yuki Imai with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flying Fortress, and the rest of the team was shocked to find out the villains we went after were Sylth Vester, descendant of Legendary Looney Tunes feline, Sylvester. But, Sylth Vester wasn't alone in the fight: massive armies of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III were there on the orders of the jerks to kill all of us.

But, Lincoln showed what happened such as Sylvester transforming into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga and laying waste to the massive armies of thugs Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III hired to kill us to get revenge, and taking down Sylth Vester and getting him into The Masters of Evil as Sylvester's archenemy, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Lily Madigan have a lot of catching up to do, now that she's back in town.

Maria: Oh man, oh man, I can't believe what we just saw!

Bugs Bunny: Same here, Doc.

Nico: Well, it all happened: Sylvester absolutely lost it when he found out the thugs tried to kill his son after Sylth Vester let him go, and what he unleashed was pure Hell on them.

Lincoln: It was a massacre on steroids: he slaughtered every last one of them and stained the streets of Acmetropolis with their blood, and from what we saw.

Alucard (HELLSING): It's a repeat of what I did to both The Crusaders and Millennium, only this was a bit more bloodier than ever, truly magnificent.

Bugs Bunny: Oh boy, looks like we need watch it around Sylvester now, one wrong move to set him off.

Sylvester Junior: And it'll end badly.

---

After obliterating the massive armies of thugs hired by Flip, Lewis Travolta, Trina Riffins, Icky Vicky, Amy, Pablo, Anderson, Bubble Bass, Billy McLean, and Bradley Uppercrust III and taking down Sylth Vester, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lily Madigan saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lily Madigan: My God, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in

public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lily, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lily Madigan: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lily Madigan: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Lily, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Lily Madigan: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Megan, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Megan, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Helga and her boyfriend, Zane, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Megan hated her so much, they wanted to ruin Lily's name and her reputation, along with taking all of her money and killing her.

Lily Madigan: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Helga and Zane were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Megan had coming to them: Lily was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Megan arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Megan than their eldest daughter, and Megan was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever, and she was expelled from school.

Lincoln: In the end, her parents and Megan were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Lily's parents were both sentenced to life in federal prison without the possibility of parole, and as for Megan, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Lily severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Lily Madigan: You got that right.

We got a shower, and then, Lincoln, Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof are heading to Mirissa Beach, Sri Lanka.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake and Lighthoof were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Allegra: Whoa, so this is Mirissa Beach, it's so beautiful.

Lincoln: I've never been to any beaches in Sri Lanka before, Allegra, and it's perfect for our first date, and we're also coming back here to Sri Lanka for our challenge and against the fourth of The Celebrity 5. Shall we?

Lincoln, Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof, and they hugged the girls in their abnormally massive and powerful muscular arms, and Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Sri Lanka, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eighteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Allegra, Grace, Kelly, Yuma (Pokémon), Dr. Abby, Charmcaster, Thunder and Lightning (DC Superhero Girls 2015), Blackfire (DC Superhero Girls 2015), Prim Hemline, Raven Inkwell, Spring Step and Lilac Sky, Wild Fire, Surprise, Merry May, Shimmy Shake, and Lighthoof are now part of your harem.

Gwen Tennyson: I was quite surprised to find out Charmcaster had feelings for Lincoln. But, after the whole affair with Darkstar, this may be a fresh start for her.

Nico: You said it.

---

Later it was time for Cadance's first ever ambassador mission and she was going to the world of Powerpuff Girls Z and this is gonna be an awesome one.

Me: This is gonna be so awesome!

Princess Cadance: It sure is and I'm so looking forward to this one.

William: Anyone else want to go with Cadance? Besides Yost Reed and 3 Rabbids?

Blossom: Me and my sisters will go too.

Twilight Sparkle: Me and Flurry Heart too.

Me: Okay.

Jaune Arc: The Powerpuff Girls former enemies and their archenemies will go.

Mojo Jojo: It will be most interesting to see what this world is like.

Lucca: It sure will!

Brick: Yeah I'm looking forward to this one.

Fuzzy Lumpkins: It sures will.

Nico: All right. This will be fun. Lets head out.

I opened a portal and we were off to New Townsville.

---

We arrived in New Townsville and it was amazing!

Me: WOW! So this is New Townsville.

Cadance: This is so amazing.

Lexx: It sure is.

Andrina: Boy this is amazing that we're here.

Ace: This is completely different from what we know.

Brick: It sure is.

Mojo: It's not like what we have too.

Nico: That is true.

Fuzzy Lumpkins: This is really amazing.

2016 Morbucks: It sure is amazing though.

Prime Blossom: It sure is awesome though.

Prime Buttercup: I think so too.

Isuzu Sento: It's going to be fun.

Sedusa: It sure will be.

Saffron Masala: (Hindu Accent) It will be really fun to.

The Powerpuff Girls Z just came out of school. Blossom Z was looking at the sky in concern.

Buttercup Z: (notices this) He's not coming back, you know. We got rid of well… him when we thought we used up our powers. And even then, we still had them.

Blossom Z: We can't be sure. He's probably out there planning his big comeback.

Bubbles Z: Blossom, it's been 2 years now. Just face it. HIM's gone.

Blossom Z: I don't think so girls. I know that he will return. Evil always finds a way.

Bubbles Z: You're right on that.

Ace Z: HIM? You're worried about that prick. You should be more worried about us!

Blossom Z: Uh oh.

We kept on walking and we saw the Gangreen Gang Z!

Me: Uh oh! Lets go!

We went at them!

Me: HEY! Let the girls go you douchebags!

Ace and the Gang saw us.

Ace Z: Oh yeah? Who are you all supposed to be?

Me: People you don't want to ever piss the fuck off!

Blossom Z: Wow! Team Loud Phoenix Storm!

The Gangreen Gang Z gasped!

Gangreen Gang Z: UH OH!

We went at them and pulverized the living shit out of them and bashed their brains out all over the place and smashed them all over!

We all charged at the Gang and start ripping into them. Nico blasts everyone except Ace with beams from his eyes, then extends one arm towards the leader. Ace is picked up by the throat and slammed into the ground; this action is shown three times. Fuzzy tosses Lil' Arturo into the air and hits him as if delivering a volleyball serve. The midget flies across the room to Mojo, who swings Snake like a baseball bat and knocks him back. Arturo slams into the gut of Big Billy, who is being held by Cadance. The flood of abuse that follows includes me stabbing my sword into Grubber's foot, causing him to yell in pain; when he opens his mouth, though, we hear an alarm bell instead.

We were really pulverizing them into dust!

We roughed them up and tied them up.

Jaune: Take that you clods!

I grabbed Ace and had him look at me squarely in the eyes.

Me: (MENACING TALK) No matter what you do for the rest of your miserable life you will always be garbage.

POW!

I smashed his face in and knocked out some of his teeth and knocked him out.

Eddy got out his blaster and realized something.

Eddy: (to Snake Z) You're a girl?!

Snake Z: Um… is that a problem?

Eddy: Well, it's just that the one we've fought is a boy.

Snake: (Hisses) Yessss.

Nico: These guys would be perfect for the M.O.E. HQ.

I teleported them to it.

Blossom Z: That was so awesome!

Bubbles Z: Yeah it was!

Buttercup Z: It was amazing!

Jaune: It sure was.

Me: Awesome to meet you girls.

Blossom Z: Same here and we heard so much about you all.

Me: We are practically known all over the multiverse.

Blossom Z: (to Yost Reed) Aren't you Mr. Fantastic?

Yost Reed: That's right but not the one you all know.

Me: He's from another dimension called the Yost Universe. Long story on that one.

Blossom: It's really cool.

The girls gasped!

Powerpuffs Z: YOU GIRLS ARE US!

Blossom: That's right.

Me: They are the prime universe versions of you girls. Oh I'm sorry we should introduce ourselves.

We did so.

Blossom Z: Wow. Awesome to meet you guys.

Cadance: Same here. It's an honor and I'm gonna be your ambassador.

Me: It's part of a special diplomatic mission program we made.

Eli: It's true.

Nico: Yep.

Blossom Z and Blossom touched hands and started to copy each others' movement.

Me: It's like looking at yourself in the mirror.

Nico: Yeah.

Me: I can assure you that this is real.

Blossom Z: We got to take you guys to the professor.

Me: Okay.

We went to Professor Utonium's lab.

We arrived.

Professor Utonium Z: Hey, girls. How was school today?

Blossom: It was really awesome! And we have some guests.

We came in.

Professor Utonium Z: Wow Team Loud Phoenix Storm!

Kenny Utonium: Wow! What an honor!

Me: Awesome to meet you and you too Kenny.

Kenny Utonium: How do you know my name?

Me: We have lots of sources.

Nico: Yeah.

Me: We have so much to tell you all.

Professor Utonium Z: We would like to hear all of it.

Poochie came in.

Nico: Hi. You must be Poochie.

Poochie: Yeah that's me. Awesome to meet you Team Loud Phoenix Storm.

Me: Same here.

Rabbids gibbering.

Me: And these little guys are the Rabbids.

Bubbles Z: Oh they are so cute.

Me: They sure are but they are idiots. They aren't the brightest lightbulbs in the closet if you know what I mean.

Bubbles Z: Oh I get it.

One of the Rabbid starts humping Poochie.

Poochie: HEY!

Eddy grabbed the Rabbid.

Eddy: Now now stop.

Me: See what I mean?

Blossom Z: Yeah.

Me: We should tell you how the Powerpuff Girls came into being in our universe. They were made with Sugar, Spice and Everything Nice. You know like that myth for What Are Little Girls made of?

Blossom Z: Yeah I know that.

Me: Okay. Also they were made with an accidental dose of Chemical X. There was a huge explosion and it made the Powerpuff Girls.

Blossom: It's true.

Blossom Z: Wow! That is amazing.

Me: Yep.

Brick: We were made using Snips, Snails and a Puppydog Tail as well as Chemical X.

Lexx: It's true.

Blossom Z: Good to know. But me, Buttercup, and Bubbles were actually ordinary girls until we got hit with Chemical Z.

Me: That's what we found out from Deadpool. That is really something.

Eli: Yeah no kidding.

2016 Morbucks: Your version of Princess Morbucks isn't like my Prime Universe self is she?

Buttercup Z: Compared to her, our Morbucks is a saint!

Me: Wow! Our version of Princess Morbucks is a Spoiled brat to the Nth Degree. You wouldn't believe what she did. And now she is in the Limburger Cheese Mines in Switzerland forever.

Bubbles Z: Geez! That must smell horrible!

Me: It does. But her crimes pale in comparison to the atrocities that HIM did in our universe. It would have started because of Time Travel.

Blossom Z: Really?

Me: Ugly story.

Jaune: We found out that Lori, Lynn and Lola in an alternate time went back in time to the 20 Days of Darkness and stopped it from happening.

Me: But in doing so, HIM took over and killed most of us.

Buttercup Z: I get they wanted to prevent those dark days. But what's the fun in getting rid of someone with time travel when you can kick their butts in person?

Me: You got that right. We had to learn that the hard way when we went to the world that HIM was on.

Eli: Yeah that is true.

Earthworm Jim: Yeah that is a crazy one.

Me: Are the Amoeba Boys still the same pathetic criminals that you girls know?

Blossom Z: They sure are. But they have a girl member.

Me: Wow! That is interesting.

Boss: Us having a girl member?

Slim: That's amazing boss.

Me: It sure is. So instead of the Amoeba Boys we'll call them the Amoeba GANG.

Eli: That's more fitting.

Eddy: One of them's a girl, right?

Bubbles Z: Yep.

Me: Very interesting.

Biossom Z: (to Nico) What about you? Do YOU ever get tempted to go back in time and erase evil from existence?

Nico: You think I don't consider it? All I've ever wanted to do is use the Black Gates to erase all evil. A day doesn't go by ever since Luthor tried to tempt J.D. where I don't think about every damned thing scumbags like HIM and Joker have done before going back in time to when J.D. met the Louds and use the Black Gates to ensure that there's no more suffering. (sighs) But if I do that, then I know there would be consequences.

Me: That's right. But the reason why we didn't is because of the consequences.

Eli: Yeah.

Jaune: That would also still be far too easy though.

Me: Yep.

Blossom Z: Yeah you're right.

Me: The reason we were like that was because of Dark Orb Contamination.

Eli: Yeah. We were poisoned by Dark Orbs.

Mojo: We were.

Bubbles Z: Oh man.

Professor Utonium Z: That's crazy.

Me: It sure was. But thanks to a friend of mine we are now permanently dark orb free.

Buttercup Z: Good.

Nico: So, do you girls have families?

Bubbles Z: Yep. One day, we'll have you meet them in person!

Bunny: That will be cool!

Blossom Z: It sure will.

Me: Oh girls you may want to get a box of tissues because we have a story to tell you. It's about Bunny.

Blossom Z: What happened?

Me: Well it's a dark one.

I told them what happened and it was a really dark story.

---

From thwarting bank robberies and fighting monsters to saving endangered citizens all day, the Powerpuff Girls come back from a long day of crime fighting. The Professor, however, is fast to remind them of their chores despite the fact that they are very tired. Realizing the need for help with their crime fighting, they secretly choose to create another Powerpuff Girl. They sneak into the Professor's lab and try to create a new Powerpuff Girl in the technique left behind by the Professor himself. Unfortunately, for lack of the right ingredients, they improvise; they use artificial sweetener instead of sugar, dirt and twigs instead of spices, and things they themselves believe are "everything nice" such as crayons, books, lizards, flowers, computers, footballs, stuffed animals, calculators, a mackerel, a compass, boxing gloves, a ribbon, art, bandages, a smiley face, a globe and a knuckle sandwich (Buttercup punches the mixture).

Finally, as if it were a scripted accident, they add the "accidental" dose of Chemical X. The mixture explodes in the tradition of the opening sequence, but it creates a hideously oversized girl. The girls introduce themselves and try to think of a name for her since she can't speak very well; though Buttercup suggests Braces, Bubbles christens her as Bunny, a more suitable name that both Blossom and Buttercup seem to agree with as well. The girls tell Bunny what she has to do and they send her off to fight crime while they try and relax.

However, with her misunderstandings of what she needs to do when being told to fight the bad guys and throw them in jail, Bunny interprets the police as criminals (anyone who has a gun) and ends up imprisoning them in place of the perpetrators. It is not until the girls see her on the news that they realize that Townsville is in danger. The girls seek her out in town, and as she wails on a police officer, they tell her that she has been bad and is not cut out to be a Powerpuff Girl. Upset, Bunny flies away.

Straight away, the girls are surrounded by all the criminals, including the newly released, and are overpowered by them. Up on a ledge out at sea, Bunny hears their cries and flies to their rescue, attacking all of the criminals in a way that only the girls were known for and shouting that she has done good. But just then, Bunny begins to wobble and white light beams out of her, then explodes and perishes with a blinding flash.

The Powerpuff Girls manage to recover from being attacked by every criminal in Townsville, thanks to Bunny saving them. As they wonder where she is, the piece of her dress she leaves behind drifts to the ground. The girls become rife with surprise and grief; Blossom surmises that Bunny was unstable and the explosion broke her down into her original ingredients, while Bubbles mentions in her eulogy that Bunny was good after all, especially on this one occasion, and that they were the ones who were bad. And with that, they hang their heads in sadness as they mourn the loss of their "sister" in the street, with the girls' meanness towards her coming at the cost of her own life.

Even the narrator is upset over Bunny's death as he weeps ("And so, for the first and final time, the day is saved thanks to Powerpuff Bunny!") and he sobbingly breaks the fourth wall by telling the cameraman to go commercial.

---

When I was done the Powerpuff Girls Z girls were crying hard and it was a really dark story.

I gave them a box of tissues and they were crying hard.

Bubbles Z: Good god, why?!

Me: She was unstable.

Nico: Yeah I wasn't with the team when I was told that but that was awful.

Me: Ever since that day your prime universe counterparts were really grief-stricken and they cried really hard since then.

Eli: Yeah. But the heavens smiled down upon them and brought her back.

Comrade Red: (Russian Accent) It's true comrades.

Buttercup Z: What was she made with?

Me: Lets see. Artificial Sweetener, Dirt and Twigs and all kinds of random things as well as Chemical X.

Nico: Yeah.

Buttercup Z: If you guys tell anyone else I cried-

Nico: Our lips are sealed.

Me: Yeah. But you should have seen what Professor Dick did. He made chief knockoff versions of you girls.

Blossom Z: WHAT!? How!?

Me: He was a gold-digging bloodsucking leech.

I told them what happened.

---

The Professor gets a call from his old friend, Dick Hardly, who tells him that he's coming over for a visit. Soon, Professor Utonium begins remembering his interactions with Dick at the university they both attended (where Dick secretly cheated on his work and slacked off when he wasn't looking). Dick soon arrives and gets a tour of the household. After Dick gets his first glance at the girls, he becomes interested in them and believes they could make a fortune together as he discusses various ways to make money off of them. But, the Professor, offended by Dick's dehumanizing comments about the girls, becomes suspicious of his proposal and forcefully orders Dick to leave. Feeling betrayed, Dick begins planning his revenge on Utonium.

Later that day, the girls are about to return home from school when Dick's car pulled up in the driveway, and he offers them a ride home. While driving, Dick explains how evil is always occurring around the world. Afterwards, he mentions the possibility for multiple Powerpuff Girls who would fight crime in various locations outside of Townsville. Later, he asks the girls what they are made of. The girls quickly answer: "Sugar, spice, and everything nice, and an accidental dose of Chemical X." Arriving at their household, he asks the girls for a flask of Chemical X. They zip to the Professor's lab and back, giving him the flask. Now eager, Dick rushes into an abandoned evil factory, which he now owns, and uses all the ingredients the girls told him earlier to make his own creation-The Powerpuff Girls with Chemical X-treme (which are actually knock-offs of the originals).

The next day, Dick shows off his creations to the mayor of New York City. Sometime later, the creations rush a giant alligator monster (who bears a striking resemblance to Wally Gator) to safety while on his way to work. This footage is publicly broadcast, and the Utonium family is watching. The Professor acts a little skeptical towards the real girls, thinking that they were in New York, and asks them when they went. The girls lie to him, saying that they went there earlier. While in bed, the girls feel guilty about lying to him, but believe it will all turn out good.

In the following weeks, Dick's factory starts expanding, he was now making more knock-off girls, and sold them all over the world such as Japan, France, India, Germany, and Egypt. However, even though the Powerpuff knock-offs greatly resembled the original girls, Dick started to cut back on their ingredients and intentionally allow them to have poor quality so they could quickly deteriorate so he could make more money, and even created disfigured versions of the knock-offs that he rejected. Meanwhile, Professor Utonium is starting to grow more and more suspicious.

Eventually, the girls' trust in Dick quickly fades after watching an infomercial featuring him advertising "The Powerpuff Girls with Chemical Xtreme", in which they also learn that Dick sold his Powerpuff Girls to anyone for profit, even criminals. Now knowing that Dick lied to them, the girls fly to his factory, confront him, and ask for the Chemical X they gave him, back. But, rather than give it back to them, he psychotically swallows it whole (flask and all). Suddenly, the effects of the Chemical X he swallowed transforms Dick into a radioactive monster.

The girls battle Dick, but they are no match for him and he overpowers them. Dick then captures the girls inside a glass dome and starts forcibly extracting the Chemical X from their bodies, so he could continue to produce more clones.

Meanwhile, the Professor, whose suspicions lead him into realizing Dick was behind all of this, drives all the way to his factory. Noticing the fight inside, he rushes into the factory, but arrives too late, as Dick had already begun extracting all the Chemical X out of the girls using a machine he invented.

Utonium begs Dick to stop, but he refuses at first. After offering himself willingly in taking the girls' place so he could make more Chemical X, Dick decides to have both the girls and Utonium instead, ordering all the rejects to take the Professor away. While they do so, Professor Utonium tearfully expresses his strong and deep fatherly love towards the real girls. This sparks the rejected girls' minds into knowing that Dick never gave them love or care. The rejects turn on him, cling to his body, and sacrifice themselves to consume Dick in an inferno. However, a few of the rejects who survived release the girls, who are now ostensibly come close to dying from being completely drained of their Chemical X, before ordering the Professor to take his family and escape before it's too late. He does so, leaving Dick behind. Now, far away from the burning factory, Utonium is grief-stricken over the apparent loss of his girls. Fortunately, his love quickly revives them, and replenishes all of their Chemical X as well. The Professor, now happy, tells the girls: "Old Dick may have gotten the formula right, but the one ingredient he forgot was LOVE." As the girls and Utonium leave, Dick Hardly screams in agony one last time as his factory continues to burn, and the narrator says: "Guess like the love you take is equal to the love you make."

When I was done I growled in rage!

Me: (GROWLS) What he did makes me mad!

I clenched my fists tight and blood poured out from between my knuckles and landed on the table and burned holes through it!

Blossom Z: Whoa! Your blood! It's like acid!

Me: Huh? Oh sorry.

I calmed down.

Nico: He even tried turning Billy against us.

Jaune: Yeah he sure did.

Me: Yeah.

Blossom Z: Wow. I'm sorry guys.

Me: It's okay.

Bubbles Z: Are there anymore villains that we haven't faced that you guys have?

Me: Actually there are tons of them.

I told them about Roach Coach, The White Cat, Boogee Man, Abracadaver, numerous monsters, the Broccoloids, Madame Argentina, the Powerpunk Girls, Mojo Jojo's massive army of Chemical X Monkeys and more. It was amazing!

Bubbles: WOW! That is a lot of villains!

Me: Yep.

Blossom Z: With any luck, our version of Mojo will be at his old tricks again.

Me: Has he been in jail more times than anyone else can even count like the Prime Universe can even count?

Blossom Z: Not really sure.

Me: Mojo how many times were YOU thrown in jail?

Mojo Jojo: 5,237,236.

Me: Holy mackerel!

Nico: Wow!

Then the girls belts flashed.

Me: Like the Powerpuff Girls hotline phone but in belt buckle form.

Buttercup Z: You're about see what else they can do!

Me: I have feeling this will be cool.

They transformed!

Blossom Z: BLOSSOM!

Bubbles Z: BUBBLES!

Buttercup Z: BUTTERCUP!

They transformed into their awesome Superhero Uniforms!

Me: COOL!

Nico: Those outfits are awesome!

Eddy: And watch for anyone who looks like me but who's evil.

Blossom Z: What do you mean?

Me: Oh right we need to warn you. There's an evil version of Eddy that is coming. He looks like Eddy but he has piercing red eyes and black clothes. We call him Dark Eddy. He is armed with a blaster. His goal is to kill all heroes and villains and also be the ONLY hero there is.

Nico: He's like Dangerous Jiro except he is all villain.

Me: Dangerous Jiro of the Donbrothers in our universe. Strange story there.

Eli: Yeah.

Me: But Nico put a curse on Dark Eddy. After 24 first missions of each Ambassador Mission series, he will be banished to the Black Gates.

Bubbles Z: Black Gates?

Me: It's the deadliest technique we have in our arsenal.

I went over what it does and more.

Buttercup Z: Wow! That is amazing!

Me: It sure is. And this is number 19.

Nico: I DID mention the Black Gates while explaining why I don't use time travel to erase all evil.

Buttercup Z: Oh. We just didn't pay attention to that because of serious you sounded.

Nico: Oh. No worries. Anyway we're wasting time.

We were off.

We then saw MOJO JOJO Z!

Me: Whoa he is bigger than the one we know.

Mojo Jojo Z: (smirks) Oh, hello, Powerpuff Girls. I'd like to introduce you 3 to something.

He fired at the Powerpuff Girls Z, making them move very slowly.

Mojo Jojo Z: (laughs) My slow motion ray. With this, you 3 are too slow to fight me. Which leaves me free to get acquainted with your new friends. (to us) Welcome to New Townsville. Hope you're liking it here so far.

Me: Enough to kick your banana covered butt!

I teleported and kicked him in his face and smashed him down and I snapped my fingers and the girls were back to their speed.

I fired waves of energy and blasted him all over.

Mojo Jojo Z: (sees Mojo) Well, aren't you a handsome devil?

Mojo: That's because I, Mojo Jojo, am you from the universe from Team Loud Phoenix Storm.

Jaune: And he is my archenemy too.

Jaune fired waves of energy and blasted Mojo Jojo Z all over.

Mojo fired a laser blast and blasted him all over.

Me: Also here is a little something from me.

I teleported and put a bomb bracelet on his arm! I then put a range detonation device on it.

Me: Give my regards to your maker monkey breath!

I put it on an arrow and fired it into the sky!

I then ran.

Me: HIT THE DIRT GUYS!

We ducked and covered!

Mojo Jojo Z: NO! NO! NOOOOOOO!

It went 75 feet far and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

He was burned and bloody!

Nico: WHOA! THat was intense!

He was burned badly.

Me: Geez! He must've felt that!

He was burned and bloody! But his arm was blown off!

Eli: Yikes!

Me: That was good.

Yost Reed: (gets out Psyphon's Core Medal) You're not dead. Good. Don't want this to end too quickly.

He put it into his sword and fired laser blasts and blasted him all over!

Me: YEAH!

Blossom, Bubbles and Buttercup fired laser vision blasts and so did Bunny!

Cadance: (gets out Cupid's Core Medal) Feel the power of love!

She fired waves of hearts and arrows and blasted him all over.

Twilight Sparkle: And feel the power of the elements of Friendship.

She used Kaos' Core Medal and fired waves of the 10 elements and blasted him all over.

Me: YEAH! Now this.

I used Lord Drakkon's Core Medal and blasted him all over with waves of green energy and blasted him.

Nico: And this!

He used Myotismon's Core Medal.

Nico: (ECHOING) CRIMSON LIGHTNING!

Nico fired waves of blood red lightning and smashed him all over!

Buttercup Z: (gets out hammer) Hammer time!

Jaune: Nora's gonna be so jealous!

She bashed Mojo Jojo Z on his head and smashed him all over!

Me: You'll like this!

I formed a warhammer made of solid rock and bashed Mojo Jojo all over!

Nico: YEAH!

Buttercup bashed and smashed Mojo Jojo Z all over!

Bubbles Z used her bubble wand to shoot bubbles at him.

They hit him and blasted him all over.

Me: SpongeBob would love seeing that one!

Nico: He sure would!

Me: I got an idea! (To Bubbles) Bubbles think of something and unleash HARDCORE BUBBLES!

Bubbles: Oh yeah!

Bubbles then thought of her being called cut all those times and then she flew at Mojo Jojo Z and smashed and bashed him all over and She dispatches him in short order, finally knocking him back into the skyline behind her; a mushroom cloud rises when it lands. Mojo Jojo Z ran back and A laser blast from o.c. catches her by surprise and makes her scream in pain; Mojo Jojo Z did a bad thing! Close-up of her face as she turns around; there is a drop of blood at the corner of her mouth. Extreme close-up of this as she wipes it away and screams in fury. Bubbles now goes on the attack against Mojo Jojo Z with ballistic fury, showing no mercy whatsoever. She tears his helmet off and smashes it and throws it as a spear, impaling him through the mouth, possibly in payback for the cheap shot he pulled on her while she was distracted. Eyes and appendages are torn loose or knocked off in rapid succession. The battle ends with her flying toward the camera at ground level and Mojo fell to the ground battered, bruised, bloody, and beaten. She lands, panting hard, and the camera pulls back slowly. The scene dissolves to the chamber, the simulation over since she emerged victorious; zoom back in on her.

Bubbles: WHO ELSE WANTS SOME?!

Me: HOLY FUCKING SHIT!

Nico: UN-FUCKING-BELIEVABLE!

Jaune Arc: HOLY SHIT!

Me: (GULPS) I think I might have gone far too overboard on that one!

Nico: No kidding!

Eddy: Dark Eddy will be here any minute!

Me: And I think he is right there!

I fired my blaster and it hit the top of a building and in a huge explosion a figure fell off and crashed into the ground!

KRASMASH!

He got up and he was mangled all over.

Dark Eddy: (Dazed and stupid) Granddad you ran another stop sign.

Nico: Nice shot.

Blossom Z: I got this! (launches yo yo at him)

She bashed him all over the place with it.

Me: Boy Lee of Sector W would love that!

Nico: Yeah he uses a Yo-Yo for battle too.

I fired fireballs and blasted Dark Eddy all over the place with incredible fury!

Dark Eddy fired his blaster but we avoided it.

Nico: (gets out Ben Ravencroft and Felix Faust's Ridewatches) Time to let the magic happen!

Nico activated them and fired waves of magic and blasted him all over.

Fuzzy blasted Dark Eddy in his legs with his shotgun and he screamed in pain!

I fired waves of energy and blasted him all over.

Buttercup Z swung her hammer at Dark Eddy.

She bashed him on his head!

Dark Eddy was grunting as more blows from her hammer hit him and an elephant sound is heard when his head was hit. Dark Eddy was being thrown into the air and on the ground, then given a wedgie by Nico]

Dark Eddy: No, please, have mercy!

Nico: Mercy is for the weak!

Nico smashed his head in and bashed him into a fire hydrant!

Eddy gave his Dark Side a wet willie.

Eddy: Take that you freak!

Eli grabbed Dark Eddy and channeled Force Lightning into him and electrocuted him with billions of volts of electricity!

Dark Eddy was burned to a crisp! BUT HE WAS MASSIVELY PISSED!

Bubbles fired bubbles at him.

And they blasted him all over.

Nico: YEAH!

Eli: Take that!

Then a Rotom came in and flew at Dark Eddy and electrocuted him with billions of volts of electricity!

Nico: Ouch!

Blossom Z: A Rotom!

Me: I didn't see it.

Nico: Yeah!

Rotom: (In a girls voice) Take that you no neck chump!

Nico: Nancy Sienkiewicz!? Wow.

Buttercup Z: (laughs) Now that's shocking!

Me: Not nearly as shocking as this! DRAGON THUNDERCLAP!

The 5-Star Dragonball on my bracelet glowed and I fired a massive blast of lightning and it electrocuted him and sent him back into the Book of Vile Darkness dimension.

Me: Number 19 done.

Nico: And 5 more to go before he kicks the bucket.

Nancy reverted back and she was a girl with orange hair and had blue eyes and had a really nasty scar on her right cheek and she had orange clothes.

Nancy Sienkiewicz: That was so fun!

Me: It sure is.

Nico: Awesome seeing you again Nancy.

Nancy Sienkiewicz: Same here Nico.

Me: Whoa how did you get that scar?

Nancy Sienkiewicz: A burglar came in and as my dad was defending us, the burglar pushed me and I got slashed on my face and got this scar.

Me: Ooh! Ouch!

Eli: That must've hurt!

Nancy Sienkiewicz: Yeah it did.

Me: Thank god you're okay.

Nancy Sienkiewicz: Yeah.

We went to Mojo Jojo Z.

Me: Whoa we really did a number on him.

Nico: (to Mojo Jojo Z) We'll get you healed up at Masters of Evil HQ.

Mojo Jojo Z: Thank you.

I teleported him there.

Jaune: So girls how did you like us facing one of your foes?

Blossom Z: That was so awesome!

Buttercup Z: Yeah it was!

Nico: Yeah!

Nancy Sienkiewicz: That was awesome. I saw the fight and it was awesome.

Me: It sure was. What's your favorite memory of Nico?

Nancy Sienkiewicz: My favorite is when me and Nico went to a sausage restaurant and we had the Polish Nightmare Platter and ate the whole thing.

Nico: We sure did and we both got a huge and awesome wiener car.

Me: Boy that must've been an awesome sausage.

Nico: It was. It was over 600 pounds of sausage.

CLANG!

Blossom Z's jaw dropped.

Eli put it back.

Blossom Z: That is a lot of sausage!

Me: We have been known for eating a lot of food.

Princess Cadance: We sure have and it's amazing.

Twilight Sparkle: Yeah.

Nico and Nancy hugged.

Nico: I've really missed you.

Nancy Sienkiewicz: Me too Nico. Me too.

We arrived back.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything.

May: Whoa! That is awesome!

Lola: Yeah no kidding!

Nico: Yep.

May: Next time, Cheese and Cupid should go with you guys?

Me: Good idea.

Xenia: Yeah!

---

We were watching TV.

Carrie Krueger: Let's see what's on the news.

Me: Okay.

We got to watching the News.

Katherine Mulligan: This is Katherine Mulligan reporting to you from Gotham Royal York where the Renegades have destroyed a terrorist group that was going after the mall. They stopped and killed them before they got to it.

Me: Wow! That's a relief.

Nico: No kidding.

Katherine Mulligan: We go to Rosetta Riley live at the scene.

Rosetta Riley: First of all, I would like to point out that the Renegades kill any villain that's irredeemable.

Me: And terrorists fall into that category.

Qin: Yep.

Rosetta Riley: And second all the terrorists are all butchered and slaughtered.

Qin: Good riddance.

Rosetta Riley: They were part of the evil organization The Wraiths of The Blue Phoenix. They were going to kill everyone that Team Loud Phoenix Storm knows.

Me: Geez!

Rosetta Riley: As to who the Renegades are, they really are content with not revealing themselves until the right time. But, everyone truly is grateful for substituting for Team Loud Phoenix Storm.

Me: That's good. I'm glad they are protecting everyone in our absence.

Lola: Thank goodness.

Nico: Yep.

Rei the Ghost: Finding who they are is still a mystery.

Me: Yep it still it. But patience begets its own rewards.

Nico: Yep and it's a virtue too.

Qin: That is for sure.

Maria: At least they're not Team Buktu.

Me: No kidding.

Lincoln: That's a relief.

Qin: Yeah no kidding.

Varie: Thank goodness.

Crumplezone: Wait. Is that the next Gene Slammer?

We saw a Dusknoir.

Me: Hey a Dusknoir.

Qin: Awesome.

Nico: Yep.

Dusknoir: (In a girls voice) Boy the Renegades are doing awesome.

Me: They sure are.

Nico: Benito Yamaguchi!? Whoa!

She reverted back and was a girl with black hair and had purple eyes and purple clothes.

Benito: Awesome to see you again Nico.

Wreck Gar: What's your favorite memory of Nico?

Benito Yamaguchi: When me and Nico scared the living daylights out of a queen bee.

Me: How did you do that?

Benito Yamaguchi: With me forming an illusion of her boyfriend being ripped to shreds by Carnage.

Me: Nice.

Girl Jordan: That is something I can handle as long as it's not the real thing.

Nico: Good.

Nico and Benito hugged.

Nico: I missed you Benito.

Benito Yamaguchi: Me too Nico. Me too.

Me: I think I know what's coming next for the Pokemon Gene-slammers.

Nico: Yep. Uxie, Mesperit and Azelf.

Qin: Nice!

Misfire: At least we know the Renegades don't kill EVERY criminal they encounter.

Me: That's true.

Lola: Yeah.

Nico: But it's the rapists and murderers and terrorists that deserve death.

Laney: Yeah no kidding.

Then the previous group came.

Roman Goodwin: Can me, Abomination, Shade, Dark Laser, Demyx, Ssserpent, Roquefort, Gizmo, Duskmon, and Blizzard go with you guys?

Nico: Yes you all can come with.

Qin: Sri Lanka is next on the list.

Nico: Awesome.

Lola: This is gonna be awesome.

Carnivac: Boss, I just want to clarify. Which Gene Slammers are gonna be next?

Nico: Uxie, Mesperit and Azelf along with Dialga and Palkia.

Me: Whoa! The emotions and space and time Pokemon.

Xenia: Wow this is gonna be powerful!

Aylene Carter: Yeah no kidding.

Lola: Yep.

Abomination: Let's get going.

Me: Lets go.

Suddenly, Lincoln's Celebrity 5 alarm went off, and he picked up the signal, and he saw who's the next member of The Celebrity 5 we're taking on: it was Rosetta Riley.

Me: Uh oh, The Celebrity 5 alarm has gone off. So, which of The Celebrity 5 are we going after now?

Lincoln: The next member of The Celebrity 5 we're facing is Rosetta Riley, and she's in Sri Lanka.

Jessica Shannon: So, after we complete the challenge, we take Rosetta Riley down, and you put her into a disk, right, Linky?

Lincoln: Right, Jessica, which means tomorrow, we're going to take down the last of The Celebrity 5: Tim Gilliam.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Porrash, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Porrash of The Extraterrestrial Order of The Planets of

Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Arabella are more than ready for Porrash, right, Lincoln?

Arabella Yog-Sothoth: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Porrash and give him The Black Gates.

Lincoln: You said it, Arabella.

Nico: To face off against one of the Incarnations of The Cthulhu Deities, oh boy, that's a fate worse than death. Alright, gang, our next stop is in Sri Lanka, and the next of The Celebrity 5: Rosetta Riley.

Lincoln: We'll take her down in the same way we took down the other three members, and put into a disk and once we get done trouncing Rosetta Riley, you better be ready to die, Porrash.

Arabella Yog-Sothoth: You better be ready to die, Porrash, because you're about to face the madness of Yog-Sothoth.

Me: Lets go.

We were off to Sri Lanka.

---

We arrived in Sri Lanka.

Me: Here we are.

Qin: Sri Lanka. Awesome.

Camie: It's amazing.

Xenia: Yep.

Sunstorm: I hope we visit Beira Lake

Nicole: Actually that's not on the agenda. Don gave me this.

She got out a map.

Nico: A treasure hunt?

Nicole: Yep.

Dark Laser: (to Sunstorm) Good guess though.

Sunstorm: Thanks.

Nicole: Lets see what it is.

She unrolled the map and it was a map that leads to a sword for volcanoes.

Nicole: (GASP) It's a map that leads to the Book of Jwalamukhi!

Me: The Avatar of Shakti? Whoa!

Qin: Wow!

Nicole: Legends say that this is the book that controls all volcanoes and lava itself.

Qin: Wow!

Camie: This looks awesome.

Supernova Zap: Who gets that?

Me: Good question.

Nico: Yeah.

Flannery: I will get that one.

Nico: Nice!

Nicole: Okay then.

Nico: Lets go.

We were off into the jungle.

Roquefort: I think that'll fit you nicely.

Flannery: It sure will.

Nicole: According to the map it's said to be under the volcanic rock formation of Sigiriya.

Nico: This will be interesting.

Nicole: Yep.

We saw it up ahead.

Me: Wow.

---

Sigiriya or Sinhagiri (Lion Rock Sinhala: සීගිරිය, Tamil: சிகிரியா/சிங்ககிரி, pronounced see-gi-ri-yə) is an ancient rock fortress located in the northern Matale District near the town of Dambulla in the Central Province, Sri Lanka. It is a site of historical and archaeological significance that is dominated by a massive column of granite rock approximately 180 m (590 ft) high.

According to the ancient Sri Lankan chronicle the Cūḷavaṃsa, this area was a large forest, then after storms and landslides it became a hill and was selected by King Kashyapa (AD 477-495) for his new capital. He built his palace on top of this rock and decorated its sides with colourful frescoes. On a small plateau about halfway up the side of this rock he built a gateway in the form of an enormous lion. The name of this place is derived from this structure; Sīnhāgiri, the Lion Rock (an etymology similar to Sinhapura, the Sanskrit name of Singapore, the Lion City).

The capital and the royal palace were abandoned after the king's death. It was used as a Buddhist monastery until the 14th century.

Sigiriya today is a UNESCO listed World Heritage Site. It is one of the best preserved examples of ancient urban planning.

---

Nico: That's a beautiful rock.

Me: It's more than that. It's a rock fortress that was built on it.

Qin: Wow!

Sinnertwin: Should be easy to spot

Nicole: Well it's actually in a cave. It's at the base of the mountain.

Qin: Wow.

Nicole: Good guess though.

We then arrived at the mountain of Sigiriya.

Qin: Wow!

We then saw the cave entrance.

Nicole: That must be it.

Duskmon: Let's go in.

Nicole: Yep.

We went in and saw that it was a magnificent cave.

Qin: Wow what a cave.

Laney: Magnificent.

We went deeper and deeper into the cave and it was getting hot.

Me: Whew! It's getting hot. We must be getting close to a magma pocket.

Nicole: No kidding.

Chan Lee: Fourtress can handle a little fire.

Fourtress: Of course I can!

Me: Me too.

We got into a magma chamber.

Me: Wow!

Eli: The Magma Chamber.

Qin: Wow. Amazing.

Duskmon: Are we getting close?

Nicole: Actually we're already in front of it. Look!

In the middle of an island on an altar in the middle of a lake of lava was a ruby book and it had volcanic symbols on it.

Nicole: At last we found it!

Nico: Wow! The Book of Jwalamukhi.

Lola: Incredible.

Gizmo: I'm sure you have plenty more capes

Superman: True.

Flannery flew over to the book.

Flannery: Here we go.

She picked it up and then it glowed and she was enveloped in a massive vortex of fire and lava!

(ESCAFLOWNE FOX KIDS INTRO EXTENDED PLAYS)

She underwent an amazing transformation! She got an awesome pair of lava and fire angel wings and she had amazing lava and fire powers too! When the lava vortex faded she was forever changed.

Me: Wow! Flannery how do you feel?

Flannery: I feel incredible!

Camie: Wow! That is amazing!

Red Hood: You should be proud, Flannery.

Flannery: I sure am.

Qin: Yeah!

She came back.

Lola: Now we can get ready for the battle.

Ssserpent: Who's going to be Rosetta's archenemy?

Lincoln: I believe that Ran Hibiki has an opening for her.

Qin: That is gonna be awesome.

Lola: Yeah!

Ran Hibiki: This is gonna be so fun!

Xenia: Yep.

Nico: Lets head out to the capital city.

We were off. We arrived in the Capital City of Sri Jayawardenepura Kotte.

We arrived in the city of Sri Jayawardenepura Kotte.

Quake Woman: Here we are.

Me: The Capital City of Sri Jayawardenepura Kotte.

Nico: Boy this is amazing.

Qin: Yep.

We saw the town square and standing in it was Rosetta Riley!

Me: Target sighted.

Qin: Yep.

Demyx: Entrance time!

We were off.

Rosetta was waiting and then the spirits of the greatest news reporters appeared and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and a phoenix cry was heard and then we came.

Me: This is Team Loud Phoenix Storm news and we have the scoop of the Century for you and the top story is Rosetta Riley's battle.

Nico: Oh yeah!

Rosetta Riley: What did you think of my broadcast earlier?

Onslaught: We honestly liked it. But you didn't figure out the names of the Renegades?

Rosetta Riley: I did say they're not like Team Buktu. They don't exactly stick around for cameras.

Me: Ah they don't like being in the spotlight.

Qin: All right then.

Xenia: Yeah but thank goodness they aren't like Team Buktu.

Shade: Anyway, I think you know why we're here.

Rosetta Riley: I know. So, let's not delay things. Tiger Shark, D Smash!

Jessica Shannon: Wasp, D Smash!

Out came Tiger Shark and Wasp!

Qin: This is gonna Sting and Bite!

Xenia: Yeah!

Then Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost appeared.

Nico: Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Onyx, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost.

Dirty Bubble: Lots of recruits you sent to us today.

Nico: Yep.

Pinky: I hope they'll be okay.

Swordsman: Relax, Pinky. They'll be fine.

Me: They will.

Dr. Destiny: (to Nico) We heard you met the Eeveeola parents.

Nico: We sure did.

Onyx: Did you wet your pants again?

Me: Geez Nico you got to stop that.

Nico: I know and no I didn't wet my pants.

But then…

KRASMASH!

Nico got smashed in a pile of garbage!

Me: OH SICK!

Nico popped up.

Nico: OH YUCK! OKAY WHO IS THE WISEASS!?

?: Me.

A figure came out and it was GARBAGE WORLD!

Me: Garbage World! Been a long time.

Garbage World: It has been a while. Not since Zarya's missions.

Zarya: I know.

Lana: You're my kind of world!

Garbage World: (laughs) I had a feeling that you would like me!

Me: (LAUGHS) That's true.

We got the battles underway.

## Nokama, Penelope "Stinky" Florington, Kelly Orimoto, Hilary Thestalos, Nina Nefertiti, Emily Magica, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Misfire and Mindwipe VS Dirty Bubble, Stinkor, Evil Whirlpool Man, Firestorm Prometheus, Evil Genie Woman, and Universe 666 Saturn Saturn the Dark Sailor Soldier - Nico's Rescue and Freya and Miriam's ordeal

Dirty Bubble was first.

Dirty Bubble: (to Nokama) Nico met the parents of the Eeveeola triplets in his rescue. (sympathetically) And that was a rough ordeal Freya and Miriam went through.

Nokama: It sure was. The poor girls went through a nightmare and her own parents were going to give Freya's sister to a science lab! What a bunch of monsters!

Penelope Stinky: Yeah no kidding! Miriam is a human being and not a guinea pig!

Kelly Orimoto: Yeah what they did makes them no better than Orochimaru!

Hilary Thestalos what a couple of morons! But at least Freya and Miriam are safe under our protection.

Nina Nefertiti: I agree there too.

Emily Magica: Yeah they deserve better for them.

Twilight Sparkle: I agree there too.

Starshine Sparkle: I do too. What happened to them was awful. But at least they are safe with us.

Spyro: No kidding.

Dirty Bubble: Yeah they sure do. Lets do it!

Nokama and group used fusions for Hermos and the Dog Cards and they formed into awesome weapons and they used the Rider Cards for their archenemies and they got awesome weapons and they fired waves of magic and smashed them down.

---

Pinky and The Brain were next.

Brain: (to Superman) Nico, Shannon's team, Ben Ravencroft's team, and the others did good Battling Another Fartor. And Another Ben Ravencroft as well.

Superman: They sure did and the Another Fartor was a homeless girl that really had it rough.

Shizuka: And the Another Ben Ravencroft was Ben's niece Olivia.

Shifu: That was really something.

Alita: It sure was.

Kyle: We're glad he is back with her.

Anakin: Her name is Lily Madigan and she is an amazing Swimsuit Designer and it is amazing that they make so many awesome swimsuits.

Beatrice Portinari: They are really amazing too.

Obi Wan: Indeed they sure are.

Yoda: Most beautiful they are but her story is amazing.

Mace Windu: You are gonna be in for an awesome story too.

Aayla Secura: (French Accent) It is quite a tale.

---

Nico: Yep. So, Lily, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Lily Madigan: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Megan, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Megan, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Helga and her boyfriend, Zane, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Megan hated her so much, they wanted to ruin Lily's name and her reputation, along with taking all of her money and killing her.

Lily Madigan: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Helga and Zane were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Megan had coming to them: Lily was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Megan arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Megan than their eldest daughter, and Megan was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever, and she was expelled from school.

Lincoln: In the end, her parents and Megan were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Lily's parents were both sentenced to life in federal prison without the possibility of parole, and as for Megan, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Lily severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Lily Madigan: You got that right.

Flashback ends.

Dr. Destiny: Why those gold-digging freaks!

Rarity: Yes they are nothing more than that.

Sweetie Belle: It's just sickening that people are willing to go to such great lengths to get a quick buck!

Gill Grunt: Yeah that is sick.

Arabella Yog-Sothoth has transformed into SUPER ANGEL-YOG-SOTHOTH-DEMON-OUTER GOD-HARMONY CELESTIAL ETERNAL XELNAGA OUTER GOD MADNESS YOG-SOTHOTH DEMONIC SATANIC OUTER GOD ANGEL OF DIVINE OUTER GOD MADNESS YOG-SOTHOTH OUTER GOD JUSTICE AND DIVINE OUTER GOD MADNESS YOG-SOTHOTH OUTER GOD LOVE!

We were amazed by Arabella Yog-Sothoth's Super Angel-Azathoth-Demon-Outer God-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Porrash saw it, he fell into an infernal rage and he got out his blaster to blast her, but Arabella Yog-Sothoth fired a black and red energy blast, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Outer Gods at Porrash, which hit him and pushed him back and he was also hit hard by the light and darkness, but this really pissed him off now.

Nico: Oh man, Arabella Yog-Sothoth's transformed, Porrash is so doomed now!

Me: You said it, and that's just a taste of what's to come.

Arabella Yog-Sothoth: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Yog-Sothoth Angel and Divine Darkness Satanic Yog-Sothoth Outer God Love) And that's suffering the madness of Yog-Sothoth, The Lurker of The Threshold.

Lincoln: Let's get him, Arabella, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Arabella Yog-Sothoth.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Arabella Yog-Sothoth and Lincoln went after Porrash who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Porrash and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Porrash took out the vial of red liquid with a drop of 2018 King Ghidorah's blood, then he drank it. Suddenly, Porrash began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Porrash has transformed into his King Ghidorah Hybrid Monster form.

Porrash fired a Gravity Lightning blast at Arabella Yog-Sothoth and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Porrash from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Porrash and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Porrash and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Arabella, shall we destroy this monster by exposing him to Yog-Sothoth's Dark Multiverse Tragedy?

Arabella Yog-Sothoth: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Yog-Sothoth Angel and Divine Darkness Satanic Yog-Sothoth Outer God Love) Gladly, Linky.

Arabella Yog-Sothoth and Lincoln trapped Porrash within a blood red pentagram that formed beneath his feet with the glyphs of The Outer Gods and Great Old Ones surrounding the pentagram, and they spoke in a dark forbidden language as they fired blasts of pure darkness with blood red Eldritch runes at Porrash: Yog-Sothoth's Dark Multiverse Tragedy. Suddenly, Porrash was dragged body and soul into The Multiverse and he saw the thirteen globes that're part of Yog-Sothoth, and he was being driven mad. But, then, he saw the thirteen globes combine into one, and through the shimmering veil, he saw the thing before him appear: Yog-Sothoth, The Lurker in The Threshold, The Gate and The Key, and The Opener of The Way himself, and he fell into eternal madness and his soul was dragged into the darkness of The Black Gates and erased forever, and his body was consumed by dark flames.

Nico: (Horrified) My God, was that…?!

Nicholette Torrington: Yog-Sothoth's Dark Multiverse Tragedy, I never thought any of us would have to see it again: another one of The Forbidden Lovecraftian Curses.

Bertha Sellington: Just hearing the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad, but to see one of those entities, that's more than enough to send them into madness eternal.

We cheered as Arabella Yog-Sothoth and Lincoln holstered their massive greatswords on their backs and powered down, and Arabella Yog-Sothoth's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Arabella Yog-Sothoth: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down and only three members left to go. Thanks for helping me destroy Porrash once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Arabella.

Suddenly, Arabella Yog-Sothoth wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Arabella Yog-Sothoth's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them along with Yog-Sothoth and we cheered wildly. Then, Lincoln and

Arabella Yog-Sothoth absorbed the darkness and they came back to us as the display and Yog-Sothoth vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Arabella.

Lincoln: Thanks, Nico.

Me: And for tomorrow, the next member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Feshtrea.

Lincoln: Which means, you and I are up next, Adrienne.

Adrienne Nyarlathotep: Yes, Feshtrea will suffer dearly for his crimes and he will be driven insane by the dark power of Nyarlathotep.

Nico: That's the spirit, Adrienne. Say, Lincoln, which Gene-Slammer of the Elemental HEROS of Water are you meeting tomorrow?

Lincoln: The last Gene-Slammer for the Elemental HEROS of Water we're meeting tomorrow is The Gene-Slammer of Elemental HERO Steam Healer.

Caitlin Ashleigh: Awesome, and there's only one person who'd be Gene-Slammed into Elemental HERO Steam Healer: Claire Marshall.

Me: The world-famous swimsuit model, she's Lincoln's Guardian Angel?!

Caitlin Ashleigh: Yep, and Lily and Lincoln were featured on the cover on a swimsuit magazine with them kissing.

Caitlin Ashleigh took out a magazine, and the cover had Claire in her two-piece aqua blue bikini and Lincoln in his orange speedo kissing.

Nico: How many magazine shoots did Lincoln and some of his Guardian Angels do?

Nicholette Torrington: Too many to count, and like all the Elemental

HEROS of Water, she's a bikini swimsuit model.

Lincoln: Yep, and the only problem she and the other Elemental HEROS of Water have had to deal with is with conniving gold-digging workers who wanted to extort them, but for Claire, the masterminds of the extortion scheme wasn't Sergio, it was her parents and her greedy little sister, Clara, they never believed in her, and they wanted nothing more than to ruin her name and kill her.

We gasped.

Nico: Oh man, we're so in for the full story tomorrow when we meet her.

Jet: Another of the Celebrity 5 in our ranks.

Waffle Woman: Only Tim Gilliam is left.

Rojo: He's the scientist, right?

Carmen Dillo: And he's the leader out of them.

Akira: I'll help face him.

Box Ghost: Good luck, Akira.

Akira: Thanks.

Me: This is gonna be awesome.

Don: Yep and Nico will love this. We're going to the Philippines next.

Qin: COOL!

Xenia: We'll have to show everyone Nico's old house there.

Nico: Yep you guys will love it.

We went back to the Flying Fortress.

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Adrienne Nyarlathotep, The Incarnation of Nyarlathotep and Lincoln VS Feshtrea

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Las Vegas, but we also got some bad news: Lily Madigan's heartless evil greedy gold-digger ex-little sister, Megan Madigan, has escaped from the boarding school in Siberia, along with Emily Maddox's heartless evil greedy gold-digger ex-little sister, Emma Maddox, and they also busted out their parents, and they want revenge on their older sisters for ruining their plans to take all their older sisters' hard-earned money and killing her, but we're taking those two heartless greedy gold-digging leeches down along with the heartless greedy evil parents and throwing them in The Europa Prison for Gold-Digging Leeches. And we're going to meet the last of The Elemental HEROS of Water, her name is Claire Marshall, Gene-Slammer of Elemental HERO Steam Healer, she's Lincoln's Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model. This one time, Claire was in her two-piece aqua blue bikini and Lincoln was in his orange speedo and they were kissing and their kiss was featured on the cover of a swimsuit model magazine, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Claire, the mastermind behind this extortion plot were her parents and her sister, Clara, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister, and they've wanted to kill her and let Megan, their favorite daughter, become the success they wanted her to be, not their eldest daughter. This one time, Claire's workers, Cecilia and her boyfriend, Maurice, were planning on extorting Claire, and they tried to lie to everyone in court and ruin her name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but her evil parents and little sister were also ratted out as well for being the mastermind of the extortion plot, and they also plotted to kill her once they took all of her money. Everyone was indeed enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay Lily $5,000 each. Claire also filed a defamation lawsuit against the five, which she won in no less than fifteen seconds of deliberation, and she was awarded $500,000,000,000,000,000 dollars. Her name and life was saved, and to pay for the damages, Cecilia and Maurice were forced to work for her for no pay, and her whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless, but that was nothing compared to what her parents and Clara had coming to them: Claire was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money and for making her life Hell as she was growing up, so she took no prisoners. She had her parents and sister arrested for attempted first degree murder, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents were fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Clara than their eldest daughter, and Clara was exposed as the disgraceful lying gold-digger that she is and her friends abandoned her and she was expelled from school, and in the end, her parents and Clara were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by Lincoln and the other Guardian Angels when the judge read out their sentences: Claire's parents were both sentenced to life in federal prison without the possibility of parole, and as for Clara, she was sent away to a boarding school in Siberia. Plus, to add on to their hellish predicament and anger, Claire severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge on them, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people that she's had to deal with: garbage.

Part 11 is going to be in the Philippine and we're going there to battle the leader of the Celebrity 5, Tim Gilliam, and we're going to unleash the fury of Iron Man on him.

See you next time.

Me: This is gonna be an awesome Swashbuckling adventure!

Qin: Yeah it sure is!

Lola: We're going to spill the blood of lots of pirates!

Nico: And send them all off to Davy Jones Locker.

Xenia: You got that right!

Sora Phaaze: This is gonna be an awesome one!

Steam Smythe: It sure will be!

Sakura Haruno: And we're going to smash some skulls in.

Camie: We sure are.

Sakura Knudson: It's gonna be an awesome one!

Laney: It sure is!

Applejack was green around the gills and she looked really seasick.

Applejack: I did not bring my sea legs for this one.

Laney: Here Applejack.

She gave her anti-seasickness medication.

Applejack: Thanks Laney.

Nico: Sakura, I want to thank you, Steam Smythe, and your teams for coming.

Sakura Haruno: No problem Nico. It's going to be really awesome taking down these pirates.

Sonata Dusk: You got that right.

Nico: Sonata, remember when me met you and your sisters?

Sonata Dusk: I sure do and that was after the Knights of The Friendship Table was formed.

Me: That's right and it was when I told you girls that you aren't the only ones that have the power to absorb Negative Energy and get stronger from hatred.

Sonata Dusk: You sure did. That was awesome.

Xenia: It sure is.

Lola: That was awesome and we went to Canterlot High School for the first time too.

Twilight Sparkle: That was really cool too.

Sunset Shimmer: It sure was.

Kazuma Kenzaki: That must've been a really fun adventure back then.

Me: It was. I was still gathering recruits for the Knights of The Friendship Table too.

Qin: Yep.

Nico: You girls really have come a long way.

Sonata Dusk: We sure have and now all three of us are in J.D.'s harem.

Me: I have that feeling too.

Nico: Yep.

Me: Same here.

Qin: That was still so fun.

Laney: And Rosetta Riley is a great journalist too.

Nico: Even Rosetta Riley couldn't find out the identities of the Renegades.

Me: I know! It's a huge mystery.

Xenia: It sure is.

Sonata Dusk: I know.

Me: But the greatest mystery I'm really excited for is the movie Elemental. I'm really excited for that one later this summer.

Nico: Me too! That is gonna be awesome.

Me: Yep.

Nico: But lets worry about that later.

Lola: Nico, I was thinking. Maybe it wouldn't hurt to have the Donbrothers' monsters in the Power Rangers' battle as a test run.

Nico: I was thinking that too Lola and that is a great idea!

Qin: Awesome!

Lola: Yeah!

Nico: I was thinking Zyudenki.

Me: Good idea! That was a good one though.

Laney: It sure was. Fusako had a great time with us too.

Xenia: She sure did and she loved watching Itchy and Scratchy.

Lola: She sure did. That was fun.

Me: Yeah you are never too old to watch cartoons. I'm sorry she lost her husband like that though.

Nico: Me too. That was awful.

Lola: Yeah.

Nico: Are we going to fight anyone here though? Besides Swartz's creations?

Nicole: We sure are Nico. Bloodbath Bay is known as the most

Lawless Town in the world and has enough pirates to practically take on the entire planet. This place has even the law enforcement agencies scared shitless and they wouldn't set foot in this place even if you paid them.

She went over the history of Bloodbath Bay.

---

Blood Bath Bay is a pirate town located in the Caribbean islands of North America. It is known as one of the last true pirating towns and is the setting for Dead Men Tell No Tales in Sly 3: Honor Among Thieves.

During the events of Sly 3, Dimitri Lousteau booked the Cooper Gang on his cruise ship as according to the favor he requested of Sly Cooper back in Holland. Dimitri gave the group the story about his grandfather, Reme Lousteau, and how he lost his diving gear, how it's been stolen by pirate cutthroat Black Spot Pete and needed their help in retrieving it. Upon arriving, Sly dressed up as Pete's old partner and talked to him to get information on the treasure's whereabouts. After learning of Captain LeFwee, the gang got to work on finding the treasure map.

After Bentley and Penelope's intelligent work acquiring the Dagger Island treasure map, the gang was able to steal a pirate ship and sail to the island. Sly used the treasure map to find the clues to the treasure. After he found it's location, the gang dug it up. It contained gold and the diving gear of Reme Lousteau. Shortly after, the gang was confronted by Captain LeFwee and his crew, who took Penelope hostage and forced them to sacrifice the gold as well. With Penelope held prisoner, the gang had to act fast and come up with a way to save her. In order for the gang to avoid impossible odds when they head back to town, they needed to strengthen their arsenal of cannons by having Dimitri gather some amplification collars for their cannons. They then needed to take down the Red Sail Sea Dog Clan, and finally, the gang sailed for the misty waters, home to a giant squid known as Crusher. Since the pirate fear him heavily, the gang figured he'd make an excellent ally for their heist. The gang was able to gain the squid's assistance by having the Guru get inside his mind.

The gang finally made their way back to Blood Bath Bay to outsmart the pirate captain and rescue their teammate. After knocking down LeFwee's masts, Sly jumped onto his ship to force LeFwee give up Penelope's location. After letting slip that she was in the Skull Keep, Sly made his way up to her, but was tricked into finding an explosive doll instead. Bentley then called in Crusher to scare off LeFwee and his mate. Bentley managed to free his love, but was then confronted by LeFwee. As LeFwee prepared to finish off the turtle, Penelope stepped in and drew a sword at the captain. She and the captain engaged in a duel on top of the ship. Penelope victoriously knocked the captain off the boat sending him into the waters to be lunched on by the sharks. With the captain dead and Penelope reunited with the team, she and Bentley grew more closer to each other than ever, and Sly and Murray were happy for them, as the two were made for each other.

Despite nobody asking him, Dimitri decided to join the team, as a way of returning the favor for helping him retrieve his grandad's lost diving gear. Before leaving, the gang decided to send Carmelita a postcard since she did not arrive to arrest everyone.

The town itself consists of many buildings, as well as a harbor and various passageways that allow access to higher levels. There are also some large sharks swimming around in the waters surrounding the town, such as outside the safe house and near a restaurant named "Pirate Grill." The ocean also contains smaller islands.

Crusher, a large squid-like creature feared by Blood Bath Bay's locals, is also believed to inhabit the ghostly realm of Blood Bath Bay's northwestern-most waters.

Skull Keep is a fortress that served as the headquarters, main base of operations and residence of Captain LeFwee and his crew. Several pirates can be seen on the roof walking around or sleeping. Its outer structure is simply a large stone skull. There are two wooden walkways that connect to it. On one side of the fort are several objects in the water that allow access to the back, where there are more walkways that lead up to the roof.

When she was done we were shocked!

Qin: WHOA! This place must be really bad news!

Brittney: It is. It's a nightmarish hellhole. Anyone that steps foot on this place never gets out of it alive.

Nico: Until today!

Me: Yep. Get ready for one helluva fight guys. We're going to flood the seas with all their blood.

Eli: They want a fight? We'll give them Armageddon.

Qin: Yeah!

Xenia: This will be good.

Lana: Bloodbath Bay HO!

We saw BLOODBATH BAY!

Nico: Target sighted.

It was an island and known for being a lawless place.

Me: This is gonna be good.

Nico: Yep. Fire a laser blast and blow the Skull Keep apart.

Me: You got it.

I fired a laser cannon blast and blew the entire keep apart in a massive fiery explosion!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We pulled up to the bay and got off the ship and we were on it. THEN NUMEROUS PIRATES CAME!

Nico: First shot! (fires at nearest thug)

BANG!

Nico blasted his head off.

Me: OKAY YOU PIRATE SONS OF BITCHES! COME AND GET US!

We went at them and like a scene out of the movie Braveheart it turned into a bloodbath REALLY FAST and it was brutal!

I went at the pirates and they went at me and one jumped at me and I kicked him in his face and slashed him and then I grabbed a pirate and threw him into a bunch of them

Then a pirate roared and went at me and I plunged my hand into his chest and ripped out his intestines and his heart!

SQUELCH!

Nico: (gets out El Diablo and Molten Man's Ridewatches) Feel the burn!

Nico activated it and fired waves of fire and incinerated the pirate corpses that were piling up!

I then grabbed a pirate and lifted him up and then ripped him in half and splattered his blood and guts everywhere!

SQUELCH! SPLAT! SPLAT!

Nico: EEEEEEEEWWW!

Eli fired Force Lightning and electrocuted a bunch of Pirates all over!

I jumped on a pirate and then plunged my hand into his back and ripped out his entire spinal column along with his skull! AND BRAIN!

RIPPPP!

Sakura Haruno: CHERRY BLOSSOM CLASH!

She smashed the ground with a powerful punch and sent the Pirates flying and Sonata Dusk fired waves of energy and blasted them into pulp.

Xenia fired energy arrows and they hit a bunch of pirates and they exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMM!

SPLAT SPLAT!

I grabbed a Pirate and ripped his head clear off and splattered his blood everywhere!

Nico fired waves of fire and energy and blasted them

I turned and plunged my hand into a pirates chest and ripped out its beating heart!

SQUELCH!

Nico: NICE!

I grabbed a pirate by his leg and ripped it off!

RIP!

HE ROARED IN PAIN!

I then grabbed his head and then ripped it off his body and tore his spinal column out too!

SPLAT!

Blood was splattering EVERYWHERE!

Camie: What a bloodbath!

Nico spanked one.

He laughed doing so!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Zuria: Pirates are getting a spanking!

They laughed!

Eli: (LAUGHS) That is funny!

I then grabbed a pirate on both sides of his head and then…

RIP! SQUELCH!

I RIPPED HIM IN HALF RIGHT DOWN THE MIDDLE AND SPLATTERED ALL HIS BLOOD AND GUTS EVERYWHERE!

Laney: WHOA!

I grabbed another bunch of pirates and stabbed him in his eyes with my sword and then I grabbed him by his mouth and then ripped his face in half!

SQUELCH!

Lola: NICE ONE!

Lucy Loud: This is getting good.

Brittney: I love a good bloodbath but this is a Blood Flood.

Nico: Yep.

I grabbed a pirate and used the Titanic Twist move on it and then tied it up in knots and then I grabbed it and ripped him in half!

SQUELCH!

His blood and guts were splattered everywhere!

Nico: ARGH, MATEY!

Nico slashed numerous pirates heads off.

Qin blasted them all over with fire and incinerated them!

Nico: Eli, can you sense for Swartz's creations? (STABS A PIRATE AND DISEMBOWELED HIM)

Eli: On it! (Slashes numerous pirates with his lightsaber)

He concentrated and found them.

Eli: Found them! Another Sir Raleigh and Another Steam Smythe!

Lola fired waves of fire and incinerated many pirates.

Lola: Wow!

But MILLIONS MORE CAME!

Nico: There's just no end to them!

Maria: Then we'll just make an end!

Me: Lets do it!

We went at them! We slashed and ripped them apart like in the Battle of Klendathu.

We were really blasting and slashing them all over!

It was just one brutal and epic slaughter.

Qin: Take this!

She fired a massive wall of fire and blasted them all over.

Xenia: Take this too!

Varie fired waves of energy and blasted them all over the place.

Blood, guts and gore were spilling all over the place.

It was a brutally savage battle and the corpses were piling up.

Nico threw a grenade.

Nico: Fire in the hole!

The pirates saw it and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It blew them to pieces in a massive fiery explosion!

Qin: Take that!

Lola: Wait look! I see the source!

We saw a huge Dark Orb as big as a house and it was pouring in pirates by the billions.

Nico: We need to destroy that!

Sonata Dusk: You got it!

She fired an energy blast and it hit the Dark Orb and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosions released a massive surge of negative energy and then we absorbed it and our dark orb auras protected us from the shards and destroyed the shards and we got a massive power boost! But then the pirates all exploded in massive piles of blood and guts and we got splattered all over in the carnage!

Qin: OH SICK!

Nico: YUCK!

We were covered in blood and gore!

Me: BLECH!

Maria: WHAT A MESS!

Nico: We need to get this out.

Maria: Leave that to me.

She drenched us all in water and we were cleaned up.

Me: Ahh.

Qin: Boy what a bloodbath!

Nico: How many did we kill?

Lola: I counted 623,893,474,236,721,295,943,575.

CLANG!

Nico's jaw dropped.

Eli put it back.

Qin: That is a lot of pirates!

Nico: This was not just a blood bath it was a BLOOD OCEAN! What a mess!

Me: Now we can focus on the rescue.

Qin: Yep.

Maria: Who fights Another Sir Raleigh?

Sonata Dusk: I will since he is my archenemy.

Xenia: Good call there.

Nico: Lets take all the pirates treasure first.

Me: Good idea.

Rainbow Dash: Leave this to me.

ZOOM!

She zoomed off with her incredible super speed and came back with numerous treasure chests and there was a LOT OF THEM!

Nico: WHOA! That is a lot of treasure!

Lola: I'll have to call in the U.S.S. Valorous Phoenix to bring all that back.

Nico: Good idea.

Lisa Loud: That won't be necessary.

Lisa teleported all the treasure back to the estate into the vault.

Camie: Good idea Lisa.

Sonata Dusk: Yep.

Nico: That's a lot of booty!

Rainbow Dash: It sure was. These pirates have been really busy.

Nico: No kidding.

Me: Wait till you see how much booty the pirates in Somalia amassed.

Nico: Oh boy.

May: There she is!

We saw a frog figure come and it was a dark version of Sir Raleigh! It was ANOTHER SIR RALEIGH!

Me: Another Sir Raleigh!

Sir Raleigh: My goodness! I look amazing in all black!

Nico: Amazing huh?

Another Sir Raleigh: (Welsh Accent) That is amazing huh?

Me: (GASP) Dame Lillian Raleigh!

She reverted back and was a girl with sea foam green hair and had blue and purple clothes.

Dame Lillian Raleigh: You look great with Rainbow Hair there J.D.

Me: Oh thanks Lillian. It was a trend made by Rarity and I decided to make it permanently part of my style.

Nico: It sure looked awesome back then.

Rarity: I agree.

Sir Raleigh: I take it you heard about the legend of the Welsh Triangle that I made back then right?

Dame Lillian Raleigh: I sure did. Also I am a machinist.

Me: Boy you and Sir Raleigh have so much in common.

Dame Lillian Raleigh: That's right. I'm a pirate and a machinist.

Me: Wow! Great minds do think alike.

Eli: Very coincidental.

Nico: You're not like the douchebags we took out.

Dame Lillian Raleigh: No thank goodness. Sir Raleigh I heard that you were one of the people that helped take down Sly Cooper's father and that was a crazy thing.

Sir Raleigh: Indeed it was.

Qin: That was a terrible thing back then.

Brittney: It was. But it was amazing that we helped Sly back then avenge his family.

Me: Yep. I wonder what it would be like to encounter Another version of Clockwerk.

Dame Lillian Raleigh: That would be something. What he did over the course of 12,000 years was absolutely horrible.

Me: That is a total understatement. What he did makes him nothing short of Pure Evil Incarnate. Living so long with nothing but pure hatred and jealous all directed at the Cooper Clan's Thieving reputation is just absolutely horrible.

Nico: No fucking lie there.

Qin: Yeah.

Nico: Let's not think about that.

Me: You're right. Also is the Another version of Steam Smythe friendly or hostile?

Dame Lillian Raleigh: Friendly and you'll like this one. She is a steampunk girl.

Me: Cool!

Steam Smythe: She and I will definitely have so much in common my dear.

Dame Lillian Raleigh: Indeed she will.

Sonata Dusk: Let's do it!

Dame Lillian Raleigh: Gladly.

She turned into Another Sir Raleigh.

Sonata then used her song and sang beautifully and lightning and thunder struck all over.

Another Sir Raleigh felt the power of the song and massive amounts of Negative Energy flew into us and we absorbed it and it made us more powerful and Another Sir Raleigh was down and she was back to normal and I caught the Wonder Ride Book. It was called The Machinist Girl from The Bermuda Triangle and the Evil Frog Mechanic Pirate.

Me: Cool title.

I went and brought her over.

Dame Lillian Raleigh: (Groans) What a headache.

Lola: You'll be all right.

Me: Awesome job Sonata.

Sonata Dusk: Thanks J.D. Man that made me hungry.

Me: I got just the treat.

I spun my bracelet.

TACO MAGISWORD!

I gave her an awesome platter full of tacos.

Sonata Dusk: Oh boy!

She was eating them.

Nico: She sure loves tacos.

Pinkie Pie: She makes really amazing tacos too.

Qin: That is amazing.

Maria: Time for backup!

She pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) RAVENCROFT TERROR 6!

She summoned Ben Ravencroft, Heart, Skilled Dark Magician and Skilled White Magician, Earth Kang, Plasmus, Tutankoopa, Gammaizer Magnetic, Shibolena and Belome along with the Sanderson Sisters, Felix Faust, Circe, Universe 666 Van Kleiss and Hex (Ben 10)

Me: This is gonna be awesome.

Shannon: Awesome having you with us Ancestors.

Winnifred Sanderson: It sure will be awesome.

Ben Ravencroft: You guys had one helluva bloodbath here.

Me: I think that is an understatement.

Leeli: It was really awesome though.

May: There she is!

We saw a figure come out and it was ANOTHER STEAM SMYTHE! She looked like a dark version of Steam Smythe.

Me: WHOA! Another Steam Smythe.

Lola: Wow!

Sakura Haruno: This one is gonna be interesting.

Another Steam Smythe: (In a girls voice) (British Accent) It sure will be darlings.

Me: (GASP) That voice.

She reverted back and was a girl with orange hair and had neon pink eyes and had steampunk angel wings on her back and had pink and brown clothes.

Me: (GASP) Victoria Smythe the Queen of The Steampunk Mechanics.

Steam Smythe: I say you definitely honor the steampunk mechanical methods well my dear niece.

Victoria Smythe: And it's for a good cause uncle.

We gasped!

Me: Wow we didn't know about that.

Nico: We didn't know she was your niece.

Steam Smythe: I know and Victoria is a girl that has very amazing taste in making steampunk advancements. She follows my footsteps very well and wants to make amazing steampunk machines.

Victoria Smythe: It's true. I even crafted this.

She showed us blueprints and they were for an amazing Steampunk floating fortress she made.

Me: WHOA! You built a steampunk floating fortress?

Victoria Smythe: I sure did.

Xenia: That is amazing!

Kaito: (gets out Go Busters gear) Did Swartz promise you anything?

Zocks: (gets out Gokaiger gear) Because we can grant it instead.

Kaito got a Beast Morphers blaster and Zocks got a Super Megaforce Sword.

Victoria Smythe: To build a massive steampunk planet like Coruscant.

We gasped.

Me: That would be a massively huge monumental task.

Nico: No kidding! An Ecumenopolis Steampunk planet!? That is completely unheard of.

Xenia: Yeah no kidding! That would take like thousands of years to do.

Me: But it is worthy of an amazing challenge.

Camie: Yeah!

Victoria Smythe: It sure would.

Me: Sorry we have to fight like this.

Victoria Smythe: No worries. Lets do it!

She turned into Another Steam Smythe.

Sougo: (gets out Beast Morphers Ridewatch) Building a Steampunk planet isn't impossible.

Geiz: (gets out Super Megaforce Ridewatch) It'll just take a long time.

Sougo got RedBeastMorpherArmor while Geiz got SuperMegaforceRedArmor.

Nico: Lets bring the Steampunk! (ACTIVATES STEAM SMYTHE'S RIDEWATCH)

He got a powerful Steampunk Energy Cannon and fired it and blasted her down!

Nico: WHOA! That was powerful.

Me: No kidding!

Nico: Now for this. (ACTIVATES SIR RALEIGH'S RIDEWATCH)

He got an amazing lightning ray and fired a blast of lightning and smashed her down.

May: OH YEAH! Now for this one! (ACTIVATES PUFFER'S RIDEWATCH)

She fired a blast of energy and smashed her down.

May: Time for this to bite! (ACTIVATES SHARKYONARA'S RIDEWATCH)

She fired a blast of energy from her mouth and smashed her down.

Maria: These demons stink bad! (ACTIVATES STEAMIN DEMON'S RIDEWATCH)

She jumped and slapped Another Steam Smythe's back and burned her with a brimstone slap! OUCH!

Me: OOH! That is gonna hurt!

Nico: OUCH!

Maria: Now for this! (ACTIVATES RIP VAN FISH'S RIDEWATCH)

She fell asleep.

Me: Maria wake up sleepyhead!

Nico: Yeah sleep time is over, battle time is now!

Maria: (SNORING)

Sonata Dusk: I'll do it. (ACTIVATES SIR RALEIGH'S RIDEWATCH)

She got an energy blaster and fired energy blasts and smashed her all over.

Then Greiger and his team came! He had Sindbad, Captain Brineybeard, Captain Kid, Sea Captain (Felix The Cat), Tobias Whale, Tar Monster, Ravess, 1973 Sand Banbera Lightmaster and Pierre the Pirate!

Nico: Nice team Greiger!

Greiger: Thanks Nico. Wow! You guys have had an amazing swashbuckling bloodbath.

Sindbad: Yeah this was amazing.

Me: It was.

Maria: Where's the next Gene Slammer?

Then we saw an Uxie, Mesprit and Azelf!

Qin: Cool an Uxie, Mesprit and Azelf.

Me: Wow! The Lake Guardian 3!

Nico: Powerful!

Uxie: (In a girls voice) This will be fun.

Azelf: (In a girls voice) It sure will!

Mesprit: (In a girls voice) I will love it!

Nico: Ruby, Sapphire and Emerald Yomi!? Whoa!

Qin: Wow! Awesome to see you girls!

Uxie: Yeah! You too Qin. We got this.

They fired energy blasts and smashed Another Steam Smythe down and I caught the ridewatch and purified it and I brought Victoria over.

Nico: Awesome!

Sonata Dusk: What are your favorite memories of Nico?

Mesprit: When we helped Nico bring down a massive pirate operation in Somalia.

Me: We just mentioned Somalia just a few minutes ago.

Qin: Yeah!

Uxie: Yeah we brought down a huge operation. It was where we killed numerous pirates and stole all the jewels they got.

Nico: It was the great jewel pirate execution.

Me: WHOA! That is amazing!

Eli: Wow that is awesome!

Nico: Yep.

Me: Lets revert you girls back.

Azelf: Okay but we're naked.

Me: Oh boy.

Nicole: No peeking or I'll slash your throats!

Me: (Puts on blind man glasses) Here we go.

I snapped my fingers and they were reverting back and the boys covered their eyes.

As Azelf was reverting back, Nico walked over to her and kissed her.

They were back to normal.

Ruby was a girl with yellow hair and red eyes, Sapphire was a girl with pink hair and blue eyes and Emerald was a girl with blue hair and green eyes. The fashion brigade moved in and gave the girls red, blue and green clothes and they looked awesome.

Ruby Yomi: (GROANS) That was painful.

Emerald Yomi: (GROANS) Yeah it was. But that was rough.

Sapphire: Yeah. But we're back to normal and these clothes are amazing.

Qin: Yep they sure are.

Emerald Yomi: And was I dreaming or was Nico kissing me?

Nico: It was no dream.

Ruby Yomi felt her face

Ruby Yomi: I'm back to normal!

Me: You all are.

I showed them a mirror and they gasped seeing them back to normal!

Sapphire Yomi: Wow! We're normal! And wow these outfits match us perfectly.

Qin: They sure do. We make our own awesome clothes.

Rarity: We sure do darlings and you all look amazing.

Carol: All the outfits we make are the envy of many of our friends in school.

Xenia: Yep.

Sapphire Yomi: They look amazing. Thanks guys.

Nico hugged the three girls.

Nico: I've really missed you girls.

Yomi sisters: We missed you too Nico.

Me: Aww. Sorry you had to see the work we did to all the pirates here.

Emerald Yomi: No worries J.D.

We went back to the Flying Fortress.

Nico: You got that right.

Just then, Sylvester arrived through a torrent of darkness and blood.

Luna: Yikes! Man, Sylvester, you just scared us.

Sylvester: Sorry, but I'm afraid it also gets worse: those gold-digging leeches also got their hands on Dark Orbs, and they created an army of Ghouls to kill people.

We gasped.

Me: Ghouls?! Oh man, and they're among the enemies of The Hellsing Organization, former humans drained of blood only to come back as flesh-eating Ghouls. Alucard and Seras are going to have quite a field day with this.

Sylvester: That's why they sent me along to help kill the Ghouls. Plus, Alucard sent me to join your team, Lincoln.

Lincoln: You sure impressed Alucard with your bloody and savage slaughter of the massive armies of thugs our resident jerks sent to Acmetropolis yesterday. Now, we need to destroy the Ghouls and rip those Dark Orbs out their hands and destroy them, and I want to thank you and your team for joining us, Ino.

Ino: You're welcome, Lincoln.

Suddenly, we saw Elemental HERO Steam Healer appear before us, and with it are the five girls.

Nico: Whoa, that's Elemental HERO Steam Healer, awesome!

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Steam Healer: (Girl's voice) Oh, sorry about the scare, but I also got the girls away from those Ghouls and pissed those two gold-digging bitches off along with their dumbass parents, and I destroyed their Dark Orbs.

Lincoln: (Gasps) That voice, Claire Marshall, I knew it was you.

Suddenly, we heard moaning, and we saw an army of Ghouls heading right for us.

Sylvester: Well, time to get to work.

Nico: Man, it's like we were reliving one of the missions Alucard and Seras went on, and I never get tired of seeing that.

?: (BANSHEE SCREAM) LILY MADIGAN!

?: (BANSHEE SCREAM) EMILY MADDOX!

We then saw our targets, Megan Madigan and Emma Maddox, the heartless evil gold-digging leeches, along with the evil heartless greedy parents of Lily Madigan and Emily Maddox, and they were now super pissed off now.

Then, Lincoln, Lily Madigan, and Emily Maddox did what they swore to do: they broke the arms and legs of their ex-parents and their ex-sisters as they screamed in pain, and then, they threw them into a dumpster which was sent on its way to The Europa Prison for Gold-Digging Leeches, and then, the dumpster dropped them all into their new cells in Solitary Confinement, they screamed in rage and insanity. We cheered as we holster our weapons and powered down.

Lincoln: Have fun in your new prison cells, you rotten gold-digging leeches! (To Claire Marshall) And it's so good to see you again, Claire Marshall.

Claire Marshall reverted back to normal, and she's a beautiful girl with long crimson red hair, crimson red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful white angel wings, she's dressed in a sleeveless light blue crop top, crimson red shorts, crimson red sandals, and long white sleeveless trenchcoat with water, ocean waves, sea creatures, steam, and angels on the coattails and on the back is Elemental HERO Steam Healer, and holstered on her back is a massive Elemental HERO Steam Healer-themed greatsword with embedded crimson red gems and Elemental HERO Mariner etched on the 7'0" massive, wide, double-edged ocean blue blade, large ocean blue phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with ocean blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large ocean blue gem on the bottom of the large white angel heads for the pommel.

Claire Marshall: You too, Lincoln, it's been a long time.

Lincoln went up to Claire Marshall and he hugged her, and Claire Marshall is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Claire Marshall: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Claire Marshall, Gene-Slammer of Elemental HERO Steam Healer, she's she's my Guardian Angel from Michigan, and she's also a world-famous bikini swimsuit model.

Claire Marshall: Plus, this one time, I was in my two-piece aqua blue bikini and Lincoln was in his orange speedo and we were kissing and our kiss was featured on the cover of a swimsuit model magazine. I almost fainted when I saw Lincoln in that orange speedo, and what our intense training did to him, combined with his hyperpuberty, family genes, and many other amazing things.

May: You girls did make him into the man that he is today: strong, powerful, brave, courageous, and a defender of women.

Caitlin Ashleigh: Yeah, we know, and she's a member of The Elemental HEROS of Water. But, unlike with The Elemental HEROS of Fire, the only problem she and the other Elemental HEROS of Water have had to deal with are with conniving gold-digging workers who wanted to extort them, but for Claire, the mastermind behind this extortion plot were her parents and her sister, Clara, who have made her life Hell by always belittling and doubting her, and they've hated her even though she's the older sister and a success in her own way and right, and they wanted to kill her and let Clara, their favorite daughter, become the success they wanted her to be, not their eldest daughter.

Nico: Just like we heard yesterday, damn.

Claire Marshall: And you guys are in for the story of how we took my gold-digging leech workers and my evil parents and evil little sister down and how I severed all ties with my parents and Megan and cut them out of my life forever since they made my life Hell. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Lily?

Claire Marshall: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Claire Marshall: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since he's done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Selene Emperyous: And when you guys did your kiss for the cover shoot, Lincoln was being driven crazy by the scent of your perfume, it took a lot of strength for him not to go wild and mark you.

Claire Marshall: Same thing happened with the other Elemental HEROS of Water, and we almost went nuts when Lincoln had on that cologne that drives us wild.

Lincoln went up to Claire Marshall, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Claire Marshall: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Claire Marshall's neck with crimson red gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Claire Marshall: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Claire Marshall

Claire Marshall had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Maricia, Namuchi, Shakuna, Shastra, and Vimana from Torikago.

Lincoln: Oh wow, it's Maricia, Namuchi, Shakuna, Shastra, and Vimana from Torikago.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Maricia: Yes, we're okay, thanks to you.

Then, when Maricia and the other four girls saw who it was that saved them from Megan Madigan and Emma Maddox along with their heartless evil greedy parents and the army of Ghouls they summoned with the Dark Orb they had, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Maricia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Maricia: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maricia, Namuchi, Shakuna, Shastra, and Vimana with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flying Fortress, and the rest of the team was shocked to find out the villains we went after were Lily Madigan's heartless evil greedy gold-digger ex-little sister, Megan Madigan, and Emily Maddox's heartless evil greedy gold-digger ex-little sister, Emma Maddox, who escaped from the boarding school in Siberia, and they also busted out their parents, and came back to get revenge on their older sisters for ruining their plans to take all their older sisters' hard-earned money and killing them.

But, when Lincoln showed the beatdown we all gave those heartless leeches and Lincoln, Lily, and Emily breaking their arms and legs and throwing them in a dumpster which took them to The Europa Prison for Gold-Digging Leeches, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Claire Marshall have a lot of catching up to do, now that she's back in town.

Maria: (Laughs) That'll teach those gold-diggers a lesson they'll never forget.

Lincoln: Still, I didn't expect it to be Double-Trouble, but either way, at least Emma and Megan are in prison.

Emily Maddox and Lily Madigan: Where they rightfully belong.

Caitlin Ashleigh: And your heartless abusive evil greedy ex-parents are also back in prison where they belong.

Nico: Those cretins have absolutely no place in society, they think they can get away with all that, they are wrong.

Me: Their crimes came to light long ago, and they paid the price.

* * *

After taking down Lily Madigan and Emily Maddox's evil abusive heartless greedy ex-parents and their heartless evil gold-digging sisters, Emma Maddox and Megan Madigan down, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Claire Marshall saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Claire Marshall: My God, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Claire, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Claire Marshall: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and

working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Claire Marshall: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Claire, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Claire Marshall: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Clara, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Clara, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Cecilia and her boyfriend, Maurice, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Clara hated her so much, they wanted to ruin Claire's name and her reputation, along with taking all of her money and killing her.

Claire Marshall: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Cecilia and Maurice were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Clara had coming to them: Claire was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Clara arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Clara than their eldest daughter, and Clara was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever, and she was expelled from school.

Lincoln: In the end, her parents and Clara were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Claire's parents were both sentenced to life in federal prison without the possibility of parole, and as for Clara, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Claire severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Claire Marshall: You got that right.

We got a shower, and then, Lincoln, Atsuko, and Ribitta are heading to Boracay in The Philippines.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Atsuko and Ribitta were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Atsuko and Ribitta had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Atsuko: Whoa, so this is Boracay in The Philippines, it's beautiful.

Lincoln: I've never been to Boracay before, Atsuko, but seeing it for the first time, it's so beautiful, and it's perfect for our first date, and we're also coming back here to The Philippines for our challenge and to take down the last of The Celebrity 5: Tim Gilliam. Shall we?

Lincoln, Atsuko, and Ribitta dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Atsuko and Ribitta got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Atsuko and Ribitta, and they hugged the girls in their abnormally massive and powerful muscular arms, and Atsuko and Ribitta placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Boracay, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Atsuko and Ribitta with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Atsuko and Ribitta are now part of your harem.

Connor Chan: And it's so awesome that you guys went to Boracay for your first date.

Nico: We haven't been there in a long time, plus, it'll be awesome to see The Philippines again.

Mindy Chan: You said it.

Alicia Chan: Plus, we'll be taking down the last of The Celebrity 5: Tim Gilliam.

---

We were watching TV and then the Mascots screamed and they came.

Ino: (to the mascots) What's wrong, guys?

Poromon: The fortress is haunted!

Me: Haunted!? Haunted by who!?

Manaphy: We don't know!

Lincoln: (GHOST SENSE GOES OFF) I think I sense something.

Lincoln saw something.

We saw a ghost and it was Minako Sagiyama!

Me: (GASP) Minako Sagiyama!? (In my head) I remember this girl. She is a ghost from 50 years ago.

Nico: Minako Sagiyama? Oh man.

Minako Sagiyama: It's a pleasure to meet you all.

Hari: Oh wow. It's like back home.

Brittney: Just like when we first met Hari.

Scott Truman: So, what brings you here?

Minako Sagiyama: May I please use your phone?

Me: Sure.

I gave the phone to her.

Me: Not sure if it works with ghosts but we'll give it a shot.

Minako Sagiyama: Thank you.

Hari saw what happened to her and she saw that 50 years ago in 1972 Minako was in a terrible car accident that killed her and she was stuck here in limbo because she was trying to finish a phone call.

Scott Truman: So, how did you die?

Hari: I know how. She was trying to finish a phone call and then she died in a terrible car crash. It was back in 1972.

We gasped!

Me: Oh man. Minako that is horrible. I'm so sorry.

Nico: Yeah that was awful.

Minako Sagiyama: I know.

Scott Truman: And now, you're trying to reunite with your beloved?

Minako: Yes.

Me: That's horrible. I'm sorry that happened to you.

Minako: I know. And I won't let nothing stop me. NOTHING!

Me: Uh oh!

With that, she was surrounded by an energy circle with the Go Onger logo before turning into Engineki from episode 19 of Donbrothers!

* * *

At an old phone booth, a telecom service crew was arriving in a truck ready to tear it down, but Engineki came out of the phone booth and attacked, sucking up a worker into its body. Engineki is preparing to devour the other workers when the Donbrothers teleport in and Haruka laments she is not going to enjoy her snack and isn't too motivated to fight as the team engages the enemy. Don Momotaro tries to strike Engineki with the ZanglaSword, but the attacks phase right through it and have no effect. The other four try blasting Engineki, but Don Momotaro knows it won't work and quickly leaps out of the way so he isn't hit by the blaster fire as it passes through Engineki while the workers flee to safety.

Upon seeing they cannot damage the enemy, Shinichi recalls them fighting a Hitotsuki before that had no physical form, but they all are pummeled by Engineki with its super speed before he can formulate a plan. When the service truck leaves, Engineki stops fighting and returns to the phone booth. Haruka sees Minako Sagiyama, back in her original form, inside the phone booth and simply thinks she was a frightened passerby that sought shelter inside the booth, only to be suddenly teleported back to her apartment.

Later, Haruka finds that the girl is still there, who is surprised Haruka can see her and immediately asks to be her friend. She introduces herself as Minako Sagiyama and gives a fast paced rundown of her blood type, astrological sign and favorite hobbies. Haruka feels a bit uncomfortable with Minako, thinking she is crazy due to how clingy she seems. Minako asks if they can be friends, Haruka says yes awkwardly to humor her as she backs away slowly to her bicycle. Minako hopes that is a promise, as she hates people who fake being nice to her. Haruka excuses herself as she claims she is running late for something and pedals really fast to get away from Minako, who smiles and then disappears into thin air.

When Haruka returns home, she is startled by Minako suddenly appearing on the couch. Strangely, Yuriko cannot see or hear Minako, with Haruka discovering that Minako has no reflection in the hallway mirror, she then freaks out upon figuring out she has a ghost in her apartment! Minako notices the time and she excuses herself as she has to leave for the day because Shinzo might call her, vanishing from the apartment. Haruka decides to go after her.

Then, Minako waits inside the phone booth, with the sun setting as the time for Shinzo to call her passes. Haruka finds Minako sad and wondering why her beloved hasn't called.

At Cafe Donbura, Haruka tries explaining to Shinichi and Tsuyoshi her situation and to help Minako, but they think she is joking around until Tsuyoshi holds his breath for a second and Minako suddenly appears and startled him. He tells Shinichi to hold in his breath for a minute so they both can see her, with Minako playfully mocking his puffy face and scaring him upon suddenly appearing. Shinichi is shocked at the existence of ghosts and both men synchronize holding their breath to make Minako visible again.

She politely says it is nice to meet Haruka's friends and brags she was once the pinnacle of good health and never caught a cold. Tsuyoshi fails to see how that introduction is relevant as Minako is dead. Kaito smiles upon observing the group as he also reads his copy of First Love Hero.

Minako explains her story, she died 50 years ago in 1972 in an accident. Before that, Shinzo Tadokoro was a pen pal she wrote to that became a relationship over the phone as they talked to each other every day. Her house was old and had no phone lines, so she would go to the nearest pay phone to talk to Shinzo. Her last call she was going to make was to ask Shinzo out on a date, to cement their relationship as boyfriend and girlfriend. But she died before it could happen and because of her unfinished business, she cannot pass on into the afterlife.

Shinichi thinks that finding this Shinzo could resolve the issue, Haruka says she found nothing on the internet about him but Tsuyoshi thinks the name sounds vaguely familiar. Haruka drew a depiction of Shinzo based on Minako's description of her boyfriend, but both men pointed out that she never met Shinzo. Taro arrives late and wonders why he was called to meet the team, when Minako mistakes him for her boyfriend and hugs him. Taro is able to see Minako without holding his breath and so does Kaito whose handsome looks have Minako thinking he is Shinzo. The team is surprised Kaito can see ghosts while Taro passes his hand through Minako's ethereal body to confirm she is a ghost, with her teasingly calling "Shinzo" a pervert for feeling her. Tsubasa enters the cafe, wondering if the lunch menu was still available at this hour, only for Minako to appear and fall for him as Shinzo. The Donbrothers concluded that she has no idea who her boyfriend actually is.

That evening, she went visits to Minako at her phone booth, and

Minako told Haruka different experiences with each date with Taro, Kaito and Tsubasa. However, Minako got upset at being ignored and for "Shinzo" "cheating" on her. She learned a valuable thing today, that the true Shinzo is her soulmate and she will keep waiting for him, returning to the phone booth to await Shinzo's call. Haruka finds this so sad and feels she needs to help.

At 6AM, Minako gets her long awaited call from Shinzo, who apologizes for keeping her waiting. She cries tears of joy and sadness, happy to hear her love's voice. She says she is the one who should apologize, she couldn't make it to the phone as she was hit by a truck during a snowfall and her body died just a few feet away from the phone booth. Shinzo comforts her, saying that wasn't her fault.

Their conversation is interrupted by the telecom service workers from earlier retuning with their boss, trying to explain that they couldn't remove the phone booth because a monster attacked them and they should quickly destroy the booth before it returns. Minako gets angry that her call is being interrupted and part of her spirit splits into Engineki to attack the workmen. The Donbrothers see this and change to rescue them. Engineki cannot be defeated though, with Taro thinking that Minako must pass on in order for the Hitotsuki to be defeated as it is tied to her.

After beating down the Donbrothers, the wild Engineki becomes Engineking and the Rangers form Don Onitaijin. Minako picks the phone back up and resumes her conversation with Shinzo.

Don Onitaijin is unable to damage Engineking no matter what they try. Taro says all that the team can do is stay defensive and wait as Haruka cheers on Minako. Shinzo regretfully tells Minako that he cannot go on their date, but she understands as a lot of time has passed and Shinzo has become a great man.

Don Onitaijin falls after a barrage of fireballs hits them, on the verge of defeat. Shinzo tells Minako that he never forgot about her and promises that they will see each other again in Heaven someday. Minako cries and smiles, saying she looks forward to it, Shinzo then hangs up.

Just as Engineking is about to deliver the fatal blow, it loses power as Minako lets go of her desire. Don Onitaijin quickly rises to its feet and destroys Engineking with the DonBros Paradise. Haruka hopes Minako can rest in peace now, as the latter hangs up the phone, thanking Haruka and her comrades before she passes on into the afterlife.

---

Me: Engineki the Go-Onger Hitotsuki! I knew it! I remember this one! Minako was pissed because she had her phone call interrupted!

Nico: Boy I know that feeling!

Qin: Me too!

We teleported to the Flying Fortress park.

Me: This is gonna be a good one.

Eli teleported and he came back with the Donbrothers!

Me: This is gonna be good.

Taro: Oh boy! Engineki!

Haruka: Oh no!

I pressed the Intruder Alarm and everyone came.

Engineki: I'm not like the other Hitotsuki. Your attacks will just pass through me!

Me: Maybe in your ghost form but the Hitotsuki form is another story!

Sakura Haruno: I just went on a rescue with Nico. I don't need this!

She was able to punch Engineki.

POW!

She smashed her into a rock!

Engineki: But how?!

Nico: YEAH!

Scott Truman: RPM! GET IN GEAR!

He transformed and was ready!

I fired waves of energy and blasted her all over!

She attacked us with a roar.

I teleported and dodged it and kicked her down.

Me: You know the horrible truth about the American version of the Go-Ongers?

Engineki: What is it?

Me: Their entire world was ravaged by a SKYNET-like rogue artificial intelligence named Venjix that viewed all humanity as a threat and destroyed over 85% of the entire human race and Corinth was completely left untouched. The shocking truth is that Venjix hid inside Scott's morpher and was left completely undisturbed until 2019 when he emerged as Evox and that blew us away with that shock!

Engineki: That is shocking!

I teleported and kicked her in the back of her head and smashed her into the ground.

Engineki: When did the American version come out?

Me: 2009. So the Beast Morphers faced it 10 years later.

Engineki: That is crazy!

Me: It was!

She tried turning intangible but Tsubasa hit her with shots from his Donblaster.

Tsubasa: No more unfair advantage for you!

Me: Yeah! Here is an Eyecon.

I activated it.

APOLINARIO MABINI AND ROSETTA RILEY!

Nico: Apolinario Mabini? The former prime minister of the Philippines from the late 19th Century?

Me: That's right. He was the establisher of the First Philippine Republic.

Nico: Cool! And fitting choice.

I fired waves of energy and blasted her down.

Qin: Cool!

She tried turning intangible again but Poliwag slapped her with his tail.

Poliwag: That's for scaring us!

Me: Nice one Poliwag!

Nico: But in order for her to be free we have to destroy the Hitotsuki she became.

Me: Yep. Now for this. (ACTIVATES EYECON)

SULTAN MUHAMMAD DIPATUAN KUDARAT AND BLACK WIDOW!

Nico: Sultan Muhammad Dipatuan Kudarat? The 7th Sultan of the Southern Philippines?

Me: That's right. He was the 7th Sultan of Maguindanao from 1619 to 1671.

Nico: Wow! I remember reading about him from back then. That was amazing.

Xenia: Yeah!

I fired waves of lightning and blasted her all over.

She shot fireballs at Manaphy and Horsea

They fired waves of water and blasted them away and smashed her down with the water!

Me: And here is this one! (ACTIVATES EYECON)

EMILIO AGUINALDO AND STEAM DEMONS!

Nico: Emilio Aguinaldo, the former President of the Philippines in the late 19th Century?

Me: That's right. He was the first president of the Philippines and the Asian Constitutional Republic.

Nico: Wow!

Qin: I read about that too.

I fired waves of sulfuric energy and smashed her down.

Nico: NICE!

Engineki ran at us and Scott ran at her with his Street Saber!

Me and Scott clashed with her and slashed her all over!

Eli fired waves of Force Lightning and electrocuted her and I kicked her down and Taro blasted her all over.

Lyra and Kanako blasted her all over and Nico slashed her all over.

Sonoi: Can you separate her form Engineki?

Me: No that spell only works on the physical plane. Not with ghosts.

Sonoi: Oh right Minako was a ghost.

Me: Yeah.

Taro: Avatar change!

He turned into Samurai Red!

Nico: Nice!

We slashed her all over the place.

I fired waves of fireballs and blasted her all over!

Nico: Try this one!

Nico fired waves of energy and blasted her all over.

Scott: Street Saber Slash!

Me: FALCHION INFERNO BLADE!

Me and Scott slashed her and blasted her all over.

Me: YEAH!

Then we saw a Dialga appear!

Carolyn Hope: COOL! A Dialga!

Qin: Wow! This one is immensely powerful!

Dialga: (In a girls voice) Let me at this one!

Nico: (GASP) Caroline Hellstrom!? Whoa!

Dialga: We can talk later Nico. I got this.

She fired a blast of blue energy and blasted Engineki and smashed her down.

Me: Whoa!

Nico: What about the Palkia?

Dialga: She will meet us over in the Philippines.

Nico: Okay then.

Qin: Fair enough.

Ultra Magnus transformed into his vehicle mode and Drove at her

He rammed her down.

Ultra Magnus: Take that!

Nico: YEAH!

Lady Tsunade: This is gonna be good.

She smashed Engineki with a powerful punch and smashed her into the ground!

Flash ran at her!

ZOOOM!

He punched and smashed her all over with amazing speed!

Rainbow Dash: Lets get her!

ZOOM!

Rainbow Dash, Sonic, Road Runner and Speedy Gonzales bashed and pulverized her all over!

Me: Never underestimate the speeds of the fastest people we know!

Qin: YEAH!

Speedy appeared behind Engineki.

Speedy Gonzales: (Spanish Accent) YEEHAW!

She jumped in fright and smashed into the ground!

Eddy fired his blaster at her.

Eddy: Take this!

ZAP ZAP ZAP ZAP!

Me: YEAH!

Qin: Time to finish this!

Taro: You read my mind!

Me: FALCHION INFERNO BLAST!

Donbrothers: DONBROTHERS DRAGON BLAST!

We fired waves of fire and energy and blasted her down and then she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Engineki was dead and I caught the Japanese RPM Avataro Gear!

Me: YEAH! Engineki you have failed this planet!

Lyra: Demon Elimination complete!

All: ALL'S WELL THAT ENDS WELL!

Nico: YEAH!

Minako appeared.

Minako: You all have freed me. Thank you all so much.

Me: Rest in peace Minako. Rest in peace.

Minako: Haruka, I'm glad I got to see you one last time.

Haruka: I am too Minako. I am too.

Minako then went up to heaven.

Nico: Now Minako can finally go to her eternal rest.

Me: In peace.

Haruka: Thank goodness.

Dialga: That was awesome.

Nico: That was a good one.

Qin: Yep.

G1 Venom: What's your favorite memory of Nico?

Dialga: My favorite is when me and Nico were at my family's watch shop and Nico stopped a bunch of robbers and brought them to justice. He also gave me and my family a massive fortune in diamonds and got us an amazing castle mansion.

Me: This isn't the same castle that Erik Hellstrom got is it?

Dialga: Actually it is. Erik Hellstrom is my great grandfather.

We gasped!

Me: Wow! That is unexpected.

Nico: Yeah. Long story.

Dialga: I know. My great grandfather had lots of mental problems.

Nico: Yep.

Dialga: Just so you know I'm naked.

Me: Oh boy.

I put on my blind man glasses.

Me: Taro you and the boys better cover your eyes.

Qin: Nicole will kill you if you don't.

Taro: Oh boy.

I snapped my fingers and the boys covered their eyes.

Nico kissed Dialga as she was reverting back.

Caroline was a girl with neon blue hair and had the kanji for time emblazoned in the middle of her forehead and she had blue angel wings.

The fashion brigade moved in and gave her blue clothes and braided her hair.

Caroline Hellstrom: (GROAN) That was rough.

Nico: But you're back to normal.

Caroline Hellstrom: Wow I sure am.

I showed her a mirror.

Caroline Hellstrom: Wow I look great! These clothes are awesome.

Me: They sure are.

Caroline Hellstrom: And was I dreaming or was Nico kissing me?

Nico: That was no dream.

Nico and Caroline hugged.

Nico: I've really missed you.

Caroline Hellstrom: Me too Nico. Me too.

Francis: (Caroline wiggled her fingers) How do you feel?

Caroline Hellstrom: Better than ever. But the wings I got are amazing too.

Me: They sure are.

Qin: Yep.

The previous group came.

Onyx: Can me, Dirty Bubble, Pinky and the Brain, Swordsman, Dr. Destiny, Jet, Waffle Woman, Rojo, Carmen Dillo, and Box Ghost and our groups go with you guys?

Nico: Yes you all can go with us.

Me: The Philippines are next on the list and it's going to be awesome.

Qin: It sure is.

Nico: I can't wait to show you all where I used to live.

Caroline Hellstrom: It's going to be awesome.

Runamuck: Nico, which Gene Slammers do you think you'll meet next?

Nico: Manaphy will like these. Heatran, Giratina, Cresselia, Darkrai, Arceus, Manaphy, Shaymin and Victini

We gasped!

Me: WHOA! Those are gonna be awesome. And the Arceus one is going to be Omnipotently powerful.

Qin: Yeah!

Xenia: Yeah!

Nico: I figured I might as well finish up the Sinnoh region Pokemon.

Me: This will be amazing.

Nico: Yep.

Manaphy: Yeah! I'm meeting a Gene Slammer of my own species!

Dirty Bubble: (laughs) I knew you'd be happy, Manaphy.

Me: Yeah me too!

May: This is gonna be awesome.

Nico: And then after those we get into the Unova Pokemon.

Me: Whoa!

Suddenly, Lincoln's Celebrity 5 alarm went off, and he picked up the signal, and he saw the last and final member of The Celebrity 5 we're taking on: it was Tim Gilliam, leader of The Celebrity 5.

Me: Uh oh, The Celebrity 5 alarm has gone off. So, which of The Celebrity 5 are we going after?

Lincoln: Good news, it's the last and final member of The Celebrity 5 we're facing is Tim Gilliam, leader of The Celebrity 5, and he's in The Philippines.

Jessica Shannon: So, after we complete the challenge, we take Tim Gilliam down, and you put him into a disk, right, Linky?

Lincoln: Right, Jessica.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure

was in the vision: the figure was Feshtrea, another member of The Extraterrestrial Order of The Planets of Holy Ghidorah, and he's coming here to kill us all for ruining their plans. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Feshtrea of The Extraterrestrial Order of The Planets of Holy Ghidorah on the move?

Lincoln: You guessed it, Rayman, and he's coming here to kill us all for ruining their plans.

Nico: Just as we expected, but you and Adrienne are more than ready for Feshtrea, right, Lincoln?

Adrienne Nyarlathotep: We sure are, and just like what happened, he's going to transform by drinking that potion with 2018 King Ghidorah's blood, so Lincoln will separate him King Ghidorah Hybrid Monster form from his real form and absorb the King Ghidorah Hybrid Monster form while we destroy Feshtrea and give him The Black Gates.

Lincoln: You said it, Adrienne.

Nico: To face off against one of the Incarnations of The Cthulhu Deities, oh boy, that's a fate worse than death. Alright, gang, our next stop is in The Philippines, and the last of The Celebrity 5: Tim Gilliam.

Lincoln: We'll take him down in the same way we took down his other teammates, and put into a disk and once we get done trouncing Tim Gilliam, you better be ready to die, Feshtrea.

Adrienne Nyarlathotep: You better be ready to die, Feshtrea, because you're about to face the madness of Nyarlathotep.

Nico: Here we go.

Me: If we meet 3 Ducklett that are as Mischievous as the ones that Ash, Iris and Cilan met, they are the Three Stooges Pokemon for sure.

We laughed!

Nico: That would be so funny.

Moe: It sure would be awesome having our own Pokemon.

Curly: Yeah especially if they can hit Moe all over. Nyuck nyuck nyuck nyuck nyuck.

SLAP! BOOF BONK POINK!

Moe slapped Curly and hit him on his stomach and bonked him on his head and poked him on his eyes.

Moe: Shadup grapehead.

Me: (LAUGHS) So funny!

Ring Man: How far are we from the Philippines?

Me: Not far. In fact we're already here.

We landed in Manilla.

Me: Here we are.

We got out and we were in The Philippines.

Qin: Wow!

Xenia: The Philippines.

Nicole: Awesome place.

Swordsman: I like it!

Pinky: Are we visiting the Luzon?

BLAM!

Brain bashed him on his head with a pencil.

Pinky: (LAUGHS STUPIDLY) Narf!

Brain: Shut up you brainless dolt.

Me: Well we are actually on the island of Luzon. It's where Manilla is located.

Qin: Yep.

Nico: Let me show you guys where I used to live.

We followed Nico and we were on the island of Siquijor.

We arrived at a small village on the island of Siquijor in the Philippines. It was home to a huge mansion and a bunch of small huts and houses.

Me: Wow.

Nico: Here we are guys. This is my old village.

Fiona Hernandez: Boy this brings back some awesome memories.

Marie Hernandez: This is amazing.

Nicole Hernandez: Good times.

Laney: I remember seeing this when we met the Cyborg 009 team.

Papillon: This must bring back memories.

Fiona Hernandez: It sure does.

Caroline Hellstrom: It sure is awesome here.

Nico: My dad is a missionary. Before he retired, he would travel around the planet and help people that are sick and hurt. He helped a lot of poor people around the world.

Camie: Boy this is so awesome.

Nico: Let me show you guys around.

We walked around Nico's village and all the natives were greeting him and us and we waved to them and greeted them in Filipino and it was awesome. Nico showed us his old mansion and it was amazing and beautiful. He showed us his old room and where he lived in it and all that. It was cool.

Camie: Man Nico your old house is amazing and the view of the ocean is amazing.

Qin: It sure is.

Fiona Hernandez: We had a lot of fun here before we were slammed.

Camie: That is amazing.

Tsuyu: Boy it sure is.

Me: And that was awesome seeing Nico's house back then in his old village.

Nico: Yep.

Waffle Woman: I hope the food is still good here.

Qin: The food of the Philippines is awesome.

We went back to Manilla and went to an awesome Filipino Restaurant and had awesome food.

We had Lumpiang Shanghai, Sinigang and more.

Me: (Eating Lumpiang Shanghai) Mmm! Delicious.

Qin: Boy I haven't had food from the Philippines in a long time.

Nico: (Eating) It sure is awesome.

Mindy Chan: You said it.

?: Room for one more?

We saw a Palkia!

Me: Whoa a Palkia!

Xenia: The Space Pokemon. Awesome.

Palkia: (In a girls voice) Awesome to see you all here.

Nico: Ayleen Solis! Wow!

G1 Chop Shop: Got any favorite memories of Nico?

Palkia: My favorite is when me and Nico were in Space Camp and we found a massively huge comet that was as big as the entire sun. We called the comet Comet Solis.

Nicole: Wow! That comet is a huge one and it's over 860,000 miles wide and located in the Andromeda Galaxy.

Me: That's a huge comet!

Qin: Wow!

Lola: Yeah!

Paragus: That's almost as big as Comet Camori.

Nico: It sure is.

Palkia: Yeah.

Me: Lets revert you back.

I put on my blind man glasses.

Nicole: No peaking guys. Or else!

The boys covered their eyes and I snapped my fingers and she reverted back.

Carmen Dillo: You know what to do, Nico.

Nico: Right.

Nico walked up to Palkia as she reverted back and kissed her.

She was a girl with neon pink hair and had pink eyes and had the kanji for Space in the middle of her forehead and she had neon pink angel wings. The Fashion Brigade moved in and gave her awesome new magenta clothes and put her hair in a ponytail.

Ayleen Solis: (GROANS) That was rough.

Me: But you're back to normal.

I showed a mirror.

Ayleen Solis: Wow! These clothes are awesome and I look great. Wow.

Qin: You sure do Ayleen.

Ayleen Solis: Was I dreaming or was Nico kissing me?

Me: You weren't dreaming.

Nico: Nope.

Nico and Ayleen hugged.

Nico: I've really missed you.

Ayleen Solis: Me too Nico. Me too.

Fire Man: You were in the Philppines before as well, right?

Ayleen Solis: I sure was. Loved coming here.

Me: It's a beautiful place. Also the Philippines is home to another amazing event that took place in 1991.

Nico: Oh yeah. The eruption of Mount Pinatubo.

Qin: I remember reading about that. That was a massive eruption.

Nicole: It sure was.

Lola: That was an intense eruption.

Nicole: Yep. It used to be 5,725 feet before it exploded. Now it's

4,875 feet.

Qin: Whoa!

Lana: Yeah that was crazy.

Box Ghost: It was probably very hot.

Nicole: It was.

She told us about what happened back then.

---

Mount Pinatubo is an active stratovolcano in the Zambales Mountains, located on the tripoint boundary of the Philippine provinces of Zambales, Tarlac and Pampanga, all in Central Luzon on the northern island of Luzon. Its eruptive history was unknown to most before the pre-eruption volcanic activity of early 1991. Pinatubo was heavily eroded and obscured from view by dense forests which supported a population of several thousand indigenous Aetas.

Pinatubo is most notorious for its VEI-6 eruption on June 15, 1991, the second-largest terrestrial eruption of the 20th century after the 1912 eruption of Novarupta in Alaska. Complicating the eruption was the arrival of Typhoon Yunya, bringing a lethal mix of ash and rain to towns and cities surrounding the volcano. Predictions at the onset of the climactic eruption led to the evacuation of tens of thousands of people from the surrounding areas, saving many lives. Surrounding areas were severely damaged by pyroclastic surges, pyroclastic falls, and subsequently, by the flooding lahars caused by rainwater re-mobilizing earlier volcanic deposits. This caused extensive destruction to infrastructure and changed river systems for years after the eruption. Minor dome-forming eruptions inside the caldera continued from 1992 to 1993.

The effects of the 1991 eruption were felt worldwide. It erupted roughly 10 billion tonnes (1.1×1010 short tons) or 10 km3 (2.4 cu mi) of magma, and 20 million tonnes (22 million short tons) of SO2, bringing vast quantities of minerals and toxic metals to the surface environment. It ejected more particulate into the stratosphere than any eruption since Krakatoa in 1883. Over the following months, the aerosols formed a global layer of sulfuric acid haze. Global temperatures dropped by about 0.5 °C (0.9 °F) in the years 1991-1993, and ozone depletion temporarily saw a substantial increase.

---

When she was done we were shocked.

Me: Geez.

Qin: That was intense.

Nico: I remember reading about that. That was intense.

Lola: Yeah we were here in the Philippines on our worldwide adventure and it was awesome.

Nico: Yeah.

Rojo: I just realized that the Ridonculous Race is nearly over.

Me: Yep. It was fun while it lasted.

Qin: It sure was.

Camie: No kidding.

Laney: I agree.

Kevin: We still got this challenge and tomorrow.

Me: Yep.

Qin: Yeah.

Nico: Tim is gonna be a good challenge.

Me: Yeah he sure is.

Jet: We know he doesn't have Disk Wars Blizzard with him

Me: Or Disk Wars Red Skull.

Qin: Yep.

Xenia: That is for sure.

Me: Yeah.

Demolishor: Where is he right now?

Eli: (Concentrates) He's over by Mount Pinatubo.

Qin: Whoa we were just talking about that.

Xenia: Yeah.

Camie: This is gonna be good.

We were off and we arrived and saw him.

Tim Gilliam: (looking up information) Dammit! Who ARE the Renegades exactly?!

Dr. Destiny: (with us from afar) Entrance time!

We went at him.

Tim was thinking.

Then the spirits of the Avengers appeared and they swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off above him and then a phoenix cry was heard and then we came out.

Me: Hello Tim.

Qin: Nice to see you.

Plug Man: Trying to find out who the Renegades are, right?

Tim Gilliam: It's a mystery even I can't solve!

Nico: Hey, I don't blame you. Even your pal Rosetta couldn't figure it out. And honestly? Neither can we.

Me: Yeah we don't know ourselves.

Xenia: It's an enigma.

Qin: Yeah.

Brain: You're the last person we need to face before your version of Loki.

Tim Gilliam: Then by all means, let's get started. MODOK, D Smash!

Akira: Iron Man, D Smash!

They were summoned!

Qin: Yeah!

Me: Lets get it on!

Fred Jones: And I will face Tim.

Me: Bloodbath Bay.

They gasped!

Qin: I know. We killed numerous pirates.

Zyudenki came.

William: So, you and the Hitotsuki we've faced so far have seperate forms now.

Zyudenki: Yep. Vypra made it so we don't need our previous hosts.

Me: Awesome!

Qin: This is gonna be awesome.

Nico: Cool.

We got the battles underway.

---

Nico: Yep. So, Claire, what's the story on why you hated your parents and little sister and how you took them and your conniving gold-digging former workers down?

Claire Marshall: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Water and I had to deal with are conniving gold-digging workers who wanted to extort us, but for me, the mastermind behind this extortion plot were my parents and my little sister, Clara, who've made my life Hell by always belittling and doubting me, and they've hated me since the day we were born, and they've wanted to kill me and let Clara, their favorite daughter, become the success they wanted her to be, not me. This one time, my workers, Cecilia and her boyfriend, Maurice, were planning on extorting me, and they tried to lie to everyone in court and ruin my name, but their lies and scheme were found out thanks to hidden cameras that Lincoln and the other Guardian Angels installed, and not only did those two get caught, but my evil parents and little sister were also ratted out as well for being the masterminds of the extortion plot, and they also plotted to kill me once they took all of my hard-earned money. Everyone was enraged after the tape was played, and the judge found the trial to be a waste of his time, and he ordered the five had to pay me $5,000 each.

We gasped.

Nico: Those two gold-digging greedy leeches, they really were trouble, and your parents and little sister, they were worse!

Lincoln: Yeah, her parents and Clara hated her so much, they wanted to ruin Claire's name and her reputation, along with taking all of her money and killing her.

Claire Marshall: But, their plan failed and backfired thanks to you and the others. Plus, I also filed a defamation lawsuit against the five, which I won in no less than fifteen seconds of deliberation, and I was awarded $500,000,000,000,000,000 dollars. My name and life was saved, and to pay for the damages, Cecilia and Maurice were forced to work for me for no pay, and my whole modeling agency was also punishing them for their lies as well. In the end, they lost their paychecks, their homes, and they also got fired for their whole scheme, and they were left jobless, penniless, and homeless.

Selene Arcangela: But, that was nothing compared to what her parents and Clara had coming to them: Claire was enraged that her heartless parents and their "favorite" daughter plotted to extort and kill her after they took all her money, she was already enraged they made her life Hell because of their toxic hatred towards her, so she took no prisoners. She had her parents and Clara arrested for attempted first degree murder and extortion, and she filed charges against them, and thanks to the proof from the hidden cameras Lincoln and the other Guardian Angels installed, her parents wound up getting fired from their jobs, their friends abandoned them because they don't want to get associated with such heartless monsters, and they were labelled as opportunists who cared more about stealing the hard-earned money of their eldest daughter and killing her and for caring more about Clara than their eldest daughter, and Clara was exposed as the disgraceful lying gold-digger that she is and her friends disowned her and cut her out of their lives forever, and she was expelled from school.

Lincoln: In the end, her parents and Clara were found guilty of attempted first degree murder and extortion, and they got their punishments as listed by me and the other Guardian Angels when the judge read out their sentences: Claire's parents were both sentenced to life in federal prison without the possibility of parole, and as for Clara, she was sent away to a boarding school in Siberia. Plus, to add on to their anger and to finally put an end to the nightmares that plagued her for years, Claire severed all ties with those monsters and cut them out of her life forever since they made her life Hell, and she swore if they ever got out to get revenge, she's going to break their arms and legs and throw them in a dumpster, because that's the kind of people she's had to deal with: garbage.

Me: They sure are, they broke their vows to love their children equally and they favored one and they rejected the other.

Nico: That's just disgusting, but they got what they deserved in the end.

Lincoln: But, if they do break out to get revenge, they're in for an eternity in Hell for their misdeeds.

Claire Marshall: You got that right.

Adrienne Nyarlathotep has transformed into SUPER ANGEL-NYARLATHOTEP-DEMON-OUTER GOD-HARMONY CELESTIAL ETERNAL XELNAGA OUTER GOD MADNESS NYARLATHOTEP DEMONIC SATANIC OUTER GOD ANGEL OF DIVINE OUTER GOD MADNESS NYARLATHOTEP OUTER GOD JUSTICE AND DIVINE OUTER GOD MADNESS NYARLATHOTEP OUTER GOD LOVE!

We were amazed by Adrienne Nyarlathotep's Super Angel-

Nyarlathotep-Demon-Outer God-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Feshtrea saw it, he fell into an infernal rage and he got out his blaster to blast her, but Adrienne Nyarlathotep fired a black and red energy blast, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Outer Gods at Feshtrea, which hit him and pushed him back and he was also hit hard by the light and darkness, but this really pissed him off now.

Nico: Oh man, Adrienne Nyarlathotep's transformed, Feshtrea is so doomed now!

Me: You said it, and that's just a taste of what's to come.

Adrienne Nyarlathotep: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Nyarlathotep Angel and Divine Darkness Satanic Nyarlathotep Outer God Love) And that's suffering the madness of Nyarlathotep, The Crawling Chaos.

Lincoln: Let's get him, Adrienne, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Adrienne Nyarlathotep.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Adrienne Nyarlathotep and Lincoln went after Feshtrea who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Feshtrea and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Feshtrea took out the vial of red liquid with a drop of Ultimate King Ghidorah's blood, then he drank it. Suddenly, Feshtrea began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails.

Me: Watch it, you guys, now Feshtrea has transformed into his King Ghidorah Hybrid Monster form.

Feshtrea fired a Gravity Lightning blast at Adrienne Nyarlathotep and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Feshtrea from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Feshtrea and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Feshtrea and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Adrienne, shall we destroy this monster by exposing him to Nyarlathotep's Dark Shapeshifter Madness?

Adrienne Nyarlathotep: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Nyarlathotep Angel and Divine Darkness Satanic Nyarlathotep Outer God Love) Gladly, Linky.

Adrienne Nyarlathotep and Lincoln trapped Feshtrea within a blood red pentagram that formed beneath his feet with the glyphs of The Outer Gods and Great Old Ones surrounding the pentagram, and they spoke in a dark forbidden language as they fired blasts of pure darkness with blood red Eldritch runes at Feshtrea: Nyarlathotep's Dark Shapeshifter Madness. Suddenly, Feshtrea began to see the many forms of Nyarlathotep, and he was being driven mad. But, then, he saw the very evil right in front of him: Nyarlathotep, The Crawling Chaos, The Faceless God, and The Messenger of the Outer Gods himself in his true form, and he fell into eternal madness and his soul was dragged into the darkness of The Black Gates and erased forever, and his body was consumed by dark flames.

Nico: (Horrified) My God, was that…?!

Nicholette Torrington: Nyarlathotep's Dark Shapeshifter Madness, I never thought any of us would have to see it again: another one of The Forbidden Lovecraftian Curses.

Bertha Sellington: Just hearing the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad, but to see one of those entities, that's more than enough to send them into madness eternal.

We cheered as Adrienne Nyarlathotep and Lincoln holstered their massive greatswords on their backs and powered down, and Adrienne Nyarlathotep's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Adrienne Nyarlathotep: That's one member of The Extraterrestrial Order of The Planets of Holy Ghidorah down, and now, only Dark Metphees is left, along with Ultimate King Ghidorah. Thanks for helping me destroy Feshtrea once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adrienne.

Suddenly, Adrienne Nyarlathotep wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Adrienne Nyarlathotep's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them along with Nyarlathotep and we cheered wildly. Then, Lincoln and Adrienne Nyarlathotep absorbed the darkness and they came back to us as the display and Nyarlathotep vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Adrienne.

Lincoln: Thanks, Nico.

Me: And now, the final member of The Extraterrestrial Order of The Planets of Holy Ghidorah to show up is Dark Metphees, along with

Ultimate King Ghidorah.

Lincoln: Which means, you and I are up next to kill Dark Metphees, Callista, and finally, you and I are up next to kill Ultimate King Ghidorah, Cadenza.

Callista Cthulhu: Yes, Dark Metphees will suffer dearly for his crimes and he will be driven insane by the dark power of Cthulhu.

Cadenza Cthugha: And Ultimate King Ghidorah will suffer the fiery wrath of Cthugha.

Nico: That's the spirit, girls. Say, Lincoln, which Elemental HERO Gene-Slammer are you meeting tomorrow?

Lincoln: Good question, Nico.

Alucard (HELLSING): If I might make a suggestion, Lincoln, how about Gene-Slammers for The Elemental HEROS of Darkness.

That got our attention quickly, along with Lincoln and the other Guardian Angels.

Nico: This is rather intriguing of you to suggest, Alucard, what brought that on?

Nicholette Torrington: Uh oh, I think I know.

Caitlin Ashleigh: Same here, Nicholette. We never told anyone except Lincoln this, but the Elemental HEROS of Darkness have a history of association with The HELLSING Organization.

We gasped.

Lincoln: Caitlin's right. The Elemental HEROS of Darkness have an association with The HELLSING Organization, and I found out that Vince is also a member of The HELLSING Organization, as well.

I gasped.

Me: Vince, is that…?

Vince: Yeah, it is. I was one of Sir Integra's top agents alongside Alucard and Seras Victoria, and we were an unstoppable team in killing Ghouls left and right in England, along with dealing with the evil vampires that sprang up, along with the artificial vampires sent by Millennium. We dealt a permanent end to Millennium back in 1999 and we killed that deranged Nazi Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, former butler of The Hellsing Family, Walter C. Dornez, who became a vampire thanks to the chip implanted in him by The Doctor.

Alucard (HELLSING): From the moment we first met, Walter wanted to defeat me back on that day in 1944. He had a fear of becoming old and useless, and to prove his abilities to himself, Walter desired to destroy me and he allowed this obsession to consume him, this went on for many decades, and he eventually showed his true colors on that day, and The Major tried to get rid of me by having one of his freakshow menagerie commit suicide so that I can absorb him.

Lincoln: Schrödinger, Millennium's Werecat, because of his ability of Omnipresence. If you absorbed his essence, you would've disappeared and had to spend 30 long years dispatching the souls of the millions of people you absorbed except for his.

Alucard (HELLSING): (Laughs) That's right, Lincoln, that's what that insane Major's plan was.

Vince: That's right. But, The Elemental HEROS of Darkness and I prevented that when we killed that Werecat and they used a spell to banish him to The Black Gates long before J.D. used it on Ch'Rell.

Me: Whoa!

Seras Victoria: Sir Integra was deeply impressed by everything they'd done, but she hadn't heard from any of them since. But, now we know why: Team Rocket Gene-Slammed them.

Lincoln: Yeah. When Sir Integra hears of this, she's going to be pissed off.

Buffy Summers: And they've also helped me and my friends out as well when dealing with The Master and the other vampires in

Sunnydale. They know their stuff when it comes to dealing with vampires. So, which of these Elemental HEROS of Darkness are we meeting tomorrow?

Lincoln: Hmm, oh, how about a Gene-Slammer for Elemental HERO Necroshade.

Caitlin Ashleigh: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Necroshade: Elizabeth Lioncourt, she's one of the Elemental HEROS of Darkness and one of the agents of The HELLSING Organization.

Molten Man: And with that, all the Celebrity 5 are in our ranks.

Trickster: So are M Bison and the other Foot Mystics.

Loki: It was fun facing them.

Cad Bane: But now, we have one last challenge before the Ridonculous Race is done.

Disk Wars Thor: (looks up at the sky) I'm coming for you, brother.

Vortex: WE'RE coming for him. We're helping you as wel.

Me: And it will be painful for him.

We were off to the final destination: Costa Rica

The next match-up in The War Against The Extraterrestrial Order of The Planets of Holy Ghidorah is Callista Cthulhu, Incarnation of Cthulhu and Lincoln VS Dark Metphees

For Lincoln's rescue tomorrow, Lincoln and his group are heading to London, and we got word that Leif and Jessica, the two cruel, trigger-happy, sadistic and psychotic vampires and old enemies of Alucard and Seras Victoria are on a rampage and have been ruthlessly killing innocent people without reason throughout the country. Their victims were innocent families, and even worse, they've been scrawling profane and desecrating words with the blood of the victims on the walls of their homes, and all for their desire to achieve immortality and invincibility. Those two-bit terrors are going to be put down once and for all, and we'll avenge the lives of the four families those two thrill-seeking assholes have killed, and it's going to attract the attention of Sir Integra Fairbrook Wingate Hellsing, head of The Hellsing Family and leader of The HELLSING Organization, and it'll lead to a reunion for Vince. And we're going to meet the next Elemental HERO Gene-Slammer, her name is Elizabeth Lioncourt, Gene-Slammer of Elemental HERO Necroshade, she's Lincoln's Guardian Angel from Michigan and she's a member of The Lioncourt Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages, and she's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult. She's an agent of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince Pusateri who was also an agent of The HELLSING Organization in destroying Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day. She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra Fairbrook Wingate Hellsing, the head of The Hellsing Family and leader of The HELLSING Organization, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles. She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Elizabeth and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

The finale of the Ridonculous Race is next and that one is going to be in Costa Rica and we're going there to battle the Disk Wars version of Loki and we're going to destroy that god traitor and make him pay for his crimes.

See you next time.

Kouta: I'm still looking forward to all this too.

Qin: Same here.

Leeli: This is amazing that all this happened because of mine and Girl Jordan's song.

Qin: It sure is Leeli.

Girl Jordan: That was so awesome.

Kouta: That was really awesome.

Nico: Kouta, remember when we met you last year?

Kouta: How can I forget. That was so awesome meeting Lillian and you guys.

Me: It sure was and it was amazing that you guys went to the Helheim Forest like that even though it was a dangerous place.

Shanan: That was awesome. But what really amazed me is that it was located on the planet Femushinmu. That was over 3 billion light-years away from home.

Nico: Yeah no kidding.

Me: It was a breathtaking but incredibly dangerous forest.

Fu: It sure was. But the plants were amazing.

Kouta: Yeah they sure were.

Nico: And we were able to prevent it from coming to Earth before any consequences happened.

Me: And blew up Yggdrasil Headquarters.

Nico: Yeah.

Kouta: That is for sure. I'm glad we did so.

Lola: But seeing the forest alone was amazing.

Lana: I'll say.

Nico: It sure was.

Me: And now Mai Takatsukasa and the Gaim team are part of the team altogether.

Kouta: That's right and it's great.

Nico: It sure is.

Me: Yep and it's also the very spot where we destroyed the Vengeful 6 for good.

Kouta: It was really amazing.

Qin: Brings back so many memories.

Qin: Yeah good times.

Nicole Hernandez: Those were so much fun.

Qin: Yep.

Me: I know. Also it's hard to imagine that we're almost done with the Ridonculous Race.

Eli: I know. This was awesome. And we had a lot of fun too.

Camie: We sure did.

Laney: Yeah. I'm glad the city was in good hands while we were away.

Nico: And we defeated all the Celebrity 5 as well.

Me: Including the 5 Foot Mystics.

Qin: That was awesome.

Me: Yep. Now we just have the Disk Wars Version of Loki to take care of. I hope we give that treacherous worm the Black Gates.

Qin: Me too. What he did to Asgard and everyone was unforgivable.

Laney: No kidding there.

Nico: I know but we agreed to give him to Odin for close and painful guard.

Me: Oh right.

Maria: Leslie, how did you first meet Nico?

Me: Oh right I wanted to know about that too.

Leslie Tiana: I met him at my family's creole restaurant and I made him an awesome feast and I was amazed with how he ate it all.

Me: Nico always has been known for eating a lot of food.

May: Yeah he is a Saiyan and they eat a lot.

Camie: Yep.

Leslie Tiana: That is true. Nico loved all my family's food.

Lana: That is so awesome.

Nico: Yep.

Me: Master Goku, Vegeta and all our friends from Nico's home planet love to eat.

Nico: (LAUGHS) That is true.

Leslie Tiana: No kidding guys.

Maria: I hope you two get married in the future.

Nico: Well I'm always available on the market so we will.

We laughed!

Me: That is true.

Nico: Yeah.

They had a really good meal.

Me: Have a nice meal guys?

Nico: We sure did. Thank you and this was an awesome date.

Me: Glad you like it.

Nico: Leslie lets give J.D. his reward. (Chuckles Sinisterly)

Leslie Tiana: (Mischievous Smirk) You can count on that.

Me: (GULP) I am so dead.

Nico got out Ticklepuss' Ridewatch and Leslie took out Tickler's ridewatch and they activated them.

Me: Okay guys. I'm ready.

I put on a blindfold and put it over my eyes and I puffed a peppermint stick.

Nico and Leslie jumped me and tickled me all over.

Nico and Leslie: Coochie coochie coo!

Me: (LAUGHING HYSTERICALLY)
HAHAHAHAHAHAHAHAHAHAHAHA!
HAHAHAHAHAHAHAHAHAHA! (LAUGHS HYSTERICALLY!)

Nico: Say uncle!

Me: (LAUGHS) UNCLE UNCLE UNCLE!

Nico: Louder!

Me: (LAUGHS HYSTERICALLY) UNCLE UNCLE UNCLE! STOP IT!

I'M GONNA FART!

LOUD FART TOOT!

They stopped and Nico and Leslie gagged and coughed.

Me: Oops sorry.

Nico: Clearly, we've punished you enough.

Me: (Blushes) Sorry about that.

Nico: No worries.

Me: Maybe instead of tickling me you should make me eat chum.

Nico: Oh that would be a form of torture.

Camie: Don't give him any ideas.

Qin: Yeah that would be awful.

Me: Yeah.

Nico: No kidding.

Me: But I'm glad you guys had fun.

Nico: We sure did.

Me: Yeah.

Eli: Now for the fun part. (CONCENTRATES) (GASP) Oh man!

Me: What is it?

Eli: Swartz's creations are Another Clockwerk and Another Greiger!

We gasped!

Qin: Oh man!

Camie: Not good! But remind me who Clockwerk is?

Me: Sure. He's a mechanical Eurasian Eagle Owl that lived for over 12,000 years with the sole intention of wiping out the entirety of the Cooper Clan.

I went over his history.

---

Clockwerk is the main antagonist of the Sly Cooper franchise, serving as the main antagonist of Sly Cooper and the Thievius Raccoonus, the overarching antagonist of Sly 2: Band of Thieves, and a cameo character in Sly Cooper: Thieves in Time. He is a Eurasian eagle-owl who developed an intense hatred and jealousy of the Cooper Clan for their reputation as master thieves, replacing his entire body with advanced machinery and founding the Fiendish Five in the hopes to eradicate the Cooper line. He is the arch-nemesis of Sly Cooper and the entire Cooper Clan as a whole.

After his defeat at the hands of Sly, Clockwerk's body was rendered into pieces, which were then stolen by the KLAWW Gang and then put back together by Arpeggio to make himself immortal, only to be stolen by Neyla, who merged with Clockwerk's body herself and became Clock-La.

He was voiced by the late Kevin Blackton.

While his exact origin is completely unknown, it is certain that Clockwerk has lived for thousands of years, having replaced his real body with machinery, which was fueled by his hatred and envy of the Cooper Clan. For almost all of his life, Clockwerk hunted the Coopers, who were always one step ahead of him. Very few Coopers knew about Clockwerk; other than Sly and his father Conner, Henriette Cooper was the only Cooper known to have interacted with him. The few that knew of his existence wrote how his parts worked in the Thievius Raccoonus. Around Sly's birth, Clockwerk founded the Fiendish Five and led them in an attack on the currently living Coopers. He was responsible for the murder of Conner and his wife and the theft of the Thievius Raccoonus, which contained all the family's thieving secrets. Following this, he took off with a section of the Thievius Raccoonus and the rest of the Fiendish Five returned to their own endeavors with the pages of the

Coopers' legacy in their possession.

At the time Sly gathered his own gang and began to target the members of the Fiendish Five, Clockwerk was a mysterious, aggressive and widely unknown member who was referred to only as the "last" member of the Fiendish Five by Bentley and Sly. He never convened with his cohorts; instead, he provided them with high tech hardware, including two hovercrafts commandeered by Sly, which Bentley identified as having a notably unique alloy that only originates from the Krakarov Volcano in Russia, where Clockwerk set up his base of operations. Sly began reviewing the pages he gathered from the Thievius Raccoonus, he started noticing a silhouetted bird in the background of pictures featuring his ancestors and connected them with the vague reports on the appearance of Clockwerk. Curious about what this could mean, Sly and his gang headed to the Krakarov Volcano to confront the fifth member of the Fiendish Five.

Based in the volcano, Clockwerk had built a giant death ray and tried to destroy the Cooper Gang with it as they tried to enter his headquarters. Sly, Bentley and Murray were able to pass through unharmed from the deadly weapon, due to Sly's use of a roof-mounted machine gun and continued through the facility despite Clockwerk also sending swarms of robo-falcons and fire slugs after them.

Devising another trap, Clockwerk had already captured Carmelita Fox and used her as bait to lure Sly into his gas chamber, where he planned to finish him off with poison. It was at this time that Clockwerk revealed himself through a televised screen and mocked the Cooper Clan for letting their emotions get the better of them since it has always been their downfall. However, Bentley hacked into Clockwerk's security system and managed to release both Sly and Carmelita from the gas chamber. Sly and Carmelita made a temporary truce and plotted to take down Clockwerk together, with Sly planning to use Carmelita's jetpack to battle him from the sky. In their advance, they destroyed Clockwerk's death ray, and Sly retrieved the jetpack and used it as he finally confronted Clockwerk face to face.

After retrieving Carmelita's jetpack from atop Clockwerk's death-ray before it sunk into the lava, Sly then finally confronted his parents' murderer face-to-face after so many years. The old bird stated how remarkable it was that Sly managed to escape his gas-champer as well as destroy his death-ray, just as his ancestors managed to foil him before. This statement allowed Sly to deduce that it truly was Clockwerk stalking his forefathers in the old photos in the Thievius Raccoonus and demanded to know exactly how old Clockwerk was, to which he replied, "perfection had no age". Sly asked if he was immortal, and Clockwerk explained that he has survived for centuries by feeding off his ages-long grudge against the Cooper Clan until he can finally eliminate them for good. The two exchanged a few words, and Sly learned of Clockwerk's past; replacing his entire body to outlive and annihilate the Cooper Clan in an attempt to eclipse their legendary thieving reputation. They engaged in an aerial battle, with Sly receiving support from Carmelita. Eventually, the pair defeated him and Clockwerk plummeted into the molten lava of the volcano. He then rose again, albeit damaged, and desired to finish off the raccoon. Sly questioned how Clockwerk could have been negligent of the fact that Conner Cooper had a son and wondered why he did not kill him after he murdered his family, to which Clockwerk revealed he left the young Sly alive to prove a point: without the Thievius Raccoonus, the Cooper line was nothing. However, Sly pointed out the flaw in his statement, saying that the Thievius Raccoonus did not make a great Cooper, but that a great Cooper made the Thievius Raccoonus. Clockwerk refused to acknowledge his chatter, determined to kill Sly like he had killed his father and claim the title as master thief solely for himself.

After engaging in one last battle, Sly shot Clockwerk down a second time, forcing him to plummet once again into the volcano lava. Because he refused to be destroyed, Clockwerk began activating his self-repair system to rejuvenate his heavily damaged form. While attempting this last-ditch effort, Sly traversed over to the archaic bird and destroyed his head. As Sly did so, however, Clockwerk attempted to torment his rival one last time and openly declared he was superior, and that Sly would never be rid of him before finally being put out of commission. The battered and destroyed parts floated in the lava and were left to rot when the gang departed. However, one of the eyes lit up with pure hate, showing that the evil owl was not yet finished for good.

The Clockwerk parts were recovered by INTERPOL following the battle and, after two years, were put on display in a museum in Cairo, Egypt. This museum began the "Clockwerk Restoration Project" in an attempt to put the bird back together. Sly and the gang, realizing the threat of such actions, decided to steal the parts to prevent a possible revival of Clockwerk.

However, a criminal organization known as the Klaww Gang stole the body parts and split them between each member to use for their own purposes before Sly and the gang could steal the parts themselves. The gang managed to take back most of the parts from the various Klaww Gang members during their travels; however, right when they had the chance to collect Clockwerk's talons, they were obliterated and imprisoned in the sawmill by Klaww Gang member Jean Bison. Bison and his men raided the Cooper Gang's safehouse and sold all of the Clockwerk parts (including the uncollected talons) to his associate Arpeggio.

Clockwerk's robotic body was eventually reassembled on Arpeggio's flying air fortress. Neyla, who had previously been an ally of Sly but then betrayed him, was in fact conspiring with Arpeggio and had been helping him gather the parts. Arpeggio was knowledgeable of Clockwerk and his secret of immortality through his consumption of hatred; he desired to become one with the ancient frame and be reborn with eternal life. However, before Arpeggio could merge with the parts, Neyla betrayed him as well and merged herself with Clockwerk's frame instead, dubbing herself as "Clock-La."

Sly witnessed this and, along with Bentley and Murray, tried to weaken her so they could finally finish off what remained of Clockwerk. Teaming up with Carmelita yet again to defeat the robotic bird, Sly battled Clock-La using a door-mounted machine gun on Carmelita's helicopter. After sustaining a large amount of damage, Clock-La destroyed the blimp and captured both Murray and Bentley, leading Sly on a dangerous chase through the skies over Paris. Sly landed on Clock-La's back and succeeded in damaging her and forcing her to land, which also released Bentley and Murray from her grip. During this skirmish, the revelation of Clockwerk's true source of power, the Hate Chip, was discovered and the gang came up with a plan to destroy it. With Murray's help, Bentley was able to enter the open beak of Clockwerk and remove the chip. But before he could exit, the beak suddenly snapped down on Bentley, crushing his legs. Murray picked up the paralyzed turtle and, with the Hate Chip in hand, the three left the area as Clock-La exploded. To their surprise, despite the explosion, the parts were still in perfect condition, as an effect of the Hate Chip still being fueled by Clockwerk's never-ending hatred for the Cooper Clan. Carmelita, having just arrived on the ground, stomped on the Hate Chip, causing the parts to immediately disintegrate and killing both Neyla and Clockwerk, ending his reign of terror on the Cooper Clan once and for all.

While Clockwerk was truly deceased, the ramifications of the Cooper Gang's final battle with him would haunt them forever, as Bentley would never walk again after being paralyzed by the bird's beak. Murray blamed himself for not being strong enough to save him and left the team, eventually coming onto the tutelage of a mystical Guru in the Australian outback. However, Bentley made up for his handicap by building a hi-tech wheelchair that would actually provided better maneuverability than his legs ever did. And when they met again in Venice, Bentley made it clear that he did not blame Murray in the slightest for his current condition, and thus Murray was able to heal from his shame and rejoin the team.

Clockwerk has been seen in many locations throughout time in Thieves in Time watching Sly. He first appears in Japan, watching Sly and Riochi from a building. He later appears in the Wild West, watching the battle between Tennessee Kid and Toothpick's soldiers. He returns again in the Ice Age, monitoring Bob and appears in Medieval times and ancient Arabia. Clockwerk also appears in Bentley's dream, where he confronts the things he fears.

---

In the present day, Sly finds Clockwerk's eye, which was not destroyed along with him, revealing that Clockwerk still exists and is not gone for good.

When I was done everyone that hadn't heard about it was shocked and utterly horrified!

Zuria: He is pure evil incarnate!

Venus: That is horrible! He lived for 12,000 years fueled only by hatred and jealousy over the Cooper Clan's thieving reputation!? That is crazy!

Nico: It was.

Nico: Who's gonna face him?

Me: Lets have you give it a shot Nico.

Nico: Good idea. I've been wanting to have a crack at it.

But then we felt an incredibly and intensely powerful energy signal!

Me: WHOA! Feel that power guys?

Nico: That is amazing! I think it's the next gene-slammer.

Me: Whoever it is, this power is mind-boggling.

Camie: There's no way a Pokemon Gene-slammer can have a power that is as immensely powerful as this one.

Nico: We'll worry about it later!

Me: LOOK!

We saw a dark figure flying across the sky and it was a giant mechanical Eurasian Eagle Owl! It was ANOTHER CLOCKWERK!

Nico: Whoa!

Me: Another Clockwerk!

Xenia: Scary!

Nico: No kidding.

It landed in front of us. It was a dark version of the ancient enemy of the Cooper Clan!

Camie: (GULPS)

Nico: Um… who are you?

Another Clockwerk: (In a girls voice) (Russian Accent) I believe that J.D. knows who I am.

Me: (GASP) Anastasia Clockwerk!

She reverted back and was a girl with dark blue hair and had red demonic eyes and pitch black angel wings that had a malevolent dark blue aura around them and she had dark blue clothes.

Anastasia Clockwerk: Good to see you again J.D.

Me: You too Anastasia.

Nico: You know her?

Me: I sure do. Anastasia believe it or not is Clockwerk's daughter.

We gasped in utter shock!

Nico: WHOA MAN!

Eli: Clockwerk was your father!?

Anastasia Clockwerk: That's right. But I am nothing like my father. All my father did was hate and kill and I wanted nothing to do with him except become a master thief.

Me: That's good you are nothing like your so-called dad. But also like Clockwerk she lived for over 12,000 years.

All of us: WOW!

Nico: That's amazing.

Qin: Yeah!

Anastasia Clockwerk: It sure is.

Nico: And you're not usually big like him.

Anastasia Clockwerk: That's because unlike him I didn't sell out my body for soulless machinery and fueled myself with intense burning hatred. I fueled by power with love, kindness, good and friendship. I loved the Cooper Clan like they were my family.

Qin: You are the exact polar opposite of your father.

Anastasia Clockwerk: That's right.

Camie: That's incredible.

Lola: No kidding.

Brittney: Your father really had it out for the entirety of the Cooper Clan. For over 12,000 years he made it his sole intention to wipe out the entirety of the Cooper Clan so that he can reign supreme. He was fueled only with an intense burning hatred and incredibly powerful jealousy over the Cooper Clan. What he did makes him nothing short of pure evil incarnate.

Anastasia Clockwerk: I know. That monster is not my father. But he is still family to me.

Qin: Wow.

Nico: I'll be facing you.

Me: By the way is Another Greiger friendly or hostile?

Anastasia Clockwerk: Friendly and you will like this one J.D.

Me: I have a feeling this one will be interesting.

Nico: Yeah.

?: Let me help Nico.

Then an Arceus appeared!

Me: WHOA! An Arceus!

Nico: Wow!

Arceus: (In a girls voice) This will be fun.

Nico: Sonia Winston! Whoa!

Qin: Awesome!

Arceus: Good to see you again Nico. Lets get her.

Nico: With pleasure.

Anastasia turned into Another Clockwerk and she flew into the sky.

Arceus: Hop on.

Nico hopped onto her and she and Nico flew after her.

Nico: Let's do this shit!

Arceus: YEAH!

Another Clockwerk fired laser blasts and they dodged them.

Arceus and Nico fired a massive barrage of energy blasts and fire blasts all at Another Clockwork and blasted her all over and she exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM!

She was back to normal and I flew up and caught her and the Wonder Rider Book. It was called The Immortal Angel of The Owl and The Malevolent Owl Overlord of Hatred.

Me: Cool title.

I flew down and Varie healed her.

Anastasia Clockwerk: (Groans) What a headache.

Varie: You'll be alright.

Arceus and Nico landed.

Me: That was awesome!

Qin: Wow!

Nico: It sure was!

Arceus: That was great!

Nico: Let's prepare for the next one!

Me: You got it. We'll save the memory question for later.

Maria: Right.

Nico: Okay.

May: Here comes Another Greiger!

We saw a figure come out and it was ANOTHER GREIGER!

It was a dark version of him and it had an Indigo Fire Aura.

Nico: Whoa Another Greiger!

Me: This is gonna be good.

Another Greiger: (In a girls voice) (Peruvian Accent) It will be a good one J.D.

Me: (GASP) Luciana Juarez!

She reverted back and was a girl with dark blue hair and had dark blue angel wings and had dark blue and black clothes and she had the Killer Whale Nazca Line on her right arm.

Luciana Juarez: Good to see you again J.D.

Me: Same here señora Luciana.

Nico: You know her?

Me: Yep. Luciana comes from the same village that Greiger is from and she has amazing knowledge of the Nazca Lines.

Nico: Whoa!

Greiger: Pleasure to meet a fellow native of my village.

Luciana Juarez: Same to you señor Greiger.

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever Gear) Because we can grant it instead.

Kaito got a Denzi Sword and Zocks got a Battle Fever Sword.

Luciana Juarez: Just to figure out the mystery of how the Nazca Lines got in Peru.

Me: Well that's still a huge mystery but we managed to figure it out. We found out that they are the seals of the Crimson Dragon. 10,000 years ago the Nazca Lines were formed when the Crimson Dragon battled the evil Red Nova and sealed him and his minions the Earthbound Immortals into the Nazca Desert in Peru and they formed into the Geoglyphs that we know today. The Nazca Lines.

Carly Atlas: It's true.

Misty Tredwell: It sure is and it's amazing that they were put there.

Nico: Yeah no kidding.

Me: The satellites found amazing geoglyphs there.

Camie: It's amazing how they got there.

Luciana Juarez: It sure is.

Me: Sorry we have to fight like this.

Luciana Juarez: No worries.

Sougo: (gets out Denziman Ridewatch) It's true.

Geiz: (gets out Battle Fever Ridewatch) J.D. told us about it.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor.

Me: But the satellite images of the Nazca Lines are just absolutely

amazing.

Luciana Juarez: I know. They sure are.

She turned into Another Greiger!

Nico: (gets out Greiger's Ridewatch) But here's a taste of their power firsthand!

Nico activated it and fired waves of indigo fire and blasted her down.

Nico: A pirates life for me! (ACTIVATES SINDBAD'S RIDEWATCH)

He fired waves of energy and blasted her down.

Nico: Aye matey! (ACTIVATES CAPTAIN BRINEYBEARD'S RIDEWATCH)

He fired more energy waves and blasted her all over.

May: Time for this! (ACTIVATES CAPTAIN KID'S RIDEWATCH)

She fired waves of golden eggs and blasted her all over.

Me: Golden as the sun!

May: And this too! (ACTIVATES SEA CAPTAIN (FELIX THE CAT) RIDEWATCH)

She fired waves of energy and smashed her all over.

May: Time for a huge flop! (ACTIVATES TOBIAS WHALE'S RIDEWATCH)

She grew in size and jumped and smashed her down with a huge bellyflop!

Me: OUCH!

May: And this one is sticky! (ACTIVATES TAR MONSTER'S RIDEWATCH)

She fired waves of tar and stuck her to the ground.

May: This one will leave a song in your life. (ACTIVATES RAVESS' RIDEWATCH)

She got out a violin and played it and fired waves of energy and smashed her down.

Me: Nice one!

Maria: Time for some sandy business! (ACTIVATES 1973 SAND BANBERA'S RIDEWATCH)

She fired sand blasts and smashed her down.

Maria: And this one will LIGHTEN you up! (ACTIVATES LIGHTMASTER'S RIDEWATCH)

She fired light blasts and blasted her down.

Then we felt thunderous footfalls and we saw Po Kong and her team! She had Shakedown, Stone Dragon, Monolith, Butterfly Absolute God Deboth and Haroud Hazi Bin!

Nico: Nice team, Po Kong!

Po Kong: Thanks Nico and I hope we go to a pancake planet next after this.

Nico: That would be awesome for Nora.

Xenia: Yeah it would!

Camie: Yep!

Kouta: Time for action! (ACTIVATES TOBIAS WHALE'S RIDEWATCH)

He fired waves of watermelons and smashed her down.

Nico: OH YEAH!

Maria: There have to be SOME Gene Slammers appearing next.

Me: Uhh Maria down look now but a shadow just pulled down your pants.

She saw that there was a shadow that did that!

Maria: (SCREAMS) OKAY WHO IS THE WISEASS!?

A Darkrai and a Cresselia appeared!

Me: Hey a Darkrai and a Cresselia!

Nico: COOL!

Cresselia: (In a girls voice) Now what have we told you about pantsing people!

Darkrai: (In a girls voice) Sorry about that.

Nico: Elisa Stallone and Luna Hikari!

Qin: Wow!

Darkrai: Awesome to see you again Nico.

Cresselia: Same here. We got this.

They fired beams of light and darkness and smashed down Another Greiger and I caught the Ridewatch and purified it and I brought Luciana over.

Nico: I hope William didn't see that!

Me: He's not here.

Qin: Yeah.

Maria: Pull my pants down will you!? WHY I OUGHTA!

Nico: Easy Maria. Elisa has been known for having a very mischievous side to her.

Darkrai: Sorry about that.

Nico: It's okay.

Me: Oh god. I hope she isn't like how Luan was every April Fools.

Darkhai: Oh no way! I am not like how Nico's brother and Luan were on that time.

Me: Thank goodness!

Kouta: Yeah. Anyway what are your favorite memories of Nico?

Arceus: When I gave some of the girls in Middle School beautiful voluptuous bodies. I have omnipotent power.

Me: Whoa hubba hubba!

Qin: (LAUGHS) That was awesome.

Darkrai: When I pulled down the pants of the entire cheerleading squad and Nico snapped photos of it and posted it all over social media. Made them the laughingstock of high school.

Me: Geez! That is funny!

Lola: Nice!

Cresselia: And when me and Nico filled up an entire insane asylum with numerous bullies. I have this power called the Full Moon Madness Glare and I can make people go cuckoo bonkers just by glaring at them with the light of the full moon.

Qin: I saw that power in action and it was amazing.

Nico: That was awesome.

Me: Geez! That is amazing girls.

Arceus: Yep.

Me: Lets get you girls back to normal.

Darkhai: Okay but we're naked.

Me: Oh boy.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and they were reverting back.

Nico kissed Darkrai as she was reverting back

Sonia was a girl with rainbow hair and had the kanji for god in the middle of her forehead and she had rainbow eyes. Elisa was a girl with pitch black hair and had the kanji for darkness in the middle of her forehead and she had purple eyes and Luna was a girl with yellow hair and had the kanji for moon in the middle of her forehead and had pink eyes. The fashion brigade moved in and gave them new clothes. Sonia had awesome yellow clothes, Elisa had midnight black clothes and Luna had pink clothes with a crescent moon on them.

Elisa Stallone: (GROANS) Geez that was rough.

Sonia Winston: (Groan) That hurt.

Luna Hikari: Yeah.

Me: But you're back to normal.

I showed them a mirror and they saw themselves.

Sonia Winston: Wow we look great!

Elisa Stallone: Boy we sure do.

Luna Hikari: This is amazing.

Elisa Stallone: But was I dreaming or was Nico kissing me?

Nico: It was no dream.

Nico hugged them.

Nico: I missed you girls.

Sonia Winston: We missed you too Nico.

Me: Aww.

SLAP!

Elisa Stallone: (YELPS)

Maria slapped her on her butt!

Maria: That was for pulling my pants down!

We went back home.

Those two-bit terrors are going to be put down once and for all, and we'll avenge the lives of the four families those two thrill-seeking assholes have killed, and it's going to attract the attention of Sir Integra Fairbrook Wingate Hellsing, head of The Hellsing Family and leader of The HELLSING Organization, and it'll lead to a reunion for Vince.

Lincoln: Ah, good old London, it's great to be here again, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got word that Leif and Jessica, the two cruel, trigger-happy, sadistic and psychotic vampires and old enemies of Alucard and Seras Victoria are on a rampage and have been ruthlessly killing innocent people without reason throughout the country.

Nico: Those two are absolutely a bunch of sick and twisted vampires, killing innocent families all to achieve immortality and invincibility.

Sherlock Hound: (British Accent) They'd also done much worse, they'd been scrawling profane and desecrating words with the blood of the victims on the walls of their homes, this is something that we cannot forgive at all.

Just then, Vince, Carol, and their kids joined us, along with Alucard and Seras Victoria.

Vince: We dealt with those two long ago, and they were the sickest and most twisted vampires we'd ever come across.

Alucard: So, we're going to enjoy destroying them once again.

Sylvester: This'll be the last time, but I can't help but get the feeling we are going to run into another familiar face from Vince's past.

Lincoln: It's no surprise that the two vampires we're dealing with are among the enemies of Sir Integra, so we're bound to run into her soon, and I want to thank your team for joining us, Dante.

Dante: You're welcome, Lincoln.

Suddenly, we saw Elemental HERO Necroshade appear before us and with it are the six girls.

Nico: That's Elemental HERO Necroshade, wicked.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Necroshade: (Girl's voice) Oh, sorry about the scare, but I also got the girls away from those two trigger-happy undead assholes before they could start shooting.

Lincoln: (Gasps) That voice, Elizabeth Lioncourt, I knew that was you.

Suddenly, we heard a motorcycle engine, and we saw our targets: Leif and Jessica, and they were absolutely pissed Elizabeth got their next victims away.

Sylvester: Well, time to get to work.

Nico: Nice.

Lincoln: Time to give those two cheap little two-bit terrors the scare of their life.

Lincoln's deep sapphire blue eyes turned blood red and he created an illusion which startled those murderous immortality-seeking vampires, and then, they saw Lincoln.

Leif: (British Accent) You, you're fucking dead!

But, before Leif could try anything, Lincoln unholstered his Eater of Sins and fired which hit the motorcycle and sent them flying off.

Lincoln: Children without faith, if you had any control, you'd travel as fog or a bat.

Leif: (British Accent) Who the fuck are you?

Lincoln: You took away all those innocent lives, and not just because you're thirsty? Is it fun, huh?! Is that what it takes for filth like you to get off?!

Alucard: Those were the very same words I said to those two, and now to see that Lincoln's using those same words at them, now that's truly got my attention.

But, we knew the show was just getting started.

Leif: (British Accent) What's it to you?

Just then, Lincoln disappeared and reappeared right behind them.

Lincoln: You cheap little two-bit terrors, eternity's wasted on the likes of you.

Lincoln disappeared and reappeared again this time beside Leif.

Lincoln: Try as you might, immortality slips away.

Lincoln disappeared and reappeared again, this time right behind the murderous vampires.

Lincoln: And you remain with only your shame.

Leif was about to fire, but Lincoln grabbed the gun with his large right hand, and he crushed it. This absolutely frightened Jessica, and Leif was trying to maintain his composure, but we knew it's pointless: Lincoln's already got them now.

Leif: (British Accent) Christ, who is this fucking bastard?

Jessica: (British Accent) I don't like this.

Just then, the rest of us appeared.

Nico: (Smirks) And it's about to get fucking worse!

Then, Lincoln and Alucard fired silver bullets into Leif, and when they hit him, he fell to the ground and exploded into dust, and Lincoln fired a blast of sunlight and it hit Jessica, and she was incinerated and turned to dust, and those two got The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That'll be the last time we ever run into such vile and twisted filth like those two.

?: I couldn't agree more.

Suddenly, we saw someone walking towards us, it was Sir Integra Fairbrook Wingate Hellsing, head of The Hellsing Family and leader of The HELLSING Organization.

Alucard: (Bows) Master.

Lincoln: Sir Integra Fairbrook Wingate Hellsing, head of The Hellsing Family and leader of The HELLSING Organization.

Sir Integra: Looks like Alucard has already told me much about Team Loud Phoenix Storm and of you, as well, Lincoln. It's a pleasure to meet you and all of you.

Me: Same here, Sir Integra, and say hello to an old friend from long ago.

Vince came out.

Sir Integra: Vince?

Vince: Hello, Sir Integra, it's been years.

Sir Integra: Indeed it has, and Alucard has kept me updated on you, you've been married to Carol for seven years now and you also have children.

Carol: That's correct, and he told us all of his past and that he was a member of The HELLSING Organization.

Nico: We were just as shocked, including J.D., and he'd known Vince for quite a long time.

Sir Integra: And what he said was indeed true, Vince is one of my top agents in the organization and that he also helped in bringing Millennium down, but what pissed me off was that they returned two years ago.

Lincoln: But, we got rid of them on my rescue on that day two years ago, and I sent their souls to The Black Gates a year ago, so we won't have any trouble from them ever.

Seras Victoria: Thank God we're rid of them.

Lincoln: You said it. (To Elizabeth Lioncourt) And it's so good to see you again, Elizabeth Lioncourt.

Elizabeth Lioncourt reverted back to normal, and she's a beautiful girl with long blood red hair, blood red eyes, she was tall at 6'5" in height, she had the body of a goddess and vampire fangs, she has massive and beautiful black angel wings, she's dressed in a long blood red coat, long-sleeved white shirt, black pants, black knee-high high-heeled boots with black and grey butterfly buckles, and long white long-sleeved trenchcoat with darkness, shadows, bats, creatures of the night, and dark angels on the coattails and on the back is Elemental HERO Necroshade, and holstered on her back is a massive Elemental HERO Necroshade-themed greatsword with embedded crimson red gems and Elemental HERO Necroshade etched on the 7'0" massive, wide, double-edged blood red blade, large blood red phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel.

Elizabeth Lioncourt: You too, Lincoln, it's been a long time.

Lincoln went up to Elizabeth Lioncourt and he hugged her, and Elizabeth Lioncourt is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Elizabeth Lioncourt: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'5" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Elizabeth Lioncourt, Gene-Slammer of Elemental HERO Necroshade, she's my Guardian Angel from Michigan and a member of The Elemental HEROS of Darkness.

Sir Integra: And another agent of The HELLSING Organization. So, that's why I've not seen her in a long time as well: Team Rocket Gene-Slammed her. Now, they've pissed me off.

Lincoln: It's okay, Sir Integra, we got rid of them and sent Giovanni and his goons, except for Jessie, James, and Meowth who got canned long ago to The Black Gates, but we're cleaning up the Gene-Slammer mess he and Kurota have caused.

Vince: Lincoln's right, Sir Integra. You can go on with her story, Lincoln.

Lincoln: Thanks, Vince. As I was saying, Elizabeth Lioncourt is also a member of The Lioncourt Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of vampires, werewolves, demons, witches, and other ancient creatures since The Dark Ages, and she's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult, and as pointed out, she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince in destroying Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day.

Alucard: She's also an old acquaintance of mine who also knew of my past life as Vlad Dracula, along with Seras, and Sir Integra.

Caitlin Ashleigh: And she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles. She's also friends with Lucy and The Young Morticians' Club, and they were also deeply intrigued to find out she's a vampire and a member of the legendary Lioncourt Vampire Royal Family.

Monica Anniston: And unlike with The Elemental HEROS of Fire who've had to deal with parents who built their business empires through the theft of intellectual property and engaged in criminal activity and siblings who are thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters of the later extortion plots, Elizabeth and the rest of The Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she got grounded big time.

Sir Integra: And what did Lori try to do that had warranted this kind of action?

Elizabeth Lioncourt: That'll be revealed later on, Sir Integra, and you're not going to like hearing it. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Elizabeth?

Elizabeth Lioncourt: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Elizabeth Lioncourt: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Sir Integra: What?

Lori: A few years ago, Lynn stabbed Lincoln when she went on a rampage and he was losing blood fast, we tied her up, and Adriana Ardelean Dracula gave Lincoln her blood, it healed him and saved him, and it also gave him all the strengths and powers of the vampires, but none of their weaknesses, and he also became a vampire.

Lincoln went up to Elizabeth Lioncourt, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Elizabeth Lioncourt You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Elizabeth Lioncourt's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Elizabeth Lioncourt: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elizabeth Lioncourt.

Elizabeth Lioncourt had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Arche, Misaki, Risa, Yui, Mai, and Yuuna from Breed Island.

Lincoln: Oh wow, it's Arche, Misaki, Risa, Yui, Mai, and Yuuna from Breed Island.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Arche: Yes, we're okay, thanks to you.

Then, when Arche and the other seven girls saw who it was that saved them from Leif and Jessica, their faces turned atomic red upon seeing the 17-year-old 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, He-Man's chest harness with colored gems on the orange straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted search Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Arche: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Arche: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Arche, Misaki, Risa, Yui, Mai, and Yuuna with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The Flying Fortress, and the rest of the team was shocked to find out the villains we went after were Leif and Jessica, the two cruel, trigger-happy, sadistic and psychotic vampires and old enemies of Alucard and Seras Victoria are on a rampage and have been ruthlessly killing innocent people without reason throughout the country, and what made it worse was that their victims were innocent families, and even worse, they've also been scrawling profane and desecrating words with the blood of the victims on the walls of their homes, and all for their desire to achieve immortality and invincibility.

But, when Lincoln showed what we all did in giving those two psychotic and murderous excuses for vampires the beatdown of their undead lives and of Lincoln's reprimanding of them and him and Alucard finishing those two off for good, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Elizabeth Lioncourt have a lot of catching up to do, now that she's back in town, and we also welcomed Sir Integra to the team.

Maria: That'll teach those bloodthirsty filthy excuses for vampires, and you really laid down the law on them, Lincoln.

Adriana Ardelean Dracula: (Romanian Accent) He sure did, he showed them they were just a bunch of cheap two-bit terrors unfit to be even considered true vampires.

Sir Integra: And to also find out he's an Alpha Vampire-Werewolf-Cyborg Hybrid, they were indeed doomed from the start.

Lincoln: They sure were, and we welcome you to The Flying Fortress, Sir Integra. This is our aircraft fortress for The Ridonculous Race, and we're on our last day.

Nico: Yep, for the past eleven days, we've been completing challenges and dealing with villains and recruiting them into The Masters of Evil.

Sir Integra: And I've never believed any of that Team Buktu bullshit, when I found out from Alucard, I wanted to head down there myself and blow Scott's head off, along with Tim Buktu, Evil Sasuke, Evil Jimmy, and Justin Hammer, and for traumatizing Lincoln.

Lincoln: There's no need to worry, Sir Integra, I'm now free of my psychological trauma, and Scott's been given The Black Gates, along with Evil Sasuke, and Evil Jimmy was turned into a brainless drool monkey, and Tim Buktu and Justin Hammer were sent back to prison, and Albedo's a member of The Redemption Squad and Masters of Evil since he realized those pieces of dogshit were false heroes and tried to destroy us.

Elizabeth Lioncourt: I wanted Scott to pay for this, not only for what he did to Connie by killing her sister, Emily, but what he also did to you, Lincoln, I wanted to drain him dry of all his blood.

Me: His blood wouldn't taste good anyways.

Nico: Yeah, he hasn't heard of a bath.

Lincoln: But, here's a little something I've got for you.

Lincoln handed her a cold bag of blood, and she drank it.

Elizabeth Lioncourt: Mmm, this person had some fresh-squeezed orange juice and some cereal, nice.

After destroying Leif and Jessica and meeting and welcoming Sir Integra to the team, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elizabeth Lioncourt saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elizabeth Lioncourt: My God, I was right that Lincoln's really grown into a 17-year-old, 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elizabeth, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elizabeth Lioncourt: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Elizabeth Lioncourt: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Elizabeth, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Elizabeth Lioncourt: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Elizabeth Lioncourt: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and

Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through.

We got a shower, and then, Lincoln, Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, and Mira are heading to Playa Punta Uva in Costa Rica. Plus, Callista Cthulhu is also coming, because we just found out from Lincoln that Dark Metphees is there.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, and Mira were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, and Mira had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, and we also got word that Dark Metphees is now out for our heads after seeing many of the other members of The Extraterrestrial Order of The Planets of

Holy Ghidorah getting destroyed and sent to The Black Gates.

Chirol: Wow, so this is Playa Punta Uva, it's so beautiful.

Lincoln: I've never been here to Playa Punta Uva before, Chirol, but now that I see it, it's really beautiful. Plus, it's also perfect for our first date and we're coming back here to complete the final challenge.

Callista Cthulhu: And we're also going to destroy Dark Metphees before you and Cadenza destroy Ultimate King Ghidorah, and after we get rid of Dark Sebastian.

Lincoln, Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, Mira, and Callista Cthulhu dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, Mira, and Callista Cthulhu got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, but their date's about to be rudely interrupted.

?: I will make every last one of you pay for what you did in destroying our Lord Ghidorah, Team Loud Phoenix Storm!

Suddenly, the nine large multi-colored orbs orbiting around Lincoln's legs, the ten smaller multi-colored orbs around his waist, and the large orange gems on his large gold cuff Bracelets of The Champions of The Universe were glowing.

Lincoln: Great, I knew there was no mistaking that voice, don't you know when to quit, Dark Metphees.

A figure came out, and it was none other than Dark Metphees, the Dark Side of Metphees and leader of The Extraterrestrial Order of The Planets of Holy Ghidorah.

Callista Cthulhu: Right on time, Dark Metphees, and now, to destroy you once and for all.

Suddenly, Callista Cthulhu's red eyes turned neon red and she was surrounded by a black and red energy aura with darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones, she unholstered her massive Cthulhu-themed greatsword from her back, and as she approached Dark Metphees, she left black and red energy, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones with every step.

Callista Cthulhu: I will never ever forgive you for what you and the rest of the Order have tried to do 20,000 years from now, Dark Metphees: wanting King Ghidorah to destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be destroyed by the dark madness of Cthulhu for your crimes against mankind and the universe!

Suddenly, Callista Cthulhu was surrounded by a massive vortex of black and red energy with dark magic, black magic, Satanic Magic, and Eldritch Runes surrounding the vortex, there are the Great Old Ones flying around the vortex, and in the vortex is a blood red phoenix and above it is Cthulhu, The Sleeper of R'yleh, with red eyes glaring at Dark Metphees: the eyes of death. Then, as the vortex faded, Callista Cthulhu emerged, but she was changed forever.

(END OF ALL HOPE BY NIGHTWISH PLAYS)

Callista Cthulhu grew from 6'5" to 7'4" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long green hair, she has neon red eyes and a black and red energy aura with darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones surrounding her, she has the Sigil of Cthulhu emblazoned on her forehead and Third Eye with blood red iris, she has on demon earrings with blood red gems for eyes, and holding the Dark, Satanic, and Eternity Kanjis in its hands, she also has Cthulhu with blood red gems for eyes and holding the Dark, Satanic, and Eternity Kanjis in its hands on the bottom of her green Cthulhu-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of

Eternal Love necklace with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Callista Cthulhu has on a sleeveless black blouse, sleeveless black top, black skirt with the image of Cthulhu on it, black pants, black knee-high high-heeled boots, and long sleeveless white trenchcoat with darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Outer Gods on the coattails, and on the back is Cthulhu surrounded by darkness. Suddenly, Callista Cthulhu felt a sharp pain on her back, and then, her massive midnight black angel wings with green tips on the large black feathers grew much bigger for her new body and she now has eleven massive and long black wolf tails with red tips and red markings, Callista Cthulhu has on her Ring of the Phoenix with large blood red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Callista Cthulhu's massive Cthulhu-themed greatsword and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of black and red energy, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones, and when it emerged, it was transformed into Great Cthulhu's Cosmic Eternal Great Old One R'yleh Greatsword of Dark Great Old One Eldritch Justice, it's a brand-new massive greatsword with embedded blood red gems, and Eldritch Runes and Cthulhu etched on the 7'0" massive, wide, double-edged midnight black blade, large green octopus heads and tentacles for the crossguard, large white angelic faces built into both sides of the hilt and blood red gems embedded on their foreheads, longer midnight black handle, four large green octopus heads and tentacles with red gems for eyes and large blood red gem on the bottom of the green octopus heads and tentacles for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with blood red gems on her wrists, her Belt of Elemental Bravery with a gold version of Cthulhu's head with blood red gems for eyes and a large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal

Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Cthulhu that said, "Callista Cthulhu, Incarnation of Cthulhu, Most Powerful of The Cthulhu Mythos Incarnations, Master of The Lovecraftian Curse Cthulhu's Dark Deep Sea Curse of R'yleh, Master of The Dark Omnipotent Powers of Cthulhu, Friend of Adriana Azathoth, Arabella Yog-Sothoth, Selena Shub-Niggurath, Adrienne Nyarlathotep, Helena Hastur, and Cadenza Cthugha, Master of Darkness, Black Magic, Dark Magic, and Satanic Magic, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Dark Lynn, Dark Lola, Dark Lisa, Dark Luan, and All of Lincoln's Despicable Enemies, Destroyer of Dark Metphees of The Extraterrestrial Order of The Planets of Holy Ghidorah, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Black Magic, Satanic Magic, and The Great Old Ones"

Callista Cthulhu has transformed into SUPER ANGEL-CTHUHLU-DEMON-GREAT OLD ONE-HARMONY CELESTIAL ETERNAL XELNAGA GREAT OLD ONE MADNESS CTHULHU DEMONIC SATANIC GREAT OLD ONE ANGEL OF DIVINE GREAT OLD ONE MADNESS CTHULHU GREAT OLD ONE JUSTICE AND DIVINE GREAT OLD ONE MADNESS CTHULHU GREAT OLD ONE LOVE!

When Lincoln saw Callista Cthulhu and her Super Angel-Cthulhu-Demon-Great Old One-Harmony Celestial Eternal Xelnaga transformation, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Dark Metphees saw it, he fell into an infernal rage and he got out his blaster to blast her, but Callista Cthulhu fired a black and red energy blast, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones at Dark Metphees, which hit him and pushed him back and he was also hit hard by the darkness, but this really pissed him off now.

Callista Cthulhu: (Divine Echoing Cosmic Voice of The Darkness Satanic Great Old One Cthulhu Angel and Divine Darkness Satanic Cthulhu Great Old One Love) Consider this a prelude to what's about to happen, Dark Metphees, a prelude to the end of The Extraterrestrial Order of The Planets of Holy Ghidorah, because once we kill you, your lord's next to die, and we'll make absolutely sure he joins you all in Oblivion, now prepare to suffer the madness of Cthulhu!

Lincoln: Let's get him, Callista, this religious fanatic bastard's getting a one-way trip to Hell.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Callista Cthulhu.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Alright, you fanatical clod, it's time for you to pay for your crimes with your blood!

Callista Cthulhu and Lincoln went after Dark Metphees who's now gone even more full-blown ballistic, and they fired extremely powerful blasts of rainbow energy, black and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Skeletons, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Dark Metphees and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Suddenly, Dark Metphees took out the vial of red liquid with a drop of Ultimate King Ghidorah's blood, then he drank it. Suddenly, Dark Metphees began changing as massive wings like King Ghidorah's grew and sprouted out from his back, his skin was covered in gold scales, and he'd grown King Ghidorah's tails. Just then, we arrived to see the fight.

Me: Watch it, you guys, now Dark Metphees has transformed into his King Ghidorah Hybrid Monster form.

Dark Metphees fired a Gravity Lightning blast at Callista Cthulhu and Lincoln, who absorbed it and it made him stronger than ever.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You forget that I can absorb lightning, and that also includes Gravity Lightning, and that just cost you big time.

Lincoln fired a rainbow energy blast which separated Dark Metphees from his King Ghidorah Hybrid Monster form, and then, Lincoln went at King Ghidorah Hybrid Monster Dark Metphees and he stabbed him in his chest with the tip of one of his eleven massive and long white wolf tails that turned into Cell's Stinger paralyzing him so he couldn't try to escape, and then, Lincoln began absorbing King Ghidorah Hybrid Monster Dark Metphees and assimilated his powers and abilities until nothing was left of it. Then, the stinger changed back and Lincoln retracted the tail.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, that was quite satisfying. Now, Callista, shall we destroy this monster by exposing him to Cthulhu's Dark Deep Sea Curse of R'yleh?

Callista Cthulhu: (Divine Echoing Cosmic Voice of The Darkness Satanic Great Old One Cthulhu Angel and Divine Darkness Satanic Cthulhu Great Old One Love) Gladly, Linky.

Callista Cthulhu and Lincoln trapped Dark Metphees within a blood red pentagram that formed beneath his feet with the glyphs of The Outer Gods and Great Old Ones surrounding the pentagram, and they spoke in a dark forbidden language as they fired blasts of pure darkness with blood red Eldritch runes at Dark Metphees: Cthulhu's Dark Deep Sea Curse of R'yleh. Suddenly, Dark Metphees began to see the sunken city of R'yleh suddenly rise from the sea, and he was being driven mad. But, then, he saw the very creature emerge from the city itself: Cthulhu, The Priest of The Great Old Ones, The Great Dreamer, and The Sleeper of R'yleh himself, and he fell into eternal madness and his soul was dragged into the darkness of The Black Gates and erased forever, and his body was consumed by dark flames.

Nico: (Horrified) My God, was that…?!

Nicholette Torrington: Cthulhu's Dark Deep Sea Curse of R'yleh, I never thought any of us would have to see it again: another one of The Forbidden Lovecraftian Curses.

Bertha Sellington: Just hearing the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad, but to see one of those entities, that's more than enough to send them into madness eternal.

We cheered as Callista Cthulhu and Lincoln holstered their massive greatswords on their backs and powered down, and Callista Cthulhu's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent, and she's back in her black two-piece bikini.

Callista Cthulhu: That's all the members of The Extraterrestrial Order of The Planets of Holy Ghidorah down, and now, only Ultimate King Ghidorah remains and he will be destroyed soon, thanks for helping me destroy Dark Metphees, Linky.

Lincoln: (Smiles Warmly) You're welcome, Callista.

Suddenly, Callista Cthulhu wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Callista Cthulhu's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them along with Cthulhu and we cheered wildly. Then, Lincoln and Callista Cthulhu absorbed the darkness and they came back to us as the display and Cthulhu vanished.

Nico: Oh man, now that's what another cult fanatic has been put down. Awesome job out there, Lincoln and Callista.

Lincoln: Thanks, Nico.

Me: And now, only Ultimate King Ghidorah remains. See you back at the Flying Fortress, guys.

We left as Lincoln, Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, Mira, and Callista Cthulhu continued with their date, then Lincoln made clones of himself and he and his clones went up to Lincoln, Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, Mira, and Callista Cthulhu, and they hugged the girls in their abnormally massive and powerful muscular arms, and Lincoln, Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, Mira, and Callista Cthulhu placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The Flying Fortress and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Playa Punta Uva in Costa Rica, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, and Mira with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Chirol, Lady Shiva (DC Superhero Girls 2015), Cheetah (DC Superhero 2015), Donna Ramon, Priscilla, and Mira are now in your harem.

Eli: And you and Callista got rid of Dark Metphees, which means now, all that's left is Ultimate King Ghidorah.

Lincoln: And we're going to destroy him at Costa Rica after we finish our final challenge on this: the final day of The Ridonculous Race.

Sebastian Mendez: And we'll also get rid of Dark Sebastian, he knows this is his final day alive, and he still wants us dead, but we're through with his deranged madness, now he's going to die horribly.

Me: You said it.

---

Later it was time for Princess Cadance's 2nd Ambassador Mission.

Me: I hope we kick some massive villain butt.

Qin: Me too!

Xenia: Yeah!

William: Anyone else want to go with Cadance? Besides Cheese and Cupid?

Sunset Shimmer: Me and my friends will go with Twilight and Cadance and Flurry Heart.

Nico: All right then.

Me: This is gonna be awesome.

Camie: Go get them.

Me: With pleasure.

I opened the portal and we were off.

We arrived in New Townsville and it was as beautiful as ever.

Me: Wow. New Townsville is sure busy.

Sunset Shimmer: It sure is.

Fluttershy: I think it's so amazing.

Rarity: It sure is darlings.

Then we saw the girls fighting their version of Sedusa!

Me: Oh man that's Sedusa. But it's not like the Prime Universe version.

Nico: No kidding.

Cadance: Something about this version of Sedusa seems… off.

Me: Deadpool said that this version of Sedusa was made from when a girl named Annie undergoes intense emotional stress and when she puts on lipstick she turns into Sedusa.

Nico: Very unusual.

Cadance: I have a feeling this will be a tough one.

Me: Not for me. Here we go.

I fired a blast of light and it hit Sedusa Z and it separate Annie from Sedusa Z and they were separate beings!

Annie Z: (Groans) What happened? (Sees Sedusa Z) (GASP) YOU'RE THE MONSTER INSIDE ME!

Sedusa Z: So you are who I became.

Blossom Z: Team Loud Phoenix Storm!

Me: Looks like we got here just in time girls.

Cadance: Since we're in a good mood today, you get a 10 second head start.

Sedusa Z: Later!

ZOOM!

I teleported her to the M.O.E. HQ.

Me: That did it.

Annie hugged me.

Annie: Thank you so much for freeing me! You saved me.

Me: Aw it was no problem.

Blossom Z: How did you separate Annie from Sedusa?

Me: I have all sorts of incredible powers. But I have the power to separate evil sides from people.

Nico: Long story there.

Bubbles Z: That is amazing!

Buttercup Z: It sure is.

Cadance: Guys this is my archenemy Cupid.

Cupid: What's up girls. My name is Cupid and I'm the god of love.

Me: Cupid you might know as the personification of love and he comes on February 14th.

Buttercup Z: Awesome to meet you!

Bubbles Z: That is perfect for you Cadance. The Princess of Love VS The God of Love.

Cadance: That is cool and fitting.

Buttercup Z: Wait. How are you of all people a villain?

Me: He did associate with Cosmo's mother Mama Cosma to break apart Wanda and him as well as team up with the other 7 major holidays when Timmy wished for every day to be Christmas to try and take over.

Buttercup Z: Oh. Good point.

Me: Yeah. Oh these our friends from Equestria. You already met Twilight and Flurry Heart.

Sunset Shimmer: Awesome to meet you girls. I'm Sunset Shimmer, Princess of Forgiveness and the Fire Skylanders.

Applejack: I'm Applejack, Princess of Honesty and the Earth

Skylanders.

Rarity: I'm Rarity, Princess of Generosity and the Water Skylanders.

Fluttershy: I'm Fluttershy, Princess of Kindness and the Life Skylanders.

Pinkie Pie: I'm Pinkie Pie, Princess of Laughter and the Tech Skylanders.

Rainbow Dash: I'm Rainbow Dash, Princess of Loyalty and the Air Skylanders.

Starlight Glimmer: I'm Starlight Glimmer, Princess of Empathy and the Undead Skylanders.

Princess Celestia: I'm Princess Celestia, Princess of the Sun and the Light Skylanders.

Princess Luna: I'm Princess Luna, Princess of The Night and the Dark Skylanders.

Trixie Lulamoon: I'm Trixie Lulamoon, Princess of Humility and Magic.

Vinyl Scratch: And I'm Vinyl Scratch, Princess of Music and the Rave.

Blossom Z: Wow it's an honor!

Bubbles Z: So many awesome princesses.

Nico: Yep.

Me: And as you know Twilight is the Princess of Friendship and the Magic Skylanders and Flurry Heart is the Princess of Light.

Flurry Heart: It's true.

Nico: Can we go check on the Professor before doing anything else?

Blossom Z: Sure. Jason is with him as well.

Me: Deadpool told us about Jason.

Nico: Lets go.

We went to the Professor's lab.

We arrived.

Nico: Hey, Professor. Just wanted to check up on you.

Professor Utonium Z: Oh, I'm fine. But thanks anyway.

Me: Good.

Cheese was trying to touch a nearby bunsen beaker.

Kenny: What are you doing, little guy?

Cheese: I use the thing! I use the thing!

Kenny: No. That's very sensitive equipment!

Me: Cheese drop it.

He did it.

Me: Sorry about that. This is Cheese. He's an imaginary friend. But he has a brain the size of an amoeba. He is a total idiot. He drives the most hated enemies we have cuckoo bonkers.

Eli: It's true. He makes a great annoyance tool.

Bubbles Z: That is funny.

Me: Yeah he sure is funny.

Jason came.

Nico: You must be Jason.

Jason: I sure am. Awesome to meet you Nico and Team Loud Phoenix Storm. It's an honor.

Starlight Glimmer: Same to you Jason.

Jason: Is Annie okay?

Me: She is cured now. I cured her of her condition and rid her of Sedusa.

Jason: Thank goodness. I was so worried.

Me: Her Sedusa half is now in our frenemies in the Masters of Evil.

Rainbow Dash: That was awesome.

Blossom Z: How about we show you guys our school?

Me: Sure. I have a feeling some of the kids are not gonna be like the ones we know in the Prime Universe.

Nico: Yeah.

Twilight Sparkle: It'll be interesting to see.

We went to the school of the girls.

We arrived.

Me: Wow nice school.

Nico: It sure is.

Blossom Z: Yep it's an awesome school.

Ms. Keanne came.

Nico: You must be this world's version of Ms. Keanne.

Ms. Keanne Z: I sure am and it's an honor to meet the famous Team Loud Phoenix Storm.

Cadance: Same to you Ms. Keanne.

Me: Our prime universe version of you is a kindergarten teacher and she is really awesome.

I caught a paper ball that was coming at me to hit me in the head.

Me: I know that is you that threw it at me Mitch Mitchellson.

Mitch Mitchellson Z: Hey no fair.

Me: Nice try though.

Nico: Some things never change.

Eli: Nope. Even in this universe he is a bully.

Me: Yep.

Ms. Keanne: Is the Mitch in your world the same way?

Me: Yes he is.

Then in came Princess Morbucks Z and her sister Duchess.

Me: Wow just like in the prime universe Princess is filthy rich too.

Nico: Yep.

They came up to us.

Nico: You must be this world's Princess Morbucks. And this must be your sister Duchess.

Blossom Z: Um… what can we do for you both this time?

Princess Morbucks Z: Well, remember when you girls fought my sister and lost?

Buttercup Z: How can we forget?

Me: Deadpool told us about that. That was nuts.

Duchess: Well, I was thinking that maybe later, you girls can have a rematch against the two of us.

Bubbles Z: Without any cameras?

Duchess: Oh please. The only thing the press are interested in these days are those Renegades.

Me: News travels really fast about that doesn't it.

Duchess: It does. I heard so much about about all your adventures and they are amazing.

Me: We get that a lot.

Rarity: But your outfits are absolute magnifique.

Duchess: Thank you very much.

Princess Morbucks Z: But not right now. After school is over.

Me: Fair enough.

Princess Morbucks Z: By the way is the prime universe version of me worse than me?

Me: You have no idea. She is a monster.

I told her what she did and it was horrible!

Princess Morbucks Z: Oh my goodness! She is dangerous.

Me: Yeah no kidding there. Also Duchess if I may give you some advice.

Duchess: What is it?

Me: Your sister is really starting to get jealous of you and you need to start loving her like a normal big sister does. Princess is really hurting inside because she is fed up of living in your shadow and you need to give her all the love and support she needs. She is going down a dark path.

Duchess: Is that true Princess?

Princess Morbucks Z: Well, I swear I wouldn't have done what my counterpart did.

Me: We know you wouldn't.

Duchess: Oh sis. I had no idea you were hurting.

Princess Morbucks Z: I know. I was upset and jealous.

Me: At least you're starting to open up. But Princess, Duchess you need to realize a lot of things. Having all the money in the world NEVER brings you any happiness at all. Because there are many things that money can never buy. Like power, love, friendship and all that. Me and my friends and family may have all the money in the world but we don't let it go to our heads.

Duchess: You actually have a good point.

Me: I have known a lot about it for years.

Nico: It's true.

Eli: Yeah.

Princess Morbucks' kitty Sapphire came and nuzzled Rarity's leg.

Rarity: Oh is this your kitty Princess?

Princess Morbucks Z: Yes that's Sapphire.

Rarity picked her up.

Rarity: Oh she is an adorable cat. She reminds me so much of Opalescence.

Ms. Keanne Z: Excuse me. What are you-

Cheese: Chalk taste funny.

Me: That's Cheese. He's our idiot Imaginary Friend.

Blossom Z: Yeah he is an idiot.

I pulled out a box of Apple Juice and gave it to him.

Cheese: I like chocolate milk!

He drank it.

Eli: See?

Ms. Keanne Z: Oh yeah.

Nico fell asleep waiting for classes to end.

Rainbow Dash: Nico sure is a great napper like me.

Me: He sure is.

Nico: (Snoring) More Hi Dad Soup please.

Me: (Snickering)

Princess Morbucks Z: That's funny.

The bell rang.

RING!

Me: Class is done.

Nico was still asleep.

Me: Heavy sleeper. But I got this.

I pulled out an Air Horn and plugged my ears with my wings and then…

HOOOOOOOOOOOONNNNKKK!

I honked it right in Nico's face!

Nico: HUH!? WHAT!? WHAT!?

Me: The bell rang.

Princess Morbucks Z: NOW, we can fight!

Me: Lets head outside.

We went outside.

We were out in the courtyard of the school.

Cadance: Time for the Princess of Love to show you that love is greater than money.

Me: And that friendship and love is a force together.

I unsheathed my sword and concentrated and I went into My God of Friendship Form! I had glowing ethereal rainbow angel wings and I had amazing power!

Nico: WHOA! I forgot about that form!

Eli: Incredible!

Blossom Z: Wow! That is cool!

Nico: Yep.

Blossom Z: Our turn!

The girls transformed!

Blossom Z: BLOSSOM!

Bubbles Z: BUBBLES!

Buttercup Z: BUTTERCUP!

They transformed and were ready!

Rainbow Dash: Come on girls! It's HERO TIME!

Twilight and friends went into their Crystal Guardian Forms!

Nico: YEAH! (GOES SUPER SAIYAN 2)

Eli went Super Human 3!

Me: We're just full of surprises aren't we.

Princess Morbucks Z: You sure are! Wow!

Buttercup Z: This won't end like last time!

Me: Now that all of us are with them we turned the tide in our favor.

Duchess: We'll see about that.

Me: Yes we will.

Duchess and Princess SUMMONED A MASSIVE ARMY OF PUTTIES!

Me: Putties! Now we're talking!

Nico: But how!?

Princess Morbucks Z: The Z-Rays that I have in me give me the power to summon them.

Me: I like it.

Blossom Z and Duchess charged at each other.

Blossom punched her in the face and sent her crashing into a trash can.

I slashed numerous Putties and blasted them all over with my blaster!

Massive fiery explosions blasted off all over the place!

Twilight Sparkle: Try this on! (GETS OUT KAOS CORE MEDAL)

She activated it and fired waves of the 10 Elements and blasted the Putties all over and blew them apart in fiery explosions!

Sunset Shimmer fired waves of fire and blasted the Putties all over!

I fired Rainbow Blasts and blasted numerous Putties all over.

Nico blasted them all over.

Fluttershy fired numerous coconuts and bashed the Putties all over. Then she hit Duchess and bashed her all over.

Fluttershy giggled.

Eli: Taste this! (FIRES FORCE LIGHTNING)

He electrocuted Duchess and Princess all over.

Princess Morbucks Z was about to charge at Bubbles Z… when Cheese stood in front of her.

Cheese: I like cereal!

Me: Cheese!

Nico grabbed Cheese.

Rainbow Dash ran fast and bashed Princess Morbucks Z down.

Me: And here is something I invented.

I touched the ground and then a tree grew and entombed Duchess in it.

George of the Jungle was heard doing a Tarzan Yell and he came at the tree fast as a jet airplane.

Duchess: Uh oh.

Kids: GEORGE WATCH OUT FOR THAT TREE!

But then…

DEVASTATING KRASMASH!

Duchess was smashed out of the tree and she crashed onto the ground.

George: (Dazed) George not feel so good.

The tree cracked and then fell right on top of Princess and Duchess!

Me: TIMBER!

KRASMASH!

They were both smashed with it!

Nico: OOOHH! That is gonna leave a mark!

Eli: OUCH!

Nico: (gets out Steam Smythe and Greiger's Ridewatches) But so will this!

Nico activated them and fired waves of indigo fire gears and blasted them down.

Me: Yeah! Watch this girls. (ACTIVATES ROWDYRUFF BOYS RIDEWATCH)

I grew giant and grabbed Princess and Duchess and shoved them under my armpit and rubbed them under it.

LIGHTHOUSE FOGHORN!

Me: Taste pits!

It put them down.

Nico: YUCK!

Buttercup Z charged at the both of them.

She then bashed their faces in with her hammer!

Me: Nice!

But then we saw a Shaymin.

Me: Hey a Shaymin.

I went and picked it up.

Me: Aren't you a cute little guy.

Nico: Aw.

Shaymin: (In a girls voice) I sure am cute like this.

Nico: Hillary Shayminia?! Whoa!

Me: Wow.

Shaymin: Let me have a shot.

Me: Uh oh.

She then glowed.

Me: Uh oh! DUCK AND COVER!

We ducked and covered and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion of energy blasted out and blew Princess Morbucks and Duchess into the wall!

Me: WHOA!

Nico: That was powerful!

Blossom Z: What was that?

Me: Shaymin's signature power, Seed Flare. It releases a massive explosion of energy that is as strong as an atomic bomb.

I went and picked her up again.

Me: That was amazing.

Nico: Is anyone else with you?

We heard a dragon screech and we saw GIRATINA!

Me: Whoa Giratina!

Eli: Cool!

It landed and roared.

Princess Morbucks Z: Uh oh.

Cupid: Feel the power of love!

He fired arrows and blasted Princess and Duchess all over.

Me: Ahh L'amore.

Giratina: (In a girls voice) (Australian Accent) You blokes are in a lot of trouble.

Nico: Shazza Riley! Wow!

Giratina: Crikey great to see you again Nico mate.

Nico: You too Shazza.

Me: Awesome.

Nico: Anyone else?

Shaymin: Nope.

Nico: This is everyone, right?

Shaymin: Yep.

Me: That means the last three of them that you said are back home.

Twilight Sparkle: Yep.

Me: Lets focus and revert them back later.

Nico: Okay.

We fired waves of energy and blasted down Princess and Duchess.

Nico threw a grenade at them.

Nico: Fire in the hole!

We ducked and then…

KRABBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

The explosion blasted down the remaining putties!

Bubbles entombed Princess and Duchess in bubbles.

I fired waves of rainbow energy and blasted them all over.

Rainbow Dash ran at them.

She smashed them both down with a powerful charge.

Nico: YEAH!

I fired waves of energy and blasted them down and Cadance blasted them both down.

Cadance: How do you like that?

Princess and Duchess were really hanging on.

Me: Time for the elements of harmony to cleanse you.

I held up my sword and the princesses of Equestria fired beams of rainbows and I fired a rainbow helix blast and it hit Princess and Duchess and it completely destroyed the Black Z-Rays inside them and purified them!

They were down and exhausted!

Nico: WHOA!

Eli: What power!

Nico: That solves that.

Me: The Elements of Harmony are the answer to curing people of the black Z-Rays.

Nico: They sure are.

Eli: Yep.

Shaymin: That was so awesome though.

Giratina: It sure was mates.

Blossom Z: What do we do with Princess and Duchess?

Me: We'll have them put into the M.O.E. Just another awesome way to rub in the face of the prime universe version of the Princess Morbucks in the Limburger Cheese mines.

Nico: I like it.

Me: Good.

Nico: They're probably exhausted.

Me: They'll need a lot of rest.

Cadance: I agree there.

I teleported them both it the M.O.E.

Blossom Z: That was awesome!

Nico: It sure was.

Me: How did you girls like the demonstration of the power of the Elements of Harmony?

Bubbles Z: That was amazing!

Buttercup Z: They are immensely powerful.

Me: They sure are. Turns out the power of light, love, friendship and the force of good is much stronger than the Black Z-Rays.

Nico: It sure is.

Shaymin: That was amazing!

Me: It was.

Blossom Z: What are your favorite memories of Nico?

Me: You're starting to catch on.

Shaymin: Yeah. Mine is when me and Nico were in gardening class and I discovered that I have the power to grow plants through touching the ground. I have plant powers.

Me: Cool!

Giratina: That was amazing mates. My favorite is when me and Nico were on Ayer's Rock and I showed Nico my power. I have the power to show into different dimensions.

Me: That is cool!

Eli: Wow!

Nico: She showed me a completely whole new alien planet.

Me: That is amazing!

Shaymin: Yeah.

Me: Lets revert you girls back.

Shaymin: Okay but we're naked.

Me: Uh oh.

Nico: No peaking boys.

Me: Or my Daughter Nicole is going to come and kill you.

Blossom Z: Why?

Me: She HATES PERVERTS with every single fiber of her being.

Blossom Z: Oh boy.

I put on my blind man glasses and the boys covered their eyes and Rarity called in the rest of the fashion brigade. I snapped my fingers and they were reverting back.

Nico kissed Shaymin as she was reverting back.

Hillary Shayminia Was a girl with green hair and had pink eyes and had the kanji for Flower emblazoned in the middle of her forehead and she had pink butterfly wings. Shazza had purple hair and had red eyes and had the kanji of Dimension in the middle of her forehead.

The fashion brigade gave them amazing new clothes. Hillary had green and pink clothes and Shazza had purple and red clothes.

Hillary Shayminia: (GROAN) That was rough.

Shazza Riley: Crikey! I feel like I got hit by a bullet train driven by kangaroos!

Nico: You'll feel like that.

Me: But you're back to normal.

I showed them a mirror and they saw that they were back to normal.

Hillary Shayminia: Wow! I look amazing.

Shazza Riley: These clothes are great mates.

Nico: They sure are.

Nico hugged them both.

Nico: I missed you both.

Hillary Shayminia: We missed you too Nico.

Me: Cadance you and Twilight and everyone did great.

Cadance: Thanks J.D.

Me: That was so awesome.

---

We later came back.

May: Hey guys! How did it go?

Me: Really epic!

We told everyone everything.

Qin: WHOA! That is awesome!

Xenia: No kidding! That was awesome!

May: Next time, Animorphs Jake and Kameo should come with you.

Me: Good idea!

Laney: Yeah!

Me: I agree.

---

Later we were watching TV and Mira came in and noticed apples on the floor.

Mira Clay: Who left these apples here?

Me: Not me. I don't even know how they got there.

Qin: Those weren't there before.

Mira Clay: Hmm.

LOUD FART!

Me: Uch! Nico!

Nico: It wasn't me!

We washed them off and ate them.

Me: (Eating) Mmm!

Jared: (Eating) Good apples.

Kairi: These are tasty though.

Applejack came in clutching her stomach and it was grumbling.

Me: Are you all right Applejack?

Applejack: I have a really nasty case of gas.

LOUD FART!

We saw her fart out apples!

Me: You fart apples!? What the!?

Skullcruncher: This was actually expected.

Lana: I'll say.

LOUD FART!

Applejack: Sorry.

Me: I have an idea.

I opened a portal and had Applejack fire apples through it and they hit the jerks.

She was bashing them all over the place.

Qin: Nice shooting.

Warpath: Don't we get apples too?

Me: We have lots of them.

We saw a massive pile of them made by Applejack earlier.

Warpath: Oh nevermind then.

Xenia: That was awesome though.

Camie: Yeah.

LOUD RAPID FARTS!

Nico: Geez!

Manaphy got an apple.

She ate it.

Manaphy: Yummy!

Me: Awesome.

Someone then handed Manaphy another apple.

Manaphy: Oh thank you.

?: No problem.

But then she saw another Manaphy with her!

Manaphy: Whoa! Another Me!

Manaphy 2: (In a girls voice) A gene-slammer for you.

Nico: Sunny Marina!? Whoa!

Manaphy 2: Awesome to see you again Nico. It's not just me though.

A Heatran and Victini came in.

Me: A Heatran and Victini too!? Wow!

Heatran: (In a girls voice) (French Accent) Oui zis is a great form for me.

Victini: (In a girls voice) (German Accent) Oh ja ja und it's a great form for me too.

Nico: Jacqueline Francois and Heidi Brad Wurst!

Qin: Cool!

Manaphy: (to Manaphy 2) Manaphy. Mana. Mana.

Manaphy 2: I understand you just fine Manaphy.

Me: Boy this is amazing though.

May: (LAUGHS) It sure is.

Manaphy: Oh, and Poromon is MY boyfriend! MINE!

May: Manaphy calm down.

Manaphy 2: Yeah also I don't have any interest in making Poromon my boyfriend.

Manaphy: Good.

May: What are your favorite memories of Nico?

Manaphy: When me and Nico were over in Jamaica and we found an awesome pirate treasure.

Heatran: Ah mon cheri my favorite is when me and Nico went and had a crepe eating contest and he won.

Me: Love crepes.

Victini: Ja und my favorite is when me and Nico made amazing Germany clocks in my family's clock shop.

Nico: Good times.

Me: Lets revert you girls back.

I put on my blind man glasses and the boys covered their eyes and I snapped my fingers and they were reverting back.

Nico kissed Manaphy 2 as she was reverting back.

Sunny Marina was a girl with aqua blue hair and had blue eyes and had the kanji for Sea in the middle of her forehead. Jacqueline was a girl that had orange hair and had red eyes and had the kanji for fire emblazoned in the middle of her forehead. Heidi had blond hair and had orange eyes and had the kanji for pride in the middle of her forehead.

The fashion brigade moved in and gave Sunny aqua blue clothes, Jacqueline had orange and red clothes and Heidi had red and yellow clothes.

Heidi Brad Wurst: Mein gott that hurt.

Jacqueline: Sacre bleu that hurt.

Sunny Marina: It sure did.

Me: But you are back to normal.

I showed them a mirror and they looked great.

Sunny Marina: Wow! I look awesome.

Me: You sure do.

Nico hugged them.

Nico: I really missed you girls.

Sunny Marina: We did too Nico.

Qin: That was awesome.

Wind Man: Man, those apples were tasty!

LOUD FART!

Applejack: Sorry. Yeah they sure were.

Me: I hope you haven't had beans for lunch.

Applejack: Nope.

The previous group came.

Ghost: Can me, Firefly, Plastique, Whiteout, Gearhead, Molten Man, Trickster, Loki, Cad Bane, and Vortex go with you guys?

LOUD FART!

Applejack: Sorry. Had prune juice.

Nico: Oh boy. And yes you guys all can come with us.

Qin: Costa Rica is next for the final stop.

Lola: Awesome.

Slugslinger: Nico, which Gene Slammers do you think you'll meet next?

Nico: Serperior, Emboar and Samurott next.

Me: Cool! The three starter Pokemon of the Unova region.

Qin: Nice!

Nico: Yep.

Suddenly, the alarm went off and Lincoln checked the computer, and he saw who it was that triggered the alarm: it was Dark Sebastian, the murderous and bloodthirsty Dark Side, and he's here in Costa Rica and is causing havoc.

Lincoln: Gotcha, you murderous bloodthirsty psycho.

Me: Was that… Dark Sebastian?

Lincoln: Yep, he's in Costa Rica.

Nico: I knew we'd catch up to him.

Sebastian Mendez: Yes, and it'll soon be his final resting place.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Ultimate King Ghidorah, and now, he was out for destruction and chaos. When we saw it, we knew it

meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Ultimate King Ghidorah on the move?

Lincoln: You guessed it, Rayman, and now, he's on the warpath causing chaos and destruction.

Nico: Just as we expected, but you and Cadenza are more than ready for for that monster, right, Lincoln?

Cadenza Cthugha: We sure are, and with every last one of the members of The Extraterrestrial Order of The Planets of Holy Ghidorah finally dead and in The Black Gates once and for all, now all that's left is to destroy their so-called "God" and send him straight to The Black Gates forever, and we'll finally be rid of The Extraterrestrial Order of The Planets of Holy Ghidorah once and for all.

Lincoln: You said it, Cadenza.

Nico: The ultimate battle to save the world from Ultimate King Ghidorah is finally on, and we'll make sure this monster pays dearly for every last planet he's destroyed, along with all the lives that were taken by him. Alright, gang, our final stop's in Costa Rica, and our final challenge.

Lincoln: And waiting for us there is another villain we're going to stop, and we're also going to destroy Dark Sebastian once and for all and send him straight to Hell for good, and once we get done with the challenge along with defeating the villain waiting for us there and destroying Dark Sebastian, you better be ready to die, Ultimate King Ghidorah.

Cadenza Cthugha: You better be ready to die for everything that you'd done in 20,000 years hence, Ultimate King Ghidorah, because you will feel the wrath of Cthugha.

Plastique: The last challenge. Let's make it one to remember!

Me: Lets do it!

Nico: YEAH!

Me: Get ready Disk Wars Loki, (EYES GLOW RED) You are in for a world of hurt!

Sakura Knudson: (Eyes Glow Neon Pink) That is for sure! And it's going to be painful!

Me: You have your own justice glare sis!

Sakura Knudson: Yep I sure do.

Takinom: I hope we see a king swallowtail.

Me: Many more creatures than that.

The Flying Fortress arrived at Costa Rica.

Nico: Ah, Costa Rica, the sand and sun and tropical surf.

Me: And many more creatures and awesome food.

Lincoln: Not only is this where we're going to complete the final challenge of The Ridonculous Race, but we're going to destroy Ultimate King Ghidorah, and deal the final death blow to The Extraterrestrial Order of The Planets of Holy Ghidorah, along with destroying Dark Sebastian once and for all.

Me: You said it.

Suddenly, we heard a roar of pure insanity and we saw a dark shadow mist heading right for us, and we saw it land and it transformed into the very creature who's been a major headache to the toons of Acme Acres and the Z-Fighters: Dark Sebastian, the malevolent Dark Side of our newest member, Sebastian Mendez.

Sebastian Mendez: I knew we'd finally run into you here, Lincoln told me that he and the others ran you out of Kamurocho when you tried to kill Ichiban Kasuga and his friends and that you allied with Ryo Aoki, but was known by another name in the past: Masato Arakawa. I said we would finally be rid of you once and for all, Dark Sebastian, and we'll make sure of that.

Dark Sebastian: I will destroy all of you if it's the last thing I ever do! I don't care about helping Ultimate King Ghidorah or those other fools, I will be the one to destroy you all along with all mankind and all life on Earth and the universes beyond. I WILL SUBJECT ALL OF YOU TO AN ETERNITY OF PAIN AND SUFFERING! (LAUGHING DERANGEDLY)

Me: You're fucking insane!

Dark Sebastian got out his bloodstained Chinese curved scimitar, but then, suddenly, we felt the air grow cold with overwhelming darkness and we saw a black and red aura of pure darkness surround Sebastian, and we saw his red eyes glow even more, and we knew it wasn't going to end well at all, and he had a malevolent grin on his face.

Sebastian Mendez: You have such disgusting tastes as always, pain and destruction were the only two things that were on your one-track mind and you saw it as your pleasure. If pain and suffering are your pleasure, then I shall grant your wish.

Then, Sebastian took to the air.

Sebastian Mendez: I'll send you to a world where all you will know is pain and suffering eternal! And now, IT'S TIME FOR YOU TO DIE! (LAUGHING MALEVOLENTLY)

Sebastian and Dark Sebastian charged at each other, and they clashed with their large curved Chinese broadswords and laughing like truly evil monsters, and Sebastian fired blasts of darkness and shadows at Dark Sebastian which hit him.

Lincoln: Whoa!

Me: I had no idea of the level of darkness coming from Sebastian, and he really hates Dark Sebastian because of what that lunatic caused in him.

Nico: Yeah.

The two of them fought with demonic fury within their hearts, but then, Sebastian slashed at Dark Sebastian's stomach leaving a really gaping scar and blood came gushing out.

Dark Sebastian: Why… you!

Dark Sebastian kicked Sebastian away and charged at us, and he was laughing insanely and tried to kill us, but Lincoln grabbed him by the neck with one of his massive and long white wolf tails and threw him away. But, before he could attack us again, Sebastian charged at him and he slashed off Dark Sebastian's head killing him for good, and he was dead.

Lincoln: He did it, Dark Sebastian's finally gone.

Lincoln banished Dark Sebastian to The Black Gates forever.

Nico: Now, that we've got one monster out of the way forever.

Sebastian Mendez: Only one monster remains.

Me: That was awesome!

Qin: YEAH!

Me: Now for the challenge.

Molten Man: Good ol Costa Rica.

Me: Yep. And there's the most active volcano here. Mount Arenal.

Nicole: That's right.

We saw it erupting like Kilauea.

Nico: Wow!

Qin: Beautiful.

Miku Yuuki: So awesome and beautiful to see.

RD Lori: (to Molten Man) I bet that was literally hot like you.

Molten Man: (LAUGHS) That is funny but yes it is.

Qin: Good one.

Me: Yeah.

Eli: That was funny.

Loki: Oh, and Disk Wars Loki shouldn't be confused with me.

Me: I was just about to say that. He may share your name but he is from the Disk Wars world and he is still nothing but trouble.

Xenia: I agree there.

Me: I wish we could just give him the Black Gates instead of locking him in a disk.

Nico: I know.

Marvel Loki: (British Accent) While you all are having the usual battles, leave him to me.

Jean Bison: Any reason why?

Marvel Loki: It takes a God of Mischief to defeat another God of Mischief.

Me: Very fitting.

Nico: Leave him to me too. I want to do what the Hulk did to him in the Avengers movie.

Qin: That was epic.

Xenia: It sure was.

Camie: It sure was.

Kameo: I agree there.

Vortex: Besides, someone needs to make sure the right Loki is being taken down.

Me: With my magic that will be no problem.

Qin: Good.

I chanted an incantation and our Loki had a red aura around him to mark for ours. The Disk Wars Version of him will be marked with a black aura.

Nico: Awesome.

Camie: That is clever and genius.

Akira: Me and my team will face him too.

Disk Wars Iron Man: Loki from our world is our responsibility. No way you're leaving us out.

Alucard: Wasn't planning on it.

Me: This is gonna be epic.

Qin: It sure will.

Laney: I agree.

Me: And I have a funny way to draw him out.

Nico: What is it?

Me: Watch. (TAKES A DEEP BREATH) (YELLS) HEY LOKI! YOUR MOTHER IS A FUCKING WHORE!

Disk Wars Loki: (INFURIATED ROAR)

The roar came from a clearing located 25 klicks to the west.

Cad Bane: (to Marvel Loki) We mean no offense to YOUR mother, of course.

Marvel Loki: None taken. But that was clever.

Qin: It sure was.

Lola: Lets go kick some butt.

Megamind: (smiles) Hard to believe the Ridonculous Race is almost over, huh?

Me: I know.

Qin: This was so much fun.

George: George had tons of fun.

Camie: We all sure did.

Laney: You got that right.

Varie: Yeah.

Trickster: It seemed like yesterday that we started this whole race.

Me: I know.

Eli: That was so much fun.

Qin: Yeah. All of the race was fun.

Lola: It sure was.

Xenia: Yep.

Varie: So much fun.

Anastasia Clockwerk: Yeah it sure was comrades.

RD Lynn: I definitely liked the Madagascar one.

Me: Every country we went to was fun.

Alex the Lion: It always is.

Camie: Yep.

Nico: That is for sure. But we're wasting time guys. Lets go after Loki.

We were off.

Gearhead: Any vehicles I can use around here?

Nico: I don't think palm trees or anything here would do you any good.

Gearhead: You're right on that.

Camie: Yeah.

We saw the clearing and we saw DISK WARS LOKI!

Nico: Target sighted.

RD Lucy: Let's call Odin first. That way, he can pick Disk Wars Loki up after we put him into a disk.

Me: Good idea.

We did so.

Odin came.

Odin: I am here everyone.

Me: Good Lord Odin.

Nico: This is gonna be good.

Whiteout: Thanks for coming on this last challenge.

Odin: My pleasure everyone.

Thor: Father we're going to need all the help we can get to bring him down.

Odin: I agree there. But we're all ready for him.

Laney: We sure are.

Me: This will be good.

Nico: Entrance time!

We went at him.

Disk Wars Loki was wandering around and then the spirits of the Avengers and the Marvel heroes and villains came and they swirled around him and then they converged and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of fire and energy and then a phoenix cry was heard and fireballs rained down and blasted Disk Wars Loki all over and smashed him down.

We came out and landed.

RD Clyde: That's it? Our entrance was enough to defeat you? I expected more.

Unknown to RD Clyde, the real Disk Wars Loki was sneaking up behind him. The clone Disk Wars Loki smirked before vanishing. But just before Disk Wars Loki could strike RD Clyde, Marvel Loki blocked him.

Disk Wars Loki: What?! You're me!

Marvel Loki: No. We might be the same person. But we're not on the same side.

I punched Disk Wars Loki and smashed him into the ground.

He teleported behind me and I turned and punched him on his face and smashed him down and Nick kicked him in his face and sent him crashing into a rock.

Disk Wars Loki: You're siding with Thor?! Then you're a fool!

Marvel Loki: No. I was a fool for betraying my own family in the first place. Unlike you, I've learned from my mistakes.

Firefly: Yeah, you tell him!

Me: And that makes you a fool!

Disk Wars Loki growled!

Me: Yeah!

I teleported and kicked him in the face and smashed him all over and then threw him left and right and smashed him all over the ground.

Then Puff, Wrecking Crew, Seadramon, Fireor, Count Nocturne, Oculous, Stonedozer, Whirlin, Iceage, and Magma appeared.

Nico: Puff, Wrecking Crew, Seadramon, Fireor, Count Nocturne, Oculous, Stonedozer, Whirlin, Iceage, and Magma.

Piledriver: Good thing there are no Disk Wars versions of me and my team here.

Puff: You said it.

Me: Yeah no kidding.

Bulldozer: This is the last challenge.

Seadramon: Let's give the folks back home a show to remember.

Me: You can count on that.

Fireor: (to Nico) We heard you went on a date.

Nico: I sure did.

Count Nocturne: Who was it with?

Nico: Leslie Tiana.

Count Nocturne: Awesome.

King Sphinx came out.

Me: King Sphinx. Back for another round I see.

King Sphinx: Yep.

Me: Cool cool.

King Sphinx: After everything, you guys should take a picture.

Me: Good idea.

Qin: I agree there.

Lola: Yeah.

We got the battles underway.

Thunderball: Don't forget Another Greiger as well.

Lok: Boy they sure did and you wouldn't believe who the Another Clockwerk was. She was Anastasia Clockwerk and she is the daughter of Clockwerk. Like her father she lived for over 12,000 years. But instead of being fueled by hatred and jealousy it was the exact opposite.

Mia Addison: Yeah she was fueled by love and good.

Whirlin was next.

Whirlin: (to Linka) I heard you guys met a gene-slammer for Elemental HERO Necroshade. What's her name?

Linka: (Russian Accent) Her name is Elizabeth Lioncourt and she is an amazing master of darkness and has amazing skills.

Aquagirl: She sure does and she is an amazing guardian angel for Lincoln.

Anna Knudson: She sure is and I think it's awesome she does a great job for Lincoln.

Amaterasu: It sure is awesome.

The World: You got that right.

Splendid Venus: And her story is amazing too.

---

Nico: Yep. So, Elizabeth, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Elizabeth Lioncourt: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Elizabeth Lioncourt: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through.

FLASHBACK ENDS

Whirlin: That's crazy! Dark Lori was an absolute beast! I hope Principal Huggins is doing okay after that whole ordeal he had with his dark side.

Rainbow Dash: Me too. The poor guy must've had something happen to him that made him that way.

Cadenza Cthugha: That's right, Linky, we still got Ultimate King Ghidorah to deal with, and that nightmare monster who ruined Yuko's life should be arriving… right now!

We suddenly heard a malevolent roar in the distance. Yuko: I knew there was no mistaking that roar from anywhere, he's here.

We then saw a portal open up, and then, our final target appeared as it left the portal: Ultimate King Ghidorah, the three-headed beast that Dark Metphees and the other members of The Extraterrestrial Order of The Planets of Holy Ghidorah worshipped 20,000 years hence.

Yuko: King Ghidorah, our hated enemy.

Me: It's been a very long time since we destroyed him.

Lincoln: But, this is about to be the final time we ever have to deal with this monster.

Cadenza Cthugha: That's right, Linky, and I've had it with this monster to last an eternity.

Suddenly, Cadenza Cthugha's red eyes turned neon red and she was surrounded by a black and red energy aura with darkness, dark magic, black magic, Satanic Magic, flames, Eldritch Runes, Great Old Ones, and fire vampires, she unholstered her massive Cthugha-themed greatsword from her back, and as she approached Ultimate King Ghidorah, she left black and red energy, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, Great Old Ones, and fire vampires with every step.

Cadenza Cthugha: I will never ever forgive you for what you tried to do 20,000 years from now, Ultimate King Ghidorah: destroy our world and every last living thing on it, that's one thing I will never allow, and for that, I hope you're ready to be destroyed by the flaming madness of Cthugha for your crimes against mankind and the universe! Today, The Extraterrestrial Order of The Planets of Holy Ghidorah dies here and now!

Suddenly, Cadenza Cthugha was surrounded by a massive vortex of black and red energy with dark magic, black magic, Satanic Magic, fires, and Eldritch Runes surrounding the vortex, there are fire vampires flying around the vortex, and in the vortex is a blood red phoenix and above it is Cthugha, with red eyes glaring at

Ultimate King Ghidorah: the eyes of death. Then, as the vortex faded, Cadenza Cthugha emerged, but she was changed forever.\

We were amazed by Cadenza Cthugha's Super Angel-Cthugha-Demon-Great Old One-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Ultimate King Ghidorah saw it, the beast fell into an infernal rage and he fired bolts of electricity to blast her, but Lincoln absorbed them and it made him stronger and Cadenza Cthugha fired a black and red energy blast, fire, fire vampires, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones at Ultimate King Ghidorah, which hit him and pushed him back and he was also hit hard by the darkness and burned by the flames, but this really pissed him off now.

Lincoln: Awesome, Cadenza's transformed, and now, it's my turn.

Suddenly, something really and completely snapped within Lincoln's mind as memories of what Dark Metphees did in resurrecting Ultimate King Ghidorah raged and swirled inside his head, he growled ferociously, and he clenched his large right hand so tightly, his nails on his fingers drew blood as they punctured his palm, and as a drop of acid blood lands on the ground, it sizzled, and it healed

up.

Everyone: UH OH!

Suddenly, Lincoln's deep sapphire blue eyes turned neon deep sapphire blue, and he was suddenly surrounded by a rainbow energy aura with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids, he unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back, and as he approached Ultimate King Ghidorah, he left Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids with every step.

Lincoln: I will never ever forgive you for what you did 20,000 years hence, Ultimate King Ghidorah, so many innocent people had suffered all because of you and The Order, and in your rampage, you caused absolute and total destruction along with pain and suffering to so many innocent people in your wake to destroy the world. (SUDDENLY GETTING EXTREMELY ANGRY AND MONDO PISSED OFF) But, what you did in ruining Yuko's life and condemning her and so many innocent people to suffer in your path and subject them all to a horrible nightmare from Hell… , YOU'VE ABSOLUTELY CROSSED ONE FUCKING LINE TOO MANY AND YOU'VE ALREADY SEALED YOUR FATE AND THE FATE OF YOUR FANATICAL FOLLOWERS, YOU EVIL, HEARTLESS, NIHILISTIC THREE-HEADED NIGHTMARE FROM THE DARKEST DEPTHS OF HELL, AND NOW, I WILL SEE TO IT THAT YOU DIE HERE AND NOW, YOU'RE ABOUT TO FACE 20,000 YEARS OF JUSTICE AND RETRIBUTION, YOU BLACK-HEARTED, WORTHLESS, HEARTLESS MONSTER!

We suddenly gasped in pure unendurable shock and total awe at Lincoln really exploding with pure rage at Ultimate King Ghidorah.

Nico: HOLY SHIT!

Me: UH OH!

Eli: Yep, now, Ultimate King Ghidorah's really done it, and now that the beast has been unleashed, he has been marked by death, and now, it's coming for him.

Lucy: No words will ever be said at his funeral.

Starlight Glimmer: That monster's brought this on herself. Twilight, shall we say it?

Twilight Sparkle: Oh, yes, lets.

Twilight Sparkle, Sunset Shimmer, Fluttershy, Pinkie Pie, Rainbow Dash, Rarity, Applejack, Starlight Glimmer, and Trixie Lulamoon: HIT THE DECK, EVERYONE, HE'S GOING TO EXPLODE!

We ran for cover, and suddenly, Lincoln screamed like a total madman from Hell and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and elements as he's surrounded by a massive vortex of rainbow energy with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, and Moonlight surrounding the vortex, and this also got even more intense with bolts of Rainbow Super Lightning crashing down from the heavens with volcanoes erupting, tornadoes forming, and massive tidal waves crashing, there's a rainbow Thunderbird, Phoenix, Dragon, Alicorn, Banshee, Spirit, Vampire, Dragon, Archangel, and Elemental Angel, Mermaid, Mammoth, Pegasus, Tortoise, Succubus, Incubus, Hydra, Qilin, Centaur, Sauropod, and Theropod flying around the vortex, around the vortex was a Fairy, Vampire, Werewolf, Buffalo, Zombie, Demon, and Elf, and in the vortex was a rainbow phoenix with red eyes glaring at Ultimate King Ghidorah: the red eyes of death. The full extent and fury of Lincoln's extremely rising and infinite power and energy was really so strong and powerful, Ultimate King Ghidorah began screeching in absolute pain as he was feeling the righteous fury of Lincoln's power, and now, death was coming for him. Then, as the vortex fades and the elemental forces, volcanoes, tornadoes, and tidal waves disappear, Lincoln emerged, but he was changed forever.

Lincoln has transformed into SUPER ANGEL-EBONWU-THUNDERBIRD-BUFFALO-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA UNIVERSAL ELEMENTAL COSMIC THUNDERBIRD BUFFALO PHOENIX ANGEL OF DIVINE UNIVERSAL ELEMENTAL COSMIC HARMONIOUS THUNDERBIRD BUFFALO MYTHOLOGICAL JUSTICE AND DIVINE UNIVERSAL ELEMENTAL COSMIC HARMONIOUS THUNDERBIRD BUFFALO MYTHOLOGICAL HOPE!

We're literally stunned, amazed, and struck with awe at Lincoln's Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when the the girls in Lincoln's harem see him, their faces had atomic red blushes, hearts in their eyes, their tongues rolled out, their noses were really bleeding, and they let out wolf whistles upon seeing just how much hotter their future hunk of a husband has become, but when Ultimate King Ghidorah saw it, he went fucking insane and was about to attack again, but in less than a split second, Lincoln fired a powerful rainbow energy blast with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at him, and it exploded with incredible power as it hit him, but he wasn't out yet, and he was extremely pissed off now.

Me: HOLY CRAP!

Nico: SO INCREDIBLE!

Lincoln's transformed into his Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga form!
Eli: No words can even describe what we just saw, incredible.

Lori: Literally unreal.

Lynn: Incredible, and that makes Lincoln the next of the Louds to transform into a Universal Eternal Xelnaga form.

Lucille: (Scottish Accent) Aye, the first was my brother.

Duke Lincoln: (Scottish Accent) That's right, sister.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) And now, the time has come for us to end you once and for all, Ultimate King Ghidorah. Let's get him, Cadenza!

Cadenza Cthugha: (Divine Echoing Cosmic Voice of The Darkness Satanic Great Old One Cthugha Angel and Divine Darkness Satanic Cthugha Fire Vampire Great Old One Love) You got it, Linky.

Cadenza Cthugha and Lincoln went after Ultimate King Ghidorah, who continued to fire bolts of electricity, but Lincoln and Cadenza continued absorbing them and it made them even more powerful than before, and they fired extremely powerful blasts of rainbow energy, black and red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Ultimate King Ghidorah and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic. Then, Lincoln fired a Super Gravity Blast at Ultimate King Ghidorah, and it forced him down onto the ground, and then, Lincoln turned the tips of his eleven massive and long white wolf tails into large white wolf heads, and they bit down on Ultimate King Ghidorah and they began draining him of all his energy as we saw visible energy flowing out of Ultimate King Ghidorah and into Lincoln, and his aura flared up as he was getting stronger and stronger and stronger still and he was also assimilating all of Ultimate King Ghidorah's powers. Then, the wolf heads let go of Ultimate King Ghidorah and they turn back, and then, Lincoln and Cadenza grabbed Ultimate King Ghidorah by his tails and they spun him around so much, and then, they let go and sent him deep into space.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to end this once and for all!

Lincoln and Cadenza flew into the air and they raised their hands into the air, and we knew what they were going to use: The Spirit Bomb.

Me: Everyone, let's help Lincoln and Cadenza!

We raised our hands, and then, as if sensing it for themselves, the people of Earth and the planets all over the universe and beyond raised their hands as well, and we all offered our energy, and then, we saw a massive Spirit Bomb forming as big and massive as a million Suns itself, and surrounding it are several numerous Spirit Bombs of different colors representing The Elements of Harmony and the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, and Moonlight. Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Ultimate King Ghidorah, what we hold before us is the energy of all those that you and the rest of The Order have killed and destroyed!

Cadenza Cthugha: (Divine Echoing Cosmic Voice of The Darkness Satanic Great Old One Cthugha Angel and Divine Darkness Satanic Cthugha Fire Vampire Great Old One Love) And now, you shall feel the full-extent of their fury, along with those whose lives you've decimated 20,000 years hence, you three-headed nightmare!

Everyone on Earth and the Planets in The Universes Beyond: LINCOLN, CADENZA, NOW! PUT AN END TO THIS NIGHTMARE ONCE AND FOR ALL! MAKE HIM FEEL THE PAIN AND SUFFERING THE VICTIMS OF THE ORDER HAVE FELT!

With a mighty roar, Lincoln and Cadenza threw the massive Spirit Bomb and the other Spirit Bombs at Ultimate King Ghidorah, and because he was unable to fight back, he was overwhelmed by it and as it went deeper into space, it exploded with such furious and incredible power, it obliterated and annihilated Ultimate King Ghidorah until not a single atom of it was left, and his evil spirit was forever erased by The Black Gates after he was found guilty by all those he'd killed. We cheered extremely loud as Cadenza Cthugha and Lincoln holstered their massive greatswords on their backs and powered down, and Cadenza Cthugha's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long orange wolf tails, and massive orange angel wings are permanent, and Lincoln's new body, clothes, weapons, jewelry, Third Eye, larger wolf ears, eleven massive and longer white wolf tails, and massive white angel wings are permanent.

Cadenza Cthugha: We finally did it, it's finally over, Ultimate King Ghidorah is finally dead, and The Extraterrestrial Order of The Planets of Holy Ghidorah are gone forever! Thanks for helping me destroy Ultimate King Ghidorah once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adrienne.

Suddenly, Cadenza Cthugha wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cadenza Cthugha's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness and fire behind them along with Cthugha and we cheered wildly. Then, Lincoln and Cadenza Cthugha absorbed the fire and darkness and they came back to us as the display and Cthugha vanished.

Nico: Oh man, now that's what I call an epic finale to an ultimate battle to save the Earth, mankind and the universe, and another fanatical planet-destroying cult has been obliterated forever. Awesome job out there, Lincoln and Cadenza.

Lincoln: Thanks, Nico.

Me: I was still in absolute shock, you achieved your Universal Eternal Celestial Xelnaga form, and you and Cadenza really gave that monster the beatdown of his miserable life! (Sniffles with tears in my eyes and a smile on my face) I'm so proud of you!

Lincoln: Thanks, J.D.

Just then, Lincoln's entire harem and Guardian Angels pounced on Lincoln, and they kissed him all over the place, and when they were done with their make-out, Lincoln was covered in lipstick marks on his face, massive muscular body, and eight-pack abs, his face turned red, and he had steam whistling out of his ears.

He was literally on Cloud Nine after that intense make-out from Heaven!

Lincoln: (In Heaven) Whoa!

May: (Snickers) Oh man, are you in for a ton of fun with your harem and Guardian Angels tonight?

Lori: May.

Lincoln: Now, now, Lori, it's just a small harmless teasing.

Nico: Lincoln's right, it's just small harmless teasing, but she's right on one thing though, you're in for one wild night with your harem and Guardian Angels. So, which Elemental HERO of Darkness are you meeting on your rescue tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Shadow Mist.

Caitlin Ashleigh: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Shadow Mist: Selene Febriaz, she's one of the Elemental HEROS of Darkness and one of the agents of The HELLSING Organization.

Lincoln: And has the same story as Elizabeth Lioncourt.

Oculous: Make sure his Disk is locked up tight.

Odin: I won't lost sight of it.

Stonedozer: Good.

Whirlin: Looks like the Ridonculous Race is all finished

Me: You got that right.

Iceage: With an epic conclusion.

Magma: Let's end it with one group photo!

Me: Lets do it.

I formed a clone and held out my phone.

Clone me: Say Phoenix Buttkicking!

All of us: PHOENIX BUTTKICKING!

SNAP!

We had an awesome photo.

Nico: This was awesome! Great job the whole competition everyone.

Eli: This was amazing.

Thor: It sure was. (To the viewers) Hope you all had fun on this great contest with us.

Me: I know we did.

Xenia: Me too.

Don: This is another awesome race in the books. Hope you like what's going to happen next time as we go on another awesome adventure. Get ready for next time on The Ridonculous Race. (DING)

We went back home and landed the fortress in the estate and unpacked and then got ready for bed and we hit the sack.

And we're going to battle Another Muggshot and Another Po Kong and also we're going to meet a gene-slammer for Serperior named Claire Suh and she is Nico's friend from gardening class.

The match-up is for Selena Shub-Niggurath, Incarnation of Shub-Niggurath, and she and Lincoln are going to destroy her evil brother, Damian Shub-Niggurath, but unlike his sister, he's a normal person, but he's a demonic Dark Goth who's killed hundreds of innocent people as part of his sacrificial offerings to Shub-Niggurath years ago, and he tried to sacrifice his older sister only to get beaten up hard by Lincoln and sent to a maximum security prison, but now, he broke out and he wants revenge. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Romania, and we got word that the Cult of Shub-Niggurath, the very cult that Damian Shub-Niggurath, the younger brother of Selena Shub-Niggurath started, is running loose and causing havoc, well, we're putting those creeps down for good, and Selena's going to be pissed off when she finds out her brother's escaped from prison. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Selene Febriaz, Gene-Slammer of Elemental HERO Shadow Mist, she's Lincoln's Guardian Angel from Michigan and she's a member of The Febriaz Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages, and she's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult. She's an agent of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince Pusateri who was also an agent of The HELLSING Organization in destroying Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day. She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra Fairbrook Wingate Hellsing, the head of The Hellsing Family and leader of The HELLSING Organization, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles. She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Selene and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

For April Fools Day we're going to be in for a wild ride as we save Dexter from a terrible curse that was put on him: THE CURSE OF

THE WERECLOWN! It's like what happened in the episode The Laughing. It will be a wild and crazy one.

See you next time.

Me: This is gonna be really fun and awesome.

Qin: Boy it sure is! I can't wait to see what this planet will be like.

Xenia: Me too.

Nico: I have a feeling this will be so fun.

Lola: It sure will.

Nora: I'm really excited for this one.

Nico: Nora, I want to thank you, Po Kong, and your teams for coming.

Nora: Not a problem Nico. This is gonna be so awesome and fun.

Ultear: It sure will.

Nico: Ultear, what do you like to do for a living?

Ultear: Haven't really thought about it. But I would like to be open up a school of magic and teach kids how to use magic like in Fiore.

Me: That is an awesome idea Ultear.

Xenia: It sure is.

Eli: I agree there.

Qin: Yeah a school of magic is a great idea.

Valon: (Australian Accent) It sure is mate.

Ultear: Thanks.

Nico: Like Hogwarts

Ultear: Exactly. Not for the competition but for the excitement.

Qin: Good idea.

Lola: I agree there.

Xenia: Yeah that's awesome.

Nico: Yep.

Me: Boy yesterday was so awesome. We really sent the Mystic Foots, the Celebrity 5 and the Disk Wars version of Loki packing!

Nico: That was so awesome! And don't forget M-Bison and Vega. That was awesome!

Me: WOOHOO! YEAH!

Nico: Disk Wars Loki is in a Disk currently being guarded by Odin.

Me: And they locked him up and threw away the key.

Lola: Thank goodness.

Qin: Yeah. That monster deserved it.

Brittney: And I used my dark magic to make sure he is powerless and can never escape from it.

Nico: Good riddance.

Eli: Yeah no kidding.

Qin: He had it coming for his crimes.

Lola: Yeah.

May: He sure did.

Nico: The rest are in the Masters of Evil.

Me: Yep. Darn shame we couldn't send the Disk Wars Loki to the Black Gates.

Qin: Yeah he was worthy of them.

Xenia: That is for sure.

Nico: No kidding.

Camie: Either way it was an awesome victory for all of us.

Me: Yes it sure was

Nico: The Ridonculous Race has been completed!

Me: It sure was. And the city was completely protected while we were away.

Nico: It sure was. Boy Sheila and Tom had MASSIVE NUMBERS of case files piled up. They counted over 7,329,349 criminal cases.

Eli: They sure are gonna have their hands full.

Qin: No kidding there!

Xenia: That is a lot of cases for them. These last 12 days are gonna be taxing on them.

Lola: No kidding.

Maria: That is for sure.

Nico: After Cadance's mission, our top priority is finding out who the Renegades are.

Me: We can do that as we are having a humiliation session at Lynn's Table. It is April Fools Day.

Nico: Good idea.

Lincoln: Normally me and my siblings would be scared of this day.

Nico: Me too because of my brother.

Me: But not this time. Now that their dark sides are gone for good.

Akiza: Thank goodness for that one.

Heidi: No kidding there.

Nico: Of course, the mascots are planning some pranks on us too.

Me: Yeah as long as it's funny ones.

Nico: Yep.

Maria: We're here.

We arrived at what looked like a desert planet.

Me: Wow! It looks like a desert planet from up here.

Qin: It sure does.

We flew down to the planet and we landed and then to Nora's surprise and delight we saw that it was a planet made of PANCAKES! There were piles and piles and piles and piles of pancakes as far as the eyes could see and the rivers were maple syrup!

Me: Whoa it's a planet of pancakes!

Qin: Oh wow!

Nora was grinning and shaking happily.

Me: Nora? Are you okay?

Nora: PANCAKES! PANCAKES PANCAKES!

She dove in and ate many of them!

BUZZSAW EATING!

Po Kong: Boy she loves her pancakes.

Qin: She sure does.

We got to eating and man were they tasty and fluffy.

Camie: (Eating) Yummy!

Me: (Eating) Delicious.

Nico: Anyone got syrup?

Me: Lots of syrup rivers.

Nico: Cool.

Lola: This is amazing cool.

Rarity: Boy this is an absolutely amazing planet.

Qin: It sure is.

Xenia: No kidding there.

Po Kong was eating pancakes as well

By the mountain load!

Qin: Boy these are really awesome.

Po Kong: I'll say! Wow!

Nico: It sure is awesome.

Me: Yeah it sure is.

But then the meal was cut short when a massive storm appeared out of nowhere!

Nico: What the?

Me: Uh oh. I've got a bad feeling about this.

From space the storm covered about 50% of the entire planet and it was amazingly powerful.

Nico: Whoa!

Me: This storm just appeared out of nowhere.

Nico: At least the pancakes and syrup are okay.

Me: It's going to get worse! This storm is made of pure negative energy and the scans are showing a massive spike in Negative Energy that's off the scale!

Nico: WHOA! Where's it coming from?

Me: The epicenter is 25 klicks to the northwest.

Nico: Then we better get a move on.

Eli: You got it.

We then arrived at a syrup lake and in the middle of it was Dartz's temple.

Me: Is that Dartz's temple?

Nico: It sure is.

Me: Anyone experiencing a sudden case of deja-vu?

Heidi: I sure am.

Lola: This is gonna be powerful.

Carly Atlas: I have a feeling this is gonna be a battle that will shake the foundation of the universe.

Misty Tredwell: I have that same feeling too.

Me: But the energy spike is definitely coming from there.

Nico threw a grenade at the temple.

Nico: Fire in the hole!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

But the temple was undamaged.

Me: Nico it's gonna take a lot more than a grenade to destroy that. Lets get moving.

We went into the temple and it was a scary place.

Me: This place is nothing but a bad memory.

Lola: Yeah no kidding.

Nico: This place reeks of evil.

Maria: Come out. We know you're here!

Me: All right Dartz we know you're here! Come on out.

We heard him laughing and it was coming from a room and then we went in and saw that it had COUNTLESS NUMBERS OF SOULS IMPRISONED in stone tablets!

Me: WHOA!

Nico: Oh my god! What is this place?

Heidi: It's souls that Dartz imprisoned!

Alister: This is one bad dream I never want to relive!

Rafael: Me neither!

We then saw DARTZ!

Me: Dartz!

Dark Dartz: That's right J.D.

Nico: What have you done Dartz!?

Eli: You monster! Why are you doing this!?

Me: Why do you want to wipe out Humanity? What have we ever done that would warrent such a horrible transgression?

Dark Dartz: Humanity is a menace to the world because of the darkness inside their own souls and they must be destroyed.

Me: That's a lie! I don't believe that at all. But why do you want to kill everyone?

Dark Dartz: I should tell you all my story and how I found this out.

Dartz took us on a journey into the past and we were over the city of Atlantis from 10,000 years ago.

---

10,000 years ago, Atlantis, an island that was isolated from the rest of the world, was a perfect civilization. One day, however, meteors rained down upon the kingdom when a volcano erupted. Those meteorites were the mysterious and powerful Stones of the Orichalcos, and they glowed a bright greenish blue. Those stones imbued the people of Atlantis with ultimate knowledge and power. In just a few years, Atlantis became the most advanced civilization on the planet, and was even more advanced than the modern world. However, with power came corruption and greed.

Ironheart, the King of Atlantis and Dartz's father, gave his throne to his son, Dartz. Soon, the stones of the Orichalcos began to expose the evil in people, and turned those with darkness on the inside into monsters on the outside. Dartz witnessed his own wife, Iona become a horrid, ugly beast.

Confused and frightened, Dartz consulted a stone of the Orichalcos for guidance. The Orichalcos granted Dartz great power and lent him the Orichalcos Soldiers to do his bidding. It told him to resurrect an ancient mystical beast known as the Great Leviathan, which would help him to destroy the world and create a new one that would be free of evil. Dartz became corrupted and misguided.

Ironheart and Chris, (Dartz's daughter) fled and called upon the world of Duel Monsters and its guardians, the three Legendary Dragons (in actuality, three soldiers whom Dartz had transformed into dragons) for help against the corrupted Dartz. One day, an army of benevolent magical creatures-including the three dragons-led by Ironheart, met with Dartz's Army of the Orichalcos Soldiers and the Great Leviathan, and the Battle of Atlantis took place. The battle concluded with neither side victorious: The three dragons were frozen in ice, the magical creatures were sent back to their own world, the Soldiers of the Orichalcos were destroyed, the Great Leviathan was sealed away from the world, and Atlantis sank beneath the sea.

The corruption of the Orichalcos made Dartz believe that the world was a wicked place, and that humans had an inherent malice in their hearts. The transformation that the Orichalcos had inflicted on his fellow Atlanteans was, he believed, the punishment for being evil, as the outside of man became as twisted as their inside. Dartz was driven to revive the Great Leviathan to raze the world, so that he may reconstruct it in the image of glorious Atlantis. To do so, Dartz required souls of humans.

Dartz wandered the Earth for 10,000 years, presumably kept alive by the power of the Orichalcos. He knew that he had found one of the powerful souls that he required when he encountered the Pharaoh Atem in ancient Egypt, and witnessed his control of the powers of darkness and his ability to command Duel Monsters. He also witnessed the Pharaoh, with Slifer the Sky Dragon pursuing Thief King Bakura and Diabound. However, Dartz could not capture the Pharaoh's soul because Bakura and Zorc Necrophades were in his way, However Dartz seems to not have any fear of Zorc and when he showed the past of the Pharaoh, Dartz never saw Zorc as a threat to the Great Leviathan, because the powers of the Leviathan were greater than those of Zorc. He therefore had to wait another 5000 years to capture the Pharaoh's soul.

It was unclear precisely when Dartz began to collect souls of boys and men, but eventually, he established a multinational conglomerate that was named Paradius, which became a well-known, yet mysterious force in the business world. But that was not the only organization that Dartz had formed. Dartz also controlled the Doma Organization, a group formed to gather souls of boys and men to feed the Great Leviathan by challenging unsuspecting male players to games of Duel Monsters only to have their souls taken by "The Seal of Orichalcos", a card that he had suffused with the Orichalcos' power.

For ten thousand years, Dartz collected the souls of boys and men in order to ensure the return of the Great Leviathan into the world. With time, the number of souls of boys and men that Dartz had stolen stretched into the millions, thanks in part to his underlings.

---

We gasped!

Alexis: This is Madness!

Me: You killed all these people!

Dark Dartz: No. These people are gonna be used for a greater purpose.

Varie: You won't get away with this Dartz!

Nico: YEAH! You killed thousands of innocent people!

Eli: I counted over 523,349,329,357,345,124 people.

Cody: You're days of terrorizing the planet are finished forever!

Me: I agree.

Nico: You monster!

Dark Dartz: Oh, I'M the monster? I'm not the one who left Gotham Royal York unprotected because of stress!

Me: That little stress bit is not going to work on us anymore!

Nico: We learned from our mistakes Dartz and for the record the city was in good hands while we were away.

Me: All you have done was poisoned people with lies and brainwashed Valon, Alister and Rafael into following your lies! You even poisoned Mai, Weevil and Rex Raptor with your lies in your little delusional goals!

Eli: Yeah! You have caused so many innocent people to die!

Xenia: What you have done makes you pure evil incarnate!

I unsheathed my sword.

Me: You will pay for this Dartz.

Dark Dartz: So it's a sword fight you want. Very well then.

Dark Dartz formed a sword into his hand.

Me: Lets dance.

Me and Dark Dartz clashed with our swords and sparks were flying every clash. But then I got the drop on Dark Dartz and slash his cheek.

Me: That was for all the people you killed.

Heidi kicked him in his face and punched him in his stomach and kicked him in his stomach!

Nico: I'm half tempted to teleport you to where the Renegades are so they can finish you off!

Dark Dartz: Do you think I'm scared of your pathetic little mystery helpers!?

Nico: You should be scared of ALL of us! We are the most powerful force in the entire universe!

Me: Also we killed you before and we can kill you again!

Suddenly a portal opened up and out came a dark dragon and swallowed him.

Lincoln: That was creepy.

Bastion: It was.

Zane: Yes.

Nico: What was that?

Me: I couldn't make it out.

A massive earthquake then rattled the area and we went outside and saw a strange sight. We saw a beam of green light come out of a whirlpool in the lake and we saw the ruins of an ancient city rise out of the lake of syrup. It was the ruins of the Lost City of Atlantis.

Nico: What is that?!

Tea: Don't tell me, It's Atlantis!

Me: Unbelievable!

Nico: That is Atlantis!?

Jaden: That's Atlantis? It looks all run down.

Me: It's been underwater for 10,000 years Jaden. But without a doubt that's where Dark Dartz went to. Just like before.

Eli: That is not like the Atlantis that we know.

Camie: It's completely different.

We went back to the Soul Room and went through the portal and it took us to the city of Atlantis.

Me: This place has seen better days.

Heidi stayed in the Soul Room and she was crying.

Heidi: (Crying) I can't believe that Dartz did this to all of you.

But then she got a look of avenging justice on her face and she unsheathed her sword and knelt in a knight pose.

Heidi: Everyone what Dark Dartz is gonna do will ultimately destroy the entire planet if we don't stop him. Please lend me your strength, light, virtue and power to help me vanquish Dartz once and for all. Let my sword be your ultimate instrument of justice.

The tiles all lit up with rainbow light and they all went into Heidi and she was glowing in a light until she became a ball of rainbow light. Her eyes opened and they were ocean blue with rainbow glowing sclera.

We searched the city.

Tea: Lets hope that we make Dark Dartz pay the ultimate price for everything hes done.

Nico: We better call in the rest of the team just in case.

Me: Right.

I did so.

Nico: We need to take him out so we still have time to fight Swartz's creations.

Me: Yeah. (Sees something) I see something.

We ran to the alter and saw a glass statue of Dark Dartz sitting on a throne.

Joey: Is that Dark Dartz?

Me: It is. But I don't sense his energy.

Nico: I don't sense anything either.

I touch it and it disintegrated.

Yugi: Dartz must've somehow left his body behind.

Tristan: Maybe.

Vince: I feel something off.

Kaiba: Please. It's just another one of his cheap tricks.

Dark Dartz: Is that your answer to everything Kaiba? You really need a new catch phrase.

Me: Where are you Dark Dartz?

Dark Dartz appeared on the ceiling.

Dark Dartz: I'm right here with the Great Leviathan.

Yugi: Hold on Dartz! You told us your leviathan couldn't awaken without the souls of the Three Chosen Duelists!

Me: Yeah you said that yourself!

Dark Dartz: Yes I did say that didn't I? Well I substituted your souls with an equally powerful one.

Yugi: Your soul!

Dark Dartz: Bingo!

Me: Just like before.

The green beam of light redirected and went to the lake and out of a whirlpool arose a huge dragon and it roared as it came to Atlantis.

Dark Dartz: Fueled by the power of my spirit the Great Beast has returned!

We saw the dragon. It was…

**THE GREAT LEVIATHAN - THE HARBINGER OF ARMAGEDDON!**

It was a huge dark dragon and it was overflowing with intense pure evil!

Me: That is an enormous Dragon!

Nico: It's MASSIVE!

The level of power it had was incredible.

Lincoln: What a terrible power it has!

Me: It's pure evil!

Joey: That thing could pick its teeth with an Egyptian God Monster!

Nico: No fucking shit there!

Yugi: And it's here to conquer mankind.

Eli: Not on our watch!

Tea: What a terrible monster!

Jaden: How can a monster like this be that evil?

Camie: No idea!

Joey: Hold on what's that?

Kaiba: What?

Joey: That little green pimple on its nose.

We saw closer and it was really Dark Dartz. He somehow merged with the Great Leviathan.

Joey: Wait! It's Dark Dartz.

Yugi: Yes. When he lost against J.D. and us in that swordfight he somehow merged together with the Great Leviathan.

Dark Dartz: Yes it's true. Nothing gets past you Pharaoh.

Kaiba: That's it! I'm not gonna stand here and talk to some mutated hood ornament! I'm just gonna blast you into next week!

Me: I'm going to blast you into oblivion!

Dark Dartz: (Laughs) I'd like to see you try.

Maria: Now we're talking!

Me: Now. MONSTERS ATTACK!

We fired blasts of energy and many elements and more at the Leviathan. It was an epic battle that will decide the fate of Humanity.

MASSIVE FIERY EXPLOSIONS BLASTED OFF!

The attacks were hurting the Leviathan but weren't enough.

Dark Dartz: Is that the best you can do? (Evil Laughter) Now do you realize what you are dealing with?

Me: No we don't and we don't care!

Nico: That's for sure!

Yugi: Timaeus! Absorb Kuriboh's ability to multiply! Attack with the force of 10,000 Knights!

Timaeus got the powers in his Sword.

Timaeus: Go Sword of Justice! End this now!

Me: EVERYONE TOGETHER!

ALL OF US! : KAAAAA! MEEEEEEE! HAAAAAAA! MEEEEEEE!

We all fired our attacks at the same time.

ALL OF US: HAAAAAAAAAAAAAAAAAAAAAA!

The blasts all combined and they hit the Leviathan head on and exploded with incredible power.

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

The explosion was so massive and so devastating that it was felt all over the entire universe!

Me: Bullseye!

Varie: That got him!

Joey: Direct hit!

Nico: YEAH!

Yugi: The prisoners are free!

When the smoke cleared the Leviathan was blown three quarters of the way apart.

Me: Whoa! It's power took a huge drop. That blast cut its power in half!

Nico: Boy that was intense! But its power was severely diminished.

Varie: Yes! I sense that three quarters of the prisoners are free.

Eli: That really has him pissed off now.

Dark Dartz: I am not beaten yet!

Me: You don't know how to quit do you?

Nico: Yeah!

But we saw the Great Leviathan regenerate it's body but it was weakened. Then it charged up its attack. It was a breath blast made of pure Negative Energy.

Me: Uh oh!

Joey: If that attack hits us we're done for!

But just as it was about to fire, a bright ball of rainbow light appeared out of nowhere and slammed into the Leviathan with devastating force.

KRABLAM!

Me: Whoa!

Nico: HOLY MACKEREL!

The ball landed in front of us and faded. It was Heidi and she was glowing in a rainbow aura that was 1,000,000,000 times brighter than the Sun and I sensed an unusual thing in her.

Me: Heidi? Wha? What happened?

Eli: WHOA!

Heidi: We have united to help destroy Dark Dartz and the Great Leviathan. I have called upon the people Dark Dartz imprisoned and converted their negative energy into light.

Eli: WOW!

Varie: That's unbelievable!

Nico: Incredible!

Jaden: Incredible! Get your game on Heidi!

Me: I can sense everyone that Dark Dartz imprisoned inside you Heidi. They've lended their power to you to destroy Dartz.

Heidi: That's right Grandpa.

Nico: Wow! That is incredible!

May: I'm getting deja vu right now.

Nico: Me too.

Heidi: Dartz will get what's coming to him.

Me: We believe in you Heidi. Go get him!

Heidi: With Pleasure. Obelisk, Ra, Slifer, follow me.

Heidi, Obelisk, Slifer and Ra flew up into the sky above the clouds and were facing Dark Dartz and the Great Leviathan.

Heidi: You will pay!

Dark Dartz: You dare to challenge the Great Leviathan!? You have a lot to learn Heidi!

Heidi: We've learned all we need about you.

Obelisk punched the Leviathan but it only amused it.

Dark Dartz: (Evil Laughter) They're powerless!

The Leviathan wrapped around Obelisk and Heidi punched it and freed him. Slifer and Ra fired their attacks and hurt it.

Dark Dartz: My Great Leviathan existed long before the Egyptian Gods were ever born! And it will rule the Earth long after those pathetic creatures are gone! Now Leviathan ATTACK!

The Leviathan fired a blast of pure Negative Energy at Heidi and the Gods.

Heidi: Obelisk, Fist of Fury!

Obelisk clenched his fist and it glowed blue.

Heidi: Slifer, Thunder Force Attack!

Slifer charged up a blast of pure lightning.

Heidi: Ra, Ignite your mighty Blaze Cannon!

Ra charged up a fire cannon.

Heidi: KAAAAA! MEEEEE! HAAAAA! MEEEEE! HAAAAAAAAAAAAAAAAAAAAAAAA!

Heidi fired a massive green Kamehameha Wave, Obelisk fired a blast of blue energy from his fist, Slifer fired a blast of red energy and Ra fired a blast of yellow energy. The attacks combined and the blasts collided and exploded when the struggle began.

EXTREMELY MASSIVE EXPLOSION OF ENERGY!

The explosion blew away some of the storm clouds and illuminated the darkness under the clouds. The level of power being generated was incredible.

Me: Unbelievable!

Varie: What power!

Nico: INCREDIBLE!

Vince: This is amazing!

Eli: WHOA! This is amazing!

Camie: Incomprehensible!

Carly Atlas: WOW!

The battle was intense.

Dark Dartz: My beast is fueled by the darkness of my prisoners!

Heidi: Not anymore Dartz! Good, Kindness, Love and Light are far more powerful than Darkness and Hate! Now feel their power!

The blast overtook Dark Dartz's blast and it hit the Leviathan and exploded with incredible power.

EXTREMELY MASSIVE AND UNBELIEVABLY DEVASTATING FIERY EXPLOSION!

Dark Dartz: NO! WHAT HAVE YOU DONE HEIDI!?

Heidi: We killed you! Go to Hell and stay there!

Beams of light exploded out of the Leviathan and it completely exploded into dust and was completely obliterated.

Heidi: That did it.

Everyone left Heidi and they were free. The souls that Dark Dartz killed or imprisoned can now rest in peace and go back to their bodies.

Me: That did it guys!

Qin: Way to go Heidi!

Nico: YEAH!

Kaiba: The Gods and Heidi did pull through.

Joey: Told ya. That means everyone Dark Dartz captured is free.

They sure were.

Heidi landed by us.

Me: You did it Heidi!

Heidi: No Grandpa. We all did it.

Atlantis then started rumbling.

Nico: Uh oh!

Me: This place is crumbling! Lets go!

Eli: Lets go!

We ran for the portal and all our Duel Monsters returned to our decks. Most of us went through the portal and got out.

Heidi and Me and Eli were about to go but she stopped me.

Heidi: Wait grandpa!

Me: What's wrong Heidi?

Eli: What is it?

Heidi: Something's not right.

Eli: Wait I sense it too.

We saw Dark Dartz still alive and he was hurt bad.

Heidi: I thought I killed you. There's no way you could've survived that blast!

Me: Yeah you should have been obliterated with your Leviathan!

Dark Dartz: I couldn't say goodbye just yet. (Malevolent Chuckle)

A black smoke came out of him and it became a ferocious evil snake made entirely out of pure Negative Energy and it had a dark blue aura of pure evil!

Me: What does it take to kill this monster!?

Eli: Yeah!

Heidi: We'll find out now.

Heidi took her sword and slashed the snakes head. But the sword didn't affect it.

Heidi: That didn't work.

Dark Dartz: (Echoing) So you've come to your senses and given up?

Heidi: Not gonna happen Dartz!

Me: It'll be a cold day in hell before that happens!

Dark Dartz: Haven't you figured it out yet? All the monsters in the world combined together couldn't destroy my Leviathan. Not even you.

Me: Why is that?

Eli: Tell us!

Dark Dartz: Because this creature isn't one of your little Duel Monsters. It was born from the very darkness of the human soul!

Heidi: It was created from the very Negative Energy within all humans!

Dark Dartz: That's right. What I mean is the Great Leviathan was created by the hatred and rage of humans! So as long as Mankind exists, so does the Great Beast!

The evil snake's eyes glowed red with pure evil.

Heidi: You don't have any idea how wrong you are Dark Dartz. That creature was created by the Orichalcos! You were lied to and you were brainwashed into believing that mankind must be eradicated. But Human beings are not the evil ones Dark Dartz. It's you! Think about what you're doing. When you ruled all of Atlantis 10,000 years ago all of your people were generous and peaceful. But then the Orichalcos Stones arrived. And everything changed. Those fragments carried with them an evil force and brought Chaos, Death, Destruction and Hatred to Paradise!

Me: That's right Dark Dartz. The Orichalcos is using you as a pawn in its diabolical ambition to destroy the Earth!

Eli: It will kill you in the end!

Heidi: So if you want to wipe out all of humanity you'll have to go through me!

The snake lunged at Heidi and enveloped her in a tornado of pure Negative Energy.

Dark Dartz: I'm going to enjoy this!

Heidi: But you have completely forgotten about what else I can do. I live off of Negative Energy. My body converts it into Positive Energy and it makes me more powerful! I will absorb you into the darkest recesses of my mind and seal you away for all eternity! NOW DIE!

Heidi sucked in Dark Dartz and the Orichalcos into her body.

Dark Dartz was being destroyed in her mind.

Dark Dartz: NO! THIS IS IMPOSSIBLE!

Dark Dartz and the Orichalcos were destroyed in the darkest reaches of Heidi's mind and sealed away for all eternity.

Heidi: (Sighs) It's done. It's finally over.

The dark hurricane vanished and was gone forever. The darkness was gone forever.

Heidi collapsed from exhaustion and I caught her.

Me: Are you all right Heidi?

Heidi: Yeah. I'm fine Grandpa. I'm just exhausted and so tired.

I pick her up Bridal Style.

Then Ironheart and Chris appeared.

Me: King Ironheart and Princess Chris.

Ironheart: That's right J.D. We meet again. Thank you for saving all of the world from total destruction. You have saved us all from death.

Me: You're welcome your majesty. I'm so sorry about Dartz.

Chris: I know J.D. But I know that dad is always with me.

Me: I know. The Orichalcos destroyed everything you all worked so hard to achieve. If those evil stones hadn't come we would've learned from everyone in Atlantis and it would've been greatly beneficial for the Human Race in its entirety.

Ironheart: I know. But you have the eternal gratitude of everyone in Atlantis J.D.

Me: It was what we had to do your majesty to ensure the survival and safety of the world. But Heidi is the real hero. She stopped Dartz's evil plans to destroy the Earth. Duel Monsters, Angels, aliens and Humans united together in this time of crisis.

I had tears come down my face.

Me: I also had a feeling that you were with us the whole time. But also I couldn't be anymore prouder of my granddaughter Heidi.

Ironheart: I know J.D. Thank you again my friend.

I smiled.

Me: You're welcome.

Ironheart and Chris came with me and we went through the portal.

We came back

Nico: Whoa! Is she okay?

Me: Just really exhausted.

Heidi: (Weakly) It's over Nico. It's over.

Nico: Wow. King Ironheart and Princess Chris?

Princess Chris: That's right. Heidi saved us.

Me: She sure did.

Xenia: That was awesome.

Eli: It was incredible.

We told everyone what happened.

Nico: (GASP) Incredible.

May: Now I got a massive case of deja-vu.

Nico: Yeah.

Qin: That was amazing.

Nico: We still have business here.

Lola: But what do we do about that Atlantis here?

Me: We'll keep it and help rebuild it and make it better than ever.

Eli: Kita and everyone in our Atlantis can rebuild it.

Nico: Good idea.

Lincoln: I like it.

Nico: There she is!

We saw a dark version of Muggshot come. It was ANOTHER MUGGSHOT!

Nico: This one is strong.

Qin: Nice.

Laney: Yeah.

Another Muggshot: (In a girls voice) This is gonna be really fun though.

Me: Alice Muggshot! Whoa!

She reverted back and she was a girl with a really strong muscular physique and was wearing gym clothes.

Alice Muggshot: Awesome to see you again J.D.

Me: Same here. Alice is also Muggshot's daughter and she is a really strong and brutal fighter.

Nico: Whoa that is amazing! First Clockwerk and now Muggshot.

Lola: Yeah!

Nico: You saw what happened just now, right?

Alice Muggshot: I sure did and man that was an epic battle!

Nico: It sure was!

Alice Muggshot: Yeah.

Jared: I'm going to be the one that faces you.

Alice Muggshot: All right then.

Me: By the way is the Another Po Kong friendly or hostile?

Alice Muggshot: Friendly and this one has a huge appetite.

Me: Oh boy.

Qin: Wow!

Jared: Lets get it on.

She turned into Another Muggshot and Jared flew at her and smashed her in her stomach and punched her down and I caught the Wonder Ride book and it was called The Gangster Princess and the Casino Kingdom.

Me: Cool title.

I brought her over.

Maria: Time for backup!

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) STEAMPUNK 6!

She summoned Steam Smythe, Mz. Ruby, Puffer, Sharkyonara, Steam Demon and Rip Van Fish along with Bane, Gearhead and Evil Drill Man.

Steam Smythe: Congratulations on that huge battle!

Me: Thank Heidi for that. It was awesome.

Qin: It sure was.

Xenia: Man it was awesome.

Then we heard thunderous footfalls and then we saw a huge figure!

It was a dark version of Po Kong! It was ANOTHER PO KONG!

Xenia: Whoa! Another Po Kong!

Camie: This one is huge!

Another Po Kong: (In a girls voice) And I'm really hungry for Spaghetti.

Me: (GASP) Penelope Spaghettivini!

She reverted back and was a girl with orange hair and had orange and green clothes.

Nico: Wait Penelope Spaghettivini the famous Spaghetti Eating Queen!

Me: Yep. She is known for eating over 600 giant bowls full of spaghetti.

Po Kong: Boy she has a massively huge appetite like mine.

Me: You already are the greatest eating champion of all time. If you can eat over 600 bowls of spaghetti in one go then there's no telling what else you'll be able to eat.

Sakura Knudson: Not even Swartz can eat that much. I challenged Swartz to an eating contest and we ate hot dogs. I beat him.

Me: Whoa!

Nico: Nice job!

Me: Geez sis how many hot dogs did you eat to beat him?

Sakura Knudson: I ate over 4,000 hot dogs.

We gasp!

Coup (Megas XLR): Geez! You have an amazing hot dog eating champion appetite Sakura!

Sakura Knudson: Yeah I sure do and Swartz only ate 500 of them.

Penelope Spaghettivini: That is amazing!

Nico: Claire Suh! Whoa!

She reverted back and was a girl with green hair and yellow butterfly wings and had green and yellow clothes.

Claire Suh: I got this.

She fired a beam of sunlight and blasted down Another Po Kong and I caught it and purified it and she was back to normal.

Penelope Spaghettivini: (GROANS) (LOUD BELCH)

Me: I think she is full.

I brought her over.

Claire Suh: She is going to feel that.

Ultear: What's your favorite memory of Nico?

Claire Suh: (LAUGHS) APRIL FOOLS!

Nico laughed and kissed her.

We laughed too.

Me: That was a good one.

Qin: Yeah.

We went back home.

Lincoln: Whoa, we're here in Romania, and I know what we're going to do here, not only am I going to rescue the five girls here, but we got bad news that you're not going to like, Selena: it appears The Cult of Shub-Niggurath is running loose here and they're causing havoc.

Selena Shub-Niggurath: The Cult of Shub-Niggurath?! Then, that means…?!

Lincoln then checked the footage on the wrist computer on his left gold cuff Bracer of The Champions of the Universe, and it showed that a male demonic Dark Goth had escaped from a nearby prison.

Lincoln: Damian Shub-Niggurath has escaped, that explains why we heard the report that his cult is here in Romania.

Nico: And it sounds like Selena knows him and it's not good. Who is he, Lincoln?

Lincoln: You're not going to like it one bit, Nico: Damian Shub-Niggurath is Selena Shub-Niggurath's younger brother, but unlike Selena, he's a normal person, but he's a demonic Dark Goth who's killed hundreds of innocent people as part of his sacrificial offerings to Shub-Niggurath years ago and he's the leader of The Cult of Shub-Niggurath, and he tried to sacrifice his older sister only to get beaten up hard by me and sent to a maximum security prison for life.

Me: Jeez! So, we got another deranged cult fanatic running loose?!

Selena Shub-Niggurath: But, this isn't like dealing with the other demonic cults, J.D. But, now that I found out that Damian's escaped and he now wants revenge, he's going to pay for this big time.

Lincoln: He sure will, Selena, and I want to thank your team for joining us, Yang and Zipp Storm.

Yang: You're welcome, Linky, and we'll make your Guardian Angel's former brother pay with his life.

Zipp Storm: We sure will.

Suddenly, we saw Elemental HERO Shadow Mist appear before us, and with it are the five girls.

Nico: That's Elemental HERO Shadow Mist, wicked.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Shadow Mist: (Girl's voice) Oh, sorry about the scare, but I also got the girls away from those fanatical worshippers of Shub-Niggurath. Honestly, Selena, your brother's still an asshole.

Lincoln: (Gasps) That voice, Selene Febriaz, I knew it was you.

?: GET THEM, THOSE FOOLS HAVE INTERRUPTED THE SACRED SACRIFICIAL OFFERING TO SHUB-NIGGURATH!

We then saw numerous armies of men dressed in black robes and wearing necklaces with the Sigil of Shub-Niggurath: it was Damian's cult, The Cult of Shub-Niggurath.

Then, Lincoln fired blasts of black and blood-red energy at The Cult of Shub-Niggurath and he sucked out their blood, energy, and life-force and he absorbed it and they turned into desiccated corpses and he sent their souls to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: That's it for your brother's cult, Selena, but Damian himself is still out there, but he'll get his just desserts later on today. (To Selene Febriaz) And it's so good to see you again, Selene Febriaz.

Selene Febriaz reverted back to normal, and she's a beautiful girl with long midnight blue hair, blood red eyes, she was tall at 6'5" in height, she had the body of a goddess and vampire fangs, she has massive and beautiful black angel wings, she's dressed in a long black coat, long-sleeved white shirt, black pants, black knee-high high-heeled boots with black and grey butterfly buckles, and long white long-sleeved trenchcoat with darkness, shadows, bats, creatures of the night, and dark angels on the coattails and on the back is Elemental HERO Shadow Mist, and holstered on her back is a massive Elemental HERO Shadow Mist-themed greatsword with embedded midnight blue gems and Elemental HERO Shadow Mist etched on the 7'0" massive, wide, double-edged black blade, large black bat heads for the crossguard, large white angel faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel.

Selene Febriaz: You too, Lincoln, it's been a long time.

Lincoln went up to Selene Febriaz and he hugged her, and Selene

Febriaz is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Selene Febriaz: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Selene Febriaz, Gene-Slammer of Elemental HERO Shadow Mist, she's my Guardian Angel from Michigan.

Elizabeth Lioncourt: And she's a member of The Febriaz Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages. She's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult.

Monica Anniston: She's another member of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince and they destroyed Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day.

Caitlin Ashleigh: She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles.

Catherine McKenzie: She's also friends with Lucy and The Young

Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Selene and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

Me: Yep, I knew it, she has the same story as Elizabeth Lioncourt.

Nico: We met Sir Integra yesterday when we killed Leif and Jessica in London, and she's already a member of the team, but she's also pissed off that some of her agents got Gene-Slammed by Team Rocket and Kurata.

Me: And we hate to know what Lori did to warrant your form of payback.

Selene Febriaz: Sir Integra already asked that question with Elizabeth, but trust me, you're not going to hearing it. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Selene?

Selene Febriaz: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Selene Febriaz: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Selene Febriaz, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Febriaz: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selene Febriaz's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Febriaz: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Febriaz.

Selene Febriaz had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Chitose Wakana, Megumi Tachibana, Mizuho Ootori, Saori Tachibana, and Shouko Kagami from Alto.

Lincoln: Oh wow, it's Chitose Wakana, Megumi Tachibana, Mizuho Ootori, Saori Tachibana, and Shouko Kagami from Alto.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Chitose Wakana: Yes, we're okay, thanks to you.

Then, when Chitose Wakana and the other four girls saw who it was that saved them from Damian Shub-Niggurath's cult The Cult of Shub-Niggurath, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The

Chitose Wakana: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Chitose Wakana: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chitose Wakana, Megumi Tachibana, Mizuho Ootori, Saori Tachibana, and Shouko Kagami with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went after were The Cult of Shub-Niggurath, the very cult that Damian Shub-Niggurath, the younger brother of Selena Shub-Niggurath started, was running loose and causing havoc in Romania.

But, when Lincoln showed what happened with us giving those cult members the brutal beatdown of their lives and Lincoln firing black and blood red energy blasts which hit the members and he sucked out all their blood, energy, and life-force and turned them into desiccated corpses and he sent them to The Black Gates, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Selene Febriaz have a lot of catching up to do, now that she's back in town.

Maria: We may have gotten rid of the cult members, but with Selena's psychotic brother still out there, no one is safe.

Lincoln: Which is why later on today, we're going to kill him and send him to join his fellow cult in The Black Gates, and Selena's going to transform.

Selena Shub-Niggurath: That's right, my brother's going to suffer the true wrath of Shub-Niggurath, I may not have gotten a shot at any members of The Extraterrestrial Order of The Planets of Holy Ghidorah, but my shot's arrived when my psychotic brother broke out.

Nico: I hope you two give him what for and you put him under the curse, Selena.

Lincoln: Too easy, Nico. No, he deserves to suffer every ounce of pain we're giving him, and what he tried to do to her long ago, I still got a ton of pain to give him before we kill him.

Me: Nice.

After destroying the members of The Cult of Shub-Niggurath and pissing off Damian Shub-Niggurath, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Febriaz saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Selene Febriaz: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Febriaz: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and

we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selene Febriaz: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Selene, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Selene Febriaz: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Selene Febriaz: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through.

We got a shower, and then, Lincoln, Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt

surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin had feelings for Lincoln, and he had the very same feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Coral the Betta: Wow, I knew you chose Emerald Coast, this has always been our favorite spot.

Lincoln: Mine too, Coral, and like Sonic said it's really beautiful. Shall we?

Lincoln, Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin, and they hugged the girls in their abnormally massive and powerful muscular arms, and Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Assunta, Flora, Katharine, Coral the Betta, and Echo the Dolphin are now in your harem.

Amy Rose: Wow, that's really incredible.

Sticks the Badger: Many of us had fallen in love with Lincoln when we first met him, and well, can you even blame us, he's such a sweet, kind, brave, courageous, charismatic, and strong ladies' man, loving father of many children, loving brother and son, loving grandson, and loyal friend with a hot, massive, and muscular body, eight-pack abs, and good looks to boot.

We gasped: Sticks flirted with Lincoln by saying those words, and we knew what was about to happen to her.

Sonic: Uh, Sticks?

Suddenly, Lincoln with a sly grin on his face wrapped his abnormally massive and powerful muscular arms around Sticks and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but Sticks still had a red blush on her face with steam coming out of her ears.

Sticks the Badger: WHOO! WHAT A MAN!

Nicole: We warned you about that flirting with Lincoln many times, Sticks.

Tails: We did, but she always likes it whenever Lincoln responds in kind to her compliments.

Nico: As does with every girl in his harem and Guardian Angels whenever they say those compliments and he returns them in kind.

Lincoln: Hey, since April Fools' Day is today, why don't we celebrate by heading down to Dad's restaurant for an epic April Fools' Day humiliation spree?

Nico: Good idea, Lincoln, I like that.

Ace Bunny: Let us in on this as well, Lincoln. We got more than a few words to say to Flip and the other jerks.

Tech E Coyote: What they did in sending those massive armies of thugs to Acmetropolis in another futile attempt to get revenge on us during your rescue crossed a massive line, and now, we're out for blood.

Sylvester: And same with me since their futile attempt to murder my son led to my transformation and savagely butchering the thugs and spilling massive oceans of blood on the streets, and taking down Sylth Vester and getting him recruited to The Masters of Evil.

Me: Yeah, let's do it!

Nico: Let's go pay our resident jerks a visit and wring their necks.

---

Later it was time for Cadance's 3rd mission.

William: Anyone else want to go with Cadance! Besides Animorphs Jake and Kameo?

Maria: I'll go.

Me: Okay then.

Qin: Me and the Quantum Girls will go.

Me: Awesome idea. Okay.

Nico: Awesome! Okay lets head out.

We were off to New Townsville.

---

We arrived at New Townsville.

Nico: Wow!

Maria: So this is New Townsville.

Missy Rodgers: It's so awesome.

Qin: It sure is.

Erica Haddock: This is amazing.

Twilight Sparkle: It sure is. I can't wait to face whatever villain is next.

Me: Me too.

We then saw a werewolf creature and the girls were fighting it.

Me: WHOA!

Applejack: What in Tarnation is that thing?!

Me: Wait Deadpool told us about that one. That's Bubbles' boyfriend Cody. They knew each other since they were younger.

Nico: And he was turned into a werewolf creature because of those blasted Z-Rays!

Me: Lets help him out!

We went at him.

Me: Hey down doggy!

Me and Twilight and the girls used the Elements of Harmony and fired a rainbow Helix Blast and it fired a beam of rainbow energy and blasted him and destroyed the Black Z-Rays in him and then he was reverted back to normal.

Me: That did it!

Nico: Yeah!

Cadance: That was a close one!

Bubbles Z: Cody!

He was back to normal but he was going to be really weak.

We went over to him.

Me: He'll be okay. He'll be weak from the destruction of the Z-Rays in him.

Cody: Bubbles?

Bubbles Z: Are you okay?

Cody: I feel like I got hit by a train.

Me: It's an incredibly complicated story.

Nico: Yeah.

Cody: Wow! You're Team Loud Phoenix Storm. It's an honor to meet you.

Me: Same here. You'll be okay though.

Cadance: Girls, meet Animorphs Jake and Kameo.

Jake: Name's Jake Berenson. Awesome to meet you.

Kameo: And I'm Kameo. I'm the chosen one of the Elements.

Bubbles Z: Awesome to meet you guys.

Me: Jake has the power to turn into anything just by touching them.

Nico: Long story. And these are the Quantum Girls, my friends from school that I have known.

Qin: Awesome to meet you. I'm Qin Chen and I'm the Komodo Dragon Gene-slammer.

Erica Haddock: Erica Haddock and I'm a Tyrannosaurus Gene-slammer.

Missy Rodgers: I'm Missy Rodgers and I'm a Mewtwo Gene-slammer.

Ellie Singh: And I'm Ellie Singh and I'm a Kineceleran Gene-slammer.

Blossom Z: Awesome to meet you girls.

Qin: It's awesome to meet you too.

Blossom Z: Remember when I said that the 3 of us have own families? Well, they're at the lab right now.

Me: Awesome.

Nico: Lets go.

We went to Professor Utonium Z's lab.

We arrived.

Nico: Hi! You must be the families of the girls!

We were introduced to their families.

---

Kuriko Akatsutsumi (赤堤 くりこ, Akatsutsumi Kuriko)

Momoko's eight-year-old sister, and she is just as hyper and addicted to the sentai/hero genre as her older sister. She is very independent and likes to pretend she is a heroine. She admires the

Powerpuff Girls Z and wishes to be a heroine just like them. She admires Rolling Bubbles and Powered Buttercup, but shows little favor for Hyper Blossom who, unbeknownst to her, is actually her own sister. She is also always looking for new ways to annoy her sister. She appears to be quite interested in Ken, especially when she realizes that he knows her sister. Similarly, Ken seems interested in her because of her resemblance to Blossom.

Kiyoko Gotokuji (豪徳寺清子, Gōtokuji Kiyoko)

Miyako' grandmother, who she lives with in a large traditional-looking house. She is gentle sounding and usually gets distracted by nostalgic things, but she can also be strict when it comes to manners. You also never see her eyes ever open, as they are always closed to portray a happy feeling. She is a traditional Japanese woman.

Tokio Matsubara (松原 時夫, Matsubara Tokio)

Kaoru's father, a professional wrestler and loving family man who is never seen without his mask. He left for Mexico when Kaoru was young, and studied the art of the luchador after experiencing a losing streak that could have cost him his career. His teacher was severely injured in what is implied to be his final match. The Masked Mexico was given his teacher's mask, which in true lucha spirit, he never removes, except when taking a shower. Since then, Kaoru has forgotten what her father's face looks like. There is no photograph in their family album that shows what his real face looks like either, mirroring Miss Bellum's running gag. After he wins the match against Giant Panda Mask, Kaoru finally got to see her father's face for the first time since before he left for Mexico, which is reportedly 'very handsome'.

Michiru Matsubara (松原満, Matsubara Michiru)

Kaoru's mother. She is a very good cook and is exceptionally gentle in contrast to her husband and kids. She also likes to smile a lot.

Dai Matsubara (松原 ダイ, Matsubara Dai)

Kaoru's older brother.

Shou Matsubara (松原 ショウ, Matsubara Shou)

Kaoru's younger brother.

---

Michiru: It's awesome to meet you all.

Me: Same here.

Blossom Z: My real name is Momoko Akatsutsumi but everyone calls me Blossom.

Bubbles Z: My real name is Miyako Gōtokuji but everyone calls me Bubbles.

Buttercup Z: And my real name is Kaoru Matsubara but everyone calls me Buttercup.

Me: Those are awesome names girls. Also we are no strangers to the people of Japan. Some of our most awesome and epic adventures were over there in the Prime Universe.

Michiru: That is amazing.

Me: It sure is.

Nico: You all should be proud of your daughters.

Michiru: We sure are and they were made into great heroes.

Kiyoko: It is amazing.

Me: It sure is. The Powerpuff Girls have come a long way not just here in New Townsville but also in battling many of their enemies with us.

Cadance: We are so proud of them too.

Kiyoko: That is awesome.

Nico: Yep.

Eli: It sure is.

Nico: And we know HIM is going to be the main target.

Me: That's right. Just like the one in the Prime Universe we're going to destroy that monster of ultimate chaotic evil.

Eli: Yeah he has terrorized this world for far too long.

Me: Yep and we're going to banish him to the black gates.

Michiru: The Black Gates?

Me: It's the deadliest technique we have in our arsenal.

I revealed what it does and how powerful it is.

Kiyoko: Oh my! That is amazing.

Me: Yep. But it only works on those that are completely irredeemable.

Eli: It's true.

Blossom Z: We'll have to see it in action soon.

Me: You'll be in for a surprise.

We then heard a roar.

Me: What the!?

Blossom Z: Oh no. HIM must be causing havoc right now.

Poochie: (sees something) No. It's worse!

Buttercup Z: What can be possibly worse then HIM causing havoc?!

We saw FUZZY LUMPKINS Z wreaking havoc!

Me: Oh man! That's your worlds version of Fuzzy Lumpkins.

Nico: I have a feeling he is DEFINITELY like the one we know in the

Prime Universe.

Eli: Yeah I have that feeling too.

Me: Boy he sure looks pissed! Something or someone REALLY Ticked him off!

Qin: Yeah!

Me: In our universe girls the Prime Universe version of him lived out in the forests in a cabin all by himself and he lived in total isolation and we felt really sorry for him because he didn't have any friends. So we found him and we talked to him and got him redeemed and he is now one of our awesome friends.

Applejack: That was a grand adventure for y'all.

Nico: I wasn't with you guys when that happened but that was awesome.

Me: But we got to find out what has him upset.

Bubbles Z: Well, we won't find out what it is by standing around!

Me: Lets do it!

The girls transformed!

Blossom Z: BLOSSOM!

Bubbles Z: BUBBLES!

Buttercup Z: BUTTERCUP!

They transformed and were ready!

Me: Right on! Oh here girls. You'll like this.

I gave them their own Legend Items.

Blossom Z: Awesome! Our own Legend Items.

Me: Yep. You'll love what they can do.

Nico: Lets roll!

We were off.

Nico: But save them for Cadance's final mission.

Bubbles Z: You got it.

Me: Okay.

We saw him TRASHING the area!

Jake turned into a Siberian Tiger

Bubbles Z: WHOA! He turned into a white tiger!

Me: That's the power the Animorphs have. They can turn into anything on Earth or any other planet.

Nico: Yep.

Bubbles Z: Wow! That is cool!

Blossom Z: It sure is!

Jake: I thought it was cool myself. (ROARS)

We landed and Fuzzy Lumpkins Z saw us!

Me: Okay pink head what has you pissed off this time!?

Fuzzy Z Roared!

Nico used Blizzard's powers to freeze Fuzzy Lumpkins Z's body except for his head.

Fuzzy Lumpkins Z: Hey. Ya'll got me incapacitated!

Buttercup Z: Well, that's what we do with rampaging psychos.

Me: By freezing you in a block of ice.

Fuzzy Lumpkins Z: Yeah, I'm rampaging! Some idiot vandalized my home. And now, I've gotta find said idiot and stomp him good. And since I don't know who this idiot is, I've gotta stomp everybody. You know, just to be sure.

Blossom Z: Can you guys think of anyone who would be stupid enough to vandalize Fuzzy's home?

Me: Hmm. Well there's only one way to know for sure. We got to head to the scene of the crime. I got an idea.

We went to Fuzzy's house.

We arrived there.

Fuzzy Lumpkins Z: Heres we are.

Me: Okay.

We saw it destroyed and plastered with graffiti!

Me: Geez! Someone really did a number on it. And this was no April Fools joke.

Blossom Z: Look, Fuzzy. Life's given you a real kick in the ass. But crimes like these are usually unsolvable.

Bubbles Z: We may never know the true identities of the culprit.

Buttercup Z: Anywho, I'm sure Cadance and the rest of our new friends have some friendship advice to put this whole mess in perspective.

Cadance: That's right. We can help out.

Fuzzy Lumpkins Z: Alls right.

Me: Okay. Lets see here.

I used Clockwork's Time Review and it showed us 2 figures that we should have killed long ago! It was JOSEE AND JACQUES! They vandalized Fuzzy's home!

Me: (GASP) That's Josee and Jacques!

Nico: Not them!

Fuzzy Lumpkins Z: Whose they?

Me: 2 very dangerous and rotten to the core sore losers that I beat in the Ridonculous Race years ago. They hated my guts ever since then.

Eli: They are a couple of Sore Loser neanderthals.

Blossom Z: But the Ridonculous Race is over isn't it?

Me: Yes it just ended yesterday and we got back home last night. But these guys are dangerous as all get out.

Cadance: Fuzzy, you know you don't have to live alone by yourself, right?

Fuzzy Lumpkins Z: Some folks just like to be alone.

Me: Well most of the time being alone can always be a bad thing. The reason because is it always leaves an empty hole in your heart that can never be filled up. That whole can be filled in by the one thing that you need to make you complete and that is friends. You just need someone to be friends with.

Eli: Yeah Fuzzy. You are just lonely because of you don't have any friends because you live out here all by yourself.

Twilight Sparkle: That's right Fuzzy. When I started out in my studies I did not understand what friendship was before. But I have come a long way in my journey with my friends not just in Ponyville but in Canterlot and the Human World with everyone. Its taught me so much and I became the Princess of Friendship.

Me: But what made us all become more than friends and became an amazing family is all of our friendships with Twilight and friends. After the Great War with the Royal Defenders we met Twilight and friends in the Prime Universe and we became amazing friends with them and their lessons in friendship have taught us so much.

Nico: It's true. And now Twilight and friends are all Lincoln's future wives and have awesome children.

Me: And we defeated many of Twilight Sparkle's dangerous enemies and saved the world so many times. They have been a massively invaluable asset to the entire team.

Qin: It's true. And they are awesome sisters and friends.

Sunset Shimmer: It's true. And it is amazing.

Fuzzy Lumpkins Z: (sighs) You guys are right. And I guess it's not like stomping everyone will unvandalize my house, right?

Me: That's not a real word but yeah.

Just then, Nico got a call on his communicator.

Nico: Hello?

Josee: Hey there, losers!

Me: Oh great!

Nico: What the fuck do you two want?

Jacques: We just wanted to see if you wanted to know about how who vandalized Fuzzy's home.

Buttercup Z: Um, we already covered that. Unsolvable crime. No one will ever know.

Josee: (laughs) Oh, it's not unsolvable. Me and Jacques did the vandalism!

Fuzzy Lumpkins Z growled loudly at this.

Me: Actually we already knew it had to be you!

Jacques: Anyway, if you want us, come get us! (hangs up)

Me: With pleasure you bitch and bastard! With pleasure. And this time you will be getting the Black Gates.

Fuzzy Lumpkins Z: THOSE 2 ARE GONNA GET IT! (breaks out of the ice)

Blossom Z: Now, Fuzzy. Remember what Cadance and the others-

Fuzzy Z pushed us aside as he ran to where Josee and Jacques were.

Bubbles Z: We gotta follow him!

Erica Haddock: After me and the Quantum Girls get changed into jumpsuits.

Me: Okay but hurry.

They went and did so and came back in their jumpsuits.

Blossom Z: Why did they do that?

Me: You'll see soon.

We went and followed Fuzzy Lumpkins Z.

Buttercup Z: Why don't we just let Fuzzy beat those two to death?

Maria: Because Fuzzy might cause property damage and hurt innocent civilians in the process!

Me: She's right. Let us handle those two. I got some payback to dish out on them. This time, (CRACKS KNUCKLES) No mercy.

Qin: Yeah what they did is unforgivable.

Me: And I'm gonna smash their skulls in.

We landed and I kicked Jacques and Cadance kicked Josee in her face!

Rainbow Dash got in front of Fuzzy Z.

Rainbow Dash: Fuzzy, calm down!

Fuzzy Z: Calm down?! You want those two dead too!

Rainbow Dash: We do. But we don't want innocents caught in the crossfire! I know the property damage might be inevitable. But at least let me get the civilians to somewhere safe!

Fuzzy Z: Alls right.

POW!

I punched Jacques and sent him crashing into a street light!

SMASH!

It fell on top of him!

Me: That must've hurt. Hey Josee you will always be a LOSER!

When I said that SOMETHING INSIDE HER COMPLETELY SNAPPED! THEN SHE COMPLETELY LOST IT!

The Quantum Girls groaned as they started sweating and their stomachs growled.

Bubbles Z: Where did you girls even get the jumpsuits?

Qin: We had them made for us when we transform to not damage our clothes.

They changed and turned into their Gene-slammer forms!

Qin turned into Scalebreath, Erica was a Tyrannosaurus, Ellie was a Kineceleran and Missy was a Mewtwo!

Nico: YEAH!

Maria: Let's get some backup in here! (TURNS DIAL) PIRATES AND WHALES!

She summoned Greiger, Sindbad, Captain Brineybeard, Captain Kid, Sea Captain (Felix The Cat), Tobias Whale, Tar Monster, Ravess, 1973 Sand Banbera, Lightmaster and Pierre the Pirate.

Greiger: Time for some buttkicking!

Scalebreath: Oh yeah!

She fired a blast of fire and burned Josee's hair off!

Fuzzy slammed Jacques to the ground.

SMASH!

Nico: (gets out Po Kong and Goliath's Ridewatches) Save some for us!

Nico grew to 50 feet tall and then he jumped and smashed Josee under his huge butt!

Josee: GET YOUR BIG FAT LOSER BUTT OFF ME!

Nico: Oh you mean this butt?

LOUD FART!

He farted on her and she was throwing up all over.

Scalebreath fired a blast of fire and burned her all over by igniting the gas!

Jake: (gets out Angry Archer's Core Medal) Rainbow Dash, please tell me you got the civilians somewhere safe!

Rainbow Dash: I did. Got them out of there fast.

Jake: Good.

He activated it and fired waves of arrows and they hit Jacques on his butt and exploded!

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: NICE!

POW! BIFF BONK BIFF BONK!

Cadance was hitting Josee and Jacques back and forth and it was awesome.

Then she shoved both their faces in Nico's butt and then…

LOUD SUPER FART!

He farted in their faces at point black range and they threw up!

Nico: Ahhh!

I gave Jacques a nasty atomic wedgie and Eli put a lava bomb in his underwear and then it popped and his butt was on fire!

Jacques screamed in pain as his butt was burning!

Kameo turned into Chilla.

Chilla: Time to give these freaks the cold shoulder!

She fired waves of ice and blasted them with extreme cold and froze them.

She turned into Pummel Weed and smashed their faces in and knocked out some of their teeth!

Blossom bashed Josee with her Yo Yo.

Buttercup bashed Jacques on his head with her hammer and Bubbles fired bubbles and blasted them all over.

Me: I got an idea! Nico you're probably going to hate me for this.

Nico: What is it.

I pulled out a dart and it had the Joker's face on it.

Nico: Oh boy.

I threw it and it hit Jacques and injected JOKER VENOM INTO HIM!

Kameo: (Gets out Eli Moon's Core Medal) Now for this!

She activated it and fired waves of magic and blasted Josee all over.

Nico: YEAH!

Then Jacques started laughing uncontrollably and then HE GOT AN UGLY JOKER FACE AND GRIN! HE WAS LAUGHING LIKE A FUCKED UP LUNATIC!

Nico: At least we're using Joker's props for good.

Me: Only on those that deserve it.

Josee: WHAT THE FUCK HAVE YOU DONE TO HIM!?

Me: None of your fucking business!

Fuzzy Z grabbed Jacques and used him to beat Josee.

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Jacques was laughing like a fucked up lunatic all over the place as he did it!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Nico: Take that!

Maria: Is the next Gene Slammer close?

Then fireballs flew in and burned Josee all over.

An Emboar came in.

Me: An Emboar!

Erica Haddock: Wow!

Emboar: (In a girls voice) I've had it with these stupid losers.

Nico: Nikki Tora! Wow!

She reverted back and was a girl with yellow, red and orange clothes and had red hair and had yellow eyes.

Nikki Tora: I never want to see these fucking losers again.

Me: Darn tootin! Nico hand me one of your grenades.

Nico: Here you go.

Me: Thank you.

I infused it with Black Gate fire and pulled the pin with my teeth.

Me: Fire in the hole!

I threw it and it went into Josee's mouth and she swallowed it and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Jacques and Josee exploded in a massive fireball and their bodies were obliterated. Their spirits were judged by the spirits of those they hurt and they were found guilty by those they hurt and they were fading away and they were shocked!

Josee: NO! You can't do this to us!

Me: Try me! You caused so much pain and you deserve this. Good bye and good riddance Jacque and Josee. Say hi to Heather for us.

Josee and Jacques: DAMN YOU TO HELL TEAM LOUD PHOENIX STO… (FADES!)

They were gone for good!

Fuzzy Z: (gives me and Nico a bear hug) Thanks for helping me, ya'll!

Nico: (straining) Don't mention it.

Me: (GROANING) YOU'RE CRUSHING ME!

Cadance: Fuzzy you better let them go before their heads explode.

Fuzzy Z: Oh sorry.

He let go.

Me: That was awesome though.

Nico: Yep.

Scalebreath: That was cool though.

Blossom Z: Was that the Black Gates?

Me: Yep. It sure was.

Bubbles Z: Wow that was deadly.

Me: Like I said, it's the deadliest technique in our arsenal.

Eli: Yep.

Nikki Tora: It sure is awesome though.

Blossom Z: What's your favorite menory of Nico?

Nikki Tora: When me and Nico had a General Tsao Chicken eating contest.

Me: Ooh that's my favorite kind of chicken. Especially with those Kung Pao chili peppers.

Eli: Those are awesome.

Nikki Tora: Yep we ate a lot of it and we both tied.

Nico: Yeah we sure did.

Nico and Nikki hugged.

Nico: I've missed you Nikki.

Nikki Tora: Me too Nico. Me too.

Nikki then put something on his back.

It was a sign that said kick me.

KROW!

I kicked Nico in his butt!

Nico: OUCH!

Me: Sorry Nico but you had this on your back.

I pulled it off.

Nico: Kick me? Oh very funny Nikki.

Nikki Tora: APRIL FOOLS!

I put the Quantum girls in a dome of darkness and gave them their clothes and The Quantum Girls reverted back.

They were back to normal and got their clothes on.

Qin: That was awesome.

Blossom Z: It sure was!

Erica Haddock: It sure was!

Twilight Sparkle: Yeah it was.

We went back home.

---

We later came back.

May: How did it go guys?

Me: Really awesome!

We revealed everything.

May: Josee and Jacques were there!?

Me: Yep. But we have seen the last of them for good.

Laney: Good riddance. I'm glad they are gone.

Varie: No kidding.

May: Next time, Eiji and Leo Corbett should go with you guys.

Nico: Awesome idea.

Will Vandom: I'll go too and so will all my friends.

Me: Awesome. It'll be great to show the powers of the Guardians.

Nico: Yep.

---

Lincoln was reading a book.

Poromon: Lincoln, can you help me with these chips?

Lincoln: Sure.

He opened the can and then…

BOING BOING BOING!

NUMEROUS SPRINGS BOUNCED OUT OF IT!

Poromon: (LAUGHS) APRIL FOOLS!

Lincoln: (LAUGHS) The old spring snakes in a can! Love it.

Horsea: Here's a present, Luna.

Luna: Thanks little dude.

She opened it and then…

SPLAT!

She got hit in the face with a chocolate pie!

Horsea: (LAUGHS) APRIL FOOLS!

Luna: (SLURPS) Chocolate pie. My favorite. (LAUGHS) That was yummy!

Jirachi: Hey, Lily. How about a handshake?

Lily: Sure.

He and Lily shook hands and then….

BBBBUUUUUUUUUUZZZZZZ!

Lily: (SCREAMS)

Jirachi: (LAUGHS) APRIL FOOLS! The Joy Buzzer.

Lily: (LAUGHS) That is always a classic. Good one!

May: Hey Nico want some gum?

Nico: Sure May. [He chews the gum but then he screams as his head explodes]

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico regrew his head like Jeebs did!

May: (LAUGHS) APRIL FOOLS!

Nico: (LAUGHS) That was a good one!

Lily: Fell for the Exploding Chewing Gum. Awesome.

Luan: Ha! Gotcha!

But Tentacool appeared to be dead.

Luan: Tentacool!

Tentacool: BOO!

Luan: (SCREAM) (CRASH!)

She fell down.

Tentacool: (LAUGHS) APRIL FOOLS!

Luan: (LAUGHS) I knew it all along.

WE LAUGHED!

Me: (LAUGHS) That was funny.

Manaphy put a whoopee cushion on Laney's seat.

Laney sat on it and then…

LOUD FART!

Laney: WHOA! What the!

She pulled out the cushion.

Manaphy: (LAUGHS) APRIL FOOLS!

Laney: (LAUGHS) That was a good one Manaphy!

Manaphy: Thanks.

I was watching TV and then the phone rang.

Me: Oh I'll get that.

I went and got it.

Me: Hello Team Loud Phoenix Storm?

Bart Simpson: Uh yeah I'm looking for a friend of mine. Last name Weiner, First name Drew, middle initial P.

Me: One sec I'll check. I got a Drew P. Weiner here. Anyone expecting a Drew P. Weiner? I hold in my hand a Drew P. Weiner.

Valon: Better put it down then mate!

Everyone laughed hysterically!

Bart Simpson: (LAUGHS) APRIL FOOLS!

Me: (LAUGHS) Good one Bart!

Lisa Loud: Greetings, Poliwag.

Poliwag: Hey, Lisa. (seemingly starts to barf)

VOMITS!

Then out came fake vomit!

SPLAT!

Lisa Loud: That is unamusing.

Poliwag: (LAUGHS) APRIL FOOLS!

Lisa Loud: That was amusing.

Nico: Let's go to Lynn's table.

Me: That was awesome! Hey Nico you got something on your shirt.

Nico: Where?

I flicked him on his nose and he fell back and landed on something with a huge fart!

LOUD FART!

Nico: Whoa pardon me!

I pulled out a whoopee cushion.

Me: (LAUGHS) APRIL FOOLS!

Nico: (LAUGHS) Good one!

Pizza Steve: (LAUGHS) Hey J.D. want some juice?

He gave me a glass of red juice.

Me: Sure.

I drank it but then I SCREAMED IN EXPLOSIVE PAIN AS A MASSIVE JET OF FIRE EXPLODED OUT OF MY MOUTH! WITH EXTREME FORCE! AND THEN MY FIRE AURA EXPLODED OUT!

Me: (COUGHS) WHOA!

Pizza Steve: (LAUGHS) APRIL FOOLS! You just drank Tears of Zephos Extract Chili Juice!

Me: That was funny! Good one!

Nico: YEAH!

We went down to the surface.

But then a Jokerz member came and he had a pie.

Jokerz thug: Fork over your money!

I took the pie and shoved it in his face!

SMASH!

Me: Nice try jerkwad.

But just then, a figure jumped behind him and cut his head off.

SLASH!

Me: What the!?

I saw the figure and it was a member of the Renegades! He was dressed in all white! It was Moon Knight!

Me: (GASP!) Mark Spector A.K.A. Moon Knight!

Moon Knight: Sorry you had to see that guys.

Me: It's an honor to meet you.

Moon Knight: Same to you J.D.

Maria: Would the rest of your team come out in the open please?

They came out and we saw that they were Lillie's brother Gladion, Dawn's friend Zoey, Kilowatt, Azrael and Scarlet Spider!

Me: (GASP) Michael Lane A.K.A. Azrael, Benjamin Reilly A.K.A. Scarlet Spider and Kilowatt!

Dawn: Zoey!

Lillie: Gladion!

Dawn and Lillie hugged them.

Robin: It's great to see you again Kilowatt.

Kilowatt: Same to you Robin.

Spiderman: Good to see you, Scarlet.

Scarlet Spider: (chuckles) You too, punk.

Gladion: Ash you're looking great.

Ash: Same here Gladion.

Pikachu: Pikachu.

Dawn: Man I did not expect you to be a member of the Renegades here Zoey.

Zoey: Surprising huh Dawn.

Nico: Which one of you is the leader?

Moon Knight: That would be me.

Qin: Awesome.

Me: We really are forever grateful to all six of you for keeping the city safe in our absence.

Scarlet Spider: Well, with you guys being understandably stressed out after everything, someone had to make sure something like Team Buktu never happened again.

Azrael: Not that we blame you. Especially with how people chose Team Buktu after you guys last year. But unlike them, we're not gloryhounds.

Me: That is for sure. But we owe you all big for that.

Nico: Boy you guys were REALLY busy taking care of everything. We got calls from the police, the President and even the Mayor of the city telling us about what happened.

Me: And we were getting updates on the news about what was happening in the city.

Eli: No kidding.

Gladion: We were really busy these last 13 days.

Me: You sure were.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Damian Shub-Niggurath, the younger brother of Selena Shub-Niggurath and leader of The Cult of Shub-Niggurath, and that demon Dark Goth is heading here to get revenge on Lincoln and Selena for what Lincoln did to his cult members in Romania. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Damian Shub-Niggurath on the move?

Lincoln: You guessed it, Rayman, that demon Dark Goth is heading here to get revenge on me and Selena for what I did to his cult members in Romania.

Selena Shub-Niggurath: So, he finally arrives to get revenge. Okay, then, if he wants one final fight with me, then, I'll be more than glad to break his neck along with every last bone in his body, and I said it once, I'll say it again, that little monster's no longer my brother, he died the very day he tried to sacrifice me to appease Shub-

Niggurath without realizing I'm the Incarnation of The Black Goat.

Nico: He'll pay for what he's done, Selena, you and Lincoln will both make him pay. Alright, gang, let's go, it's time to pay our resident jerks a little visit.

Lincoln: This is going to be one awesome humiliation extravaganza especially on April Fools' Day, and once we get done trouncing and humiliating them, you're next, Damian Shub-Niggurath.

Selena Shub-Niggurath: Damian, you better be ready for one last fight, because now, you will suffer the dark fury of Shub-Niggurath's Incarnation, me.

Sylvester: Let me do the entrance, Nico, I think it's time those jerks see what kind of monster they've unleashed.

Nico: You got it.

Sylvester's large and long black cape opened up, and it enveloped all of us and we were off to Lynn's Table.

At Lynn's Table, the resident jerks, Flip, Lewis Travolta, Billy McLean, Amy, Trina Riffins, Icky Vicky, Bubble Bass, Pablo, Anderson, and Bradley Uppercrust III were absolutely steaming with pure rage. Suddenly, a massive colony of vampire bats came flying into the restaurant, and then, torrents of blood and darkness with demonic red eyes came pouring in, and it summoned the familiars of Vlad Dracula's victims who proceeded to attack the jerks with the fury of the undead. Then, as the familiars disappeared, they saw Sylvester appear, and his large and long black cape opened up, and a furious barrage of elemental forces came firing out and it hit the jerks causing more gold and jewels to explode out of them, and then, a phoenix and Thunderbird came flying out, and they crashed onto the ground letting out a cry and screech, an explosion erupted, and then, we appeared.

Poromon: Hello, Lynn's table!

Nico: GOOD MORNING LYNN'S TABLE CREW!

Lynn Sr.: Hey guys!

Flip: (Displeased) OH GREAT LOOK WHO IS BACK! THE LOSER SWINDLERS!

Me: (Sarcastically) Gee nice to see you too ya filthy mutant cheepskate.

Lynn Sr.: Wow, now that was one awesome entrance.

Poliwag: I got the pies ready!

Me: Awesome!

Lynn Sr.: Usual guys?

Me: Don't you know it.

Lynn Sr.: Coming right up!

Me: Thank Sylvester for that one.

Ace Bunny: He sure knows how to come up with an amazing entrance, and now that we're here, we got a few words to say to you and the other jerks.

The Loonatics and Sylvester approached the jerks with anger and fury, and they were now pissed off at them.

Ace Bunny: You've got some absolute fucking nerve to send those thugs to Acmetropolis in another stupid attempt to get revenge on us, Flip! Honestly, it's like you were born with tapioca pudding for brains and all you can ever think about was money and ripping people off and ruining their lives!

Ace Bunny fired a yellow energy blast which hits Flip and more gold and jewels exploded out of him as he screamed.

Tech E Coyote: And don't even get me started on you, Trina, and Icky Vicky, Amy! You three never had so much as a kind bone in your body, Amy, you tormented your younger and much prettier sister, Sammy, for years, you and your heartless greedy mother, and what you two did in killing your dad, that's a line you've crossed too many times. But, you crossed too many lines already thanks to what we heard, Trina, you made the lives of your brother, his friends, and Courtney Hell with your rage-crazy temper, you Satanic brat, and you made the lives of Timmy and every last kid in Dimmsdale a living Hell, Icky Vicky!

Trina Riffins, Icky Vicky, and Amy: I'LL KILL YOU, YOU FLEA-BITTEN MUTT!

Tech E Coyote: MUTT?!

Tech E Coyote fired powerful blasts of green energy, green and black darkness, green lightning, green electromagnetic blasts, green magnetic blasts, and green coyotes at Trina Riffins, Icky Vicky, and Amy, and they were really blasted all over the place and more jewels and coins came pouring out of them.

Lexi Bunny: (To Pablo and Anderson) And don't even get started on you two butt-faced psychopaths, you know, it's bad enough you've tried to kill Lincoln and his friends and Guardian Angels many times in the past, but I can never forgive any of your attempts to kill Taylor, and you know what, she made the right choice to drop you both like a sack of potatoes, but you don't even know when to quit!

Lexi Bunny fired pink energy blasts at Pablo and Anderson, and more gold and jewels exploded out of them as they got hit hard.

Danger Duck: And don't even get me started on you and Billy McLean, Bradley Uppercrust III, you're such a narcissist and a cheat who doesn't even know the first thing when it comes to sportsmanship, you've cheated numerous times in the past College X-Games, but on the day Max and his team came to take the crown from you, you tried to cheat again and kill Max and your own teammate, Tank, but that failed all thanks to Lincoln and a familiar face you know all too well: Alaina Ceolrince, who busted you and got you disqualified, and you, Billy, you're nothing more than a traitor who put the Total Drama Crew through Hell with your sadistic tortures and all for your ratings. If Canada re-established The Death Penalty, you'd be getting a one-way trip to the Gas Chamber, but getting humiliated by us, that's a fate far worse for scum like you.

Danger Duck fired orange energy blasts at Billy McLean and Bradley

Uppercrust III and they exploded as they hit them and more gold and jewels came out of them.

Rev Runner: And don't even get me started on you two gluttons, you've caused enough trouble to too many restaurants and you've acted like high and mighty jerks when in reality you're not, and what you both did in racking up a massive tab in Lynn's Table and The Krusty Krab, you'll probably pay the tabs off when you're old and gray!

Rev Runner and Slam Tasmanian fired blasts of wind at Lewis Travolta and Bubble Bass, and they got hit hard by the winds, and more gold and jewels came out of them.

Sylvester: And this… is for what your thugs tried to do to my son!

Sylvester's large and long black cape opened up, and a massive colony of vampire bats came out and attacked the jerks by clawing their faces, and more gold and jewels came out of them!

Nico: WHOA!

Maria: As they say, jerks!

Nico: Man, those two are really tearing Damian apart!

Me: He brought it upon himself!

Then, Lincoln fired a Super Gravity Blast at Damian Shub-Niggurath, and the blast forced him unto the ground and Lincoln beat him up really hard with his tails and fists, and Damian had no defense at all from the fierce assault.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I think it's time we deliver unto your former brother his rightful punishment, don't you think, Selena?

Selena Shub-Niggurath: (Divine Echoing Cosmic Voice of The Darkness Satanic Outer God Shub-Niggurath Angel and Divine Darkness Satanic Shub-Niggurath Outer God Love) I believe you're right, Linky.

Selena Shub-Niggurath and Lincoln trapped Damian Shub-Niggurath within a blood red pentagram that formed beneath his feet with the glyphs of The Outer Gods and Great Old Ones surrounding the pentagram, and they spoke in a dark forbidden language as they fired blasts of pure darkness with blood red Eldritch runes at Damian Shub-Niggurath: Shub-Niggurath's Dark Young Nebulous Curse. Suddenly, Damian was dragged into a dark forest, and he was being driven mad upon seeing The Dark Young of Shub-Niggurath. But, then, he saw the very evil right in front of him: Shub-Niggurath, The Black Goat With A Thousand Young, and he fell into eternal madness and his soul was dragged into the darkness of The Black Gates and erased forever, and his body was consumed by dark flames.

Nico: (Horrified) My God, was that…?!

Nicholette Torrington: Shub-Niggurath's Dark Young Nebulous Curse, I never thought any of us would have to see it again: another one of The Forbidden Lovecraftian Curses.

Bertha Sellington: Just hearing the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad, but to see one of those entities, that's more than enough to send them into madness eternal.

We cheered as Selena Shub-Niggurath and Lincoln holstered their massive greatswords on their backs and powered down, and Selena Shub-Niggurath's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Selena Shub-Niggurath: Good riddance forever, "brother", and don't you ever come back. Thank you for helping me destroy Damian once and for all, Linky.

Lincoln: (Smiles Warmly) You're welcome, Adrienne.

Suddenly, Selena Shub-Niggurath wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selena Shub-Niggurath's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them along with Shub-Niggurath and we cheered wildly. Then, Lincoln and Selena Shub-Niggurath absorbed the darkness and they came back to us as the display and Shub-Niggurath vanished.

Nico: Oh man, now that's what I call a bloody end to a hatred among siblings.

Lincoln: That's what it was, Nico: hatred among the siblings, but

Damian had it coming for his crimes and he always caused trouble for Selena and her parents.

Selena Shub-Niggurath: But, now he's gone for good and nothing more than a forgotten memory for his crimes.

Nico: You said it. So, which Elemental HERO of Darkness are you meeting on your rescue tomorrow, Lincoln?

Lincoln: The next one is for Elemental HERO Necroid Shaman.

Caitlin Ashleigh: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Necroid Shaman: Darcia Rodanthe, she's one of the Elemental HEROS of Darkness and one of the agents of The HELLSING Organization.

Lincoln: And has the same story as Elizabeth Lioncourt and Selene Febriaz.

Jirachi: Look! The next Gene Slammer!

We saw a Samurott!

Me: Hey a Samurott.

Qin: Cool!

Lola: Wow!

Samurott: (In a girls voice) (Japanese Accent) Looks like the fun is about to begin.

Nico: Kumiko Himura! Wow!

She reverted back and was a girl with ocean blue hair and had a blue kimono and had a blue samurai katana and had the kanji for water in the middle of her forehead.

Me: Wait a second. I've heard about you. You're the descendent of the legendary invincible Samurai, Kenshin Himura.

Kumiko Himura: That's right. He was my great, great, great grandfather. I am known as The Legacy of The Hitokiri Battousai.

Nico: Wow!

Gladion: What's your favorite memory of Nico?

Kumiko Himura: When me and Nico were in Japan to study more about my ancestor and how he became so strong and powerful.

Laney: That is amazing.

Me: Your ancestor was a true man of honor. And he defeated the evil Makoto Shishio.

Jared: That was really awesome dad.

Me: It sure was.

Nico and Kumiko hugged.

Nico: I've really missed you.

Kumiko Himura: Me too Nico. Me too.

Tentacool: Has anyone seen Dexter today?

Me: Not really sure.

Then we saw Dexter come in and he looked really tired and weak.

Me: Dexter!

We went over and brought him over.

Me: Dexter are you alright?

Dexter: (Groans)

May: Let's get you home!

We got our food to go and brought him home and laid him on the sofa.

Me: Boy he looks really tired.

Luan: Man he sure does.

Dexter: (Groans) What happened?

Maria: You tell us.

Dexter: I don't know. All I remember is laughing uncontrollably and then everything went black.

Me: Weird.

Laney: Hey look at this.

She showed us a newspaper about a crazy clown running amok.

Me: A Crazy Clown is running loose?

Nico: Yeah. So?

Laney: This clown looks vaguely familiar for some reason.

Camie then noticed wounds on Dexter's arm.

Camie: What happened here Dexter?

She showed his arm.

Dexter: Oh I was bitten by a pair of dentures from a clown.

Brittney: Bitten by clown dentures!? Uh oh.

Brittney pulled out her book on Supernatural Forces and Dark Magic and she got to the curses section.

Ed: A werewolf clown?

Brittney: Not a werewolf clown. A Were-Clown! Dexter you were afflicted with a terrible curse called The Curse of The Were-Clown. When someone is bitten on the funny bone by the dentures of a clown, they will turn into a Were-Clown. At night when they laugh at even the slightest thing that is funny they will begin laughing uncontrollably and get clown teeth, clown hair, big nose, goofy shoes and clothes and they will do terrible pranks on anyone and anything they come into contact with.

We gasped!

Zoey: I vote we contain him until it wears off.

Brittney: Containing him is good. But removing the curse not that easy Zoey. When the victim becomes a were-clown they are completely unpredictable. There's no telling what they are going to do.

Nico: Geez!

Qin: This is bad! So any laugh at all is dangerous.

Brittney: Yep.

Nico: There IS one thing we can do

Luan: What is it? Oh no! Nico you can't possibly mean…

Nico: Yeah. I'm sorry Luan but we got to use your torturous pranks on Dexter.

WE GASPED!

Anna Anyanova: Nico you can't be serious! You know the kinds of horrors that those pranks did on the Loud's and with your brother!?

Nico: I know that Anna. But we don't have any other choice.

Moon Knight: It's this or death by pranks

Me: Then lets do it. Sorry Dexter but this is for your own good.

We pulled out weapons and boxing gloves and all that.

Dexter gulped in fright.

First we locked him up.

Me: Okay now we wait. Luckily I can draw it out.

Poromon: Me and the other mascots will help you, Luan!

Luan: You got it Poromon.

Me: Now here is this.

I had one of the Itchy and Scratchy Cartoons play and it was Sundae Bloody Sundae and it was where Itchy worked at an ice cream parlor and Scratchy was turned into a blood milkshake and then Dexter started to laugh a tiny bit. But then he exploded into full blown uncontrollable laughter!

He turned into a goofy clown and laughed goofily!

Me: (LAUGHS) He sure is a funny guy.

Qin: Yeah.

Me: Time for some pranks!

We unleashed PRANKING HELL ON HIM!

Poromon: Chips in a can!

Poromon fired exploding snakes at him and blasted him all over and we fired pie bombs, rabid raccoons, boxing gloves and more and really bashed him all over.

Manaphy: Whoopee cushion!

She fired a stink bomb and farted on him.

Poliwag: Taste this!

He fired a bunch of pie bombs and blasted him all over.

Horsea: Chew on this!

She fired bear traps and they snapped onto him and it hurt like the dickens!

Tentacool: And this too!

Tentacool fired waves of lightning and electrocuted him.

Jirachi fired star bombs and blasted him all over.

Poliwag: Fake barf!

He vomited and splattered him all over.

Lisa came in with the Funny Bone Virus antidote.

Lola: Perfect!

Horsea: Present surprise!

She gave him a pie and then it hit him in his face and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Lisa then injected Dexter with the antidote and he was cured!

Dexter got up and groaned weakly.

Dexter: What? What happened?

Jirachi: Aww! Me and Tentacool didn't get to go!

Me: Yeah you did. Jirachi fired star bombs and Tentacool electrocuted him.

Tentacool: Oh yeah. Right.

Jirachi: Sorry.

We told Dexter what happened and it was brutal.

Dexter: Oh wow. Thank you for saving me guys.

Me: Sorry we had to rough you up like that.

Dexter: No worries but thank you guys.

Me: You're welcome.

Dexter: So, these are the Renegades?

Me: That's right. Moon Knight, Scarlet Spider, Kilowatt, Gladion, Zoey and Azrael were protecting the city.

Gladion: That's right.

Nico: It's awesome.

Dexter: Wow that is great!

Gladion: Nico, which Gene Slammers do you think you'll meet next?

Nico: Oh right mandatory question. Watchog and Stoutland next.

Me: Aww those two are cute.

Qin: Yeah they sure are.

Laney: So cute.

Nico: Now lets get ready. We have a huge day tomorrow.

Me: Yep. Jim we're on our way. Hang tight.

We enjoyed the rest of the day and went to sleep.

---

Meanwhile in Arcadia Oaks, Jim Lake and friends were getting ready for our arrival and it was going to be awesome and fun.

Jim Lake: I can't wait to kick some butt with Team Loud Phoenix Storm.

Claire: Me too. We'll make that evil witch Morgan Le Fay pay.

Jim Lake: Yep. Lets do it! BY THE GLORY OF MERLIN! DAYLIGHT IS NOW MINE TO COMMAND!

He donned his armor and was ready!

They went at the screen and it froze with them in it.

TO BE CONTINUED…

Me: Boy this is gonna be awesome.

Nico: It sure is.

Nicole: I've been wanting to see if there is a cave underneath the park for a long time. Legends say that a drainage pipe is how you get to it.

Qin: This will be interesting and cool.

Leeli: It sure will be amazing and cool.

William: I'll say.

Nico: William, I want to thank you and Myotismon's team for coming.

William: No problem Nico. This is gonna be so fun.

Lucy Dark: It sure will be.

Camie: Yep.

Nico: Lucy, remember when we met you?

Lucy Dark: How can I forget. You guys helped me kill Mr. Morton.

Qin: That was awesome from what I heard.

Me: And he was an ugly freak.

Camie: Yikes.

Lola: Yeah he was really ugly.

Maria: It was also when I used the Ring of 9 Dragons.

Nico: That was crazy but cool.

Qin: Wow.

Lola: Yep.

Camie: That must've been awesome.

Lisa Loud: Indeed it was.

Nico: Yep.

William: Really awesome though.

Nico: It was. Man yesterday was funny.

May: How's Dexter doing?

Lisa Loud: He's doing okay. And he is much better now.

Me: Luan told me that the clown she had hired as a helping hand with Eddy tripped on a rock and Dexter who was in the wrong place at the wrong time got bit.

Nico: Ouch.

Me: They just brushed it off and thought it was nothing.

Nico: Oh.

Maria: And now, we know who the Renegades are.

William: We sure do and that is so awesome.

Xenia: They sure are amazing.

Qin: And deadly too. And they did a great job helping us while we were gone.

Camie: That is for sure.

Leeli: That is so awesome and amazing.

Girl Jordan: It sure is. I think it's so awesome.

Lucy Dark: It sure was awesome.

Nico: So Lillie wasn't talking to a Telemarketer after all.

Me: Nope. It was her brother.

Lola: Yep.

Nico: That was amazing.

Camie: It sure is.

Maria: Here we are!

We arrived at the drainage pipe.

Nicole: Stay close guys.

We went in and found a crack on the side and Nicole chipped it away and it went into a cave.

Nico: Wow. Here we go.

May: Can we get some lights on?

I formed balls of energy and they had beams of light shining around us.

Qin: That's better.

We went in and saw that it was an amazing cave!.

Me: Wow. What a cave.

Laney: Amazing.

Nico: Let's keep on going.

We kept going and then heard running water coming from another room. There was a light coming from it too.

Me: Running water?

Lola: Hmm.

We went into the room and to our amazement and awe we saw a beautiful crystal cave with an amazing and breathtaking crystal forest! It was beautiful!

Me: Wow!

Nico: Incredible!

There were also trees and plants growing too.

Maria: Look at all this!

Nico: Incredible!

Rarity: This is absolutely amazing darlings.

Qin: It sure is.

Xenia: Wow!

Venus: This is amazing and cool.

Leeli: It sure is.

Nico: Is there a treasure here?

Nicole: Nope. I wanted to see if this was real because I was hearing rumors about it.

Qin: Oh wow.

Nicole: And surprisinging this whole cave is a treasure all on its own.

Qin: That makes sense.

Nico: Let's take pictures.

We did so and took them with our phones and they were amazing.

Qin: So awesome.

Pinkie Pie: It's amazing!

Laney: This is awesome.

Eli: It sure is. And I sense Swartz's creations too. We have Another Eustace Bagge and Another Myotismon.

Camie: Whoa.

Nico: There she is.

We saw a figure and it was a dark version of Myotismon! It was ANOTHER MYOTISMON!

Me: Whoa! Another Myotismon!

Xenia: Wow!

Another Myotismon: (In a girls voice) Nico help me.

Nico: (GASP) That voice!

Myotismon: That voice is familiar!

She reverted back and we saw that it was a girl that had blonde hair and had red eyes and vampire fangs! And she had a green shirt and white shorts! She also had bite marks on her neck which were a clear giveaway!

Nico: (GASP) Sally Yamane!

Me: Whoa!

Qin: My god! What happened to you!

Myotismon: Oh this is all my fault. I shouldn't have drank her blood.

Nico: Wait now I remember! Back when you were the Digidestined public enemy number 1, I found her on the street with bite marks and near death.

Kaito: (gets out Gaim gear) Did Swartz promise you anything?

Zocks: (gets out Wizard gear) Because we can grant it instead.

Me: Kaito, I think from the way she is crying out like this is obvious! She wants to be cured of the vampiric curse.

Kaito: Oh right.

Zocks: Well then we better do something.

Me: Look at her. She is really in a lot of pain from this.

Nico: Poor girl.

Zocks got a Wizard Sword and Kaito got a Gaim Sword.

I pulled out my cooler and gave her a blood pack.

Me: This will hold you till were done.

Sally Yamane: Oh thank you.

She drank it.

Sally Yamane: (Slurps) I hate being a vampire. I had to hide out from the sun, can't eat garlic, everything.

Natasha Hernandez went over to her.

Natasha Hernandez: I know Sally. Being a vampire is tough. The endless thirst for blood, weaknesses to garlic, silver, sunlight, crucifixes, holy water, EDTA, all that. I know. It's not a good sight.

Sally Yamane: You know the feeling?

Natasha Hernandez: I sure do. I'm a vampire myself.

Sally Yamane: Wow.

Sougo: (gets out Gaim Ridewatch) And you've got nothing to fear from Myotismon.

Armor Time! (Horns and traditional Japanese music) Soiya! Gaim~!

Geiz: (Gets out Beast Ridewatch) He's been a good frenemy since the beginning of the Masters of Evil.

Armor Time! (Drum roll) Open! Beast! (Lion roar)

Sougo got GaimArmor while Geiz got BeastArmor!

Me: But we'll cure you.

Lisa gave me an auto injector syringe full of the blue liquid that Batman used on Dracula's victims.

Me: This will cure you. But first the Ridewatches.

Qin: Yeah!

Sally Yamane: Just please help me! I was hiding out here ever since that attack.

Me: Oh boy. Lets help her out guys.

Sally turned into Another Myotismon.

Nico: (gets out Myotismon's Ridewatch) Geiz and Sougo are right, Sally. Myotismon has been a good friend since the beginning. And he's even helped out a lot in some of our most biggest battles.

Nico activated it and fired swarms of bats and knocked her down.

Me: That's right. Sure he was the Digidestined Public Enemy Number 1 in the past but he changed big time.

Laney: It's true.

Lucy Dark: I am proud of Myotismon.

Nico: Same here. (Echoing) GRISLY WING!

He fired a massive swarm of Bats and smashed her down.

Nico: And here is this. (ACTIVATES EVIL SHADE MAN'S RIDEWATCH)

He fired a wave of energy and smashed her down.

Me: By the way Myotismon, I didn't know you could make other people into vampires yourself.

Myotismon: No one asked about that.

Nico: Must be a forgotten power.

Maria: It must be.

May: (gets out Looney Tunes Frankenstein's Ridewatch) Frankenstein vs vampire!

She activated it and grabbed Another Myotismon and then…

BAM BAM BAM BAM BAMBAMBAMBAMBAMBAM!

She got beaten up bad!

Nico: Ouch.

May: (gets out NES Hedorah's Ridewatch) Now for this!

She activated it and fired a laser blast from her eye and blasted her down!

Me: Nice one! Hedorah from 1971 would be proud.

Qin: Yep!

Maria: (gets out Evil HERO Inferno Wing's Ridewatch) Time to heat things up!

She activated it and fired waves of fireballs and blasted her down.

Me: Infernal!

Bonnie Terrez: Dark Jaden would be proud.

Me: Yep.

Maria: (gets out Wolf (Legend of The Candy Cane)'s Ridewatch) I'm hungry like the wolf!

(DURAN DURAN'S HUNGRY LIKE THE WOLF PLAYS IN THE BACKGROUND)

Maria activated it and fired waves of energy and blasted her all over!

Nico: ROCK ON!

Me: Love that song!

Lucy Dark: My turn!

She activated Evil Shade Man's ridewatch and fired waves of energy and smashed her down.

Then Selene, Zara, Priestess of Crimson Flame, Scorch Woman, Necrolai, Vampire Rarity and Dracula (A Gaggle Of Galloping Ghosts) came.

Nico: Nice team, Selene!

Selene: Thanks Nico.

Zara: This is gonna be rough.

A Stoutland then came.

Me: Hey a Stoutland.

May: Oh it's so cute.

Stoutland: (In a girls voice) (Scottish Accent) Aye I sure am cute like this now.

Nico: Siobhan MacSlaigh!? Whoa!

Selene: Show her what you're made of!

Siobhan reverted back and she was a girl with blue hair and had pointy ears and had blue eyes and she had blue clothes and a blue Scottish Kilt.

Siobhan MacSlaigh: You can count on that now.

Nico: Siobhan is a Frost Elf like Avril and she has awesome ice powers.

Me: Cool!

She fired waves of ice and smashed her down and I caught the ridewatch and purified it and I ran over to her and gave her the injection and she was twitching and screaming and then the bite marks vanished and she was back to normal.

Sally Yamane: (GROANS) What a headache. (In pain) I feel like I got hit by a bullet train.

Nico came and picked her up.

Nico: You're back to normal.

Siobhan MacSlaigh: Aye you'll be okay now.

Lincoln: Are you from Skylands or from Scotland?

Siobhan MacSlaigh: Bit it both actually. I was born in Skylands but raised here on Earth in Scotland.

Rarity: That is amazing darling.

Lincoln: My ancestors are from Scotland. So you are perfect for the team.

Me: Yeah.

Sally then hugged Nico and cried hard.

Nico patted Sally on the back

Nico: It's okay Sally.

Qin: She went through hell.

William: No kidding.

Lucy Dark: Siobhan what's your favorite memory of Nico?

Siobhan MacSlaigh: I have a lot of favorites lass. My favorite would be where me and Nico battled a bunch of wee diamond smugglers in Scotland and we brought those sacks of haggis to jail.

Me: The great Scottish Diamond Heist? Wow. That is amazing.

Laney: Wow! That is amazing.

Siobhan MacSlaigh: Aye. It was.

Nico: I've missed you Siobhan. I would hug you but my hands are full.

Siobhan patted him on his back.

Siobhan MacSlaigh: I'm missed you too now.

We went back home.

Lincoln: Whoa, we're here in the world of the 1981 werewolf horror movie, The Howling, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to kill the werewolf serial killer, Eddie Quist, along with the rest of the werewolf colony there, and it's going to be one epic bloodbath of carnage.

Me: Oh man, I remembered Dad seeing this movie long ago, and it was the scariest werewolf movie ever.

Nico: This place is literally filled to the brim with werewolves, and they're not going to take kindly to seeing us here.

Lincoln: True, but I'm not letting any innocent people die at the claws of a colony of murderous werewolves.

Lincoln transformed into Lincoln The Nocturnal, Defender of The Night as he let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, and he let out a powerful howl.

Lincoln: (Beastly Voice) Now, they're going to deal with me: Lincoln the Nocturnal, Defender of The Night, and I want to thank your team for joining us, J.D.

Me: You're welcome, Lincoln, even though I'm with you on your rescues, it's still fun. Oh, Sakura, you are also going to like seeing this.

Sakura Knudson: Whoa, you're a werewolf!

Me: (Beastly Voice) Yep, in this form, I'm known as J.D. The Nocturnal, Defender of The Night.

Suddenly, we saw Elemental HERO Necroid Shaman appear before us, and with it are the eight girls.

Nico: That's Elemental HERO Necroid Shaman, wicked.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Necroid Shaman: (Girl's voice) Oh, sorry about the scare, but I got the girls away from that werewolf serial killer, Eddie Quist, but Karen White's in danger because Eddie's going to transform.

Lincoln: (Beastly Voice)(Gasps) That voice, Darcia Rodanthe, I knew it was you. But, we'll have time to catch up later, come on, we need to save Karen White.

We rushed to the office, and just in time, we saw Eddie Quist transforming into a werewolf, and Karen was backing away slowly, but she hid a jar of corrosive acid behind her back. We opened the door and we saw that Eddie Quist has transformed fully into a werewolf, and then, Karen threw the corrosive acid at Eddie Quist.

Lincoln: (Beastly Voice) Hurry, over here!

Karen ran to us, and then, Lincoln fired a black fireball blast infused with Black Gate energy, and it hit Eddie Quist and he was incinerated and he was sent to The Black Gates.

Nico: That was close, but we're not done yet.

We then head for The Colony and we're met by Chris Halloran who came armed with his gun and silver bullets, and just in time, we then saw Marsha Quist, the sister of Eddie Quist and Alpha Female of The Colony, along with everyone in The Colony. Then, we saw them transform into werewolves.

Lincoln: (Beastly Voice) They've transformed into their werewolf forms. Come on, let's get them!

Enraged, Marsha Quist sent armies of werewolves at me and Lincoln, but Lincoln and I ran at them as well, we plunged our hands into the chests of two werewolves chest and ripped out their heart and ate them, we then grabbed two more and lifted them up and after ripping their hearts out and eating them, we ripped them in half spilling their guts everywhere, we jumped behind two more and after ripping their hearts out and eating them, we plunged our hands into their backs and we ripped out their entire spinal columns along with their skulls and brains, we grabbed two more and after ripping their hearts out and eating them, we ripped their heads clean off spilling their blood everywhere, we grabbed two more and ripped their legs off and we ripped out their hearts out and ate them, we grab two more by their heads and ripped their heads off and tore out their spinal columns as well, we grab two more and plunged our hands in their chests and ripped out their beating hearts and ate them, we grab two more werewolves on both sides of their heads and RIPPED THEM IN HALF DOWN THE MIDDLE SPILLING THEIR BLOOD AND GUTS EVERYWHERE! We grabbed two more werewolves and we stabbed their eyes out with our claws and we grabbed them by their mouths and ripped their faces in half.

Then, Lincoln grabs Marsha Quist by her neck with his left hand, and he bit her in the jugular vein and he sucked out all of her blood and he absorbed her into his body via contact with his skin, and after he got done absorbing Marsha Quist, he did the same as he absorbed the dead bodies of all the werewolves along with their blood, and then, Lincoln sent Marsha Quist's soul and the souls of the other werewolves to The Black Gates. The rest of us cheered as we holstered our weapons and powered down.

Lincoln: (Beastly Voice) You've claimed your last victim, Eddie and Marsha Quist.

Me: (Beastly Voice) You got that right, Lincoln.

Nico: Damn, you two absolutely showed those werewolves no mercy whatsoever, you slaughtered and butchered them.

Lincoln: (Beastly Voice) Thanks, Nico. Now, let's get ourselves clean, we're dripping blood like freshly cut slabs of meat.

Lincoln put us in a huge water ball and washed us off, and the huge water ball turned red and we were clean. Then, Lincoln and I shook like dog and we were dry.

Lincoln: (Beastly Voice) There, that's much better.

Then, Lincoln and I revert back.

Lincoln: (To Darcia Rodanthe) And it's so good to see you again, Darcia Rodanthe.

Darcia Rodanthe reverted back to normal, and she's a beautiful girl with long blood red hair, blood red eyes, she was tall at 6'5" in height, she had the body of a goddess and vampire fangs, she has massive and beautiful black angel wings, she's dressed in a long blood red coat, long-sleeved white shirt, black pants, black knee-high high-heeled boots with black and grey butterfly buckles, and long white long-sleeved trenchcoat with darkness, shadows, bats, creatures of the night, and dark angels on the coattails and on the back is Elemental HERO Necroid Shaman, and holstered on her back is a massive Elemental HERO Necroid Shaman-themed greatsword with embedded blood red gems and Elemental HERO Shadow Mist etched on the 7'0" massive, wide, double-edged black blade, large black bat heads for the crossguard, large white angel faces embedded on both sides of the hilt with blood red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large blood red gem on the bottom of the large white angel heads for the pommel.

Darcia Rodanthe: You too, Lincoln, it's been a long time.

Lincoln went up to Darcia Rodanthe and he hugged her, and Darcia Rodanthe is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Darcia Rodanthe: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Darcia Rodanthe, Gene-Slammer of Elemental HERO Necroid Shaman, she's my Guardian Angel from Michigan.

Elizabeth Lioncourt: And she's a member of The Rodanthe Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages. She's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult.

Monica Anniston: She's another member of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince and they destroyed Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day.

Caitlin Ashleigh: She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles.

Catherine McKenzie: She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Selene and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

Me: Yep, I knew it.

Nico: We met Sir Integra when we killed Leif and Jessica in London, and she's already a member of the team, but she's also pissed off that some of her agents got Gene-Slammed by Team Rocket and Kurata.

Me: And we hate to know what Lori did to warrant your form of payback.

Darcia Rodanthe: Sir Integra already asked that question, but trust me, you're not going to hearing it. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Darcia Rodanthe?

Darcia Rodanthe: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Darcia Rodanthe: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Darcia Rodanthe, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Darcia Rodanthe: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Darcia Rodanthe's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Darcia Rodanthe: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Darcia Rodanthe.

Darcia Rodanthe had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are Grace Delaney, Rita Estevez, Michelle Zuria, Hope Newman, Mia Loukas, Zoe Kusama, Asal Hawaa, and Léa Bonnet from Criminal

Case.

Lincoln: Oh wow, it's Grace Delaney, Rita Estevez, Michelle Zuria, Hope Newman, Mia Loukas, Zoe Kusama, Asal Hawaa, and Léa Bonnet from Criminal Case.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Grace Delaney: Yes, we're okay, thanks to you.

Then, when Grace Delaney and the other seven girls saw who it was that saved them from Eddie Quist, Marsha Quist, and the colony of werewolves, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Grace Delaney:(Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Grace Delaney, Rita Estevez, Michelle Zuria, Hope Newman, Mia Loukas, Zoe Kusama, Asal Hawaa, and Léa Bonnet with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went after were the werewolf serial killer, Eddie Quist, his sister and Alpha Female, Marsha Quist, and the rest of the werewolf colony.

But, when Lincoln showed what happened with us giving those werewolves the brutal beatdown of their lives and Lincoln and I in our Nocturnal Werewolf forms ripping all of them to shreds and spilling their blood and guts all over the place and Lincoln absorbing their ripped apart bodies and blood and sending them to The Black Gates, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Darcia Rodanthe have a lot of catching up to do, now that she's back in town.

Maria: Damn, now that was one heck of a brutal bloodbath!

Lincoln: It sure was.

Maria: Aw, and I should've joined you guys, I would've really ramped up the bloodbath.

Girl Jordan: That's okay, Maria, J.D. and Linky had that under control and they made a huge mistake when it came to messing with two Alpha Male Werewolves.

Nico: Yeah, it always ends in the bloodiest way imaginable, yeesh.

Sakura Knudson: And it was really awesome seeing my brother turn into a werewolf.

Lincoln: That happened seven years ago when we went to Gotham City and we went after Anthony Romulus who got turned into one when he drank Professor Milo's werewolf potion.

Me: I still remember that day all too well.

---

After destroying Eddie Quist, Marsha Quist, and the colony of werewolves, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Darcia Rodanthe saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Darcia Rodanthe: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful

teachers, J.D. and Nico included, Darcia, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Darcia Rodanthe: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Darcia Rodanthe: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Darcia, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Darcia Rodanthe: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded

Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Darcia Rodanthe: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through.

We got a shower, and then, Lincoln, Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi are heading to Aruba in The Caribbean.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi fell in love at first sight with Lincoln when he was introduced to them, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant.

Sasami Iwakura: Wow, so this is Aruba, this is so awesome.

Lincoln: You said it, Sasami, and this is actually my first time here in Aruba, and it's perfect for our first date and right before Yan Lin's big day to meet Jim and his friends and destroy Morgan Le Fay. Shall we?

Lincoln, Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen

900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi, and they hugged the girls in their abnormally massive and powerful muscular arms, and Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Aruba, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Sasami Iwakura, Misao Shinohara, Makoto Hozumi, Tsukasa Takamine, and Anri Misugi are now in your harem.

Nico: I haven't even forgotten when they first met Lincoln, man, they had hearts in their eyes, red blushes on their faces, and their noses were bleeding.

Me: Same with Lincoln, and it ended with him getting pounced on and kissed all over the place.

Ronnie Anne: And now, they're new members of our man's harem.

At the estate we were watching TV.

Gladion: I saw the concert you guys all did in Madagascar. That was so awesome.

Lillie: It was amazing!

Me: Thanks guys. That was the most rockin concert we ever did

Nico: Boy it sure was.

Xenia: Joel had a lot of fun in that one too.

Camie: He sure did. He loved all our songs.

Lola: That was awesome.

Zoey: That was so much fun seeing that. You guys have awesome voices.

Me: We did a lot of karaoke practice too.

Camie: We sure did.

Me: Last year in the islands of Palau we sang for them and it was awesome.

Zoey: Boy that was awesome.

Nico: Yep it sure was.

Eli: That was fun.

Devon: You guys wanna join me on patrol?

Sora: We'd like that!

Me: Sure Devon.

Devon: All right. Lets go.

We went down to the city.

---

We walked around and saw a lot of people happier than ever.

Me: Boy the city has never been this happy and bright.

Xenia: You got that right.

Moon Knight: It sure is awesome. The people are so happy for all of us too.

Irma: They sure are.

Me: And man the last 12 days brought down the crime rate dramatically.

Gladion: Yes that was fun for all of us.

Lillie: It sure was.

Scarlet Spider: Hey, you guys see that kid over there?

We saw a familiar kid and we recognized him.

Me: (GASP) That's Taichi Izawa. I remember him.

Nico: Me too. Poor kid.

We then saw a bunch of bullies coming up to him and they had crowbars and baseball bats.

Me: Oh no you don't!

I went over to them.

Me: HEY! Leave him alone you little parasites!

Bully 1: Oh yeah? What are you going to do about it?

Me: Beat your skulls out of your heads if you don't leave right now!

I cracked my knuckles.

Bully 2: Do you think we're afraid of you?

Me: You should be!

I punched a street light and smashed it down!

The bullies screamed and ran with their tails in between their legs!

Me: YEAH! And don't let me catch you picking on little kids ever again!

Nico: Nice one!

Qin: You showed them.

Devon: You okay, kid?

Taichi Izawa: I'm fine. I just want someone to play with.

Me: Oh that's all right. Glad you're going to be fine. (In my head) I remember that Taichi was separated from his older self who is dying. I don't know how that happened but it did.

Devon: What do you want to play?

Taichi Izawa: (smiles) Tag!

Me: Lets head to the park for that.

Taichi Izawa: Okay.

We went to the park.

We then played tag with him.

Qin: Gonna get ya!

Qin ran fast!

Qin: (LAUGHS)

Taichi Izawa: Can't catch me!

Devon: (laughs) That was actually fun. Well, I'll be seeing you.

Taichi Izawa: No. Don't leave. Play with me some more.

Devon: (sighs) I'd like to. But today is very big for us. We really have to go.

Taichi Izawa: No! Don't leave! You keep playing with me now!

Me: Uh oh! Hitotsuki incoming!

With that, he was surrounded by an energy cirlce with the Go Busters symbol and turned into Tokumeiki from episode 9 of Donbrothers!

---

During his childhood, Taichi is bullied by his fellow children for his appearance, going as far as to not play with him. This event caused trauma that he seem to carry even on his own age. As he is sick on a hospital bed, he wishes to play with everyone. His childlike desire to play games with everyone is so strong that it manifest as Tokumeiki who is capable to transform into a younger version of himself. Tokumeiki would wander around and "play" Daruma-san ga korondo and Tag with everyone, unaware on his destructive abilities and annoyed that his "playmates" not understanding the rules of the game.

The Donbrothers encounter Tokumeiki, confused on the Hitotsuki's childlike demeanor. When the sick Taro arrives and fail to finish him off, the annoyed and bored Tokumeiki runs off to find a new place to play. He would later start an another game where he is able to easily win against the pissed off InuBrother and the worried KijiBrother on a game of Daruma. He would find more "players" to play with, changing his game to tag. In that game, SaruBrother is tagged by Tokumeiki as the trio rescue the civilians that are forced to play with him.

Kaito later arrives and personally delivers the 300 kibi dango to Taro. He later transform into Zenkaizer Black to buy some time by fighting Tokumeiki so Taro can finish his food, much to their shock. After Taro regain his strength, he fight Tokumeiki to no avail before challenging him on a game of Daruma, much to the joy of Tokumeiki that he summoned Anoni to join them in their game. He would regain his full strength thanks to Haruka as he become Don Robotaro, effectively defeat the Anoni and later on, the teleporting Hitotsuki. The now purified spirit of Taichi's childlike nature thanks them before returning to now relieved Taichi who is now having a good dream, much to the relief of the nurses nearby. Meanwhile, Zenkaizer Black catch the falling Go-Busters Avataro Gear and all the disappeared people and Donbrothers return back where they were.

---

We gasped!

Me: Tokumeiki the Go-Busters Hitotsuki! I knew it! I remember this one! It's exactly like what happened in the episode.

Nico: Deja-vu!

Me: This is gonna be fast and awesome!

Nico: We're going to need speed power for this!

Devon: Activate Beast Power!

He went Beast Morpher!

Devon: UNLEASH THE BEAST!

Rainbow Dash: Lets see who is the fastest!

Sonic: This is gonna be awesome!

Speedy Gonzales: (Spanish Accent) Lets get this gato amigos. Yeehaw!

Tokumeiki: What the?

Sonic: Over here.

He saw Sonic and he ran fast as Tokumeiki went at him.

Tokumeiki: What the?

Sonic: I'm waiiting.

Tokumeiki ran at fast speeds at us. Devon did the same at him.

I ran fast at Tokumeiki and me and Devon bashed him down!

KRASMASH!

Qin: YEAH!

Me: We're going to need serious speed here.

I took off my weighted jacket and weights and folded them up and then put them on the ground and then…

THUNDEROUS CRASH!

The weights crashed into the ground with a massive crash and formed a huge crater.

Me: There. (CRACKS NECK) Much better.

I went at Tokumeiki and smashed him down with incredible speed!

Kilowatt shot lightning at Tokumeiki but he teleported behind him.

Rainbow Dash and Flash smashed Tokumeiki down.

Qin: Take that!

Kilowatt fired waves of lightning and electrocuted him.

Lyra slashed and bashed him all over.

Nico: Yeah!

Tokumeiki: Red light green light!

We decided to stop in place but everyone else fled in terror.

Tokumeiki: You're not playing the game correctly!

Tokumeiki ran at the civilians, making them disappear.

Sally: Oh no!

Me: Nice try. (SNAPS FINGERS)

They came back.

Me: My turn.

I pulled out a traffic light.

He ran at me.

Me: 1, 2, 3, 4, 5, 6, Red Light!

SPLAT! MASSIVE FIERY EXPLOSION!

Nico: OOH! He is going to be feeling that one!

Tokumeiki tried to turn intangible, only to still be hit by Octopunch with his harpoon gun.

Octopunch: Take that!

Danny Phantom: You aren't the only one that can go intangible.

He went intangible and went underground and pulled Tokumeiki by his feet and sunk him up to his head.

Nico: Nice!

Me: Take that!

Tokumeiki then blasted out of the ground!

Me: WHOA! He is tough.

Tokumeiki fired lasers from his sword at us but Devon fired back with his Beast X Blaster.

The blasts collided and exploded!

MASSIVE FIERY EXPLOSIONS!

Me: Top this one too! (SPINS MAGISWORD BRACELET)

GIANT EGG AND LITTLE BLUE BOMB MAGISWORDS!

Me: SOLO TEAMWORK COMBO: EGG GRENADE BLASTER!

I got an awesome egg grenade blaster.

I put it on the blaster and fired and it hit Tokumeiki and blasted him all over with powerful egg bombs that exploded with the power of grenades!

KRABBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOMMMMM!

Nico: OH YEAH!

Azrael tried striking at Tokumeiki but he teleported behind him

Azrael: What the!?

We saw a Watchog!

Me: A Watchog!

It fired a wave of energy and blasted down Tokumeiki.

Nico: YEAH!

Watchog: (In a girls voice) (German Accent) Ja that was a good one.

Nico: Ilse Sweldens! Whoa!

Qin: Awesome!

Watchog: Ja great to see you again Nico. Und you too Qin mein leibchen.

Qin: Same here Ilse.

Hunter: (German Accent) Ja good to meet a fellow German native.

Maria: Isn't he really an old man?!

Me: That's right he is!

I showed a viewing window and it showed the real Taichi as an old man in bed in a hospital and he was critically ill.

Maria: Oh no. Poor guy.

Me: Yeah this one I feel bad for.

May: If it weren't for our powers, we would have difficulty fighting him!

Me: I know! Hmm. I got an idea!

I chanted an incantation and fired a beam of magic and it hit Tokumeiki and separated Young Taichi from him and merged the old version of Taichi with him and he was younger and well again and better than ever!

Nico: WHOA!

Lyra: Nice!

Taichi: Wow! I'm young! And I feel better than ever!

Me: You are better now Taichi. I healed you by merging your real self with your young self and made you better than ever.

Taichi: Awesome!

He then hugged me.

Taichi: Thank you J.D. Thank you!

Me: You're welcome. How would you like to be a member of the Donbrothers?

Taichi: I would like that!

Nico: Cool!

Tokumeiki: Red light g-

Scarlet Spider: (punches him) No more games!

Flash ran at Tokumeiki

He blasted and smashed Tokumeiki all over with incredible speed.

Taichi fired waves of water and blasted him all over.

Taichi: This is awesome!

Me: Yeah!

Lyra: Time to end this!

Me: Lets do it!

Me and Lyra jumped and slashed Tokumeiki and he exploded!

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was dead and I caught the Avatar Gear and it was for the Red Beast Morphers Ranger.

Me: Tokumeiki you have failed this city!

Lyra: Demon Elimination Complete! All's Well that Ends Well.

Nico: YEAH!

Me: Boy Taro and the Donbrothers are going to be in for a surprise seeing Taichi as the Aqua Blue Donbrother.

Lyra: They sure are.

Me: I'll be right back guys. I'm gonna take Taichi back to Japan to tell Taro and team the news.

Nico: Okay.

Taichi: I had an awesome time guys.

Nico: Glad you had fun.

I teleported with Taichi back to Japan.

Ilse revert back and she was a blond hair girl with red clothes and had the kanji for Octopus in the middle of her forehead.

Ilse: Ja that was fun.

Seaspray: What's your favorite memory of Nico?

Ilse: I have a lot of them but mein favorite with Nico is drinking beer und we got so drunk that we ended up making out.

May: Oh boy.

Nico: (GROANS) THAT WAS THE WORST MISTAKE I EVER DID!

Eli: Oops.

I came back.

Me: I'm back. Sorry about that.

Nico: No worries.

Me: Taro and everyone were amazed that Taichi have an Aqua Blue Ranger with them.

May: Awesome.

Nico told me what Ilse said and I was shocked!

Me: Oh good god! The Mascots have another drinking buddy!

Teresa: The way I see it, he's pretty much similar to Kotaro right now.

Me: Yep.

Eli: And lets not forget Kou from Dairangers.

Me: Oh right I remember that. He is a young ranger too.

Qin: That's right. So technically this makes 4 Young Rangers.

Nico: Yep.

Nico and Ilse hugged.

Nico: I've really missed you.

Ilse: Me too Nico. Me too.

Nico: Let's get ready now.

We went back to the estate and did so.

Nico: Yan Lin this is gonna be awesome.

Yan Lin: You bet it will be!

Xenia Lin: We're really excited for you grandma.

Hay Lin: Same here Grandma.

Yan Lin: Me too girls. I'm excited for this.

Me: We all are.

Nico: It was a long wait. But it was worth it.

Me: It sure was.

Qin: I'm so excited.

Me: I'm ready to help Jim and friends take down the dark side of Morgan Le Fay.

Fiona Hernandez: You got that right.

Laney: Now we can destroy her dark side forever and banish that to the Black Gates.

Nico: That is what we are going to do.

Lola: Yep.

The previous group came.

Seadramon: Can me, Puff, Wrecking Crew, Fireor, Count Nocturne, Oculous, Stonedozer, Whirlin, Iceage, and Magma go with you guys?

Nico: Yes you all can come with us.

Thunderball: So these are the Renegades, huh?

Moon Knight: That's us.

They saw Moon Knight, Scarlet Spider, Azrael, Gladion, Zoey and Kilowatt.

Wrecker: Scarlet Spider and Azrael!? I didn't expect you to be in the new Renegades.

Scarlet Spider: I know. Been a long time Wrecking Crew.

Bulldozer: And Moon Knight too!?

Moon Knight: That's right. Been a while.

Beekeeper: Nico, which Gene Slammers do you think you'll meet next?

Piledriver: That's what I want to know too.

Nico: Liepard, Simisage, Simisear and Simipour and Musharna.

Me: Whoa! This will be interesting. The Three Elemental Monkeys especially.

Nico: Yep.

Cilan: It's going to be interesting to see who was turned into mine and my brothers Pokemon.

Qin: It sure will be interesting Cilan.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Helena Hastur's evil brother, Michael Hastur, but unlike his sister, he's a normal person, but he's a demonic Dark Goth who's killed hundreds of innocent people as part of his sacrificial offerings to Hastur years ago, and he tried to sacrifice his older sister only to get beaten up hard by Lincoln and sent to a maximum security prison, but now, years later, that demon Dark Goth is heading here to get revenge on Lincoln and Helena for what Lincoln did to him that day. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, and Helena, you are so not going to like it one bit: the dark energy signal I sensed belongs to your evil brother, Michael Hastur.

Helena Hastur: What?! Michael's broken out, I thought we wouldn't have to see him ever again after what you did to him!

Nico: Uh oh, this isn't good. Lincoln, can you tell us about Michael Hastur?

Lincoln: Certainly, Nico. Just like with Selena Shub-Niggurath's evil brother, Damian Shub-Niggurath, Michael Hastur, unlike his sister, is a normal person, but he's a demonic Dark Goth who like Damian has killed hundreds of innocent people as part of his sacrificial offerings to Hastur years ago, and he tried to sacrifice his older sister only to get beaten up hard by me and sent to a maximum security prison for good.

Helena Hastur: And now, we find out he's broken out of jail to get revenge on me and Lincoln. He's going to meet the same fate as Damian Shub-Niggurath. I said it once years ago, I'll say it again, that little monster's no longer my brother, he died the very day he tried to sacrifice me to appease The King In Yellow without realizing I'm the Incarnation of The King In Yellow.

Me: Yeah. And Adriana, Arabella, Adrienne, Callista, Cadenza, don't tell me that you girls also have evil demon Dark Goth brothers who…?

Adriana Azathoth: Yep, we do.

Nico: Jeez, and of course, Lincoln kicked their asses hard onto the ground and sent them away to jail for good.

Arabella Yog-Sothoth: If any of us so much as finds out that Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha have also escaped, we're going to wring Michael's scrawny little neck for this.

Yan Lin: Leave that part to me, Helena, and Lincoln, Arabella.

Nico: Three against one, Michael Hastur, your ass is about to be kicked hard onto the ground for this. Alright, gang, let's go, it's time to meet up with Jim Lake and his friends and destroy Morgan Le Fay.

Lincoln: That malevolent witch and sorceress will pay for every last one of her crimes in full, and once we get done with Morgan Le Fay, you're next, Michael Hastur.

Helena Hastur: Michael, you better be ready for one last fight, because now, you will suffer the dark fury of Hastur's Incarnation, me.

Yan Lin: Hang in there, Jim, we're on our way.

Nico: Lets roll!

We went down to the surface.

Me: (WHISTLES)

My Rapidash came and I got on.

Nico: Oh I get it. You want to make it an awesome Elemental Horse entrance.

Me: Yep.

We called our Elemental Rapidash.

Camie: Now what do we do?

Me: We ride.

We were off to California!

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

We were riding fast and it was epic!

Bulldozer: We there yet?

Fireor: We'll tell you when we're there!

We rode on into Arcadia Oaks!

Jim Lake and friends were blasting and battling numerous Anonis!

Jim Lake: Geez they are everywhere!

MASSIVE EXPLOSIONS!

Claire: No kidding there!

They blasted them all over.

Then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and a phoenix cry was heard!

Zocks: (Singing) Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!

Jim Lake: Zocks!

Then like the 4 Horsemen of the Apocalypse we bursted out of the explosion and blasted the Anonis all over the place!

Qin: YEAH!

We destroyed them all.

Claire: That was so awesome!

Yan Lin: Yeah it was!

Me: Looks like you guys had your hands full with the Anonis.

Claire: That was an awesome entrance!

Jim: I knew you guys would come back!

Meowth: Was there any doubt?

Jim: Nope.

Me: But you guys did great battling those Anonis.

Toby: Anonis?

Me: The Footsoldiers that the Donbrothers faced on a daily basis.

Lyra Heartstrings: It's true.

Jim: Wow. Lets head to my house and we can talk.

Me: Okay.

We went to his house.

We arrived at Jim's house.

Oculous: Hi, Jim's mom!

Barbara Lake: Hello everyone. Hey J.D.

Me: Hello Mrs. Lake. Sorry to drop in like this. It's Yan Lin's big day mission.

Barbara Lake: No worries. And congratulations on winning the Ridonculous Race.

Me: Thanks.

Jim Lake: I saw the awesome concert you guys did in Madagascar. That was awesome.

Twilight Sparkle: Boy it sure was.

Sunset Shimmer: That was so fun.

Metal Man: Have you guys encountered Changelings before?

Jim: Numerous times.

Alt. Chrysalis: Well I am the queen of the Changelings.

Me: Long story.

Thorax: Also it's awesome.

Me: But the Changelings in Equestria are not like the ones you faced.

Nico: It's true.

Thorax: Yeah.

Claire: Hey where's Heidi?

Me: Oh Heidi is back home. She is really exhausted. She used a massive amount of energy on Nico's rescue yesterday.

Qin: It was epic.

Me: Yeah. We'll tell you about it later.

Claire: Okay.

Whirlin: Oh, and these are the guys who have been protecting the city while we were gone.

Moon Knight: Hello there.

Claire: Whoa! Scarlet Spider, Moon Knight, Kilowatt and Azrael!?

Lillie: Along with my brother Gladion and Dawn's friend Zoey.

Nico: They formed the Renegades.

Flash: It's based on a group of villains that I fought from the 25th Century.

Moon Knight: It's true.

Jim Lake: Wow! What caused this group to come into being?

Me: The Team Buktu Fiasco.

Moon Knight: We formed it to prevent another travesty like the Team Buktu Fiasco from happening again.

Me: Yep.

Moon Knight: The people of Griffin Rock chose Albedo's former teammates over J.D. and the rest last year and JD's rant was interrupted.

Kickback: You think they were just gonna let that happen again?

Me: Absolutely no fucking way not.

Nico: I agree there.

Jim Lake: Wow that is a good call there.

Lola: I agree too.

Nico: Yep.

Me: Oh right we owe you guys big time for helping us out with the Faiz Team.

Claire: Don't you mean tooth fairy?

Magma: (laughs) Nope. Beer fairy! He puts bottles of beer under the pillows of good children!

Me: (LAUGHS) That is cute though.

Me: Yeah but I got something for them.

I pulled out a cooler and gave them root beer.

Jim Lake: Thanks. Digimon and Pokemon that drink?

Me: Don't fucking ask.

Jim: Is Poromon a happy drunk or an angry drunk?

Me: More like Neutral Drunk.

Qin: Yep.

Ilse: I'll have some of those beers.

Poromon: Okay.

Me: Oh boy.

Me: Oh for fucks sake. (SPINS MAGISWORD BRACELET)

UCH! ROUNDY SPINNY THING MAGISWORD!

I calmed her down with it.

Nico: Sorry about that. That movie Winnie the Pooh Blood and Honey is a really horrible movie.

Me: It's one of the movies we blacklisted. We would not watch that movie even if you pay us or held a gun to our heads and threaten to blow our brains out.

Camie: Yeah it's that bad.

Jim: Oh boy.

Me: Yep. It's about Winnie and friends turning into psychotic feral slasher creatures.

They gasped!

Me: Yeah. It's awful.

Claire: How can they turn cute little Piglet into an ugly monster man?!

Wendy Koopa: I know, right?!

Me: That is horrible!

Me: Yes we separated her dark side from her and banished her to the Warp.

Nico: Only until the Big Day today.

Qin: Now we're going to send Morgan's dark side to the Black Gates.

Count Nocturne: She made Claire get her hands on weed!

Me: Which is just absolutely disgusting! And she turned her into a badass bitch! Sorry Claire.

Claire: No worries. But yeah she sure did. If I had the power to transform like you guys I would gladly give her a piece of my mind.

Me: You'll get the power to transform like us someday.

Xenia: Yeah.

Me: It just takes time.

Nadira: Where did you even find the weed?

Claire: I don't know.

Me: Local street thug.

Claire: Oh yeah. Morgan is going to pay for making me get that.

Barbara Lake: I agree. Also J.D. did you punch Steve in the face?

Me: I did. Sorry you guys had to see that but he was a jerk and he had it coming.

FLASHBACKS

YESTERDAY

Selene Febriaz: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Selene, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Selene Febriaz: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and

Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Selene Febriaz: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through.

TODAY

Nico: Yep. So, Darcia, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

We regrouped and everyone cheered.

Claire: That was so awesome!

Me: Yeah it was!

Beastbox: Now, let's go pay Evil Morgan Le Fay a visit.

Nico: You read my mind.

Eli: I sense that she is hiding there.

We saw an evil looking castle to the northeast.

Me: Whoa. Evil castle.

Eli: Yep.

Puff: Let's get a move on fast.

Nico: You got it.

Me: Yep. Get ready Morgan Le Fay, (EYES GLOW RED) you have 1,500 years of pain coming and it's going to be excruciatingly painful.

Nico: That is for sure.

We were off.

---

We arrived at the castle and it looked like a true fortress from the fire of hell.

Nico: Scary castle.

Eli: Yeah no kidding.

We then saw a figure guarding the entrance and it was BULAR!

Jim: BULAR!

Bular: If you want Morgan Le Fay, you must get past me!

Nico: I doubt that'll be a problem.

Me: We'll just blow you to pieces here.

Suddenly, Bular was struck in the back by heat vision.

Bular screamed in pain.

Me: I know that heat vision blast!

Out came the Legion of Superheroes!

Legion Superman: Hey guys!

Nico: You made it just in time!

Saturn Girl: We'll hold him off guys. You go after Morgan.

Nerissa: Let me help you guys!

Legion Superman: Thanks Nerissa.

We went in and the Legion of Superheroes and Nerissa started blasting Bular.

Lucemon came.

Nico: Thanks for coming, Lucemon.

Fusion Lucemon: No problem Nico. It's going to be tough but we can do it.

We went into the main room and hid and we saw EVIL MORGAN LE FAY!

Then Lucemon went up to her.

Evil Morgan Le Fay: You must be Lucemon. Even with your power, you're no match for me!

Fusion Lucemon: That would be true if I were alone. But then again, I'm NOT alone!

Evil Morgan Le Fay: What do you mean?

Then the spirits of King Arthur and Camelot came and they swirled around her and glared ferociously and then they converged and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive green fire explosion and it formed into a Celtic Triquetra and Celtic Flute Music was heard playing and then we came out and the area turned into SWEET SWEET GALAXY from Super Mario Galaxy!

Evil Morgan Le Fay: YOU!

Me: Yes me! You will pay for your crimes!

Jim: You made Claire almost go to jail!

Evil Morgan Le Fay: Oh please. She probably enjoyed being a bad girl, didn't she? If I had more time, I probably would've made her have fun with lots of grown up men.

Maria: Okay, that's it. The bitch is going down!

Me: That is for sure!

Qin: I've had it with you!

Evil Morgan Le Fay: Hidiacs! Come and serve your queen!

An army of Hidiacs appeared.

Me: Hidiacs! Now we're talking!

Nick Russell: This is gonna be awesome!

Qin: Yeah it is!

I fired waves of energy and massive numbers of fiery explosions blasted them apart all over.

Then the Hidiacs jumped Jim and his friends lay defeated at the hands of the Hidiacs.

Evil Morgan Le Fay: (laughs evilly) When I'm done klling you, I think I'll place your weapons on my trophy wall!

I kicked Evil Morgan Le Fay!

Me: Over my dead body!

Sora: (slashes a Hidiac) Oh no! What do we do?!

Yan Lin got an idea.

Yan Lin: Everyone in the audience! Lend Jim and his friends your strength! They get stronger with your support! When I go When I go "1,2", shout "By the Glory of Merlin"! Okay? 1,2…

All: BY THE GLORY OF MERLIN!

Yan Lin: One more time! 1,2…

All: BY THE GLORY OF MERLIN!

Yan Lin: Louder! 1,2…

All: BY THE GLORY OF MERLIN!

Jamesdean5842: BY THE GLORY OF MERLIN!

At those words, Jim found the strength to get up.

Jim: Morgan, you're getting our weapons over our dead bodies!

Jim then punched the nearest Hidiac, knocking it down.

Evil Morgan: WHAT!?

Jim: Thanks for the help, everyone.

Toby: Man, I didn't think we were that popular.

Claire: But then again, life is just full of surprises.

Aja: It sure is.

Krel: But we've still got a witch to dethrone.

Varvatos: Then what are we waiting for?

Nico: Lets get her!

Yan Lin: Let me transform with you all.

Nick Russel: Sure thing, Yan Lin.

Mystic Force Rangers: Magical Source, Mystic Force!

GALWIT MYSTO RANGER!

Jim: BY THE GLORY OF MERLIN! DAYLIGHT IS NOW MINE TO COMMAND!

With that, Hitoshi reaches for his obscured belt, and pulls from it a strange mobile phone like object, that, when opened is revealed to be a strange tuning fork with a snarling face. Hibiki then strikes the tuning fork against his boot sole, lifting it to his forehead, revealing the same snarling face called upon by the soundwaves.

Hitoshi: (Under his breath) Hibiki.

At this point, the soundwaves envelop Hitoshi, turning from clear to red as purple flames envelop him, casting aside the form of man, allowing Hitoshi's Rider form to rise through, revealing a primarily violet being with red arm armor, silver armor across his chest, a belt with three sharp comma looking symbols circling on themselves on the central point of it and a burgundy-brown cloth between his legs, as well as what appear to be drumsticks attached to the back of his belt, disk-like objects on the left side of his belt and his folded tuning fork on the right, as well as a head with violet background and six red lines on it, with two more surrounding a small snarling face on his forehead.

Meanwhile, Iori pulls his flute-whistle from the side of his belt in such a manner that the front of it has split open, revealing it to be a sort of panel that covered a snarling face. Meanwhile, Tomizo pulls down the bottom part of his bracelet, which moves the snarling face up and reveals three small strings inside. Tomizo strums the strings in his bracelet while Iori blows into his flute-whistle, before both raise their respective arms: Iori to move his whistle to his forehead, causing the snarling face to be revealed on it before swiping to the left, generating a large gust, while Tomizo just straight up raises his arm into the air after holding it to his forehead for a second as the face on the bracelet appears on his forehead. As they do this, Iori is surrounded by wind and Tomizo is being struck by lightning. Ultimately, their transformations complete, revealing their Rider forms. Iori is a primarily black form with blue arms, golden pipe-like armor across his chest like a vest, and a head not unlike Hitoshi's but blue and silver with a smaller gilded face on the forehead matching his whistle. Meanwhile, Tomizo becomes a primarily green form with white arms, and a red guitar string like strap across his chest, held in place by a white retaining brace, with a head somewhat different from Hitoshi's, as he only has one horn rather than two, but the structure is similar otherwise. As well both have the same silver belt as Hitoshi, but with different centerpieces. Iori's is what looks like a fan blade, which looks like it could connect to the trumpet-gun he carries. Tomizo's meanwhile is a set of strings, like a miniature harp almost, that could easily fit onto his guitar-spear.

She summoned Po Kong, Shakedown, Stone Dragon, Black Monolith, Haroud Hazi Bin, and Butterfly Absolute God Deboth along with Lythos, Aconcagua, Evil Ground Man and Stone Dragon (Sly Cooper)

Yan Lin has transformed into SUPER ANGEL XELNAGA ETERNITY INFINITY HURRICANE KANDRAKAR QUINTESSANCE HEAVENLY PHOENIX ANGEL OF DIVINE WIND MAGIC KANDRAKAR JUSTICE AND DIVINE QUINTESSENCE HURRICANE LIFE!

We were amazed by Yan Lin's Super Angel Xelnaga Eternity Infinity transformation, but when Morgan Le Fay saw it, the sorceress fell into a black rage and fired a blast of dark magic to kill her, but Yan Lin fired a powerful pink energy blast with winds, quintessence, life energy, phoenixes, and angels at Morgan Le Fay and it exploded as it hit her and she also got blown away, but this really pissed her off now.

Jim Lake: Whoa, so that's Yan Lin's…?!

Yan Lin: (Divine Echoing Cosmic Voice of The Hurricane Kandrakar Wind Guardian and Divine Wind Magic Hurricane Life) This is only my Phase 1 transformation, Jim, my Phase 2 transformation's coming up.

Nico: And it's against Michael Hastur, a former relative of one of Lincoln's Guardian Angels, Helena Hastur, who tried to kill her years ago.

Jim Lake: Is he anything like the other villains we fought against?

Lincoln: No, he's a normal person, but he's a demonic Dark Goth who's killed hundreds of innocent people as part of his sacrificial offerings to Hastur years ago, and he tried to sacrifice his older sister only to get beaten up hard by me and sent to a maximum security prison. But, now years later, he's escaped, and he wants revenge on me.

Adriana Azathoth: This happened yesterday with Selena Shub-Niggurath's evil brother, Damian, and if any of us find out Michael also helped our evil brothers escape, Hell's about to be unleashed ten-fold.

I went SUPER ANGEL UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

Sunset played a short solo on her guitar, stunning the Hidiacs around her and powering her up.

We fought and kicked and blasted them all over the place. I kicked and punched a bunch of them and Xander did the same and we sent them flying all over the place.

With that, Hitoshi hits the button on the back of the sword, causing him to be engulfed in sound yet again, turning entirely red with white contrast and a visor like spot on his face, as the disks carried by all the heroic Oni seemingly come to life, taking on vibrantly colored animal-based forms that we see for all of like a minute as they form armor on Hitoshi, ultimately culminating in a chestpiece as the horns on his head grow a bit and the small snarling face gains a guard of some kind, completing the transformation.

Lincoln: Oh great, there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Michael.

A figure came out, and it was a demonic Dark Goth male with pitch black hair, red eyes, pale skin, and dressed in black clothes, it was Michael Hastur, the former younger brother of Helena Hastur and fanatical leader of The Cult of Hastur.

Helena Hastur: I never thought I'd ever have to see you again, not after what you tried to do to me, but to hear you escaped from your wretched prison cell to get revenge on me, I should've killed you long ago, Michael.

Michael Hastur: I will spill all of your blood in reverence to Hastur, and the world of man will be brought to its knees!

Helena Hastur: Not happening anytime soon, you wretched little monster!

Suddenly, Yan Lin's sky blue eyes turned neon sky blue and she was surrounded by a pink energy aura with winds, life energy, quintessence, life energy, phoenixes, and angels, she unholstered her massive Guardian of Kandrakar sword from her back, and as she approached Michael Hastur, she left pink energy, winds, life energy, quintessence, life energy, phoenixes, and angels with every step.

Yan Lin: You really are nothing more than a dangerous monster, Michael, you have already shown you have a complete disregard for human life with your sacrifices to Hastur, and what you tried to do to your own sister, you crossed a line from which there's no return. Michael Hastur, as one of the three Kandrakar Guardians of Wind, I hereby sentence you to death for your crimes against all of humanity.

Suddenly, Yan Lin was surrounded by a massive vortex of pink energy with winds, life energy, and quintessence surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a sky blue phoenix. Then, as the vortex faded, Yan Lin emerged, but she was changed forever.

Hay Lin: Wow, Grandma's transformed into her Super Angel-Phoenix-Harmony Celestial Eternal Xelnaga form.

Xenia Lin: That's really awesome!

Yan Lin: (Divine Echoing Cosmic Voice of The Hurricane Kandrakar Wind Guardian and Divine Wind Magic Hurricane Life) Indeed I have, girls. Now, then, I believe you're up next, Helena.

Helena Hastur: That's right, I can't let you have all the fun, Yan Lin.

But, after what we saw today when you broke out of prison, it's clear you refuse to quit. Helena Hastur has transformed into SUPER ANGEL-HASTUR-DEMON-GREAT OLD ONE-HARMONY CELESTIAL ETERNAL XELNAGA GREAT OLD ONE YELLOW SIGN MADNESS HASTUR DEMONIC SATANIC GREAT OLD ONE ANGEL OF DIVINE GREAT OLD ONE YELLOW SIGN MADNESS HASTUR DEMONIC SATANIC GREAT OLD ONE JUSTICE AND DIVINE GREAT OLD ONE YELLOW SIGN MADNESS HASTUR DEMONIC SATANIC GREAT OLD ONE LOVE!

We were amazed by Helena Hastur's Super Angel-Hastur-Demon-Great Old One-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Michael Hastur saw it, he went mad again, and this time, ran at his ex-sister and tried to stab her with his ritual dagger, but Helena Hastur fired a black and red energy blast, darkness, dark magic, black magic, Satanic Magic, Eldritch Runes, and Great Old Ones at Michael Hastur, which hit him and pushed him back and he was also hit hard by the darkness, but he got back up and this really pissed him off now.

Adriana Azathoth: Whoa, Helena's transformed, and this is going to be one fierce battle that'll end with Michael's blood being spilled.

Arabella Yog-Sothoth: It's been a long time coming, and Michael's always caused his sister trouble in the past, and now, it's going to end.

Helena Hastur: (Divine Echoing Cosmic Voice of The Darkness Satanic Great Old One Hastur Angel and Divine Darkness Satanic Madness Great Old One Hastur Love) With Michael suffering the madness of Hastur, The King In Yellow.

Lincoln: Helena, Yan Lin, let's get him, we're ending that fool's religious delusions once and for all along with his life.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery,

and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Helena Hastur and Yan Lin.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've caused your sister more than enough trouble to last an eternity, Michael, and now, it's time to say goodbye forever!

Helena Hastur, Lincoln, and Yan Lin went after Michael Hastur, and they fired extremely powerful blasts of rainbow energy, black and red energy, pink energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Michael Hastur and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now and driving him even more ballistic.

Nico: Man, those three are really tearing Damian apart!

Me: He brought it upon himself!

Michael Hastur: I will kill you for this! And I also made sure to break Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha out of prison too, and they'll be coming for you bitches next! (LAUGHING PSYCHOTICALLY)

That pissed off Adriana Azathoth, Arabella Yog-Sothoth, Adrienne Nyarlathotep, Callista Cthulhu, and Cadenza Cthugha.

Adriana Azathoth, Arabella Yog-Sothoth, Adrienne Nyarlathotep, Callista Cthulhu, and Cadenza Cthugha: YOU WHAT?!

Adriana Azathoth: I can't believe this, you also broke Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha out of prison too?! Lincoln, Helena, Yan Lin, please wring his neck before we do so ourselves!

Then, Lincoln fired a Super Gravity Blast at Michael Hastur, and the blast forced him unto the ground and Lincoln beat him up really hard with his tails and fists, and Michael had no defense at all from the fierce assault.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You really messed up big time, Michael, breaking out Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha. But, we'll get them as well, and I think it's time we deliver unto your former brother his rightful punishment, don't you think, Helena?

Helena Hastur: (Divine Echoing Cosmic Voice of The Darkness Satanic Great Old One Hastur Angel and Divine Darkness Satanic Madness Great Old One Hastur Love) I believe you're right, Linky.

Helena Hastur and Lincoln trapped Michael Hastur within a blood red pentagram that formed beneath his feet with the glyphs of The Outer Gods and Great Old Ones surrounding the pentagram, and they spoke in a dark forbidden language as they fired blasts of pure darkness with blood red Eldritch runes at Michael Hastur: Hastur's Yellow Sign Curse. Suddenly, Michael Hastur was dragged to Carcosa, and he was being driven mad upon seeing the planet. But, then, he saw the very evil right in front of him: Hastur in his Avatar form, The King In Yellow. Then, he marked Michael's head with The Yellow Sign, and he fell into eternal madness and his soul was dragged into the darkness of The Black Gates and erased forever, and his body was consumed by dark flames.

Nico: (Horrified) My God, was that…?!

Nicholette Torrington: Hastur's Yellow Sign Curse, I never thought any of us would have to see it again: another one of The Forbidden Lovecraftian Curses.

Bertha Sellington: Just hearing the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad, but to see one of those entities, that's more than enough to send them into madness eternal.

We cheered as Helena Hastur, Lincoln, and Yan Lin holstered their massive greatswords on their backs and powered down, and Helena Hastur's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent, and Yan Lin's new body, clothes, weapons, jewelry, Third Eye, and massive blue-black angel wings are permanent.

Helena Hastur: Good riddance forever, "brother", and don't you ever come back.

Yan Lin: I'm sorry this had to be this way.

Helena Hastur: There's no need to apologize, Yan Lin. Michael was nothing but trouble from the day he was born, and he got worse as he was growing up, so he had to be stopped for good, and I want to thank you and Linky for helping me destroy that monster, Yan Lin.

Lincoln: (Smiles Warmly) You're welcome, Helena.

Yan Lin: Always glad to help.

Yan Lin came back to us, and suddenly, Helena Hastur wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Helena Hastur's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Demons flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them along with Hastur and we cheered wildly. Then, Lincoln and Helena Hastur absorbed the darkness and they came back to us as the display and Hastur vanished.

Nico: Oh man, now that's what I call a bloody end to a hatred among siblings.

Lincoln: That's what it was, Nico: hatred among the siblings, but Michael had it coming for his crimes and he always caused trouble for Helena and her parents.

Helena Hastur: But, now he's gone for good, but now, we have a big problem, he pissed off Adriana Azathoth, Arabella Yog-Sothoth, Adrienne Nyarlathotep, Callista Cthulhu, and Cadenza Cthugha by freeing their evil and insane brothers, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, from prison when he broke out.

Nico: We'll get after those good-for-nothing demonic Dark Goths as well, and they'll meet the same fate as Damian Shub-Niggurath and Michael Hastur. So, which Elemental HERO of Darkness are you meeting on your rescue tomorrow, Lincoln?

Lincoln: This next one is a good one, this one is for Contrast HERO Chaos.

Caitlin Ashleigh: Perfect, and there's only one person who'd be Gene-Slammed into Contrast HERO Chaos: Raven Donovaz, she's one of the Elemental HEROS of Darkness and one of the agents of The HELLSING Organization.

Lincoln: And has the same story as the other Elemental HEROS of Darkness. But, I can't help but get the feeling in the days to come we're going to face off against a group of old enemies that I helped to put away in prison long ago.

Selene Arcangela: (Thinking) If it's who I think it is, we're in for one huge battle to get rid of them for good.

Legion Superman flew at Bular.

And he bashed him down!

Nerissa fired a blast of lightning and blasted him all over and he was knocked out.

Nerissa: What do you guys want to do now?

Saturn Girl: Want to play cards?

Nerissa: Sure.

They got to playing. Then we came back.

Xiao Fung: It's done. Evil Morgan Le Fay is no more.

Gramma Stuffum: And not a moment too soon.

Me: Thank goodness.

Number 7: (to the Legion of Superheroes) You all helped as well.

Legion Superman: Of course we did.

Jim: We'll see you guys on April 7.

Legion Superman: We sure will.

They were about to shake hands when Lightning Lad pushed Legion

Superman out of the way.

Lightning Lad: Hey! Why do you get to shake his hand? I want to do it!

Legion Superman: Lightning Lad, I'm the leader. So it's only fair that I get to do it.

Lightning Lad: No way! I want to do it!

Saturn Girl: (sighs) Boys…

Zexion: (laughs) Those two sure can be childish, can they?

Girder: But that's what makes them human.

Me: That's true.

Nico: But great job today everyone.

Eli: Yeah this was great.

Twilight Sparkle: (To the viewers) This was an awesome adventure though. Hope you all loved this adventure.

Nico: I know we did.

Xenia: Yep.

We went back home and enjoyed the rest of the day and went to sleep after getting Jim and family and friends settled in.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Arkham Asylum in the Gotham City sector, and from what we heard yesterday, Michael Hastur after he'd escaped from prison had also broken out Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, the evil demonic Dark Goth brothers of Adriana Azathoth, Arabella Yog-Sothoth, Adrienne Nyarlathotep, Callista Cthulhu, and Cadenza Cthugha, and those demonic Dark Goths are out for revenge. But, they decided to separate so they won't be hunted down at once just to piss us off, well, two can play at their stupid game. The first one we're hunting down tomorrow at Arkham Asylum is Abaddon Azathoth, the younger brother of Abaddon Azathoth, and he'll meet the same fate as Damian Shub-Niggurath and Michael Hastur. And we're going to meet the next Elemental HERO Gene-Slammer, this time, it's Raven Donovaz, Gene-Slammer of Contrast HERO Chaos, she's Lincoln's Guardian Angel from Michigan and she's a member of The Donovaz Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages, and she's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day. She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra Fairbrook Wingate Hellsing, the head of The Hellsing Family and leader of The HELLSING Organization, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles. She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Raven and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

In the early morning hours at 3:20 AM, Lincoln had a dream, and he saw two figures who was hiding out and living in the streets of Illinois, Chicago. But, they were no ordinary two figures, they were Pretty Beat and Tuneful, adopted daughters of Lincoln's future wife, EarthSpark Frenzy. Lincoln woke up from the dream, but he wasn't the only one, EarthSpark Frenzy, Sashay Shine Loud, Regg Loud, Platinum Pallet Loud, Dazzle Loud, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

EarthSpark Frenzy: And not only that, it also means that we found out where our kids are at. And they're at Illinois, Chicago.

Me: (to EarthSpark Frenzy) How do you know that?

EarthSpark Frenzy: Cybertronians have scanners built in to our optics.

Nico: That's cool and all, but two kids out on the streets of Illinois, Chicago? Even though it's a nice place, but not so much for little kids.

Lincoln: Nico has a point. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, EarthSpark Frenzy (who has a human disguise), Sashay Shine Loud, Regg Loud, Platinum Pallet Loud, Dazzle Loud, Me, and Nico were heading to Illinois, Chicago. Lincoln saw a 13-year-old girl who has pink skin, purple dread-like hair with cyan headband and dark red stripe on one of the dreads, blue eyes, and purple freckles. She wears a dark blue shirt with cyan long sleeve, black knee-length denim shorts, and dark blue sneaker boots. and a 13-year-old girl who has lime green skin, yellow waist-length hair with indigo streaks, and cyan eyes, She wears a pink blazer, yellow mini-dress, red leggings and brown boots. Lincoln saw who they are, they were Pretty Beat and Tuneful.

Lincoln: Excuse me, are you Pretty Beat and Tuneful?

Pretty Beat: yes we are.

Tuneful: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, EarthSpark Frenzy (who's human disguise is a slightly taller and thin 16-years-old punk girl who has light skin, short black hair styled in a near pixie cut length with a teal streak in her bangs, purple eyes with pink eyeshadow, two helix piercings in each of her ears, and dark purple lipstick. She also has purple nail paint on her fingernails, and wears dark pink shades, black and white arm warmers, and a choker around her neck. She wears a short purple leather jacket with a decepticon logo on the back, a black sleeveless shirt with a decepticon logo, a pair of black jeans with red V-shape marks on the knees, a black belt with red studs, and high purple boots. She is often seen with her symbolic purple and black guitar with teal stripes.) came out, when Pretty Beat and Tuneful saw her, they were stunned, and when Lincoln see her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Pretty Beat and Tuneful: Mom?

EarthSpark Frenzy: Yes, little rockstars, it's me.

Pretty Beat and Tuneful ran up to EarthSpark Frenzy and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, Black Alpha, Sashay Shine Loud, Regg Loud, Platinum Pallet Loud, and Dazzle Loud.

Lincoln: And there's something you two should know, Frenzy, your mother is one of my many future wives.

Pretty Beat and Tuneful: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Pretty Beat and Tuneful with joy, Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

EarthSpark Frenzy: Oh, and by the way, Linky, I just want to say thank you for helping me find a human disguise. I look like a real rockstar.

Lincoln: (Smiles Warmly) You're welcome, Frenzy.

Suddenly, Lincoln wrapped his abnormally massive and powerful muscular arms around EarthSpark Frenzy and he kissed her on the lips which she returned with intense passion as she wrapped her arms around him. Lincoln separated, but EarthSpark Frenzy still had a red blush on her face with steam coming out of her ears.

EarthSpark Frenzy: WHOO! WHAT A MAN!

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Pretty Beat and Tuneful to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting EarthSpark Frenzy with her daughters, and Pretty Beat and Tuneful now has a loving, strong, brave, and caring father in their life.

Sunny Starscout: This is gonna be so awesome.

Nico: It sure will be!

Sam Simpson: You got that right.

Nico: Sam, I want to thank you, Selene. And your teams for coming today.

Sam Simpson: No problem Nico. It's going to be awesome and fun helping you guys out.

Nico: It sure is.

Marron: I'm really looking forward to this.

Me: We can tell you're looking forward to this.

Nico: Marron, what do you like to do in your free time?

Marron: I like to run an exercise center and also work as an exotic dancer.

Me: Master Krillin sure found an awesome supporter when Garlic Jr. reared his ugly face.

Nico: He sure did.

Qin: That was awesome. Too bad you didn't stay with Krillin.

Marron: I know. But there's other people out there.

Nico: Yeah. Android 18 is still good for Krillin though.

Xenia: Yep.

Nico: I know you had feelings for Krillin. But some romance pairings weren't meant to be.

Marron: I know.

Me: There's plenty of other fish in the sea.

Qin: Yeah.

Camie: That is true.

Nico: Yesterday was awesome!

Me: Oh yeah it was! We really kicked some butt!

Eli: And sent that evil witch Morgan Le Fay to the Black Gates for good.

Nico: And freed Claire from her nightmare.

Qin: That is for sure!

Lola: Yeah!

Varie: That was fun.

Nico: How are Jim and the others adjusting to the Estate?

Me: They love it. Better than living in a small home.

Qin: That is for sure.

Me: Yep. They are learning so much under us and love learning how to use their powers for helping people.

Nico: That's good and they will love many of our awesome adventures.

Selene: That is gonna be awesome guys.

Nico: It sure is.

Maria: That was a fun adventure though.

Nico: It was a long wait. But it was worth it.

Me: It sure was.

Qin: Yep.

Then we came across a grove of Bananaquat Bushes!

Me: Bananaquat Bushes?

Nico: Wait has it been 3 years already?

Me: Weird.

Maria: Later, Moon Knight and the rest of the Renegades need our help in taking down a target that they've been fighting since our absence. They've also mentioned about helping to cure said target.

Me: Really? Who is it?

Maria: Chase Young.

WE GASPED!

Me: Chase Young!? Not him!

Nico: Oh man! Wait! Omi said that Chase was once a good guy before Hannibal Roy Bean got to him and poisoned his mind with evil.

Me: I remember hearing about that.

Camie: What can you tell us about him?

Me: Well he's a renegade Xiaolin Monk that essentially sold his soul to the devil for power and immortality.

I went over his history.

---

Chase Young was a renegade Xiaolin monk turned evil in exchange for superhuman strength and immortality. Chase was once a former Xiaolin Warrior and a near-Xiaolin Dragon until Hannibal Roy Bean came along. Chase served as a continuously impending villain to the

Xiaolin monks.

At one time, Chase was on the side of good; however, Hannibal Roy Bean told him that he could only achieve his destiny as the greatest warrior of all time on the Heylin side. Hannibal showed a fake hologram of Chase Young's best friend, Master Monk Guan, in which Guan claimed that soon Chase Young would "stand in his shadow." This convinced Chase to drink the Lao Mang Lone Soup, which drained him of most of his good chi, gave him eternal youth, enhanced his strength, and provided him with the ability to transform into a lizard at will. The main ingredient in the soup is a dragon.

But Chase, so overwhelmed by his new power, betrayed Hannibal Bean and sealed him in the Ying-Yang World for many years. Chase has lived for so long that he has been around the world. Wherever he went, he defeated great warriors. Whenever he defeats a warrior, Chase takes control of their chi and their physical form, transforming them into a legion of "Jungle Cats". The Jungle Cats were lions, tigers, and panthers, but on Chase's command, retake their human form, or other forms such as birds. Chase can give these animal minions any command by simply snapping his fingers.

At first, Chase was on the side of good and helped Grand Master Dashi with Master Monk Guan to defeat Wuya. But very soon after their victory, he traded his soul to Hannibal Roy Bean for the Lao Mang Long Soup, only to achieve his destiny as the greatest warrior of all time on the Heylin side. Hannibal was able to fool Chase with a fake "hologram" of his former best friend, Master Monk Guan, saying he would soon destroy Chase. Thanks to this lie, he drank the Lao Mang Lone soup, gaining eternal youth as well as the ability to transform into a dragon-like creature at will.

Right after he turned evil, he betrayed Hannibal Bean and sealed him in the Ying-Yang World for 1500 years.

He first met the monks when Master Monk Guan traded Dojo for the return of his Spear of Guan. Chase wanted the dragon to be an ingredient to make his Lao Mang Lon Soup. However, when the monks came to rescue Dojo, they were no match for the villain, until Master Monk Guan returned and defeated Chase in a showdown. Chase honored his defeat and let them all go since he gave his word that he would let them go should he lose.

Throughout the rest of the season, Chase Young showed to be a most formidable foe for the young monks and an idol for the "Evil Boy-Genius," Jack Spicer (much to Chase's disgust). He used Jack as a pawn in most of his plans, despite his hatred towards the presence of the wannabe world conqueror. Chase takes an interest in Omi to where he even allied himself with Wuya in his grand plan to turn Omi to the Heylin Side.

Now it was time to put his plan into action; he sent Master Fung into the Ying-Yang World so that Omi would go into the Ying-Yang World with the newly revealed Shen Gong Wu, the Ying Yo-Yo. He did this so that when Omi returned he would have left behind all his good Chi and turn evil, plunging the world into 1,000 years of darkness. His plan worked out perfectly.

Now that the world was his, and Omi was turned to the Heylin Side, he returned to the Xiaolin Temple for Wuya to get the Serpent's Tail and the Reversing Mirror, so that he could restore her to her human form. However, when he returned her to her human form, he did not release her god-like powers; for if she were to gain them, she would be more powerful than him. The reasons why he returned her to her human form, and how he managed to do this without restoring her powers is currently unknown, although he did regard her as a worthy partner in evil.

Unknown to Chase, the monks traveled to the Ying-Yang World to get Omi and Master Fung's chi, which would make them good again. They succeeded in this mission. However, to their disappointment, Omi, in his evil state, had sworn his loyalty to Chase. Therefore, he turned him into one of his slaves as a Jungle Cat, and with Omi's power combined with his own, Chase was able to become even more powerful than before.

The world was his and the monks were without hope since the Chi Creature was unleashed upon the earth and had taken their Chi. However, Dojo and the now Good Jack Spicer went back into the Ying-Yang World to get back their Chi and bring them back in Chase's Palace, where the monks challenged Chase to a Xiaolin Showdown for Omi's freedom. The monks succeeded, and the world was returned to normal, including Omi's freedom.

Now through most of the season, Chase lived in his palace with Wuya, and the pair worked together on many occasions. However, when Hannibal Roy Bean returned, Wuya sided with him to make a plan to destroy Chase during the Heylin Eclipse, but they failed and Wuya and Hannibal parted ways. She also teamed with Jack occasionally to try and gain more Wu. Sometime after these events, Chase and Wuya decided to stay together "for the sake of evil," and joined the other villains at the standoff in the last episode.

Omi decided to go back in time to try to stop Hannibal Bean from turning Chase Young to the Heylin side. In this alternate present, Chase Young was the trainer for Omi, Raimundo, Kimiko and Clay, but they were in poor condition with few Wu because of various encounters with Wuya and an evil Master Monk Guan (who was deceived by Hannibal). Omi came to realize this plan did not end up working out for the best, and therefore the timeline was changed back to its original history (with Chase Young on the Heylin Side); this was achieved with the help of Chase Young to free Omi, Raimundo, Kimiko, Clay, Dojo and Jack Spicer from the cage. Despite this, Omi still seems to have hopes of returning Chase back to the side of good.

Sometime after the events of the final episode, Chase understood that it would be easier to defeat the Xiaolin if he had some help. So he turned one of his ribs into Shadow. Shadow became Chase's apprentice and he passed his knowledge to her to become more and more powerful.

After some months Chase sent Shadow to the Xiaolin Temple. Shadow transformed into a sweet girl that seduced the boys of the temple. That way she managed to learn where the vault was and which was the combination of it. Chase stole all the Shen Gong Wu, defeated Master Fung and destroyed the Xiaolin Temple. After that, one of Chase's plans failed, because of Jack's stupidity and he cooperated with the monks to help him fix the problem. Later, he transformed Raimundo, Kimiko, Ping Pong and Clay into cat warriors. However, his mighty plans to conquer the world with Raimundo, Kimiko, Clay and Ping Pong failed when Omi won a Showdown and he took back his friends' freedom. After that, Chase seemed to be interested in Tigress and wanted to make her his ally, which made Shadow jealous.

When I was done everyone that hadn't heard about it was shocked!

Camie: He's a monster!

Tsuyu: He is the ultimate personification of pure evil!

Xenia: Yeah!

Me: And I'm going to enjoy destroying him! I got 150,000 years of payback to dish out on him. (EYES GLOW RED) You better be ready for me Chase because the Phoenix is going to slay the dragon. You have survived for FAR TOO LONG and I'm going to incinerate you and banish you to the Black Gates. PERMANENTLY!

My justice glare showed that I am coming for him and Chase will pay for everything he did!

Zocks: Guys, we can discuss this later. Bananaquats out here mean one thing!

Me: Oh no!

Eli: But wait guys! I sense that this is not Ape coming for them. Ape is in the Bukuvu Area and that's over 1,000 miles from here.

Me: Oh.

Nico: That's a relief.

May: Well, that's never fucking stopped Ape before!

Nico: (GULPS)

But then…

Ursula Scott: (OFFSCREEN) BANANAQUATS!

We gasped!

Me: Wait that's not Ape! That's Ursula!

Nico: Not exactly better!

Me: Uh oh!

Ursula: BANANAQUATS!

She busted through the trees looking like a rampaging monster!

Ursula: BANANAQUATS!

Me: Uh oh.

Camie: (GULPS)

Nico: I brought the tranq gun!

Me: We better pump her with enough to be out for a year!

We got our tranq guns out.

Me: Ursula don't make us do this to you.

Ursula: BANANAQUATS! (LAUGHING MANIACALLY!)

George's Tarzan Yell was heard.

Me: Here comes George!

George landed.

George: Hey guys! Uh oh! Ursula let George and friends help.

Ursula: BANANAQUATS!

She went at us!

Nico: Fortunately, this one will knock you out for the rest of the day! (shoots at her)

POINK!

She stopped and it took effect immediately and then..

FWOMP!

She was out cold.

Me: Wow! That is fast.

Nico: Yep.

Me: Better call Vexen to be safe and administer the Antidote.

Nico: Yeah.

Qin: That was crazy.

Nico: Eli, sense for Swartz's next creations.

George: Wait, George glad George found you. George saw dark version of Ape crazy by Bananaquats coming and George saw dark version of Selene coming too.

We gasped!

Me: Another Bananaquat Madness Ape and Another Selene!?

Nico: (GULP)

Xenia: Oh boy.

Nico: ARE YOU FUCKING KIDDING ME?!

Me: Not good!

Eli: (GULPS)

Camie: This is gonna get ugly really fast.

Qin: Yeah.

George: This version of Ape really scary.

Nico: Oh boy. It's going to be one of those that is feral till we break it out of it.

Eli: Not good.

?: (Offscreen) BANANAQUATS!

TREES SMASHING WAS HEARD!

George: SHE'S COMING!

Nico: That's it. Hopefully, when I regenerate, it'll be over. (shoots himself in the head)

BANG!

He blew his head off!

Me: Nico you idiot!

PLOP!

May: Oh boy.

Another Bananaquat Madness Ape: (IN A GIRLS VOICE) BANANAQUATS!

Me: (GASP) Xina Lupus!? Whoa!

Qin: We got to help her!

Maria: Who wants to do that?

Ibara: I will!

Me: Go get her Ibara. May God be with you.

Ibara: Thanks J.D.

She went over to her.

Another Bananaquat Madness Ape: BANANAQUATS! (ROARS FEROCIOUSLY AND INSANELY)

She went at her and Ibara used her quirk and entangled her with her hair and she fired waves of energy and blasted her down and she was back to normal and I caught the Wonder Ride Book and it was called THE PRINCESS OF THE WOLF KINGDOM AND THE BANANAS OF INSANITY.

Me: Very fitting title.

I went over to Xina and she was a girl with purple hair and had wolf ears and a wolf tail and had purple angel wings and she had purple clothes from China on.

I brought her over.

Xina Lupus: (GROANS) I have got the worst ever headache. What the fuck happened to me?

May: Well it's a really strange story.

Me: Yeah you went cuckoo batty as an Another Bananaquat Madness Ape.

Nico regenerated.

Nico: Tell me it's over.

Me: It is.

Nico: Good.

Xina Lupus: Why does my mouth taste like I've been eating tons and tons of bananas by the truckload?

Me: You've been eating these. These are Bananaquats. They are fruits that look like bananas and they cause you to go bonkers to the Nth degree.

Nico: Yeah no kidding.

Eli: Oh man.

Xina Lupus: Oh man. I feel like I was run over by a train going at 400 miles per hour.

Nico: Why do you have wolf features?

Xina Lupus: I'm a Wolf Hanyou. I was a girl that was given the powers of the wolf as well as Angel Wings by a powerful shaman.

Nico: Wow!

Qin: That is incredible.

Xenia: Yeah it sure is.

Me: She was dying from a terminal disease and her parents had to consult a shaman and he imbued her with magical power that cured her. But there was an unexpected side effect. Her wolf powers.

Nico: Oh man.

Xina Lupus: Yeah. It's how I got the awesome name The Wolf Angel.

Laney: Wow.

Nico: Wanna join the team?

Xina Lupus: I would be honored.

Leeli: Awesome!

Me: Just don't eat bananaquats again will you?

Xina Lupus: Don't worry. All steaks for me from now on.

Me: Good. (SPINS MAGISWORD BRACELET)

STEAK DINNER MAGISWORD!

I gave her a good steak dinner buffet.

Xina Lupus: Ahh thanks J.D.

She got to eating and man was she hungry.

Me: Boy she sure is hungry.

Nicole: She loves meat just as much as I do.

Qin: Yep.

Nico: We're not done yet

Me: Nope.

Eli: I sense the Another Selene coming.

Xenia: All right.

We heard rustling and saw a figure come out.

Nico: There she is.

We saw a dark version of Selene! It was ANOTHER SELENE!

Nico: Whoa!

Qin: Another Selene!

Selene: Boy this one looks amazing.

Another Selene: I sure do.

Me: (GASP) Amika Wilson!

She reverted back and was a girl with neon dark green hair and had green eyes and had green clothes. She had flowers growing around her and also she had green angel wings.

Amika Wilson: Awesome to see you again J.D.

Selene: Little Amika Wilson. You look awesome for a plant girl mutant.

Amika Wilson: I get that a lot and it's good to see you again too Selene. I heard your former teammates in the Hellfire Club got destroyed.

Selene: That's right. By J.D. and everyone. I have a new team now.

Nico: She sure does.

Me: Amika like the X-Men was born with incredible plant powers and she went to Charles Xavier's School of Mutants and also has amazing plant, flower and nature powers and has angel wings made of leaves and nature.

Amika Wilson: It's true. After I heard about how everyone is not hating mutants anymore I'm glad that we will never be persecuted like that again.

Nico: So is Scott and everyone.

Qin: Yep.

Me: You have me to thank for getting everyone to stop hating mutants. I gave a very well deserved and very powerful speech that got everyone to stop hating mutants.

Nico: J.D. essentially reprimanded everyone for hating mutants.

Me: Now Mutants and humans are all living together in peace.

Qin: It's true.

Me: Those like Bolivar Trask got what they deserved for their remarks.

Amika Wilson: Thank goodness for that.

Xina Lupus: No kidding.

Kaito: (gets out Gaoranger gear) Did Swartz promise you anything?

Zocks: (gets out Hurricanger gear) Because we can grant it instead.

Zocks got a Ninja Storm sword and Kaito got a Wild Force Sword.

Amika Wilson: No he didn't promise me anything. He put a ridewatch in me and I tangled him up in nasty poison ivy and oak vines and made him itch like crazy and just left.

Sakura Knudson: Boy that is amazing.

Me: He sure was ITCHING for that one. (RIMSHOT)

We laughed at that one!

Nico: (LAUGHS) That was a good one!

Eli: (LAUGHS) That was good!

George: (LAUGHS) George thought that funny!

Qin: Yeah it was!

Amika Wilson: (LAUGHS) That was funny!

Me: Lets get you back to normal Amika.

Amika Wilson: Okay.

She turned into Another Selene.

Sougo: (gets out Wild Force Ridewatch) It's not just this world.

Geiz: (gets out Ninja Storm Ridewatch) The Yost World also had its' share of mutants as well.

Sougo got WildForceRedArmor while Geiz got NinjaStormRedArmor.

Me: It's true. So we disciplined both worlds in a sense.

Another Selene: That's amazing.

Selene: We're glad about that.

Xenia: We sure are.

Leeli: Same here.

Me: Yep. Lets get it on.

Nico: (gets out Selene's Ridewatch) Let's get things started!

Nico activated it and fired waves of red energy and blasted her down.

Nico: Try this too.. (ACTIVATES ZARA'S RIDEWATCH)

He fired red fire and blasted her down.

May: Top this! (ACTIVATES SCORCH WOMAN'S RIDEWATCH)

She fired waves of fire and blasted her down.

May: And this too. (ACTIVATES NECROLAI'S RIDEWATCH)

She fired waves of darkness and blasted her down.

Maria: Taste the jewels of vampires. (ACTIVATES VAMPIRE RARITY'S RIDEWATCH)

She fired red jewels and blasted her all over.

Maria: This is gonna be fun. (ACTIVATES DRACULA'S RIDEWATCH)

She fired darkness bats and smashed her down!

Me: OH YEAH!

Marron: Now for this fun one. (ACTIVATES ZARA'S RIDEWATCH)

She fired waves of red fire and blasted her down.

Then Gramma Stuffum and her team came. She had Rock, Talking Burrito, Undertow, Burritozilla, Wind Kang, Pudgy Pig (Mighty Morphin Power Rangers), Evil Scratch (Sonic The Hedgehog), Flaming Yawn (Earthworm Jim) and Meatman (Camp Lazlo).

Nico: Nice team, Gramma Stuffum!

Gramma Stuffum: (German Accent) Oh thank you Nico.

Me: This is gonna be awesome. So Luster Dawn and her team are next for this.

Qin: Yep.

Me: COOL!

Talking Burrito: This is gonna be good folks! It is getting me pumped up! Enough to want to… (FARTS)

Nico: (Sarcastically) Real nice.

Maria: (laughs) You set yourself up for that!

Talking Burrito: Sorry but yeah.

Flaming Yawn: That was awesome though.

Me: You know Flaming Yawn you are the Ripping Friends kind of villain.

Rip: Yeah because we love a good steak.

We laughed.

Flaming Yawn: I know.

Nico: Yep.

Maria: The Next gene-slammer has to be close.

May: I see her!

We saw a Liepard!

Me: Hey a Liepard.

Nico: Ooh this one is crafty and sneaky.

We saw a Purrloin with her.

Me: A Purrloin too?

Liepard: (In a girls voice) Oh she is my partner.

Nico: (Gasp) Daniella Grey! Awesome!

Qin: Sly and Crafty Dani. Awesome!

She reverted back and was a girl with purple hair and purple eyes and had purple clothes and also had a cane like Sly Cooper's and she had a hat like his.

Me: Wait the notorious cat burglar Daniella Grey? WHOA! I've heard about her. She comes from a massively huge long line of master thieves too like Sly Cooper.

Daniella Grey: That's right. And we have so much in common with Sly and his family. We steal from criminals and have busted dangerous criminals and operations.

Me: That is really awesome.

Daniella Grey: I got this.

She fired waves of darkness and smashed her down and I caught the ridewatch and purified it and I helped Amika up as she was dizzy.

Me: Wow.

Marron: What's your favorite memory of Nico?

Daniella Grey: When me and Nico busted the evil Virricori gang.

Nico: We bashed them all into dust and sent them to prison and swiped all their loot.

Qin: That was awesome.

Me: Wow!

Nico: Yep.

Nico and Daniella hugged.

Nico: I've missed you.

Daniella Grey: Me too Nico. Me too.

We went back home to the estate

Selene Arcangela: That's right, from what we heard yesterday, Michael Hastur after he escaped from prison had also broken out the evil demonic Dark Goth brothers of Adriana Azathoth, Arabella Yog-Sothoth, Adrienne Nyarlathotep, Callista Cthulhu, and Cadenza Cthugha, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, and those demonic Dark Goths are out for revenge. Lincoln: That's right, we'll hunt them down one by one. The first one we're hunting down at Arkham Asylum is Abaddon Azathoth, the younger brother of Abaddon Azathoth, and he'll meet the same fate as Damian Shub-Niggurath and Michael Hastur.

Adriana Azathoth: I'll never forgive my brother for all the trouble that numbskull put me, Mom, and Dad through in the past.

Lincoln: He'll die for everything he's done, Adriana, and I want to thank you, Z'neth, Peak, and Apex for joining us, Kim.

Kim Possible: You're welcome, Lincoln. Now, let's hunt that psycho down.

We walked through Arkham Asylum, and we felt the darkness here, it was a place no one would ever want to be sent to. Just then, we got confronted by a group of thugs from Blackgate Penitentiary and they rushed at us to kill us, but Lincoln's deep sapphire eyes and rainbow iris of his Third Eye turned blood red, and then, their necks snapped and they died.

Nico: Vampire hypnosis combined with Despero's powers, deadly.

Suddenly, we saw Contrast HERO Chaos appear before us, and with it are the five girls.

Nico: That's Contrast HERO Chaos, wicked.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Contrast HERO Chaos: (Girl's voice) Oh, sorry about the scare, but I got the girls away from your evil brother, Adriana, before he could kill them as a sacrifice to Azathoth.

Lincoln: (Gasps) That voice, Raven Donovaz, I knew it was you.

?: ADRIANA AZATHOTH, LINCOLN LANDON LOUD, I WILL FUCKING KILL YOU FOR RUINING MY DEVOTION TO THE DAEMON SULTAN!

A figure came running at us, and it was a demonic Dark Goth male with pitch black hair, red eyes, pale skin, and dressed in black clothes, it was Abaddon Azathoth, the former younger brother of Adriana Azathoth and fanatical leader of The Cult of Azathoth, and he was absolutely insane.

Sylvester: Well, time to get to work.

Then, Lincoln grabbed Abaddon Azathoth and he sank his fangs into him and sucked out every last drop of blood from his body, and then, Lincoln banished his soul to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Say hi to Damian Shub-Niggurath and Michael Hastur in The Black Gates, Abaddon Azathoth, and don't worry, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan

Cthugha will be joining you very soon. (To Raven Donovaz) And it's so good to see you again, Raven Donovaz.

Raven Donovaz reverted back to normal, and she's a beautiful girl with long midnight blue hair, blue red eyes, she was tall at 6'5" in height, she had the body of a goddess and vampire fangs, she has massive and beautiful black angel wings, she's dressed in a long midnight blue coat, long-sleeved white shirt, black pants, midnight blue knee-high high-heeled boots with black and blue butterfly buckles, and long white long-sleeved trenchcoat with darkness, shadows, bats, creatures of the night, and dark angels on the coattails and on the back is Contrast HERO Chaos, and holstered on her back is a massive Contrast HERO Chaos-themed greatsword with embedded blood red gems and Contrast HERO Chaos etched on the 7'0" massive, wide, double-edged black blade, large black bat heads for the crossguard, large white angel faces embedded on both sides of the hilt with midnight blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large midnight blue gem on the bottom of the large white angel heads for the pommel.

Raven Donovaz: You too, Lincoln, it's been a long time.

Lincoln went up to Raven Donovaz and he hugged her, and Raven Donovaz is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Raven Donovaz: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Raven Donovaz, Gene-Slammer of Contrast HERO Chaos, she's my Guardian Angel from Michigan.

Elizabeth Lioncourt: And she's a member of The Donovaz Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages. She's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult.

Monica Anniston: She's another member of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince and they destroyed Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day.

Caitlin Ashleigh: She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles.

Catherine McKenzie: She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Selene and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

Me: Yep, I knew it.

Nico: We met Sir Integra when we killed Leif and Jessica in London, and she's already a member of the team, but she's also pissed off that some of her agents got Gene-Slammed by Team Rocket and Kurata.

Me: And we hate to know what Lori did to warrant your form of payback.

Raven Donovaz: Sir Integra already asked that question, but trust me, you're not going to hearing it. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Raven?

Raven Donovaz: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Raven Donovaz: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Raven Donovaz, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Raven Donovaz: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Raven Donovaz's neck with midnight blue gems on the gold lightning bolts and midnight blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Raven Donovaz: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Raven Donovaz.

Raven Donovaz had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Ayano, Hinako, Saori, Lin Huo, and Shion from Ayano the Exorcist.

Lincoln: Oh wow, it's Ayano, Hinako, Saori, Lin Huo, and Shion from Ayano the Exorcist.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayano: Yes, we're okay, thanks to you.

Then, when Ayano and the other four girls saw who it was that saved them from Abaddon Azathoth, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight

Ayano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayano: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayano, Hinako, Saori, Lin Huo, and Shion with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Abaddon Azathoth, the evil demonic Dark Goth and younger brother of Adriana Azathoth.

But, when Lincoln showed what happened with us giving that demonic Dark Goth the brutal beatdown of his lives and Lincoln finishing him off by biting him on the neck and draining him dry of blood and sending him to The Black Gates, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Raven Donovaz have a lot of catching up to do, now that she's back in town.

Maria: So, those demonic Dark Goths went their separate ways so they won't be hunted down at once just to piss us off?! Oh, now they've really done it this time!

Lincoln: Easy, Maria, we already decided that two can play at their stupid game. We already hunted down Abaddon Azathoth in Arkham Asylum and sent him to The Black Gates, now we just have to destroy Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha.

Nico: It's a perfect methodical strategy, and the end result will always be the same.

Me: Yep, getting sent to The Black Gates for good.

---

After destroying Abaddon Azathoth at Arkham Asylum, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Raven Donovaz saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Raven Donovaz: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Raven, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Raven Donovaz: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Raven Donovaz: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Raven, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Raven Donovaz: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded

Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Raven Donovaz: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through. But, I checked up on him, and he appears to be recovering slowly.

We got a shower, and then, Lincoln, Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama are heading to Indigo Ocean.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama fell in love at first sight with Lincoln when he was introduced to them, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, and Rayman didn't take too kindly after he heard what Flip tried to do to Betilla and the other nymphs, and he viciously attacked him too.

Betilla: Wow, so this is Indigo Ocean, this is so beautiful.

Lincoln: You said it, Betilla, and this is actually my first time here, and it's perfect for our first date. Shall we?

Lincoln, Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama, and they hugged the girls in their abnormally massive and powerful muscular arms, and Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Indigo Ocean, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Betilla, Holly Luya, Edith Up, Annetta Fish, Helena Handbasket, and Voodoo Mama are now in your harem.

Nicole: Awesome, and Flip had some nerve trying to kill them, and I didn't forget what Rayman did to him. (Shudders) And I thought his wrath on Auntie Roon was horrific and fiery.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and just who we're going to confront: the new evil group we mentioned yesterday was a group called The Legion of The Lincoln Haters, and he saw who its members were: they were none other than Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia

Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson, the monstrous bullies Lincoln had gotten expelled five years ago and sent to prison, and now, they're out for revenge. When we saw it, it really meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: I just had a really huge vision, guys. You remember that evil group mentioned in the usual battles yesterday, I found out it's a group called The Legion of The Lincoln Haters, and you're not going to like who its members are. Selene, tell the other Guardian Angels we got a Code: Monster Bitch Group.

Selene Arcangela: (Gasps in Horror and Shock) CODE: MONSTER BITCH GROUP?! Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson have escaped?!

The other Guardian Angels gasped in horror.

Nicholette Torrington: Oh no, not them!

Jackie Wren: Of all the monster bitches that Michigan has ever had to deal with, Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie

Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson are the absolute worst!

Nico: I've never actually heard about them before. Lincoln, can you tell us who they are? They're definitely bad news if you said that codeword.

Lincoln: You're not going to like the history with them even more, Nico. For years, Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson had terrorized Royal Woods by causing arsons, property damage, assaulting people, robbing banks, and even worse, killing innocent people, and they've also terrorized the Royal Woods school system, these Queen Bee monsters bullied and tortured the students and teachers, and not even Principal Huggins could even stop them nor Superintendent Chen. Plus, no one was able to stand up to them at all because Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson are also the daughters of Bryan Greyson, Alan Cameron, Colin Mason, Justin Nolan, Eric Archer, Corey Hudson, Kyle Carter, Marc Landon, Nelson Everett, Riley Cooper, Morgan Wesley, and Gary Reeve, The Blood Dragons gang who've been on the watch list of The FBI for multiple counts of violent assaults and bank robberies across the country for years, along with multiple counts rapes, murders, drug trafficking, fraud, and money laundering, and they've seen what they've done.

Me: I remember them all too well. The police has been trying to get them arrested for years, but they used their threats of violence and death to keep people silent, they were that bad and evil, and these girls all had MEAN BONES in every single part of their bodies and they crossed The Moral Event Horizon Line when they killed innocent people during all of their monstrous rampages throughout Royal Woods, and they had absolute zero remorse for any of the crimes they committed and for the lives they've taken.

Lori: They were literally an absolute nightmare to everyone.

Leni: They were totes that mean!

Selene Arcangela: But, their reign of terror eventually came to an end thanks to Lincoln, who was the only one who stood up to them, and thanks to the additional help from his Guardian Angels, Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson were defeated and expelled for their crimes long ago and sent to prison forever.

Monica Anniston: But, as the cops took them away, they swore one day they'd break out of prison to get their revenge on Lincoln for getting them expelled. According to intel, during their stay in prison, they formed into a new gang called The Legion of Lincoln-Haters.

Lincoln: And now, five years later, they broke out of prison, and they want revenge on me for getting them expelled.

Me: Over my dead body.

Ronnie Anne: We're not letting any of them hurt you, Lincoln.

Girl Jordan: Yeah, if you ask me, it's payback time for everything those monsters have done.

Lincoln: Yeah, plus I've also grown stronger, smarter, and more powerful over the last seven years, and I'm immortal and invincible thanks to exposure to cosmic radiation and I was also imbued with the same powers as J.D. and all those who also got their powers thanks to the exposure to cosmic radiation.

Me: You got that right, Lincoln. Now, it's war!

Lincoln: You got that right! Be prepared to say your goodbyes, Legion of The Lincoln-Haters, no way will I let any of you hurt me, my friends and family, my future wives, or my children, you deserved your expulsion and imprisonment for your crimes five years ago, but you know what, prison's too kind for people like you. You made the mistake breaking out of prison because the one thing awaiting you remorseless bitches is a horrible bloody death, and no one will ever say any kind words to any of you in your funerals, not for the blood of those you've spilled on your rampages throughout Michigan, and I swear, you will pay for everything you've done. Get ready, Legion of The Lincoln Haters. (Deep Sapphire Blue Eyes glow Neon Deep Sapphire Blue) We're coming for you!

Lincoln's Justice Glare awakened, and he's declared it: IT'S WAR ON THE LEGION OF THE LINCOLN-HATERS!

Nico: (Gasps) He now has his own Justice Glare, this is going to be awesome. So, who's going to face who?

Lincoln: Here's a list already made.

Ronnie Anne: Awesome, you and me are up first to destroy Wrenley Bailey, Lincoln.

Lincoln: We'll make her pay for what she's done first, Ronnie Anne.

Suddenly, Lincoln's deep sapphire eyes glowed and turned into rainbow colors, and he had a vision of what's about to happen, and who we're going to confront today: it was Chase Young, the immortal evil monster and enemy of The Xiaolin Monks, and he was now out for revenge.

Me: Whoa, Lincoln, what's up?

Lincoln: J.D., where are Omi, Kimiko, Clay, Raimundo, Dojo, and Jack Spicer? We got a huge battle ready for today

Just then, Omi, Kimiko, Clay, Raimundo, Dojo, and Jack Spicer arrived.

Raimundo: You called, Lincoln?

Lincoln: Yep, I just had a vision, and it's who we're going to confront today: it's Chase Young, the evil immortal monster from 1,500 years ago.

We gasped.

Nico: He's finally made his move, now we can finally destroy him once and for all.

Lincoln: We better make a call to Vypra, Dark Spicer, Katnappe, and Wuya, this is going to be a huge battle we're in for today.

Just then, Vypra, Dark Spicer, Katnappe, and Wuya had arrived.

Dark Spicer: We already found out from Wuya about this, is it true Chase Young's already on the move?

Jack Spicer: He is, now, we can finally destroy him for good. J.D., I hope you got a dagger coated in your poisonous blood to drive into his black heart.

Me: You already know me, Jack.

I got out a dagger that was coated in my blood and it was glowing neon red.

Nico: Awesome. Alright, gang, let's head out and destroy that evil monster.

---

Later it was time for Cadance's final mission.

William: Anyone else want to go with Cadance? Besides Leo Corbett and Eiji?

Sunny Starscout: Me and my friends will go.

Misty Brightdawn: This is gonna be so awesome.

Rainbow Dash: Boy it sure will!

Lincoln: And me and my siblings will go as well.

Lori: We are literally looking forward to this.

Nico: All right then.

Me: Ready guys?

They nodded.

Nico: Lets roll.

We were off to New Townsville.

---

We arrived and New Townsville was busy as ever.

Lori: Wow! So this is New Townsville. It's literally amazing.

Leni: Boy this is totes amazing.

Me: It sure is. And like in the Prime Universe, the Powerpuff Girls here are gonna be busy.

Twilight Sparkle: That's right.

We then found Blossom sitting on a bench and she was crying uncontrollably!

Me: (GASP) Blossom!

Cadance: Oh no!

We went over.

Me: Blossom what's wrong?

Blossom Z: (crying uncontrollably) Hey, guys!

Me: Why are you crying?

Blossom Z: (CRYING) KABUKI MONSTER!

Nico: Blossom.

Me: Kabuki Man. Wait Deadpool told me about him.

Eli: I think that's him over there!

We saw KABUKI MONSTER!

---

Reinhold also known in his former monster form Kabuki monster (歌舞伎モンスター) is a supporting (antagonist) character in Powerpuff Girls z. He was (formerly) in love with Ice Cream Girl, but has since fallen out of love with her, due to her wearing WAY too much makeup on their first date. As, he states that he hates heavy makeup, and she chases him off. He is a comedian, and dedicated much of his time to attempting to win the heart of the Ice Cream Girl, whose father did NOT approve of his comedy, and much preferred tragedies, and SERIOUS entertainment. Reinhold originated from Toei animation, and does not have an American counterpart, unlike many characters.

After the ice cream father kick Comedian man into the trash can, Him, over take the body of comedian to turn into a monster. He was been called Kabuki. And now, he return back to the ice cream father to take revenge by blasting him with beam to make him cry. And now, whatever he seen, he blast them to cry (This was goes to the girls too) that's why the girls can't transform because Kabuki blast them with beam.

And now, the result being unable to stop crying. The city of Tokyo turn into cried flood. This was a chance for the girls to transform. The girls wear a kimono and they made a joke to make Kabuki disturb in laught while he laughing this is the time the girls will now defeat Kabuki.

---

Me: That infuriates me! Messing around with peoples feelings REALLY CROSSES THE LINE for me!

Nico: YEAH!

Blossom: (crying uncontrollably) But laughter can defeat him. We did it before!

Luan: Luckily I came along and I got a million jokes!

Me: Go get him Luan!

Luan went up to him.

Luan: Hey Kabuki Butt! Want to hear some jokes? What is a tree's least favorite month?

Me: I don't know! What is a tree's least favorite month!

Luan: Sep-timber! (LAUGHS TO RIMSHOT)

We laughed!

Me: (LAUGHS) That was funny!

Luan: Yeah! What kind of tree can fit into your hand?

Nico: I don't know! What kind of tree can fit into your hand?

Luan: A palm tree! (LAUGHS TO RIMSHOT!

Everyone laughed and Blossom was feeling better and the Kabuki Monster was laughing too!

Luan: How do trees get on the internet?

Eli: I don't know! How?

Luan: They log in. (LAUGHS TO RIMSHOT!)

We laughed!

Bubbles Z was laughing too!

Luan: How can you tell that a tree is a dogwood tree?

Lori: I don't know! How!

Luan: By its bark! (LAUGHS TO RIMSHOT)

We laughed at that one!

Me: (LAUGHS) That was a good one!

Luan: (LAUGHS) What did the little tree say to the big tree?

Eiji: I don't know!

Luan: Leaf me alone! (LAUGHS TO RIMSHOT!)

We laughed!

Will Vandom: I've got something for you too.

Kabuki Monster shook Will's hand. Which was a mistake.

Will: (smirks) Quintessence.

ZZZZZZZAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPPPP!

Electricity came out of Will's hand, shocking Kabuki Monster and knocking him out.

Me: (LAUGHS) A Quintessence version of the Joy Buzzer! That was genius!

Irma: (LAUGHS) That was awesome!

Nico: Yeah!

Me: Now to use the Elements of Harmony to purify him.

I fired a beam of magic and split him away from his Kabuki Monster half and then I unsheathed my sword and we fired a rainbow helix blast into the air and fired a rainbow blast and it hit Kabuki Monster and blasted the Black Z-Rays out of him and teleported him to the M.O.E.

Nico: Nice!

Blossom Z: That was awesome! And those jokes you used were great!

Luan: Hey thanks!

Cadance: Blossom, met Leo Corbett and Eiji Hino.

Nico: Ow.

Me: Sorry but Nico I don't want to say that to the girls. As a gentleman I have to respect not saying that around women.

Nico: Oh. Sorry.

Blossom Z: Thanks J.D. but that is silly.

Me: It is.

Bubbles Z: Wait Lucille you and Lucy look so much alike.

Lucy Loud: That's because she is my ancestor from Scotland.

Lucille: Aye. During one of the teams battles we discovered a lot of family resemblances now.

Me: We found our during our battle with Team Dark Phoenix Storm that the Loud's have Scottish Ancestral ties in their blood and they are descended from Scotland in their blood.

Blossom Z: Wow that is amazing!

Buttercup Z: We were actually getting ready to go to the pool before Kabuki Man's attack.

Me: Oh you want to get some spring sun in. Sorry you girls had a rough heading there.

Buttercup Z: We'll be okay.

Nico: Good.

Blossom Z: The Professor, Kenny, and Poochie are watching the lab while we're gone.

Me: Okay then.

Nico: Lets go then.

We went to the pool.

---

We arrived at the pool.

Buttercup Z: Cannonball!

KRASPLASH!

She splashed Bubbles and Buttercup.

Nico: Nice one!

Eli: Yeah!

Irma used her water powers and drenched Blossom and Bubbles!

Irma laughed!

Me: (LAUGHS) That was awesome.

I was walking on the water.

Blossom Z: Wow you're walking on the water!

Me: Yep. One of my many powers. Now…

I pulled out a squirt gun!

Me: (Imitating Scarface) SAY HELLO TO MY LITTLE FRIEND!

I squirted Blossom with arctic cold water!

Blossom Z: Hey! That's cheating!

Me: All's fair in love and war.

But then…

SPLAT!

I got hit in the face with a water balloon!

Me: (YELPS) OKAY WHO IS THE WISEASS!?

?: Fancy seeing you girls here.

We saw the Rowdyruff Boys Z there. Brick had red swim trunks, Boomer had blue swim trunks, and Butch had green swim trunks. It was Brick who spoke.

Me: The Rowdyruff Boys! What a bunch of Goddamn Asswipes.

Bubbles Z: What are you 3 doing here?

Boomer Z: What, can't we relax in the pool as well?

Buttercup Z: Good point. But is there something you guys want from us?

Butch Z: (gets serious) The 3 of us agreed that it's time we settled things with you girls.

Brick Z: Not to kill you girls, mind you. But to see who's more stronger.

Blossom Z: Fine. When do you guys want to do this?

Boomer Z: How does this afternoon sound?

Butch Z: At 3:30 PM.

I looked at my watch and it was 2:00.

Me: That's an hour and a half. Plenty of time.

Brick Z: Wow! Team Loud Phoenix Storm is here too!?

Me: That's right. And unlike you guys, the Prime Universe versions of you guys were made with Snips and Snails and Puppy Dog tails as well as Chemical X. You know like that myth what little boys are made of.

Butch Z: Very interesting.

The Girls later went to school.

Me: Well we'll see them shortly.

Nico: Well, the girls are still in school right now. Who wants to meet the Mayor and Ms. Bellum?

Me: Good idea.

We all do.

Cadance: This will be interesting.

We went to New Townsville City Hall and we met the Mayor and his assistant Sarah Bellum.

Leo Corbett: Hi! You must be the Mayor.

Mayor Z: That's right. Pleasure to meet you all Team Loud Phoenix Storm.

Sarah Bellum Z: Same to all of you and it's an honor to meet you guys.

Me: You too Ms. Bellum. (In my head) Just like in the prime universe. They never show Sarah Bellum's face either.

Nico: But it's awesome to meet you both. We have a lot to tell you guys about what it's like for our prime universe counterpart version of the mayor.

Mayor Z: What is he like?

Me: Well he is uh…

Sarah Bellum Z: An absolute idiot?

Me: Exactly and he loves pickles.

Mayor Z: I assure you that while I can be silly at times, I don't go in a hot air balloon just to beat up others.

Me: That was easily the stupidest thing that the Prime Universe version of you did and all because that stupid janitor had the audacity to poison his mind with some stupid nonsense that made him think we were stealing his thunder. So to speak.

Nico: Yeah we gave her a really stern talking to.

Eli: No kidding.

Mayor Z: The Powerpuff Girls in your universe must be busy a lot.

Me: That is an understatement.

Ms. Bellum Z: Him's the main target, isn't he?

Nico: Yes. Like the Prime one, he's shown that he's dangerous.

Me: And he is getting the Black Gates.

Eli: We're going to make sure that he pays for his crimes here.

Nico: That is for sure.

Ms. Bellum Z: I know you guys can destroy him.

Me: We do have that kind of power. We are not called the most powerful force in the entire universe for nothing.

Lola: Yeah that is for sure.

Nico: Better go check on the girls.

I looked at my watch and it was 3:15PM.

Me: 3:15. Lets get over there.

Nico: Thanks for your time Mr. Mayor.

Mayor Z: Anytime guys.

We teleported to the school.

We arrived.

---

It was 3:35 PM and we were still in school with the Girls when the Rowdyruff Boys came in.

Brick Z: Where the Hell were you girls? It's 5 minutes past 3:30 already!

Blossom Z: School doesn't end until 4.

Me: Just be patient guys. We'll be done shortly. Just 25 more minutes.

Butch Z: (sighs) We might as well sit in the class and wait for you girls then.

The Rowdyruff Boys Z took their seats.

Boomer Z: Just pretend we're not here, Ms. Keanne.

Me: We'll keep an eye on them.

Ms. Keanne Z: Okay then.

We waited.

---

French Narrator: (French Accent) 4:00 PM

---

The school day was done.

Me: Before we begin guys I have something to give to the girls.

Brick Z: What is it?

Me: A new sister. (SNAPS FINGERS)

Then a light shined down from the heavens and then the divine singing of angels was heard and bands of purple energy came down and formed into a figure and we saw that it was BUNNY Z!

Bunny Z: Hello sisters. Awesome to meet you. Powerpuff Girl Bunny Z is here.

Blossom Z: WOW!

They went and hugged her.

Blossom Z: This is amazing! Now we have our own Bunny.

Bunny Z: You sure do.

Bubbles Z: How did you do that J.D.?

Me: I have the power to do anything.

Eli: J.D. has done so much all over. J.D. and his team are all practically gods among man and we have done so much too.

Laney: It's true.

Butch Z: WOW!

Brick Z: Okay. Now, there are no more interruptions.

Leo Corbett: Of course there isn't. Go Galactic!

Eiji: Henshin!

They transformed and were ready!

Nico: YEAH!

Will: Lets do it guys. GUARDIANS UNITE!

Me and the guardians transformed!

Will Vandom: (ENERGY SURGES!) THE HEART!

Irma: (WATER SPLASHES) WATER!

Taranee: (FIRE BURNS) FIRE!

Cornelia: (VINES GROW) EARTH!

Hay Lin: (WIND BLOWS) AIR!

Me: (LIGHTNING STRIKES) LIGHTNING!

Megan: (STARS SHIMMER) SPACE!

Lillian: (LIGHT SHINES) LIGHT!

Cassidy: (WATER SPLASHES) POWER OF WATER!

Halinor: (FIRE BURNS) POWER OF FIRE!

Yan Lin: (WIND BLOWS) POWER OF AIR!

Kadma: (VINES GROW) POWER OF EARTH!

Nerissa: (ENERGY SURGES) POWER OF THE HEART!

Eli: This is gonna be awesome!

Blossom: Now time for the girls to shine!

The Powerpuff Girls Z transformed.

Blossom Z: BLOSSOM!

Bubbles Z: BUBBLES!

Buttercup Z: BUTTERCUP!

Bunny Z: BUNNY!

They transformed in flashes of pink, aqua blue, spring green and light purple light and were ready!

Nico: YEAH!

Me: This is gonna be fun.

Brick Z: Let's get Rowdy!

Nico: Say what?

Brick Z: Um… that's our pre battle catchphrase.

Me: Fits perfectly. Get ready boys. It's Buttkicking Time!

Nico: (gets out Selene and Myotismon's Ridewatches) Let's start things off!

Nico activated them.

Nico: (ECHOING) SCARLET VAMPIRE LIGHTNING STRIKE!

Nico fired waves of blood red lightning and it hit the boys and electrocuted them!

Me: Now here's the reason why I'm known as the Guardian of Lightning.

I fired a massive blast of lightning and it hit the boys and electrocuted them all over the place.

Twilight Sparkle: Take that!

Sunset Shimmer: And this one!

She fired blasts of fire and blasted them down.

Me and Rowdyruff Boys went at each other and we punched and kicked at each other with incredible speed and flew into the air as fast as lightning and punched and smashed at each other with incredible speed and force!

Nico: WHOA!

I punched and smashed them all down into the ground!

Lola: That must've hurt!

Leo Corbett: (gets out El Diablo's core medal) Let's turn up the heat!

Leo activated it and fired waves of fire and blasted them down.

Nerissa and Will fired waves of lightning and blasted them down.

Me: Now for an additional force girls. (SNAPS FINGERS)

I snapped my fingers and the girls now have been equipped with the same ultra awesome powers as the POWERPUFF GIRLS OF THE PRIME UNIVERSE!

Nico: WHOA! What did you do?

Me: Give the girls here the same powers as the girls of the Prime Universe.

Nico: Wow!

Eiji: (gets out Dr. Viktor's Core Medal) You're in for a shock!

Eiji fired a blast of purple lightning and electrocuted the boys!

Blossom Z: (gets out Space Beast Warrior Forze's Core Medal) Okay. Let's see what this does.

She activated it and fired a wave of energy and blasted them down.

Lola a blast of fire and Lana fired a wave of ice.

Lana and Lola: STEAM FIRE MEGA BLAST!

They fired a blast of ice fire and the blasts hit the boys and smashed them down!

Bubbles Z: Wow what teamwork!

Nico: Yep. One of the fundamentals of the team.

Just then, we heard roars.

Me: Uh oh!

We saw SEVERAL JUTO!

Me: (GASP) Juto!

Nico: I got these clods!

Nico then went SUPER SAIYAN 4!

Nico: Lets dance freaks!

Nico flew at them and blasted the Juto all over and kicked on in the face and sent him crashing into a wall and fired an energy blast and blasted the Juto into dust!

Brick Z: What the fuck are those things?!

Lori: Something we hoped would never show themselves.

Me: They are called Juto. Another one of the enemies of the Donbrothers. They are very dangerous fucked up monstrous creatures that are ruthless and viciously savage creatures that are beasts and they can mimic people.

Brick Z: Jeez!

Lola: Yeah they are monsters that ALL deserve the Black Gates.

Nico blasted them and blasted the Juto and destroyed 2 of them.

Lynn: I don't think this is all of them though!

Me: Nope. But I see where they are coming from! Look!

We saw a portal that lead into the Juto dimension!

Eli: Oh man! J.D. I sense one of your friends and the next gene-slammers trapped in there!

Me: (GASP) Oh man! Eli, Lincoln, come with me. We're going in!

Lincoln: Right!

Eli: We'll be back guys!

We flew in through the portal!

One of the Juto pinned Boomer Z to the ground and was about put an origami piece in his mouth.

Butch Z: GET THE FUCK AWAY FROM HIM!

He punched him off and Nico blasted him into dust.

In the Juto Dimension, me, Eli and Lincoln arrived at a forest and we saw that it was actually a prison! It was holding numerous people that the Donbrothers knew prisoner and the Juto were taking on their forms to cause trouble.

Me: I remember seeing this on TV. This is the spot where Jiro found out that horrible revelation that his whole childhood and life was a complete and total lie! That REALLY FUCKING PISSES ME OFF!

Eli: Me too!

Lincoln: Yeah that was awful!

Eli: Look bro!

We saw a woman with blond hair and she had a blue dress and a girl with purple hair and she had black and yellow clothes.

Me: (GASP!) That woman! That's it can't be! That's Sarah Tinsley's mother! She's alive!

Lincoln: Sarah's mom is alive!?

Me: Oh my god! And that girl with her is Rhianna Rodriguez and she is known as the Avatar of The Solar Eclipse and Chaos Neos.

Eli: Wow!

Lincoln: Look there!

We saw a Simisage, Simisear and a Simipour!

Me: A Simisage, Simisear and Simipour!

Eli: Lets get them out of here!

We slashed and cut the vines holding them and freed them and we picked them up and they were weak.

Me: Lets blow this popsicle stand.

We teleported all the people captured by the Juto back home and I fired a planet destroying energy blast and we went through the portal

The entire dimension exploded and we got out of there just in time and the explosion completely obliterated ALL OF THE JUTO in one fell swoop! Banishing them to the black gates!

Nico: Taro warned the Juto what would happen if they tried anything again. Consider this us carrying out his promise.

Me: They sure did and good riddance. Taro is gonna be infuriated when he hears about this.

Nico: No shit! Who are the 2 girls?

Me: This is Rhianna Rodriguez and she is the Avatar of the Solar Eclipse and Chaos Neos.

Nico: Whoa! That is amazing.

Me: And Sarah Tinsley is going to be shocked to hear this. Her mother was imprisoned in the Juto Dimension.

We gasped!

Nico: Oh my god she was alive this entire time!?

Me: Yeah!

Lola: Oh my god! We thought that she was killed by Gabriel!

Lana: That is crazy! So she was in the Juto World this entire time.

Me: Yeah.

Brick Z: (to the Powerpuff Girls Z) You know what? Why don't we end this with one final blow to decide who's stronger?

Blossom Z: You got it! Come on girls! STARBURST FORMATION!

They fired waves of pink, blue, green and purple energy from their hands and the blasts converged and fired an incredibly powerful megablast! They hit the boys and it exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared they were down and beaten!

Twilight Sparkle: Unbelievable!

Nico: What power!

Laney: That was awesome!

The boys got up.

Brick Z: Wow that was intense.

Me: Sorry our battle got so rudely interrupted like that. Maybe next time we can have another battle as a rematch.

Butch Z: It's not your fault. Honestly, I think this is how Taro settled things with Sonoi the first time?

Me: Yeah it was.

Boomer Z: I thought I was gonna die by that monster's hands!

Nico: They don't kill people they capture them and replace them.

Boomer Z: Oh. That's different. But thanks for saving my skin.

Nico: Anytime.

The girls and the three monkey pokemon woke up.

Lincoln: Mrs. Tinsley?

She opened her eyes and saw Lincoln.

Mrs. Tinsley: Li… Lincoln? Is that really you?

Lincoln: It sure is. I've had a massive growth spurt since we saw each other last.

Mrs. Tinsley: Wow you have become quite a man. What happened?

Me: Well we don't know how to tell you all this but we have a horrible story to tell you.

Lincoln: It's about Sarah.

We told her everything and then she broke down crying!

Mrs. Tinsley: (CRYING HARD) SARAH! WHAT HAS GABRIEL DONE TO YOU!?

Laney: He did all kinds of horrible things. He destroyed her reputation, made her into an outcast and even made her try to become his lackey.

Me: But he is gone forever now. Lincoln used a powerful curse on him that destroyed him and gave him the Black Gates.

Rhianna Rodriguez: (Groans) What happened?

Me: Long time no see Rhianna.

Rhianna Rodriguez: J.D.? Whoa! What happened to you?

Me: A long story.

Nico: Hey, girls. Wakey wakey.

The Monkey Pokemon woke.

Simipour: (In a girls voice) What happened?

Simisage: (In a girls voice) I feel like I got hit by a truck.

Simisear: (In a girls voice) Boy that hurt.

Nico: The Goodall Sisters. Long time no see.

Simisear: Nico? Wow!

Simisage: Awesome to see you again.

Simipour: Wow.

Nico: Same to you girls. Guys meet the Goodall Sisters. Logan, Lily and Lana Goodall.

Simisage: Awesome to meet you guys.

They reverted back and Logan was a girl with red hair and red eyes and red clothes and had a red monkey tail and she had fire powers, Lily was a girl with green hair, green eyes and had green clothes and she had a green monkey tail and had plant powers and Lana was a girl with blue hair and blue eyes and blue clothes and had a blue monkey tail and had water powers.

Lana Goodall: Boy what happened?

Me: Ugly story girls.

Blossom Z: What are your favorite memories of Nico?

Logan Goodall: When me and my sisters and Nico were down in Tanzania and we had a grub eating contest.

All of us: EW!

Lana: Cool!

Me: Grubs are not really that bad. They are a bugs that they eat over in Tanzania and from past experiences I've had them and they are good.

Nico: Oh right you went all over the world. But yeah those were gross.

Lana: I would love to eat those.

Me: That you would Lana.

Eli: Yep and Timon and Pumbaa would love you for that.

Nico: Yep.

Lily Goodall: We are related to Jane Goodall.

Me: The great world famous Primatologist.

Lana Goodall: That's right.

Logan Goodall: She is our great grandmother.

Me: Amazing.

Nico hugged them.

Nico: I've missed you girls.

Lana Goodall: We missed you too Nico.

Cadance: That was so fun though.

Me: But we're going to have one helluva story to tell Taro and Sarah is going to be in for a shock.

Nico: No kidding. After everything she suffered at the hands of her evil father she needs her mom back more than ever.

Twilight Sparkle: That is for sure Lincoln.

Rainbow Dash: I agree there.

Flurry Heart: Same with me.

Cadance: Yeah.

Blossom Z: Cadance, ever since I met you, I've seen you as my big sister.

Cadance: Really? Oh Blossom!

She and Cadance hugged.

Flurry Heart: Looks like I get another Aunt.

Twilight Sparkle: (LAUGHS) That is true Flurry.

Nico: (LAUGHS) Yep.

---

We came back.

Sarah Tinsley: Hey guys. How did it… (GASP)

She gasped in shock as she saw her mother for the first time in 10 years!

Sarah Tinsley: M… m… mom? Is that? Is that really you. (Crying)

Mrs. Tinsley: Sarah? Oh sweetheart. Yes it is me. I'm alive.

Sarah Tinsley: MOM!

She went and hugged her mother and cried hard.

Sarah Tinsley: OH MOM! (CRYING) I THOUGHT YOU WERE… (WAILING HARD!)

Mrs. Tinsley: Oh sweetheart what has Gabriel done to you?

Varie: You aren't going to like it one bit.

May: How did it go?

Me: We had a really eventful final mission.

I told everyone everything. It was shocking!

Qin: WHOA! So the Juto did a fast one and made a move!? Taro is not going to like that.

Me: Nope. So I blew the entirety of the Juto dimension into oblivion.

Xenia: Good riddance.

May: Flurry Heart, for your first mission, 4 Rabbids and Mikey Kudo should come with you.

Flurry Heart: That's a great idea!

Cadance: This will be so awesome Flurry.

Qin: It sure will.

Me: I got to call Taro and tell him what went down.

I got on the hologram phone with Taro.

Taro: Hello? Oh Hello J.D.

Me: Hey Taro. Sorry to call you like this. We have had a really unexpected and strange development happen in the world of New Townsville with the Powerpuff Girls Z.

Taro: What is it?

Me: The Juto pulled a fast one and made their way into that world and we fought them as we were battling the Rowdyruff Boys Z and Nico held them off for us. I went into the Juto World with Eli and Lincoln and we found gene-slammers for the 3 Monkey Pokemon as well as Sarah Tinsley's mother and my friend Rhianna Rodriguez and we found many more prisoners there and we got them out and I blew the entire Juto dimension into oblivion.

Taro: WHY THOSE ROTTEN MOTHERFUCKERS! I warned them that if they did something like this that there would be no mercy.

Me: Well I pretty much beat you to the punch on that one. I blew them and their world into oblivion and banished them all into the black gates.

Taro: Good riddance. Thank you for telling me this J.D. You did a great deed.

Me: Glad we did so.

Taro: Yep. Thank you. We'll see you all soon.

Me: Yep. Bye.

I hung up.

---

We were later walking to Principal Huggins house.

Anna: I wonder how Huggins has been?

Me: We'll find out Anna. Ever since he was freed of his dark side he was depressed.

We arrived at his home and saw a river of tears pouring out of the door and we heard really loud crying.

Me: What the?

We went up to the door and I knocked and it buckled and then I got out of the way as a massive wave of tears poured out of the door and ran out of the house.

SpongeBob: Jeez! And I thought I was the only one that cried that much.

We looked inside and what was saw was shocking! We saw Principal Huggins crying hard and drowning himself in numerous tubs of ice cream! We saw them all strewn all over the floor.

Me: Good god! This is more ice cream than Rarity eats when she cries!

Rarity: As much as I don't like it, I agree darlings.

We saw Principal Huggins.

Me: Mr. Huggins look at this mess!

Huggins: (CRYING HARD) Oh hey guys. (WAILING) WHAT IS THE POINT OF LIVING ANYMORE!

Me: Principal Huggins you got to stop crying like this.

Jack Skellington: I didn't think you'd be affected this badly.

Qin: Me neither. Poor guy.

Nico: Okay, you really have to grow up. Yeah, I get it. You feel bad. And I'm glad you realize that. But you shouldn't give up on life just because of that. If life knocks you down, get back up and move forward!

Me: Yeah Mr. Huggins I know you did a lot of horrible things because of that Dark Side but you got to put this behind you and move on.

Anna Anyanova: Yeah Mr. Huggins what you did because of your dark side may have been horrible but we as Lincoln's guardian angels helped you out by destroying it.

Lana: Lincoln did save you and that is what counts.

Me: Look Wilbur, I'm sorry you did all that but it wasn't your fault. Now can you calm down and tell us what happened that possibly possessed you to do this?

Huggins: (Sniffles) Well I'll try. I remember this kid. He had long black hair and brown devilish eyes and he did something to me. He had this hand with pitch black energy and he put it on me and made me do terrible things.

Me: Wait did he look like this?

I showed him a picture of Chase Young.

Huggins: That's him!

Me: Chase Young did this to you! He made you hate Lincoln with ever fiber of your being and made you poison his sisters with that dark side serum and made them do this! (GROWLS IN RAGE!)

I clenched my fists tight and blood poured through my knuckles and it dripped onto the floor and burned a hole through the floor!

Me: (GROWLS) I WILL KILL HIM WORSE THAN ANYTHING EVER FOR THIS!

Anna Anyanova: So Chase Young is responsible!

Qin: What a heartless monster!

Me: Now I have more than an INFINITE number of reasons to kill him!

Armada Cyclonus: Or at least kill his Dark Side.

Me: That too. I promise you Huggins, Justice will be brought to that son of a fucking bitch! I will never forgive him for everything he did!

Nico: But will you forgive the good Chase Young before his Dark Side took over? Or are you too pissed off to even care about that? See, this is why I'm leader now.

Luna: (to me) Well, dude, it's been nice knowing you.

Me: Nico guys, calm down. I will forgive the good side of him. But I WILL NEVER forgive his bad side.

Nico: Wise choice.

Xenia: Yeah.

Me: I have known Lincoln ever since 2016 and I will not let Chase Young's evil deeds go unpunished for one second longer.

Eli: He will pay for this. Everything he did he will pay.

Deadpool: (to the viewers) I know us fighting Chase Young is sudden. But Octomus is dead and nearly all of Twilight's enemies are destroyed. Chase Young's pretty much one of the closest villains know where magic's involved.

Jamesdean5842: You're right on that one.

Me: That is true.

Qin: Yep.

Patrick: If there's ice cream left, can I have some?

Huggins: I ate the last one.

Patrick: TARTARSAUCE!

Me: Sorry Patrick.

Then a Musharna came in.

Me: Hey a Musharna.

Qin: Cool.

Musharna: (In a girls voice) (Japanese Accent) If you want, I can come back later.

Nico: Oh, it's fine. Right now, we need all the help we can get.

Qin: Ayane Tsutsumi!? Wow!

Nico: Cool!

She reverted back and was a girl with pink hair and a pink kimono.

Ayane Tsutsumi: Awesome to see you all again.

Nico: Same here.

Powerglide: What's your favorite memory of Nico?

Ayane Tsutsumi: When Nico was over at my family's ramen restaurant and he ate the most bowls of ramen ever there. He holds the record for 100 bowls there.

We were amazed.

Huggins: Wow! Nico you ate all that ramen?

Nico: I sure did.

Naruto: That's more than me and Hinata. Nice job.

Nico: Thanks.

Ayane Tsutsumi: It's how Nico earned the title The Black Hole of Ramen.

Nicole: Very fitting.

Qin: I remember that. It was amazing.

Ayane Tsutsumi: It sure is and NO ONE has EVER been able to come close to his record.

Me: Boy no kidding there.

Nico and Ayane hugged.

Nico: I've really missed you.

Ayane Tsutsumi: Me too Nico. Me too.

Me: Before we head back we should get this place cleaned up.

Nico: Good idea. First lets head to the Renegades HQ.

Moon Knight: Good idea. You'll like where we set up our base while you were away.

We then arrived at the Renegades HQ which was actually in the old abandoned Gotham Royal York Candy Factory. We saw lots of computers and data and lots of weapons and more.

Me: The Old Abandoned Gotham Royal York Candy Factory?

Qin: Wow.

Dirge: So, this is Renegades HQ, huh?

Moon Knight: Yep. We used this building as our base of operations to gather data on every single criminal here. We set up databases and collected intel on the thugs and every kind of criminal here.

Nico: Very cool.

Qin: You guys sure came prepared.

Laney: Yeah.

Scarlet Spider: Yep. We set up shop here just 5 days before you guys left.

Nico: You guys sure were busy.

Then the previous group came.

Leonard: Can me, Mr. Mittens, Toiletnator, Fixer, Condiment King, Xiao Fung, Gramma Stuffum, Number 7, Zexion, and Girder go with you guys?

Nico: Yes you guys sure can come with.

Qin: Yep.

Leonard: Wow so this is your base of operations Moon Knight?

Moon Knight: Yep. We used it to monitor the city and track all the criminals here while everyone was away.

Nico: Yep.

Bai Tza: Nico, which Gene Slammers do you think you'll meet next?

Nico: Unfezent and Zebstrika next.

Me: Ooh! That will be cool.

Marty (Madagascar): Yeah that will be really cool!

Qin: It sure will.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Wrenley Bailey of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Wrenley Bailey of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her first. But, if we know that bitch all too well, she'll also be bringing Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Ronnie Anne: While you and I deal with Wrenley Bailey and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Wrenley will no doubt have weapons, namely guns, with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, the time to destroy Chase Young has finally arrived.

Lincoln: We'll make that immortal evil monster pay for everything he did over the course of 1,500 years, and once we get done destroying Chase Young, you're next, Wrenley Bailey.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Me: You got that right.

Leonard: Oh man! So that's the name of the new enemy we're up against for Lincoln and his guardian angels.

Me: Yep. The Legion of the Lincoln Haters. They are a group of Queen Bee girls that Lincoln and his Guardian Angels took down 5 years ago and got them expelled and sent to prison. They are all also the daughters of the evil Blood Dragons.

They gasped!

Leonard: Oh man! Not good!

Mr. Mittens: What do they want?

Me: They want to get revenge on Lincoln and kill him for putting them in jail.

Qin: Yeah.

Mr. Mittens: So, how ARE we gonna separate Chase Young's dark side.

Zoey Reeves: Remember the Split Emitters Void Queen used to split apart Venjix and Evox?

Me: How can I forget. But I think I see how you are going to do that.

Qin: Yeah that will be perfect.

Nate: I made them into a blaster form for us.

Me: Cool.

Top Man: There's also the matter of the remaining Heylin baddies on the loose.

Clay: Those sidewinders are in for a little surprise. Jessie and her gang are helping us out for that.

He revealed that she set up a fake summit for the Heylin and she is going to bring them in there and it will be an ambush trap for us to bring them down.

Me: That is genius Clay.

Qin: Yeah.

Toiletnator: It should be at Chase's lair.

Eli: China. It's in China where Chorh-Gom Prison is located. It's in a long forgotten volcano.

Qin: That will be interesting.

Lola: Hmm. Perfect trap.

Blitzwing: (to the Renegades) Which of you guys is fighting who?

Moon Knight: I will help J.D. fight Evil Chase Young. I AM the leader, after all.

Nico: Let J.D. have his fun first. He has over 150,000 years of pain to dish out.

Moon Knight: Fair enough.

Scarlet Spider: I got Pandabubba.

Zoey: I'll take down Vlad.

Gladion: I got Hannibal Roy Bean.

Azrael: I'll fight Le Mime.

Kilowatt: (deadpans) Great. That means I'm left with fighting that Cyclops.

Nico: You'll do great Kilowatt.

Raimundo: Besides we faced these guys many times before.

Fixer: We should head out there then.

Nico: Right.

We were off to China.

---

We arrived at his castle. It was a creepy evil fortress.

Alternate Chrysalis: J.D., you and the Louds wait further out here. Any noise will get their attention.

Me: Okay.

We did so.

Lincoln: We got to trust in this plan.

Condiment King: tt's starting!

We listened.

Jessie Bailey: Welcome, ya'll, to this here summit.

Pandabubba: I know you called this summit, Ms. Bailey, but I have come with grievances against Mr. Young and Mr. Bean. Starting with the fact that several of our numbers have been taken out by Team Loud Phoenix Storm.

Vlad: Can I say something?

Pandabubba: No, you may not. (to Chase Young) Why don't you keep your pet imbecile quiet?

Chase Young: Quiet you worm. You do what I say if you know what's go for you.

Vlad: All I'm saying is that we could've been more prepared. It's not like we could've known that the Monks and those other heroes would suddenly go all kill happy.

Pharaoh Man: Kill Happy is definitely not a word.

Vlad: Sorry. I know I spoke out of turn.

Pandabubba: No. For once, you make a good point. I don't know how your two bosses have been operating these last few years. But it's not doing us any favors.

Vlad: I see.

Hannibal Roy Bean: I reckon this ain't a productive direction for our discussion.

Pandabubba: No? Not a single Shen Gong Wu is in our posession. And not to mention that Jack Spicer has ended up joining Team Loud Phoenix Storm. And his so called Dark Side has become second in command of the Masters of Evil. Who are clearly not on our side.

Xiao Fung: Damn right they're not.

Hannibal Roy Bean: And lets not forget that half of our fellow Heylin members are now in the Masters of Evil! We should be finding ways to kill them all and replace them. Their use to us expired.

Pandabubba: Makes you wonder why I even agreed to be part of this alliance in the first place.

Chase Young: Because the monks are your enemies too.

Hannibal Roy Bean: And pretty soon, the Heylin are gonna be dominating this world. So ya'll better behave yourselves or you'll be sorry.

Pandabubba: No agreement exists that makes a slave of Pandabubba.

Hannibal Roy Bean: (gets in his face) No agreement exists that guarantees that life of Pandabubba.

Pandabubba: (cracks his knuckles) Pandabubba guarantees that himself!

Marah: Man, this is getting good!

Me: Shh.

We watched as there was dissension brewing.

Outside…

Gramma Stuffum: (to me and the Louds) So, how do you guys like my team you saw this morning?

Me: (Whispers) It was awesome gramma. It will be fun too.

Lola: (Whispers) It sure will.

Me: Lets continue to listen.

Pandabubba: It seems we have a stand off.

Hannibal Roy Bean: No. We don't! (headbutts Pandabubba)

Xion: Seriously? At this rate, they'll kill each other before we can get Chase's dark side out!

Nico: Be patient guys. We attack on my command.

Chase Young: (Cyclops was about to join in) No, Cyclops. You'll merely dominate this fight. Save your strength.

Killowatt: Still think I can take him?!

Number 7: I believe you underestimate yourself.

Me: Shh.

We continued to listen.

Chase Young: Enough! We are allies, not enemies. Any conflict between us only benefits our true opponents. Team Loud Phoenix Storm and the Masters of Evil. We must not allow petty disagreements to drive a wedge between us.

Brawl: We don't need wedges to take you guys down!

Nico: I agree there.

Qin: Say the word Nico and we spring the trap.

Zexion: Leonard, are your pigs in position?

Leonard: They are.

Zexion: Good.

Chase Young: You've been awful quiet, Ms. Bailey. Anything you'd like to share?

Jessie Bailey: (sighs) You know, I tried sticking with ya'll. But ya'll have just gotten worse over time. And then Thanos came a few years back. I had to stick with my heart. And my family.

Hannibal Roy Bean: What are you saying?

Jessie Bailey: That this really wasn't a summit.

Dive Man: Entrance time now!

We went at it.

Chase Young: What do you… Oh no! IT'S A TRAP!

Then the spirits of the Shen Gong Wu and the elemental forces of nature swirled in and then converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof of the lair and a phoenix cry was heard and then fireballs rained down and blasted the minor members of the Heylin and smashed them into dust and then I teleported and kicked Chase in his face and smashed him into a wall!

Me: Surprise!

Qin: You fell right into our trap!

Nico: Time for you fuckfaces to pay for your crimes!

Vlad: Hey, Jack. How's Megan doing? I'm a bit disappointed I didn't receive an invitation to her upcoming birthday.

Jack Spicer: Vlad, I missed you too. But what in God's holy name makes you think you would be allowed near her after that jumpscare prank you did?

Vlad: I'll bring cupcakes!

Jack Spicer: Did you even hear a single fucking word I just said?

Girder: Jumpscare prank?

Jack Spicer: Don't. Fucking. Ask.

Me: HEY! That's my line!

Jack Spicer: Sorry.

Then Electrocutioner, Hydro Man, Pyro, Grumblemon, Hsi Wu, Toyman, Artie Ziff, King Hiss, Mammoth, and King Shark and their groups came.

Nico: Electrocutioner, Hydro Man, Pyro, Grumblemon, Hsi Wu, Toyman, Artie Ziff, King Hiss, Mammoth, and King Shark.

Electrocutioner: Did the Juto really attack you guys earlier?

Nico: They did.

Cadance: Not to worry. They won't bother anyone ever again.

Me: That's for sure.

Hydro Man: Hey, we're not complaining.

Nico: Yep.

Pyro: After how they tried influencing Jiro and Tsuyoshi, they can all burn in Hell.

Me: They're all in the black gates.

Grumblemon: Good riddance. (to Nico) We heard you went to the jungle.

Nico: We sure did.

Hsi Wu: How was it?

Me: Don't. Fucking. Ask.

Hsi Wu: Uh oh.

Brick Bully then came.

Me: Brick Bully. Back for another round?

Brick Bully: Yep.

Me: Awesome.

Brick Bully: (to the Alien Rangers) You guys should fight me as well.

Aurico: That you can count on.

Nico: Awesome.

Qin: Yeah.

We got the battles underway.

---

Emerald Goldenbraid, Marcarita, Red Dragon Archfiend, Black Rose Dragon, Stardust Dragon, White Night Dragon, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Dirge and Ramjet VS Electrocutioner, Evil Plug Man, Amadum, 090 Cook Roidmude, 108 Paradox Roidmude, and 067 Open Roidmude - Nico's Rescue

---

Electrocutioner was first.

Electrocutioner: (to Emerald Goldenbraid) Nico's rescue involved URSULA going crazy for bananaquats?! How. the fuck did that happen?!

Emerald: I have no idea! It was like she could smell them from so far away.

Marcarita: That was a really crazy sight to see.

Red Dragon Archfiend: It sure was. But I'm glad she was stopped.

Black Rose Dragon: Yeah that was crazy.

Stardust Dragon: They pumped her with a Tranquilizer Dart and knocked her out.

White Night Dragon: They sure did.

Twilight Sparkle: She was really batty for them.

Starshine Sparkle: Yeah no kidding there.

Spyro: Yeah that was crazy!

Electrocutioner: I agree there! Lets do it!

Emerald and group used fusions for Hermos and the unicorn monsters and rider cards for their archenemies and they got awesome weapons and they fired magic blasts and smashed them down.

---

## Luna, Shou Ronpo, Billy Cranston, Kimberly Ann Hart, Trini Kwan, Zach Taylor. Rarity, Sweetie Belle, Water Skylanders, Maria and Bai Tza VS Hydro Man, Liquidator, Mr Compress, Spinner, Magne, and Dabi - Battling Another Bananaquat Insane Ape and Another Selene

---

Hydro Man was next.

Hydro Man: (to Luna) Nico, Sam's team, Selene's team, and the others did good battling Another Bananaquat Insane Ape. And Another Selene as well.

Luna: Yeah dude it was crazy! Nico blew his entire head off to heal until after it was over with the Another Bananaquat Insane Ape.

Shou Ronpo: That was crazy. But the Another Selene was a mutant that J.D. knows.

Billy: It was really awesome to hear about it

Kimberly: It sure was awesome.

Trini: You got that right.

Zach: Yeah no kidding there.

Rarity: That was a really crazy and amazing rescue though darlings.

---

Pyro was next.

Pyro: (to Vakama) I heard Lincoln's rescue was in Arkham Asylum. How was it?

Vakama: It was really awesome and epic! From what we heard yesterday, Michael Hastur after he escaped from prison had also broken out the evil demonic Dark Goth brothers of Adriana Azathoth, Arabella Yog-Sothoth, Adrienne Nyarlathotep, Callista Cthulhu, and Cadenza Cthugha, Abaddon Azathoth, Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha, and those demonic Dark Goths are out for revenge. But, they decided to separate so they won't be hunted down at once just to piss us off, well, two can play at their stupid game. The first one that we were tasked with hunting down at Arkham Asylum is Abaddon Azathoth, the younger brother of Abaddon Azathoth, and he'll meet the same fate as Damian Shub-Niggurath and Michael Hastur.

Beast Wars Inferno: It will be a daring task for the royalty!

Earth: Her name is Raven Donovaz and she is an awesome vampire and she really has quite a punch too.

Sea: She sure does and man she is amazing.

Marina: We were amazed by it ourselves.

Sailor Cholganna: Yeah and her story is really cool.

Jacqueline Tefnut: It sure is.

Sirena Cammecola: We all were amazed ourselves too.

FLASHBACK ENDS

Nico: Yep. So, Raven, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Raven Donovaz: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and

Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Raven Donovaz: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through. But, I checked up on him, and he appears to be recovering slowly.

FLASHBACK ENDS

Grumblemon: Oh man! Lori did a big time bad thing. By the way did they find out what that evil new enemy organization is?

Earth: Actually they sure did! And you are not going to like this! They are a bunch of Queen Bee girls that were pure evil to the bone and years ago Lincoln got them expelled with the help of his Guardian Angels and sent them all to prison. Now they are out for revenge. They call themselves The Legion of The Lincoln Haters and their goal is to kill Lincoln and everyone he loves and knows for revenge.

Grumblemon and his group gasped in shock!

Grumble: That is horrible!

Earth: Gets worse! These girls are the daughters of the Blood Dragons. Remember them?

Grumblemon: Boy I sure do! These girls are pure evil!

Applejack: They sure are and we're going to make them pay for everything they did.

Apple Bloom: We sure are and they will get it big time.

Flashwing: You said it!

Grumblemon: Oh man! I have a feeling these girls are that dangerous! Lets do it!

They fired hadoukens based on the Shen Gong Wu and blasted him all over.

I ran fast and took out my dagger coated in my poisonous blood and drove it into Evil Chase Young's black heart!

Me: My poisonous blood! Right through your twisted black heart! TAKE IT! TAKE IT STRAIGHT TO THE FIRES OF OBLIVION YOU SICKENING MOTHERFUCKING PIECE OF FUCKING SHIT!

He screamed in pain and it caused his body to turn to dust and disintegrate. Then, as his evil spirit appeared, I drew The Judgement Kanji on his forehead, and he was found guilty by all those he'd harmed over the 1,500 years he lived, and he was erased by The Black Gates forever.

Me: Good riddance, you heartless monster.

Lincoln: You're never hurting another innocent person again.

Nico: You got that right, Lincoln. Awesome job, gang, we've finally gotten rid of Chase Young's Dark for good.

Lincoln: And now, there's only one last thing to do, and one last loose end to take care of: Wrenley Bailey.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Wrenley.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Wrenley Bailey of The Legion of The Lincoln-Haters, but she wasn't alone, we saw thirty more girls heading our way, they were Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana

Cameron, and Brianna Greyson of The Legion of The Lincoln-Haters.

Selene Arcangela: Oh great, the bitch has also got Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Wrenley Bailey: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And none of us will forget what you did to our Dads, The Blood Dragons! Wrenley, kill him, while we kill all of Team Loud Phoenix Storm! (LAUGHING MALEVOLENTLY)

But, before Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE

THIS! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river, bitch!

Maria: You tell her, Lincoln!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Ronnie Anne: But, that's going to end here and now.

Suddenly, Ronnie Anne's eyes turned neon purple and she was surrounded by a purple energy aura with fire, fireworks, chili peppers, eagles, and Chinese Dragons, she unholstered her massive Defender of Mexico sword from her back, and as she approached Wrenley Bailey, she left purple energy, fire, fireworks, chili peppers, eagles, and Chinese Dragons with every step.

Ronnie Anne: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Wrenley Bailey, and the same went with the rest of the monsters inside the energy field. You think that now that you and the rest of the Legion of The Lincoln-Haters have broken free you can waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Ronnie Anne was surrounded by a massive vortex of purple energy with fire, fireworks, and chili peppers, there are eagles and Chinese Dragons flying around the vortex, and in the vortex is a light purple phoenix with red eyes glaring at Wrenley Bailey: the red eyes of death. Then, as the vortex faded, Ronnie Anne emerged, but she was changed forever.

(MEXICAN MUSIC PLAYS)

Ronnie Anne grew from 6'0" to 7'5" in height, she has the body of a goddess, she has light purple highlights in the bangs of her long black hair put in a ponytail, she has neon purple eyes and a purple energy aura with fire, fireworks, Chili Peppers, eagles, and Chinese Dragons surrounding her, she has a Chinese Dragon and eagle emblazoned on her forehead and Third Eye with purple iris, she has on Chinese Dragon earrings with purple gems for eyes, and holding the Fire, Fireworks, and Eternity Kanjis in its hands, she also has a Chinese Dragon and Eagle with purple gems for eyes and holding the Fire, Fireworks, and Eternity Kanjis in its hands on the bottom of her purple eagle-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Ronnie Anne felt a sharp pain on her back, and then, massive midnight black angel wings with purple tips on the large black feathers grew and sprouted out of her back, and she now has eleven massive and long black wolf tails with purple tips and purple markings. Ronnie Anne has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Red Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Ronnie Anne's massive Defender of Mexico sword, The Fire Bow of Xiuhtecuhtli, and all of the greatswords she'd gotten began merging together and they're surrounded by a kaleidoscope of purple energy, skateboards, fire, fireworks, Chili Peppers, eagles, and Chinese Dragons, and when it emerged, it was transformed into Xiuhtecuhtli's Mexican Defender Firestorm Greatsword of Fireworks Justice, it's a brand-new massive greatsword with embedded colored gems and the Chinese God of Fireworks, Zhurong, and the Aztec God of Fire, Xiuhtecuhtli, etched on the 7'2" massive, wide, double-edged purple blade, large red Chinese Dragon heads with colored gems for eyes, large white angelic faces built into both sides of the hilt and blood red gems embedded on their foreheads, longer midnight black handle, four large purple eagle heads with colored gems for eyes and large Chinese Dragon head with purple gem in its mouth below the eagle heads for the pommel, she has on her large gold cuff Bracers of The Champions of The Universe with purple gems on her wrists and Dragon Ball Bracelet on the left bracer, her Belt of Elemental Bravery with a gold eagle head with purple gems for eyes and a large purple gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Ronnie Anne has transformed into SUPER ANGEL-CHINESE DRAGON-EAGLE-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA MEXICAN FIRESTORM CHINESE FIREWORKS CHINESE DRAGON MEXICAN EAGLE ANGEL OF DIVINE CHINESE FIREWORKS MEXICAN FIRESTORM JUSTICE AND DIVINE CHINESE FIREWORKS MEXICAN FIRESTORM LOVE!

We were amazed by Ronnie Anne's Super Angel-Chinese Dragon-Eagle-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Wrenley Bailey saw it, she went fucking crazy and got out a machine gun to fire at Ronnie Anne, but Ronnie Anne fired a powerful purple energy blast with fire, fireworks, chili peppers, Chinese Dragons, and eagles at Wrenley Bailey, and it sent her flying into a tree back first, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Ay Caramba! Ronnie Anne has transformed into her Super Angel-Chinese Dragon-Eagle-Harmony Universal Eternal Celestial Xelnaga, that's so awesome! Now, things are really going to get messy!

Lincoln: Wrenley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Ronnie Anne: (Divine Godly Cosmic Voice of The Mexican Firestorm Chinese Fireworks Dragon Eagle Angel and Divine Chinese Fireworks Mexican Firestorm Dragon Eagle Love) **You got that right. Now, let's rip her apart, Lincoln.**

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal

Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Ronnie Anne.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Wrenley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.**

Ronnie Anne and Lincoln went after Wrenley Bailey who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, purple energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Wrenley Bailey and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now and driving her even more ballistic.

Just then, Wrenley Bailey got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Ronnie Anne, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Wrenley Bailey's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Wrenley Bailey by the neck and he tossed her into the air, and then, Ronnie Anne and Lincoln fired two powerful energy balls with elemental forces and mythological animals, and as they hit Wrenley Bailey, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Wrenley Bailey's spirit appeared, and she was still incensed with anger and fury.

Wrenley Bailey: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Wrenley.

Lincoln summoned the spirits of Wrenley Bailey's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Wrenley Bailey: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO

(FADES AWAY)

We cheered wildly as Ronnie Anne and Lincoln holstered their massive greatswords on their backs and powered down, and Ronnie Anne's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Wrenley Bailey. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Ronnie Anne: We've taken one down so far, and now, we got thirty more to go. Thanks for helping me destroy Wrenley Bailey, Lincoln.

Lincoln: You're welcome, Ronnie Anne.

Suddenly, Ronnie Anne wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Ronnie Anne's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, Chinese Dragon,and Eagle flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging and fireworks going off behind them and we cheered wildly. Then, Lincoln and Ronnie Anne absorbed the flames and fireworks and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a fiery beginning to the war. Lincoln, Ronnie Anne, you two did really awesome in teaching that monster bitch, Wrenley Bailey, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion, and in addition to hunting down and destroying the members of The Legion of The Lincoln-Haters, we're also going to hunt down and destroy Adonis Yog-Sothoth, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha who are still on the loose, so we've got a huge challenge, but it's nothing we can't handle.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Taytum McKinley, which means you and I are up next, Girl Jordan.

Girl Jordan: Yes, we'll be ready for her, and tomorrow on your rescue, there's no doubt the next one we're going after is Adonis

Yog-Sothoth.

Lincoln: Yep, but we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Darkness are you meeting on your rescue tomorrow, Lincoln?

Lincoln: We already met Heather Huffington, Gene-Slammer of Elemental HERO Escuridao, last year, so the last Elemental HERO of Darkness we're meeting is a Gene-Slammer of Elemental HERO Darkbright.

Caitlin Ashleigh: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Darkbright: Lenora Mountaineu, she's one of the Elemental HEROS of Darkness and one of the agents of The HELLSING Organization.

Lincoln: And has the same story as the other Elemental HEROS of Darkness.

Chase Young: I truly am sorry for everything.

Toyman: Don't apologize. You weren't in control of your actions.

Artie Ziff: At least it's all over now.

Spicer: (to Vlad) ON second thought, maybe you CAN attend Megan's birthday. But no more jumpscare pranks.

Vlad: Okay.

King Hiss: Can we attend too?

Mammoth: I call dibs on the cake!

King Shark: Hey, don't hog that to yourself!

Me: Now now there's enough for everyone.

Qin: Yep.

Nico: But great job today guys. The Heylin are done for.

Qin: Yep.

Omi: (To the viewers) The Heylin are gone for good.

Me: Thank goodness.

We went back home and enjoyed the rest of the day and went to s leep.

The next match-up in The War Against The Legion of The Lincoln-Haters is Girl Jordan and Lincoln VS. Taytum McKinley

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Universe 666 Earth, and we're going to destroy the next evil demonic Dark Goth that we're after, Adonis Yog-Sothoth, the evil former younger brother of Arabella Yog-Sothoth, but he's not going to be alone, we've also gotten word from President Slade that the Universe 666 versions of the Miraculous Heroes were also sighted there and they want revenge on us for what we did to Evil Nico and his psychopathic and murderous followers. But, we're going to take them down and destroy Adonis Yog-Sothoth. And we're going to meet the last of The Elemental HEROS of Darkness, and her name is Lenora Mountaineu, Gene-Slammer of Elemental HERO Darkbright, she's Lincoln's Guardian Angel from Michigan and she's a member of The Mountaineu Clan, an ancient clan of powerful vampires from France who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages, and she's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult. She's an agent of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince Pusateri who was also an agent of The HELLSING Organization in destroying Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day. She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra Fairbrook Wingate Hellsing, the head of The Hellsing Family and leader of The HELLSING Organization, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles. She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Lenora and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

Get ready for an awesome race as we go on a Super World Race and we're going to battle McWolf and he is going to try and stop us from winning. But it will be funny. And Bobbie Fletcher is going to confess her feelings to Lincoln at the end of the race and it will be awesome.

See you soon.

What we didn't know however is that this planet was going to be one that will be crazy.

Me: I have a feeling this will be a good planet to see.

Xenia: Yep it sure will.

Nico: I have that same feeling too.

Poromon: Me too! This will be fun.

May: It sure will.

Nicole: Yeah.

Luster Dawn: I'm really excited for this too.

Nico: Luster Dawn, I want to thank you, Gramma Stuffum, and your teams for coming today.

Luster Dawn: No problem Nico. It's going to be so fun to help you out.

Qin: It sure will be.

Molly Malloy: You got that right.

Nico: Molly, remember when you first met us in Horrorland?

Molly Malloy: I sure do and that was so awesome.

Qin: That was cool to hear about.

Camie: I heard about that from Nanette. That was a scary place.

Nico: It was. And we blew that entire place apart.

Me: Yep. Now it's nothing but a crater.

Eli: Good riddance.

Molly Malloy: That was a really awesome adventure though.

Varie: No kidding there.

Nico: That place wasn't safe for children

Me: No it wasn't. It wasn't safe for ANYONE at all.

Xenia: No it wasn't.

Camie: Now Horrorland is a forgotten memory.

Varie: That's for sure. Along with Madison Storm.

Twilight Sparkle: That is for sure. He was a monster.

Me: You got that right.

Laney: Yep. But yesterday was so awesome.

Me: And now Chase Young was purged of his evil side.

Lana: That is for sure.

Nico: And the rest of the Heylin baddies are in Jail.

Airazor: That is for sure and J.D. said a like that was similar to what Depth Charge would say

Me: Yep.

Nico: That was awesome.

Eli: He sure deserved it.

Varie: Yeah.

Nico: Good thing the Renegades had those Split Emitters, huh?

Me: That's for sure.

Keiichiro: That was good they did.

Me: And the Renegades base was awesome and cool.

May: And right inside an abandoned candy factory too.

Lola: You got that right. Coincidentally that was the hideout of the Joker from 2039.

Me: That's right! I remember that.

Camie: Wow!

Nico: Yep.

Maria: That was awesome. Carol I have this feeling that later today we'll meet some friends of ours that you and I met.

Carol: I have a feeling we'll see them soon.

Maria: But we'll probably meet them one at a time.

Carol: Yeah.

Me: Yep.

We arrived at the planet. It was a golden yellow planet.

Me: Wow it looks like a flower planet from up here.

Nico: Think it's made of flowers or a desert?

Me: Lets find out.

We flew down to the planet.

Just then, Poromon smelled something.

Poromon: I smell something nice!

Nico: (Sniffs) It smells like… (GASP) Oh no!

We landed and we saw that it was a yellow ocean planet.

Me: Whoa this is a weird planet.

I dipped my finger into the water and licked the water.

Me: Uch! (SPIT) Wait this is an ocean planet… (GASP) I don't believe it! It's an ocean planet made entirely out of pure beer!

Jamesdean5842: Oh god this is gonna be a crazy one!

Mascots: Yay! Beer!

The mascots dove in.

Me: Nico please hit me on my head.

Nico: Why?

Me: I don't want to see this world.

Poromon was drinking beer.

He was guzzling it down.

Me: Oh boy.

May: Manaphy come out of there!

Manaphy: (Slurred Speech) Come on into the water mama. It's fine.

May: Uhh no thanks Manaphy.

Manaphy was drinking beer

She was guzzling down beer.

Me: Time for Homer and Barney to come.

I snapped my fingers and then Homer and Barney fell down and then…

KRASPLASH!

Nico: Whoa!

Barney Gumble: What the? Wow! A planet made of beer! (BELCH)

He was drinking beer like crazy.

Homer: This is amazing guys!

He too drank a lot.

Me: This is definitely a world that I'm blacklisting from my places to visit.

Poliwag was drinking beer.

Poliwag was guzzling it down.

Horsea drank lots of beer.

Qin: This is a crazy place.

Horsea was drinking beer.

Maria: Horsea is in heaven.

Me: When the next of Swartz's creations come we're going to the park back home.

Camie: I agree.

Eli: Yep.

Horsea: (sees someone approaching) This is my beer! Get your own!

We saw that it was ANOTHER EL JEFE and ANOTHER GRAMMA STUFFUM!

Me: Another El Jefe and Another Gramma Stuffum!

Qin: Whoa!

Eli: Usually it's 1 of them at a time but they both came.

Me: Probably for a good reason.

Nico: Yep.

Qin: Yeah.

Nico: The mascots can visit this place anytime they like.

May: OH NO YOU DON'T! NICO I WON'T HAVE MANAPHY COME HERE EVER! NOT EVER AGAIN!

Qin: (GULPS)

Lola: May?

Nico: Okay okay okay!

Manaphy hugged May.

May: Oh Manaphy.

The mascots came back and I snapped my fingers and they were back to normal and Homer and Barney came back and so were they.

I snapped my fingers and we were all in the park in the city.

Nico: Thank you.

Me: No problem.

Nico: Poromon can still dress up as the beer fairy though.

Qin: That works.

Lola: Yeah.

Camie: Good.

The Another El Jefe and Another Gramma Stuffum were sleeping while standing up.

They were snoring.

Me: I think they have hangover sleeping.

Eli: Oh boy.

Nico: Wait. I see someone else is here.

We saw a figure and it was a fireball streaking all over the city and it was laughing.

Nico: Is that fireball laughing?

Maria: Wait I know that laughter anywhere.

Carol: Me too.

It flew over to us and formed into a girl made entirely out of pure fire!

PyroTina: PyroTina is ready to burn.

Maria: (GASP) Tina Esther!

Carol: Oh my gosh! I haven't seen you since we were in kindergarten!

PyroTina: Maria? Carol? Wow! You two look amazing! But Maria you're back to normal? How?

Maria: I was blessed by the Water Stallion of Tefnut and given my humanity back. But I still have my water powers.

PyroTina: (sees Nico) Is this your boyfriend?

Nico: No! I'm her little brother!

Maria: Not biologically but in bonds. Also I'm now married. My name is now Maria Dunbar.

PyroTina: Wow! Congratulations.

Maria: Thanks Tina.

Me: Were you exposed to the quantum vapor too?

PyroTina: I sure was.

Eli: What were you doing when the Big Bang happened?

PyroTina: I was over at the Firefighter Academy looking at where I was gonna go. Then there was this massive explosion and then a huge cloud swept over me. Next thing I knew I was turned into pure fire. I turned into PyroTina.

Laney: That is amazing!

Lincoln: Lori's L-Emental self is also made entirely out of pure fire.

Camie: Yeah she sure is.

Maria: Me and my friends formed our own band of heroes before I was poisoned by Ebon's lies. We called ourselves The Elemental Metas.

Nico: Cool name.

Lola: Yeah.

Nico: (to PyroTina) And in case you're wondering, Ebon's been a good friend the last few years.

Lily: He's now my archenemy in the Masters of Evil.

Maria: Along with some of my fellow MetaBreed.

Me: Francis, Teresa and Rubberband Man are in the Redemption Squad.

PyroTina: That is amazing.

Me: It sure is.

Lincoln: Shiv is my sister Lynn's archenemy.

Nico: Kangor is Randy Cunningham's archenemy.

Lana: Puff is our dad's archenemy.

Me: Many of your fellow Bang Babies are in the M.O.E. And with us.

Nico: Don't forget Carmen Dillo and Onyx.

Fluttershy: Carmen Dillo is my archenemy.

Varie: And Onyx is Clay Bailey's.

PyroTina: Wow! That is amazing.

Me: It sure is.

Maria: My sister Carmen got exposed to the Quantum Vapor too and she got Fire Powers as well.

PyroTina: Wow that is amazing.

Nico: And the NightBreed are part of the team too.

Me: They sure are.

Qin: Yeah that was a crazy one.

Me: We found them at night and they couldn't go out into the sun because the Sun's ultraviolet radiation burned them like Kryptonite.

PyroTina: Oh yeah I heard about that. That was awful. How are Gale and the NightBreed doing?

Me: They are doing good. We helped them overcome that weakness.

PyroTina: I'm glad you guys did.

Maria: That is for sure.

Horsea: (to PyroTina) I'm glad to meet one of Maria's old friends.

PyroTina: Same here Horsea.

Maria: I found Horsea when we were over in the world of Narnia. It's an awesome story.

PyroTina: That is amazing. What did you guys do with the Quantum Vapor?

Me: We threw it into the sun and destroyed it all.

Nico: Yeah we sure did.

Horsea: We can revert you back after this.

PyroTina: I would like that as long as I can still use my powers.

Me: That can be done.

Qin: It sure will.

Nico: Swartz's creations are waking up.

First was Another El Jefe.

Another El Jefe: (In a girls voice) (Russian Accent) It's amazing to see you again Comrade J.D.

Me: (GASP) Mariana Abramovich!

Nico: Wait the world famous Russian Swimming Champion?

She reverted back and was a girl with blond hair and blue eyes and had blue clothes.

Mariana Abramovich: That's right Nico. Sorry you had to see me fall asleep like that.

Me: No problem.

Nico: Wow! How do you know Mariana J.D.?

Me: She came to our school and I promised to be her protector. Her father made a NASTY number of enemies in the Russian Mafia and

I protected her and killed them all and sent most of them to prison.

Nico: Whoa!

Qin: That is amazing!

Mariana Abramovich: That's right. Before I met J.D. I was a horrible girl. I had a really nasty habit of winning at any cost.

Me: Russia has a culture of putting the strongest first and the weakest last. They believe that you win by becoming strong and tough and not by sweet and nice.

Varie: Oh wow.

Lincoln: I know that. Also my guardian Angel Serena Wilde is your biggest fan and awesome swim partner. She told me so herself.

Mariana Abramovich: She told me so much about you Lincoln and I am honored to meet you.

Lincoln: Me too.

Me: Looks like we're going to meet her in the future soon.

Keiichiro: I'll face you. If anyone wants to join in, they can.

Maria: I will. Believe it or not before I was exposed to the Quantum Vapor I too was a great swimmer. It's how I was turned into pure water.

Mariana Abramovich: I can tell Maria.

Maria: By the way Mariana, I know this question is for the Core 310 Another Members but what did Swartz Promise you?

Mariana Abramovich: Just to bring down the entirety of my country's mafia.

Me: Well we pretty much got rid of them forever. The Mafias all over the world are now pretty much completely forgotten memories.

Mariana Abramovich: I'm so glad you did that comrade J.D.

Me: We all are.

Keiichiro: It sure is.

Maria: This will be fun.

Keiichiro: Keisatsu Change!

He transformed!

Keiichiro: PAT1! BY ORDER OF THE GSPO, I'M TAKING YOU DOWN BY FORCE!

Maria: This is gonna be good!

Qin: Yeah!

Mariana turned into ANOTHER EL JEFE! (TIGER ROAR!)

Keiichiro fired his Vs Changer.

He blasted her all over.

Maria fired waves of water and drenched her!

Maria: I also have acquired another awesome power.

She formed a floating river of water and she dove in it and turned into a mermaid!

Maria: I can turn into a mermaid!

PyroTina: WHOA! Maria what has happened to you since you joined Team Loud Phoenix Storm?

Maria: Tons of things.

She swam fast at Another El Jefe and bashed her down with a powerful blast of water and flew into the air as a winged mermaid and I caught the Wonder Ride Book as she was back to normal. It was called The Russian Mermaid and The Evil Tiger Dictator of Cuba.

Me: The Russian Mermaid and The Evil Tiger Dictator of Cuba. Wow that is fitting.

I brought Mariana over and Varie helped heal her.

Mariana Abramovich: (Groans) That was a rough experience.

Me: It's a strange story. But you're back.

Maria landed.

Maria: I've grown a lot the last few years.

PyroTina: Wow! That is amazing.

Maria: It sure is.

Me: Now for the Another Gramma Stuffum.

Nico: After seeing the Mascots drink all that beer we're going to be in for a really interesting one.

Camie: Yep.

Mariana Abramovich: So we were on a beer planet. I wondered what that was.

Me: It was a planet we're going to blacklist.

Nico: Yep.

Eli: I sense that the Another Gramma Stuffum is friendly guys.

Qin: Great.

Lola: That is awesome.

Luster Dawn: That is good.

Maria: Time for backup first!

Maria got out the M.O.E. Cannon.

Maria: (TURNS DIAL) MYOTISMON 6!

She summoned Myotismon, Cyorown, Evil Shade Man, NES Hedorah, Evil HERO Inferno Wing, Frankenstein (Looney Tunes), Wolf (Legend of The Candy Cane), Battybat (Kirby), King Squeekly (Donkey Kong), and Bat (Super Mario Galaxy) along with Pipismon, Manbat and Shademon!

Nico: Awesome!

Me: Perfect for darkness.

Lola: Yep.

PyroTina: That was awesome Maria!

Maria: Yep. I can summon teams of the Masters of Evil Members.

Qin: A lot has happened to Maria over the years.

Me: Yep.

Myotismon: Did you guys go to a beer planet?

Me: We sure did! It was an ocean planet made entirely out of beer!

Evil HERO Inferno Wing: That is weird.

Me: You're not kidding.

Poromon: But we loved it!

Myotismon: Look on the bright side, Poromon. At least you and the other mascots drank LOTS of beer on that planet.

Manaphy: We sure did.

Nico: That was awesome though.

Luster Dawn: Yep.

Myotismon: (Sees PyroTina) Oh I don't think we met?

Maria: Oh I'm sorry. Guys this is my friend Tina Esther. She was turned into Pure Fire by the Quantum Vapor. She calls herself PyroTina.

Pipismon: Wow! Awesome to meet you.

PyroTina: Same here.

Nico: Poromon, you and Poliwag are the only ones allowed to go back to that planet. (To May) And May, I decide where Poromon and Poliwag can and can't go.

May: But Nico…

Nico: May I know you mean well are are looking out for the mascots safety but please let me decide where the Mascots go and can't go. Comprende?

May: (Sighs) Fine.

Nico: Good.

Poromon: The Another Gramma Stuffum is waking up.

She woke up and saw us.

Another Gramma Stuffum: (Smacks lips) (German Accent) (Groans) Oh mein gott! What a headache und mein cranium is achy.

Me: You drank tons and tons and tons of beer and I knew it was you Amelia Stuffum.

Gramma Stuffum: (GASP)

She reverted back and was a girl with orange hair and had purple clothes and the flag of Germany was on her skirt.

Amelia Stuffum: It is good to see you again J.D.

Me: Same to you. Amelia is a chef and she makes amazing food. And she has amazing food powers.

Qin: Wow! That is cool.

Gramma Stuffum: Ach mein dear granddaughter.

Amelia Stuffum: Grandma!

She went and hugged Gramma Stuffum.

Amelia Stuffum: It's great to see you again grandma.

Me: I didn't know Gramma Stuffum was your grandmother.

Luster Dawn: That is amazing that she is your grandma.

Amelia Stuffum: Ja und she makes the best food ever. And her food animal friends are mein animal friends too.

She summoned curried rats and Deep Fried Boars.

Amelia Stuffum: We have so much in common.

Me: You sure do. And you share the same powers.

Amelia Stuffum: Und it's fun.

Nico: Yeah.

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (gets out Carranger gear) Because we can grant it instead.

Kaito got a Zeo Sword and Zocks got a Turbo Sword.

Amelia Stuffum: Nein. Before he could promise anything I force fed him curried bean snakes und made him so fat und ran away.

Sakura Knudson: I wondered why he was so big and fat like an overstuffed Thanksgiving Turkey like that. Geez!

Me: Geez! He must've been farting out explosive diarrhea like an explosive sausage stuffer.

Amelia Stuffum laughed.

Amelia Stuffum: (LAUGHS) Ja he sure was.

Nico: (LAUGHS) I didn't need to know that but that was funny!

Me: It sure was. And Swartz is now dead.

Sougo: (gets out Zeo Ridewatch) Now you probably know how Mr. Boss and Spankulot feel.

Geiz: (Gets out American Turbo Ridewatch) They have kids too.

Sougo gout ZeoRedArmor while Geiz got AmericanRedTurboArmor.

Amelia Stuffum: Oh ja.

Qin: Yeah.

Me: Sorry we have to fight like this Amelia.

Amelia Stuffum: Ach nein worries J.D.

She turned into Another Gramma Stuffum!

Me: Lets make this an Oktoberfest of Fun! (ACTIVATES EVIL HERO LIGHTNING GOLEM'S RIDEWATCH)

(THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS)

A total solar eclipse formed above us and lightning struck all over)

Me: (SINGING DIVINELY AS LIGHTNING, SUNS, MOONS AND LIGHT SWIRLED AROUND ME)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing
The night begins to shine
The night begins to shine
(Night begins to shine)
The night begins to shine

The night begins to shine (the night begins to shine)

I danced and fired waves of lightning, darkness and light and blasted her down!

Qin: ROCK ON!

Mariana Abramovich: That was an amazing song!

Nico: It sure was. We did a lot of karaoke practice.

Maria: Yep. Now for me. (ACTIVATES NEW WAVE'S RIDEWATCH)

(ODE TO MY FAMILY BY THE CRANBERRIES PLAYS)

WATER WAVES SWIRLED AROUND EVERYONE!

Maria: (SINGING DIVINELY AS WATER SWIRLED AROUND HER)

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

Understand the things I say

Don't turn away from me

'Cause I've spent half my life out there

You wouldn't disagree

Do you see me, do you see?

Do you like me

Do you like me standing there?

Do you notice, do you know

Do you see me, do you see me?

Does anyone care?

Unhappiness where's when I was young

And we didn't give a damn

'Cause we were raised

To see life as fun and take it if we can

My mother, my mother

She'd hold me

She'd hold me when I was out there

My father, my father

He liked me, well he liked me

Does anyone care?

Understand what I've become

It wasn't my design

And people everywhere think

Something better than I am

But I miss you, I miss

'Cause I liked it

'Cause I liked it

When I was out there

Do you know this, do you know

You did not find me

You did not find

Does anyone care?

Unhappiness where's when I was young

And we didn't give a damn

'Cause we were raised

To see life as fun and take it if we can

My mother, my mother

She'd hold me

She'd hold me when I was out there

My father, my father

He liked me, well he liked me

Does anyone care?

Does anyone care?

Does anyone care?

Does anyone care?

Does anyone care?

Does anyone care?

Does anyone care?

Does anyone care?

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

Doo doo doo do, doo doo doo do

She floated and spread her wings of water and fired waves of water and blasted down Another Gramma Stuffum!

Nico: OH YEAH! ROCK ON!

Camie: That was awesome!

Nico: (gets out Gramma Stuffum's Ridewatch) Let me show you all the stuff your grandma has cooked in the Masters of Evil.

I came to this school with my food

To conquer the young and rude

I'm Grandmother Stuffum

Mariana Abramovich: That sure was amazing.

Lola: You haven't seen anything yet.

Maria: (gets out Wind Kang's Ridewatch) Let's blow you away!

She activated it and fired waves of wind and blew her into the lake!

Qin: OH YEAH!

Nico: YEAH!

Me: Awesome!

Luster Dawn: Time to summon food of my own. (ACTIVATES GRAMMA STUFFUM'S RIDEWATCH)

She summoned Toasted Bat and fired them into Another Gramma Stuffum's mouth and blasted her down!

Nico: YEAH!

Molly Malloy: YEAH! Time to ROCK ON! (ACTIVATES ROCK'S RIDEWATCH)

She fired waves of rocks and smashed her down!

Then Salami Swami and his team consisting of Stacey, TTG Tooth Fairy, Bad Rayman, Izuru, Mirror Maniac, Malevolent Diablo Pepper, Frankenfood, Meatloaf Monster and Turkey Jerk came.

Nico: Nice team, Salami Swami!

Salami Swami: (Hindu Accent) Oh thank you Nico. This is gonna be a fun one.

Qin: It sure will be.

Stacey: (to Tina) Were you wearing anything before becoming this?

PyroTina: A red shirt and black pants but now my powers reduced me down to a red bra and panties.

Qin: Oh boy.

Nicole: The fire burned all your clothes but unmentionables.

Maria: Where's the next Gene Slammer?

?: Right here.

We saw an Unfezant!

Me: Hey an Unfezant.

Qin: Cool!

Unfezant: (In a girls voice) This will be fun.

Me: Wait that voice.

Nico and me: Heidi Coors!?

She reverted back and was a girl with blond hair and had purple and white clothes.

Heidi Coors: That's right. Awesome to see you Nico and J.D.

Me: Same here. Heidi is a beer brewer and she makes really amazing beer that me and my family use for our chili.

Nico: Oh wow!

Eli: That is cool.

Poromon: Heidi!

Heidi Coors: Hey Poromon! Wow. You and Poliwag are just as cute as ever. Along with all the Mascots.

Manaphy: We sure are.

Heidi Coors: Let me get some shots in.

She fired waves of stars and blasted down Another Gramma Stuffum.

Me: Now for the grand finale. Rainbooms, Lets Shine Like Rainbows!

Me and the Rainbooms: YEAH!

Me: Hit it girls!

Pinkie Pie: 1 2 3 4!

(SHINE LIKE RAINBOWS PLAYS)

[Applejack]

Once upon a time

You came into my world and made the stars align

[Rarity]

Now I can see the signs

You pick me up when I get down so I can shine

[The Rainbooms]

Shine like rainbows

Shine like rainbows

Shine like rainbows

Shine like rainbows

[Rainbow Dash]

Friends, you are in my life

And you can count on me to be there by your side

[Sunset Shimmer]

And when the music comes alive

[Me]

We sing our songs to lift us up so we can shine

[Me and The Rainbooms]

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

Together we stand

As the rain begins to fall

And holdin' our heads up high

As the sun shines through it all

And the sound that we hear in our hearts

Makes a crescendo

And the light that ignites in the dark

It makes us all glow

And shine like rainbows

We shine like rainbows

Shine like rainbows

We shine like rainbows

[Me and The Rainbooms]

We shine like rainbows

We glowed and fired a powerful rainbow helix stream and it fired a rainbow blast and it hit Another Gramma Stuffum and knocked her down and I caught the Ridewatch and purified it and I brought Amelia Stuffum over.

Heidi Coors: ROCK ON GUYS!

Qin: YEAH!

Mariana Abramovich: That was amazing!

Nico: Yeah it was!

Maria: WOOHOO! ROCK ON!

Nico: Now to revert Tina back.

PyroTina: Will this hurt?

Me: You won't feel a thing.

Maria: Also I'm one of the members of the teams Fashion Brigade. We'll give you awesome clothes.

Rarity: We sure will darling.

Me: Here we go.

I fired a wave of light and hit PyroTina and reverted her back. She had red hair and orange eyes and had a red bra and panties.

Tina Esther: (GROANS) Whoa that was rough.

Maria and the Fashion Brigade moved in and gave her awesome new clothes. She had a red shirt and red skirt with the kanji for fire on it and had red pants, orange legwarmers, orange shoes and orange gloves and they put an orange bow in her hair.

Me: There.

Rarity: Much better.

I pulled out a mirror and she saw herself and gasped.

Tina Esther: Oh wow! I look amazing! Do I still…

She fired a fireball and it hit a tree and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Tina Esther: Wow! I still have my fire powers but I'm back to norma.

Maria: You sure are.

Maria and Tina hugged.

Maria: I've really missed you Fire.

Tina Esther: Me too Water.

Carol: I missed you too Tina.

Carol hugged her.

Heidi Coors: Boy that was so awesome.

Laney: It sure was Heidi. Are you related to…

Heidi Coors: (LAUGHS) Everyone asks me that but no I hold no biological relationships to the Coors family in Colorado.

Me: That's a shame but that's okay.

Molly: What's your favorite memory of Nico?

Heidi Coors: When me and Nico made the strongest ever beer and we gave it to a Death Row Inmate and it caused his liver to explode out of his body and kill him instantly.

Me: GEEZ!

Qin: That is brutal!

Camie: No kidding!

Me: Death by beer. That would be a crazy form of capital punishment. What is the beer called?

Nico: The 666 Haupes of Doom.

Heidi Coors: It's a beer that's so powerful that it's considered as a weapon of mass destruction.

Me: WHOA! That is potent.

Eli: No kidding!

Poromon: I want to try it!

Nico: Poromon no you don't! It will destroy you.

Poromon: Oh boy.

Nico and me hugged Heidi.

Nico: We missed you Heidi.

Heidi Coors: Me too boys. Me too.

Kirby are heading to Universe 666 Earth, and not only is Lincoln going to rescue the nine girls here, but we're going to destroy the next evil demonic Dark Goth that we're after, Adonis Yog-Sothoth, the evil former younger brother of Arabella Yog-Sothoth, but he's not going to be alone, we've also gotten word from President Slade that the Universe 666 versions of the Miraculous Heroes were also sighted there and they want revenge on us for what we did to Evil Nico and his psychopathic and murderous followers. But, we're going to take them down and destroy Adonis Yog-Sothoth.

Lincoln: Whoa, we're here on Universe 666 Earth, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're going to destroy the next evil demonic Dark Goth that we're after, Adonis Yog-Sothoth, the evil former younger brother of Arabella Yog-Sothoth, but he's not going to be alone, we've also gotten word from President Slade that the Universe 666 versions of the Miraculous Heroes were also sighted there and they want revenge on us for what we did to Evil Nico and his psychopathic and murderous followers.

Kagami Tsurugi: Oh boy, this isn't good.

Alya Césaire: You got that right.

Penny Rolling, Clara Nightingale, Ms. Caline Bustier, Nora Césaire, Sabrina Raincomprix, Zoé Lee, Vivica, Jessica Keynes, Alix Kubdel, Aurore Beauréal, Fei Wu, and Juleka Couffaine also agreed.

Then, Marinette, Adrien, Chloe Bourgeois, Gabriel, Nino, Audrey Bourgeois, and the other members of The Miraculous Celestial Union arrived.

Marinette: Luckily, they're not as well-trained as us, so we'll be more than ready for them.

Lincoln: You got that right, Marinette. Plus, I've got a surprise to show you guys.

Suddenly, Lincoln's long wild white hair, massive white angel wings, large white wolf ears, and eleven massive and long white wolf tails and white rabbit tail turned rainbow, his large royal blue pants with rainbow fire and multicolored lightning bolts on the thighs turned white except for the rainbow fire and multicolored lightning bolts, the ten large multi-colored orbs orbiting around his legs and ten multi-colored smaller orbs orbiting around his waist remained the same, along with his orange version of He-Man 2002's loincloth with hanging silver lightning bolts, and long white trenchcoat coattails with elemental forces and mythological creatures on the coattails and they also had intense powerful rainbow hot flames coming off them and hanging mini silver lightning bolts on the coattails.

We saw it for ourselves: Lincoln has transformed into his own God of Friendship form.

Me: Whoa, Lincoln, you've transformed into your own God of Friendship form!

Fei Wu: That's incredible.

Lincoln: Thanks, Fei Wu, and I'm going to use it to free the Kwamis of the Universe 666 versions of The Miraculous Heroes. Like Tikki said, the Kwamis are not to be used for evil, and from what we'd seen, Universe 666 Marinette is no longer worthy of being the Guardian of The Miracle Box, and they aren't worthy of using The Miraculous if they're using it for evil.

Tikki: Right.

Lincoln: And I want to thank you and your team for joining us, Silverstream.

Silverstream: You're welcome, Lincoln.

Suddenly, we saw the Universe 666 versions of The Miraculous Heroes, and they were out for blood.

Universe 666 Marinette: You, you will all pay for what you did to Nico!

Lincoln: I think not, after what you all have done, you don't deserve the Miraculous, and what you've done in using the Kwamis for evil can never be forgiven.

Lincoln fired rainbow helix energy blasts from his massive greatsword, and they purified the Kwamis and the rainbow helix energy blasts also hit the Universe 666 versions of Marinette and her friends and they tied them up with rainbow energy ropes. Suddenly, Universe 666 Marinette's Miraculous Spellbook and Miracle Box went up to Lincoln, and they changed colors: The Miracle Box's colors had changed from red with black spots to white with orange spots and it's still round and The Miraculous Spellbook hardbound book's cover changed from brown to red with a golden design on the front and back cover, and also on the cover is a golden design that's identical to the one on the Miracle Box, a golden line is also around the edge of the cover.

Alya: Wow, Lincoln, you're now the Guardian of The Universe 666 Miracle Box and The Miraculous Spellbook.

Universe 666 Tikki: Thank you, thank you so much for freeing us.

Lincoln: You're welcome, Universe 666 Tikki. Now, then, I think it's time we send you away to prison for your crimes, and watch this one, gang.

Lincoln reverts back, and then, he went Super Angel Rabbit Moon Xelnaga. Then, he fused his Rabbit Miraculous with The Universe 666 Ladybug Miraculous, and then, we saw Lincoln's long wild white hair, massive white angel wings, large white rabbit ears, and eleven massive and long white wolf tails and white rabbit tail turned red with black spots, his large royal blue pants turn black with red spots except for the rainbow fire and multicolored lightning bolts, the ten large multi-colored orbs orbiting around his legs and ten multi-colored smaller orbs orbiting around his waist remain the same, his orange version of He-Man 2002's loincloth with hanging silver lightning bolts turned red with black spots, and long white trenchcoat coattails with elemental forces and mythological creatures on the coattails turned red and the intense powerful rainbow hot flames coming off them turned red.

Marinette: WHOA!

Me: What is that?!

Nico: That's The Miraculous Fusion, Marinette told me about it, a Miraculous user also has the ability to fuse two different Miraculous, and this is the result.

Lincoln: I'll come up with names for these later, right now, it's time to send our prisoners away.

Lincoln fired waves of ladybugs and rabbits at the Universe 666 versions of Marinette and her friends and they were sent away to the prisons built by President Slade, and they'll remain there forever.

Eli: That was so incredible!

Lincoln: Thanks, Eli.

Suddenly, Kagami Tsurugi, Alya Césaire, Penny Rolling, Clara Nightingale, Ms. Caline Bustier, Nora Césaire, Sabrina Raincomprix, Zoé Lee, Vivica, Jessica Keynes, Alix Kubdel, Aurore Beauréal, Fei Wu, and Juleka Couffaine pounced on Lincoln, and they kissed him all over.

Marinette: (Snickers) Oh man, I knew that was coming.

Lincoln then changed back, and then, suddenly, we saw Elemental HERO Darkbright appear before us, and with it are the nine girls.

Nico: That's Elemental HERO Darkbright, wicked.

Jaden: And it's also another one of my Elemental HEROS that I've used in my duels.

Elemental HERO Darkbright: (Girl's voice) Oh, sorry about the scare, but I got the girls away from your evil brother, Arabella, before he could kill them as a sacrifice to Yog-Sothoth.

Lincoln: (Gasps) That voice, Lenora Mountaineu, I knew it was you.

?: ARABELLA YOG-SOTHOTH, LINCOLN LANDON LOUD, I WILL FUCKING KILL YOU FOR RUINING MY DEVOTION TO THE LURKER IN THE THRESHOLD!

A figure came running at us, and it was a demonic Dark Goth male with pitch black hair, red eyes, pale skin, and dressed in black clothes, it was Adonis Yog-Sothoth, the former younger brother of Arabella Yog-Sothoth and fanatical leader of The Cult of Yog-Sothoth, and he was absolutely insane.

Then, Lincoln grabbed Adonis Yog-Sothoth and he sank his fangs into him and sucked out every last drop of blood from his body, and then, Lincoln banished his soul to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: Say hi to Damian Shub-Niggurath, Michael Hastur, and Abaddon Azathoth in The Black Gates, Adrian Yog-Sothoth, and don't worry, Adrian Nyarlathotep, Corbin Cthulhu, and Cadogan Cthugha will be joining you very soon. (To Lenora Mountaineu) And it's so good to see you again, Lenora Mountaineu.

Lenora Mountaineu reverted back to normal, and she's a beautiful girl with long midnight black hair, blood red eyes, she was tall at 6'5" in height, she had the body of a goddess and vampire fangs, she has massive and beautiful black angel wings, she's dressed in a long blood red coat, long-sleeved white shirt, black pants, black knee-high high-heeled boots with black butterfly buckles, and long white long-sleeved trenchcoat with darkness, shadows, bats, creatures of the night, and dark angels on the coattails and on the back is Elemental HERO Darkbright, and holstered on her back is a massive Elemental HERO Darkbright-themed greatsword with embedded blood red gems and Elemental HERO Darkbright etched on the 7'0" massive, wide, double-edged black blade, large black bat heads for the crossguard, large white angel faces embedded on both sides of the hilt with midnight blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large midnight blue gem on the bottom of the large white angel heads for the pommel.

Lenora Mountaineu: You too, Lincoln, it's been a long time.

Lincoln went up to Lenora Mountaineu and he hugged her, and Lenora Mountaineu is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you five since you were seventeen, and as you can see, I really grew a lot since then.

Lenora Mountaineu: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Lenora Mountaineu, Gene-Slammer of Elemental HERO Darkbright.

Elizabeth Lioncourt: And she's a member of The Mountaineu Clan, an ancient clan of powerful vampires from Transylvania who fought against armies of evil vampires, werewolves, demons, witches, and other evil ancient creatures since The Dark Ages. She's also a very powerful immortal vampire with mastery over the darkness, Dark Magic, Black Magic, Necromancy, The Dark Arts, Satanic Magic, and The Occult.

Monica Anniston: She's another member of The Elemental HEROS of Darkness, and she's also one of the agents of The HELLSING Organization who fought alongside Alucard, Seras Victoria, and Vince and they destroyed Ghouls and evil freshly turned vampires, and she also played a very huge role in permanently destroying Millennium back in 1999, the Nazi Organization Adolf Hitler created, and they destroyed the deranged Major and his freakshow menagerie of Artificial Vampires, along with dealing with the traitor, Walter C. Dornez, former butler of The Hellsing Family now exposed as a Spy for Millennium who became a vampire thanks to the chip implanted in him by The Doctor, because of his hatred of Alucard that went back to 1944 and his obsessive fear of growing old and useless and to destroy Alucard caused him to expose his true colors on that day.

Caitlin Ashleigh: She's also an old friend of Alucard, who she knew as Vlad Dracula, Seras Victoria, Alucard's fledgling who became a True Vampire, and her boss, Sir Integra, and she and the other Elemental HEROS of Darkness also helped Buffy Summers and her friends in dealing with The Master and the other vampires and demonic creatures in Sunnydale, along with helping Angel and The Angel Investigations Agency in dealing with the vampires and evil demons and other evil beings of the supernatural who were causing havoc in Los Angeles.

Catherine McKenzie: She's also friends with Lucy and The Young Morticians' Club, and unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and siblings who are either thieves and heartless thugs and The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, Selene and the other Elemental HEROS of Darkness clashed with Lori, who tried to kill them and Lincoln many times over on her little rampages when Dark Lori takes over, but they've beaten her and she wound up getting grounded big time.

Me: Yep, I knew it.

Nico: We met Sir Integra when we killed Leif and Jessica in London, and she's already a member of the team, but she's also pissed off that some of her agents got Gene-Slammed by Team Rocket and Kurata.

Me: And we hate to know what Lori did to warrant your form of payback.

Lenora Mountaineu: Sir Integra already asked that question, but trust me, you're not going to hearing it. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Leonora?

Lenora Mountaineu: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Lenora Mountaineu: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Lenora Mountaineu, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Lenora Mountaineu: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Lenora Mountaineu's neck with blood red gems on the gold lightning bolts and blood red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Lenora Mountaineu: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Lenora Mountaineu.

Lenora Mountaineu had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Hina Hosaka, Saran Takamizawa, Sumika Makiya, Kasumi Makiya, Airi Minamura, Yumimi Tezuka, Minako Asaka, Haruka Hinata, and Kuon Hinata from With Ribbon.

Lincoln: Oh wow, it's Hina Hosaka, Saran Takamizawa, Sumika Makiya, Kasumi Makiya, Airi Minamura, Yumimi Tezuka, Minako Asaka, Haruka Hinata, and Kuon Hinata from With Ribbon.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hina Hosaka: Yes, we're okay, thanks to you.

Then, when Hina Hosaka and the other eight girls saw who it was that saved them from the Universe 666 versions of Marinette and her friends and from being sacrificed by Adonis Yog-Sothoth, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future

Hina Hosaka: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Hina Hosaka: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hina Hosaka, Saran Takamizawa, Sumika Makiya, Kasumi Makiya, Airi Minamura, Yumimi Tezuka, Minako Asaka, Haruka Hinata, and Kuon Hinata with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Adonis Yog-Sothoth, the evil former younger brother of Arabella Yog-Sothoth, but he wasn't alone, we also faced off against the Universe 666 versions of the Miraculous Heroes who were also sighted there and they wanted revenge on us for what we did to Evil Nico and his psychopathic and murderous followers.

But, when Lincoln showed what he did first to the Universe 666 versions of The Miraculous Heroes and using The Elements of Harmony and turning into his God of Friendship form to purify and free the Universe 666 Kwamis and then acquiring The Miracle Box and Miraculous Spellbook and sending them to prison, and then, we moved on to giving that demonic Dark Goth the brutal beatdown of his lives and Lincoln finishing him off by biting him on the neck and draining him dry of blood and sending him to The Black Gates, everyone cheered and they went up to Lincoln and all of us and hugged us and Lincoln's harem also kissed him all over. Lincoln and Lenora Mountaineu have a lot of catching up to do, now that she's back in town.

Maria: Awesome, so not only did Lincoln take down the Universe 666 versions of Marinette and her friends, free their Kwamis, acquire her Miracle Box and The Universe 666 Miraculous Spellbook, but you guys also destroyed Adonis Yog-Sothoth.

Lincoln: Yep, and now, for tomorrow, we'll be hunting down Adrian Nyarlathotep, Adrienne's brother.

Adrienne Nyarlathotep: Plus, we saw Lincoln use the Miraculous Fusion when he went Super Angel Rabbit Moon Xelnaga, and he combined his Rabbit Miraculous with the Universe 666 Ladybug Miraculous, it was so cool.

Alya: We'll be seeing more awesome Miraculous Fusions in the future, and I hope he uses one on your evil brother tomorrow.

Marinette: Or on Taytum McKinley later on today, we still got The

Legion of The Lincoln-Haters out there, and they still want revenge on your man, Alya.

Girl Jordan: Now, that I'd like to see, and Marinette's right, they're still out there, I can smell their bloodstained clothes still in the air.

---

After taking down the Universe 666 versions of Marinette and her friends and destroying Adonis Yog-Sothoth, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Lenora Mountaineu saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Lenora Mountaineu: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Lenora, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Lenora Mountaineu: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Lenora Mountaineu: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Lenora, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Lenora Mountaineu: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Lenora Mountaineu: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through. But, yesterday, we found out that the one person responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Lenora Mountaineu: WHAT?!

Anna Anyanova: It's true, Lenora, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and gave him that Dark Side Creation Serum, he was the true source of Lincoln's pain and suffering. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates yesterday.

Lenora Mountaineu: Good, he was scum!

We got a shower, and then, Lincoln, Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart fell in love at first sight with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Taytum McKinley has sent some thugs to kill them.

Betty Aquaheart: Wow, so this is Seaside Hill, this is so beautiful.

Lincoln: You said it, Betty, and I've been here many times before, and it's perfect for our first date. Shall we?

Lincoln, Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Taytum McKinley's hired thugs coming after them and Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart, and they hugged the girls in their abnormally massive and powerful muscular arms, and Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Seaside Hill, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Plum Greenwood, May Zedong, Trish Rust, and Betty Aquaheart are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Lincoln: And we also had a run-in with Taytum McKinley's hired thugs, but I killed them all, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Taytum McKinley scream with extreme hatred and rage.

Maria: Yeah, up yours, bitch!

Sebastian Mendez: Alright, that's it! Drakus, get your X-Squad! We're going to destroy all of their little safehouses, secure their weapons, and kill their hired thugs!

Sebastian Mendez, Drakus, and the X-Squad went out, and they went after all of the safehouses of The Legion of The Lincoln-Haters, and they proceeded to destroy them one by one, and in the process, they also secured all of their weapons and put them all into scrolls, and then, Sebastian proceeded to kill and dismember all of the hired thugs of The Legion of The Lincoln-Haters in the most cruel bloody manner.

Drakus: Damn, I knew this guy was absolutely blood-crazed and violent, not to mention scary, but this is ridiculous

X-Squad Cyclonus: We couldn't let any of those bitches get after Lincoln, and Lincoln's not going to show them any mercy whatsoever.

X-Squad Cell: But, Nico's going to ask the question of why the newest member of the team is covered head to toe in blood.

Then, Sebastian sent blasts of darkness which hit Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper

Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson and they also got scratches on their faces. They all let out thirty screeches of angry fury.

Drakus: Oh shit, you just angered them even more. Let's get out of here before those bitches come after us with their panties in a bunch again.

The X-Squad and Sebastian came back to The World Tree Estate, and Nico saw Sebastian was really covered head to toe in blood.

Nico: Jeez, Drakus, did you let Sebastian run wild?

Drakus: Don't ask.

Lincoln: Selene had plans to launch raids into their safehouses and take the thugs down, along with confiscating their weapons, but Sebastian running wild and slaughtering the thugs and destroying the safehouses also works just as well.

Drakus: You should've seen it, it was a massacre. What started out as a raid into their safehouses to take the thugs down turned into a bloody massacre and slaughter, Sebastian brutally butchered and slaughtered the thugs those bitches had hired, and he even burned all of their plans and left scars on them, and sent them into a psychotic tailspin.

X-Squad Cell: We hightailed it out of there as fast as we could.

Drakus: Before those monster bitches came after us with their panties bunched up their asses again! But, take a look at what we got.

Drakus took out a scroll, and inside them were massive caches of machine guns, sub-machine and semi-automatic, massive caches of ammunition, grenades, bazookas, grenade and rocket launchers, Gatling Guns, shotguns, and many more.

Nico: Holy crap, they had all those weapons?! Man, they were literally out for Lincoln's head if they had all these in their safehouses.

Lincoln: But, not anymore. Now, we have all their weapons and ammo, their plans were all burned to the ground, and their hired mercenaries and thugs were all slaughtered by Sebastian. Nice one, you guys.

Sebastian Mendez: Thank you, and mind if I get a shower? I'm covered head to toe in blood.

Maria: No need, we got this.

The water wielders entombed Sebastian in a massive ball of water and he was being cleaned, and as soon as they were done, the water ball was literally red, and Sebastian stepped out clean from all the blood.

Lori: You do realize now you'll have a target on your head, they'll be coming after you for what you did?

Sebastian Mendez: Like I even care about any of the threats that come out of their filthy mouths, if I so much as see one of them, I'll rip out their vocal chords.

Lincoln: Easy, we'll take care of them one by one.

Me: Lincoln's right, you and the X-Squad have already done tons of damage to their operations, along with stealing all their weapons and destroying their safehouses, so that's a major blow.

---

Nico: Now then, who wants go out on patrol with me?

Me: Wherever you go we go.

May: You got that right.

Qin: That is for sure.

Nico: All right lets go.

We went down to the surface of the planet.

We were in the city.

---

We walked around the city and then we heard someone.

?: Excuse me. Are you guys Team Loud Phoenix Storm?

Lucille Loud: (Scottish Accent) That's us, lass.

We saw a girl named Rui.

Me: And you are?

Rui: Oh sorry my name is Rui.

Flurry Heart: You're from the Orre region.

Rui: That's right. How did you know that?

Flurry Heart: Sorry I'm Flurry Heart, Princess of Light and I'm going to be the ambassador for you tomorrow.

Me: It's part of a special diplomatic mission program we made. But it's awesome to meet you Rui.

Nico: Same here.

Rui: Yeah it's awesome.

We saw Wes.

Nico: And you must be Wes.

Wes (Pokemon): That's right. An honor to meet you all.

Me: Same to you Wes.

Wes (Pokemon): We heard you guys have encountered a lot of

Shadow Pokemon before.

Me: That's right. Over the last 2 years we did.

Wes (Pokemon): Wow.

Rui: You guys have been busy.

Me: Yep. And now there's over 1,015 species of Pokemon.

Rui: Is that right!?

Me: Yep.

Nico: And we also heard you foiled Evice years ago. Back when he was in charge of Team Cipher.

Rui: That's right.

Me: What can you tell us about him?

Rui: Well he is a crime lord.

She told us about him.

---

Evice is the main antagonist of the video game Pokémon Colosseum. He is the criminal mastermind behind Cipher who disguises himself as the mayor of Phenac City under the name of Es Cade. In his disguise, he is a fat and jolly gentleman who appears to be worried about the increase in crime caused by Cipher and Team Snagem, yet as the head of Cipher, he appears to have done nothing to stop either of them, thus ensuring that Snagem and Cipher work without interference.

After Wes and Rui defeated Miror B., Dakim, Ein, Lady Venus, Gonzap and Nascour at Realgam Tower, Es Cade revealed his real intentions - his role as the head of Cipher, whom Nascour reports to.

Evice provided Team Snagem with powerful technology. In return, Team Snagem stole Pokémon from innocent trainers. They were transformed into Shadow Pokémon in the Shadow Pokémon laboratory and shopped via the Under Subway to be dispensed to the general public in Pyrite Town and the Under. Evice then built Realgam Tower. The criminal mastermind wanted to attract wealthy Pokémon fans to the sky-scraper and charge them money to see evil tournaments between Shadow Pokémon.

Wes managed to defeat Evice and Chief Sherles arrived to arrest him. Evice had one last trick up his sleeve and he tried to escape using a helicopter. The legendary Pokémon Ho-Oh put a stop to his plan.

While Evice does not appear in this game, he is mentioned by various NPCs. A woman in the Pokémon HQ Lab states that he is still in prison, and Chief Sherles states that he wasn't the real leader of Cipher after all.

* * *

When she was done we were shocked!

Me: Oh man! At least we know that he's not our primary target for you guys.

Wes (Pokemon): No that is Greevil.

Eli: OH MAN! I know Greevil! I'm the one that destroyed the entire Cipher Syndicate.

Me: Whoa you destroyed them bro?

Eli: Yep.

Me: What can you tell us about him?

Rui: He is not a nice guy.

She told us about him.

* * *

Greevil is the leader of the criminal group Cipher and the main antagonist in Pokémon XD: Gale of Darkness.

Mr. Verich is an elderly man living in Gateon Port of the Orre region. Accompanied by his bodyguards and twin sons Ardos and Eldes, Mr. Verich is seen as a kind old man who obtains the favor of sailors by providing free food and drinks at The Krabby Club. However, his true identity is Greevil, the true leader of the criminal organization Cipher, having gone into hiding ever since the pseudo-leader Evice was imprisoned five years ago.

During one of his visits, Greevil encounters the thug Zook harassing Michael and his sister Jovi with his Zangoose after Jovi accidentally bumped into him. Greevil chastises Zook for using his Pokémon in such a manner and has Ardos challenge him, easily defeating the Zangoose with his Alakazam. After Zook runs off, Jovi thanks Greevil for saving her, to which he replies he was only doing his thing before departing towards The Krabby Club.

Later in the game, after Michael defeats Cipher Admin Gorigan and shuts down the Cipher Key Lair, Greevil appears on a television monitor and reveals himself as the leader of Cipher. He taunts Michael by claiming he no longer needs the lab now that he completed the final tuning of the ultimate Shadow Pokémon and there was no way Michael could reach his headquarters on Citadark Isle. He was later proven wrong when Michael pilots the Robo Kyogre to the island.

On Citadark Isle, Michael defeats all the Cipher members in Citadark Isle, including Ardos and Eldes, before confronting Greevil within a dome at the center of the isle. Greevil summons XD001, a Shadow Lugia created by Cipher to be the ultimate Shadow Pokémon, and orders it to destroy Michael, but Michael defeats/ snags it. Enraged, Greevil faces Michael with a complete team of six Shadow Pokémon.

After Michael defeats or snags all of his Pokémon, Greevil is left frustrated by his defeat when Ardos and Eldes arrive. Ardos encourages Greevil to blow up Citadark Isle to kill Michael, but Eldes protests and reasons with his father that they should stop. Eventually, Greevil applies to Eldes' wishes and graciously accepts defeats to Michael. What happens next to him is uncertain.

---

When she was done we were shocked!

Me: Oh man! So he is going back to jail.

Rui: Actually, Greevil reformed his ways thanks to Eldes. But there's been reports that Nascour has been reassembling Cipher.

Nico: What can you tell us about him?

Rui: Well he is a horrible monster.

She told us about him.

---

Nascour is the secondary antagonist in the video game Pokémon Colosseum. He is a man with a terrifying face, he is gaunt, dressed in black clothes and wiry, white serpentine hair.

Nascour first met Wes and Rui at Phenac City. Nascour was leaving the mayor's house. No explanation was given at the time as to why he was there. He promised Wes that they would meet again soon and he spoke truly.

Throughout the rest of the Shadow Pokémon incident, Nascour gave orders to the Cipher Admins - Ein, Dakim, Miror B., and Lady Venus.

At Realgam Tower, Nascour forces Wes to battle against four trainers in a row. He then fought Wes himself, in front of a packed stadium of witnesses. However, Nascour failed to defeat Wes. He then revealed that he had been taking orders from Es Cade, the mayor of Phenac City, who now called himself Evice, all along.

Nascour is presumably arrested along with Evice in the finale of Pokémon Colosseum.

---

When she was done we were shocked!

Me: Whoa man!

Qin: So he is our target.

Me: He is going back to jail.

Rui: When are you guys gonna have your big day for us?

Me: We're projecting May 28th.

Nico: Who defeated Greevil?

Wes: (smiles) My successor Michael.

Me: Wow!

Eli: That is awesome.

Qin: Yeah it sure is.

Flurry Heart: Wow it sure is. Rui I can feel that you have amazing psychic powers.

Rui: You know about my power?

Flurry Heart: I just can sense it. It's amazing.

Rui: I can tell which Pokemon is a Shadow Pokemon.

Me: That is a very amazing power.

Flurry Heart: It sure is.

Me: And Celebi can destroy the darkness in Shadow Pokemon.

Jen Scotts XXXVIII: Looks like my power as a Celebi will come in handy for that.

Flurry Heart: Yeah.

Wes: How about my and Rui hang with you guys until Flurry Heart's mission tomorrow?

Me: Sure. We can get acquainted till then.

Flurry Heart: That will be awesome.

Rui: Awesome.

Xenia: Yeah it is.

Nico: We're heading out on a patrol before the main mission.

Rui: All right.

We continued on.

Poliwag: It'll be an honor to have you guys with us.

Rui: (gasps) A Pokemon that talks?!

Me: Well not just Poliwag.

Tentacool: Many of us can talk.

Meowth: Including me.

Manaphy: It's a great story.

May: Lots of our Pokemon can talk.

Rui: Wow! That is cool.

Me: It sure is. We call Poromon, Poliwag and their friends the Mascots. They are the team Cutie Force.

Rui: That is amazing.

Qin: It sure is.

Flurry Heart: All our Pokemon and Digimon are awesome.

We then saw a man and it was Naruki Ooi!

Mariana Abramovich: Hey. Aren't you Naruki Ooi?

Naruki Ooi: That's right.

Me: (GASP) (In my head) That's Naruki Ooi. I remember this guy. Like Haruka he too is a manga writer.

Nico: Awesome to meet you.

Xenia: Same here.

We saw his Manga Drawings.

Me: Those are great Manga drawings.

Naruki Ooi: Thank you.

Rui: I sense something dark in him.

Nico: I feel it.

Me: Looks sharp.

Nico: One of our friends is a manga artist.

Naruki Ooi: Haruka Kitou, right?

Me: That's right. She makes awesome manga.

Lincoln: It's all really awesome.

Me: Lincoln is an awesome Manga collector himself. Also me and Zarya here got turned into Manga pages on her first Ambassador mission with the Zenkaigers.

Zocks: I remember that. That was so awesome.

Me: It was weird but it was cool.

Zarya: It sure was.

Naruki Ooi: That is something.

Me: It was cool though.

Naruki Ooi: (sighs) I know you guys know about my… unique form. I'm gonna be honest. Ever since I got it, I've had a desire to absorb cartoonists. The first time this happened, I managed to absorb at least a few of them. But now, I know you guys are going to try and stop me from doing that. So, I have to get you guys out of the way. Nothing personal.

Me: I have a feeling I know what's coming. Stand ready!

With that, he was surrounded by an energy circle with the Gokaiger logo before turning into Kaizokuki from Episode 10 of Donbrothers!

---

At a park, Ippei is reading Heartbreak Hero when Naruki approaches him and asks for his hand to be signed. Ippei obliges with his request and is thanked by Naruki, who walks off. Ippei shows annoyance at being bothered by fans as he can't read in peace. Kaizokuki appears and grabs Ippei with its tentacles, absorbing him into his body. He picks up the copy of Heartbreak Hero and says he will move onto the next one, indicating he plans on attacking Haruka Kito next.

When Haruka is running away from Marina, she finds Naruki and he directed her into an alley. He is amused Haruka Kito, the famous artist, went looking for him instead of the other way around. He changes back into Kaizokuki and Haruka runs away but trips and falls down. She is about to be absorbed when Marina saves her, armed with the DonBlaster that once belonged to her and becomes Oni Sister. Haruka narrates that this is truly a shocking turn of events. The other Donbrothers teleport in, with Don Momotaro ordering his companions to attack. Marina approaches Don Momotaro and bows to him, asking to show them all the way. Don Momotaro says she can accompany him and they charge into battle. The team seems to be more in sync than when Haruka was a member, but Kaizokuki gets away despite that.

Later, Kaizokuki appears and tries once again to abduct Haruka, Hitoshi gets scared and runs away, crying for his mom. Marina protects Haruka, the latter asking why he is doing this. Kaizokuki was an aspiring manga artist but didn't have the talent to succeed, so he will literally steal the talent of others to become successful by absorbing manga artists. Haruka angrily says talent isn't something you take, it is cultivated through one's own hard work. Marina agrees and changes into Oni Sister to protect Haruka. The rest of the Donbrothers teleport in to fight as the Anoni appear and even more Anoni come through the invisible doors.

Sononi appears, and despite her orders to aid her comrades in locating the Juto, she cannot stand the stench of human greed and prepares to use her bow to kill Kaizokuki. Her aim's timing is off as the arrow heads for Marina, but Don Momotaro leaps in and strikes the arrow down with the ZanglaSword to protect Marina. Don Momotaro charges at Sononi while Marina fights the Anoni and Kaizokuki, but when she points her DonBlaster a certain way, she freezes and her hands start to shake. She drops her DonBlaster, her mental state rattled as she stares at her shaking hands.

Haruka realizes that Marina still carried her camera in the hopes of taking pictures again, but the misfortune she suffered and her time in battle has affected her for the worse. Haruka blames herself for this, realizing that abandoning her responsibility as a warrior just brought pain to someone else, though she is mentally conflicted about what to do or if it even is her fault at first. She decides to give up her perfect life, calling her editor and telling her she is quitting her manga career.

Haruka then runs to Cafe Donbura and grabs Kaito by the sleeve of his shirt, insisting that he DOES remember her. Kaito for a second seems to feign ignorance and act like he still doesn't remember her, but she knows he is the Admin and demands he drop the act. Kaito sheepishly admits he still remembers her when she gets furious. Haruka says she wants to wish to undo her wish and return to the Donbrothers. Kaito opens his laptop and hits the delete key, the world dissolves into a blinding light.

Haruka suddenly finds herself as Oni Sister running around and beating Anoni with her kanabo. Haruka joyously proclaims she has arrived to the confusion of Don Momotaro who asks why she would announce that as it is obvious she is here. Haruka says she has been through a lot today and then aids Tsuyoshi and Tsubasa when Kaizokuki proves difficult for them to fight. She smacks him around with her kanabo for a bit then Avatar Changes into Oni Sister Robotaro and blasts him with missiles from her club. Don Momotaro is impressed with Haruka "enjoying the festival" but won't let her hog all the glory. The team assumes their Robotaro forms and make quick work of the Anoni and drive Sononi back.

As Haruka fights Kaizokuki, she says that Marina can live her own life now and as for the future, she will do the fighting from now on. She hits Kaizokuki so hard he crashes into a lamppost and gets electrocuted, then falls stunned onto the pavement. Don Robotaro tells his companions it's time for the finisher, executing the Unprecedented Peach: Robotaro Party attack. The team launch a barrage of fireworks at Kaizokuki and then Don Robotaro finishes with a rapid high speed Robotaro Slash. The absorbed manga artists are freed and the awakened artist who was Kaizokuki feels ashamed.

---

We gasped!

Me: Kaizokuki! I knew it!

Nico: the Gokaigers Hitotsuki!

Eli: This guy has over 36 years of Sentai with him!

Me: And I remember this one too! He was pissed off at numerous people being fans of Haruka's manga and he couldn't find a place to read in peace! And he absorbed numerous Manga Artists to get rid of the competition!

Qin: Oh man!

Nico: This is gonna be interesting.

Then out came NAPS!

Nico: You're Naps, Lovrina's brother, right?

Naps: Yep. When I bring your Pokemon to the new boss, it's nothing personal. (glares at Wes and Rui) But your new friends, on the other hand…

Me: We would love to dance but we have bigger fish to fry.

Eli: Let me face him bro.

Naps: Eli!? I didn't expect you to be part of Team Loud Phoenix Storm.

Eli: Surprise!

Eli fired a Force Push blast and smashed him down.

Me: Go get him bro.

Megaforce Rangers and Nico: LETS POWER UP! SUPER MEGA MODE!

They transformed!

Nico: SUPER MEGAFORCE RED!

Emma: SUPER MEGAFORCE PINK!

Jake: SUPER MEGAFORCE GREEN!

Gia: SUPER MEGAFORCE YELLOW!

Noah: SUPER MEGAFORCE BLUE!

Lillith: SUPER MEGAFORCE BLACK!

Orion: SUPER MEGAFORCE SILVER!

Nico and the Megaforce Rangers: EARTH'S DEFENDERS NEVER SURRENDER! POWER RANGERS SUPER MEGAFORCE!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready for action!

Qin: COOL!

Nico: Cool!

Me: Looking great Nico!

May: I'll say!

Me: That was an awesome transformation! Troy would be proud!

Lyra: Lets make this fun! AVATAR CHANGE!

She turned into her Donbrothers form!

Lyra: The magic of friendship lives on in everyone! DON ALICORNIA! ドンアリコルニア

Rui: That is cool!

Me: Lets make this fun too!

Naps: Scrafty, Slaking, Honchcrow, Metagross, Rhyperior! Come out!

The said Pokemon came out.

Rui: (gasps) The Scrafty is a Shadow Pokemon!

Jen Scotts XXXVIII was about to use her powers to purify Scrafty but Wes stopped her.

Wes: I'll help Eli fight Naps' Pokemon. If I capture Scrafty, it'll be my first Unova Pokemon. Espeon, Umbreon, Come on out!

He had his Pokemon come out.

Gladion: Wow! He has an Espeon and Umbreon as well!

Nico: Wow! That is coincidental.

Qin: It sure is.

Kaizokuki: (grabs Poliwag) Trust me. This is a better alternative than becoming a Shadow Pokemon!

With that, he absorbed Poliwag.

Me: Don't count on it! (SNAPS FINGERS!)

I beamed Poliwag back.

Poliwag: Thanks.

Me: No problem. Top this!

I teleported and slashed him with my sword!

Nico: Has anyone ever told you that you look like a repulsive version of Davy Jones?

Kaizokuki: So I have seen.

I slashed him.

Shadow Scrafty was giving Umbron and Espeon trouble as it knocked the both of them to the grounds.

Naps: (laughs) You're in trouble, Wes! Scrafty's Dark type makes it a match for your Espeon. And your Umbreon is in trouble because of its' Fighting Type.

Wes: (smirks) You're forgetting about my other Pokemon.

Wes sent out his Noctowl.

Eli: And this! (Kneels and Prays) Arceus we need help here. An evil Pokemon Trainer named Naps is unleashing a Shadow Pokemon that needs to be purified and we have to stop Naps and bring him to justice.

Then out of a vortex came the ALMIGHTY GOD POKEMON, ARCEUS!

Naps: ARCEUS! Oh crud.

Kaizokuki swung his sword at Nico but he countered with his Super Mega Saber.

Nico and the Megaforce Rangers: LEGENDARY RANGER MODE! PEACH MOUNTAIN SHOGUNS!

They turned into the Donbrothers!

Kaizokuki: So you guys are the Donbrothers too!?

Me: When you got 47+ Years of rangers with you there is a lot of powers. Do you have the same powers?

Shadow Scrafty was giving Umbron and Espeon trouble as it knocked the both of them to the grounds.

Naps: (laughs) You're in trouble, Wes! Scrafty's Dark type makes it a match for your Espeon. And your Umbreon is in trouble because of its' Fighting Type.

Wes: (smirks) You're forgetting about my other Pokemon.

Wes sent out his Noctowl.

Eli: And this! (Kneels and Prays) Arceus we need help here. An evil Pokemon Trainer named Naps is unleashing a Shadow Pokemon that needs to be purified and we have to stop Naps and bring him to justice.

Then out of a vortex came the ALMIGHTY GOD POKEMON, ARCEUS!

Naps: ARCEUS! Oh crud.

Kaizokuki swung his sword at Nico but he countered with his Super Mega Saber.

Nico and the Megaforce Rangers: LEGENDARY RANGER MODE! PEACH MOUNTAIN SHOGUNS!

They turned into the Donbrothers!

Kaizokuki: So you guys are the Donbrothers too!?

Me: When you got 47+ Years of rangers with you there is a lot of powers. Do you have the same powers?

Noctowl used Peck to knock Shadow Scrafty to the ground.

Wes: Let's be honest, Naps. I know your Shadow Scrafty is going to cause lots of trouble until I snag it. So, let's cut to the chase, huh?

Arceus: And I know just the proper power.

He donned his Fire Element power and fired a massive barrage of fireballs from the sky and blasted Shadow Scrafty all over!

SUPER EFFECTIVE!

Then he fainted.

Jen Scotts XXXVIII flew in and fired a beam of light and it destroyed the darkness in it.

Naps: NO!

Eli: The legendary power of Arceus knows no bounds.

Wes: Snag ball, go!

He threw it and caught Scrafty!

Wes: Awesome!

Rui: Oh yeah!

Naps: NO!

Eli: You lost Naps.

Kaizokuki's nose turned into a sword and he swung it at Nico, knocking him down.

Kaizokuki: Why don't I try that? By turning into the Hitotsuki you guys beat already!

Me: Bring it on!

He turned into the Kiramagers Hitotsuki!

Me: Mashinki! Now we're talking! (Uses Kiramai Avataro Gear)

It got the Sword of Twilight Crystal.

I slashed him all over the place with incredible force.

I fired waves of light and darkness.

Naps: You're forgetting my other Pokemon!

Rhyperior burrowed into the ground.

Arceus: Not this time.

He turned into his Water Power and fired a jet of water that hit his Rhyperior and bashed it all over and dug him out!

Eli: Take this!

Eli fired Force Lightning and Electrocuted his Pokemon all over.

Wes: Whoa!

Kaizokuki tried biting Nico with his nose.

Nico dodged him.

Kaizokuki: Try this from the air!

He turned into the Jetman Hitotsuki!

Me: Now it's time time to take to the sky!

He flew and I flew after him and fired waves of energy and blasted him all over.

Honchcrow flew at Noctowl.

Noctowl dodged him.

Arceus fired a wave of wind and blasted Honchcrow into the ground.

Wes: Noctowl, SHADOW BALL!

Noctowl fired a Shadow Ball and blasted him down.

Ash: PIKACHU VOLT TACKLE!

Ash's Pikachu ran fast at an incredible speed and ran as fast as lightning and then he headbutt Naps in the stomach and bashed him into a cart of melons!

Kaizokuki shot cannonballs and beams from his cannons at us and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They blasted everything around us in a massive number of fiery explosions!

I was still standing!

Me: WHOA! That was lethal! But so is this!

Kaizokuki: Bring it!

He fired a massive energy cannon blast and I fired a Kamehameha Wave and the blasts collided and exploded in a massive fiery explosion!

MASSIVE FIERY EXPLOSION!

Nico: WHOA!

Wes: My Metagross can beat yours!

Wes' Metagross came out.

Wes: Metagross Hyper Beam!

He fired a Hyper Beam blast and it blasted Naps' Metagross and it fainted!

Ash: All right!

Kaizokuki: See how you like this!

He turned into the Mighty Morphin Hitotsuki!

Me: Take this one!

I fired waves of lightning and blasted him.

Nico and the Megaforce Rangers: LEGENDARY RANGER MODE! HYPERJET SQUAD!

They turned into the Jetman and went at him with incredible speed and slashed and blasted him all over.

Naps: I still have my Slaking!

But it was loafing around.

Naps: (sarcastically) Oh, keep on loafing around. I'm in no rush!

Ash: Enough for this! Pikachu! Electroball!

Pikachu fired a ball of lightning and blasted it down and knocked it out!

Arceus: That was great!

Naps: Alright, I surrender.

Nico: That's it?

Me: Really?

Kaizokuki: Aw that was just getting good.

Naps: Let's just say that Professor Krane was onto something when he said Cipher was no good for me.

Eli: Nice to know that we can agree on that. Nico what do we do with Naps?

Nico: He goes into the Masters of Evil. But now, we only have Kaizokuki to deal with!

Me: Fair enough. Next villain of Cipher we send flying Team Rocket Style.

Nico: You can bet on that.

Lyra: This is gonna be awesome.

Lyra teleported and punched and kicked Kaizokuki and bashed him down.

Camie used her quirk and formed an illusion of the Aurora and it hypnotized Kaizokuki!

Himiko: Time for this one.

She fired a blast of fire and blasted him down.

Thunderblast: Save some for me!

She used the Earth Cyber Planet Key and her Rocket Launcher turned into a cannon!

Thunderblast: Taste this!

She fired a blast of energy and blasted him all over the place!

Then we saw a Zebstrika!

Me: Hey a Zebstrika!

Qin: Cool!

Zebstrika: (In a girls voice) (Kenyan Accent) I think this is gonna be amazing too.

Nico: Alexandra Valerio! Wow!

Zebstrika: Good to see you Nico.

She fired a blast of lightning and it hit Kaizokuki and blasted him all over!

Nico got onto Zebstrika's back.

Zebstrika: Get ready Nico. This will be awesome.

Nico: It sure will.

Nico and the Zebstrika fired waves of lightning and ran at Kaizokuki and blasted him all over.

Carol: Tina you're going to see why I'm now called the Queen of The Kaiju.

Tina Esther: What do you mean?

Carol flew and fired King Ghidorah's Gravity Lightning and blasted Kaizokuki all over the place with incredible force. Then she fired Gyaos' sonic laser and blasted him. She fired Godzilla's Orange Spiral Ray and blasted him and massive fiery explosions blasted off all over the place with incredible power! They all blasted him into the ground!

Nico: YEAH!

Qin: OH YEAH!

Maria: That's my sister!

Nico held onto Zebstrika!

Tina Esther: WOW! That was amazing Carol!

Nico: No kidding!

Me: Lets finish this up shall we?

Nico: You bet.

Noah: SUPER MEGAFORCE CANNON!

They summoned the Super Megaforce Cannon.

Me: Tina want to have a shot too?

Tina Esther: You bet I do!

Nico: All right.

They charged up the cannon and locked it on target.

Me: Ready?

Tina Esther: Aim!

Kaizokuki: UH OH!

Nico: FIRE!

We fired a massive blast of energy, fire and elements and the blasts all hit him and he exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

He was dead!

I caught the Avatar Gear and it was for the Red Gokaiger!

Me: YEAH! Kaizokuki you have failed this city!

Eli: Yeah he has!

Nico: Rangers, that's a Super Mega Win.

Naruki was down and badly beaten.

Me: Boy he is going to be feeling that one.

Qin: No kidding there.

Naruki vanished.

Wes: Where did he go?

Me: Back to his home in Japan.

Rui: That… was… AWESOME! You guys were amazing!

Rainbow Dash: We get that all the time with everything we do.

Lola: Yeah it's a living.

Alexandra reverted back and she was a girl with black hair and had a red shirt and red skirt with the flag of Kenya on it and she had a spear in her hands.

Nico: That was so awesome.

Alexandra Valerio: Boy it sure was!

Rui: Yeah!

Tina Esther: Wow! Carol how did you learn how to do that?

Carol: I got exposed to Cosmic Radiation and it gave me all the powers of the Kaiju. I have tremendously incredibly destructive power.

Nico: She sure does.

Qin: Yeah.

Vince: That's my awesome wife for you guys.

Me: You got that right partner.

Beachcomber: What's your favorite memory of Nico?

Alexandra Valerios: When me and Nico were over in my village in Kenya and we saved lots of elephants from poachers.

Me: I remember seeing that on the internet. Those were Ivory Poachers that were trying to get tusks to sell on the black market.

Nico: Yep. That was awesome we stopped them.

Nico and Alexandra hugged.

Nico: I've really missed you.

Alexandra Valerios: Me too Nico. Me too.

We arrived back at the estate and then Troy came back.

Troy: Hey, guys. Anything happen while I was gone?

Slog: Oh, the usual.

Me: You missed a really epic battle. We faced the Gokaiger Hitotsuki.

We told him everything and it was awesome.

Troy: Whoa! That is amazing!

Qin: It was.

Nico: Yep.

The Previous Group Came.

Toyman: Can me, Electrocutioner, Hydro Man, Pyro, Grumblemon, Hsi Wu, Artie Ziff, King Hiss, Mammoth, and King Shark go with you guys?

Nico: Yes you all can come with.

Toyman: We saw the battle that happened. Are you guys okay?

Me: Yep.

Rui: Whoa are you guys the Masters of Evil?

Electrocutioner: We sure are and you are?

Rui: I'm Rui and this is Wes.

Flurry Heart: They are for my ambassador missions tomorrow and they want to hang with us till then.

Electrocutioner: Oh. Awesome having you guys with us.

Fuse Man: Nico, which Gene Slammers do You think you'll meet next?

Nico: Well I'm hoping to meet Gigalith, Swoobat and Excadrill next but also I'm hoping to meet ones for all the Ultra Beast Pokemon: Nihilego, Buzzwole, Pheromosa, Xurkitree, Celesteela, Kartana, Guzzlord, Poipole, Naganadel, Stakataka and Blacephalon.

We gasped!

Me: Whoa! That's a lot!

Xenia: Yeah! This will be interesting.

Camie: Yep.

Lincoln came with the mail.

Lincoln: Mail's here.

Me: What did we get?

Lincoln: Lets see.

Lincoln looked and he saw something.

Lincoln: Hey, guys, take a look at this.

Lincoln got an invitation, and it's from Bobbie Fletcher.

Me: It's from Bobbie Fletcher, let's see what it is.

I opened it, and we saw it's an invitation to an awesome Super World Race.

Nico: (GASPS) Oh man, we've been invited to a Super World Race, this is going to be so awesome!

Me: Awesome!

Lincoln: And it says here, we're going to be battling McWolf, and he's going to try and stop us from winning. (Snickers) But, we'll be ready for him 'cause we've put in some awesome funny weapons to give McWolf a run for his money.

Eli: Oh yeah!

Nico: (Snickers) This is going to be funny, McWolf has no idea who he's dealing with: we've dealt with Dastardly throughout the races, along with many dangerous villains who were out for our heads.

Me: Alright, gang, let's get into our cars and let's get ready to race!

Lincoln: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Taytum McKinley of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Taytum McKinley of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Girl Jordan: While you and I deal with Taytum McKinley and put an end to her for good, Link.

Lincoln: But, we also got to watch it though, Taytum will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we've got a race to win.

Lincoln: Yeah, time to put the petal to the medal, and we know McWolf is waiting for us there, but we are so ready to show him what happens when he messes with us out on the race track, and once we get done with this awesome Super World Race, you're next, Taytum McKinley.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Girl Jordan: You will feel the true wrath of Ler, Taytum McKinley, and you will drown in the ocean's surging tides for everything you've done five years ago.

Nico: Lets head to the garage.

We got into our cars, and we drove off to the starting line of The Super World Race.

The starting line was in Nome, Alaska.

---

We arrived in Nome and we saw a route of the race. Turns out it is a reverse route of the last one.

Me: This is easy to remember.

Tina Esther: I also have a mascot Pokemon of my own.

Hydro Man: Which one is it?

A Cyndaquil came out.

Me: Hey a Cyndaquil.

Nico: Aww.

Maria: Oh that one is so cute.

Battletrap: Can it talk?

Tina Esther: Nope.

Nico: Oh.

Qin: That's okay then.

Lola: Yeah.

Nico: This is gonna be so awesome.

Then the Call to Post horn tooted.

We went to the start line.

Grumblemon: Here we are

Tina Esther: Maria I don't have my own car can I ride with you?

Maria: Sure Tina. Hop in.

She got in.

Nico: This is gonna be awesome.

Eli: It sure will.

Lugnutz: I hope the good old USA is involved here.

Me: Oh it is. That's the finish line. The finish line is in Gotham Royal York.

Nico: Cool!

McWolf pulled up in his car.

McWolf: Hey guys! You ready for the most fun race ever?

Me: You bet we are McWolf.

McWolf: This is gonna be as fun as the rescues we did huh J.D.

Me: Oh it sure will!

Nico: I'm ready to kick your furry butt.

McWolf: We'll see about that.

Droopy: That is for sure bub.

We were ready.

Billy Natson: And welcome to another most eventful and most amazing day in racing history. Hello I'm Billy Natson and we have a really amazing and fun day for you all as we go through number 2 of the Global Super Race, the second race we had of this magnitude. Wow! With us we have our very own Team Loud Phoenix Storm and they are really looking forward to this one. You ready to burn the track?

Me: We sure are Billy!

The crowd cheered.

Billy Natson: Yeah! And we also have our opponent for them and it's McWolf.

McWolf: That's Trailblazer McWolf!

Crowd Boos and Hisses.

McWolf: Ah boo yourself!

Billy Natson: Lets get this competition started everyone!

We were ready!

Krista: Racers take your marks!

She held up the green flag!

Krista: GET SET!

We were ready.

Krista: REV UP AND GOOOOOOO!

She waved the flag and we zoomed out of there fast!

Billy Natson: AND THEY'RE OFF!

We were racing through the Kamchatka Peninsula into Gobi Desert!

King Dedede: Eat my dust!

Nico: Oh yeah?

Nico zoomed by him!

Me: EAT OUR DUST MCWOLF!

McWolf: OH YEAH!?

He pressed a button and fired a bunch of mines and blasted the track all over in fiery explosions!

MASSIVE FIERY EXPLOSIONS!

Me: Oh so that's how you want to play it! Okay then. (PRESSES BUTTONS) MONGOLIAN DEATH WORM MISSILES, FIRE!

I fired a bunch of burrowing missiles and they went under McWolf's car and they latched under it and electrocuted it and him all over with billions of volts of electricity!

Qin: Shocking huh!¡

King Hiss: We're just getting started!

We zoomed from the Kamchatka Peninsula and through New Zealand and into Australia.

McWolf: Try and top this!

He fired rotten egg stink bombs and Eli used slingshots that fired them back at McWolf.

Me: Top This! METEOR BOMB MISSILES!

I pressed 3 buttons and fired bombs and they hit McWolf and blasted him all over in fiery explosions!

Lola: YEAH!

We were zooming through Indonesia, Southeast Asia and then through the Gobi Desert again. Then we went through Siberia and the Himalayas and India.

Charge Man: We're making good progress.

Me: We're moving fast.

McWolf then had his car turn into a helicopter.

McWolf: (LAUGHS SINISTERLY) TAKE THIS!

He threw COUNTLESS HEAVY OBJECTS AT US!

Nico: Geez! He is showering us with everything but the kitchen sink!

Crashes and smashes were heard all over. He got out the kitchen sink.

McWolf: Nah this gag is too corny even for me!

Me: You know what's even more corny? This.

I pressed a button and it formed an huge boxing glove and it punched his helicopter and sent it crashing into a huge cliff wall and squished him flatter than a pancake as we zoomed into eastern Europe!

McWolf: NOW I'M MIIIIIIIFFFED!

King Shark: This ain't over yet!

We zoomed over Scandinavia and down Denmark and into the

Netherlands and France.

McWolf fired rockets and missiles and we dodged them all over.

Me: Oh yeah?

I pressed a button and a tesla coil fired waves of lightning and electrocuted McWolf all over and blasted him down.

Qin: So long stinky!

Charmcaster: Let's bring some magic in here!

She fired waves of magic and blasted McWolf in the butt.

McWolf: YEEEEEEOOUCH!

Fortune Lady Fire. We can agree there.

---

Nico: Yep. So, Lenora, what's the story on how you took down Lori when that bitch Dark Lori took over her body and went on another violent rampage to kill you and Lincoln again?

Lenora Mountaineu: That's something I'll never forget. I make it no surprise that Caitlin was right, the only thing the other Elemental HEROS of Darkness and I had to deal with is Lori who tried to kill us and Lincoln many times over on her little rampages when that control freak bitch, Dark Lori, takes over, and we've beaten her down and she wound up getting grounded big time. Well, one night, Lincoln and I were at the Gotham Royal York Cemetery, and Lucy and her friends had finished up their meeting, and we were there to escort her and her friends home. But, then, we heard a loud and violent shriek in the air, and Lincoln had fired a blast of darkness at a nearby bush and it forced out one person I hoped never to see: Lori, the control freak of the Loud Family, she had red eyes of hatred and she was snarling like an angry demon, but even worse, she also had a knife in hand and tried to stab me and Lincoln with it. She always did this stunt: using blades and knives to try and stab us with them, but we were ready for her, I fired a dark mist which blinded Lori, and Lincoln summoned vampire bats which attacked her and Lori screamed like the banshee she was, and then, we sweep-kicked her onto the ground and we tied her up in dark energy ropes. We escorted Bertrand, Haiku, Persephone, Boris, and Dante home, and we dragged Lori back to The Loud House, and after we told Mr. and Mrs. Loud of what Lori tried to do to me and Lincoln, Lori got grounded for fifteen weeks and she was put in a titanium cage and in a straitjacket.

Nico: This hadn't been the first time Lori tried to use knives and other sharp objects to stab her little brother when that bitch took over, and we also heard of how she tried to kill Lincoln by locking him up in his room and leaving him to die after she stabbed and slashed at him many times and chained him up.

Me: We were absolutely shocked and outraged that Dark Lori would do something like that, but Lincoln was saved from death, and Lori got her just desserts.

Lenora Mountaineu: We heard about all that from Selene as well, and many of us who hated Lori wanted her head mounted on a stake and her body thrown to the buzzards! But, we didn't want revenge to cloud our minds, we had to think of Lincoln and he wouldn't want Lori dead, because despite all the horrible things she tried to do to him, she's still his older sister.

Luna: That's Lincoln for you, he loves his family, but the one person who did this was Killjoy Huggins, Principal Huggins' Dark Side, he administered his Dark Side Serum into Lori, Lynn, Lola, Lisa, and Luan when Lincoln was in Third Grade.

Leni: And it's not a surprise since he hated Lincoln and wanted to kill him or get him expelled and sent to prison. But not long ago, Lincoln and the others exacted brutal payback on him and sent him straight to The Black Gates.

Selene Arcangela: It was a long time coming, but Principal Huggins was absolutely traumatized that his Dark Side tried to do all that to Lincoln, and he was taking a break from being Principal.

Lincoln: He's got a long road to recovery after what that monster put him through. But, yesterday, we found out that the one person responsible for turning Principal Huggins into the very jerk who wanted me dead was Chase Young.

Lenora Mountaineu: WHAT?!

Anna Anyanova: It's true, Lenora, Chase Young was the one responsible for turning Principal Huggins into the killjoy jerk we hated and gave him that Dark Side Creation Serum, he was the true source of Lincoln's pain and suffering. We separated Chase Young from his dark side, and we made him pay for 1,500 years of evil and we sent him to The Black Gates yesterday.

Lenora Mountaineu: Good, he was scum!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Taytum.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Taytum McKinley of The Legion of The Lincoln-Haters, but we also saw Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, the bitch has also got Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Taytum McKinley: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And none of us will forget what you did to our Dads, The Blood Dragons!

But, before Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river, bitch!

Maria: You tell her, Lincoln!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Girl Jordan: But, that's going to end here and now.

Suddenly, Girl Jordan's ocean blue eyes turned neon ocean blue and she's surrounded by an ocean blue energy aura with sea dragons, ocean waves, water, sea animals, and snow, she unholstered her massive Ler's Sea Dragon Greatsword of Celtic Ocean Justice from her back, and as she approached Taytum McKinley, she left ocean blue energy, ice, sea dragons, ocean waves, water, snow, and sea animals with every step.

Girl Jordan: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Taytum McKinley, and the same went with the rest of the monsters inside the energy field. You think that now that you and the rest of the Legion of The Lincoln-Haters have broken free you can waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Girl Jordan was surrounded by a massive vortex of ocean blue energy with ocean waves, sea animals, sea dragons, snow, and ice surrounding it, there's a sea dragon swimming around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Taytum McKinley: the red eyes of death. Then, as the vortex faded, Girl Jordan emerged, but she was changed forever.

Girl Jordan grew from 7'4" to 7'5" in height, she had the body of a goddess, she has ocean blue highlights in the bangs of her long light brown hair with blue bow on the side of her head, she has neon blue eyes and a neon ocean blue energy aura with ocean waves, sea dragons, sea animals, snow, and ice surrounding her, she has a sea dragon with the Water Kanji on its tail emblazoned on her forehead, she has on sea dragon earrings with ocean blue gems for eyes and the Water and Eternity Kanjis in its claws and her merged Elemental Thunderbird Necklace of Eternal Love with ocean blue gems on the gold thunderbolt links and ocean blue crystal links and an ocean blue sea dragon-shaped Element of Harmony with a golden Thunderbird and a sea dragon with ocean blue gems for eyes and the Water and Eternity Kanji in its claws for the pendant, she has on a yellow sleeveless yellow midriff top with ocean blue phoenix on it, blue skirt with ocean waves, black pants with ocean waves on them, ocean blue knee-high leather combat boots, the ocean blue weighted bands with silver phoenixes on her biceps and thighs were now covered with gold metal bands with ocean blue gems and she now has ten large ocean blue orbs orbiting around her legs, and long sleeveless white trenchcoat with sea dragons, sea animals, water, snow ice, and ocean waves on the coattails, and on the back is a sea dragon surrounded by ocean waves and snow. Suddenly, Girl Jordan felt a sharp pain on her back, and then, her massive light brown angel wings with ocean blue tips on the feathers and water dripping from them grew much bigger for her new body, and she now has eleven massive and long light brown wolf tails with ocean blue tips and ocean blue markings, Girl Jordan has on her Ring of the Phoenix with large ocean blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring

on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Girl Jordan's massive Ler's Sea Dragon Greatsword of Ocean Justice and the swords that she'd gotten in the treasure battles began to merge and was surrounded by a kaleidoscope of ocean blue energy with water, ocean waves, sea dragons, sea creatures, and snow, and when it emerged, it was transformed into Girl Jordan's Ler's Sea Dragon Greatsword of Celtic Ocean Justice, it's a brand-new massive greatsword with embedded ocean blue gems and the Celtic God of the Sea, Ler, etched on the 7'2" massive, wide, double-edged ocean blue blade and he was surrounded by a Celtic Knot circle, large ocean blue sea dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with ocean blue gems embedded in the foreheads, longer blue handle decorated with ocean blue dragon scales, four large ocean blue sea dragon heads with ocean blue gems in its mouths and a large ocean blue dragon head with a gem in its mouth below the large sea dragon heads for the pommel. Girl Jordan has on her new Bracers of The Champions of The Universe with ocean blue gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold sea dragon head with blue gems for eyes and a large ocean blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an ocean blue kanji below the sea dragon that said, "Jordan Rosato, Loving Daughter of Mr. and Mrs. Rosato, Spiritually Connected Sister of Leeli Wingfeather, Athletic Dodgeball Angel Queen of Gotham Royal York, Lifelong Childhood Friend Now Loving Future Wife of Lincoln Loud, Descendant of Seventeenth Century Duchess Jordan of Ireland and Powerful Protector of Ireland's Long and Proud History, Destroyer of Cletus Kasady Also Known As Carnage and Nathan Puwalsky, Archenemy of Russ Cargil, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Emissary and Champion of Ler, Member of The Neptune Crusaders, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Water, Snow, and Ice"

We were amazed by Girl Jordan's Super Angel-Sea Dragon-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Taytum McKinley saw it, she went fucking crazy and got out a machine gun to fire at Girl Jordan, but Girl Jordan fired a barrage of ocean blue energy blasts with ocean waves, sea dragons, sea animals, snow, and ice at Taytum McKinley, and it sent her flying into a tree back first, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Leeli: Incredible.

Me: Oh man, Girl Jordan has transformed into her Super Angel-Sea Dragon-Harmony Universal Eternal Celestial Xelnaga form, that's so awesome! Now, things are really going to get messy!

Lincoln: Taytum McKinley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Girl Jordan: (Divine Godly Cosmic Voice of The Celtic Maelstrom Sea Dragon and Divine Oceanic Celtic Sea Dragon Maelstrom Love) You got that right. Now, let's rip her apart, Linky.
